Budget Action Description:

This budget action recommends passage of Council Bill 119928, legislation that would amend the Seattle Municipal Code to require all receipts from the admission tax be deposited directly into the Arts and Culture Fund rather than into the General Fund. Because 100 percent of admissions tax revenue is dedicated by ordinance to the Office of Arts and Culture, this legislation would remove an unneeded administrative step of transferring funds from the General Fund into the Arts and Culture Fund.
