

Amendment B Version #2 to CB 120312
DON Seattle-First National Bank Landmark Designation ORD

Sponsor: Councilmember Herbold

Add Controls and Incentives to the Seattle-First National Bank, excluding the surface parking lot

Effect: This amendment would substitute version 3a to CB 120312 for version 2, as proposed under Amendment A. Version 3 would return the proposed controls and incentives to the bill, but would exclude the surface parking lot and areas between the surface parking and the street from those controls. The building would be designated a landmark and significant changes to the structure or redevelopment of the included site would require a Certificate of Approval from the Seattle Landmarks Preservation Board. In addition, financial or land use incentives would be available to the property owners to encourage them to retain the structure, including the ability to transfer development rights and transfer development potential; or to receive an additional 1 FAR for development that incorporates the landmark on-site.

See the attached edits to the bill.

COUNCIL BILL _____

..title

AN ORDINANCE relating to historic preservation; imposing controls upon the Seattle-First National Bank Building, a landmark designated by the Landmarks Preservation Board under Chapter 25.12 of the Seattle Municipal Code, and adding it to the Table of Historical Landmarks contained in Chapter 25.32 of the Seattle Municipal Code.

..body

WHEREAS, the Landmarks Preservation Ordinance, Chapter 25.12 of the Seattle Municipal

Code (SMC), establishes a procedure for the designation and preservation of sites, improvements, and objects having historical, cultural, architectural, engineering, or geographic significance; and

WHEREAS, the Landmarks Preservation Board (“Board”), after a public meeting on September 20, 2006, voted to approve the nomination of the improvement located at 566 Denny Way and the site on which the improvement is located (which are collectively referred to as the “Seattle-First National Bank Building”) for designation as a landmark under SMC Chapter 25.12; and

WHEREAS, after a public meeting on November 1, 2006, the Board voted to approve the designation of the Seattle-First National Bank Building (~~“Building”~~) under SMC Chapter 25.12; and

WHEREAS, on November 17, 2021, the Board and the Seattle-First National Bank Building’s owner agreed to controls and incentives to be applied to specific features or characteristics of the designated landmark; and

WHEREAS, the Board (~~“recommends”~~) ~~recommended~~ that the City Council enact a designating ordinance approving the controls and incentives;

1 WHEREAS, since the original designation of the Building, the Uptown Urban Center has been
2 rezoned, and the area that the Building is located in has been rezoned to allow
3 significantly larger buildings, including residential development; and

4 WHEREAS, the Uptown Urban Center rezone included a specific objective to “Retain
5 landmarks and other historic buildings by allowing transfer of development rights in
6 exchange for funding to support building preservation.” (Uptown Rezone
7 Recommendation Director’s Report, p. 5, July 12, 2017); and

8 WHEREAS, since the original designation of the Building, the Uptown Urban Center has been
9 rezoned, and the Seattle Mixed-Uptown 160 (SM-UP 160) zone that the Building is
10 located in provides for incentives to preserve landmarks, including increased FAR for
11 projects that preserve a landmark on-site, and provisions that allow for the transfer of
12 development rights (TDR) and the transfer of development potential (TDP) from
13 designated landmarks to other sites in the SM-UP 160 zone (SMC 23.48.723); and

14 WHEREAS, the Building is one of a number of buildings designed and built using the same
15 prototype, many of which still stand; and

16 ~~((WHEREAS, the benefits of allowing development on this site outweigh the preservation of the~~
17 ~~Building))~~

18 WHEREAS, the City Council wishes to achieve the goal of maximizing the potential for housing
19 in this neighborhood and supports the landmarking of this Building; and

20 WHEREAS, if the surface parking lot to the north of the Building were to be redeveloped while
21 preserving the landmarked Building, an additional 1 FAR would be allowed under the
22 SM-UP 160 zone, providing for more housing or non-residential development to be built

on the site than could be built offsite through TDP or on the site if the building were not
landmarked and were demolished; and

WHEREAS, an even larger building could be built on the site if an arts facility were incorporated
into a future project on the site; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:
