Background: <i>I am a college student, a father and friend who practices a spiritual based recovery program who is excited to help people just like me achieve happiness. I have re-acquired my love for playing guitar and bike riding around Seattle. While it has taken a lot of work to 'get past my past' I have a deep empathy for people in similar struggles. I have been the recipient of rejection because of this and know how hard it is to be accepted in the workforce, obtain housing, and other essential needs. My life goal is to continue to work toward solutions in whatever capacity I can. I have already seen the benefits of sharing experiences, and will continue to advocate for change.</i>
