Budget Action Description:

This Budget Action adds \$55,000 GF to the Human Services Department (HSD) to support education work focused on the African American diaspora discussing HIV/AIDS and chronic illnesses, such as work by African Americans Reach and Teach Health. The education work will seek to address fixed, cultural, and traditionally held beliefs about HIV/AIDS and other chronic health conditions and provide impacted individuals with skills to better manage their health and work with their health care provider. This work will be conducted in collaboration with community clinics, community-based organizations, senior services and residential housing facilities, and HSD's Division of Aging and Disability Services.

The funds provided will support this work through the end of 2020.
