

# **WATERFRONT ALLIANCE FOR PIONEER SQUARE SETTLEMENT AGREEMENT**

JUNE 15, 2017

PARKS, SEATTLE CENTER, LIBRARIES, AND WATERFRONT  
COMMITTEE

# ALLIANCE FOR PIONEER SQUARE (APS) SETTLEMENT

	Commitment	Timeline/Deadlines
Construction Mitigation Period	Allow public access to Habitat Bench (immediately north of Washington Street Boat Landing pergola)	Accessible to public by end of 2022
	Increase LID funding for east/west connections in Pioneer Square from \$12M to \$20M (subject to future Council budget approval)	If/when LID is formed by Council
	Provide \$75,000/year (pro-rated as appropriate) to APS for construction coordination and communication	Begin 6 months prior to construction-end of construction
	Extend existing low-rate parking agreements with off-street parking operators at First and Columba Garages	
	KC Metro will not operate more than 650 buses/day on Alaskan Way	Until ST Light Rail operating to West Seattle Alaska Junction Station
Final Conditions	Reduce bus volumes to not more than 30% of current	Once ST Light Rail operating to West Seattle Alaska Junction Station
	Narrow Alaskan Way from 7/8 lanes to 5/6 lanes by removing the dedicated transit lanes (subject to WSDOT approval and future Council budget approval)	Within 15 months of opening Alaskan Junction Light Rail Station
	Allow general purpose traffic movement on Columbia St in both directions	Once Alaskan way narrowing is completed
