This green sheet would add \$374,616 GSF and 2.5 FTE to CPC to support staffing positions (\$299,616) and expenses and Commissioner stipends (\$75,000). The added positions would include a policy analyst, community engagement specialist, and part-time administrative support. The purpose of this increase is to reflect the impacts on scope of work for the Community Police Commission from the new police accountability system set forth in Ordinance 125315. The role of the CPC as articulated in Ordinance 125315 is to help ensure public confidence in the effectiveness and professionalism of SPD and the responsiveness of the police accountability system to public concerns by engaging the community to develop recommendations on the police accountability system and provide a community-based perspective on law enforcement-related policies, practices, and services affecting public trust.
