Overview of monitoring activities

Focus of early 2022 – Community Engagement Sessions

High-level action items for 2022

Discussion and Questions

Based on this preliminary assessment of crisis intervention:

1. Evaluating the status of compliance
 - Methodology and Assessment
2. Bolstering accountability
 - Front-end accountability
 - Back-end accountability
3. Advising on innovation and risk management
 - Analytics, officer wellness, etc.
4. Advising on re-imagining public safety

Monitoring Activities

Comprehensive Assessments

To assess compliance with Consent Decree, a methodology was established and implemented to measure areas including:

- Crisis Intervention
- Stop and Detentions
(including bias/disparate impact)
- Use-of-Force
(including crowd management)
- Supervision

Based on this preliminary assessment
of crisis intervention:

1. What specific ideas do you have to improve crisis intervention in Seattle?
2. What research or advocacy on crisis intervention should the Seattle Community Policing Commission pursue in 2022?
3. What crisis intervention policy and practice areas, if any, should the Federal Monitor oversee implementation on in 2022?
