Budget Action description:

This green sheet recommends passage of Council Bill 119108, authorizing adoption of the 2018 Parks Fee Schedule for the use of the Department of Parks and Recreation properties and other park and recreation facilities and services.

This ordinance includes only one change to the fee schedule adopted as part of last year's budget: Language is added regarding the establishment of fees for Lake Union Park Historic Ships Wharf, that was inadvertently left off the 2017-2018 Fee Schedule. Fees for temporary use of vessels at the wharf and north seawall at Lake Union Park are established by the Center for Wooden Boats (CWB), which manages the wharf under contract with DPR. The fees established are consistent with and subject to this contract and are available on CWB's website.
