| 2      | ORDINANCE 126293  |
| 3      | COUNCIL BILL <u>120001</u>  |
| 4      |   |
| 5      | AN ORDINANCE relating to land use regulation of home occupations; adopting interim  |
| 6<br>7 | regulations to allow home occupation businesses to operate with fewer limitations during the COVID 10 givil emergency emending Seattle Municipal Code Section 23 42 050 |
| 8      | the COVID-19 civil emergency, amending Seattle Municipal Code Section 23.42.050, and adopting a work plan.  |
| 9      |   |
| 10     | BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:   |
| 11     | Section 1. The City Council finds and declares that:  |
| 12     | A. On February 29, 2020, Governor Inslee proclaimed a State of Emergency for all  |
| 13     | counties throughout the State of Washington as a result of the confirmed person-to-person spread  |
| 14     | of COVID-19 in Washington State.  |
| 15     | B. The COVID-19 disease, caused by a coronavirus that spreads easily from person to   |
| 16     | person and which may cause serious injury and death, has spread throughout King County and  |
| 17     | the City of Seattle.  |
| 18     | C. On March 3, 2020, Mayor Durkan issued a Proclamation of Civil Emergency  |
| 19     | declaring a civil emergency within the City of Seattle based on the confirmed spread of COVID-  |
| 20     | 19 in King County and resulting deaths.   |
| 21     | D. In recognition of the danger that hospitals may become overwhelmed with COVID-19   |
| 22     | patients unless the spread of the disease is slowed, on March 23, 2020, Governor Inslee imposed   |
| 23     | a stay-home order throughout Washington State prohibiting all people in the State from leaving  |
| 24     | their homes or participating in gatherings with only limited exceptions for participating in  |
| 25     | essential activities or essential business services. While the order initially was for a term of two  |
| 26     | weeks, the Governor has issued subsequent orders limiting business and economic activity to   |

E. Limitations on business and economic activity disproportionately impact small businesses, which are less likely to have financial reserves to withstand extended periods of closure or limited operations.

F. The changes in this ordinance are designed to allow small businesses, which may at one-time have operated out of a storefront or other commercially-leased location, to operate more easily out of a home. This is especially important given the length of time that the State shutdown order has been in place, because much in-person business activity continues to be limited.

G. Providing regulatory flexibility for home-based businesses, while maintaining some performance standards to mitigate neighborhood impacts associated with auto-oriented businesses, will keep more small businesses operating and speed the economic recovery once COVID-19 restrictions are lifted.

H. The City Council determines that the foregoing creates a basis for adopting interim 16 regulations under RCW 36.70A.390 which authorizes adoption of the ordinance without a required pre-adoption public hearing and a SEPA threshold determination. Following the standard process would delay the proposed changes for several months. During that period, for the reasons discussed above, more small businesses may fail leading to increased unemployment. 20 This would stymie the City's and region's recovery from the COVID-19 emergency.

21 I. The City has legal authority to establish interim measures pursuant to the authority 22 granted by Article 11, Section 11 of the Washington Constitution, the Growth Management Act, 23 RCW 36.70A.390, and Matson v. Clark County, 79 Wn. App. 641 (1995).
