

Amendment 1 to CB 119157 – South Lander Grade Separation Grant Acceptance

On page 9, after Item 1.37, insert a new item as shown below.

Item	Department	Grantor	Purpose	Amount	Fund
1.38	Seattle Department of Transportation (SDOT)	Washington State Transportation Improvement Board	This grant supports the construction of the grade separation of the S Lander St. roadway and the Burlington Northern mainline railroad tracks.	\$4,000,000	Transportation Operating Fund (10310)

Adjust the total for Section 1 accordingly.

Effect: This amendment would authorize acceptance a grant in the amount of \$4,000,000 in the Mobility-Capital BCL from the Washington State Transportation Improvement Board. SDOT has been awarded a state Transportation Improvement Board (TIB) grant for the S Lander St. Grade Separation project. The project constructs a grade separation of the S Lander St. roadway and the Burlington Northern mainline railroad tracks. The grant will be matched by federal grants, Move Seattle funding,
