EXPERTISE

Rae Anne brings energy, expertise and passion to every aspect of Rushing. Her primary focus is strategic pre-construction planning and financial management of the engineering and construction of new and existing projects. She is committed to making cost and constructability information available early in the development and design process, so that important decisions can be based upon full and informed analysis. With more than 26 years in the industry in key principal leadership and pre-construction roles, Rae Anne understands the necessity of getting clients into their facility on time and in budget, without disruption to their workflow.

SELECT EXPERIENCE

Sound Transit EastLink Bellevue, Washington
