PREAMBLE

The rules contained herein constitute an Agreement between the City of Seattle, hereinafter referred to as the "City" or the "Employer" and the Seattle Fire Chiefs Association, I.A.F.F., Local Union No. 2898, hereinafter referred to as the "Union," governing wages, hours, and working conditions as described herein.

The City and the Union agree that the purpose of this Agreement is to provide for fair and reasonable compensation and working conditions for employees of the City as enumerated in this Agreement and to provide for the efficient and uninterrupted performance of municipal functions. This Agreement has been reached through the process of collective bargaining with the objective of serving the aforementioned purposes and with the further objective of fostering effective cooperation between the City and its employees.

ARTICLE 1 - RECOGNITION AND BARGAINING UNIT

- 1.1 The City hereby recognizes the Union as the exclusive bargaining representative of the bargaining unit of all supervisory uniformed personnel of the Fire Department holding the rank of Battalion Chief and Deputy Chief.

ARTICLE 2 - UNION ENGAGEMENT

- 2.1 The City and the Union will administer the provisions of this Article with regard to dues deduction and membership of employees in accord with their respective obligations under the law.
- 2.1.1 Any disputes concerning the amount of dues or fees and/or the responsibility of the Union to the employees covered by this Agreement shall not be subject to the grievance and arbitration procedures set forth in this Agreement.
- 2.2 Neither party shall discriminate against any employee or applicant for employment because of membership or non-membership in the Union. Provided however, that this clause shall not restrict the Union from providing internal Union-sponsored benefits to Union members only.
- 2.3 The City shall make deductions on a regular basis from an employee's pay for the regular Union dues or other obligation agreed between the employee and the Union; provided such employees shall authorize said deductions in writing on a form to be filed with the City. The City shall remit such deductions to the Union. The performance of this function is recognized as a service to the Union by the Employer.
- 2.4 The Union recognizes that it is the Union's exclusive responsibility to notify employees of their options regarding association and/or membership. The Union agrees to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that arise against the Employer for deducting dues from union members, including those that have communicated a desire to revoke a previous deduction authorization, along with all other issues related to the deduction of dues or fees.

ARTICLE 3 - SALARIES

- 3.1 The minimum salaries to be paid by the City to employees in the bargaining unit during the period of this Agreement are set forth in Appendix A of this Agreement.
- 3.2 The hourly rate of pay for employees shall be determined as follows:
- A. Monthly salary X 12 \div (52.2 x 45.7) = Hourly rate of pay for Operations Division (24-hour shift) schedules
 - B. For 40-hour employees: Monthly salary X 12 = Annual salary
Annual salary \div 2088 = Hourly rate
- 3.3 Employees who work, or are otherwise entitled to pay, for all scheduled shifts in a work schedule that averages 45.7 hours per week on an annual basis shall be paid for 91.4 hours a pay period regardless of the number of hours actually worked. The bi-weekly pay of employees who are absent from scheduled work and are in a non-pay status for less than two shifts during the pay period shall be computed by subtracting the number of hours absent from 91.4 and multiplying by the hourly rate of pay. When unpaid absence equals two or more scheduled working shifts in one pay period, payment will be made only for time worked.
- 3.4 When an employee's number of actual hours worked is affected by Daylight Savings Time adjustments, the employee shall not be compensated for any additional time worked as a result of said adjustments, nor shall their compensation be reduced for working less time as a result of said adjustments.
- 3.5 In the event an employee covered by this Agreement leaves the service of the Fire Department and within a year the Fire Department rehires said employee in the same classification to which assigned at date of termination, such employee shall be placed at the step in the salary range which is closest to the salary earned at the time of the original termination.
- 3.6 Upon promotion to a position in the bargaining unit, an employee previously in a position classified as Captain shall be granted service credit for work in an out of class basis in the position to which promoted if the conditions below are met. Similarly, upon promotion to a Deputy Chief position in the bargaining unit, an employee previously in a Battalion Chief position shall be granted service credit for work in an out of class basis in a Deputy Chief position if the following conditions are met:
- A. The higher-level position to which the employee is promoted is in the same Fire Department unit (Operations, FAC, FMO, Paramedics) in which the out of class assignment was worked.
 - B. The out of class assignment continued for at least six (6) consecutive months immediately prior to the promotion. (The "consecutive months" will be

considered to have been interrupted if the employee was absent from duty for any reason for a total of eight or more shifts.)

ARTICLE 4 - HOURS OF DUTY

- 4.1 The number of hours assigned duty per week for employees under this Agreement shall be continued in accordance with provisions as set forth in this Agreement. Nothing herein shall limit the City in exercising discretion in varying the hours of duty of any employee. Employees working an average work week of 45.7 hours shall work a base schedule of a twenty-four (24) hour shift. Employees assigned to other divisions shall work forty (40) hours per /week.
- 4.1.1 In exigent circumstances such as earthquake, flood, pandemic, natural or manmade disaster, or danger to life or property or work so urgently necessary that its nonperformance will cause serious loss or damage to the City, the department may redeploy staff and/or adjust work schedules for up to two weeks or as mutually agreed.
- 4.2 Employees in the Operations Division may work a maximum of two consecutive 24-hour shifts provided that such a work assignment does not affect the employees' ability to safely perform their duties on the job and that the employees have not worked another two consecutive 24-shifts earlier in that month.
- 4.3 Members working two consecutive shifts at their request are responsible for all issues regarding proper relief including compensation for a holdover member. The Department will assume responsibility for relief compensation when members are held over for emergencies or at the direction of the Department.
- 4.4 Members are responsible for monitoring their state of readiness. When a member's scheduled shift falls on the second consecutive shift and the member is not adequately rested to perform their duties, the member will inform their supervisor and request time off using accrued compensatory time, vacation, or sick leave.
- 4.5 Employees will have twenty-four (24) hours off duty before and after a change of schedule to or from Operations and Administrative schedules when participating in manipulative training or work or having travel time greater than four (4) hours. Employees will have at least twelve (12) hours off duty before and after a change of schedule when only participating in non-manipulative training or work or other deployments that mandate post-incident rehabilitation periods.
- 4.6 Operations Division Supervising Chiefs assigned to Deputy 1, Battalions 2, 4, 5, 6, 7, and the Safety Officer positions shall have their floating debit day cancelled without using a vacation day. The Fire Chief (or designee) shall name the Supervising Chiefs by the end of December of each year.

- 4.7 The City agrees to a Special Relief program for all employees covered by this Agreement. Early or Late Relief shall be permitted subject to approval by the Employer.
- 4.8 An employee shall be granted time off with pay on Volunteer Relief if a replacement from the Union is arranged to work in place of the employee, with the approval of the Fire Chief or his/her designee.
- 4.8.1 Requests and arrangements for Volunteer Relief shall be made by the Union at least one shift prior to the proposed time off whenever possible.
- 4.8.2 Volunteer Relief may be worked in twenty-four (24) hour and twelve (12) hour increments (0800 to 2000 shifts and 2000 to 0800 shifts).
- 4.9 Each employee working in the Operations Division shall be assigned a work number consisting of the employee's assigned platoon (A, B, C, D) and a number from 1 to 13. In addition to the employee's assigned platoon schedule, the employee is assigned to work on the days upon which the work number falls. These days shall be referred to as scheduled debit shifts.
- 4.9.1 Employees shall work, in addition to the regularly scheduled twenty-four (24) hour shifts, one (1) floating debit shift per year to result in an average 45.7-hour work week.
- 4.9.2 Employees in the Operations Division shall be scheduled to work 28 shifts excluding floating debit shifts per 104-day debit cycle. Usually this will be 26 days on the assigned shift and 2 debit days. If, due to a transfer, an employee is not scheduled to work 28 shifts during the cycle, the Department will assign additional shifts or provide time off so that the employee is scheduled for 28 shifts.
- 4.10 Employees may not accumulate more than 480 hours of compensatory time as a result of a merit trade. Employees with 480 hours or more of compensatory time who work a merit trade shall be paid straight time wages for hours worked. Employees with less than 480 hours of compensatory time who work a merit trade shall accrue compensatory time up to the 480-hour cap and shall be paid straight time wages for all hours worked above the 480-hour cap. The employee initiating the merit trade shall have the appropriate amount of compensatory time deducted from their total.

ARTICLE 5 - OVERTIME PAY

5.1 Work performed outside of the employee's regular scheduled shift(s) shall be compensated (pay or compensatory time) at the overtime rate of one and one-half (1 ½) times the employee's regular straight time hourly rate of pay for actual hours worked. All overtime work must be approved in advance by the employee's authorizing authority.

5.1.1 All overtime compensation shall be at the rate of time and one-half (1 1/2). Such overtime compensation shall be in the form of pay or employees may receive compensatory time at the overtime rate in lieu of overtime pay upon approval of the Chief of the Department up to a maximum of 480 hours of accumulated compensatory time. All overtime hours in excess of 480 shall be in the form of pay. Any employee who has accumulated more than 480 hours of compensatory time shall not accumulate any more, including by merit trade, as set forth above in Section 4.10. Any overtime earned after the Fair Labor Standards Act threshold of 212 hours in a twenty-eight (28) day work period shall be in the form of pay in all cases. The FLSA period shall begin on the first day of a pay period, with the beginning on June 14, 1995. The overtime rate of pay shall be determined from the applicable straight time hourly rate. Additionally, overtime worked pursuant to reimbursable activity shall be compensated at the overtime rate in the form of pay and shall not be taken as compensatory time.

5.2 Effective January 1, 2018, any Department work which commences less than four (4) hours before or after a shift will be considered shift extension time. Such shift extension time shall be paid at one and one-half (1 ½) times the employee's regular straight time hourly rate to the next even one (1) hour time period for the first hour and for the actual time worked thereafter. When such shift extension time is taken in compensatory time instead of pay, the employee shall be compensated at one and one-half (1 ½) times the regular straight time hourly rate to the next even one (1) hour time period for the first hour and rounded up to the nearest next half-hour for time worked thereafter.

5.2.1 Effective January 1, 2018, in the event that overtime is not an extension at the beginning or end of a normal shift, the minimum payment shall be four (4) hours at one and one-half (1 ½) times the employee's regular straight time hourly rate. Time worked in excess of the four (4) hour minimum shall be compensated for the actual time worked thereafter in accordance with Section 5.1. When time worked in excess of the four (4) hour minimum is taken in compensatory time instead of pay, the employee shall be compensated at one and one-half (1 ½) times the employee's regular straight time hourly rate rounded up to the nearest next half-hour for time worked thereafter. Except that effective upon ratification of this Agreement by both parties, employees who remotely or virtually attend required meetings off-shift shall

be compensated at one and one-half (1 ½) times the employee's regular straight time hourly rate for a minimum of 1-hour.

5.3 Vacancies occurring in the Battalion and Deputy Chief ranks in the Operations Division not covered by a member working a debit shift shall be filled by those Battalion/Deputy Chiefs in the bargaining unit who have volunteered for overtime assignments to ensure that there are seven chiefs assigned to each platoon consistent with the 2017 Memorandum of Agreement (MOA) concerning Battalion 2 and the 2021 Acting BC MOA.

5.3.1 Employees shall be hired for overtime from a voluntary overtime signup list. Overtime hiring procedures will be in accordance with the Settlement Agreement dated January 30, 2009. If vacancies cannot be filled in accordance with the Settlement Agreement dated January 30, 2009, the Department may fill such overtime positions as its policy and procedure may provide. Employees shall be scheduled and called for overtime work in such a manner as will, so far as practicable, rotate overtime work opportunities among employees covered by this Agreement. If more than one employee has signed up to work overtime, the member with the fewest previously worked overtime hours in the calendar year shall be hired.

5.3.2 The Department shall maintain two separate overtime hiring lists: 1) a full-shift overtime hiring list for 20 hours or more, and 2) a partial-shift overtime hiring list for fewer than 20 hours. Members hired for Deputy 1 and Safety 2 must be eligible to work in those positions when hired from the partial-shift overtime list.

5.3.2.1 Employees shall have twenty (20) hours added to their "Hours Worked" balance when initially hired from the full-shift overtime hiring list. Hours will be reconciled upon the employee's overtime submittal.

5.3.2.2 Employees shall have four (4) hours added to their "Hours Worked" balance when initially hired from any partial-shift overtime hiring list. Hours will be reconciled upon the employee's overtime submittal.

5.3.3 The employees of the bargaining unit shall be granted access to the Department's Local 2898 modified overtime program. All requests for information as a result of this access shall be directed only to the Fire Chief or designee. Local 2898 shall use the department's electronic hiring, staffing, and timekeeping program, and members shall be granted access.

5.3.4 Employees shall not sign up to work overtime, nor be assigned to work overtime during any period of time when the overtime assignment would conflict with their regularly scheduled duty assignment(s) or their "off-duty standby" status, as described in Sections 6.1.2, 6.1.2.1, and 6.1.2.2. However, an employee assigned to an Administrative schedule who is working overtime in Operations may use vacation

or compensatory time off to complete the overtime shift before reporting to his/her regular administrative assignment.

5.3.5 Employees who receive an out-of-city-deployment will not be eligible to work overtime until all forms for all work performed while on deployment have been submitted. The Union agrees that the City shall be held harmless and indemnified against any and all errors related to eligibility to work overtime under this Section.

5.3.6 Employees assigned to or working an Administrative schedule shall be allowed to work overtime only on weekends, regularly scheduled days off, , and vacations of at least three (3) calendar days, when granted in advance. Vacations may be combined with regularly scheduled days off and/or to meet the three (3) calendar days-off requirement.

5.3.7 Employees shall not sign up, agree to, or otherwise work forty-eight (48) consecutive hours unless such work is completed at least twenty (20) hours prior to their next regularly scheduled assignment. This provision shall not preclude 'holdover' awaiting proper relief from duty.

5.3.7.1 Vacation, or compensatory time off shall satisfy the twenty (20) hour requirement of Section 5.3.7 above only when such vacation, or compensatory time was scheduled prior to the request for or acceptance of the forty-eight (48) consecutive hour assignment.

5.3.7.2 Trades, early relief, or compensatory time off may not be used to shorten a shift to avoid the requirements of Section 5.3.7 above.

ARTICLE 6 - TEMPORARY DETAIL TO HIGHER POSITIONS

- 6.1 Employees in the classification of Fire Battalion Chief covered by this Agreement who are assigned by proper authority to perform the duties of a higher paid position within the Fire Department shall be paid in accordance with the following:

If the employee is actually called to perform the work of the acting position, the "off-duty standby" pay shall cease at that time. Thereafter, normal overtime rules apply. If applicable, the "off-duty standby" status shall resume when the work is completed.
- 6.1.2.2 Employees assigned to "off-duty standby" status in accordance with Section 6.1.2 above shall not sign up to work overtime that would conflict with the "off-duty standby" period(s). If, prior to being assigned to "off-duty standby" status, the employee has accepted any overtime assignment(s) that conflict with the assigned "off-duty standby" period, the employee shall so notify the Fire Chief or designee at the time the employee is notified that they will be assigned to "off-duty standby" status.

<u>Years of Service</u>	<u>Annual Hours of Work</u>	
	<u>2382</u>	<u>2088</u>

20	.1209	.0920
21-24	.1310	.1035
25	.1411	.1150

Any alleged grievance shall be taken up by the employee with the appropriate Deputy Chief within ten (10) calendar days of the occurrence. If the aggrieved employee is a Deputy Chief, the grievance shall be taken up by the employee with their Assistant Chief. The above parties agree to make every effort to settle the grievance at this stage promptly; however, if no satisfactory settlement is reached, the following procedure shall apply:

Step 1. The grievance shall be reduced to written form by the aggrieved employee and/or Union, stating the Section of the Agreement allegedly violated and explaining the grievance in detail. The Union Representative shall present the written grievance to the Assistant Chief of the Department within ten (10) calendar days after the alleged grievance is taken up by the employee with the Deputy Chief or the Assistant Chief. The Assistant Chief or his/her designee shall convene a meeting within ten (10) calendar days after receipt of the written grievance, between the Union Representative, aggrieved employee, and any other witnesses and/or members of management whose presence is deemed necessary to a fair consideration of the grievance.

Ten (10) calendar days after the aforementioned meeting, the Assistant Chief shall transmit a copy of this decision to the aggrieved employee, the Union and the Chief of the Fire Department.

Step 2. A grievance which remains unresolved after the written decision is delivered in Step 1 shall be transmitted in writing by the aggrieved employee and/or Union involved to the Chief of the Fire Department with

a copy to the Director of Labor Relations. Said transmittal must be accompanied by the following information:

- A. Nature of dispute
- B. Contract provision(s) allegedly violated
- C. Remedy sought

The Chief of the Fire Department shall not be required to consider a grievance which is not referred to him/her within ten (10) calendar days following the Step 1 decision. A grievance properly filed shall be investigated by the Chief of the Department and/or the City Labor Relations Director or their respective designees. Such investigation, if deemed appropriate by the Chief of the Fire Department, may include a conference with the employee involved and their Union representative, if they have designated one. The Director of Labor Relations or their designee may thereafter make a confidential recommendation to the Chief of the Fire Department. The Chief of the Department shall make a decision on the matter in writing within ten (10) calendar days from the date when it was first received by them; provided, however, the Chief of the Department may waive investigating and answering the grievance at Step 2 and defer a decision to Step 3 within ten (10) calendar days of receipt of the grievance. Copies of the Chief's decision shall be furnished to the aggrieved, their Union representative and the Director of Labor Relations.

Step 3. A grievance which remains unresolved after the decision is rendered in Step 2 may be transmitted in writing to the Director of Labor Relations by the aggrieved employee and/or Union, requesting a review by the Grievance Board. The Grievance Board shall not be required to consider a grievance which is not referred to the Director of Labor Relations within ten (10) calendar days following written notification of the Step 2 decision. The Director of Labor Relations or their designee listed below shall convene the Grievance Board within ten (10) calendar days upon receipt of a written request for review.

The Grievance Board shall consist of:

- Presiding Chairperson - City Director of Labor Relations or City Labor Negotiator
- Member - Fire Chief, or their designee from within the department
- Member - President of the Union, Local 2898, I.A.F.F. or their designee from within Local 2898.

The Grievance Board shall issue its findings with recommendations for resolving the grievance in writing within ten (10) calendar days to the Chief of the Fire Department. The Chief shall within ten (10) calendar days

thereafter render a decision on the issue with a copy to Local 2898, the aggrieved employee and the Director of Labor Relations.

Step 4. If the contract grievance is not settled in Step 2 or 3, it may be referred by either the Union or the City to the Washington State Public Employment Relations Commission to supply both parties with a list of five (5) qualified arbitrators. If no agreement is reached between parties in the choice of an arbitrator from that list within fifteen (15) calendar days after receipt of said list, or the Union or the City opt to bypass a PERC list of arbitrators, the contract grievance shall be referred to the American Arbitration Association for arbitration to be conducted under its voluntary labor arbitration regulations.

Referral to arbitration (PERC or AAA) must be made within thirty (30) calendar days after the decision in Step 3 and to be accompanied by the following information:

- A. Identification of the Section(s) of the Agreement allegedly violated.
- B. Details of the nature of the alleged violation.
- C. Position of the party who is referring the grievance to arbitration.
- D. Question(s) which the arbitrator is being asked to decide.
- E. Remedy sought.

If Arbitration has been timely requested, the parties may with mutual consent attempt Grievance Mediation. The process will use a mutually acceptable mediator and conclude within 30 days after the mutual request.

The parties agree to abide by the award made in connection with any arbitrable difference.

11.1.1 The Union and the City recognize the importance of the arbitration process to the Union and its members, the City, and the public in order to resolve workplace disputes. The expectation for arbitration is to have an arbitrator issue a fair and just decision based on the evidence. The parties recognize the value of arbitrators who have a reputation for integrity, independence, and impartiality. The parties have thus agreed to limit their selected arbitrators to those that are AAA qualified, which requires acceptability from both labor and management in order to achieve qualification. The parties also recognize the value of using arbitrators with experience arbitrating cases involving public safety and/or other public employees.

11.2 In connection with any arbitration proceeding held pursuant to this Agreement, it is understood as follows:

- A. The arbitrator shall have no power to render a decision that will add to, subtract from, or alter, change, or modify the terms of this Agreement, and his power shall be limited to interpretation or application of the express terms of this Agreement, and all other matters shall be excluded from arbitration.
- B. The decision of the arbitrator shall be final, conclusive and binding upon the City, the Union, and the employees involved.
- C. The cost of the arbitrator shall be borne equally by the City and the Union, and each party shall bear the cost of presenting its own case.
- D. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) days after the case is submitted to the arbitrator.

11.3 Any time limits stipulated in the Grievance Procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing; and the parties may, by mutual agreement, waive any step or steps of the Grievance Procedure to advance said grievance in an effort to expedite the resolution.

11.4 If at any step in the grievance procedure management's answer is deemed unsatisfactory, the Union's and/or the aggrieved's reasons for non-acceptance must be presented in writing.

11.5 The City agrees to conduct all hearings concerning a grievance on on-duty hours of employees whenever practical.

11.6 Failure by an employee or the Union to comply with any time limitation of the procedure in this Article shall constitute withdrawal of the grievance. Failure by the Employer to comply with any time limitations of the procedure in this Article shall allow the Union to proceed to the next step.

11.7 Arbitration or grievance settlements shall not be made retroactive beyond the date of the occurrence or non-occurrence upon which the grievance is based, that date being twenty-four (24) or less days prior to the initial filing of the grievance.

11.8 Any dispute as to whether or not a particular complaint has merit as a grievance as defined in Section 11.1 above shall be processed through the grievance procedure at the initiation of either party to this Agreement.

11.9 The Grievance Procedure may be invoked by the City relative to a grievance filed on its behalf commencing at Step 2 of the Grievance Procedure.

11.10 In no event shall this Agreement alter or interfere with disciplinary procedures followed by the City or provided for by City Charter, Ordinance or Law; provided, however, disputes concerning disciplinary or discharge action shall not be subject to this Article but shall be processed in accordance with Public Safety Civil Service

procedures and rules, unless such discipline involves the demotion, suspension or termination of a Battalion Chief, in which case grievance arbitration shall be available.

11.11 If the contract grievance is not settled in Step 2, it may be referred to Step 3 at the discretion of the initiating party within the time limits described therein or Step 3 may be waived, provided a grievance conference has been held and a grievance decision was rendered in Step 2. If Step 3 is waived, the issue may then be submitted to Step 4 within the time limits described therein.

11.12 The Union shall be afforded all rights and privileges in filing grievances as an aggrieved employee under this Article.

11.13 Where the designated Officer as defined in Section 11.1 above is part of the bargaining unit, a grievance decision by said Officer shall not necessarily be conclusive nor set a precedent. Said decision shall be subject to review and/or reversal by the Chief of the Fire Department at any time. In case a decision is set aside as described above, the ensuing grievance time limits shall become operative when the grievant or Union is notified of the reversal.

11.14 Employees covered by this Agreement will follow all written and verbal directives, even if such directives are allegedly in conflict with the provisions of this Agreement.

ARTICLE 12 - DISCIPLINE AND APPEAL OF DISCIPLINE

- 12.1 The City shall have the right to discipline employees for just cause. As used herein, discipline shall be deemed to include a suspension without pay, demotion, discharge and involuntary transfer for disciplinary reasons. Just cause is not required for counseling, performance improvement plans (PIP), or involuntary transfers for non-disciplinary reasons.
- 12.2 Discipline may be appealed under the grievance procedure outlined in Article 11 or, if applicable, through Civil Service, but not both. If there are dual filings with the grievance procedure and the Public Safety Civil Service Commission (PSCSC), the City will send a notice of such dual filings by certified mail to the employee(s) and the Union. The Union will notify the City within fifteen (15) calendar days from receipt of the notice if it will use the grievance procedure. If no such notice is received by the City, the contractual grievance shall be deemed withdrawn.
- 12.3 Employees shall have the right to Union representation in all investigatory interviews that the employee reasonably believes will result in disciplinary action against them.

ARTICLE 13 - SICK LEAVE AND LONG-TERM DISABILITY

13.1 Employees covered by this Agreement who are not granted disability leave pursuant to State Statute RCW Chapter 41.26,030(19) (disability leave) shall accrue sick leave at the rate of .046 hours for each regularly scheduled hour of work including paid time off.

13.1.1 Effective upon signing, and as directed by Local 2898 on an annual basis, employees covered by this Agreement who are not entitled to disability leave under State Statute RCW 41.26, shall either receive a cash payment or cash out sick leave upon retirement into a VEBA trust fund designated by the Union to pay health insurance premiums or other legally authorized healthcare costs for eligible future retirees and dependents, at the following rates:

- B. Accumulated sick leave hours between 401 and 800 shall be cashed out at 50%;
- C. Accumulated sick leave hours above 800 shall be cashed out at 75%.

13.1.2 In the event of the death of an employee while employed by the City who is eligible for the sick leave cash out benefit described above in Section 13.1.1, such employee's beneficiary shall be paid a portion of the employee's accumulated and unused sick leave in accordance with Section 13.1.1.

13.1.3 Payoff in Sections 13.1.1 and 13.1.2 shall be made at the rate of pay of such employee upon retirement or death respectively.

13.1.4 Employees who transfer to other City departments shall transfer all accumulated and unused sick leave to the new position in the accepting department.

13.2 For such employees identified in Sections 13.1 and 13.1.1 who are exposed to a communicable disease in the line of duty and for whom specific preventative medication is deemed necessary by a physician in order to prevent the employee from acquiring the disease, the City will reimburse any out-of-pocket costs for the preventative medication which the employee has incurred and for which he/she will not otherwise be reimbursed. To obtain reimbursement the employee shall present satisfactory documentation with a written request for reimbursement to the City for approval of payment.

13.3 At the discretion of the Chief of the Fire Department, employees not entitled to medical coverage under State Statute RCW 41.26, may be required to see a physician designated by the Chief of the Fire Department to verify disability resulting in layoff

or claims of injury, illness, or any other disability which would prevent the employee from performing his/her duties.

13.3.1 Twenty-four (24) hour shift employees who are not entitled to medical coverage under State Statute RCW 41.26 shall be required to obtain a physician's verification of illness/injury when their disability or the care of a dependent requires them to be absent from work for more than forty-eight (48) consecutive hours; that is, if they miss a portion of a third consecutive shift. Twenty-four (24) hour shift employees must obtain this verification no later than the day of the third shift missed. Forty (40) hour per week employees are required to provide a physician's verification of illness/injury after thirty-two (32) consecutive hours are missed on sick leave or dependent care sick leave. Abuse of sick leave shall be grounds for discipline up to and including dismissal. The Department also has the right to require an employee whose sick leave usage is outside of expected norms to provide physician verification within six (6) business hours (0900 - 1700, Monday through Sunday) of notifying the Department of the disability, except where individual circumstances or legal requirements require more time.

13.4 The City agrees to allow the remaining portions of an employee's vacation, accumulated vacation days, or accumulated compensatory time to be used in place of sick leave for an employee who has exhausted his/her sick leave benefits.

- A. This provision is applicable to employees covered under 13.1 and 13.1.1 of this Article.
- B. Use of such time is subject to the same criteria for use of sick leave as described by Ordinance as cited above.

13.5 Leaves of absence without pay for medical reasons due to a non-duty related injury or illness may be granted to an employee who has exhausted all of his/her paid sick leave for a period of up to six (6) months upon written approval by the City.

The granting of such a leave of absence, and extension thereof, or the refusal of such a leave and the reasons therefore, must be in writing from the City. If granted, the City's response shall specify the length of the leave of absence and whether or not the applicant will be guaranteed a job at the scheduled expiration of said leave of absence.

13.7 Applications for leaves of absence for medical reasons must be accompanied by a doctor's statement indicating the reason necessitating such a leave and the approximate duration if known. An employee who is ready to return from a medical leave of absence must also submit to the Chief of the Fire Department a doctor's statement that they are physically and mentally able to resume their normal duties.

- 13.8 If the employee has not been granted an extension of the leave of absence and does not report for work when scheduled to return from the leave of absence, the employee is considered to have quit. The Department shall send a registered letter to the employee stating that they are considered to have terminated employment if no answer is received within five (5) working days of receipt of the letter.
- 13.9 If the employee's former position is not available, the employee shall be notified of the first available position of comparable classification for which the individual is qualified. Such notice shall be sent by registered mail by the Chief of the Fire Department to the employee's last known address, with a copy to the Union President. If the employee fails to report for work or otherwise respond to the Chief of the Fire Department within one (1) week from the date of receipt of the notification, or if the notification letter is returned unclaimed, the employee shall forfeit all reinstatement rights.

- 13.13.1 Employees must meet the standards listed in Seattle Municipal Code (SMC) 4.44.020 to be eligible for the benefit amount provided herein, which exceeds the rate required to be paid by state law, hereinafter referred to as supplemental benefits. These standards require that employees: 1) comply with all Department of Labor and Industries rules and regulations and related City of Seattle and Seattle Fire Department policies and procedures; 2) attend all treatments and meetings related to rehabilitation and work hardening, conditioning or other treatment arranged by the City and authorized by the attending physician; 3) accept modified or alternative duty assigned by supervisors when released to perform such duty by the attending physician; 4) attend all meetings scheduled by the City of Seattle Workers' Compensation unit or the Seattle Fire Department concerning the employee's status or claim when properly notified at least five (5) working days in advance of such

meeting, unless other medical treatment conflicts with the meeting and the employee provides twenty-four (24) hours' notice of such meeting or examination.

13.13.2 The City will provide a copy of the eligibility requirements to employees when they file a workers' compensation claim. If records indicate two (2) no-shows, supplemental benefits may be terminated no sooner than seven (7) days after notification to the employee.

13.14 LEOFF I Dependent Care Leave

Employees covered by this Agreement who are entitled to disability leave under State Statute RCW 41.26 (LEOFF I) will be provided a paid leave bank called "Dependent Care Leave" to use for dependent care.

The City authorizes the use of Dependent Care Leave to care for an eligible family member of the LEOFF 1 member who has an illness, injury, or health care appointment requiring the absence of the LEOFF I member from work, or when such absence is recommended by a health care professional. There is no cap or maximum limit on the number of hours a LEOFF I member may accumulate in his/her Dependent Care Leave bank. LEOFF I members who transfer to other City departments may not transfer any accumulated or unused Dependent Care Leave to the new position in the accepting department.
