1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to funding from non-City sources; authorizing department directors to accept grants, enter into revenue-backed service contracts, and carry forward related appropriations.

Summary and background of the Legislation: This bill authorizes City Department directors to accept grants and enter into revenue-backed service contracts anticipated as part of the 2024 Budget. Several departments routinely receive reliable funds from federal and state governments and other sources. The 2024 Budget relies on these revenues to back appropriations. Additionally, the appropriations backed by these sources will carry forward to subsequent budget years until exhausted.

Attachment A to the ordinance lists approximate appropriation amounts in the 2024 Budget that are backed, or anticipated to be backed, by grants and service contracts. Attachment A also lists grants that were previously accepted by the City Council via ordinance, but require additional carryforward authority for outyear appropriation amounts in the department’s operating budget.
