**CITY OF SEATTLE**  
**ORDINANCE** 126148  
**COUNCIL BILL** 119825

AN ORDINANCE related to the City’s response to the 2020 COVID-19 crisis; amending Ordinance 126000, which adopted the 2020 Budget; changing appropriations to various departments and budget control levels, and from various funds in the Budget; imposing a proviso; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. The City Council (“Council”) finds and declares:

A. In the exercise of The City of Seattle’s (“City”) police powers, the City may pass regulations designed to protect and promote public peace, health, safety, and welfare.

B. On January 24, 2020, the Seattle Office of Emergency Management announced that the first reported case in Washington and in the United States of novel coronavirus (COVID-19) occurred in Snohomish County.

C. On February 28, 2020, Public Health—Seattle and King County announced the first King County and United States death due to COVID-19 at Evergreen Hospital in Kirkland, Washington.

D. On February 29, 2020, Washington Governor Jay Inslee declared a state of emergency in response to new cases of COVID-19, directing state agencies to use all resources necessary to prepare for and respond to the outbreak.

E. On March 3, 2020, Mayor Jenny Durkan issued a proclamation of civil emergency in response to new cases of COVID-19, authorizing the Mayor to exercise the emergency powers necessary for the protection of the public peace, safety, and welfare.

1 F. On March 11, 2020, Governor Inslee amended the February 29 emergency order to  
2 prohibit gatherings of 250 people or more for social, spiritual, and recreational activities  
3 including, but not limited to, community, civic, public, leisure, faith-based, or sporting events;  
4 parades; concerts; festivals; conventions; fundraisers; and similar activities.

5 G. On March 13, 2020, Governor Inslee amended the emergency order to close all schools  
6 in King, Snohomish, and Pierce Counties through April 24, 2020, to apply statewide.

7 H. On March 13, 2020, the U.S. President declared that the COVID-19 outbreak  
8 constituted a national emergency.

9 I. On March 16, 2020, Governor Inslee mandated the immediate two-week closure of all  
10 restaurants, bars, and entertainment and recreational facilities, and amended the emergency order  
11 to prohibit gatherings of 50 people or more.

12 J. On March 23, 2020, Governor Inslee announced a “Stay Home, Stay Healthy” order  
13 that required that all non-essential businesses be closed and banned all gatherings for two weeks.  
14 On April 2, 2020, Governor Inslee extended the order until May 4, and on May 1, Governor  
15 Inslee extended that order until May 31.

16 K. The City of Seattle’s 2020 Budget was adopted in late 2019, before the impacts of the  
17 COVID-19 emergency could be anticipated.

18 L. The impacts of the COVID-19 emergency include a severe local, state, national, and  
19 global economic recession, all of which impact the City’s revenue streams. As a result, it is  
20 necessary for the City to revisit and adjust the 2020 Budget to reflect the new economic reality.

21 M. Because of the long-lasting financial impacts of the COVID-19 public health  
22 emergency and the City’s response to it, the City will not have sufficient resources to meet the  
23 2020 Budget as adopted in November 2019 and must revise its 2020 Adopted Budget to reflect

1 the significant decrease in revenues and increased expenditures to combat the spread of COVID-  
 2 19.
