Amend the appropriations in Section 6 of CB 120093 as follows:

6.26	Seattle Parks and Recreation	Coronavirus Local Fiscal Recovery Fund (14000)	Recreation Facility Programs (BO-PR-50000)	<del>\$1,400,000</del> <u>1,600,000</u>

Amend Subsections 8.G and 8.H of CB 120093 as follows:

G. Section 6, line 6.26: ~~\$1,400,000~~1,600,000 is allocated to Seattle Parks and Recreation (SPR) to support scholarships for child care services provided at SPR related facilities in the summer and fall of 2021, ~~and~~ to support the opening of eight wading pools, seven days a week, from the end of June to Labor Day of 2021, and to support the Rec’N The Streets program offering recreational activities and mobile playgrounds at parks and in neighborhoods across Seattle.

H. Section 6, line 6.27: ~~\$1,250,000~~1,050,000 is allocated to SPR to support enhanced maintenance and custodial cleaning efforts (e.g., litter collection, comfort station cleaning visits, etc.) at parks, community centers, and other facilities expected to see heavy use in the spring, summer, and early fall of 2021.

**Effect:** \$200,000 in federal funding to support the closure of Alki and Golden Garden beaches during the summer months is eliminated. \$200,000 in funding is provided to support SPR’s Rec’N The Streets program, which provides recreational activities and mobile playgrounds at parks and neighborhoods across the City. This proposed amendment will ensure that ARPA funds are not used to contract with the Seattle Police Department or outside organizations that provide armed security services for SPR’s security needs.
