Budget Action description:

This green sheet recommends passage of C.B. _____, known as the "short" property tax ordinance. This C.B. is one of the two ordinances required to levy property taxes for collection in 2016.

[This green sheet is a placeholder for Budget Committee action in Round 2. This green sheet will be revised to reflect the results of the election, which will determine with Initiative Measure 122, related to publicly financed elections, and Proposition 1, related to citywide transportation maintenance and improvements, are approved by the voters.]

Since the approval of Referendum 47 in November 1997, state law requires that a taxing jurisdiction adopt, by a majority of its legislative body, a "separate ordinance" stating the property tax increase (if there is an increase), in terms of both dollars and percentage.
