Budget Action description:

This budget action imposes the following proviso:

"None of the money appropriated in the 2018 budget for the Seattle Police Department or Department of Finance and Administrative Services may be spent for the Navigation Team until the Mayor or the Mayor's designee files with the City Clerk an agreement to follow the reporting schedule contained in the October 2017 report on the Navigation Team from the Office of the City Auditor, and the City Council passes an ordinance lifting this proviso. The reports should take into account specific measures for performance reporting set forth in the Navigation Team Theory of Change."
