<b>Amendment 1</b> Clarify appropriation of admission tax revenue  (CMs Herbold and Johnson)	Amend Section 1 as follows:  B. Admission tax revenue in the General Fund shall be annually appropriated: 1. <del>To</del> the Office of Arts and Culture to support the following purposes: <del>a1.</del> Arts-related programs and one-time capital expenditures that keep artists living, working, and creatively challenged in Seattle; <del>b2.</del> Initiatives and programs to build community through the arts and create opportunities for the public to intersect with artists and their work; and <del>c3.</del> Initiatives and programs that provide art opportunities for youth in and out of school; and 2. <u>For payment of the City's rent adjustment obligations to Seattle Arena Company, LLC or its permitted successors and assigns under the Lease Agreement (Arena at Seattle Center) between The City of Seattle and Seattle Arena Company, LLC, Attachment 1 to the ordinance introduced as Council Bill 119344 (as may be amended or modified in accordance with its terms) (the "Arena Lease"), and only to the extent that such annual appropriation does not exceed the total admission tax revenues generated through operations of the arena at the Seattle Center for that calendar year, minus the amount of the Rent Adjustment Threshold for Admission Tax revenues identified in Article III, Section 6 of the Arena Lease.</u>	Makes clear that the new option for use of admission tax revenues would apply <u>only</u> to (a) the lease agreement for the Seattle Center arena (and not other contracts with arts/sports/cultural opportunities organizations; and (b) only with respect to those admission taxes generated through operations of the new arena.  Allows Council to use some of the new admissions tax money from arena operations for rent adjustment payments, while reserving the first \$1.3 million in admission tax revenue generated at the arena (plus all other admission tax revenues in the City) to be appropriated to the Office of Arts and Culture.
