Sponsor: Councilmember Mosqueda

Substitute version 2 of the legislation.

Effect: This amendment would adopt a substitute version 2 of Council Bill (CB) 120652 that would incorporate edits to align with King County’s companion legislation, such as:

- Amending the title of the ordinance to include reference to an amendment in Section 6.310.125,
- Removing reference to taxicab associations and taxicab licensees in Section 6.310.125,
- Cross-referencing certain definitions (i.e., for-hire vehicle, for-hire vehicle company, medallion, medallion system, taxicab, taxicab association, taximeter) to Section 6.311.040,
- Updating provisions to conform with state law (i.e., removing reference to requirement for state-issued driver’s licenses),
- Amending obsolete references to Chapter 6.310,
- Adopting consistent terminology and formatting, and
- Adding a severability clause.

Consistent with Washington State Constitution requirements, these amendments, including the amendment to the title, would not change the scope and object of the ordinance.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

..title

AN ORDINANCE relating to taxicabs and for-hire vehicles; separating and amending taxicab and for-hire vehicle industry regulations; adding a new Chapter 6.311 to the Seattle Municipal Code; and amending Sections 11.14.235 and 15.17.005 of the Seattle Municipal Code.

..body

WHEREAS, Seattle desires to comprehensively regulate for-hire transportation industries, including taxicabs and for-hire vehicles; and

WHEREAS, the City has implemented new policies over the last few years to help the operators of taxicabs and for-hire vehicles navigate the loss of business during the COVID pandemic and subsequent economic recession; and

WHEREAS, industry participants have requested legislation to modernize licensing and operating requirements and align them with the City's values of equity, fairness, shared prosperity, and transparency; and

WHEREAS, the City desires to allow for regional operation of all licensed taxicabs and for-hire vehicles, implement new taximeter technology, offer the option to apply for an enhanced for-hire driver's license, and convert all for-hire vehicles into taxicabs; and

WHEREAS, requiring transitional regional dispatch agencies or regional dispatch agencies to implement new taximeter technology could result in increased deductions for dispatch services that negatively impact a driver's ability to earn a living wage and capping such deductions at ten percent of the fare paid by the passenger could protect driver payments from unrestricted deductions for dispatch services and support a living wage; and

WHEREAS, the City is committed to ensuring that drivers benefit from new regulations and experience equitable opportunities for compensation within the for-hire transportation industry; and

WHEREAS, the City is a leader on establishing practices that support economic security, and contribute to a fair, healthy, and vibrant economy; and

WHEREAS, the City partners with King County to regulate the larger for-hire transportation industry and desires to maintain that partnership under common regulations in the future; and

WHEREAS, due to changes in state law governing the regulation of transportation network companies, establishing a new Seattle Municipal Code chapter to regulate taxicabs and for-hire vehicle and ~~modifying~~amending an existing Seattle Municipal Code chapter to regulate the transportation network ~~companies~~industry provides the best ~~articulates~~ approach to implement the City's objectives for these industries; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new Chapter 6.311 is added to the Seattle Municipal Code as follows:

CHAPTER 6.311 FOR-HIRE TRANSPORTATION – TAXICAB AND FOR-HIRE VEHICLES AND DRIVERS

6.311.010 Purpose

A. This Chapter 6.311 is an exercise of The City of Seattle's power to regulate the for-hire transportation industry. That exercise includes the power to license and regulate taxicabs, for-hire vehicles, taxicab and for-hire vehicle drivers, transitional regional dispatch agencies, and regional dispatch agencies. Some of its regulatory purposes are to increase the safety, reliability, cost-effectiveness, and economic viability and stability of privately operated for-hire vehicle and taxicab services within Seattle.

1 B. The obligation of complying with this Chapter 6.311 belongs to the licensee or
2 applicant for a license ~~within its scope.~~ Neither a provision of, nor a term used in, this Chapter
3 6.311 is intended to impose any duty whatsoever upon the City or any of its officers or
4 employees, for whom the implementation or enforcement of this Chapter 6.311 shall be
5 discretionary and not mandatory.

6 C. This Chapter 6.311 is not intended to be and shall not be construed to create or form
7 the basis for any liability on the part of the City or its officers, employees, or agents, for any
8 injury or damage resulting from the failure of a licensee or applicant for license to comply with
9 this Chapter 6.311, or by reason or in consequence of any act or omission in connection with the
10 implementation or enforcement of this Chapter 6.311 on the part of the City by its officers,
11 employees, or agents.

12 D. This Chapter 6.311 is intended to reduce regulatory complexity, promote equity and
13 innovation, improve transportation and integration of the for-hire transportation industry, and
14 ensure consumer protection and public safety. To fulfill these purposes, The City of Seattle:

15 1. Establishes reciprocal licensing privileges for King County medallion owners
16 to operate within Seattle. This reciprocity authorizes medallion owners to operate in both Seattle
17 and King County;

18 2. Establishes regional operating privileges for taxicab and for-hire vehicle drivers
19 licensed by King County to operate within Seattle. This license allows the driver to operate in
20 both Seattle and King County;

21 3. Consolidates the regulatory classifications of taxicabs and for-hire vehicles into
22 a single taxicab standard. When a for-hire vehicle transitions to a taxicab, any reciprocal
23 operating privilege will follow the vehicle;

4. Consolidates the regulatory classifications of taxicab associations and for-hire vehicle companies into a single, regional dispatch agency license that is subject to a common set of operating rules and standards;

5. Establishes regional licensing privileges for taxicab associations and for-hire vehicle companies licensed by King County to operate in Seattle. When a taxicab association or for-hire vehicle company transitions to a regional dispatch agency, the regional license will follow; and

6. Establishes a requirement for each regional dispatch agency to adopt a smart taximeter system.

6.311.020 Scope

A. This Chapter 6.311 applies to taxicab associations, for-hire vehicle companies, taxicabs, for-hire vehicles, and drivers of those vehicles. Chapter 6.310 applies to transportation network companies, transportation network company drivers, and transportation network company vehicles. ~~References to transportation network companies, transportation network company drivers, or transportation network company endorsed vehicles remain in Chapter 6.310 because RCW 46.72B.190 constrains The City of Seattle from amending ordinances or regulations related to transportation network companies, transportation network company drivers, or transportation network company endorsed vehicles after January 1, 2022.~~ In the event of a conflict between this Chapter 6.311 and Chapter 6.310, this Chapter 6.311 controls.

B. This Chapter 6.311 is not intended to regulate limousines and is consistent and compliant with chapter 46.72A RCW.

C. This Chapter 6.311 is not a part of the New License Code (Subtitle IV of Title 6).

6.311.030 Council approval of agreements

~~The Director may enter into agreements with any other city, town, county, or port district for the joint regulation of for hire and taxicab drivers in a manner consistent with the provisions of this Chapter 6.311; however, no such agreement shall be made without prior approval of the City Council by ordinance. Agreements may provide for, but are not limited to, the granting, revocation, and suspension of taxicab and for hire driver licenses, or the sharing of enforcement responsibilities.~~

The Mayor or designee may execute an interlocal agreement with King County for the purposes of coordinating and consolidating the regulation of the for-hire transportation industry under this Chapter 6.311.

6.311.380 Rates

A. Regional taximeter rates ~~are in this subsection 6.311.380.A~~ and the requirements for taximeter rates are as follows.

1. Unless specified elsewhere in this Section 6.311.380 or prescribed by the Director by rule, it shall be unlawful for anyone operating a taxicab licensed by The City of Seattle to advertise, charge, demand, or receive any greater or lesser rate than the following regional taximeter rates:

- b. Per mile: For each 1/9 mile or fraction thereof after the first 1/9 mile: \$0.30;
- c. For every one minute of waiting time: \$0.50, charged at \$0.30 per 36 seconds. Waiting time rates are charged when taxicab speed is less than 11 miles per hour or when a taxicab driver is asked to wait for the ~~customer~~ passenger; and

d. Additional per passenger charge for more than two persons, excluding children under 12 years of age: \$0.50;

2. The Director may adjust or prescribe new regional taximeter rates and other rates, such as minimum fares for trips, or both, by rule. In determining new regional taximeter rates, the Director may consider, among other things, the following factors:

a. Operational data supplied by a regional dispatch agency or data obtained by the Director through other sources, including, but not limited to, regional consumer price index data;

b. The public's need for adequate for-hire transportation services at reasonable rates consistent with the provision, maintenance, and continuation of such services;

c. The rates of other for-hire transportation providers operating in similar areas;

d. Rates paid by passengers using other modes of transportation;

e. The ability of a driver to earn a living wage after covering all operating costs incurred by the owner and driver;

f. Other regulatory, access, or similar fees paid by drivers to serve the transportation needs of the region; and

g. Alignment with rates established by King County.

3. Regional taximeter rates are exclusive of any per-trip fee established by the Port of Seattle and set forth in any operating agreement or tariff, a temporary fuel surcharge authorized by the Director, a technology fee authorized by the Director, a convenience fee for electronic payment of fares, the wheelchair accessible surcharge, or any toll or charge established for roads, bridges, tunnels, or ferries;

4. A regional dispatch agency's affiliated taxicabs shall have regional taximeter rates programmed into its smart taximeter system. Variations from regional taximeter rates are permitted, as follows:

a. Variations from regional taximeter rates may be applied to contract trips, upfront fares, dynamic pricing, fare splitting, trip bidding, and unless prohibited by the Director by rule, for flat-rate fares, minimum trip fares, or when operating on an application dispatch system;

b. The Director may prescribe by rule variations from regional taximeter rates;

c. Unless prescribed otherwise by the Director by rule, any variation from regional taximeter rates shall be established by a regional dispatch agency and not by an individual driver. A regional dispatch agency shall not vary a rate so that it results in a higher dispatch fee or other fee to be paid by an affiliated driver;

d. Variations from regional taximeter rates shall be applied in a manner that does not discriminate on the basis of a protected class within the scope of discrimination as defined in Chapter 14.06.020, or on the basis of the ride's geographic beginning or endpoints;

e. Unless a trip is dispatched via an application dispatch system, an upfront fare shall be based on the estimated time and distance calculated by the smart taximeter and multiplied by the regional taximeter rate. If the passenger rejects the upfront fare, the regional taximeter rates apply; and

f. If a flat rate between two defined points has been established, the flat rate shall be made available to the passenger prior to accepting a ride. Regional dispatch agencies

must maintain a list of all established flat rates, including their defined origin and destination points, and make such list available for inspection upon request of the Director;

5. Contract rates shall be in writing, be retained by the regional dispatch agency, and be available for inspection upon request of the Director; ~~and~~

6. Before a licensee may use a smart taximeter system that is integrated with an application dispatch system, the Director must first determine the application dispatch system rates are transparent under subsection 6.311.380.B.

B. ~~Application~~ The requirements for application dispatch system rates are ~~in this subsection 6.311.380.B.~~ as follows:

1. Before using an application dispatch system, or using a smart taximeter system as an application dispatch system, the transitional regional dispatch agency or regional dispatch agency shall provide to the Director either written documentation or a physical demonstration, or both, that the application dispatch system rate structure is transparent to the passenger prior to confirming the ride. Application dispatch system rates do not need to be filed with the Director unless ~~this Chapter 6.311 specifies otherwise requested by the Director.~~ The Director shall determine that the rate structure is transparent if:

a. One of the following methodologies is used:

1) The rate by either distance or time, or a combination of distance and time, and the total fare or fare range is clearly displayed on the application dispatch system to the passenger upon requesting a ride, but before confirming the ride; or

2) The fare for the ride is made clear to the passenger prior to confirming the ride through an alternative method deemed acceptable by the Director; and

b. Any additional or higher charges such as tips, waiting time, tolls, or any other charges not included in subsections 6.311.380.B.1.a.1 and 6.311.380.B.1.a.2 shall be clearly identified by specific amount, if known, or by category, on the application dispatch system before confirming a ride; and

c. The receipt showing all charges paid by the ~~customer~~passenger is available to the regional for-hire driver in the application dispatch system; ~~and-~~

2. During an abnormal disruption of the market, lasting for no longer than 12 consecutive hours in Seattle, a transitional regional dispatch agency or regional dispatch agency shall not raise its normal range of fare more than two times the fare that would otherwise be applicable.

C. ~~For~~The requirements for for-hire vehicle rates are in this subsection 6.311.380.C as follows:

1. For-hire vehicles must charge for service based on: a written contract; flat rate per trip or by zone; or by an hourly rate with minimum increments of 30 minutes. Flat charges by zone or hourly rate may vary by time of day. Zone boundaries shall be set by Director by rule and shall be consistent across all for-hire vehicle operators; ~~;~~

2. Records of all for-hire vehicle rates in place prior to implementing a smart taximeter system shall be maintained by the for-hire vehicle company and be made available for inspection upon request by the Director. All rates and charges shall be conspicuously available in the interior of the for-hire vehicle; ~~;~~

3. The for-hire vehicle rate structure shall remain in effect until the vehicle transitions to a taxicab or March 31, 2026, whichever occurs sooner. After March 31, 2026, all

for-hire vehicles shall have transitioned to taxicabs and are subject to the regional taximeter rates and application dispatch system rate requirements under this Chapter 6.311; ~~and~~.

4. If using an application dispatch system, the Director must first determine that the rates are transparent to the passenger under subsection 6.311.380.B.

D. If the Director establishes a minimum fare, ~~or~~ flat rate from one location to another location, or other rates, based on the factors identified in subsection 6.311.380.A.2, such minimum fare ~~or~~, flat rate, or other rate shall apply whether the trip originated via a taximeter, a smart taximeter, or, if specified by the Director, an application dispatch system.

E. Other rate and fare requirements are ~~in this subsection 6.311.380.E~~ as follows:

1. It is unlawful to charge additional fees for carrying individuals with disabilities and their equipment or to charge rates higher to passengers with a disability than are charged to other persons. To promote equitable access to for-hire transportation for persons with disabilities, and to ensure that wheelchair accessible vehicle service is reliably available at reasonable and predictable rates, the Director may prescribe by rule fares for wheelchair accessible trips or other conditions on the rates, fares, fees, and other surcharges, or both, for providing wheelchair accessible transportation services to persons with disabilities; ~~;~~

2. The Director is authorized to establish a fuel surcharge to the regional taximeter rate, ~~or~~ that can be added as an amount to the passenger's total fare; any time the price of fuel, as published by the American Automobile Association for the local area, exceeds a fuel surcharge trigger price established in accordance with a rule adopted by the Director. The surcharge shall be an amount necessary to recoup the increased fuel costs; ~~;~~

3. A toll or charge established for roads, bridges, tunnels, or ferries while passengers are being transported may be added to the passenger's total fare, if such charges are not already included in the calculation of the fare;

4. Discriminatory charges are prohibited. For the purposes of this subsection 6.311.380.E.4, "discriminatory charges" means policies or practices that result in higher charges or rates being applied to passengers belonging to a protected class within the scope of discrimination as defined in Section 14.06.020 compared to other passengers; and.

5. The Director may establish by rule the process and criteria associated with the Director's review and approval of a technology fee that is intended to help offset the cost of implementing, operating, and maintaining a smart taximeter system and that may be added to the fare for all trips subject to the regional taximeter rates in subsection 6.311.380.A.

6.311.390 Emerging for-hire transportation models

A. The Director may prescribe by rule the implementation of a discrete licensing program for emerging for-hire transportation models that do not fit within the parameters of this Chapter 6.311 or Chapter 6.310.

B. The Director shall determine whether a proposed business activity is an emerging ~~business type or a nontraditional business activity~~for-hire transportation model that falls outside the parameters of any existing license under this Chapter 6.311 or Chapter 6.310, and whether the proposed business activity presents potential risks to the public health, safety, and welfare such that, for the protection of the public, the activity must be regulated and licensed.

C. The Director may grant the applicant an emerging for-hire transportation license to operate in the proposed business activity on a pilot basis.

D. The emerging for-hire transportation license shall be renewed annually for a maximum of two years, after which the license shall expire. The emerging for-hire transportation license shall be a personal privilege and not property. The emerging for-hire transportation license shall not be transferrable to another location, person, or business entity.

E. The Director may attach conditions to the emerging for-hire transportation license as are reasonably required to protect the public health, safety, labor harmony, and welfare from risks including, but not limited to: adverse impact on public health; public safety; increased demand on government services; increased environmental impacts; or increased traffic or congestion in the public way. The Director may attach any such conditions when the emerging for-hire transportation license is issued, or the Director may attach, remove, or modify conditions at any time during the term of the ~~permit~~license, upon reasonable notice to the licensee.

F. The Director may determine at any time during the term of the emerging for-hire transportation license that the licensed business activity as conducted presents an unreasonable risk to public health and safety that cannot be mitigated, and may revoke the license, with or without prior notice. If a license is revoked, the licensee shall be given the opportunity to appear before the Director for an informal hearing to introduce any evidence to appeal the revocation before the revocation is effective or no later than ten days after the revocation is effective. The Director shall render a decision affirming or reversing the revocation within three business days after conclusion of the hearing. The decision of the Director is final.

G. If the Director determines that ~~a type of an~~ emerging ~~business~~for-hire transportation model that has been issued an emerging for-hire transportation license under a pilot program, should be regulated by ordinance, the Director shall convey the determination to the City Council prior to the expiration of the license. The license shall not be extended beyond two years

1 unless an ordinance regulating the emerging businessfor-hire transportation model is effective
2 and the emerging business-for-hire transportation model has obtained anythe necessary license
3 licenses required under that ordinance.

4 **6.311.400 ~~Consumer~~Passenger feedback**

5 The Director may establish, in conjunction with King County and the Port of Seattle, a shared
6 process to receive and, when appropriate, resolve consumerpassenger feedback and may
7 communicate the process to consumerspasseengers.

8 **6.311.410 For-hire transportation services complaint process**

9 A. Upon receiving a written complaint involving the conduct of a licensee, where the
10 conduct may be a violation of this Chapter 6.311, the Director shall review the complaint, and if
11 appropriate:

12 1. Issue a notice of complaint to the licensee, and if applicable, the affiliated
13 transitional regional dispatch agency or regional dispatch agency, advising them of the
14 allegations or allegations made in the complaint;

15 2. Require the licensee, and if applicable, the affiliated transitional regional

20 by the licensee and if applicable, the response submitted by the transitional regional dispatch
21 agency or regional dispatch agency representative; and

B. Failure to respond to a notice of complaint, either in writing or by contacting the issuing inspector, within 15 calendar days shall constitute a waiver of the licensee's and, if applicable, the affiliated agency's right to respond to the allegations in the written complaint and shall be prima facie evidence that the allegations are valid.

6.311.415 Exclusive driver representatives

A. The Director shall promulgate a commencement date no later than January 17, 2017.

B. The process of designating a QDR shall be prescribed by Director's rule. The designation of a QDR shall be based on, but not limited to, consideration of the following factors:

1. Registration with the Washington Secretary of State as a not-for-profit entity;
2. Organizational bylaws that give drivers the right to be members of the organization and participate in the democratic control of the organization; and
3. Experience in and/or a demonstrated commitment to assisting stakeholders in reaching consensus agreements with, or related to, employers and contractors.

C. An entity wishing to be considered as a QDR for for-hire drivers operating within the City must submit a request to the Director within 30 days of the commencement date or at a later date as provided in subsection 6.311.415.G. Within 14 days of the receipt of such a request, the Director will notify the applicant in writing of the determination. Applicants who dispute the Director's determination may appeal to the Hearing Examiner within ten days of receiving the determination. The Director shall provide a list of all QDRs to all driver coordinators.

1. An entity that has been designated as a QDR shall be required to establish annually that it continues to satisfy the requirements for designation as a QDR.

2. An entity that has been designated as a QDR and that seeks to represent the drivers of a driver coordinator shall notify the driver coordinator of its intent to represent those drivers within 14 days of its designation as a QDR. That notice may be provided by any means reasonably calculated to reach the driver coordinator, including by written notice mailed or delivered to a transportation network company or taxicab association representative at the mailing address listed with the City.

D. Driver coordinators who have hired, contracted with, partnered with, or maintained a contractual relationship or partnership with, 50 or more for-hire drivers in the 30 days prior to the commencement date, other than in the context of an employer-employee relationship, must, within 75 days of the commencement date, provide all QDRs that have given the notice specified in subsection 6.311.415.C.2 the names, addresses, email addresses (if available), and phone number (if available) of all qualifying drivers they hire, contract with, or partner with.

E. QDRs shall use driver contact information for the sole purpose of contacting drivers to solicit their interest in being represented by the QDR. The QDR may not sell, publish, or otherwise disseminate the driver contact information outside the entity/organization.

F. The Director shall certify a QDR as the EDR for all drivers contracted with a particular driver coordinator, according to the following:

1. 2 electronic means. The Director shall determine by rule the standards and procedures for
3 submitting and verifying statements of interest by qualifying drivers choosing an EDR.

4 a. The methods for submitting and verifying statements of interest by
5 qualifying drivers choosing an EDR may include, but not be limited to, signature verification,
6 unique personal identification number verification, statistical methods, or third party verification.

7 2. Within 30 days of receiving such statements of interest, the Director shall
8 determine if they are sufficient to designate the QDR as the EDR for all drivers for that particular
9 driver coordinator, and if so, shall so designate the QDR to be the EDR, except that, if more than
10 one QDR establishes that a majority of qualifying drivers have expressed interest in being
11 represented by that QDR, the Director shall designate the QDR that received the largest number
12 of verified affirmative statements of interest to be the EDR.

13 3. Within 30 days of receiving submissions from all QDRs for a particular driver
14 coordinator, the Director shall either certify one to be the EDR or announce that no QDR met the
15 majority threshold for certification.

16 G. If no EDR is certified for a driver coordinator, the Director shall, upon the written
17 request from a designated QDR or from an entity that seeks to be designated as a QDR,
18 promulgate a new commencement date applicable to that driver coordinator that is no later than
19 90 days after the request, provided that no driver coordinator shall be subject to the requirements
20 of this Section 6.311.415 more than once in any 12-month period. The QDR, any other entity
21 that seeks to be designated as a QDR, and the driver coordinator shall then repeat the processes
22 in subsections 6.311.415.C, 6.311.415.D, and 6.311.415.F.

23 H.

1 1. Upon certification of the EDR by the Director, the driver coordinator and the
2 EDR shall meet and negotiate in good faith certain subjects to be specified in rules or regulations
3 promulgated by the Director, including, but not limited to, best practices regarding vehicle
4 equipment standards; safe driving practices; the manner in which the driver coordinator will
5 conduct criminal background checks of all prospective drivers; minimum hours of work,
6 conditions of work, and applicable rules. The subjects to be specified in rules or regulations
7 promulgated by the Director shall not include the nature or amount of payments to be made by,
8 or withheld from, a driver coordinator to or by its drivers. If the driver coordinator and the EDR
9 reach agreement on terms, their agreement shall be reduced to a written agreement. The term of
10 such an agreement shall be agreed upon by the EDR and the driver coordinator, but in no case
11 shall the term of such an agreement exceed four years.

12 2. After reaching agreement, the parties shall transmit the written agreement to the
13 Director. The Director shall review the agreement for compliance with the provisions of Chapter
14 6.311, and to ensure that the substance of the agreement promotes the provision of safe, reliable,
15 and economical for-hire transportation services and otherwise advance the public policy goals set
16 forth in this Chapter 6.311 and in the Preamble to and Section 1 of Ordinance 124968. In
17 conducting that review, the record shall not be limited to the submissions of the EDR and driver
18 coordinator nor to the terms of the proposed agreement. The Director shall have the right to
19 gather and consider any necessary additional evidence, including by conducting public hearings
20 and requesting additional information from the EDR and driver coordinator. Following this
21 review, the Director shall notify the parties of the determination in writing, and shall include in
22 the notification a written explanation of all conclusions. Absent good cause, the Director shall
23 issue the determination of compliance within 60 days of the receipt of an agreement.

1 a. If the Director finds the agreement compliant, the agreement is final and
2 binding on all parties.

3 b. If the Director finds it fails to comply, the Director shall remand it to
4 the parties with a written explanation of the failure(s) and, at the Director's discretion,
5 recommendations to remedy the failure(s).

6 c. The agreement shall not go into effect until the Director affirmatively
7 determines its adherence to the provisions of Chapter 6.311 and that the agreement furthers the
8 provision of safe, reliable, and economical for-hire transportation services and the public policy
9 goals set forth in the Preamble to and Section 1 of Ordinance 124968.

10 3. Unless the EDR has been decertified pursuant to subsection 6.311.415.L or has
11 lost its designation as a QDR, the EDR and the driver coordinator shall, at least 90 days before
12 the expiration of an existing agreement approved pursuant to subsections 6.311.415.H.2.c or
13 6.311.415.I.4.c, meet to negotiate a successor agreement. Any such agreement shall be subject to
14 approval by the Director pursuant to subsection 6.311.415.H.2. If the parties are unable to reach
15 agreement on a successor agreement within 90 days after the expiration of an existing agreement,
16 either party must submit to interest arbitration upon the request of the other pursuant to
17 subsection 6.311.415.I, and the interest arbitrator's proposed successor agreement shall be
18 subject to review by the Director pursuant to subsections 6.311.415.I.3 and 6.311.415.I.4.

19 4. Nothing in this Section 6.311.415 shall require or preclude a driver coordinator
20 from making an agreement with an EDR to require membership of for-hire drivers in the EDR's
21 entity/organization within 14 days of being hired, contracted with, or partnered with by the driver
22 coordinator to provide for-hire transportation services to the public.

I. If a driver coordinator and the EDR fail to reach an agreement within 90 days of the certification of the EDR by the Director, either party must submit to interest arbitration upon the request of the other.

1. The interest arbitrator may be selected by mutual agreement of the parties. If the parties cannot agree, then the arbitrator shall be determined as follows: from a list of seven arbitrators with experience in labor disputes and/or interest arbitration designated by the American Arbitration Association, the party requesting arbitration shall strike a name. Thereafter the other party shall strike a name. The process will continue until one name remains, who shall be the arbitrator. The cost of the interest arbitration shall be divided equally between the parties.

2. The interest arbitrator shall propose the most fair and reasonable agreement concerning subjects specified in rules or regulations promulgated by the Director as set forth in subsection 6.311.415.H.1 that furthers the provision of safe, reliable, and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968. The term of any agreement proposed by the interest arbitrator shall not exceed two years. In proposing that agreement, the interest arbitrator shall consider the following criteria:

- a. Any stipulations of the parties;
- b. The cost of expenses incurred by drivers (e.g., fuel, wear and tear on vehicles, and insurance);
- c. The safety and equipment standards and rules applicable to other persons, whether employees or independent contractors, employed as for-hire or taxicab drivers in Seattle and its environs, as well as other comparably sized urban areas;

d. The hours and conditions of employment of other persons, whether employees or independent contractors, employed as for-hire or taxicab drivers in Seattle and its environs, as well as other comparably sized urban areas;

e. If raised by the driver coordinator, the driver coordinator's financial condition and need to ensure a reasonable return on investment and/or profit;

f. Any other factors that are normally or traditionally taken into consideration in the determination of hours, safety and equipment standards, rules, and conditions of employment; and

g. The City's interest in promoting the provision of safe, reliable, and economical for-hire transportation services and otherwise advancing the public policy goals set forth in Chapter 6.311 and in the Preamble to and Section 1 of Ordinance 124968.

3. The arbitrator shall transmit the proposed agreement to the Director for review in accordance with the procedures and standards set forth in subsection 6.311.415.H.2. With the proposed agreement, the arbitrator shall transmit a report that sets forth the basis for the arbitrator's resolution of any disputed issues. The Director shall review the agreement as provided in subsection 6.311.415.H.2.

4. In addition to the review provided for in subsection 6.311.415.I.3, a driver coordinator or EDR may challenge the proposed agreement on the following grounds: that the interest arbitrator was biased, that the interest arbitrator exceeded the authority granted by subsection 6.311.415.H and this subsection 6.311.415.I, and/or that a provision of the proposed agreement is arbitrary and capricious. In the event of such a challenge, the Director will provide notice to the driver coordinator and the EDR, allow the driver coordinator and the EDR the

1 opportunity to be heard, and make a determination as to whether any of the challenges asserted
2 should be sustained.

3 a. If the Director finds the agreement fulfills the requirements of
4 subsection 6.311.415.H.2, and that no challenges raised under this subsection 6.311.415.I.4
5 should be sustained, the Director will provide written notice of that finding to the parties and the
6 agreement will be deemed final and binding on all parties.

7 b. If the Director finds that the agreement fails to fulfill the requirements
8 of subsection 6.311.415.H.2, or that any challenge asserted under this subsection 6.311.415.I.4
9 should be sustained, the Director shall remand the agreement to the interest arbitrator with a
10 written explanation of the failure(s) and, at the Director's discretion, recommendations to remedy
11 the failure(s).

12 c. The agreement shall not go into effect until the Director affirmatively
13 deems the agreement final and binding pursuant to subsections 6.311.415.I.3 and 6.311.415.I.4.a.

14 d. A driver coordinator or EDR may obtain judicial review of the
15 Director's final determination rendered pursuant to this subsection 6.311.415.I.4 by applying for
16 a Writ of Review in the King County Superior Court within 14 days from the date of the
17 Director's determination, in accordance with the procedure set forth in chapter 7.16 RCW, other
18 applicable law, and court rules. The Director's final determination shall not be stayed pending
19 judicial review unless a stay is ordered by the court. If review is not sought in compliance with
20 this subsection 6.311.415.I.4.d, the determination of the Director shall be final and conclusive.

21 5. If either party refuses to enter interest arbitration, upon the request of the other,
22 either party may pursue all available judicial remedies.

J. During the term of an agreement approved by the Director under subsection 6.311.415.H or 6.311.415.I, the parties may discuss additional terms and, if agreement on any amendments to the agreement are reached, shall submit proposed amendments to the Director, who shall consider the proposed amendment in accordance with the procedures and standards in subsection 6.311.415.H.2. Any proposed amendment shall not go into effect until the Director affirmatively determines its adherence to the provisions of Chapter 6.311 and that it furthers the provision of safe, reliable and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968.

1. During the term of an agreement approved by the Director under subsection 6.311.415.H or 6.311.415.I, the Director shall have the authority to withdraw approval of the agreement if the Director determines that the agreement no longer adheres to the provisions of Chapter 6.311 or that it no longer promotes the provision of safe, reliable, and economical for-hire transportation services and the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968. The Director shall withdraw such approval only after providing the parties with written notice of the proposed withdrawal of approval and the grounds therefor and an opportunity to be heard regarding the proposed withdrawal. The Director's withdrawal of approval shall be effective only upon the issuance of a written explanation of the reasons why the agreement no longer adheres to the provisions of Chapter 6.311 or no longer furthers the provision of safe, reliable, and economical for-hire transportation services or the public policy goals set forth in the Preamble to and Section 1 of Ordinance 124968.

2. The Director shall have the authority to gather and consider any necessary evidence in exercising the authority provided by this subsection 6.311.415.J.

3. A driver coordinator shall not make changes to subjects set forth in subsection 6.311.415.H or specified in rules or regulations promulgated by the Director without meeting and discussing those changes in good faith with the EDR, even if the driver coordinator and EDR have not included terms concerning such subjects in their agreement.

K. A driver coordinator shall not retaliate against any for-hire driver for exercising the right to participate in the representative process provided by this Section 6.311.415, or provide or offer to provide money or anything of value to any for-hire driver with the intent of encouraging the for-hire driver to exercise, or to refrain from exercising, that right. It shall be a violation for a driver coordinator or its agent, designee, employee, or any person or group of persons acting directly or indirectly in the interest of the driver coordinator in relation to the for-hire driver to:

1. Interfere with, restrain, or deny the exercise of, or the attempt to exercise, any right protected under this Section 6.311.415; or

2. Take adverse action, including, but not limited to, threatening, harassing, penalizing, or in any other manner discriminating or retaliating against a driver, because the driver has exercised the rights protected under this Section 6.311.415.

L. Decertification. An Exclusive Driver Representative may be decertified according to the following:

1. The Director receives a petition to decertify an EDR no more than 30 days before the expiration of an agreement reached pursuant to this Section 6.311.415 or no less than three years after the agreement's effective date, whichever is earlier.

a. A decertification petition must be signed by ten or more qualifying drivers. The Director shall determine by rule the standards and procedures for submitting the decertification petition.

2. Once a petition has been accepted by the Director, the Director shall issue notice to the driver coordinator and the EDR of the decertification petition and promulgate a decertification date.

3. The driver coordinator shall have 14 days from the decertification date to transmit the list of qualifying drivers to the petitioners and the EDR.

4. Within 120 days of receiving the driver contact information, petitioners for a decertification will submit to the Director statements of interest from a majority of qualifying drivers from the list described in subsection 6.311.415.K.3. The statements of interest shall be signed and dated and shall clearly indicate that the driver no longer wants to be represented by the EDR for the purpose of collective bargaining with the driver coordinator. The Director shall determine by rule the standards and procedures for submitting and verifying the statements of interest of qualifying drivers.

5. Within 30 days of receiving such statements of interest, the Director shall determine if they are sufficient to decertify the EDR for that particular driver coordinator. The Director shall either decertify the EDR, or declare that the decertification petition did not meet the majority threshold and reaffirm that the EDR shall continue representing all drivers for that particular driver coordinator.

a. If an EDR is decertified for a particular driver coordinator, the process of selecting a new EDR may start according to the process outlined in subsection 6.311.415.G.

3. Timely request in writing a hearing to appeal, by disputing the commission of the violation, and providing an address to which notice of the hearing may be sent.

D. The Director's license action is final unless the person cited timely requests in writing a hearing to appeal the license action and provides an address to which notice of such hearing may be sent.

E. If requesting a hearing, a response to a citation or license action must be received by the Hearing Examiner no later than 24 calendar days after the date the citation is served. When the last day of the appeal period so computed is a Saturday, Sunday, or holiday, the period shall run until 4:30 p.m. on the next business day. If a person fails to respond to a citation or license

1 action within 24 calendar days of service, the citation and monetary penalty or license action
2 shall become the final order of the Director and is unreviewable by the Hearing Examiner.

3 F.

4 ~~-1.~~ Appeals of license actions shall be heard by the Hearing Examiner of the
5 jurisdiction issuing the license action. The presiding Hearing Examiner shall decide the appeal
6 under the applicable portions of both the Seattle Municipal Code and the King County Code. The
7 City Hearing Examiner is bound by any interpretation of the applicable King County Code by
8 the King County Hearing Examiner in a license action appeal. The City Hearing Examiner shall
9 forward all decisions made under this subsection F to the King County Hearing Examiner within
10 ten business days of issuing the decision.

11 2. Appeals of citations shall be heard by the Hearing Examiner of the jurisdiction
12 issuing the citation, and the City Hearing Examiner shall decide the appeal under the Seattle
13 Municipal Code.

14 3. The hearing for either a license action or a citation shall be held within 45
15 calendar days after written response is received by the Hearing Examiner, except that hearings
16 for summary suspension shall be held within ten business days of the request, unless a later date
17 is agreed to by the person issued the license action. With the exception of summary suspension
18 hearings, notice of the time, place, and date of the hearing shall be sent to the address specified
19 in the request for hearing not less than ten calendar days before the hearing.

20 G. Hearings to appeal the citation or license action shall be conducted in accordance with
21 the procedures and rules of the Hearing Examiner. The issues heard at the hearing shall be
22 limited to those that are raised in writing in the response to the citation or license action and that
23 are within the jurisdiction of the Hearing Examiner. The Hearing Examiner may issue subpoenas

1 for the attendance of witnesses and the production of documents. The Director shall have the
2 burden of proving by a preponderance of the evidence both that the violation occurred and the
3 appropriateness of the remedy the Director has imposed.

4 H. A citation or license action shall not be deemed insufficient for failure to contain a
5 detailed statement of the facts constituting the specific violation that the person is alleged to have
6 committed or by reason of defects or imperfections, but only if the lack of detail, or the defects
7 or imperfections, do not prejudice substantial rights of the person. A citation or license action
8 may be amended before the conclusion of the hearing to conform to the evidence presented if
9 substantial rights of the affected person are not thereby prejudiced.

10 I. The certified statement or declaration authorized by chapter 5.50 RCW shall be prima
11 facie evidence that a violation occurred and that the person listed on the citation or license action
12 is responsible. The certified statement or declaration authorized under penalty of perjury and any
13 other evidence accompanying the report shall be admissible without further evidentiary
14 foundation. In cases where the person seeks to mitigate the citation, the person may explain the
15 circumstances surrounding the commission of the violation.

16 J. In cases where the person disputes the citation or license action, the person may rebut
17 the Director's evidence and establish that the violation or violations preceding the citation or
18 license action did not occur or that the person appealing the citation or license action is not
19 responsible for the violation.

20 J.K. In a mitigation hearing, the Hearing Examiner shall determine whether the person's
21 explanation justifies reduction of the monetary penalty. However, the monetary penalty may not
22 be reduced unless the Director affirms or certifies that the violation has been corrected prior to
23 the mitigation hearing. Factors that may be considered in whether to reduce the penalty include:

whether the violation was caused by the act, neglect, or abuse of another; or whether correction of the violation was commenced before the issuance of the citation but full compliance was prevented by a condition or circumstance beyond the control of the person cited. The Hearing Examiner shall enter an order finding that the person cited committed the violation and assess a monetary penalty.

~~KL~~. If the citation or license action is sustained at the hearing, the Hearing Examiner shall enter an order finding that the person committed the violation and impose the applicable monetary penalty or enter an order affirming the license action. The Hearing Examiner may reduce the monetary penalty of a citation in accordance with subsection 6.311.450.~~JK~~. If the Hearing Examiner determines that the violation did not occur, the Hearing Examiner shall enter an order dismissing the citation or denying the license action.

~~LM~~. Failure to appear for a requested hearing will result in the Hearing Examiner entering an order finding that the person committed the violation and assessing the penalty specified in the citation or finding that the person committed the violation and affirming the license action. For good cause shown and upon terms the Hearing Examiner deems just, the Hearing Examiner may set aside an order entered upon a failure to appear and schedule a new hearing date.

~~MN~~. If a license action involving a vehicle is upheld, and the vehicle is to be temporarily or permanently placed out of service, the Director shall initiate the temporary deactivation process authorized under this Chapter 6.311 and the licensee shall immediately surrender all applicable vehicle medallion plates or decals to the Director.

~~NO~~. The decision of the Hearing Examiner shall be final and conclusive unless judicial review is timely filed with the appropriate court.

1 ~~OP~~. The Hearing Examiner may affirm, modify, or reverse the decisions of the Director.

2 ~~PQ~~. The Director may contract with a third party to serve as the Hearing Examiner for
3 purposes of this Chapter 6.311, if done in conjunction with King County.

4 **6.311.460 Director's reports**

5 The Director shall issue a joint annual report with King County on the state of for-hire
6 transportation in the region on or before April 30 of each year, and the Director shall make the

3. Whether such action would improve the economic viability for drivers and vehicle owners; and

4. Whether such action would encourage and enable companies and agencies to innovate and improve customer service and increase access to for-hire transportation options.

C. The Director may establish rules either for taxicabs or for-hire vehicles or for both to operate when equipped with an automated driving system and may establish associated penalties.

Unless granted such authority by the Director by rule, ~~an autonomous~~ vehicle equipped with an automated driving system providing for-hire transportation services is prohibited from autonomous operation. A Director's rule granting such authority is subject to the following conditions:

1. The Director must obtain written concurrence in advance from the Directors of the Community Safety and Communications Center (CSCC), Seattle Department of Transportation

ATT 3 to Action 1 of CB 120656

Amendment A Version 1 to CB 120656 – For-Hire Interlocal Agreement

Sponsor: Councilmember Mosqueda

Substitute version 2 of the legislation and Attachment 1.

Effect: This amendment would adopt a substitute version 2 of Council Bill (CB) 120656 and Attachment 1 that would incorporate edits to align with King County’s companion legislation, such as:

- Amending the title of the ordinance to remove the Department of Finance and Administrative Services Director as the signatory to the agreement,
- Identifying the Mayor or designee as the signatory to the interlocal agreement for the City in the body of the ordinance and Attachment 1,
- Identifying the King County Executive or designee as the signatory to the interlocal agreement for the County in Attachment 1,
- Clarifying that the City and County will not enforce provisions in the other jurisdiction’s code that do have a corresponding provision in the respective City or County code,
- Removing unnecessary terms and provisions,
- Adopting consistent terminology and formatting.

Consistent with Washington State Constitution requirements, these amendments, including the amendment to the title, would not change the scope and object of the ordinance.

ATT 4 to Action 1 of Res 32097

Amendment A Version 3 to Resolution 32097 - LEG Industrial Transportation RES

Sponsor: Councilmember Strauss

Emphasize importance of designing for safer streets and consulting with SDOT's Advisory Committees

Effect: Resolution 32097 includes requests that the Seattle Department of Transportation (SDOT) consult with the Seattle Freight Advisory Board on issues related to industrial area transportation, and that they brief the Seattle Freight Advisory Board and the Seattle City Council when considering changes to Major Truck Streets that could result in reductions in the width or number of lanes along the truck street.

This amendment would ask SDOT to consult with all four of its modal advisory boards (the Seattle Freight Advisory Board, the Transit Advisory Board, Seattle Pedestrian Advisory Board, and Seattle Bicycle Advisory Board) on issues related to transportation in industrial areas. It would also clarify that when SDOT is developing plans for Major Truck Streets in industrial areas, or that connect Port facilities to highways, that those projects should be designed with safety as the top priority, and ensure safe, predictable and reliable travel for all modes, while not compromising freight mobility between the Port and highways. References to through traffic are removed.

Amend Section 1 of Resolution 32097, as follows:

Section 1. The Seattle Department of Transportation (SDOT), Department of Construction and Inspections (SDCI), Office of Planning and Community Development (OPCD), and Office of Economic Development (OED) are requested to work collaboratively with the City's regional transportation partners including Sound Transit, the Port of Seattle and the Northwest Seaport Alliance, Seattle Freight, Bicycle, Pedestrian, and Transit Advisory Boards, railroads, industrial trade unions, representatives of major Washington State agricultural commodities, property owners, and other stakeholders in the industrial areas of the City to:

* * *

B. When a transportation project may result in the reduction in the number or width of lanes along a Major Truck Street within industrial zones or connecting Port facilities to highways, the Council requests that SDOT offers a briefing to the Seattle Freight, Bicycle, Pedestrian, and Transit Advisory Boards and the Seattle City Council's Transportation and Seattle Public Utilities Committee, or successor committee with purview over transportation issues, with a goal of demonstrating that adjacent land uses ~~and through traffic~~ will not be compromised. Transportation projects should be designed with safety as the top priority, ensuring predictable, reliable travel for all modes, and support Vision Zero while freight mobility between the Port and highways should not be compromised. All projects must improve safety for all, in accordance with Vision Zero best practices.

ATT 5 to Action 2 of CB 120643

Amendment B to CB 120643 – Commercial Lease Requirements

Sponsor: Councilmember Nelson

Delaying the bill's implementation date, changing reporting dates, correcting a drafting error, and clarifying the intended substance of reports

Effect: This amendment would delay CB 120643's implementation date until January 1, 2025, allowing for additional stakeholder engagement about its anticipated impacts. It would change the dates by which (1) the initial written report on the bill's implementation is requested, so that Council may consider making legislative changes based on stakeholder recommendations, and (2) the bill's requirements will be reviewed. It also inserts an acronym that was inadvertently omitted and clarifies that the initial report should be more substantive than subsequent annual reports.
