WHEREAS, Ordinance 126148 makes immediate changes to the funding available to support in-house staff in HSD who are involved in homeless outreach and engagement services either directly or indirectly; and

WHEREAS, as of March 17, 2020, during the period of civil emergency in response to new cases of COVID-19, the Mayor halted encampment removals except under extreme circumstances that included situations where “living structures completely block the entire sidewalk, living structures prohibit safe entry and exit from a building or use of a

3 sidewalk or bike lane, presenting fire or safety hazards to infrastructure (i.e. freeway
4 supports/bridges), blocking entry or exit to a building, or being located in a play area; and

5 WHEREAS, there may be circumstances in which moving people is necessary, even in a
