1 2	These program elements are illustrative examples. The City Council may change the
3	minimum required core category appropriation amounts established in this Section 6 with a 3/4
4	vote. The Spending Breakdown (Attachment A) provides additional information about the
5	anticipated deliverables, anticipated spending amounts, and the anticipated revenue sources; but
6	the Spending Breakdown is illustrative only and shall not be mandatory. The City anticipates that
7	appropriations of Levy Proceeds will be consistent with the programs described in the Spending
8	Breakdown attached to the ordinance.
9	In the annual City budget or by separate ordinance, the City shall from year-to-year
10	determine the Transportation Improvements and funding allocations that will most effectively
11	achieve the Levy goals and outcomes. Within a budget year the City is authorized to reallocate
12	unexpended and unencumbered funds from one program to another within each of the three core
13	categories by making operating budget transfers consistent with Seattle Municipal Code
14	5.08.020.
15	The City will seek to maximize the potential of the Levy Proceeds by pursuing
16	complementary grant funds, by engaging in partnerships with other agencies, and by identifying
17	improvements in efficiencies and effectiveness.
