| 1.5 | Regional Green Business Program Contributions (Executive, General Subfund (00100)) | \$150,904 |
| | <p>This item accepts a grant in the amount of \$150,903 in the Office of Economic Development BCL received from various partners collaborating with the Office of Economic Development (OED) to create the Green Business Program, EnviroStars. The contributing partners include: Puget Sound Energy, Seattle City Light, Snohomish Public Utility District, King County Local Hazardous Waste Management Program, King County Department of Natural Resources and Parks, the City of Kirkland and the City of Bellevue. New to EnviroStars and included in this appropriation is 6 new member agencies: Kitsap County, Kitsap County Public Health, Pierce County Public Health, Whatcom County, City of Redmond and City of Edmonds. This collaboration, which began in 2011, aligns independent programs that currently reduce commercial energy, solid waste, pollution, water, and single occupancy vehicle use, into one coordinated “umbrella” program geared to better serve businesses. Jointly, partners are more efficient and effective in delivering current green business services and achieve measurable outcomes by leveraging funding into a single program platform with a shared marketing strategy. Through this collaborative program, businesses become environmentally-friendly while at the same time reducing their operating costs and gaining community recognition. Facilitation of the EnviroStars Green Business Program finances will be coordinated by OED. These funds will be received in one-time advance payments from the granting entities in the fourth quarter of 2017. Existing funds have been identified from participating City departments for contribution as agreed to in the signed memorandum of agreement (2015 legislation) and addendums for each of the 6 new partner agencies. No additional City funding will be needed. These funds shall carryforward until exhausted.</p> | |
