

Amendment 12 Version 1 to CB 120981 DEEL Families, Education, Preschool, and Promise Levy  
ORD

**Sponsor:** Councilmember Moore

Clarifying Authorization to Contract with Public Entities

**Effect:** This amendment would clarify that the Director of Education is authorized to enter agreements for education support services with public entities, not just the list of agencies in the Council Bill. This amendment does not bind the Council to contracting with any of the agencies listed.

This amendment would not impact the proposed property tax rate in Council Bill 120981 to exceed the levy limitation on regular property taxes contained in RCW 84.55.010, nor would it amend the expected revenues from the proposition submitted to voters.

If the proposition is approved by voters, funding for specific items would be appropriated by Council through the adoption of an Implementation and Evaluation Plan, and during Council budget deliberations.

Amend Section 9 of CB 120981 as follows:

Section 9. Agreements with public agencies. The Director of Education is authorized to enter agreements for education-support services with public entities such as the Seattle Public School District, Seattle Colleges, Public Health-Seattle & King County, and the State of Washington. The Director of Education is also authorized to enter agreements with non-public entities for the education-support services using an advertised process, such as a request for proposals or qualifications, except in case of emergency as determined by the Executive or when the Director of Education determines that a process is not feasible because the services are only available from one source or are impracticable to solicit.
