 CITY CLERK

**PATRICIA M. CHAPMAN (formerly Patricia Levine)**

**EXPERIENCE:**

State Health Benefits Advisor Volunteer  
Washington State Office of the Insurance Commission  
Supervisor/Trainer: Liz Mercer,  
August 2009 to present

Duties: I serve as a volunteer with the State Health Benefits Advisors (SHIBA). This is a program sponsored by the Washington State Office of the Insurance Commissioner. As a volunteer, I provide information and counseling about Medicare and insurance related to Medicare. I counsel people on the phone or in person two days a week, approximately 4 hours a day.

Capital Budget and Grants Manager  
Pierce Transit, P.O. Box 99070, Lakewood, WA 98499  
Supervisor: Louise Bray, Vice President for Policy, Planning and Public Affairs  
April 2003 to June 30, 2008

Duties: Managed Pierce Transit's grant development program. Developed and submitted grant applications for Federal and state grant programs. Represented Pierce Transit in various grant competitions, including those at PSRC and the Washington DOT. Responsible for programming projects in the Metropolitan Transportation Improvement Program and working with the Puget Sound Regional Council (PSRC) regarding planning and programming issues. Represented Pierce Transit on the PSRC's Transit Caucus and served as liaison on regional planning issues. Monitored federal and state issues, defining Pierce Transit's interests and coordinating positions on federal notice of proposed rulemakings. Provided linkage between federal and state grant and Pierce Transit's capital budget. I retired in June 2008.

Compliance Officer  
Public Transportation & Rail Office, Washington Department of Transportation, 310  
Maple Park Ave. S.F., Olympia, WA 98504  
Supervisor: Jerry Ayres, Grants and Contracts Manager.  
September 2002 to April 2003. (This was a temporary position)  
Duties: Reviewed and updated the Washington Department of Transportation's Public Transportation Office's compliance program, including producing updated manuals. Designed site visits and carried out site visits of subrecipients of federal funds to ensure compliance with federal requirements. Updated grant agreements, reviewing state vehicle procurement policies. Implemented grant review and approval process for grant applications for the next biennium for Federal Transit Administration 5311, 5311 (f) 5310 funds and for state Rural Mobility funds.

Director, Office of Resource Management and State Programs. Federal Transit Administration (FTA), Department of Transportation, 400 7th St. S.W. Washington, D.C. 20590

Supervisor: Lynn Sahaj, Deputy Associate Administrator  
July 1997 to June 2001.

Duties: Managed the formula and capital investment grant program, including data analysis and data management, program guidance and monitoring regional program implementation. Provided support to the regional offices in implementing the national grant program, including making information available, reviewing major actions for compliance with eligibility and environmental requirements, Led a task force of regional staff on program delivery, communicating on program issues and developing guidance in response to particular regional issues. Produced annual Federal Register Notice providing information about funds and information regarding new statutory, regulatory, policy or procedural requirements. Managed the financial commitment of the major investment caseload beginning with preliminary engineering throughout construction. This information was relied on by top DOT officials and presented to Congressional staff Coordinated with the Department of Labor regarding implementation of labor protections required for the FTA grant program. Developed joint guidance with the Department of Labor. Directed the monitoring of actions taken by the regional offices in carrying out the capital and operating assistance program to ensure compliance with adopted agency procedures and approved implementation programs. Provided written program guidance to the regional offices. Managed the state-administered programs. Put on biennial conference for state transit officials. Met and negotiated with top level representatives of Federal, state, regional and local governments, agencies, organizations, transit operators and elected officials in the planning, development and implementation of the national public transit assistance program. Managed a staff of fourteen people. Resigned to return to the Pacific Northwest.

Deputy Regional Administrator.

Federal Transit Administration, Department of Transportation, 915 2nd Avenue  
Seattle, WA 98174

Supervisor: Terry Ebersole, Regional Administrator, (retired) Helen Knoll, Regional Administrator. (retired)

January 1993 to July 1 997( Served as Acting Regional Administrator September 1995 to May 1996.)

Duties: As Deputy Regional Administrator, I shared responsibility for managing the Federal transit program in Washington, Oregon, Alaska and Idaho, Provided financial assistance to transit operators, states and planning organizations. Ensured that all National Environmental Policy Act (NEPA) requirements were met prior to awarding federal assistance. Recommended approval of environmental findings. Reviewed transit plans, programs ensuring consistency with Federal policy and local needs. Managed annual grant program in the approximate amount of \$250 million. Managed staff of eight. Promoted public transportation as well as other alternatives to the single occupant vehicle. Represented the FTA Regional Administrator in meetings with state, local

officials and spoke for the FTA in public forums such as the American Public Transit Association, Washington State Public Transportation Conference. Was responsible for interpreting requirements of the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA) and worked with regional planning organizations and the Federal Highway Administration.

Senior Community Planner.

Federal Transit Administration, Department of Transportation, 915 2nd Avenue  
Seattle, WA 98174

Supervisor: Terry Ebersole, Regional Administrator (retired).

July 1978 to January 1992;

Duties: Worked with representatives of local governments to provide funding to local transit systems and planning agencies throughout the Pacific Northwest. Represented FTA in meetings with local and state public transportation officials, interpreted and communicated Federal policy to local governments, established effective working relationships with grantees, reviewed planning work as a basis for grant applications, maintained current information regarding local issues. Reviewed grant applications. Reviewed environmental documents, provided comments to grantees, finalized documents and recommended environmental findings for transit projects ranging from documented categorical exclusions to environmental impact statements for major transit projects. Analyzed transit operators performance and compliance with federal requirements. Wrote reports and made oral presentations. Managed the federal grant for the Banfield and Westside/Hillsboro light rail project in Portland, Oregon, including monitoring implementation of mitigation measures and overseeing the work of the Project Management Oversight consultant assigned to the Westside/Hillsboro Project.

Senior Transit Planner/Project Manager.

Municipality of Metropolitan Seattle (Metro), 821 2nd Ave.  
Seattle, Washington 98014

Supervisor: Don Munro

April 1975 to June 1977;

Duties: Managed a long range transit planning program; managed consultant selection process and supervised work of transportation consulting firm; managed an annual program budget of \$200,000; coordinated planning with other government agencies; made presentations to community and citizen groups; prepared and secured approval for grant applications; and completed the project within budget.

Community Involvement Coordinator.

Municipality of Metropolitan Seattle (Metro), 821 2nd Ave.  
Seattle, WA 98104

Supervisor: Penny Peabody

November 1972 to April 1975

Duties: Managed all community involvement programs at Metro, including an environmental planning program, transit operations and planning, and water quality

planning; presented technical information to community groups and citizens' committees. Developed slide shows, brochures, and public information to promote/support community involvement; analyzed and synthesized comments from community meetings; staffed citizen committees to advise Metro on transit operations/planning and water quality; administered a Ford Foundation grant for community involvement in the river basin planning program (RIBCO), organized conferences for elected officials and top level management personnel regarding planning issues. Increased the visibility of planning working with the community and created a core group of support for the program.

Associate Planner. City of Kent, P.O. Box 310, Kent, WA.

Supervisor: Jim Harris, October 1970 to November 1972

Duties: Carried out both long range and short range planning programs including the preparation of a new zoning and sign control ordinance and a rail-street crossing plan which were adopted by the City Council. Worked on a housing and a central business district study, analyzed applications for rezones and conditional exceptions, made presentations to and worked with the Kent Planning Commission and Board of Adjustment.
