Budget Action description:
This green sheet would add the following proviso to the Seattle Department of Transportation's (SDOT's) budget:

> "Of the appropriations in the 2019 budget for the Seattle Department of Transportation's Major Maintenance/Replacement BSL, $1.5 million is appropriated solely for the Bridge Rehabilitation and Replacement CIP project (MC-TR-C045) to study, design and implement pedestrian and bicycle safety improvements at the intersection of W. Emerson St./15th Ave. W. and may be spent for no other purpose."

This intersection was identified as a priority for improvement through SDOT's Bridge Safety Analysis and engagement with stakeholders, including the Seattle Bicycle Advisory Board.
