# SCL-UW SHARED FIBER ORDINANCE

---

- Purpose
  - Allows SCL to accept the signed MOA with UW for abandoning their ownership interest in the 1990's jointly owned cable that was replaced by SCL in 2019.
  - The fiber is used to support the SCL communication network to Bothell Substation, and acts as a link to our Generation sites in Skagit.

# SCL-UW SHARED FIBER ORD

---

- What
  - 10 miles of underground fiber from Lake Forest Park to Bothell
  - 2/3 UW & 1/3 SCL capacity becomes 100% SCL capacity

# SCL-UW SHARED FIBER AGREEMENT

---

- History
  - Cable was installed early 1990's jointly owned between UW & SCL
  - Fiber cable signal quality deteriorating in 2015
  - UW opted to abandon rather than to jointly replace since UW had vacated their temporary campus
  - SCL replaced the cable due to urgent operational needs
- Cost
  - This request does not require additional funds.
