Add \$1 million GF in one-time funding to HSD to expand mental and behavioral health services

**Effect:** This Council Budget Action would add \$1,000,000 GF in one-time funding to the Human Services Department (HSD) to increase mental health services available to Seattle residents. The increase in funding would support expansion of school-based mental and behavioral health services and County programs that could include: Mobile Crisis Teams, Crisis Solutions Center, Community Mental Health Clinics, Behavioral Health Response Teams, Designated Crisis Responders, and the Healthcare for the Homeless Network.
