***Budget Action description:***

This green sheet would add \$80,000 GF in 2019 to the Human Services Department (HSD) for navigation services at an organization targeting homeless individuals in the Aurora Avenue corridor, such as Aurora Commons.

Aurora Commons provides information and referral services, or navigation services, for people with needs related to sex work, opioid addiction, or mental health disorders. Aurora Commons provides services in partnership with Law Enforcement Assisted Diversion (LEAD), Evergreen Treatment Services' REACH, Harborview Medical Center, University of Washington Gynecology, Puget Sound Christian Clinic, and the Pacific Hospital Planning and Development Association. Aurora Commons anticipates serving over 300 clients by the end of 2018; about 80% of women served are homeless.
