

Amendment 1 to CB 120845 – SPD SIR Real-Time Crime Center ORD

Sponsor: Councilmember Kettle

Modifying recital regarding evaluation

Effect: This amendment removes mention of the City Auditor from a recital regarding the evaluation component of the pilot project. This change is consistent with the intended implementation of this program, and more accurately reflects the role of the Office of the Inspector General for Public Safety as the designated oversight body for SPD surveillance programs, rather than the City Auditor.

Amend the recitals to CB 120845 as follows:

WHEREAS, Section 14.18.020 of the Seattle Municipal Code (SMC), enacted by Ordinance 125376 and last amended by Ordinance 125679, requires City Council approval of a surveillance impact report (SIR) related to uses of surveillance technology; and

WHEREAS, the Office of the Inspector General for Public Safety and SPD (~~the City Auditor~~) will collaborate to retain academic subject matter experts to develop and manage an implementation and outcome evaluation of the pilot project; and

WHEREAS, at the end of the pilot project, a determination will be made about continuing the project, making changes to the project design, discontinuing the project, or moving the technology to another location where gun violence, human trafficking, or persistent felony crime is concentrated; NOW, THEREFORE,
