Total Budget Balance Effect	\$0	

Budget Action Description:

This Council Budget Action (CBA) would cut \$175,000 GF from the Seattle Police Department's (SPD) Travel and Training Budget, adds the \$175,000 GF to Finance General Reserves for recommendations resulting from the Community's Participatory Budgeting process, and impose a proviso.

SPD's 2021 Travel and Training Budget is \$1.1 million GF and is used to fund civilian training, continuing education, travel to attend conferences, and required certifications, some of which are required under the consent decree between the City and the United States Department of Justice (Consent Decree). SPD is not expected to need all of this funding due to potential losses in staffing and COVID-19 restrictions on training opportunities. This CBA would leave \$925,000 GF remaining in SPD's Travel and Training Budget. It is the intent of the Council that this action will not impede the department from fulfilling requirements of the Consent Decree.

For context, SPD's 2020 Travel and Training Budget is also \$1.1 million. As of August 31, 2020, approximately \$178,000 has been spent from this budget.

This Council Budget Action would impose the following proviso:

"Of the appropriation in the 2021 budget for Finance General Reserves, \$175,000 is appropriated solely to implement actions recommended to the City from the Participatory Budgeting process and may be spent for no other purpose. Furthermore, none of the money so appropriated may be spent until authorized by future ordinance. Council anticipates that such authority will not be granted until the Executive submits to the Council a plan for spending the funds in accordance with the Participatory Budgeting recommendations."
