Statement of Legislative Intent:

Council requests that the Seattle Department of Transportation (SDOT) and the City Budget Office (CBO) provide a report on the schedule and status of third party funding discussion with Sound Transit on the West Seattle and Ballard Link Extension project.

Through Sound Transit's environmental process, the Sound Transit Board has identified Preferred Alternatives for the Sound Transit project with third party funding. Sound Transit intends to release a Draft Environmental Impact Statement for the project in 2020. Council requests that SDOT and CBO report on the process and schedule for the City to discuss third party funding options with Sound Transit, including identifying key decision points and summarizing funding discussions to date.

Council requests that SDOT and CBO report to the Sustainability and Transportation Committee (or successor committee) and the Central Staff Director by July 1, 2020.
