7	L	Strauss	Increase 2021 allocation of funds to replenish reserve funds	This amendment increases the allocation of funds that will be needed in 2021 to replenish the reserve funds reduced in 2020 to support the spending authorized in the COVID Relief bill (CB 119812). This would increase the total amount to \$96 million in 2021 to replenish funds and reduce the other categories of spending and reduces the funding available in 2021 for continuity of services and extending funding for the 2020 COVID relief programs and services. This amendment is only needed if Amendment 3 to CB 119812 is adopted.
8 <sup>1</sup>	M	Herbold & Mosqueda	Affordable Homeownership	This amendment allocates 5% of the funds under “Housing and Services” to investments in permanently affordable homeownership programs serving households with incomes up to 80% of area median income and decreases by 5% the funds allocated for affordable rental housing investments. These investments would be prioritized to affirmatively further fair housing and to address past discriminatory policies and practices.
9 <sup>1</sup>	N	Sawant	Modify proposed distribution of spending	This amendment: - Increases the allocation of funds for the “Housing and Services” spending category from 60% to 68% and decreases the allocation of funds for the “Economic Revitalization” spending category from 17% to 9%. - Modifies the allocation of funds under the Housing and Services spending category to increase the amount directed to create a new community fund. - Adds language that requires owners of housing funded from the community fund to affirmatively market and use community preferences for such housing. It also states a goal of funding of at least 1,000 affordable units in the Central District, as well as other impacted communities within the first 10 years.
10 <sup>1</sup>	O	Morales	Modify proposed distribution of spending	This amendment would increase the proposed investments in the Equitable Development Initiative in 2022 by 1% and decreases the proposed investments in the Economic Revitalization category by 1%,
