Budget Action description:

This green sheet would add \$12,000 in one-time 2017 funding to the Hearing Examiner's (HE) budget to support an anticipated increase in appeals of enforcement actions from recently adopted or pending legislation ([CB 118817](#) – move-in fee legislation and [ORD 125135](#) – secure scheduling). This would allow the HE to bring in an examiner pro tempore to cover cases when the number of appeals exceeds the capacity of existing staff. The need for additional resources was estimated based on increases in appeals the HE has seen after passage of similar legislation; it is expected that the number of appeals will decrease over time.
