**Budget Action description:**

This green sheet provides \$100,000 REET I in 2017 and \$200,000 REET I in 2018 to DPR and imposes a proviso on \$100,000 of DPR's Parks Infrastructure BCL (K72441) in 2017 to fund capital improvements at Danny Woo Park. The total estimated cost of the improvements for the park is \$600,000. A preliminary scope of work has

been submitted by the community but requires further review and refinement. DPR staff will work with the community to develop a final scope of work and time line for the improvement project. The community intends to seek other funds to assist in completing the desired improvements at the park.

This green sheet imposes the following proviso:

"Of the appropriation in the 2017 budget for the Department of Parks and Recreation's Parks Infrastructure BCL, \$100,000 is appropriated solely for improvements at Danny Woo Park and may be spent for no other purpose. "

The green sheet creates a new Citywide and Neighborhood Projects Budget Control Level (00163CIP) with the following purpose statement: "The purpose of the Citywide and Neighborhood Projects Budget Control Level (BCL) is to provide funds for the development, and rehabilitation of neighborhood parks and green spaces." This BCL is funded by REET I dollars (Fund 00163). The green sheet creates a new Parks project, Danny Woo Improvements (K732505), within the Citywide and Neighborhood Projects Budget Control Level (00163-CIP).
