CONTACT

CTA Design Builders | Intern Architect 2014-2017

Worked directly with architects, field leads and construction manager on over 20 projects to ensure quality of construction from start to finish.

- Designed, drafted, and permitted master plans, home remodels, additions, and detached structures from as built to construction documents.
- Aided in construction administration by conducting job site visits, budget reviews, and weekly coding of carpenters' time.
- Maintained and distributed records of drawings and changes throughout the course of a project on both the design and build sides of the company.
- Created and wrote specs for clients, and managed the update process as specs changed.
- Managed communications with subcontractors on select projects, including requests for bids, reviewing of shop drawings, and filing of contract information.
- Wrote twenty-one blogs on AEC subjects over the course of two years, including topics on schematics and interior design, construction progress, and detailing.
- Maintained the company website, developed a new, easily accessible blog page, and created and managed production of print marketing materials.

UW Relay For Life | Production Director 2014-2015

Lead over 30 individuals and six committees to plan the UW Relay For Life event of 2015.

- Oversaw logistics, contracts, accounting, and entertainment planning for the event.
- Developed new entry schemes, field layouts, and mapping materials to allow for better participant circulation and retention, and volunteer organization throughout the event.
- Achieved our long-time participant goal of 2,000 entrants and raised over \$120,000.

Bilinear Art Gallery | Gallery Intern 2015

Succeeded in the creation and maintenance of a CRM database for the company, coordinated monthly sales and entertainment events, and managed gallery installations.

Education | University of Washington 2012-2015
