Overarching Goals for the City Moorages

- Maintain public ownership of the moorages;
- Provide safe, accessible and affordable moorage for Seattle residents;
- Protect shoreline habitat;
- Improve public access and community benefit without compromising security;
- Create quality facilities that are competitive in the marketplace;
- Enhance the sailing heritage at Leschi;
- Make moorages self-sustaining for ongoing capital upkeep and maintenance
- Ensure concessionaire quality with performance measures and regular auditing of the new concessionaire contract.
