WHEREAS, after a public meeting July 19, 2017, the Board voted to approve the designation of the Pacific Architect & Builder Building under SMC Chapter 25.12; and

WHEREAS, on September 20, 2017, the Board and the Pacific Architect & Builder Building’s owner agreed to controls and incentives; and

WHEREAS, the Board recommends that the City Council enact a designating ordinance approving the controls and incentives; NOW, THEREFORE,

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. Designation. Under Seattle Municipal Code (SMC) 25.12.660, the designation by the Landmarks Preservation Board (“Board”) of the improvement located at 1945 Yale Place

1 East and the site on which the improvement is located (which collectively are referred to as the  
2 “Pacific Architect & Builder Building”) is acknowledged.

3 A. Legal Description. The Pacific Architect & Builder Building is located on the  
4 property legally described as:

5 Beginning at a point on the North line of a tract of land conveyed to W. Parry Smith, by  
6 D.T. Denny, by deed dated May 4, 1886, recorded in book 39 of Deeds, pages 1 and 2,  
7 records of said county, which said point is 30 feet South of the Southeast corner of Block  
8 4, Greene’s Addition to the City of Seattle, as per plat recorded in Volume 2 of Plats,  
9 page 73, records of King County, which point is also the Southwest corner of East  
10 Newton Street and Howard Avenue North (now Yale Avenue East); thence Westerly  
11 along said North line of said tract conveyed to W. Parry Smith, 60 feet; thence Southerly  
12 along a line parallel to projection of the West line of said Howard Avenue North (now  
13 Yale Avenue East) 173 feet to the South line of the W. Parry Smith Tract; thence Easterly  
14 along said South line, 125.5 feet to the Southwesterly line of Howard Place (now Yale  
15 Place East) as established by Ordinance No. 5566 of the City of Seattle, thence  
16 Northwesterly and Northerly along the line of said Howard Place, and Howard Avenue  
17 North (now known as Yale Place East), 199 feet, more or less, to the point of beginning.

18 Together with portion of Yale Place East adjoining said premises vacated by Ordinance  
19 52992, which would revert to said premises.

20 B. Specific Features or Characteristics Designated. Under SMC 25.12.660.A.2, the  
21 Board designated the following specific features or characteristics of the Pacific Architect &  
22 Builder Building:

- 23 1. The site.
- 24 2. The building exterior.
- 25 3. The roof/ceiling interior from the springpoint of the vaults upward.

26 C. Basis of Designation. The designation was made because the Pacific Architect &  
27 Builder Building is more than 25 years old; has significant character, interest, or value as a part  
28 of the development, heritage, or cultural characteristics of the City, state, or nation; has integrity  
29 or the ability to convey its significance; and satisfies the following SMC 25.12.350 provisions:

1                   1.       It embodies the distinctive visible characteristics of an architectural style,  
2 or period, or of a method of construction (SMC 25.12.350.D); and

3                   2.       It is an outstanding work of a designer or builder (SMC 25.12.350.E).

4                   Section 2. Controls. The following controls are imposed on the features or characteristics  
5 of the Pacific Architect & Builder Building that were designated by the Board for preservation:

6                   A.       Certificate of Approval Process.

7                   1.       Except as provided in subsection 2.A.2 or subsection 2.B of this  
8 ordinance, the owner must obtain a Certificate of Approval issued by the Board according to  
9 SMC Chapter 25.12, or the time for denying a Certificate of Approval must have expired, before  
10 the owner may make alterations or significant changes to the features or characteristics of the  
11 Pacific Architect & Builder Building that were designated by the Board for preservation.

12                   2.       No Certificate of Approval is required for the following:

13                   a.       Any in-kind maintenance or repairs of the features or  
14 characteristics of the Pacific Architect & Builder Building that were designated by the Board for  
15 preservation.

16                   b.       Removal of the following landscape elements: trees less than  
17 8 inches in diameter measured 4 ½ feet above ground; shrubs; perennials; and annuals.

18                   c.       Installation or repair of underground utilities and irrigation,  
19 provided that the site is restored in kind.

20                   d.       Installation or removal of interior, temporary window shading  
21 devices that are operable, and therefore do not obscure the glazing when in the open position.

1           B.     City Historic Preservation Officer Approval Process.

2                   1.     The City Historic Preservation Officer (CHPO) may review and approve  
3 alterations or significant changes to the features or characteristics listed in subsection 2.B.3 of  
4 this ordinance according to the following procedure:

5                           a.     The owner shall submit to the CHPO a written request for the  
6 alterations or significant changes, including applicable drawings or specifications.

7                           b.     If the CHPO, upon examination of submitted plans and  
8 specifications, determines that the alterations or significant changes are consistent with the  
9 purposes of SMC Chapter 25.12, the CHPO shall approve the alterations or significant changes  
10 without further action by the Board.

11                   2.     If the CHPO does not approve the alterations or significant changes, the  
12 owner may submit revised materials to the CHPO, or apply to the Board for a Certificate of  
13 Approval under SMC Chapter 25.12. The CHPO shall transmit a written decision on the owner's  
14 request to the owner within 14 days of receipt of the request. Failure of the CHPO to timely  
15 transmit a written decision constitutes approval of the request.

16                   3.     CHPO approval of alterations or significant changes to the features or  
17 characteristics of the Pacific Architect and Builder Building that were designated by the Board  
18 for preservation is available for the following:

19                           a.     For the specified features and characteristics of the building, the  
20 addition or elimination of fire escapes, ducts, conduits, HVAC vents, grills, pipes, and other  
21 similar wiring or mechanical elements necessary for the normal operation of the building.

23 measured 4 ½ feet above the ground.

- 2 d. Installation, removal, or alterations of building and landscape  
3 lighting; and exterior security equipment.
- 4 e. Installation, removal, or alterations of exterior signage.
- 5 f. Installation or alteration of any finishes, features, or equipment that  
6 alter the appearance of the interior roof/ceiling, or obscure its visibility.
- 7 g. Replacement of non-original doors and windows within original  
8 openings.

9 Section 3. Incentives. The following incentives are granted on the features or  
10 characteristics of the Pacific Architect & Builder Building that were designated by the Board for  
11 preservation:
