TONY KILDUFF, LEGISLATIVE ANALYST  
COUNCIL CENTRAL STAFF

# THIS LEGISLATION

---

Adds a new SMC Section 21.49.095 codifying that City Light

- Complies with applicable state law RCW 19.29A.100 protecting utility customer information
- Only uses customer data for providing utility services, implementing efficiency programs, and managing the electric grid

## Continued ...

---

- Complies with the City's Privacy Program (Resolution 31570) and has completed and posted for the public a Privacy Impact Assessment covering
  - The data collected
  - Access to the data
  - Allowable uses of the data

## Continued ...

---

- Uses industry best practice for handling and transmitting data including
  - Robust encryption of the data
  - Anonymization of the data
  - Limiting access and use of the data

## Continued ...

---

- Will require all third-party contractors with access to customer data to comply with SMC 21.49.095
- Provides an opt-out option for customers who do not wish to have an advanced meter
