### **Budget Action description:**

This green sheet would add \$233,356 GSF to the Office of City Auditor (OCA) to support 2018, year-two, funding for the Secure Scheduling Evaluation. This evaluation is required by the Secure Scheduling legislation which is codified in SMC 14.22.130.

The proposed 2018 GSF appropriation has been reduced from a previous request due to grants from the US Dept. of Labor, National Institutes of Health, and others, totaling \$190,000. These grants combined with this 2018 City appropriation result in a total year-two budget of \$413,356.

The Secure Scheduling legislation calls specifically for the OCA to contract with academic researchers to complete an evaluation of the impacts of the regulations for the baseline, year-one, and year-two periods following implementation. A 2017 budget of \$332,188 funded the year-one baseline evaluation.
