

## **PROPOSED AMENDMENT 1**

### **Council Bill 119045: Sale and redevelopment of the former Public Safety Building block**

1. Create a new Section 3 containing the following language:

Section 3. As a condition to the transfer of the Property, Bosa shall enter into a Project Labor Agreement (PLA) on terms reasonably satisfactory to the City, as determined by the Director. The Director shall request that Bosa use the City's Community Workforce Agreement as the starting point for negotiating the PLA, and shall review favorably a PLA that takes into consideration the City's Priority Hire goals and contains a process to report progress toward those goals to the City.

2. Renumber the remaining sections accordingly.
