4. Minimum ~~((Charge, No Pickup Service))~~ charge, no pickup service. A

charge per month or portion thereof of \$6.85 shall be billed directly to the owner, homeowners association, or occupant ~~((;))~~ of any residence not subscribing to ~~((pick-up))~~ pickup service to cover landfill closure costs, billing, collection, Low Income Rate Assistance, and hazardous waste costs. To be eligible for the minimum charge (zero container rate), a customer may not generate any garbage or rubbish for collection or disposal. With occupied premises, the customer

14 order for the bundle to be picked up by the collector, and the customer not to be billed. The
15 following charges will apply to each extra bundle:
