PROFESSIONAL EXPERIENCE

Snohomish County Planning and Development Services, Everett, Washington

Planner, April 2011 - Present

- Project manager for several code-writing and policy amendments including: new code chapter for Class IV-General forest practice permits; updating the construction codes; streamlining and clarifying the vesting of applications and expiration of approvals and permits; completing the annual Capital Improvement Program; and updating stormwater management policies for consistency with the County's Phase I National Pollutant Discharge Elimination System (NPDES) permit.
- County representative on the Puget Sound Regional Council's Growing Transit Communities: Fair Housing Subcommittee that evaluated and provided input and review for the production of two documents: "Equity, Opportunity, and Sustainability in the Central Puget Sound Region," and "Fair Housing Equity Assessment for the Central Puget Sound Region."
- Project team member on interagency housing team that developed the 2014 "Housing and Characteristics Needs Report for Snohomish County."
- Team member on an interdepartmental housing team that provides mutual support on distinct projects, shares data and information, and strengthens partnerships. I work collaboratively to propose, review, and draft policy amendments for the Housing and Land Use chapters of the Snohomish County GMA Comprehensive Plan.
- Lead staff in public meetings, hearings, and Council sessions for comprehensive plan and code amendments. Complete the preparation of staff reports, environmental analysis, and recommendations; develop graphics, displays, and assistance bulletins; prepare oral and written presentations including findings and reports; respond to questions and solicit input from other departments as appropriate.
- Department representative on the County's Green Team to draft and implement the County's Sustainable Operation and Action Plan focused on energy and environmental conservation and increasing the profile of green building.

Associate Planner, January 2007 - April 2011

- Served as lead on numerous citizen-initiated (docket) and County-initiated proposals to amend the Snohomish County GMA Comprehensive Plan. I reviewed applications for completion, conducted environmental analysis using geographical information systems (GIS), conducted a review of the proposed amendments for consistency with state and local policies and regulations.
- Provided assistance to lead staff on over 100 docket proposals to amend the Snohomish County GMA Comprehensive Plan. I reviewed application for completeness, drafted staff reports, conducted a review of the proposed amendments for consistency with state and local policies and regulations. Assisted in presentation to the Planning Commission and County Council.
 - Served as a team member in the implementation of County-adopted stormwater regulations: developed training materials, updated assistance bulletins, and hosted stakeholder outreach meetings.

Planning Technician, July 2006 - January 2007

- Served as project team member that implemented the Executive's Mineral Lands Planning Initiative that included: extensive stakeholder outreach meetings, coordination with state Department of Natural Resources, and development of a draft Mineral Lands Action Plan.
