

Attachment A – Repealed Section 15.52.070

Section 15.52.070. Fees.

A. Computation of Fees. The fee for a special event permit shall be computed as follows:

1. No fee shall be charged for events exempt from fees under Section 15.52.080 or excluded under Section 15.52.090;
2. The schedule in subsection B sets the base fee for 1992; the base fee is supplemented by a factor of Twenty-five Cents (\$.25) per registered entrant in a sporting event;
3. The base fee applicable to events in 1993 and each year thereafter shall be revised by the Special Events Committee annually based on changes in the purchasing power of the dollar during the preceding year shown by the Consumer Price Index for Urban Wage Earners and Clerical Workers for Seattle, First Six Months, published in or about August of each year by the U.S. Department of Labor, Bureau of Labor Statistics. Adjustments shall use 1992 as the base year, provided, as to events with fifty thousand (50,000) or more people in attendance, the rates in Note 2 to the schedule in subsection B apply, and 1994 shall be the base year for calculating inflation adjustments for events in calendar year 1995 and thereafter. Except as provided in Note 2, the base fee for any classification of anticipated attendance in the schedule in subsection B may not increase by more than ten percent (10%) from one (1) year to the next;
4. The base fee schedule applies for each day of the event. If any event extends over two (2) or more days and its anticipated attendance varies from day to day, the fee will be calculated on the anticipated peak attendance for each date. A fee for a sporting event may encompass two (2) or more activities as long as all activities are part of a

coordinated program. A fee for a day-event in the same area or along the same route encompasses all activities that occur as a part of that event within the block segments or park areas of the permit. When a day-event occurs with a sporting event or parade outside the area of the permit, the fee will be based on the charge for both events. The fee for an event that extends for two (2) or more days is the sum of the charges for each day;

5. These fees for a special permit do not displace any other fees required by ordinance for the event.

No special event shall be exempted from paying the fees in subsection B except those activities described in Sections 15.52.080 and 15.52.090.

B. Base Fee Schedule per Day of Event.

Note 1: Terms in quotation marks are defined in subsection C.

Note 2: During 1993, the base fee for an event with an anticipated attendance of fifty thousand (50,000) or more people shall be Fifteen Thousand Dollars (\$15,000.00) for an event free of charge for the public, and Seventeen Thousand Dollars (\$17,000.00) for an event with an entry charge to the public. During 1994, the base fee for such an event shall be Twenty Thousand Dollars (\$20,000.00) for an event free of charge to the public, and Twenty-five Thousand Dollars (\$25,000.00) for an event with an entry charge to the public.

C. Explanations of Base Fee Schedule.

The "anticipated attendance" is calculated as everyone present at the peak time for the event, including participants, spectators, performers and patrons.

A "day-event" occupies a portion of a public place and/or park, typically with booths or stands, an exhibition, activities on a stage or platform, and/or amusement rides. Examples

include street fairs, festivals, carnivals, concerts, hydroplane races, major displays of fireworks, and outdoor circuses.

An "entry fee" is a charge made to the general public to attend or participate in a special event. It does not mean a payment to the producer of a special event by a seller of merchandise or services, an entertainer, a sponsor or advertiser, or an exhibitor, such as a percentage, concession or booth fee.

A "parade" is a march or procession. It may include floats, motor vehicles, and/or animals.

"Public place" is defined in Section 15.02.040.

A "sporting event" is a gathering of people, most of whom participate in an athletic activity or in physical exertion. It includes a run, walk, bicycling, a race or competitive contest.

- D. When Payable. A deposit in the amount of the base fee is due and payable upon issuance of the permit unless the Special Events Committee authorized an alternate arrangement. The entire fee, including the per entrant charge in Section 15.52.070 A2, is due and payable thirty (30) days after the event. All payments shall be deposited into the City Treasury to the credit of the Treasurer's Clearing Fund; and upon settlement, the amount due to the City shall be transferred to the General Fund, Special Event Revenue Account, and any balance refunded.
