Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Office of Economic Development (OED) collaborate with the Seattle Department of Transportation (SDOT) to propose a strategy for funding and distributing financial assistance to small businesses that are adversely impacted during the construction of City-led transportation projects, with the goal of establishing a program in OED by late 2021 or 2022. The proposed strategy should include: potential eligibility criteria for recipients; funding options; a Racial Equity Toolkit analysis; and other relevant considerations.

OED and SDOT should submit a response to the Community Economic Development Committee and the Central Staff Director by August 2, 2021.
