

2018 Technology Matching Fund Recommendation

Seattle's Ongoing Commitment to Digital Equity

- The Technology Matching Fund (TMF) celebrates 21 years of supporting digital equity in Seattle
- \$4.6 million awarded to over 300 projects since 1997
- \$400,000 of City funding will support 12 new projects in 2018; matched by \$300,000 commitment from the award recipients

2018 Grant Application Process

- Conducted outreach via email, social media, community-based workshops and 1:1 technical assistance
- Received 46 applications requesting over \$1.69 million
- Evaluation of TMF applications by 17 reviewers, with assistance from the Community Technology Advisory Board
