Budget Action Description:

This budget action recommends passage of Council Bill (CB) 119940 that would reflect changes in the regular property taxes in terms of dollars and percentages. This does not include “refund fund levy,” or additional taxes resulting from new construction, construction of wind turbine facilities classified as personal property, improvements to property, or an increase in the value of state-assessed property. It is a companion to the ordinance authorizing Seattle’s property tax levies, commonly known as the “Long Property Tax Ordinance.”
