**ORDINANCE \_\_\_\_\_**

**COUNCIL BILL \_\_\_\_\_**

..title

AN ORDINANCE relating to the establishment of a Fiscal Transparency Program; requiring periodic and consistent reporting and monitoring of City budgetary, financial, and fiscal policy information to the City Council and the public; adding a new Chapter 3.140 to, and amending Sections 3.14.100 and 5.08.020 of, the Seattle Municipal Code; and requesting that the Code Reviser recodify Chapter 5.08 of the Seattle Municipal Code in Subchapter I of Chapter 3.14.

..body

WHEREAS, a review of state fiscal note practices by the Center for Budget and Policy Priorities finds that preparing fiscal notes for all legislation, projecting long term fiscal impacts of proposed legislation, revising the estimates as needed, and posting fiscal notes online are best practices in the preparation and presentation of fiscal estimates for proposed legislation; and

WHEREAS, the Government Finance Officers Association recommends that “all governments establish a formal set of processes for comparing budget to actual results to monitor financial performance. Budget monitoring should include analysis of a diverse set of indicators to best inform the analysis and facilitate evaluation of a government's overall performance. Establishing and conducting regular budget monitoring provides organizations the opportunity to promptly adjust for any significant variances to ensure continuity of program/service delivery”; and

WHEREAS, the City has a fiscal note practice that describes current-year fiscal impacts that is periodically updated to incorporate new information such as about capital, climate, and race and social justice impacts, to meet the needs of the City and its policy makers; and

1 WHEREAS, the City Budget Office (CBO) launched a new fiscal monitoring program in 2023  
2 that engages City departments, including staff from the Office of City Finance and CBO  
3 in consistent analysis about budget-to-actual spending; and

4 WHEREAS, the City is projecting a structural General Fund (Fund 00100) deficit of more than  
5 \$200 million per year starting in 2025, and regular fiscal monitoring, reporting, and  
6 planning will provide an additional tool to assess the City’s financial position, aid in  
7 addressing projected deficits and make sustainable budget decisions; and

8 WHEREAS, Resolution 31954 requested that the City Budget Office (CBO) and the Department  
9 of Finance and Administration Services (FAS), in consultation with Council Central Staff  
10 (CS), evaluate and report on both the near- and long-term solutions that allow for  
11 sufficient and transparent budget planning; and

12 WHEREAS, Statement of Legislative Intent (SLI) LEG-322-A-001-2023, requested  
13 recommendations from a CS and CBO workgroup related to the annual budget process  
14 and treatment of General Fund planning reserves; and

15 WHEREAS, the response to the SLI includes eight recommendations from CS and CBO  
16 intended to increase transparency in City budgeting, reporting, and use of City resources;

17 NOW, THEREFORE,

18 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

19 Section 1. A new Chapter 3.140 is added to the Seattle Municipal Code as follows:

20 **Chapter 3.140 FISCAL TRANSPARENCY PROGRAM**

21 **3.140.010 Establishment and purpose**

22 There is established a Fiscal Transparency Program created by the City Budget Office of the  
23 Executive Department. The City Budget Director shall develop and implement the Fiscal

1 Transparency Program, in consultation with the Central Staff Director. The purpose of the Fiscal  
2 Transparency Program is to increase and sustain transparency in City budgeting, reporting, and  
3 use of City resources, including historical trends, current performance, and future projections,  
4 and to foster sustainable budgets that maintain appropriate service levels and enable City  
5 departments, and the contracted partners that deliver City services, to focus on service  
6 performance.

7 **3.140.020 Definitions**

8 “City Budget Office” means the division of the Executive Department created by Section  
9 3.14.100.

10 “Council Central Staff” means the division of the Legislative Department that provides  
11 independent and objective policy and fiscal analysis to the City Council and helps facilitate the  
12 exchange of information between the City Council, the Executive, and the City Attorney’s  
13 Office.

14 “Summary and fiscal note” means a written description of the purpose and potential  
15 effects of proposed legislation, including an estimate of the potential expenditure, revenue, and  
16 staffing impacts.

17 **3.140.030 Fiscal reporting requirements**

18 To provide for transparent monitoring of the annual budget throughout the year, the Executive  
19 shall produce the regular reports listed in this Chapter 3.140 on past, current, and future fiscal  
20 performance. Council Central Staff shall review the reports, and it may present analysis to the  
21 Finance Committee at the discretion of the Central Staff Director in consultation with the Chair  
22 of the Finance Committee.

23 **3.140.040 Reports on past activities**

1           A. Citywide financial condition reports, covering information on the City's financial  
2 condition as of the end of the prior fiscal year and historical trends on City financial indicators,  
3 to be provided by the Director of Finance beginning September 2022 and biennially thereafter, as  
4 required by subsection 3.39.035.J.

5           B. Debt report covering the status of City debts, debt service, debt capacity, and debt  
6 guarantees, to be provided by the Director of Finance not less than annually, as required by  
7 subsection 3.39.035.H.

8 **3.140.050 Reports on current activities**

9           A. Revenues. Written reports on the performance of all forecasted revenues, to be  
10 provided by the Director of the Office of Economic and Revenue Forecasts not less than  
11 quarterly as required by subsection 3.44.030.J.

12           B. Cash balances and investments. Cash, investment and interfund loan reports covering  
13 the cash position of each City Fund, performance of investments in the common investment  
14 portfolio, and the status of all interfund loans authorized by ordinance, to be provided by the  
15 Director of Finance not less than quarterly as required by Section 3.39.035.

16 **3.140.060 Reports on future fiscal projections**

17           A. Economic and revenue forecasts. As required by Section 3.44.040, the Director of the  
18 Office of Economic and Revenue Forecasts shall provide unofficial economic forecasts both of  
19 City revenues and for the Seattle region for the current fiscal year and the next five fiscal years.  
20 Each forecast will include three scenarios and assign probabilities to their occurrence: baseline;  
21 optimistic; and pessimistic. Forecasts shall be presented to the Economic and Revenue Forecast  
22 Council.

1           B. General Fund financial plan. Following the presentation of each economic and revenue  
2 forecast, and concurrent with the submittal of the Mayor’s proposed budget for the next year, a  
3 financial plan for the City’s General Fund shall be provided to the City Council. Each plan shall:

4                   1. Provide estimates of actual revenue and expenditures for the prior year and,  
5 revised, and projected revenue and expenditures estimates and expenditures for the prior year,  
6 for the current year (including adopted budget and revised estimates), and three future years.

7                   2. Be informed by best available data about revenues and spending and include a  
8 publicly available table that defines discussion of the assumptions used to make projections.

9                   3. Reflect current law or proposed changes in law transmitted with the budget.

10 **3.140.070 Summary and fiscal notes**

11           A. Process. All Council Bills and resolutions shall include a summary and fiscal note.  
12 The initial note shall be prepared by the department or office initially proposing the legislation.  
13 Updates shall be prepared by Council Central Staff as necessary to reflect the impacts of  
14 amendments adopted during the City Council’s deliberations. Summary and fiscal notes will be:

15                   1. Published concurrent with the introduction and referral date of the proposed  
16 legislation;

17                   2. Updated and republished prior to final City Council deliberation on the  
18 legislation, as necessary to reflect the impacts of adopted amendments.

19                   3. Updated and republished after final City Council approval, if additional  
20 amendments are adopted at the time the City Council takes final action on legislation, as  
21 necessary to reflect the final Council approved version of legislation.

1 B. Form. A template for summary and fiscal notes will be jointly developed and reviewed  
2 biennially or as needed by the Central Staff Director and the City Budget Director, and shall  
3 include at a minimum:

4 1. A descriptive summary of the background, effect, and purpose of the proposed  
5 legislation;

6 2. Estimates of the current year and four future years of the potential revenue,  
7 expenditure, and staffing impacts by City fund of the proposed legislation. Where necessary,  
8 impacts to non-General Fund resources may be aggregated into a combined “Other Funds”  
9 category.

10 3. Questions and other related content necessary to gather information about  
11 capital projects requested in Resolution 31203.

12 4. Questions and other related content necessary to gather information about  
13 climate and environmental impacts requested in Resolution 31933.

14 5. Questions and other related content necessary to gather information, studies,  
15 and supporting details to fully describe the legislation and its impacts.

16 Section 2. Section 3.14.100 of the Seattle Municipal Code, enacted by Ordinance 123361,  
17 is amended as follows:
