

2022 Year End Supplemental Ordinance Summary Detail Table

Item #	Title	Description	Amount/FTE
Section 1 – Appropriation Decreases – Operating Budgets			
1.1	Reduce budget authority in the SBTF (Department of Neighborhoods)	This item decreases appropriation authority by \$132,866 in the Department of Neighborhoods, the Sweetened Beverage Tax Fund, Community Grants Budget Control Level. This represents one-time vacancy savings funded by SBTF in the Food Equity Fund program.	(\$132,866)
1.2	Reduce Paid Family Medical Leave Reserve (Finance General)	This item reduces appropriation by \$2,481,751 in Finance General in the General Purpose Budget Control Level (00100-BO-FG-2QD00). This was an appropriation originally included in the 2022 Adopted Budget for a Paid Parental Leave reserve. This appropriation will be re-appropriated in the individual department budgets and any remaining balance in Finance General will be abandoned.	(\$2,481,751)
1.3	Adjust Arts Payment to Arena (Finance General)	This item reduces appropriations by \$1,187,000 in the Arts and Culture Fund in the General Purpose Budget Control Level (12400-BO-FG-2QD00) to adjust payments from the Arts and Culture Fund to the arena based on updated revenue projections.	(\$1,187,000)
1.4	Reduce Transit Benefit Reserve (Finance General)	This item reduces appropriation authority by \$2,055,859 in Finance General in the General Purpose Budget Control Level (00100-BO-FG-2QD00) to abandon the reserve for the Transit Benefit Fund.	(\$2,055,859)
1.5	Reduce STRT Appropriation for EDI (Office of Planning and Community Development)	This item decreases appropriation authority by \$2,000,000 in the Office of Planning and Community Development's Short-Term Rental Tax Equitable Development Initiative BSL (12200-BO-PC-X2P40). This adjustment is necessary to align 2022 appropriation authority with anticipated 2022 revenues. A separate supplemental budget item provides additional Payroll Expense Tax budget authority to partially replace this reduction in Short-Term Rental Tax budget authority; unused 2022 Payroll Expense Tax authority, which will be carried forward to 2023, will make up for the remaining amount.	(\$2,000,000)

Item #	Title	Description	Amount/FTE
1.6	Addressing Budget Error in Digital Equity and Reducing Appropriation (Seattle Information Technology Department)	This correction is part of a reduction totaling \$550,000 from the General Fund Frontline Services & Workspace BSL (00100-BO-IT-D0400) and a \$100,000 increase to the IT Frontline Services & Workplace BSL (50410-BO-IT-D0400). This change is needed to ensure expenditures resulting from 2022 Council Budget Actions have matching revenues. Revenues to support this spending will be direct billed to the General Fund.	(\$550,000)
1.7	Grant Abandonments - Appropriation Decreases (Seattle Police Department)	This action decreases appropriation authority in various BSLs by \$42,244. The following appropriations are abandoned from various BSLs associated with grant awards: (1) -\$11,998 from the Special Operations BSL for the Target Zero FY20 Grant awarded by Washington Traffic Safety Commission; (2) -\$30,246 from the South Precinct BSL for the NIJ Rainier Beach Campus Safety grant awarded by the National Institute of Justice. All grant terms are completed.	(\$42,244)
1.8	Deferred O&M Transfers Reverse CIP Side (Seattle City Light)	This item decreases appropriation authority by \$852,110 in the Utility Operations O&M BSL and by \$509,865 in the Customer Care BSL. This technical adjustment is part of a two-part, net-zero adjustment to move deferred O&M funds that were carried forward from 2021 into the proper CIP BSL. This item is the reduction to the O&M side.	(\$1,361,975)
Section 2 – Appropriation Increases – Operating Budgets			
2.1	Fleet Replacement (Department of Finance and Administrative Services)	This item increases appropriation authority by \$4,600,000 in the Department of Facilities and Administrative Services, in the Fleet Capital Fund Fleet Capital Program Budget Control Level (50321-BO-FA-FLEETCAP). This request is necessary to allow the Fleet Capital Program to continue encumbering funds for scheduled replacements of department vehicles. Fleet Capital budgets each year for the vehicles they anticipate replacing that year, but vehicle cost inflation has resulted in insufficient appropriation to accommodate planned for replacements in 2022.	\$4,600,000

Item #	Title	Description	Amount/FTE
2.2	Fuel Appropriation Increase (Department of Finance and Administrative Services)	This item increases appropriation authority by \$500,000 in the Department of Facilities and Administrative Services, in the Finance & Admin Services Fund Fleet Services Budget Control Level (50300-BO-FA-FLEETS). This request is necessary to ensure Fleet Operations does not exceed budget due to higher fuel prices.	\$500,000
2.3	Workplace Safety Support (Department of Finance and Administrative Services)	This item increases appropriation authority by \$329,319 in the Finance and Administrative Services Department (FAS) to the Finance and Administrative Services Fund in the Leadership and Administration BSL (50300-BO-FA-BUDCENTR) to support two temporary positions for workplace safety efforts. Employee safety is of utmost importance and these positions would enable FAS to address workplace safety concerns and alleviate potential future accidents.	\$329,319
2.4	Transfer to Judgment and Claims Fund (Finance General)	This item increases appropriation by \$14,000,000 in Finance General in the Appropriation to Special Funds Budget Control Level (00100-BO-FG-2QA00) to transfer General Fund resources to the Judgment and Claims Fund. This funding is necessary for meeting extraordinary expenses associated with recent tort cases against the City.	\$14,000,000
2.5	Transfer CLFR Funds to GF to Support Firefighter/EMS Labor Costs (Finance General)	This item increases appropriation authority by \$683,090 in Finance General in the Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00) to transfer CLFR funding to the GF. This supports SFD firefighter/EMS labor costs, along with the existing CLFR revenue replacement program supporting SFD firefighter/EMS labor in 2022. The funding is from Q2 CLFR abandonments in DEEL (\$48,407) and SPL (\$634,683).	\$683,090
2.6	Transfer Funds to ITD (Finance General)	This item increases appropriation by \$100,000 in Finance General in the Appropriation to Special Funds Budget Control Level (00100-BO-FG-2QA00) to transfer General Fund resources to Seattle IT to ensure expenditures resulting from 2022 Council Budget Actions have matching revenues.	\$100,000

Item #	Title	Description	Amount/FTE
2.7	Transfer GF to Unemployment Insurance Fund (Finance General)	This item increases appropriation by \$500,000 in Finance General in the Appropriation to Special Funds Budget Control Level (00100-BO-FG-2QA00) to transfer General Fund resources to the Unemployment Insurance Fund.	\$500,000
2.8	Adjust General Fund Payment to Arena (Finance General)	This item increases appropriation by \$279,000 in Finance General in the General Purpose Budget Control Level (00100-BO-FG-2QD00) to adjust General Fund payments to the arena based on updated revenue projections.	\$279,000
2.9	Migration Policy Institute donation (Office of Immigrant and Refugee Affairs)	This item increases appropriation authority by \$1,000 in the Office of Immigrant and Refugee Affairs (OIRA) General Fund Office of Immigrant and Refugee Affairs Budget Control Level (00100-BO-IA-X1N00) to reflect a donation (honorarium) from the Migration Policy Institute for a blog post on language access by OIRA Language Access Program and Policy Specialist. This donation will be used to provide small tokens of appreciation / recognition to City employees for active engagement in language access trainings and discussions, or other expenditures supporting Citywide language access strategies.	\$1,000
2.10	Regional Growth Areas: Downtown Subarea Plan (Office of Planning and Community Development)	This item increases appropriation authority by \$252,000 in the Payroll Expense Tax Planning and Community Development budget summary level (14500-BO-PC-X2P00). This item provides the balance of funding needed for the downtown subarea plan as required by the Puget Sound Regional Council. The 2022 Adopted Budget included \$150,000 for the downtown subarea plan, and \$198,000 of 2022 anticipated under-spend is available for this work. This appropriation brings the total budget for the downtown subarea plan to \$600,000. The City needs to prepare and adopt subarea plans for each of six Regional Growth Centers by 2025. Failure to complete this work could put at risk the City’s eligibility for transportation funds administered by the Puget Sound Regional Council, which have averaged approximately \$16 million per year over the past decade.	\$252,000

Item #	Title	Description	Amount/FTE
2.11	Paid Family Medical Leave Backfill (Office of Planning and Community Development)	This item increases appropriation authority by \$109,119 in the General Fund Planning and Community Development budget summary level (00100-BO-PC-X2P00). Funds will be used to pay for temporary staffing costs associated with paid family medical leave.	\$109,119
2.12	Provide Payroll Expense Tax Support for EDI due to Declining Short-Term Rental Tax (Office of Planning and Community Development)	This item increases appropriation authority by \$1,285,000 in the Office of Planning and Community Development's Payroll Expense Tax (PET) Equitable Development Initiative BSL (14500-BO-PC-X2P40). Short-Term Rental Tax (STRT) revenues are in decline and are currently over-programmed. Therefore, this item provides additional PET appropriation authority in support of EDI grant awards. An additional \$715,000 of 2022 PET underspend is also available for EDI and will be carried forward to 2023. A separate supplemental item decreases STRT appropriation authority by \$2 million.	\$1,285,000
2.13	Paid Parental and Family Leave Backfill (Seattle Center)	This item increases appropriation authority by \$160,859 in Seattle Center, in the General Fund Campus BSL (00100-BO-SC-60000). It is necessary to pay backfill costs for staff members who have utilized either Paid Parental Leave or Paid Family Care Leave. Seattle Center has utilized a mix of overtime and intermittent staffing to backfill only certain positions.	\$160,859
2.14	Continue 24/7 Transportation Operations Center and Address Transportation Spot Improvements Structural Underfunding (Seattle Department of Transportation)	This item increases appropriation authority by \$1,232,400 in the Seattle Department of Transportation's Transportation Fund Mobility Operations Budget Control Level (13000-BO-TR-17003) to maintain 24/7 operations for the Transportation Operations Center (\$678,600), and to pay for Transportation Spot Improvements (\$553,800).	\$1,232,400
2.15	West Seattle Bridge Structural Health Monitoring and Maintenance (Seattle Department of Transportation)	This item increases appropriation authority by \$200,000 in the Seattle Department of Transportation's Transportation Fund Bridges and Structures Budget Control Level (13000-BO-TR-17001) to support the long-term structural health monitoring system and maintenance work needed to support and maintain the West Seattle Bridge.	\$200,000

Section 5 – Appropriation Transfers – Operating Budgets			
5.1	Unforeseen Homelessness Budget Needs (Human Services Department)	This item transfers appropriation authority in the amount of \$466,000 from the Supporting Safe Communities BSL (BO-HS-H4000) to the Addressing Homelessness (BO-HS-H3000). This transfer is needed to cover unforeseen expenses for the transition of clients from the hotel based shelter program and prior year grant costs that exceeded HUD's services cap and must be repaid.	\$0

Item #	Title	Description	Amount/FTE
5.2	Net-Zero Operating Transfer (Seattle Information Technology Department)	This item makes a net-zero transfer of \$608,246 in Seattle IT from the IT Digital Security & Risk BSL (50410-BO-IT-D0500) to the IT Leadership & Administration BSL (50410-BO-IT-D0100). This transfer will align Seattle IT's existing budget to where planned expenditures will occur. There are no impacts to customer rates or new revenue requirements.	\$0
5.3	Consumer Protection Technology (Department of Finance and Administrative Services)	This item transfers appropriation authority of \$1,470,875 within the Department of Finance and Administration services, from the Regulatory Compliance & Consumer Protection Budget Summary Level (00100-BO-FA-RCCP) to the FAS Information Technology Sys Budget Summary Level (00100-BC-FA-A1IT). This is a technical transfer and moves the funding into the capital program where the work will be spent. This transfer will support the technology updates necessary to stabilize the system and increase the number of regulatory areas within the system platform for the Transportation Network (TNC).	\$0
5.4	Public Waterways Study Technical Transfer (Department of Finance and Administrative Services)	This item transfers appropriation authority of \$50,000 within the Department of Finance and Administrative Services, from the City Purchasing & Contracting Budget Summary Level (00100-BO-FA-CPCS) to the City Services Budget Summary Level (00100-BO-FA-CITYSVCS). This action aligns the appropriation with the 2022 debt service obligation.	(\$725,583)
7.2	SMT Elevator Rehab True-Up (Department of Finance and Administrative Services)	This item abandons \$3,500,000 appropriation authority in the Seattle Municipal Tower Elevator Rehab Bond fund (36800-MC-FA-SMTELRHB). This technical action reduces the unused appropriation that is not backed by the bond amount issued and closes the fund.	(\$3,500,000)

Item #	Title	Description	Amount/FTE
7.3	CIP Carryforward Abandonment (Seattle Department of Transportation)	<p>This item amends the following CIP projects: Neighborhood Traffic Control Program (MC-TR-C019), Transit Corridor Improvements (MC-TR-C029), SPU Drainage Partnership – Broadview Pedestrian Improvements (MC-TR-C036), Freight Spot Improvement Program (MC-TR-C047), Madison BRT – RapidRide G Line (MC-TR-C051), Route 7 Transit-Plus Multimodal Corridor Project (MC-TR-C053), Pedestrian Master Plan – Crossing Improvements (MC-TR-C061), Bike Master Plan – Protected Bike Lanes (MC-TR-C062), Bike Master Plan – Greenways (MC-TR-C063), Vision Zero (MC-TR-C064), and Heavy Haul Network Program – East Marginal Way (MC-TR-C090). This item also decreases appropriation authority by \$14,972,022 in the Seattle Department of Transportation’s Move Seattle Levy Fund Mobility Capital BSL (10398-BC-TR-19003), \$63,891,810 in the Transportation Fund Mobility Capital BSL (13000-BC-TR-19003), \$1,000,000 in the Transportation Benefit District Fund Mobility Capital BSL 19900-BC-TR-19003), \$4,000,000 in the REET 1 Capital Fund Mobility Capital BSL (30010-BC-TR-19003), and \$1,300,000 in the REET II Capital Fund BSL (30020-BC-TR-19003). SDOT has identified current year (2022) resources on capital projects that will not be used prior to year-end. The budget for these resources will be abandoned in this item and has become part of the available project funding for the proposed 2023-2028 CIP.</p>	(\$85,163,832)
7.4	Abandonment of Grant and Partnership Authority - S Lander Grade Separation (Seattle Department of Transportation)	<p>This item amends the S Lander St. Grade Separation CIP (MC-TR-C028) and decreases appropriation authority by \$20,581,959 in the Department of Transportation's Mobility Capital Budget Control Level (BC-TR-19003). Of this amount, \$20,616,112 is a decrease in the Transportation Fund (13000) and \$34,153 is an increase in the Move Seattle Levy Fund (10398). This item abandons unneeded budget authority for the South Lander Street Grade Separation Project.</p>	(\$20,521,096)

7.5	Abandon Grant and Reimbursable Authority - Various Pedestrian and Bicycle CIPs (Seattle Department of Transportation)	This item amends the following CIP projects: Pedestrian Master Plan - New Sidewalks (MC-TR-C058), Pedestrian Master Plan - School Safety (MC-TR-C059), Pedestrian Master Plan - Crossing Improvements (MC-TR-C061), Bike Master Plan - Protected Bike Lanes (MC-TR-C062), Bike Master Plan - Greenways (MC-TR-C063), and NE 43rd Street Improvements (MC-TR-C074). This item also decreases appropriation authority by \$4,308,375 in the Seattle Department of Transportation's Transportation Fund Mobility Capital Budget Control Level (13000-BC-TR-19003). This item abandons grants and other reimbursable authority on closed agreements or agreements where the appropriation is no longer needed.	(\$4,308,375)
7.6	Abandon Excess Grant Authority for Fairview Bridge (TIB Grant) (Seattle Department of Transportation)	This item amends the Bridge Rehabilitation and Replacement CIP (MC-TR-C045) and decreases appropriation authority by \$1,107,279 in the Seattle Department of Transportation's Transportation Fund Major Maintenance/Replacement Budget Control Level (13000-BC-TR-19001). This item abandons unneeded appropriation related to a state grant that is fully billed and closed.	(\$1,107,279)
7.7	Debt Service REET II Reduction (Seattle Department of Transportation)	This item decreases appropriation authority by \$1,136,197 in the Seattle Department of Transportation's Real Estate Excise Tax II Fund General Expense Budget Control Level (30020-BO-TR-18002) to align the Department's budget with actual debt service payments.	(\$1,136,197)
7.8	Radio Reserves Abandonment (Seattle Information Technology Department)	This item decreases appropriation authority by \$5,317,482 in Seattle IT in the IT Capital Improvement Project BSL (50410-BC-IT-C0700). This will true up the radio budget to better meet anticipated expenditure activities. There are no changes to revenue collections.	(\$5,317,482)
7.9	Permit System Integration Abandonment (Seattle Information Technology Department)	This item decreases appropriation authority by \$1,000,000 in the Seattle IT Capital Improvement Project BSL (50410-BC-IT-C0700). The Seattle Fire Department - Permit System Integration (SFD PSI) project is complete and this is the remaining appropriation.	(\$1,004,046)

Item #	Title	Description	Amount/FTE
7.10	REET Debt Service Adjustment (Seattle Parks and Recreation)	This item reduces appropriation authority by \$334,693 in the Seattle Parks and Recreation Department in the REET I Capital Fund Debt and Special Funding Control Level (30010-BC-PR-20000) and the REET II Capital Fund Debt and Special Funding Control Level (30020-BC-PR-20000). This item reduces funding for three debt service projects; (MC-PR-31008) Rainier Beach CC Debt Service (MC-PR-31008); Aquarium Expansion Debt Service (MC-PR-31009); Aquarium Pier 59 Piling Replacement and Aquarium Redevelopment Debt Service (MC-PR-31002) to match the 2022 debt tables.	(\$334,693)
7.11	Abandon Athletic Field Improvement Program Appropriation (Seattle Parks and Recreation)	This item abandons appropriation authority by \$1,952,385 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Building for the Future Budget Control Level (10200-BC-PR-20000) for the Athletic Field Improvements project (MC-PR-21009). This appropriation decrease is necessary to abandon excess athletic field appropriation not backed by athletic field revenues.	(\$1,952,385)
<i>Section 8 – Appropriation Increase – Capital Budgets</i>			
8.1	E Marginal Way Heavy Haul Corridor Improvements (Seattle Department of Transportation)	This item amends the Heavy Haul Network Program - East Marginal Way CIP (MC-TR-C090) and increases appropriation authority by \$2,300,000 in Seattle Department of Transportation's Move Seattle Levy Fund Mobility Capital Budget Control Level (10398-BC-TR-19003). This item will be used to cover 2022 design and construction costs. This item does not impact total project costs; it only accelerates work on this project, supported by fund balance.	\$2,300,000

Item #	Title	Description	Amount/FTE
8.2	PMP-New Sidewalks (Seattle Department of Transportation)	This item amends the Pedestrian Master Plan - New Sidewalks CIP (MC-TR-C058) and increases appropriation authority by \$3,200,000 in Seattle Department of Transportation's Mobility Capital Budget Summary Level (BC-TR-19003); of this amount, \$1,200,000 is appropriated in the Move Seattle Levy Fund (10398) and \$2 million is appropriated in the School Safety Traffic and Pedestrian Improvement Fund (18500). This item accelerates planning amounts from 2023 and 2024 to cover planned costs in 2022, supported by fund balance.	\$3,200,000
8.3	SFD WST Appropriation (Seattle Information Technology Department)	This item increases appropriation authority by \$2,475,000 in Seattle IT in the IT Capital Improvement Project BSL (50410-BC-IT-C0700). This appropriation will be used to deliver a work, schedule and timesheet application that meets the needs of the Seattle Fire Department. The total estimated budget for this effort will be \$4,275,000, utilizing \$1.8 million of existing budget in the capital project.	\$2,475,000
8.4	Comfort Station Renovations (Seattle Parks and Recreation)	This item increases appropriation authority by \$250,000 in the Seattle Parks and Recreation Department in the King County Parks Levy Fund Fix It First Control Level (36000-BC-PR-40000). This funding will go into the Major Maintenance Backlog Master Project (MC-PR-41001) and will be used to support Comfort Station Projects within the program. This appropriation is supported by King County Parks Levy Fund balance.	\$250,000
8.5	Deferred O&M Transfers - CIP Side (Seattle City Light)	This item increases appropriation authority by \$1,361,975 in the Conservation and Environmental CIP BSL. This technical adjustment corrects the CIP side of a Q2 supplemental that unsuccessfully merged a CIP and O&M adjustment in the same change request.	\$1,361,975

Item #	Title	Description	Amount/FTE
<i>Section 9 – Appropriation Increase – Capital Budgets – Revenue Backed</i>			
9.1	First Hill Streetcar Replacement and Repair - Project Creation and Increase of Appropriation (Seattle Department of Transportation)	This item creates a new CIP project called “First Hill Streetcar Replacement and Repair” (MC-TR-C117) and increases appropriation authority by \$100,000 in the Seattle Department of Transportation Streetcar Operations Fund Major Maintenance/Replacement Budget Control Level (10800-BC-TR-19001). The new CIP project will be used for major maintenance, repair, replacement, and regulatory compliance expenses for the First Hill Streetcar, per the Sound Transit First Hill Streetcar Funding and Cooperative Agreement.	\$100,000
9.2	Delridge Increase in SCL Reimbursable Appropriation (Seattle Department of Transportation)	This item amends the Delridge Way SW - RapidRide H Line CIP (MC-TR-C042) and increases appropriation authority by \$1,362,321 in the Seattle Department of Transportation's Transportation Fund Mobility Capital Budget Control Level (13000-BC-TR-19003). This increase will provide adequate funding in 2022 for reimbursable work according to the latest project delivery schedule and in line with the drafted MOA Amendment. The \$1,362,321 appropriation will be covered by Memorandum of Agreement (MOA) Amendments with Seattle City Light (SCL) for Streetlighting and Distribution.	\$1,362,321

Item #	Title	Description	Amount/FTE
9.3	Reimbursable Authority for RWS Roxbury Olson Vibration Monitoring Project (Seattle Department of Transportation)	This item amends the West Seattle Bridge Immediate Repose CIP (MC-TR-C110) and increases appropriation authority by \$20,571 in the Seattle Department of Transportation's Transportation Fund Major Maintenance/Replacement Budget Control Level (13000-BC-TR-19001). This increase will provide reimbursable authority for Seattle Public Utilities (SPU) funding in 2022 per an agreement with Seattle Public Utilities.	\$20,571
9.4	Reimbursable Authority for Transit Corridor Improvements (Seattle Department of Transportation)	This item amends the Transit Corridor Improvements CIP (MC-TR-C029) and increases appropriation authority by \$39,000 in the Seattle Department of Transportation's Transportation Fund Mobility Capital Budget Control Level (13000-BC-TR-19003). This increase will provide reimbursable authority for King County Metro funding in 2022 for the NE 130th Street and Linden Avenue project.	\$39,000
9.5	Reimbursable Work on SR-520 Project (Seattle Department of Transportation)	This item amends the SR-520 Project CIP (MC-TR-C087) and increases appropriation authority by \$1,328,512 in the Seattle Department of Transportation's Transportation Fund Major Projects Budget Control Level (13000-BC-TR-19002) to pay for revised work requested by the Washington State Department of Transportation (WSDOT) on the SR-520 Project. This work will be billed to WSDOT based on actual costs.	\$1,328,512
9.6	Link Extension Engineering Work - SDOT/Seattle Center (Seattle Department of Transportation)	This item amends the Sound Transit 3 CIP (MC-TR-C088) and increases appropriation authority by \$60,000 in the Seattle Department of Transportation's Transportation Fund Mobility Capital Budget Control Level (13000-BC-TR-19003). This item funds work performed by a private consultant working under direction of the Seattle Department of Transportation to perform engineering analysis related to station planning for the Seattle Center site. This appropriation provides authority for SDOT to bill Seattle Center for this work.	\$60,000

Item #	Title	Description	Amount/FTE
9.7	Natural Drainage Systems SPU Partnership - Reimbursable Authority (Seattle Department of Transportation)	This item amends the Pedestrian Master Plan - New Sidewalks CIP (MC-TR-C058) and increases appropriation authority by \$1,784,640 in Department of Transportation's Transportation Fund Mobility Capital Budget Control Level (13000-BC-TR-19003). This item is necessary to fund two natural drainage systems (NDS) projects, North Thornton Creek and Pipers Creek, with Seattle Public Utilities. The Department of Transportation will begin incurring reimbursable costs in 2022, with the bulk of the work expected in 2023.	\$1,784,640
9.8	Insurance Proceeds (Seattle Parks and Recreation)	This item increases appropriation authority by \$491,732 in the Seattle Parks and Recreation Department in the Seattle Parks and Recreation Department Park and Recreation Fund Fix It First Control Level (10200-BC-PR-40000). This request is necessary to accept insurance proceeds into the Major Maintenance Backlog Project (MC-PR-41001) towards the re-build of the Lower Woodland, Judkins, and Licton Springs Comfort Stations due to arson. Additional future insurance proceeds are expected to come to this project.	\$491,732
9.9	Gas Works Park Remediation Appropriation (Seattle Parks and Recreation)	This item increases appropriation authority by \$150,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Debt and Special Funding BSL (10200-BC-PR-30000). This request is necessary in order to recognize further anticipated revenues from the Department of Energy's MTCA grant in 2022-2023. The grant is managed by SPU, while SPU and SPR share costs incurred for the remediation of Gasworks Parks by Puget Sound Energy.	\$150,000

Section 10 – Appropriation Increase – Capital Budgets – Grant Backed

Item #	Title	Description	Amount/FTE
10.1	Colman Dock Battery Energy Storage System (BESS) (Seattle City Light)	This item increases grant-backed appropriation authority by \$500,000 in the Customer Focused BSL (41000-BC-CL-Z). This grant will support the 60% level detailed design of a 10-25 MVA shore-side battery energy storage system (BESS) as a Seattle City Light distribution-system asset to serve Washington State Ferries (WSF) Colman Dock hybrid ferry terminal electrification and to potentially provide grid support to the City Light feeders serving the waterfront. SCL is providing a match mostly in the form of in-kind labor.	\$500,000
10.2	15th Ave and Leary Way Local Bridges Grant Acceptance & Appropriation (Seattle Department of Transportation)	This item amends the Bridge Seismic - Phase III CIP (MC-TR-C008), accepts a grant, and increases grant-backed appropriation authority by \$4,517,300 in the Seattle Department of Transportation's Transportation Fund Major Maintenance/Replacement Budget Control Level (13000-BC-TR-19001). This item accepts and appropriates Federal grant funds from the Local Bridges grant program. This grant will fund the seismic retrofit of the 15th Avenue and Leary Way bridges.	\$4,517,300
10.3	Jose Rizal Bridge Painting Grant Acceptance and Appropriation (Seattle Department of Transportation)	This item amends the Bridge Painting Program CIP (MC-TR-C007), accepts a grant, and increases appropriation authority by \$5,000,000 in the Seattle Department of Transportation's Transportation Fund Major Maintenance/Replacement BCL (BC-TR-19001). This item accepts and appropriates a grant from the Local Bridges grant program. This grant will fund the lead abatement and painting of the Jose Rizal bridge. The grant requires a 13.5% local match, which has been budgeted.	\$5,000,000
10.4	S. Spokane Street Viaduct Local Bridges Grant Acceptance and Appropriation (Seattle Department of Transportation)	This item amends the Structures Major Maintenance CIP (MC-TR-C112), accepts a grant, and increases appropriation authority by \$5,000,000 in the Seattle Department of Transportation's Transportation Fund Major Maintenance/Replacement Budget Control Level (13000-BC-TR-19001). This item accepts and appropriates a grant from the Local Bridges grant program. This grant will fund work on the S. Spokane Street Viaduct. This project requires a 13.5% local match on design.	\$5,000,000

Item #	Title	Description	Amount/FTE
10.5	Acceptance and Appropriation of Additional FHWA Grant Funds for Route 40 TPMC (Seattle Department of Transportation)	This item amends the Route 40 Transit-Plus Multimodal Corridor CIP (MC-TR-C079), accepts a grant, and appropriates \$450,000 in the Seattle Department of Transportation's Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This item accepts and appropriates a grant from the Federal Highway Administration's (FHWA's) Congestion Mitigation and Air Quality Improvement (CMAQ) Program. This grant will fund the Route 40 Transit-Plus Multimodal Corridor project's design phase. The project is currently in the design phase and the grant requires 13.5% local match, which will be covered by the project's budgeted Move Seattle Levy funds.	\$450,000
10.6	Acceptance and Appropriation of Additional FHWA Grant Funds for RapidRide J Line (Seattle Department of Transportation)	This item amends the RapidRide Roosevelt CIP (MC-TR-C013), accepts a grant, and appropriates \$1,523,246 in the Seattle Department of Transportation's Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This item accepts and appropriates a grant from the Federal Highway Administration's (FHWA's) Surface Transportation Program (STP). This grant will fund the RapidRide J-Line project's construction phase. The project is currently in the design phase and the grant requires 13.5% local match, which will be covered by the project's budgeted local funds.	\$1,523,246
10.7	Acceptance and Appropriation of the Seattle Waterfront Loop Feasibility Grant (Seattle Department of Transportation)	This item amends the Bike Master Plan - Protected Bike Lanes CIP (MC-TR-C062), accepts a grant, and increases appropriation authority by \$500,000 in the Seattle Department of Transportation's Transportation Fund Mobility Capital Budget Control Level (13000-BC-TR-19003). This item accepts and appropriates a grant from the State's Connecting Washington program. The grant will support the Alaskan Way Protected Bike Lane (PBL) project, which will construct a PBL to address gaps and transitions in the waterfront bike network. The grant funding will be available July 1, 2023 to June 30, 2025. There is no match requirement.	\$500,000

Item #	Title	Description	Amount/FTE
10.8	South Park Campus Improvement King County Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$500,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Building for the Future Control Level (10200-BC-PR-20000). This King County Grant supports the South Park Campus Improvements Project (MC-PR-21013) and will be used towards renovation of the South Park Playground, Spray Park, and Playfield. This is a reimbursable grant, requiring a match which the total project budget satisfies. The grant expiration date will be established when a contract is signed.	\$500,000
10.9	Medgar Evers King County Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$90,000 in the Seattle Parks and Recreation Department in the REET I Capital Fund Fix It First Control Level (10200-BC-PR-40000). This King County Grant supports the Major Maintenance Backlog project (MC-PR-41001), and will be used for pre-design work at Medgar Evers Pool. This grant does not require a match. The grant expiration date will be established when a contract is signed.	\$90,000
10.10	South Park Plaza King County Healthy Communities Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$185,150 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Building for the Future Control Level (10200-BC-PR-20000). This King County Grant supports the Develop 14 New Parks at Land-Banked Sites project (MC-PR-21003), and will be used towards cultural elements at South Park Plaza. This is a reimbursable grant, requiring a match which the total project budget satisfies. The grant expiration date will be established when a contract is signed.	\$185,150
10.11	Burke Gilman Playground Park Department of Commerce Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$194,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Control Level (10200-BC-PR-40000). This Washington State Department of Commerce Grant supports the Burke Gilman Playground Park Renovation project (MC-PR-41073), and will be used towards renovation of the existing park. This is a reimbursable grant, requiring a match which the project budget satisfies. The grant expiration date is 6/30/23.	\$194,000

Item #	Title	Description	Amount/FTE
10.12	Burke Gilman Playground Park King County Levy Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$500,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Control Level (10200-BC-PR-40000). This King County Grant supports the Burke Gilman Playground Park Renovation project (MC-PR-41073), and will be used towards renovation of the existing park. This is a reimbursable grant, requiring a match which the project budget satisfies. The grant expiration date will be established when a contract is signed.	\$500,000
10.13	North Rainier Park Development King County Levy Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$500,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Building for the Future Control Level (10200-BC-PR-20000). This King County Grant supports the Develop 14 New Parks at Land-Banked Sites project (MC-PR-21003), and will be used towards renovation of the existing North Rainier Landbank Site. This is a reimbursable grant, requiring a match which the project budget satisfies. The grant expiration date will be established when a contract is signed.	\$500,000
10.14	North Rainier Park Development RCO Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$1,460,430 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Building for the Future Control Level (10200-BC-PR-20000). This grant from the WA State Recreation and Conservation Office (RCO) supports the Develop 14 New Parks at Land-Banked Sites project (MC-PR-21003), and will be used towards renovation of the existing North Rainier Landbank Site. This is a reimbursable grant, requiring a match which the project budget satisfies. The grant expiration date is 01/31/26.	\$1,460,430

Item #	Title	Description	Amount/FTE
10.15	Maple Wood Play Area RCO Grant (Seattle Parks and Recreation)	This item increases appropriation authority by \$1,310,430 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Control Level (10200-BC-PR-40000). This grant from the WA State Recreation and Conservation Office (RCO) supports the Major Maintenance Backlog project (MC-PR-41001), and will be used for improvements to Maple Wood Playfield. This is a reimbursable grant, requiring a match which the project budget satisfies. The grant expiration date will be established when a contract is signed.	\$1,310,430
10.16	Green Lake Library State of Washington- Department of Commerce Grant (Seattle Public Library)	This item increases grant backed appropriation by \$1,839,000 in the Seattle Public Library, in the Seattle Public Library Capital Improvements Budget Summary Level (10410-BC-SPL). This Department of Commerce grant from the State of Washington supports the renovation of the Green Lake Library which is part of the Library’s Major Maintenance Project (MC-PL-B3011). This grant will assist in funding ADA upgrades, including a new elevator with added service to the lower floor, electrical improvements necessary for the new elevator, refuge cooling, and mechanical system upgrades.	\$1,839,000
Section 11 – Appropriation Transfers – Capital Budgets			
11.1	Fire Station 31 Transfer - Technical Correction (Department of Finance and Administrative Services)	This item transfers appropriation authority of \$3.1M within the Department of Facilities and Administrative Services, from the (30010-MC-FA-FS31) Fire Station 31 Replacement project to the Fire Station 31 Improvements temporary station project (30010-MC-FA-FS31IMP). Although the two projects are related, this transfer is a correction and provides clarity that there are two distinct projects for improved financial management.	\$0

Item #	Title	Description	Amount/FTE
11.2	Police Facilities Transfer (Department of Finance and Administrative Services)	This item amends MC-FA-SPDNFAC - Seattle Police Department North Area Interim and Long-Term Facilities and MC-FA-PFACNPCT - Seattle Police Facilities, in Finance and Administrative Services Publ Safety Facilities Police BSL. It is a technical transfer of \$4,138,008 from Seattle Police Department North Area Interim and Long-Term Facilities to Seattle Police Facilities to correctly align the budget related to environmental remediation to the correct Master Project.	\$0
11.3	Ross Governors (Seattle City Light)	This item reallocates \$750,000 within the Power Supply CIP BSL. This project is in the closeout phase but during construction there were additional components (electrical, pump, hydraulic) that were discovered to be at the end of their service life and were upgraded. Funds are available in the Ross Exciters project due to engineering staff shortages. This project will not make the planned progress but funds will be added back into the budget in the future.	\$0
11.4	Boundary Unit 54 (Seattle City Light)	This item reallocates \$450,000 within the Power Supply CIP BSL. Funds are needed to cover the additional labor costs as the project went several months longer than originally planned. Additional funds are available from the Boundary Level 6 Deck Stabilization project because that project is complete and has savings.	\$0
11.5	Boundary Powerhouse Rockslide Repairs (Seattle City Light)	This item reallocates \$300,000 within the Power Supply CIP BSL. Funds are needed to cover an emergent project. A rockslide on the main entrance road to Boundary Powerhouse requires patches to the asphalt and replacement of the rock fencing. Funds will cover the cost to break up the rock about the size of a truck which burst through the rock protection and landed on the highway. Funds are available from other Boundary projects which are deferred as they will not make the planned progress due to engineering staffing shortages.	\$0

Item #	Title	Description	Amount/FTE
11.6	Diablo Fuel Dock (Seattle City Light)	This item reallocates \$350,000 within the Power Supply CIP BSL. Funds are needed to cover the remaining costs of the Diablo fuel dock. Additional funds are needed to cover the higher than anticipated costs of material and labor. Funds are available from other Skagit projects due to deferrals caused by engineering staffing shortages.	\$0
11.7	Overhead Customer Capacity Additions (Seattle City Light)	This item reallocates \$1.5 million within the Transmission & Distribution CIP BSL. Funds are needed because overhead customer driven capacity additions have been requested at higher rates than historically budgeted. Funds are available because overhead system driven additions have been set aside to prioritize increased customer driven requests.	\$0
11.8	Major Emergency (Seattle City Light)	This item reallocates \$200,000 within the Customer Focused CIP BSL and transfers \$1.8 million from the Transmission & Distribution CIP BSL to the Customer Focused CIP BSL. Funds are needed to cover the costs in the Major Emergency project due to higher than usual storm activity this Spring as well as a major event at East Marginal Way. Funds are available from several projects due to staffing shortages and deferrals to prioritize higher priority work.	\$0
11.9	Diablo Powerhouse Work (Seattle City Light)	This item reallocates \$750,000 within the Power Supply CIP BSL. Funds are needed for two projects under the Skagit Facilities Plan Program. First, the Diablo House demolition was postponed earlier and the funds earmarked for this work were donated to higher priority areas in a previous supplemental. These funds will replenish the borrowed funding. Second, the Diablo Powerhouse Roof project scope has been expanded to include an HVAC upgrade, which was not part of the original scope and budget but during the project it was discovered the HVAC system needed to be replaced. Funds are available from other Skagit Facilities projects such as restoring homes at Diablo, water main improvements, heat pump upgrades, and paving which are moving slower than planned and deferred for higher priority work.	\$0

Item #	Title	Description	Amount/FTE
11.10	Cedar Falls Automation System (Seattle City Light)	This item reallocates \$379,000 within the Power Supply CIP BSL. Funds are needed to cover the costs of the upgrades to the Cedar Falls Automation System. The project is more complex than originally thought and the early design estimates were too low. This project is also using more labor than originally planned. Funds are available from the Cedar Falls Rehab project which is closing with savings.	\$0
11.11	Skagit Minor Emergent - Misc. (Seattle City Light)	This item reallocates \$600,000 within the Power Supply CIP BSL. Funds are needed to cover several miscellaneous projects in the Skagit Minor Emergent Program. The Diablo Dam and the state highway. The only access road to Diablo Dam, the boat house and Ross Dam & Powerhouse is in need of immediate repair. The issue was caused by wet conditions and the fragile state of the road built along a cliff face. Funds are also needed to install the fourth AC panel at Gorge which is being accelerated from Q1 of 2023. Lastly, at Ross powerhouse a water pipe repair is needed and has additional labor costs incurred as it took longer than originally estimated. Funds are available from other projects that are delayed due to staffing shortages.	\$0
11.12	Normal Emergency (Seattle City Light)	This item reallocates \$1.0 million within the Customer Focused CIP BSL. Funds are needed to cover higher than expected costs due one of the wettest springs on record. Funds are available from the Local Transportation Driven Relocations project because work that was previously requested by franchise cities has gone slower than expected due to financial resource constraints in those cities.	\$0

Item #	Title	Description	Amount/FTE
11.13	Small Overhead and Underground Services (Seattle City Light)	This item reallocates \$500,000 within the Customer Focused CIP BSL and transfers \$3.5 million from the Transmission & Distribution CIP BSL to the Customer Focused CIP BSL. Funds are needed to cover higher than expected costs related to small service connections, primarily due to inflation of around 15% for the materials and an increase in the use of overtime labor. These are approximately 40% revenue backed. Funds are available from the Substation Transformer Replacement project because a large substation transformer replacement has been delayed a year due to supply chain issues. Also, funds are available from the Overhead Outage Replacements project which has lower than historical averages leaving savings in the project.	\$0
11.14	Medium Overhead and Underground Services (Seattle City Light)	This item transfers \$7.8 million from the Transmission & Distribution CIP BSL to the Customer Focused CIP BSL. Funds are needed to cover higher than expected costs in Medium Service Connections, primarily due to inflation and a significant encumbrance from 2021. This request is approximately 40% revenue backed. Funds are available in the Transmission Reliability and Denny Substation Network projects due to a lack of crew & engineering staffing shortages. No significant impacts are expected from deferring this work.	\$0
11.15	University Substation Network (Seattle City Light)	This item reallocates \$2.2 million within the Transmission & Distribution CIP BSL. Funds are needed to cover additional upgrades at the University Substation network to accommodate more sustained system growth in the University District. Network upgrades are being completed for future capacity needs as the University of Washington is planning to add 6 million square feet of mixed use & commercial buildings over 20 years. Funds are available from the Denny Substation Network project as other work has been prioritized and there is a lack of engineering resources available due to 50% vacancy within Network engineering.	\$0

Item #	Title	Description	Amount/FTE
11.16	Broad Street Substation Network (Seattle City Light)	This item reallocates \$2.0 million within the Transmission & Distribution CIP BSL. Funds are needed to cover costs in the Broad Street Substation Network. This project is accelerated and funding is being redirected from another delayed project that does not have available engineering resources. The Broad Street project is engineered and is a long-planned project of equal criticality to the delayed project. Funds are being redirected from the First Hill Network project due to lack of resources. There are no negative impacts predicted as a result of the delay.	\$0
11.17	Underground Customer Capacity Additions (Seattle City Light)	This item reallocates \$4.2 million within the Transmission & Distribution CIP BSL and transfers \$800,000 from the Customer Focused CIP BSL to the Transmission & Distribution CIP BSL. Funds are needed because there has been an increase in customer related underground capacity additions and costs have increased due to use of overtime and escalated material costs caused by inflation. This work is approximately 70% reimbursed by customers. Funds are available from Underground Equipment Replacements, Substation Equipment Replacements and Network Adds - Broad Street Substation as staffing resources have been redirected to customer related work. There are no anticipated negative impacts as a result of the deferrals.	\$0
11.18	Relaying Improvements (Seattle City Light)	This item reallocates \$1.0 million within the Transmission & Distribution CIP BSL. The funds are needed to cover labor and overhead costs related to work that has been expedited to take advantage of outage opportunities. Taking advantage of outage opportunities now will reduce future costs. Funds are available from Substation Capacity Additions as funding has been redirected because of the deferral of the Denny-Massachusetts line due to crew shortages. There is no anticipated negative impact of the deferral.	\$0

11.19	Substation Breaker Replacements & Reliability Additions (Seattle City Light)	This item reallocates \$1.0 million within the Transmission & Distribution CIP BSL. Funds are needed to cover labor and overhead costs related to work that has been accelerated to take advantage of outage opportunities. Taking advantage of outage opportunities now will reduce future costs. Funds are available in Substation Automation as work is redirected to higher priority work. There are no anticipated negative impacts as a result of this deferment.	\$0
11.20	First Hill, Massachusetts, Union & University Network Adds & Services (Seattle City Light)	This item reallocates \$2.0 million within the Customer Focused CIP BSL and transfers \$5.0 million from the Transmission & Distribution CIP BSL to the Customer Focused CIP BSL. Funds are needed due to an updated asset management assessment which yielded significant risk of outages within a component of this system that requires immediate attention, in addition to increased capacity need. Inflation significantly impacts copper and transformer prices causing an increase in the budget. Funds are available from the Overhead Equipment Replacement Project and Broad Street Network Adds & Services due to staffing resource constraints in engineering, crews and contractors.	\$0
11.21	Technical Correction - Alaskan Way Main Corridor (Negative Carryforward) (Seattle Department of Transportation)	This item transfers appropriation authority by the amount of \$106,743 to the Transportation Fund Central Waterfront Fund BCL (13000-BC-TR-16000) from the Central Waterfront Improvement Fund BCL (35900-BC-TR-16000). An incorrect budget adjustment in 2021 created a negative budget for Transportation Fund contributions to this project that needs a technical correction to adjust the Transportation Fund budget to \$0 and reduce the Central Waterfront Fund budget to balance the transaction. It is a net zero change in appropriation for this project.	\$0
