Council Chamber Listen Line: 206-684-8566

The City of Seattle encourages everyone to participate in its programs and activities. For disability accommodations, materials in alternate formats, accessibility information, or language interpretation or translation needs, please contact the Office of the City Clerk at 206-684-8888 (TTY Relay 7-1-1), CityClerk@Seattle.gov, or visit <https://seattle.gov/cityclerk/accommodations> at your earliest opportunity. Providing at least 72-hour notice will help ensure availability; sign language interpreting requests may take longer.

SEATTLE CITY COUNCIL
Select Budget Committee
Agenda
November 13, 2024 - 9:30 AM
Public Hearing

Meeting Location:

Council Chamber, City Hall, 600 4th Avenue, Seattle, WA 98104

Committee Website:

<http://www.seattle.gov/council/committees/budget>

This meeting also constitutes a meeting of the City Council, provided that the meeting shall be conducted as a committee meeting under the Council Rules and Procedures, and Council action shall be limited to committee business.

Members of the public may register for remote or in-person Public Comment and Public Hearing to address the Council. Details on how to provide Public Comment are listed below:

Remote Public Comment - Register online to speak during the Public Comment period and Public Hearing at the meeting at

<https://www.seattle.gov/council/committees/public-comment>

Online registration to speak will begin one hour before the meeting start time, and registration will end at the conclusion of the Public Comment period and Public Hearing. Speakers must be registered in order to be recognized by the Chair.

In-Person Public Comment - Register to speak on the Public Comment sign-up sheet located inside Council Chambers at least 15 minutes prior to the meeting start time. Registration will end at the conclusion of the Public Comment period and Public Hearing. Speakers must be registered in order to be recognized by the Chair.

Please submit written comments to all Councilmembers four hours prior to the meeting at Council@seattle.gov or at Seattle City Hall, Attn: Council Public Comment, 600 4th Ave., Floor 2, Seattle, WA 98104.

Please Note: Times listed are estimated

The Select Budget Committee is briefed on and discusses the suite of legislation pertaining to the 2025 and 2026 Proposed Budgets, including the Chair's Balancing Package and proposed amendments to the Balancing Package.

A. Call To Order

B. Approval of the Agenda

F. Adjournment

***Notice of Seattle City Council Public Hearing on the Memorial Stadium Redevelopment Project**

Seattle City Hall, Council Chambers
600 4th Avenue, Seattle, WA 98104
Wednesday, November 13, 2024, at 9:30 a.m.

The Seattle City Council's Select Budget Committee, chaired by Councilmember Dan Strauss, will conduct a public hearing on November 13, 2024, to solicit public comment on the Memorial Stadium Redevelopment Project.

The hearing will be held at Council Chambers and begin at 9:30 a.m. The hearing will continue until all those registered and present to provide public comment have participated. Individual comments will be limited to two minutes or less.

This hearing will be cablecast live on Seattle Channel 21 and webcast live at <https://www.seattle.gov/council/watch-council-live>.

Register to Speak at the Public Hearing

Members of the public may register for remote or in-person public comment to address the Select Budget Committee. Speakers must be registered to be recognized by the Chair. Details on registration are listed below:

1. Remote Public Comment - Register online to speak during the public hearing at <https://www.seattle.gov/council/committees/public-comment>. Registration to speak at the public hearing will begin one hour prior to the meeting. Registered remote speakers will receive an email confirmation detailing the remote process and phone number.
2. In-Person Public Comment - Register at Council Chambers to speak during the public hearing on the sign-up sheet at least 15 minutes prior to the meeting start time.

Written Public Comment

Written public comment for the November 13, 2024, public hearing, is accepted four hours prior to the meeting. Business hours are considered 8 a.m. to 5 p.m., Monday through Friday. The deadline is 4:30 p.m. the business day before a meeting with a start time of 9:30 a.m.

Mail written comments to:

Seattle City Council
Attn: Budget Public Comment
PO Box 34025
Seattle, WA 98124-4025
or email: Council@seattle.gov

All comments received are considered public records.

Memorial Stadium Redevelopment Project:

The Mayor's 2025-2026 Proposed Budget includes funding for the Memorial Stadium Redevelopment Project. This project may be considered a proposed City-Private Partner Project subject to notice and hearing provisions in Resolution 31203.

The Memorial Stadium Redevelopment Project will redevelop and enhance the stadium. The Seattle Public Schools (SPS) Building Technology Academics & Athletics (BTA V) levy approved by Seattle voters in February 2022 contains \$66.5 million for a basic student athletic stadium. Under a letter of intent signed by SPS and the City in October 2021 and a November 2022 Memorandum of Agreement, SPS and the City are collaborating on a plan for a new enhanced stadium. The new facility will transform the heart of Seattle Center with a state-of-the-art stadium that will serve SPS's needs for athletic events and graduations and be a major civic venue for arts, cultural, sports, and community events.

In June 2023, following a Request for Proposals, the Mayor and School Superintendent agreed to enter into negotiations with One Roof Stadium Partnership ("One Roof") to jointly develop an enhanced stadium. In 2024, Seattle Center, SPS, and One Roof reached an important milestone by aligning on key project terms. In addition to the \$66.5 million SPS levy money and \$3.95 million from the State capital budget, Seattle Center's 2025-2030 Proposed Capital Improvement Program includes the balance of the City's planned \$40 million contribution to the Memorial Stadium Redevelopment Project. One Roof will be responsible for private fundraising to generate the additional funding to complete the project.

Questions about the project can be directed to Adam Schaefer of the City Budget Office (email: adam.schaefer@seattle.gov; phone: 206-247-2735).

Information Available

The Mayor's 2025-2026 Proposed Budget and accompanying 2025-2030 Proposed Capital Improvement Program (CIP) are available online at <https://www.seattle.gov/city-budget-office>. To purchase a printed copy of the Proposed Budget or CIP, please contact Zebra Printing at (206) 223-1800.

For questions regarding the Mayor's 2025-2026 Proposed Budget and accompanying CIP, please contact Adam Schaefer of the City Budget Office (email: adam.schaefer@seattle.gov; phone: 206-247-2735). For information related to the Council's review of the Proposed Budget, CIP, and General Revenue Sources, please visit <https://www.seattle.gov/council/committees/budget> or contact Paddy Wigren, Central Staff Executive Assistant (email: paddy.wigren@seattle.gov or phone: 206-386-1381).

Request for Accommodations

Print communications, language access, translation requests, and other accommodations may be provided by contacting customer support at (206) 684-8888; or TTY Relay 7-1-1; or visit <https://seattle.gov/cityclerk/accommodations>. Every effort will be made to accommodate each request.

Agenda Items 2-5

Agenda Item 2

CB 120908 LEG Capital Gains Excise Tax ORD

(1/8)

Background

State capital gains excise tax :

- Adopted by Chapter 196, Laws of 2021, effective July 25, 2021
- 7 percent tax on the gains from sales of long-term assets above \$250,000 standard deduction (\$262,000 in Tax Year 2023)
- Tax proceeds deposited into Education Legacy trust Account and Common School Construction Account
- State Supreme Court upheld tax in *Quinn v. State of Washington*
- State collected \$840 million in first of the tax (2023) and \$371 million* in 2024

*As of May 2024.

CB 120908 – Capital Gains Excise Tax

(2/8)

- Same structure as the state tax, with different rate
- 2 percent excise tax on gains from the sale of non-exempt capital assets
- Deductions include:
 - \$262,000 standard deduction for single and joint filers
 - Any amounts prohibited from taxation under the state or federal constitution
 - Gains from the sale of a qualified family-owned small business
 - Up to \$105,000 of charitable donations above a \$262,000 minimum qualifying charitable deduction
 - Thresholds are inflated by CPI each year, consistent with state tax

CB 120908 – Capital Gains Excise Tax

(3/8)

- Gains from transactions involving the following capital assets are exempt:
 - Real estate
 - Retirement accounts
 - Condemnations
 - Livestock, commercial fishing, timber
 - Goodwill from auto dealership

Effective January 1, 2026, with first collections April 2027

Examples

(4/8)

Taxpayer 1: Sold \$1 million of stock in 2026 with original cost basis of \$700,000, for a total net capital gain of \$300,000

Value of stock sold:	\$1,000,000
<u>Cost basis of stock sold:</u>	<u>\$700,000</u>
Net Capital Gain (2026):	\$300,000
<u>Less: Standard Deduction</u>	<u>(\$262,000)</u>
Taxable Capital Gain	\$48,000
Tax due April 2027@2% rate	\$960

Examples

(5/8)

Taxpayer 2: Purchased a house in 2010 for \$200,000 and sold it in 2026 for \$1.2 million

Proceeds from house sale (2026):	\$1,200,000
----------------------------------	-------------

<u>Purchase price (2010):</u>	<u>\$200,000</u>
-------------------------------	------------------

Capital gain:	\$1,000,000
---------------	-------------

<u>Less: Exemption:</u>	<u>(\$1,000,000)</u>
-------------------------	----------------------

Taxable Capital Gain	\$0
----------------------	-----

Tax due April 2027@2% rate	\$0
----------------------------	-----

Revenue Estimate

(6/8)

- The City's Office of Economic and Revenue Forecasts estimated revenue range using state collections data from 2023, the State's forecast, and assumptions about Seattle's share of the state total, and taxpayer compliance/avoidance
- State forecast: \$445 million in 2027, representing 13% growth from 2024 and 4.5 percent annual growth thereafter
- Using this approach, Seattle 2027 revenues could range from \$16 million (lower Seattle share of state total, and higher taxpayer avoidance) to \$51 million (higher Seattle share of state total, lower taxpayer avoidance, and higher revenue growth)
- Revenue estimates would be further informed by state collections in 2025 and 2026.

Caveats and Risks

(7/8)

- State's 2023 tax collections were from by a very small number of taxpayers
 - State tax: 816 taxpayers had a Seattle address
 - 85 percent of the Seattle total was paid by 163 taxpayers
- Tax base largely consists of sales of equities, which are subject to stock market volatility
- Tax is based on where taxpayer is domiciled, making it potentially avoidable by residents with multiple Washington addresses
- Forecast Office indicates an unusually high degree of uncertainty in the estimate
- Annual revenue from the tax could fluctuate widely above and below the estimates

Budget Considerations

(8/8)

- Assuming a January 1, 2026, effective date, the first tax collections would be April 2027
- Finance and Administrative Service's implementation cost estimates:
 - One-time startup costs of \$1 million, and ongoing costs of \$1.2 million per year, for systems and staffing
 - 18-to-24-month implementation timeline
 - Actual costs determined through budget request
- Budget decisions that rely on this revenue source will be made in the context of this high level of uncertainty
- To accommodate the significant uncertainty associated with projected revenues, initial appropriations could be limited to the “bottom end” of the forecast range, or delayed until after the City receives its first actual revenue collections (April 2027)

Agenda Item 3

CB 120909 LEG Capital Gains Tax Use of Proceeds ORD

- Earmarks capital gains excise tax revenues from CB 120908 to:
 - Rental assistance to rent burdened households,
 - Down payment assistance to low, moderate, and workforce households; and,
 - Food assistance to food insecure households.
- States Council's intent to make more detailed spending allocations through either a resolution, or the annual budget process.

Agenda Item 4

CB 120911 LEG Seattle Channel Funding Plan ORD

- States the Council's intent to establish a dedicated and ongoing funding plan for the Seattle Channel, including the following sources:
 - Cable Franchise Fees – at least 50%, but no less than \$1.7 million, of annual revenues
 - Seattle IT Cost Allocation – allocate expenditures in support of department priorities to those departments
 - General Fund – exclusively for the coverage of meetings, press conferences, and other public events of the Council and other City elected officials
- Requests the Executive present a funding plan and transmit any necessary legislation to the Council by September 3, 2025
- Anticipates that the Executive will utilize the recommendations of any advisory workgroups established to study the Seattle Channel

Agenda Item 5

CB 120912 Payroll Expense Tax Modifications ORD

(1/4)

Summary of Legislation

- Establishes eligible spending categories:

Administration	Green New Deal
Affordable Housing	Youth Mental Health and Violence Prevention*
Equitable Development Initiative	General Fund
Economic Development and Revitalization	Contributions to Revenue Stabilization Account

**Youth Mental Health and Violence Prevention remains an eligible use until an alternative funding source that is sufficient to provide funding equal to the amount appropriated from the JumpStart Payroll Expense Tax Fund for these purposes in the 2025 Adopted Budget is identified and implemented*

- Sets the following percentage allocation as guidelines, but not binding constraints, on the total funding allocated to the original JumpStart priorities:

Administration – 5%	Green New Deal – 9%
Affordable Housing – 62%	
Equitable Development – 9%	
Economic Dev. and Revitalization – 15%	

CB 120912 Payroll Expense Tax Modifications ORD (2/4)

Summary of Legislation - Continued

- Establishes a formal Revenue Stabilization Account (RSA) within the JumpStart Fund:
 - Target balance set at 10% of forecast revenues
 - Target is to be reached within 4 years
 - Until target is reached, 50% of any unanticipated year-end JumpStart Fund will be transferred to the RSA
 - Withdrawals to be made only when current year revenues drop below forecast assumed in the Adopted Budget, or forecasts for the next year decline relative to the Proposed Budget
- Eliminates the JumpStart Oversight Committee:
 - The nine-member committee was created to provide oversight of JumpStart spending and to assess the tax's impact on the local economy
 - Council appointed five members a year ago, but the Executive has never submitted nominees and the Committee has never met
- Removes the 2040 sunset date on the JumpStart Payroll Expense Tax

CB 120912 Payroll Expense Tax Modifications ORD (3/4)

Potential Amendments

Councilmember Morales:

1. Preserve the Payroll Tax Oversight Committee

- When the JumpStart Payroll Tax was first authorized, the City established a nine-person Oversight Committee to provide *“oversight on the services and programs supported by the tax. . . and its impacts on the number of jobs and businesses in the City”*.
- In October 2023, the City Council appointed five members to the Committee. The Executive has never submitted candidates for appointment and the Committee has not met.

2. Starting in 2027, limit GF support to 20% of total JumpStart Payroll Tax proceeds, and allocate remaining resources to the original JumpStart priorities, including Student Mental Health, and the Revenue Stabilization Account.

- This would increase the funding available for JumpStart priorities in 2027 by as much as \$136 million, from an anticipated ~\$250 million to ~\$386 million.
- By implication, this would increase the projected GF deficit by \$136 million, from ~\$100 million to ~\$236 million.

CB 120912 Payroll Expense Tax Modifications ORD (4/4)

Potential Amendments (cont.)

Councilmember Moore:

3. **Starting in 2027, limit GF support to 45% of total JumpStart Payroll Tax proceeds, and allocate the remaining resources exclusively for Affordable Housing**
 - In 2027, this amendment would provide as much as \$266 million of JumpStart funding for Affordable Housing.
 - Funding for the prescribed Revenue Stabilization Account would be provided by the “automatic” year-end transfer mechanism established in the proposed ordinance and transfers from the General Fund.
 - By implication, it would eliminate JumpStart funding for the other priorities and would also increase the GF deficit by ~\$16 million.

Proposed Items for Individual Vote

Agenda Items 40 – 42

Agenda Item 40

CB 120887 SDOT ST3 Material Change

Background

The Seattle Transit Measure was approved by voters in November 2020 and instituted a 0.15 percent sales tax for transit service and transit capital improvements. The tax expires on April 1, 2027. This legislation would authorize the use of Seattle Transit Measure revenue for City staffing in support of the Sound Transit 3 program, including delivery of the West Seattle Light Rail Extension and Ballard Light Rail Extension projects. The legislation would also authorize the use of Seattle Transit Measure revenue to provide funding contributions towards these projects. The 2025-2026 Proposed Budget proposes funding for City staffing but does not provide for direct funding contributions.

Amendment 1 to CB 120887 would remove reference to holding a public hearing, which was optional.

Agenda Item 41

CB 120893 CBO Participatory Budgeting Implementation ORD

CB 120893 would implement recommendations developed during the Participatory Budgeting process facilitated by the Seattle Office for Civil Rights. The legislation would appropriate a total of \$27.3 million in one-time General Fund dollars held in Finance General to five departments – CARE Department, Department of Neighborhoods (DON), Human Services Department (HSD), the Office of Planning and Community Development (OPCD), and Seattle Parks and Recreation (SPR) – to implement projects identified during the Participatory Budgeting process.

All amendments sponsored by CM Hollingsworth, co-sponsored by CM Moore and CM Woo.

#	Description
1v2	Appropriate \$4.69 million to the Office of Arts and Culture for arts and cultural grants focusing on historically marginalized communities and \$315,000 to HSD for youth activities, and impose provisos.
2	Appropriate \$3 million to the Office of Housing to increase homeownership retention in communities at high risk of displacement.
3	Proviso \$2.0 million to HSD to fund a young adult day center.
4	Modify bill recitals to reflect Council funding priorities.

CB 120905

CBO 2025 Budget Adoption ORD

Agenda item 42

Group A – Proposed Consent Amendment Package (presented on Oct 30)

Amendments 1-5: Office of Arts and Culture

(1/2)

#	CBA/SLI #	Title	Sponsor(s)

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE imposing an excise tax on the sale or exchange of certain capital assets in Seattle; adding a new Chapter 5.66 to the Seattle Municipal Code; and adding a new Section 5.45.050 to the Seattle Municipal Code.

WHEREAS, the Department of Housing and Urban Development considers households rent burdened if more than 30 percent of their income is spent on housing costs such as rent and utilities; and

WHEREAS, the Department of Housing and Urban Development considers households severely rent burdened if more than 50 percent of their income is spent on housing costs such as rent and utilities; and

WHEREAS, according to the Census Bureau's annual American Community Survey in 2023, 90,700 households or 44 percent of renter households in Seattle are rent burdened; and

WHEREAS, as of August 2024, United Way reported there were approximately 5,800 Seattle residents on the wait list for rental assistance; and

WHEREAS, United Way of King County estimated it would take \$10 million to clear its backlog of households waiting for rental assistance; and

WHEREAS, the city faces a significant lack of funding to support down payment assistance; and

WHEREAS, according to the Brookings Institution, Black Americans have a homeownership rate of 46.4 percent compared to 75.8 percent of white Americans; and

WHEREAS, owning a home is not just a dream but a critical step toward creating and preserving wealth that can be passed down through generations; and

WHEREAS, according to the US Census Bureau, King County had a 61.5 percent homeownership rate, while

Black residents had only a 28 percent homeownership rate; and

WHEREAS, homeownership is a key way to build intergenerational wealth and racial covenants, and redlining restricted the ability of nonwhite residents of Seattle to buy homes; and

WHEREAS, according to the Congressional Research Service, homeownership increases the tax base and encourages social and political involvement; and

WHEREAS, according to United Way of King County, 32 percent of Black and 26 percent of Latino adults experience food insecurity; and

WHEREAS, communities of color face disproportionate levels of poverty and food insecurity because of historic and systemic racism; and

WHEREAS, the Institute for Taxation and Economic Policy consistently ranks Washington State as one of the most unfair tax systems in the country, where lower-income residents pay a higher percentage of their household earnings for taxation; and

WHEREAS, Chapter 196, Laws of 2021, imposed a state excise tax on capital gains in excess of \$250,000, with exemptions for retirement accounts and real estate sales; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new Chapter 5.66 is added to the Seattle Municipal Code as follows:

Chapter 5.66 CAPITAL GAINS EXCISE TAX

5.66.010 Administrative provisions

All of the provisions contained in Chapter 5.55 shall have full force and application with respect to taxes imposed under the provisions of this Chapter 5.66 except as may be expressly stated to the contrary.

5.66.020 Definitions

The definitions contained in Chapter 5.30 shall be fully applicable to this Chapter 5.66 except as may be expressly stated to the contrary. The following additional definitions apply throughout this Chapter 5.66:

“Adjusted capital gain” means federal net long-term capital gain:

1. Plus any amount of long-term capital loss from a sale or exchange that is exempt from the tax imposed in this Chapter 5.66, to the extent such loss was included in calculating federal net long-term capital gain;

2. Plus any amount of long-term capital loss from a sale or exchange that is not allocated to Seattle under Section 5.66.090, to the extent such loss was included in calculating federal net long-term capital gain;

3. Plus any amount of loss carryforward from a sale or exchange that is not allocated to Seattle under Section 5.66.090, to the extent such loss was included in calculating federal net long-term capital gain;

4. Less any amount of long-term capital gain from a sale or exchange that is not allocated to Seattle under Section 5.66.090, to the extent such gain was included in calculating federal net long-term capital gain;

5. Less any amount of long-term capital gain from a sale or exchange that is exempt from the tax imposed in this Chapter 5.66, to the extent such gain was included in calculating federal net long-term capital gain.

“Capital asset” has the same meaning as provided by 26 United States Code (U.S.C.) Section 1221 and includes any other property if the sale or exchange of the property results in a gain that is treated as a long-term capital gain under 26 U.S.C. Section 1231 or any other provision of the Internal Revenue Code.

“Department” means the Department of Finance and Administrative Services.

“Domiciled” means a place where an individual has a true, fixed, and permanent home, to which the person intends to return after being away for temporary or transitory purposes, including but not limited to vacation, business assignment, educational leave, or military assignment.

“Federal net long-term capital gain” means the net long-term capital gain reportable for federal income tax purposes determined as if 26 U.S.C. Sections 55 through 59, 1400Z-1, and 1400Z-2 did not exist.

“Individual” means a natural person.

“Internal Revenue Code” means the United States Internal Revenue Code of 1986 (codified as Title 26 U.S.C.), as amended, as of the effective date of this ordinance, or such subsequent date as the Director may provide by rule consistent with the purpose of this Chapter 5.66.

“Long-term capital asset” means a capital asset that is held for more than one year.

“Long-term capital gain” means gain from the sale or exchange of a long-term capital asset.

“Long-term capital loss” means a loss from the sale or exchange of a long-term capital asset.

“Permanent place of abode” means a building or structure where an individual can live that the person permanently maintains, whether the person owns it or not, and is suitable for year-round use.

“Real estate” means land and fixtures affixed to land. “Real estate” also includes used mobile homes, used park model trailers, used floating homes, and improvements constructed upon leased land.

“Resident” means an individual:

1. Who is domiciled in Seattle during the taxable year, unless the individual:

- a. Maintained no permanent place of abode in Seattle during the entire taxable year;
- b. Maintained a permanent place of abode outside of Seattle during the entire taxable

year; and

- c. Spent in the aggregate not more than 30 days of the taxable year in Seattle; or

2. Who is not domiciled in Seattle during the taxable year but maintained a place of abode and was physically present in Seattle for more than 183 days during the taxable year.

For purposes of this definition, “day” means a calendar day or any portion of a calendar day. An individual who is a resident under this definition is a resident for that portion of a taxable year in which the individual was domiciled in Seattle or maintained a place of abode in Seattle.

“Seattle capital gains” means an individual’s adjusted capital gain, as modified in Section 5.66.050, for each return filed under this Chapter 5.66.

“Taxable year” means the taxpayer’s taxable year as determined under the Internal Revenue Code.

“Taxpayer” means an individual subject to tax under this Chapter 5.66.

5.66.030 Tax imposed-Rate

A. Beginning January 1, 2026, a capital gains excise tax is imposed on the sale or exchange of long-term capital assets. Only individuals are subject to payment of the tax.

B. The amount of the capital gains excise tax due shall be an individual’s Seattle capital gains, multiplied by two percent.

C. If an individual’s Seattle capital gains are less than zero for a taxable year, no tax is due under this Section 5.66.030 and no such amount is allowed as a carryover for use in the calculation of that individual’s adjusted capital gain, as defined in Section 5.66.020, for any taxable year. To the extent that a loss carryforward is included in the calculation of an individual’s federal net long-term capital gain and that loss carryforward is directly attributable to losses from sales or exchanges allocated to Seattle under Section 5.66.090, the loss carryforward is included in the calculation of that individual’s adjusted capital gain for the purposes of this Chapter 5.66. An individual may not include any losses carried back for federal income tax purposes in the calculation of that individual’s adjusted capital gain for any taxable year.

D. The tax imposed in this Section 5.66.030 applies to the sale or exchange of long-term capital assets owned by the taxpayer, whether the taxpayer was the legal or beneficial owner of such assets at the time of the sale or exchange. The tax applies when the Seattle capital gains are recognized by the taxpayer in accordance with this Chapter 5.66.

E. For the purposes of this Chapter 5.66:

1. An individual is considered to be a beneficial owner of long-term capital assets held by an entity that is a pass-through or disregarded entity for federal tax purposes, such as a partnership, limited liability company, S corporation, or grantor trust, to the extent of the individual’s ownership interest in the entity as reported for federal income tax purposes.

2. A nongrantor trust is deemed to be a grantor trust if the trust does not qualify as a grantor trust

for federal tax purposes, and the grantor's transfer of assets to the trust is treated as an incomplete gift under 26 U.S.C. Section 2511 and its accompanying regulations. A grantor of such trust is considered the beneficial owner of the capital assets of the trust for purposes of the tax imposed in this Section 5.66.030 and must include any long-term capital gain or loss from the sale or exchange of a capital asset by the trust in the calculation of that individual's adjusted capital gain, if such gain or loss is allocated to Seattle under Section 5.66.090.

5.66.040 Exemptions from the capital gains excise tax

The following are exempt from the capital gains excise tax:

A. All real estate transferred by deed, real estate contract, judgment, or other lawful instruments that transfer title to real property and are filed as a public record with the counties where real property is located;

B.

1. An interest in a privately held entity only to the extent that any long-term capital gain or loss from such sale or exchange is directly attributable to the real estate owned directly by such entity;

2.

a. Except as provided in subsections 5.66.040.B.2.b and 5.66.040.B.2.c, the value of the exemption under this subsection 5.66.040.B is equal to the fair market value of the real estate owned directly by the entity less its basis, at the time that the sale or exchange of the individual's interest occurs, multiplied by the percentage of the ownership interest in the entity that is sold or exchanged by the individual;

b. If a sale or exchange of an interest in an entity results in an amount directly attributable to real property and that is considered as an amount realized from the sale or exchange of property other than a capital asset under 26 U.S.C. Section 751, such amount must not be considered in the calculation of an individual's exemption amount under subsection 5.66.040.B.2.a;

c. Real estate not owned directly by the entity in which an individual is selling or exchanging the individual's interest must not be considered in the calculation of an individual's exemption amount under this subsection 5.66.040.B; and

3. Fair market value of real estate may be established by a fair market appraisal of the real estate or an allocation of assets by the seller and the buyer made under 26 U.S.C. Section 1060, as amended.

However, the City is not bound by the parties' agreement as to the allocation of assets, allocation of consideration, or fair market value, if such allocations or fair market value do not reflect the fair market value of the real estate. The assessed value of the real estate for property tax purposes may be used to determine the fair market value;

The value of the exemption under this subsection 5.66.040.B may not exceed the individual's long-term capital gain or loss from the sale or exchange of an interest in an entity for which the individual is claiming this exemption.

C. Assets held under a retirement savings account under 26 U.S.C. Section 401(k), a tax-sheltered annuity or custodial account described in 26 U.S.C. Section 403(b), a deferred compensation plan under 26 U.S.C. Section 457(b), an individual retirement account or individual retirement annuity described in 26 U.S.C. Section 408, a Roth individual retirement account described in 26 U.S.C. Section 408A, an employee defined contribution program, an employee defined benefit plan, or a similar retirement savings vehicle;

D. Assets pursuant to, or under imminent threat of, condemnation proceedings by the United States, the state or any of its political subdivisions, or a municipal corporation;

E. Cattle, horses, or breeding livestock if for the taxable year of the sale or exchange, more than 50 percent of the taxpayer's gross income for the taxable year, including from the sale or exchange of capital assets, is from farming or ranching;

F. Property depreciable under 26 U.S.C. Section 167(a)(1), or that qualifies for expensing under 26 U.S.C. Section 179;

G. Timber, timberland, or the receipt of Seattle capital gains as dividends and distributions from real estate investment trusts derived from gains from the sale or exchange of timber and timberland. "Timber" means forest trees, standing or down, on privately or publicly owned land, and includes Christmas trees and

short-rotation hardwoods. The sale or exchange of timber includes the cutting or disposal of timber qualifying for capital gains treatment under 26 U.S.C. Section 631(a) or (b);

H. Commercial fishing privileges. For the purposes of this subsection 5.66.040.H, “commercial fishing privilege” means a right, held by a seafood harvester or processor, to participate in a limited access fishery.

“Commercial fishing privilege” includes and is limited to:

1. In the case of federally managed fisheries, quota and access to fisheries assigned pursuant to individual fishing quota programs, limited entry and catch share programs, cooperative fishing management agreements, or similar arrangements; and

2. In the case of state-managed fisheries, quota and access to fisheries assigned under fishery permits, limited entry and catch share programs, or similar arrangements; and

3. In the case of state-managed fisheries, quota and access to fisheries assigned under fishery permits, limited entry and catch share programs, or similar arrangements; and

I. Goodwill received from the sale of an auto dealership licensed under chapter 46.70 RCW whose activities are subject to chapter 46.96 RCW.

5.66.050 Deductions from the capital gains excise tax

In computing tax for a taxable year, a taxpayer may deduct from the taxpayer’s Seattle capital gains:

A. A standard deduction of \$250,000 in 2022 dollars, as adjusted for inflation under the formula set forth in RCW 82.87.150, published annually on the website of the Washington State Department of Revenue on or before December 31 of the taxable year, per individual, or in the case of spouses or domestic partners, a combined standard deduction of \$250,000 in 2022 dollars, as adjusted for inflation under the formula set forth in RCW 82.87.150, published annually on the website of the Washington State Department of Revenue on or before December 31 of the taxable year, regardless of whether they file joint or separate returns;

B. Amounts that the City is prohibited from taxing under the Constitution of this state or the Constitution or laws of the United States;

C. The amount of adjusted capital gain derived from the sale or transfer of the taxpayer's interest in a qualified family-owned small business pursuant to Section 5.66.060; and

D. Charitable donations deductible under Section 5.66.070.

5.66.060 Qualifying family-owned small business deduction

In computing tax under this Chapter 5.66 for a taxable year, a taxpayer may deduct from their Seattle capital gains the amount of adjusted capital gain derived in the taxable year from the sale of substantially all of the fair market value of the assets of, or the transfer of substantially all of the taxpayer's interest in, a qualified family-owned small business, to the extent that such adjusted capital gain would otherwise be included in the taxpayer's Seattle capital gains. For purposes of this Section 5.66.060:

A. "Assets" means real property and personal property, including tangible personal property and intangible property.

B. "Family" means the same as "member of the family" in RCW 83.100.046.

C. "Materially participated" means an individual was involved in the operation of a business on a basis that is regular, continuous, and substantial. "Materially participated" shall be interpreted consistently with the applicable Treasury regulations for 26 U.S.C. Section 469, to the extent that such interpretation does not conflict with any provision of this Section 5.66.060.

D. "Qualified family-owned small business" means a business:

1. In which the taxpayer held a qualifying interest for at least five years immediately preceding the sale or transfer described in this Section 5.66.060;

2. In which either the taxpayer or members of the taxpayer's family, or both, materially participated in operating the business for at least five of the ten years immediately preceding the sale or transfer described in this Section 5.66.060, unless such sale or transfer was to a qualified heir; and

3. That had worldwide gross revenue of \$10,000,000 in 2022 dollars, as adjusted for inflation under the formula set forth in RCW 82.87.150, published annually on the website of the Washington State

Department of Revenue on or before December 31 of the taxable year, or less in the 12-month period immediately preceding the sale or transfer described in this Section 5.66.060.

E. “Qualified heir” means a member of the taxpayer’s family.

F. “Qualifying interest” means:

1. An interest as a proprietor in a business carried on as a sole proprietorship; or

2. An interest in a business if at least:

a. Fifty percent of the business is owned, directly or indirectly, by any combination of the taxpayer or members of the taxpayer’s family, or both;

b. Thirty percent of the business is owned, directly or indirectly, by any combination of the taxpayer or members of the taxpayer’s family, or both, and at least:

1) Seventy percent of the business is owned, directly or indirectly, by members of two families; or

2) Ninety percent of the business is owned, directly or indirectly, by members of three families.

G. “Substantially all” means at least 90 percent.

5.66.070 Additional deduction for charitable donations

A. In computing tax under this Chapter 5.66 for a taxable year, a taxpayer may deduct from their Seattle capital gains the amount donated by the taxpayer to one or more qualified organizations during the same taxable year in excess of the minimum qualifying charitable donation amount. For the purposes of this Section 5.66.070, the minimum qualifying charitable donation amount equals \$250,000 in 2022 dollars, as adjusted for inflation under the formula set forth in RCW 82.87.150, published annually on the website of the Washington State Department of Revenue on or before December 31 of the taxable year.

B. The deduction authorized under subsection 5.66.070.A may not exceed \$100,000 in 2022 dollars, as adjusted for inflation under the formula set forth in RCW 82.87.150, published annually on the website of the

Washington State Department of Revenue on or before December 31 of the taxable year.

C. The deduction authorized under subsection 5.66.070.A may not be carried forward or backward to another tax reporting period.

D. For the purposes of this Section 5.66.070:

1. “Nonprofit organization” means an organization exempt from tax under 26 U.S.C. Section 501(c)(3).
2. “Qualified organization” means a nonprofit organization, or any other organization, that is:
 - a. Eligible to receive a charitable deduction as defined in 26 U.S.C. Section 170(c); and
 - b. Principally directed or managed within Seattle.

5.66.080 Tax in addition to other license fees or taxes

The tax imposed by this Chapter 5.66 shall be in addition to any license fee or tax imposed or levied under any other law, statute, or ordinance whether imposed or levied by the City, the State, or other governmental entity or political subdivision.

5.66.090 Allocations of gains and losses

A. For purposes of the tax imposed under this Chapter 5.66, long-term capital gains and losses are allocated to Seattle as follows:

1. Long-term capital gains or losses from the sale or exchange of tangible personal property are allocated to Seattle if the property was located in Seattle at the time of the sale or exchange. Long-term capital gains or losses from the sale or exchange of tangible personal property are also allocated to Seattle even though the property was not located in Seattle at the time of the sale or exchange if:
 - a. The property was located in Seattle at any time during the taxable year in which the sale or exchange occurred or the immediately preceding taxable year;
 - b. The taxpayer was a resident at the time the sale or exchange occurred; and
 - c. The taxpayer is not subject to the payment of an income or excise tax legally imposed

on the long-term capital gains or losses by another taxing jurisdiction.

2. Long-term capital gains or losses derived from intangible personal property are allocated to Seattle if the taxpayer was domiciled in Seattle at the time the sale or exchange occurred.

B.

1. A credit is allowed against the tax imposed in Section 5.66.030 equal to the amount of any legally imposed income or excise tax paid by the taxpayer to another taxing jurisdiction on capital gains derived from capital assets within the other taxing jurisdiction to the extent such capital gains are included in the taxpayer's Seattle capital gains. The amount of credit under this subsection 5.66.090.B may not exceed the total amount of tax due under this Chapter 5.66, and there is no carryback or carryforward of any unused credits.

2. As used in this Section 5.66.090, "taxing jurisdiction" means a state of the United States other than the State of Washington, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any foreign country, or a political subdivision of the State of Washington, a state of the United States other than the State of Washington, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, or a foreign country.

5.66.100 Filing of returns

A. Except as otherwise provided in this Section 5.66.100 or RCW 82.32.080, taxpayers owing tax under this Chapter 5.66 must file, on forms prescribed by the Director, a return with the Department on or before the date the taxpayer's state capital gains excise tax return for the taxable year is required to be filed.

B. In addition to the Seattle return required to be filed under subsection 5.66.100.A, taxpayers owing tax under this Chapter 5.66 must file with the Department on or before the date the federal return is required to be filed a copy of the Washington State capital gains excise tax return along with all schedules and supporting documentation.

C. Each taxpayer required to file a return under this Section 5.66.100 must, without assessment, notice,

or demand, pay any tax due thereon to the Department on or before the date fixed for the filing of the return, regardless of any filing extension. The tax must be paid by forms as may be prescribed by the Director. If any tax due under this Chapter 5.66 is not paid by the due date, interest and penalties as provided in Section 5.66.140 apply to the deficiency.

D.

1. In addition to the Seattle return required to be filed under subsection 5.66.100.A, an individual claiming an exemption under Section 5.66.040 must file documentation substantiating the following:

- a. The fair market value and basis of the real estate held directly by the entity in which the interest was sold or exchanged;
- b. The percentage of the ownership interest sold or exchanged in the entity owning real estate; and
- c. The methodology, if any, established by the entity in which the interest was sold or exchanged, for allocating gains or losses to the owners, partners, or shareholders of the entity from the sale of real estate.

2. The Director may by rule prescribe additional filing requirements to substantiate an individual's claim for an exemption under Section 5.66.040.

E. If a taxpayer has obtained an extension of time for filing the federal income tax return for the taxable year, the taxpayer is entitled to the same extension of time for filing the return required under this Section 5.66.100 if the taxpayer provides the Department, before the due date provided in subsection 5.66.100.A, the extension confirmation number or other evidence satisfactory to the Department confirming the federal extension. An extension under this subsection 5.66.100.E for the filing of a return under this Chapter 5.66 is not an extension of time to pay the tax due under this Chapter 5.66.

F.

1. If any return due under subsection 5.66.100.A, along with a copy of the state capital gains

excise tax return, is not filed with the Department by the due date or any extension granted by the Director, the Department must assess a penalty in the amount of five percent of the tax due for the taxable year covered by the return for each month or portion of a month that the return remains unfiled. The total penalty assessed under this subsection 5.66.100.F may not exceed 25 percent of the tax due for the taxable year covered by the delinquent return. The penalty under this subsection 5.66.100.F is in addition to any penalties assessed for the late payment of any tax due on the return.

2. The Director may waive or cancel the penalty imposed under this subsection 5.66.100.F if:

a. The Director is persuaded that the taxpayer's failure to file the return by the due date was due to circumstances beyond the taxpayer's control; or

b. The taxpayer has not been delinquent in filing any return due under this Section 5.66.100 during the preceding five calendar years.

5.66.110 Joint filers

A. If the federal income tax liabilities of both spouses are determined on a joint federal return for the taxable year, they must file a joint return under this Chapter 5.66.

B. Except as otherwise provided in this Section 5.66.110, if the federal income tax liability of either spouse is determined on a separate federal return for the taxable year, they must file separate returns under this Chapter 5.66. State registered domestic partners may file a joint return under this Chapter 5.66 even if they filed separate federal returns for the taxable year.

C. The liability for tax due under this Chapter 5.66 of each spouse or state registered domestic partner is joint and several, unless:

1. The spouse is relieved of liability for federal tax purposes as provided under 26 U.S.C. Section 6015; or

2. The Director determines that the domestic partner qualifies for relief as provided by rule of the Director. Such rule, to the extent possible without being inconsistent with this Chapter 5.66, must follow 26

U.S.C. Section 6015.

5.66.120 Rules and regulations

The Director shall adopt, publish, and enforce rules and regulations not inconsistent with this Chapter 5.66 for the purpose of carrying out the provisions of this Chapter 5.66.

5.66.130 Ancillary authority of Director

The Director is authorized to enter into agreements with any other taxing jurisdiction, including the Internal Revenue Service of the United States and state and other local jurisdictions that impose taxes on capital gains:

A. To acquire such taxpayer information necessary to most effectively collect the taxes imposed by this Chapter 5.66, determine whether taxpayers are or are not required to file a return for taxes under this Chapter 5.66, determine the amount of taxes due under this Chapter 5.66, conduct audits, and otherwise enact the provisions of this Chapter 5.66; or

B. To conduct an audit or a joint audit of a taxpayer by using an auditor employed by The City of Seattle, another public entity, or a contract auditor; provided that such contract auditor's pay is not in any manner based upon the amount of tax assessed.

5.66.140 Monetary penalties

A. A taxpayer who fails to pay tax owed under this Chapter 5.66 when due is liable, in addition to interest, to a penalty of one percent of the amount of the unpaid tax for each month or fraction of a month, not to exceed a total penalty of 25 percent of the unpaid tax. If any part of any underpayment of tax owed under this Chapter 5.66 is due to intentional disregard of this Chapter 5.66 or rules or regulations adopted by the Director under Section 5.66.120, but without intent to defraud, an additional penalty of \$10 or ten percent of the total amount of the deficiency in the tax, whichever is greater, shall be added. If any part of the underpayment is due to fraudulent intent to evade the tax imposed under this Chapter 5.66, an additional penalty of 100 percent of the deficiency shall be added.

B. Any taxpayer who fails to file a return with the Director on or before the due date, who fails to

include all of the information required to be shown on the return, or who includes incorrect information on a return shall pay a penalty of \$250 for each return with respect to which such a failure occurs; provided, however, the penalty shall be waived if the failure to include all of the information required or the inclusion of incorrect information is corrected by the taxpayer within 30 days of written notice from the Director as provided for under subsection 5.66.140.D. If the act or omission is due to intentional disregard of this Chapter 5.66 or rules or regulations adopted by the Director under Section 5.66.120, but without intent to defraud, an additional penalty of \$500 shall be added. If the act or omission is due to fraudulent intent to evade the tax imposed under this Chapter 5.66, an additional penalty of \$1,000 shall be added.

C. If a claim for refund or credit under this Chapter 5.66 is made for an excessive amount, unless it is shown that the claim for such excessive amount is due to reasonable cause, the taxpayer making such claim shall be liable for a penalty in an amount equal to 20 percent of the excessive amount. For purposes of this Section 5.66.140, the term “excessive amount” means, in the case of any taxpayer, the amount of the claim for refund or credit for any tax year exceeds by at least 50 percent the amount of such claim allowable under this Chapter 5.66 for such tax year.

D. The Director shall notify a taxpayer by mail of any penalties, which shall become due and shall be paid within 30 days from the date of the notice, or within such time as the Director may provide in writing.

E. Upon demonstration to the Director that a penalty has been imposed on an innocent spouse, the Director is authorized to cancel such penalty with respect to the innocent spouse.

5.66.150 Cancellation of penalties

A. The Director may cancel any penalties assessed under subsection 5.66.140.A or 5.66.140.B if the taxpayer shows that the act or omission giving rise to the penalty was due to reasonable cause and not willful neglect. Willful neglect is presumed unless the taxpayer shows that they exercised ordinary care and prudence in making arrangements to complete and file an accurate return and pay the tax owed by the due date but, nevertheless, failed to do so due to circumstances beyond their control.

B. A request for cancellation of penalties must be received by the Director within 30 days after the date the Director mails the notice that the penalties are due. The request must be in writing and contain competent proof of all pertinent facts supporting a reasonable cause determination. In all cases the burden of proving the facts rests upon the taxpayer.

5.66.160 Amnesty

The Director may from time to time declare periods of amnesty in which penalties assessed under subsections 5.66.140.A, 5.66.140.B, or 5.66.140.C, or any combination thereof, may be waived. Such periods of amnesty and the terms thereof may be established upon a finding by the Director that they are likely to have the effect of increasing revenues to the City.

Section 2. A new Section 5.45.060 is added to the Seattle Municipal Code as follows:

5.45.060 Capital gains excise tax credit

A. To avoid taxing the same sale or exchange under both the business and occupation tax and capital gains tax, a credit is allowed against taxes due under this Chapter 5.45 on a sale or exchange that is also subject to the tax imposed under Chapter 5.66. The credit is equal to the amount of tax imposed under Chapter 5.66 on such sale or exchange.

B. The credit may be used against any tax due under Section 5.45.050.

C. The credit under this Section 5.45.060 is earned in regard to a sale or exchange, and may be claimed against taxes due under this Chapter 5.45, for the tax reporting period in which the sale or exchange occurred. The credit claimed for a tax reporting period may not exceed the tax otherwise due under Section 5.45.050 for that tax reporting period. Unused credit may not be carried forward or backward to another tax reporting period. No refunds may be granted for unused credit under this Section 5.45.060.

Section 3. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this ordinance, or the invalidity of its application to any person or circumstance, does not affect the validity of the remainder of this ordinance or the

validity of its application to other persons or circumstances.

Section 4. Sections 1 and 2 of this ordinance shall take effect on January 1, 2026.

Section 5. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

SUMMARY and FISCAL NOTE*

Department:	Dept. Contact:	CBO Contact:
Legislative	Tom Mikesell/ 4-8735	N/A

** Note that the Summary and Fiscal Note describes the version of the bill or resolution as introduced; final legislation including amendments may not be fully described.*

1. BILL SUMMARY

Legislation Title: AN ORDINANCE imposing an excise tax on the sale or exchange of certain capital assets in Seattle; adding a new Chapter 5.66 to the Seattle Municipal Code; and adding a new Section 5.45.050 to the Seattle Municipal Code.

Summary and Background of the Legislation: *Note: This tax is structured identically to the state's capital gains excise tax, which was affirmed to be a legal exercise of public taxing authority by the Washington State Supreme Court in *Quinn v. State of Washington*. This parallel structure would support ease of administration and taxpayer compliance and adheres to automatic inflationary adjustments included in the state law. As such, the stated thresholds included in the following description include both the 2023 tax year values included on the Department of Revenue website, as well as the original 2022 values when the law was passed.*

This council bill would impose a two percent excise tax on the annual gains to individuals from the sale of non-exempt capital assets (more commonly referred to as a capital gains tax).

The first \$262,000 (\$250,000 in 2022 dollars) of capital gains are excluded, and any gains from the following types of asset sales would be exempt:

- Real estate sales and/or exchanges;
- Retirement accounts;
- Condemnations;
- Livestock in the conduct of a farming and ranching business;
- Timber;
- Commercial fishing privileges; and,
- Goodwill from the sale of auto dealerships.

In addition to the \$262,000 (\$250,000 in 2022 dollars) standard deduction for each single or joint tax return, additional deductions would apply, including:

- Any amounts prohibited from taxation under the state or federal constitution;
- Gains from the sale of a qualified family-owned small business; and,
- Up to \$105,000 (\$100,000 in 2022 dollars) of charitable donations above a \$262,000 (\$250,000 in 2022 dollars) minimum qualifying charitable deduction.

The deductions, and other specified thresholds, are 2023 dollar amounts that will be annually for inflation, consistent with provisions in RCW 82.87.150, which adjusts the same thresholds for the state's capital gains excise tax.

The capital gains excise tax would be imposed beginning January 1, 2026, and, based on estimates developed by the City's Office of Economic and Revenue Forecasts (Forecast Office) using available state government data and forecasts, a two percent tax would generate from \$16 million to \$51 million per year. Additional details and caveats about this estimate are provided in Section 3.b.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation amend the Adopted Budget? ☐ Yes ☒ No

Expenditure Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
	\$0	\$1,000,000	\$800,000	\$1,200,00	\$1,200,000

	\$0	\$0	\$0	\$0	\$0

According to Department of Finance and Administrative Services (FAS)/Office of City Finance staff, implementing this tax would require one-time rulemaking, systems development work, taxpayer outreach and ongoing administration and auditing work in FAS that could take from 18 to 24 months to complete.

FAS projects onetime system implementation costs of \$1 million. FAS also projects ongoing costs of \$1.2 million, of which \$500,000 would support maintaining a taxpayer registration and payment system, and \$700,00 would support staffing, including three new Customer Service Representatives and two new Tax Auditors. FAS would require these ongoing staffing costs to begin in mid-2026 to support taxpayer outreach and training ahead of

collections. These are merely initial estimates that will be better informed through future budget requests the Executive determines to be necessary to implement the tax.

Revenue changes are described in Section 3.b, below.

Does the legislation have other financial impacts to The City of Seattle that are not reflected in the above, including direct or indirect, short-term or long-term costs?

No.

Are there financial costs or other impacts of *not* implementing the legislation?

No.

If there are no changes to appropriations, revenues, or positions, please delete sections 3.a., 3.b., and 3.c. and answer the questions in Section 4.

3.a. Appropriations

 This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

X This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2024 Est.	2025 Est.	2026 Est.	2027 Est.	2027 Est.
General Fund 001000		Capital Gains Excise Tax	\$0	\$0	\$0	\$16M to \$51M	\$16M to \$51M
TOTAL			\$0	\$0	\$0	\$16M to \$51M	\$16M to \$51M

Revenue/Reimbursement Notes:

The capital gains excise tax would be imposed January 1, 2026, and, based on estimates provided by the City's Office of Economic and Revenue Forecasts (Forecast Office), using state Department of Revenue (DOR) collections and forecast data, a two percent tax could generate from \$16 million to \$51 million per year, with potential moderate growth thereafter. This range includes assumptions about the percentage of potential Seattle taxpayers as a share of the state's total, taxpayer compliance and avoidance, and economic elasticities, as described in a November 8, 2024 memo from the Forecast Office, which is included as Attachment A to this summary.

It is important to note when understanding this range, particularly the low end, that any revenue from this tax would be collected from a small set of very wealthy households. This group is well-equipped with financial supports to enable financial planning strategies to minimize tax liabilities, including but limited to declaring a domicile outside of Seattle for purpose of the tax. While the stated range does include elasticity assumptions, which are estimates of taxpayer response to capital gains tax changes in general, it does not contemplate a more drastic scenario where all otherwise eligible taxpayers avoid the tax by

way of declaring a domicile outside the City, but this is clearly a risk for a tax imposed at a municipal level.

Additional Considerations:

While 2024 tax returns data from the State's tax was not available for the purposes of this estimate, the Forecast Office's analysis of the DOR's state collections data from 2023 showed that 85 percent of the 2023 collections from Seattle taxpayers was from 163 taxpayers, which indicates an extremely concentrated tax base. Such a concentration likely also implies a high degree of year-to-year variance in tax payments, because a change in financial circumstances of relatively few individuals could have a significant impact on overall revenue collections.

The Forecast Office also notes that the approach used assumes that each of the taxpayers included as 'Seattle- based' in the DOR data would pay Seattle's tax. However, for taxpayers with multiple domiciles in Washington state, the Forecast Office indicates there may be cases where the taxpayer would not have Seattle tax liability due to not meeting the standard for having a domicile in Seattle, or purposefully shifting their domicile in response to imposition of the tax. In other words, a taxpayer who reported a Seattle address for the purposes of calculating their recent state tax liability, might choose an official domicile outside the City going forward. The proposed legislation establishes specific thresholds regarding how much time one must reside at a specific location to establish it as a domicile, but how effectively these issues can be enforced for individuals with multiple Washington residences is unclear. Though it is impossible to accurately quantify the potential impact this could have, it is important to note in understanding the revenue estimate.

In addition, the Forecast Office reviewed historical federal Internal Revenue Service (IRS) net capital gains data for insights into the stability of the tax. Though the IRS gains data includes real estate gains, which are explicitly exempt from the proposed tax, and is based on all capital gains, not just those above the \$250,000 standard deduction in the proposed bill, the historical review showed high levels of tax base sensitivity to economic expansions and contractions, likely due to reliance on stock and bond sales in capital gains.

Given the concentration of the tax base to a very small number of taxpayers, the possibility of avoidance through tax planning and multiple in-state residences, and the tax base's sensitivity to cyclical economic trends, the annual revenue from the tax could fluctuate widely above and below the estimates provided. By way of additional insight to inform decisions about the use of potential proceeds from this tax, the Forecast Office has noted that there is an unusually high degree of uncertainty in this estimate, which is implied in the range of possible revenue outcomes.

3.c. Positions

— This legislation adds, changes, or deletes positions.

4. OTHER IMPLICATIONS

- a. **Does this legislation affect any departments besides the originating department?**
Yes, FAS will be responsible for the implementation and administration of the capital gains tax if this legislation is approved. This will require both one-time setup and ongoing administrative efforts. (See details on potential fiscal impacts in response to question 3 above).
- b. **Is a public hearing required for this legislation?**
No.
- c. **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
No.
- d. **Does this legislation affect a piece of property?**
No.
- e. **Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities? What is the Language Access plan for any communications to the public?**
An excise tax on large financial gains from sales of assets, which, as noted above, would be paid from a very small number of residents, is at its core a progressive tax that does not impact disadvantaged communities.
- f. **Climate Change Implications**
- 1. Emissions: Is this legislation likely to increase or decrease carbon emissions in a material way?**
No.
 - 2. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**
No.
- g. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)?**
This legislation does not implement a new program.

Summary Attachments (if any):

1. OERF Capital Gains Tax Memo

MEMORANDUM

Date: November 8, 2024
To: Tom Mikesell and Ben Noble, City Council Central Staff
From: Jan Duras, Office of Economic and Revenue Forecasts
Re: Capital Gains Tax Revenue Estimates Request

1. Introduction

In this memorandum, the Office of Economic and Revenue Forecasts (Forecast Office) provides a requested analysis of revenues likely to be raised by a 2% tax imposed on capital gains in Seattle city beginning in tax year 2026 with first collection occurring in 2027. The data used for this analysis and the results can be found in the “Seattle capital gains tax estimates 2024-11-08.xlsx” spreadsheet file.

2. Washington State capital gains tax forecast

The proposed tax on capital gains in Seattle city would be similar in structure to the 7% capital gains tax that Washington State started collecting in FY 2023 for tax year 2022. Because of this and the general limited data availability, this analysis of the potential revenues for Seattle city capital gains tax is largely based on the actual collection and forecasts for Washington State. Recent forecasts for state’s capital gains tax can be found in the “DOR WA forecasts and actuals” sheet.

Washington State started collecting tax revenues only recently, in 2023. After collecting almost \$600 million more than expected in FY 2023, collection dropped by 57.4% in FY 2024, bringing in about \$300 million less than forecasted. As a result, the **state’s forecast for FY 2025 through FY 2027 was reduced by about half between February 2024 and September 2024**. Initiative 2019 that aimed to repeal the tax likely contributed to this drop, as some taxpayers likely delayed trades in hope that the Initiative is successful. The effect is however hard to estimate, state’s forecast from September 2024 assumes 13% growth in FY 2025, followed by approximately 4.5% growth in FY 2026 and FY 2027. This results in a \$445 million forecast for FY 2027.

3. Assessing volatility of capital gains tax revenues – Washington State tax data

Capital gain tax collection data in Washington State provides only very limited information when it comes to assessing the likely volatility of revenues in the longer run. Collection only started in 2023 and was likely affected by legal challenges and changes in taxpayer behavior as this new tax was introduced.

Nevertheless, tax collection data provides relevant information regarding the number of taxpayers and the concentration of capital gains tax payments received by Washington State in 2023. This information can be found in the “DOR Seattle and King County” sheet.

1. **In 2023, of the total 3,354 taxpayers in Washington State, the top 20% (374 taxpayers) accounted for about 92% of the total capital gains tax revenue collected.**
2. **The top 10% (333 taxpayers) accounted for about 87% of the total revenue.**
3. **Top 10 taxpayers in Washington State accounted for 56% of the total revenue.**

Forecast Office has also obtained some information regarding the distribution of state’s capital gain tax paid by taxpayers in Seattle city. This information is not for the whole 2023 calendar year, but only as of May 31, 2023.

4. **Of the 816 taxpayers in Seattle city that paid as of May 31, 2023, the top 20% (163 taxpayers) accounted for 85.7% of the revenues collected from Seattle city taxpayers.**

These findings highlight the fact that the capital gains tax is extremely heavily concentrated and strongly affected by the decisions of a very limited number of taxpayers.

4. Assessing volatility of capital gains tax revenues – IRS data

To obtain some additional useful insights regarding the behavior of capital gains over longer time, the Forecast Office analyzed public IRS data from federal income tax returns. In particular, the IRS Individual income tax statistics ZIP code data for the 2005-2021 period was used to calculate the total net capital gain amounts, as reported on line 7 of 1040 federal tax return form, for Washington State and Seattle city. This data on total capital gains does not account for the \$250,000 deduction, but likely shares some of the properties of the tax base for the Washington State capital gains tax. This information can be found in the “IRS” sheet in the “Seattle capital gains tax estimates 2024-11-08.xlsx” spreadsheet file.

The chart below shows the year-over-year changes in the total net capital gain amounts and compares them to the year-over-year changes in the S&P 500 Index. The following observations can be made:

1. **Changes in reported total capital gains are correlated with change in the S&P 500 Index**, they tend to move in the same direction
2. **Changes in reported capital gains are more than twice as volatile as changes in S&P 500 index.**
This is due to an amplification since the decision to sell some stock held depends itself on the change in the stock prices - an individual holding stocks is more likely to sell it and realize the gain in a year when stock prices increase significantly, vice versa, in a year when stock prices decline fewer individuals will sell them, preferring to hold and wait for prices to recover.

In addition, inspecting the underlying data reveals the following facts:

3. Reported total capital gains grew 11 years out of 16 and declined in remaining 5 (only 2 of those were years when a recession took place).
4. Reported **total capital gains grew on average 17% in Washington State, in the years when the change was positive they grew on average 40%, in the those when the change was negative they declined on average 21%.**
5. The change in the reported capital gains flipped sign in 8 out of 16 years - **a year with positive growth in total capital gains is often followed by a year when total capital gains decline.**

5. Seattle city capital gains tax estimate

Forecast Office has requested data from the Washington State's Department of Revenue that would help to estimate the share of the revenue collected in Seattle city. This information tax can be found in the "DOR Seattle and King County" sheet, which also provides total revenue collected from taxpayers in King County.

Based on the initial 2023 returns for state's capital gains tax collected as of May 2023, taxpayers located in Seattle city accounted for about 15.8% of total revenues. This estimate is quite lower than the roughly 22.5% estimate based on capital gains reported on IRS federal income tax returns discussed above. The low share is also particularly striking since based on the Department of Revenue data, revenue collected from taxpayers in King County in 2023 constitutes 83.6% of total state's capital gains tax revenues.

Given the 15.8% Seattle share and the September 2024 state's tax forecast of \$445 million in capital gains tax revenues in FY 2027, a 2% tax imposed in Seattle city would generate approximately \$20 million in 2027. Assuming stronger growth in FY 2025 through FY 2027, (as a result of a 55% bounce back in FY 2025 due to a delay caused by Initiative 2019, followed by 18% growth in FY 2026-FY 2027, consistent with average growth in IRS capital gains data discussed below), combined with a larger 22.5% Seattle share would imply about \$51 million raised by a 2% Seattle city tax in 2027.

Overall tax collection will also depend on the extent of outreach, enforcement and auditing efforts. **State estimates assume that compliance is 85% in the first year, 90% in the second year, and 95% thereafter.** In any case, taxpayers can take various steps to reduce their tax obligations. **A 2% Seattle city tax on top of the Washington State 7% tax and the progressive federal tax with rates of 15%/20%/28% would imply a 6.5% to 9% increase in tax burden** (depending on the capital gains amount and thus the federal tax rate). **Studies of the elasticity of capital gains tax revenues have estimated the long run elasticity to be on average about -0.5. This would imply a 3% to 5% reduction in revenues due to changes in taxpayers' behavior.** Short run elasticity can be however notably larger (state's revenue estimates assume it's about twice larger in the first year), and a local tax is likely to have a higher elasticity than state or federal tax. Some taxpayers may be motivated to move and relocation is easier between local jurisdictions than moving out of state or to a different country. The long term effect of the tax on economic activity in city will likely be negative, but it's hard to quantify.

Given the inherent dependence on the performance of financial markets, amplified by the taxpayers' timing decisions, the high possibility of steps taken to reduce taxable gains, and the extreme concentration of the tax base, revenues from capital gains tax imposed in Seattle city are very likely to fluctuate significantly for year to year and from forecast to forecast. The large uncertainty regarding the revenue collection is also reflected in the estimates for a 2% Seattle city tax imposed starting in tax year 2026. **With 90% compliance and an additional reduction based on a -0.5 short run elasticity as taxpayers take various legal steps to reduce their tax obligations, the above estimate of a \$20 million to \$51 million collection in 2027 would be reduced to about \$17.5 million to \$44.5 million. Under the assumption of 85% compliance and an additional reduction based on -1 short run elasticity as taxpayers take further steps to reduce their tax obligations, the estimate would be reduced to about \$16 million to \$40.5 million.**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE establishing a spending plan for proposed use of the proceeds generated from the capital gains excise tax authorized by the ordinance introduced as Council Bill 120908; and adding a new Section 5.66.170 to the Seattle Municipal Code.

WHEREAS, the Department of Housing and Urban Development considers households rent burdened if more than 30 percent of their income is spent on housing costs such as rent and utilities; and

WHEREAS, the Department of Housing and Urban Development considers households severely rent burdened if more than 50 percent of their income is spent on housing costs such as rent and utilities; and

WHEREAS, according to the Census Bureau's annual American Community Survey in 2023, 90,700 households or 44 percent of renter households in Seattle are rent burdened; and

WHEREAS, as of August 2024 United Way reported there were approximately 5,800 City of Seattle residents on the wait list for rental assistance; and

WHEREAS, United Way of King County estimated it would take \$10 million to clear their backlog of households waiting for rental assistance; and

WHEREAS, the city faces a significant lack of funding to support down payment assistance; and

WHEREAS, according to the Brookings Institution, Black Americans have a homeownership rate of 46.4 percent compared to 75.8 percent of white Americans; and

WHEREAS, owning a home is not just a dream but a critical step toward creating and preserving wealth that can be passed down through generations; and

WHEREAS, according to the US Census Bureau King County had a 61.5 percent homeownership rate while

Black residents had only a 28 percent homeownership rate; and

WHEREAS, homeownership is a key way to build intergenerational wealth and racial covenants, and redlining restricted the ability of nonwhite residents of Seattle to buy homes; and

WHEREAS, according to the Congressional Research Service homeownership increases the tax base and encourages social and political involvement; and

WHEREAS, according to United Way of King County, 32 percent of Black and 26 percent of Latino adults experience food insecurity; and

WHEREAS, communities of color face disproportionate levels of poverty and food insecurity because of historic and systemic racism; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Proceeds from the new capital gains excise tax imposed by the ordinance introduced as Council Bill 120908 may only be used as described in Section 2 of this ordinance. The Council intends to adopt by resolution, or through adoption of the annual budget, spending details by year and program area to provide: (1) specific allocations of funds for each program area based on the anticipated annual revenue from the capital gains excise tax authorized by the ordinance introduced as Council Bill 120908; and (2) programmatic details such as incomes levels served by proposed investments. The spending plan may be amended from time to time by the City Council by ordinance.

Section 2. A new Section 5.66.170 is added to the Seattle Municipal Code as follows:

5.66.170 Capital gains excise tax - Allocation of proceeds

Proceeds of the capital gains excise tax are intended to support rental assistance to rent burdened households, down payment assistance to low, moderate, and workforce households, and food assistance to food insecure households.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
LEG	Tom Mikesell	n/a

1. BILL SUMMARY

Legislation Title: AN ORDINANCE establishing a spending plan for proposed use of the proceeds generated from the capital gains excise tax authorized by the ordinance introduced as Council Bill 120908; and adding a new Section 5.66.170 to the Seattle Municipal Code.

Summary and Background of the Legislation: This ordinance restricts the use revenues from a new capital gains excise tax imposed in Council Bill 120908 to support rental assistance to rent burdened households, down payment assistance to low, moderate, and workforce households, and food assistance to food insecure households. The ordinance also states the City Council's intent to adopt more specific allocations of the capital gains excise tax funds, through either a separate resolution, or the annual budget process.

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

This ordinance restricts expenditure of revenues from a new capital gains excise tax and does not increase nor decrease city revenues and/or expenditures.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

This legislation will require budget and financial management staff and systems to adhere to expenditure constraints, which is within the scope of current operations.

Please describe any financial costs or other impacts of *not* implementing the legislation.

4. OTHER IMPLICATIONS

- a. **Please describe how this legislation may affect any departments besides the originating department.**

This ordinance restricts funds that are new to the City to specific uses, which may increase budgets in departments that provide services within the scope of the restricted uses.

- b. **Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. **Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. **How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

This ordinance would restrict the use of new capital gains excise tax revenue to rental assistance for rent burdened households, down payment assistance to low, moderate, and workforce households, and food assistance to food insecure households, which would result in higher levels of fiscal support to historically disadvantaged communities.

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

- iii. **What is the Language Access Plan for any communications to the public?**

- d. **Climate Change Implications**

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

5. CHECKLIST

Please click the appropriate box if any of these questions apply to this legislation.

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**
If yes, please review requirements in Resolution 31203 for applicability and complete and attach "Additional risk analysis and fiscal analysis for non-utility partner projects" form.

6. ATTACHMENTS

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Seattle Channel; stating the City Council's intent to establish dedicated and ongoing funding sources for the operating and capital costs of the Seattle Channel; and requesting that the Executive submit a funding plan by September 3, 2025.

WHEREAS, responsibility for The City of Seattle's municipal television station, which would later become the Seattle Channel, was transferred from the Seattle Public Library to the Executive group responsible for the City's website in 1997; and

WHEREAS, the Seattle Channel remains administratively within the City department known as Seattle Information Technology; and

WHEREAS, beginning in 1996, the City entered into franchise agreements with cable television providers that included new franchise fees as compensation for the right to locate equipment in the public right-of-way; and

WHEREAS, in 2001, the City Council adopted Resolution 30379 that established financial policies for General Fund Subfunds, including a subfund that received the cable franchise fee revenues; and

WHEREAS, one of the eligible uses for the franchise fee revenues was support for the City's government access television channel, including both operations and capital equipment; and

WHEREAS, in 2017, the City Council, via Ordinance 125492, created the Cable Television Franchise Fund and specified that all revenues from cable franchise fees shall be deposited into the fund; and

WHEREAS, cable franchise fee revenues have been declining for a number of years and are predicted to continue declining in future years; and

WHEREAS, the Seattle Channel is in need of dedicated funding sources to ensure that the station's governmental, arts, cultural, and community programming can continue uninterrupted; and

WHEREAS, the Council intends to collaborate with the Executive to establish an advisory workgroup to explore alternative financing and operating models for the Seattle Channel; and

WHEREAS, the Council desires the Executive to propose a sustainable funding plan to cover the needs of the Seattle Channel to ensure that its governmental and non-governmental programming does not become reliant upon external parties or funding sources; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Council intends to establish a dedicated and ongoing funding plan sufficient to meet the operating and capital needs of the Seattle Channel, such that the Seattle Channel may continue to provide essential governmental programming and the types of civic, cultural, and community programming that the Seattle Channel currently produces. When established, the funding plan should include, but does not need to be limited to, the following sources:

A. Cable franchise fees. At least 50 percent, but no less than \$1.7 million, of cable franchise fee revenues in each year should be dedicated to the Seattle Channel.

B. Seattle Information Technology (Seattle IT) cost allocation. Seattle IT should incorporate a portion of the Seattle Channel's expenses into its cost allocation model. Seattle IT should determine what portion of the Seattle Channel's programming and expenditures are in support of the services and priorities of other City departments, and those departments should be charged appropriately.

C. General Fund. The General Fund should be used exclusively for the coverage of meetings, press conferences, and other public events of the City Council and other City of Seattle elected officials.

Section 2. The Executive is requested to present a funding plan consistent with this ordinance and transmit any legislation necessary to implement the plan to the City Council by September 3, 2025. The City Council anticipates that, in creating the funding plan, the Executive will utilize the research and

recommendations of any advisory workgroups established to study the Seattle Channel's operations and financing.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.
/

Legislation Title: AN ORDINANCE relating to the Seattle Channel; stating the City Council's intent to establish dedicated and ongoing funding sources for the operating and capital costs of the Seattle Channel; and requesting that the Executive submit a funding plan by September 3, 2025.

Summary and Background of the Legislation: The bill states the Council's intent to establish a dedicated and ongoing funding plan sufficient to meet the operating and capital needs of the Seattle Channel, such that the Seattle Channel may continue to provide essential governmental programming and the types of civic, cultural, and community programming that it currently produces. The Executive is requested to present a funding plan to the Council, along with any necessary implementing legislation, by September 3, 2025. The funding plan should include, at a minimum: a) at least 50 percent, but not less than \$1.7 million, of cable franchise fee revenues; b) cost allocation to City departments that are supported by Seattle Channel's programming and services; and c) General Fund for coverage of meetings, press conferences, and other public events of the City Council and other City elected officials. The Council anticipates that the Executive will utilize the research and recommendations of any advisory workgroups established to study the Seattle Channel's operations and financing.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

If yes, please fill out the table below and attach a new (if creating a project) or marked-up (if amending) CIP Page to the Council Bill.
Please include the spending plan as part of the attached CIP Page. If no, please delete the table.

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☐ Yes ☒ No

If there are no projected changes to expenditures, revenues, or positions, please delete the table below.

This legislation does not have direct financial impacts to the City, but it does relate to future financing for the Seattle Channel. Please see the response to Question 3.d. for more information.

If there are no changes to expenditures, revenues, or positions, please delete Sections 3.a, 3.b, and 3.c and answer the questions in Section 4.

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

☐ This legislation adds, changes, or deletes revenues or reimbursements.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Please describe any financial costs or other impacts of *not* implementing the legislation.

This legislation does not have direct financial impacts, but it does request a financing plan sufficient to cover the expenses of the Seattle Channel in future years. Cable franchise fee revenues, the historic revenue source for Seattle Channel operations, are declining and are at risk of being insufficient to fund Seattle Channel's costs and other currently supported programs.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

This legislation impacts Seattle Information Technology, as that is the department within which Seattle Channel and its staff and funding reside.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

The Seattle Channel provides valuable information to the public on City operations and enhances governmental transparency by broadcasting all City Council meetings and many other City events.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

N/A

- d. Climate Change Implications**

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

5. CHECKLIST

Please click the appropriate box if any of these questions apply to this legislation.

- ☐ **Is a public hearing required? No.**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required? No.**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies? N/A**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization? No.**
If yes, please review requirements in Resolution 31203 for applicability and complete and attach “Additional risk analysis and fiscal analysis for non-utility partner projects” form.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Payroll Expense Tax; adjusting the allocation of tax proceeds; eliminating the Payroll Expense Oversight Committee; eliminating the sunset date for the Payroll Expense Tax; amending Section 5.38.055 of the Seattle Municipal Code; adding a new Section 5.38.105 to the Seattle Municipal Code; and repealing Sections 3.35.100 and 5.38.120 of the Seattle Municipal Code.

WHEREAS, the growth of the City's General Fund resources is significantly constrained by state regulations that limit the annual increase in the City's property tax revenues to one percent plus the value of new construction; and

WHEREAS, the growth of the City's General Fund resources is further constrained by the pattern of slow regional economic growth that has emerged in the post-pandemic period; and

WHEREAS, facing these constraints and increased demand for critical services such as public safety, basic shelter and affordable housing, and access to affordable nutritional food, the City has become reliant on revenues from the JumpStart Payroll Expense Tax to pay for basic municipal services and serve those most in need; and

WHEREAS, the spending policies prescribed by this ordinance are specifically intended to address the remaining downstream economic effects of the COVID-19 pandemic and their impact on City finances, and the Council intends to review these policies in advance of the 2029-2030 biennial budget and either amend or reaffirm them given the economic and financial conditions prevailing at that time; and

WHEREAS, the City has used JumpStart Payroll Expense Tax proceeds to pay for services such as mental health and affordable housing that are most appropriately addressed by State or County Government,

and the City must maintain the authority to impose JumpStart Payroll Expense Tax until the State or County sufficiently funds these services; and

WHEREAS, in 2020, the City Council passed the JumpStart Payroll Expense Tax on certain salaries paid by businesses in Seattle with over \$7 million in annual revenue; and

WHEREAS, in 2021, the City Council passed Ordinance 126393, which created a new section of the Seattle Municipal Code proscribing the uses of JumpStart Payroll Expense Tax (PET) revenues, including an allowance that those revenues could be used to backfill core City services should General Fund revenues fall below 2020 General Fund revenues; and

WHEREAS, during the 2021, 2022, 2023, and 2024 Budget processes, the City Council needed to adopt modified policies for the use of PET revenues because the City's available resources and needs were not aligned with the originally adopted 2020 spending plan; and

WHEREAS, the Mayor and City Council wish to maintain the intent of the original 2020 spending plan by focusing on investments in affordable housing, human services, the City's Green New Deal program, the Equitable Development Initiative, and economic development while providing flexibility that reflects the City's short- and medium-term budget realities; and

WHEREAS, adjusting the City's self-imposed regulations for use of the JumpStart Payroll Expense Tax will allow for a more predictable and sustainable future budgeting path for the City's elected leaders, departments, employees, and the public; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 5.38.055 of the Seattle Municipal Code, last amended by Ordinance 126719, is amended as follows:

5.38.055 Payroll expense tax-Allocation of proceeds

~~((A. In any year where General Fund revenues from all sources approved as of January 1, 2020 are~~

~~projected to be lower than \$1,510,029,000 an amount equal to \$1,510,029,000 minus the projected General Fund collections from non-payroll expense tax sources may be transferred into the General Fund to support programs and services funded by the General Fund. Projected payroll expense tax revenues remaining after any transfer allowed by this subsection 5.38.055.A shall only be used to either expand existing programs or create new programs, including associated program cost increases, that are consistent with subsection 5.38.055.B, and the amounts may not be used to supplant appropriations from other funding sources.~~

~~B. Amounts remaining after accounting for the allowed uses in subsection 5.38.055.A shall be allocated in accordance with the spending plan adopted in Resolution 31957, and outlined in Ordinance 126109 as follows:~~

~~1. Up to five percent of the annual JumpStart Fund revenue total is to administer and evaluate the effectiveness of the payroll expense tax authorized by this Chapter 5.38, to administer the investments described in subsections 5.38.055.B.2 through 5.38.055.B.5, and to evaluate the effectiveness of at least those investments described in subsection 5.38.055.B.4. If less than five percent of remaining funds are needed for administration and evaluation, any remaining funds may be used for other programs and services described in subsections 5.38.055.B.2 through 5.38.055.B.5.~~

~~2. Sixty-two percent of the annual JumpStart Fund revenue total is for housing and services, which is further allocated as follows:~~

~~a. Eighty-two percent of the housing and services portion is allocated for: (i) capital costs associated with the construction or acquisition of rental housing serving households with incomes at or below 30 percent of area median income (AMI), but may be used to support housing serving households with incomes at or below 60 percent of AMI, when required to support the operational costs of a proposed housing project; (ii) operating and services costs of rental housing serving households with incomes at or below 30 percent of AMI; and (iii) associated infrastructure to support the ongoing operations costs for the housing, such as maintenance, retrofitting, and energy efficient upgrades to support the housing.~~

~~b. Thirteen percent of the housing and services portion is allocated for community focused acquisition and development of affordable housing, and to support affirmative marketing efforts and development and implementation of community preference plans.~~

~~c. Five percent of the housing and services portion is allocated for permanently affordable homeownership opportunities serving households with incomes at or below 80 percent of AMI.~~

~~3. Nine percent of the annual JumpStart Fund revenue total is to support the Equitable Development Initiative (EDI) that supports community-initiated equitable development projects that advance economic mobility and opportunity, prevent residential, commercial, and cultural displacement, build on local cultural assets, promote transportation mobility and connectivity, develop healthy and safe neighborhoods, and enable equitable access to all neighborhoods.~~

~~4. Fifteen percent of the annual JumpStart Fund revenue total is to support local businesses and tourism to spur the local economic recovery, and to provide economic stability for the city's workforce.~~

~~5. Nine percent of the annual JumpStart Fund revenue total is for investments that advance Seattle's Green New Deal as described in Resolution 31895.~~

~~C. Except as provided in subsection 5.38.055.A, all uses of Payroll Expense Tax revenues as proscribed in subsection 5.38.055.B shall be in addition to funding levels for similar or the same programs as included in the City's 2020 Adopted Budget and shall not supplant existing funding from any City fund or revenue source.~~

~~D. Notwithstanding contrary provisions in subsections 5.38.055.A, 5.38.055.B, and 5.38.055.C, in the 2023 and 2024 budget for The City of Seattle, payroll expense tax revenues may be used as follows:~~

~~1. Up to \$29,406,172 million of unappropriated 2022 revenues, up to \$71,162,000 of 2023 projected revenues, and up to \$84,053,126 of projected 2024 revenues may be transferred into the General Fund if necessary to support the programs and services funded by the General Fund in the 2023 Adopted and 2024 Endorsed Budget that are in excess of available General Fund revenues. After fulfilling the requirements of Section 5.80.020, upon completion of the 2022, 2023, and 2024 fiscal years' accounting, any ending General~~

~~Fund balance, less encumbrances, carryforwards as authorized by ordinance or state law, and planned reserve amounts reflected in the 2023 or 2024 Adopted Budget, that is in excess of the latest revised estimate of the unreserved ending fund balance for that closed fiscal year (as published in the adopted budget), shall reduce the amount of JumpStart funds transferred to the General Fund in 2023 or 2024. If any such transfer has already been made, then any excess General Fund shall be transferred back to the JumpStart Fund at the time the City completes its accounting for the closed fiscal year.~~

~~2. Amounts remaining after accounting for the allowed uses in subsection 5.38.055.D.1, and after allowing for the appropriations described in Attachment A to this ordinance, shall be allocated in accordance with subsection 5.38.055.B.))~~

A. Payroll expense tax proceeds may be allocated, consistent with RCW 35.32A.030, to support the following City activities:

1. Administrative costs associated with collecting the tax, distributing its revenues, and evaluating it and the programs it supports;

2. Affordable housing and associated services, including but not limited to:

a. Property acquisition;

b. Rental housing construction and related activities serving households at or below 60 percent of area median income;

c. Programs and investments that support and facilitate homeownership serving households at or below 80 percent of area median income;

d. Support for agencies that build and operate affordable housing;

e. Resident support services; and

f. Operations and maintenance of housing properties; and

3. The Equitable Development Initiative, which supports community-initiated equitable development projects that advance economic mobility and opportunity, prevent residential, commercial, and

cultural displacement, build on local cultural assets, promote transportation mobility and connectivity, develop healthy and safe neighborhoods, and enable equitable access to all neighborhoods;

4. Investments in economic development and revitalization, including support to:

a. Local businesses, non-profit agencies, and artists;

b. Workforce development, including worker training;

c. Projects and activities that activate, maintain, and promote the City's business districts;

and

d. Community planning efforts;

5. Investments in the City's Green New Deal program, including programs and policies that:

a. Make Seattle free of climate pollutants, meaning those that cause shifts in climate patterns, including carbon dioxide, black carbon, methane, nitrogen oxides, and fluorinated gases, by 2050;

b. Invest in communities historically most harmed by economic, racial, and environmental injustice;

c. Support job training and workforce development that advance an equitable transition to a clean energy economy;

d. Reduce climate pollution associated with constructing, powering, heating, and cooling buildings, including new developments, existing buildings, commercial, and both owner-occupied and tenant-occupied residential buildings;

e. Support a transition to electric vehicle use and electrified public transit and alternatives to driving, such as infrastructure for walking, biking, and rolling, with a focus on communities with the greatest need for transportation options and communities with the greatest exposure to vehicle emissions and transportation-related climate pollution;

f. Support resilience hubs, including both community-owned and publicly-owned facilities; or

g. Support public transit expansion;

6. Programs and services supported by the City's General Fund;

7. Contributions to the JumpStart Payroll Expense Revenue Stabilization Account; and

8. Investments in youth mental health early intervention and treatment, youth safety in and around schools, and access to youth enrichment programs known to prevent adverse mental health outcomes.

The use in this subsection 5.38.055.A.8 is authorized until an alternative funding source that is sufficient to provide funding equal to the amount appropriated from the JumpStart Payroll Expense Tax Fund for these purposes in the 2025 Adopted Budget is identified and implemented.

B. The following percentage amounts shall guide, but not constrain, the total combined funding allocated each year to Administration, Affordable Housing and Associated Services, the Equitable Development Initiative, Economic Development and Revitalization, and Investments in the City's Green New Deal program:

1. Administration - up to five percent;

2. Affordable Housing and Associated Services - 62 percent;

3. The Equitable Development Initiative - nine percent;

4. Economic Development and Revitalization - 15 percent; and

5. Investments in the City's Green New Deal Program - nine percent.

C. Allocations of payroll expense tax proceeds to programs and services supported by the City's General Fund shall be limited to the amount needed to sustain critical services and attend to emerging needs that cannot otherwise be sufficiently addressed with General Fund resources.

D. When payroll expense tax proceeds decline or fall short of forecast, consideration shall be given to increasing General Fund support to programs and services that would otherwise rely upon funding from payroll expense tax proceeds.

Section 2. A new Section 5.38.105 is added to the Seattle Municipal Code as follows:

5.38.105 Payroll Expense Tax Revenue Stabilization Account

A Payroll Expense Tax Revenue Stabilization Account (PET RSA) is established within the JumpStart Payroll Expense Tax Fund (14500). The PET RSA is intended to cushion the City from unanticipated shortfalls in Payroll Expense Tax revenues. Consistent with this intent:

A. The target level for balance for the PET RSA shall be equal to ten percent of forecast revenues;

B. Appropriations from the PET RSA shall only be made when actual or forecast PET revenues fall below the levels anticipated in the Mayor's Proposed Budget for the year following, or assumed in the Adopted Budget for the current year;

C. If the balance within the PET RSA is below the target level the Mayor's proposed budget shall include actual and planned appropriations to achieve that level within four years; and

D. In addition to any direct appropriations to the PET RSA authorized by the annual budget, 50 percent of any unanticipated year-end fund balance within the JumpStart Payroll Expense Tax fund, after accounting for carryforward appropriations, encumbrances, and planned reserve amounts reflected, in the adopted budget, shall be transferred to the PET RSA, if the PET RSA balance is below the target level. If such a transfer would bring the balance of the PET RSA above the target level, the amount of this transfer shall be limited to the amount needed for the PET RSA balance to achieve the target level.

Section 3. Section 5.38.120 of the Seattle Municipal Code, enacted by Ordinance 126108, is repealed:

~~((5.38.120 Sunset~~

~~For all periods from January 1, 2021, through December 31, 2040, a payroll expense tax as imposed by this Chapter 5.38 is hereby levied. No business shall owe a payroll expense tax for payroll expenses after December 31, 2040, and this Chapter 5.38 shall be limited to determining and collecting the payroll expense tax due for all business activities prior to December 31, 2040.))~~

Section 4. Section 3.35.100 of the Seattle Municipal Code, enacted by Ordinance 126109, is repealed:

~~((3.35.100 Payroll Tax Oversight Committee~~

~~A. There is established an Oversight Committee for the purpose of providing oversight on the services~~

~~and programs supported by the tax in Chapter 5.38 and its impacts on the number of jobs and businesses in the City, and other data that directly relates to measuring the impact of the tax on the City's economy. The Oversight Committee shall provide an annual report that provides this information to the Mayor and the City Council. The Oversight Committee shall consult with the Coalition of City Unions, Small Business Advisory Council, Housing Levy Oversight Committee, the Green New Deal Oversight Board, and other oversight bodies that monitor programs and services similar to those supported by the tax. The Committee may elect officers and establish rules of procedure, including what shall constitute a quorum. The Director of Neighborhoods or such other department head as may be designated by the Mayor shall provide the Committee such information as is necessary for the Committee to determine the status of individual programs and projects.~~

~~B. The Oversight Committee shall consist of nine voting members, appointed to positions number 1 through 9.~~

~~1. Position 1 shall be a City employee appointed by the Mayor or designee; position 2 shall be a City employee appointed by the City Council; positions 3 through 9 shall be persons outside City government. Positions 3, 5, and 7 shall be appointed by the Mayor. Positions 4, 6, 8, and 9 shall be appointed by the City Council.~~

~~2. Positions 3 and 4 shall represent labor.~~

~~3. Positions 5 and 6 shall represent business.~~

~~4. Positions 7 and 8 shall represent community organizations that reflect the diversity of the City.~~

~~5. Position 9 shall represent communities that will benefit from the proposed spending.~~

~~6. The appointing authority may remove any member who is absent from two or more consecutive meetings without cause.~~

~~C. No more than one committee members appointed by the Mayor and no more than one committee members appointed by the City Council shall be an officer, director, board member, trustee, partner, or employee of an entity that receives or competes for funding under Ordinance 126109; or be a member of the~~

~~immediate family of, or an individual residing with, an officer, director, board member, trustee, partner, or employee of an entity that receives or competes for funding under Ordinance 126109; or be a person seeking or having an arrangement concerning future employment with an entity that receives or competes for funding under Ordinance 126109. For the purposes of this Section 3.35.100, an individual's "immediate family" means the individual's spouse, domestic partner, child, child of a spouse or domestic partner, sibling-in-law, parent, parent of a spouse or domestic partner, a person for whom the individual acts as a guardian, or a person claimed as a dependent on the individual's most recent federal income tax return. Subject to the preceding sentence and applicable law, an individual serving as an officer, director, board member, trustee, partner, or employee of an entity that receives or competes for funding under Ordinance 126109, or who has an interest in such an entity, shall not thereby be disqualified from serving on the Committee, but shall fully disclose any such relationships and shall not vote on any matter in which the interest of such entity is directly involved.~~

~~D. Upon the resignation, retirement, death, incapacity, or removal of a member, the authority appointing such member may appoint a replacement for the balance of the term.~~

~~E. The initial terms of positions 1, 3, 5, 7, and 9 shall be two years; the initial terms of positions 2, 4, 6, and 8 shall be three years; all subsequent terms shall be three years. Any vacancy in an unexpired term shall be filled in the same manner as the original appointment. A member whose term is ending may continue on an interim basis as a member with voting rights until such time as a replacement for that position has been appointed by the City Council or confirmed by the City Council.~~

~~F. Members shall serve without pay, except that members may request compensation of \$50 per hour served if participating on the committee presents a financial hardship. Upon such request, the Director of Neighborhoods is authorized to expend funds in the Department of Neighborhood's budget for this purpose. No money may be expended for services rendered prior to a request being filed with and approved by the Director.~~

))

Section 5. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and

1.04.070.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office/Legislative	Ben Noble	Adam Schaefer

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Payroll Expense Tax; adjusting the allocation of tax proceeds; eliminating the Payroll Expense Oversight Committee; eliminating the sunset date for the Payroll Expense Tax; amending Section 5.38.055 of the Seattle Municipal Code; adding a new Section 5.38.105 to the Seattle Municipal Code; and repealing Sections 3.35.100 and 5.38.120 of the Seattle Municipal Code.

Summary and Background of the Legislation: The City Council passed the Payroll Expense Tax (PET), a tax on certain payroll expenses of businesses with payroll of \$7 million or higher, in 2020. That year, the Council adopted Resolution 31957 that outlined a specific spending plan for the use of revenues from the tax. In 2021, the City Council passed an ordinance (Ordinance 126393) creating a separate Fund in the City Treasury for tax proceeds, and prescribing how those proceeds could be spent in 2022 and beyond.

In 2020 and 2021, the City Council adopted one-time exceptions to the spending plan to allow a significant transfer of PET revenues to support General Fund activities. In 2022, the City Council adopted a two-year bill to again allow for a significant transfer of PET revenues to the General Fund. And in 2023, the City Council raised the PET rate and designated the additional funds to be used to support student mental health without amending the adopted spending plan to allow it. In short, the framework originally described by Resolution 31957 (2020) and codified by Ordinance 126393 (2021) has never been adhered to as City revenues and community needs coming out of the COVID-19 public health emergency have not aligned nor reverted to pre-pandemic levels. As the City heads into a new biennium, there is no realistic prospect that revenues and needs have reverted to a pre-pandemic level that would allow the City to align with the original spending plan.

This proposed legislation respects the general intent of the Payroll Expense Tax by designating the proceeds primarily for the original categories of supporting affordable housing, economic revitalization efforts, advancing Green New Deal initiatives and goals, supporting the City's Equitable Development Initiative, student mental health and youth violence prevention (added by the City Council in 2023) and maintaining core City services, while also providing flexibility needed to meet the City's obligation to adopt a balanced budget. Consistent with the spending priorities originally established in Ordinance 126393, this legislation sets out percentage allocations designed to guide the use of PET revenues deployed in support of those original priorities. In recognition of the fact that relative priorities may shift over time, these percentage allocations are, however, established as guidelines, rather than prescriptive, binding restrictions.

Recognizing that Payroll Expense Tax proceeds have become a critical source of revenue to support the General Fund, as well as the previously identified spending categories, and that the programs and services that have become reliant on these proceeds will be needed into the foreseeable future, this legislation also eliminates the December 31, 2040 sunset date for the Payroll Expense Tax. This date was established in Ordinance 126108 that Council passed in 2020 to first authorize the tax.

Given the critical nature of Payroll Expense Tax proceeds, the legislation also establishes formal policies regarding the creation and maintenance of a Revenue Stabilization Account for the Payroll Expense Tax Fund. The legislation sets the target funding level for the reserve at 10% of annual revenues, with mechanisms established for both “voluntary” and automatic transfers into the Account.

This legislation also eliminates the Payroll Expense Tax Oversight Committee, which was established in code as part of the original tax legislation adopted in 2020. However, the Payroll Expense Tax spending plan has never been implemented in the way envisioned when it was adopted in 2020 due to the length and severity of the COVID-19 public health emergency and its impacts on the City’s budget. A substantial portion of the revenue has been needed to maintain core City services in each budget since and the City’s financial outlook makes that likely for years to come. The committee has never convened, but the Mayor’s Proposed Budget includes \$100,000 to fund an independent consultant to evaluate the impacts of the tax and effectiveness of its investments.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☒ Yes ☐ No

As described above, this legislation would: modify the spending restrictions on Payroll Expense Tax proceeds; establish a formal Revenue Stabilization Account; and eliminate the sunset date that would have otherwise terminated the tax at the end of 2040.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

Not amending the prescription of Payroll Expense Tax proceeds means that the City Council will need to find alternative ways to balance the 2025 Adopted Budget, as required by state law.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

Several departments currently receive Payroll Expense Tax proceeds. This legislation will provide the flexibility needed to fund previous investments made in many City departments.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

The potential implications of this legislation are unclear. While investments under the current spend plan may disproportionately impact BIPOC or other historically marginalized groups, the City services that might be preserved by this legislation may also service vulnerable and historically disadvantaged communities.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

- iii. What is the Language Access Plan for any communications to the public?**

- d. Climate Change Implications**

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency:** Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion:** What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☐ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachments: None.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

WHEREAS, on December 12, 2023, the City Council passed Ordinance 126974, authorizing the execution of a collective bargaining agreement between The City and the International Association of Fire Fighters, Local 27; and

WHEREAS, on April 2, 2024, the City Council passed Ordinance 127004, authorizing the execution of a collective bargaining agreement between The City and the Washington State Council of County and City Employees, American Federation of State, County and Municipal Employees, Local 21SP; and

WHEREAS, on April 2, 2024, the City Council passed Ordinance 127005, authorizing the execution of collective bargaining agreements between The City and certain City unions in the Coalition of City Unions; and

WHEREAS, on April 2, 2024, the City Council passed Ordinance 127006, extending annual wage increases to non-represented City employees; and

WHEREAS, on May 14, 2024, the City Council passed Ordinance 127023, authorizing the execution of a collective bargaining agreement between The City and the Washington State Council of County and City Employees, American Federation of State, County and Municipal Employees; and

WHEREAS, on June 18, 2024, the City Council passed Ordinance 127042, authorizing the execution of a

collective bargaining agreement between The City of Seattle and the International Brotherhood of Electrical Workers Local No. 77 Construction Maintenance Equipment Operator Unit; and

WHEREAS, on June 18, 2024, the City Council passed Ordinance 127043, authorizing the execution of a collective bargaining agreement between The City of Seattle and the International Brotherhood of Electrical Workers Local Union No. 77 Information Technology Professionals' Unit; and

WHEREAS, on June 25, 2024, the City Council passed Ordinance 127047, authorizing the execution of collective bargaining agreements between The City of Seattle and the International Brotherhood of Electrical Workers Local 77; and

WHEREAS, now that these agreements have been executed, City departments require additional funds in 2024 to pay for increased labor costs; and

WHEREAS, on August 13, 2024, the City Council passed Ordinance 127068, providing appropriations through June 30, 2024 related to contracts passed on or before May 14; and

WHEREAS, additional appropriations are needed to avoid exception related to these agreements in 2024; and

WHEREAS, on August 21, 2024, the joint labor-management City Healthcare Committee, in accordance with its governing Memorandum of Agreement, approved the use of \$15 million in excess fund balance from the Rate Stabilization Fund in the Health Care Fund (10112) to help meet the costs associated with the bargained wage increases; and

WHEREAS, the City proposes to use an additional \$38 million in non-Rate Stabilization Fund Health Care Fund balances to further help meet the one-time costs associated with the bargained wage increases and to reduce the Health Care Fund's balances to more appropriate operating levels above required reserves; and

WHEREAS, excess Health Care Fund collections are returned to City departments and funds in the form of a "healthcare holiday," reducing monthly department contributions to the Fund; and

WHEREAS, a healthcare holiday generates excess appropriations in budget control levels that are not directly

aligned with salary spending; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The appropriations for the following items in the 2024 Adopted Budget are reduced from the funds shown below:

4.18	Seattle City Light	Light Fund (41000)	Conservation & Environmental - CIP (41000-BC-CL-W)	Energy Efficiency (MC-CL-WC2250)	\$991,432
4.19	Seattle City Light	Light Fund (41000)	Customer Focused - CIP (41000-BC-CL-Z)	Network Additions and Services: Broad Street Substation (MC-CL-ZS8363)	\$992,307
4.20	Seattle City Light	Light Fund (41000)	Transmission and Distribution - CIP (41000-BC-CL-Y)	Overhead Equipment Replacements (MC-CL-YR8351)	\$1,362,973
4.21	Seattle City Light	Light Fund (41000)	Customer Focused - CIP (41000-BC-CL-Z)	Medium Overhead and Underground Services (MC-CL-ZS8366)	\$2,485,582
Total					\$15,209,488

Allocation modifications for Seattle City Light in this section shall operate for the purposes of increasing or decreasing the base for the limit imposed by subsection 4(c) of Ordinance 126955.

Section 5. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by a 3/4 vote of all the members of the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved / returned unsigned / vetoed this _____ day of _____, 2024.

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

(Seal)

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office	Candice Foote	Candice Foote

1. BILL SUMMARY

Legislation Title: AN ORDINANCE amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

Summary and Background of the Legislation: This legislation increases 2024 appropriations to City departments to allow for increased costs of labor resulting from executed agreements with City unions and related legislation for non-represented employees. When the 2024 Budget was considered and adopted in 2023, these labor actions were outstanding and not included in the 2024 base budget. Appropriations to City departments for 2023 retroactive payments and the first half of 2024 were included in Ordinance 127067.

This legislation includes appropriations to account for the second 50 percent of the forecasted wage increases for 2024 for all agreements listed above. It also contains funding for retroactive and 2024 current year costs for settle Local 77 contracts that were passed after CBO was preparing mid-year legislation.

The ordinances authorizing the increased costs contained in this bill are:

- Ordinance 126974, which authorized the execution of a collective bargaining agreement between The City and the International Association of Fire Fighters, Local 27.
- Ordinance 127004, which authorized the execution of a collective bargaining agreement between The City and the Washington State Council of County and City Employees, American Federation of State, County and Municipal Employees, Local 21SP.
- Ordinance 127005, which authorized the execution of collective bargaining agreements between the City and certain City unions in the Coalition of City Unions.
- Ordinance 127006, which extended annual wage increases to non-represented City employees.
- Ordinance 127023, which authorized the execution of a collective bargaining agreement between The City and the Washington State Council of County and City Employees, American Federation of State, County and Municipal Employees, Local 21SP beginning January 1, 2023.
- Ordinance 127042, which authorized the execution of a collective bargaining agreement between The City of Seattle and the International Brotherhood of Electrical Workers Local No. 77 Construction Maintenance Equipment Operator Unit.
- Ordinance 127043, which authorized the execution of a collective bargaining agreement between The City of Seattle and the International Brotherhood of Electrical Workers Local Union No. 77 Information Technology Professionals' Unit.

- Ordinance 127047, which authorized the execution of collective bargaining agreements between The City of Seattle and the International Brotherhood of Electrical Workers Local 77.

City Executive departments have been asked to deploy a number of strategies to limit current year (2024) spending to relieve pressure on the budget. One strategy includes the implementation of a healthcare holiday. This legislation includes budgetary adjustments because of lower than expected healthcare billing for all of the departments.

A summary of labor contract related appropriation changes and healthcare holiday related changes by department and fund can be found in Summary Attachments A and B.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☒ Yes ☐ No

Expenditure Change (\$);	2024	2025 est.*	2026 est.	2027 est.	2028 est.
General Fund	\$29,675,375	195,553,199	227,039,953	227,039,953	227,039,953
Expenditure Change (\$);	2024	2025 est.	2026 est.	2027 est.	2028 est.
Other Funds	\$69,420,787	163,977,342	218,639,713	218,639,713	218,639,713

*2025 and beyond columns correspond to the amounts from the Mid-year legislation plus 25 and 26 assumptions for Local 77 CBAs. Figures remain flat for 2027 and 2028 as nearly all contracts will be open by 2027.

3.a. Appropriations

☒ This legislation adds, changes, or deletes appropriations.

Appropriations Notes: See the ordinance for details on the BCL level appropriations.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

The ongoing (2025-2028) financial impacts related to this legislation are included in the 2025-26 Proposed Budget and Six-Year Financial Plans.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

The costs associated with this legislation cannot be absorbed with existing appropriations. The City has held planning reserves for each fund to provide the resources for the appropriations in this legislation.

Please describe any financial costs or other impacts of *not* implementing the legislation.

City departments will not have the appropriations necessary to implement the requirements of the labor agreements described in Section 1.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

Yes, this legislation impacts most departments' 2024 budgets. The budget appropriation contained in this legislation provides appropriation authority to implement the labor agreements described in Section 1.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

This legislation provides the appropriations necessary to implement previously approved labor agreements. Please see implications for the principles of the Race and Social Justice Initiative section in the Summary and Fiscal Note for the listed ordinances.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

N/A

d. Climate Change Implications

- i. **Emissions:** How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

N/A

- ii. **Resiliency:** Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion:** What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to facilities at Seattle Center; adopting the Seattle Center Fee Range Schedule and Terms and Conditions from which the Seattle Center Director is authorized to set fees for use of Seattle Center facilities and property; and superseding previous Seattle Center fee schedules and terms and conditions.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Effective January 1, 2025, the Director of the Seattle Center is authorized to charge the fees and enforce the terms substantially in the form set forth in the “Seattle Center Fee Range Schedule and Terms and Conditions,” attached as Attachment A to this ordinance, and all prior Seattle Center fee schedules and terms and conditions are superseded.

Section 2. The provisions of this ordinance and of Attachment A to this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this ordinance or Attachment A, or the invalidity of their application to any person or circumstance, does not affect the validity of their remainders or the validity of their application to other persons or circumstances.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.
/

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

Attachment A - Seattle Center Fee Range Schedule and Terms and Conditions

Seattle Center Fee Range Schedule

Effective January 1, 2025

Facility	Use Fee Ranges Standard/Government Agency Events		Use Fee Ranges Spectator Events ⁴			
	EVENT DAY FEE ^{1 & 2}		Higher of: EVENT DAY FEE PERCENTAGE OF NET GROSS SALES ³			
	MINIMUM	MAXIMUM	MINIMUM	MAXIMUM	MINIMUM	MAXIMUM
Armory Loft	\$600	\$5,000	NA	NA	NA	NA
Rooms 2 & 3 & 4	\$300	\$2,500	NA	NA	NA	NA
Rooms 1A & 1B	\$200	\$1,000	NA	NA	NA	NA
Exhibition Hall	\$2,500	\$10,000	\$1,000	\$10,000	5%	15%
Fisher Pavilion	\$2,500	\$10,000	\$2,500	\$10,000	5%	20%
Armory Atrium	\$1,000	\$12,000	\$1,000	\$15,000	5%	15%
Marion Oliver McCaw Hall	\$4,000	\$10,000	\$4,000	\$15,000	5.5%	15%
Facility Surcharge						
McCaw Hall			Up to \$10 per ticket or per paid admission for all promoters			
Other Facilities			Up to \$6 per ticket or per paid admission for all promoters			

NOTES:

- Full Day Move-In/Out:** The Director may reduce the use fee for move-in and/or move-out on the days preceding and following an Event to as low as half the price of an Event day.
- Partial day Move-In/Out:** The Director may reduce the use fee to as low as one quarter of the use fee for an Event day for move-in and move-out when only a small portion of the day is used.
- Net Gross Sales:** Net Gross Sales means the total amount of money received or receivable from the sale of admission tickets to a Spectator Event, less any applicable City Admission Tax, City B & O Tax, State Revenue Tax and Washington State Athletic Commission Tax due in connection with such Event, as substantiated by a certified box office statement.
- Use Fee Ranges for Spectator Events:** Licensee must pay the higher of the Event day fee or the percentage of Net Gross Sales. The Event day fee and the percentage of Net Gross Sales shall be set within the ranges established by the minimums and maximums set forth above in accordance with the Terms and Conditions for Events at Seattle Center. For example, a rental of the McCaw Hall Auditorium may be set within these ranges to be the higher of an Event day fee set at \$4,700 versus 9% of Net Gross Sales for the event.
- For 2nd day and succeeding days of events:** The Director may negotiate and reduce the use fee for the second and succeeding days of multi-day uses.
- High Value Dates:** The Director may charge premium rates of up to 50% more than the maximum Event day fee listed above for Events in any Facility on dates the Director designates as High Value Dates. A “High Value Date” means a holiday or a date on which Seattle Center is already hosting a major campus-wide event. Examples of High Value Dates include but are not limited to New Year’s Eve, the date of the Pride Festival, the date of the Seafair Torchlight Parade, or the date of the St. Patrick’s Day Dash.
- Definitions.** Any capitalized word or phrase that is not defined in this Attachment shall have the meaning given in S.M.C 17.16.005 or in the Terms and Conditions for Events at Seattle Center.

Terms and Conditions

1. DIRECTOR’S AUTHORITY

The Director of the Seattle Center Department (“Director”) shall prepare facility use agreements for Events and Event-related services at the Seattle Center for overall terms of not more than five years, with the approval of the City Attorney and the guidance of the Risk Manager and the City Budget Director, and in accordance with all applicable City of Seattle ordinances and policies. Facility use agreements with terms in excess of three years shall be subject to review by the City Budget Director.

The Director shall promulgate rules and guidelines containing regulations and standards for the application of fees, charges, and terms and conditions of use for Seattle Center facilities that are consistent with the policies expressed herein.

2. DEFINITIONS

- a. “Concession Fee” means a fee charged either as a percentage of sales or at a flat rate for the right to sell merchandise and/or food and beverages at an Event.
- b. “Consumer Show” means an Event open to the public in which businesses sell or sample their products to consumers, and for which a ticket or entrance fee is required.
- c. “Exhibit Show” means a ticketed or non-ticketed Event in which audiences view a static display of things, articles, or images. An Exhibit Show may include elements in which seated audiences view a demonstration or performance related to the static display.
- d. “Event” has the meaning set forth in SMC 17.16.005.
- e. “Facility” means a room, building, or outdoor space at Seattle Center that can be rented by the public.
- f. “Facility Surcharge” is defined in Section 3.b.
- g. “Government Agency Event” means an Event of any agency of the federal government, any department of the State of Washington, any municipal corporation or corporation chartered by a municipality, or any other special or general purpose unit of local government in the State of Washington.
- h. “Origination Fees” is defined in Section 3.g.
- i. “Rate Card” is defined in Section 3.a.
- j. “Seattle Center Public Programming Event” means an Event for which Seattle Center is the sole or partial financial sponsor and controls some aspect of the production.

- k. "Spectator Event" means any Event open to the public and held in the Exhibition Hall, Fisher Pavilion, Armory, Marion Oliver McCaw Hall, or on the Seattle Center grounds, where admission to the Event's principal activity is ticketed or an admission fee is required, except for trade or Consumer Shows, private meetings, conventions, or Exhibit Shows.
- l. "Standard Event" means any Event that is not a Spectator Event or Government Agency Event, including but not limited to Consumer Shows, private meetings, conventions, Exhibit Shows and non-ticketed Events.
- m. "Use Period" means the time specified in the agreement as the inclusive times for user's use of a specified Facility on a specified day, including any portion of the immediately following day into which the inclusive time extends as established in the use agreement.

3. CLIENT USE OF FACILITIES

- a. **USE FEES:** The Director is authorized to establish from time to time a schedule of facility use fees (the "Rate Card") for applicable Seattle Center facilities, consistent with Attachment A, "the Seattle Center Fee Range Schedule," and taking into account the following City policies: (i) that the Rate Card shall be administered in the same manner to any entity that qualifies to use a Seattle Center facility; and (ii) that fees be competitive in the marketplace and be anticipated to return reasonable revenue to Seattle Center relative to operational costs. The Rate Card may set fees according to event type, size of venue, or on any other basis consistent with the Seattle Center Fee Range Schedule and with the above policy.

The Director may negotiate fees for intermittent use of miscellaneous facilities and portions of facilities that are not identified in Attachment A: Seattle Center Fee Range Schedule, based on the policies described above, and taking into consideration market conditions and other legitimate business concerns.

A separate use fee will be charged for each Use Period. Use fees shown on a Rate Card are minimum use fees. Where percentages of net gross sales apply in excess of a minimum use fee, the Director may negotiate a maximum use fee. In-kind consideration such as complimentary tickets, or services such as guest appearances, may be negotiated as part of the overall consideration for use of a Facility. The Director shall promulgate a Complimentary Ticket Use Policy governing the use of complimentary tickets which shall be consistent with the City of Seattle Ethics Code.

- b. **FACILITY SURCHARGES:** The Director is authorized to collect an additional use fee to be known as a Facility Surcharge on all Spectator Events and Consumer Shows based on the number of tickets sold (or on the number of paid admissions, if tickets are not used), and to establish a schedule of per-ticket or per-paid-admission rates consistent with Attachment A: Seattle Center Fee Range Schedule. The basis for computing the Facility Surcharge may include complimentary tickets or admissions if such complimentary tickets or admissions exceed 10% of sellable capacity for the Event, in which case the Facility Surcharge shall be payable for those complimentary tickets or admissions that exceed 10% of sellable

capacity. The Director shall promulgate guidelines governing the application of the Facility Surcharge, which shall be based on costs incurred or service provided by the City.

- c. **USE FEE PAYMENTS:** The full amount of the use fee is due prior to the Event for Standard Events; an executed purchase order is required prior to the Event for Government Agency Events. For Spectator Events, a deposit of a portion of the use fee is due prior to the Event with the remainder due at settlement for the Event. Money paid to the City shall be in the form of legal tender of the United States of America. Goods and services with a wholesale value that is equal to or greater than the use fee may be accepted in partial or full payment, subject to City of Seattle purchasing rules.

The Director is authorized to determine due dates for the return of signed use agreements and for payments, including installment payments, that take into consideration the fiscal responsibility of Seattle Center and sound business practices including the reasonable amount of time that is needed to re-let a space if a deadline is not met; the financial history of repeat clients; the time needed to set up the space without incurring additional labor costs and the time needed for the user to return the use agreement with the initial payment.

- d. **CONTINGENCY DEPOSIT:** In addition to the use fee, the Director may require a contingency deposit(s) to be paid prior to an Event to cover some portion of the estimated labor, parking fees, equipment charges, services, damage or other incidental charges anticipated to be incurred during the Event, or as partial security for payment-in-full of all Event-related expenses. Any portion of the contingency deposit remaining after deductions are made to pay a user's Event expenses shall be refunded to the user. The Director may waive this contingency deposit(s) based on a history of reliable payment by a user or lack of charges incurred during past Events of that user.
- e. **CANCELLATION FEES:** The Director may assess reasonable cancellation fees for Events or portions of Events that are cancelled within a certain time period prior to the Event as specified in the use agreement. In determining whether to assess a cancellation fee, the Director shall employ sound business practices including the time characteristically needed to book a new Event in the same type of space; the user's past Event history; and the financial consequences to Seattle Center if the Event is cancelled.
- f. **TRANSFER FEES:** To accommodate users' needs and maintain good business relationships, and subject to availability, Seattle Center may permit users to change contracted Event dates and/or spaces when doing so does not have a negative financial impact on Seattle Center. A transfer fee may be charged if the request is made close to the time of the Event.
- g. **ORIGINATION FEES:** The Director may assess Origination Fees, which are defined as fees based on industry standards for the right to take photographs, broadcast a performance live, or make a video and/or audio recording at an Event at Seattle Center. The Director may accept the user's promotion of Seattle Center in partial or full payment of the Origination Fee provided that the value of the promotion is equal to or exceeds the value of the Origination Fee.

- h. **CATERING:** The Director may collect fees for catering services provided to guests at Events in facilities at Seattle Center. For Seattle Center Public Programming Events, the Director may include this fee as part of Seattle Center's Event sponsorship.

The Director may enter into catering agreements with terms of up to ten years, giving one or more caterers the right to provide catering services to Seattle Center clients in conjunction with such clients' events in Seattle Center Facilities, in accordance with Seattle Municipal Code (SMC) 17.16.020. These catering rights may or may not be exclusive depending on the specific Facility.

- i. **FOOD AND BEVERAGE CONCESSIONS:** The Director may collect Concession Fees for sales of food and beverages by users of spaces not subject to an exclusive food and beverage concession agreement, unless the Event is a food fair. The Director shall establish guidelines with a table of charges based on the number of concession stands, the expected attendance and an estimated per capita expenditure by guests at the Event, as well as based on market competitiveness. The Director may combine this charge with other charges and fees.

The Director may enter into concession agreements with terms of up to ten years, giving the concessionaire the exclusive right to sell such food and beverages at Events in specific facilities, and/or to the public at specified locations on the Seattle Center grounds, in accordance with SMC 17.16.020.

- j. **PROGRAM AND NOVELTY CONCESSIONS:** The Director may collect Concession Fees at any Event at which users or their agents sell programs and novelty items. The fee shall not apply to exhibitors at an exhibit show who have contracted for booth space from the user. The Director may combine this charge with other charges and fees.

The Director may enter into concession agreements with terms of up to ten years, giving concessionaires the exclusive right to sell program and novelty items at Spectator Events in specific facilities, and/or to the public at specified locations on the Seattle Center grounds, in accordance with SMC 17.16.020.

- k. **REFUNDS:** The Director may refund fees to make amends to dissatisfied users for failures in service by Seattle Center or Event vendors or for such other reasons as the Director may determine are fair and reasonable.

- l. **OPERATIONAL TERMS:**

- 1) **Services and Equipment:** Certain services and equipment will be provided by Seattle Center on the day(s) of an Event in consideration of use fees paid. These services shall be specified in the use agreement or listed in the applicable facility addenda that shall be attached to the use agreement.

Certain other services and equipment may be required or made available for an additional charge, which shall be described in addenda to the use agreement. The charges in these addenda shall be based on the Director's assessment of competitive fees in the marketplace and anticipated revenue generation for Seattle Center relative to the

operational costs of buying, maintaining and replacing equipment and of supplying services.

The Director may enter into service provider agreements with terms of not more than ten years in accordance with SMC 17.16.020, securing event-related services at rates favorable to the City and under provisions requiring the services to be performed in a professional manner that accommodates the needs of both the Seattle Center and any user who uses these services.

- 2) **Cleaning Between Performances:** For the safety of attendees to an Event, and to maintain Seattle Center's standards of appearance for the Facility, the Director may require users to pay for cleaning between multiple performances on the same day.
 - 3) **Hours of Use:** The Director may determine the hours of the day that an Event may be open at Seattle Center.
- m. **SPECIAL CONDITIONS:** The Director is authorized to vary from the established Rate Card only for sound business purposes and only if such variance is available to any user. The reasons for such variance shall be contained in Seattle Center rules and guidelines, be in the City's best interest, and be related to the stated goals for Seattle Center, including generating revenue. The Director may negotiate terms and conditions for use that combine use fees with other charges and sources of revenue related to an Event; may waive fees or portions of fees; and negotiate terms that create benefits for Seattle Center in addition to use fees.

4. SEATTLE CENTER PUBLIC PROGRAMMING EVENTS

The Director is authorized to negotiate and enter into agreements to sponsor Events at Seattle Center. These Events shall comply with the Department's public programming guidelines. The City's financial support for the Event shall be based on the relevancy of the Event to the goals contained in the Seattle Center Vision Statement and Public Programming Strategic Plan, and on availability of appropriate resources. Approval by the City Budget Director is required for agreements where the City's financial support exceeds \$75,000. Application for status as a Seattle Center Public Programming Event is open to everyone. Seattle Center shall determine whether to sponsor the Event as a Seattle Center Public Programming Event and the terms and conditions of such sponsorship.

5. EVENTS CO-PROMOTED BY SEATTLE CENTER

The Director is authorized to negotiate and enter into agreements as a co-promotion partner for Events in any Facility. For these Events, all sources of Event revenue and Event-related expenses may be shared with the co-promoter. Co-promotion decisions shall be made judiciously for sound business reasons with the intent of achieving Seattle Center goals, increasing use of the facilities and maximizing revenue for the City. Approval by the City Budget Director is required for agreements where the City's risk for potential loss, excluding the cost of facility rental, exceeds \$100,000.

6. EVENTS PROMOTED BY SEATTLE CENTER

The Director is authorized to enter into agreements as a promoter of Events in any Facility. For these Events, City shall retain all sources of Event revenue and shall be responsible for all Event-related expenses. Decisions to self-promote Events shall be made judiciously for sound business reasons with the intent of achieving Seattle Center goals, increasing use of the facilities and maximizing revenue for the City. Approval by the City Budget Director is required for agreements where the City's risk for potential loss exceeds \$100,000.

SUMMARY and FISCAL NOTE

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to facilities at Seattle Center; adopting the Seattle Center Fee Range Schedule and Terms and Conditions from which the Seattle Center Director is authorized to set fees for use of Seattle Center facilities and property; and superseding previous Seattle Center fee schedules and terms and conditions.

Summary and Background of the Legislation: Seattle Center regularly adjusts various facility fees and facility charges for its commercial event facilities. The fees for events are structured within ranges, identified in the Seattle Center Fee Range Schedule. Additional factors in Seattle Center's current operating environment include:

- In the last two years, the Puget Sound region has seen several new or re-purposed outdoor concert and event sites open within easy distance of Seattle, with capacities that meet and sometimes exceed the capacity of Seattle Center's typical outdoor venues and create significant competition for Seattle Center's regular large event clients.
- It is anticipated that construction of the new Memorial Stadium will begin during the 2025-26 biennium and is expected to impact most major event activity on the campus throughout the process.
- Programmatically, Seattle Center continues to prioritize events that support the Downtown Activation Plan and generate steady business for Seattle Center's most critical revenue generators (parking and Armory). In the 2025-26 biennium, Seattle Center anticipates additional layers of opportunity and complexity to impact local event producers with Citywide preparation for hosting a part of the FIFA World Cup in 2026. These needs will have to be balanced with the realities of resource availability.

Seattle Center is a hub of community and commercial event activity, and as such has an important role to play in creating clear communication, steadiness and predictability for event producers in our community. The desired changes outlined in this legislation are intended to provide Seattle Center with some of the tools required in the next biennium to remain a competitive and attractive event facility in the face of our current and near-future operating environment.

Facility Fee Update

This legislation updates the facility use fees for event facilities. The existing event fee ranges provide the Director with discretion to raise or lower fees if the current event market supports the change. When the Director becomes aware of market factors that will allow facility rental rates to be raised and still be competitive, a new rate schedule may be published. Alternatively, if economic conditions change for the worse, or if research indicates that a target client group is not

being attracted, the Director may revise the rate schedule to lower fees within the adopted ranges to attract and retain business. The proposed fee changes are an increase in the Maximum and certain Minimum fees for use of certain Seattle Center Campus Facilities and for Marion Oliver McCaw Hall, and an option for the Exhibition Hall and Fisher Pavilion to have use fee ranges for spectator events that include a percentage of net gross sales in lieu of an event day fee.

Terms and Conditions for Events Update

In the last two years, and as planned for coming years, Seattle Center has worked with a strategy of building up certain multi-day and temporary long-term commercial event partnerships in order to help anchor seasonal programming and support regular event traffic, beyond the large community festivals produced and co-produced by Seattle Center.

- The one proposed change for Section 1 of this attachment is to allow the Director authority to approve event contracts with terms up to three years instead of two without CBO review. This allows Seattle Center to secure and stabilize agreements with event clients who may be impacted by World Cup or construction activities, ensuring a certain baseline of event activity for 2027.
- Two proposed changes to Section 4 of this attachment:
 - Update the name of Seattle Center’s public programming unit from “Seattle Center Productions” to “Seattle Center Public Programs” in response to the reorganization of 2020, which brought the Seattle Center Productions and Campus Sales & Service teams into a single Seattle Center Programs & Events division. The new language better describes the specific work units and programs involved in this section.
 - Update the threshold of financial support requiring the City Budget Director’s approval from \$25,000 to \$75,000. This threshold has remained stagnant in the Terms and Conditions for over 20 years, and given inflation and market forces, is well overdue for adjustment.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2024 Revenue	2025 Estimated Revenue
Seattle Center McCaw Hall Fund 11430	Seattle Center	Facility Fees	See note	See note
Seattle Center Campus Fund 11410	Seattle Center	Facility Fees	See note	See note
TOTAL				

Revenue/Reimbursement Notes:

This legislation increases certain minimum and maximum facility fees that can be charged clients for use of Campus facilities or McCaw Hall. Previous legislation established the authorized range of fees charged in facilities at Seattle Center. Annual revenue estimates are based on the estimated number of events held in facilities, ticket prices for events for which the facility fee is the greater of a percentage of sales or the minimum use fee, and the event ticket prices. The annual impact of just the minimum/maximum fee increases is not isolated in the revenue estimates.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

This legislation does not have cost implications for the City. The requested changes allow Seattle Center to adequately adjust facility use fees to cover direct costs associated with events.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

Not implementing the legislation would restrict Seattle Center's ability to efficiently cover direct costs associated with events via facility use fees – and would restrict Seattle Center's opportunity to reasonably maximize its revenue from commercial event activity. Not implementing this legislation also reduces Seattle Center's ability proactively to stabilize event activity in 2027 ahead of anticipated disruptions in 2025-2026 caused by World Cup and construction activities.

4. OTHER IMPLICATIONS

- a. **Please describe how this legislation may affect any departments besides the originating department.**

No other departments are affected.

- b. **Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. **Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

Fee adjustments may have an impact on affordability, access, and diversity in terms of attendance at commercial (ticketed) and third-party events/rentals. Public programming (free and non-ticketed) events are not impacted.

- i. **How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. **What is the Language Access Plan for any communications to the public?**

Communications with Seattle Center event clients are modified as necessary to ensure accessibility by clients.

- d. **Climate Change Implications**

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

No

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

This legislation does not include a new initiative or major programmatic expansion.

5. CHECKLIST

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the financing of the Memorial Stadium redevelopment project; creating the 2026 Multipurpose LTGO Bond Fund B; authorizing the loan of funds in the amount of \$9,300,000 from the REET I Capital Projects Fund to the 2026 Multipurpose LTGO Bond Fund B for the Memorial Stadium redevelopment project.

WHEREAS, Memorial Stadium is a 77-year-old student-centered facility owned by Seattle Public Schools (SPS), built on land deeded to SPS by The City of Seattle (City) in 1946 with the stipulation that SPS would build, operate and maintain an athletic facility, and now is in need of replacement; and

WHEREAS, on November 22, 2022, the SPS Superintendent and the Mayor entered a Memorandum of Agreement outlining their intention to jointly issue a request for proposals (RFP) seeking proposals from qualified parties to invest in and lead redeveloping, operating, and maintaining a new financially sustainable Memorial Stadium as a state-of-the art multi-purpose sports, educational, and entertainment stadium; and

WHEREAS, on March 20, 2023, SPS and the City jointly issued the RFP. The One Roof Stadium Partnership (ORSP) was one of two RFP respondents and a panel of subject matter experts and community representatives unanimously concluded the ORSP proposal best met the shared SPS and City goals and evaluation criteria as established by the RFP; and

WHEREAS, on June 15, 2023 the Mayor and Superintendent concurred with the Panel's findings and issued the decision to select One Roof for further negotiation; and

WHEREAS, SPS, the City, and ORSP are collaborating on plans and negotiating agreements for the Memorial

Stadium Redevelopment project; and

WHEREAS, the new stadium will serve as SPS's premier venue for interscholastic sports events, and will be truly integrated into the heart of Seattle Center with new public open space, and campus connections, be welcoming to all, and offer unparalleled athletic, educational, cultural, entertainment, and community opportunities for generations to come; and

WHEREAS, the new facility will enhance Seattle Center operations with new service shops that will replace offsite leased facilities and a new warehouse; and

WHEREAS, in 2022, Seattle School District voters approved \$66.5 million in the Buildings, Technology, and Academics/Athletics Capital Levy V (BTA V) levy for a basic student athletic facility to replace Memorial Stadium, the Seattle City Council allocated \$21 million of City funding for an enhanced Memorial Stadium project in the City's Capital Improvement Plan and committed to seeking an additional \$19 million in funding no later than 2026, as part of the City's 2023-24 biennial budget; and

WHEREAS, SPS and City funds are capped at these amounts and ORSP has committed to raising private funds for the balance of the project budget; and

WHEREAS, the City Council adopted Resolution 32092 on May 16, 2023, establishing the City's support for a new Memorial Stadium at Seattle Center to be developed through a partnership between The City of Seattle, Seattle Public Schools, and a private partner; and

WHEREAS, the City Council adopted Resolution 32110 on September 26, 2023, establishing the City's support to advance a public-private partnership through future agreements between The City of Seattle, Seattle Public Schools, and the One Roof Stadium Partnership, and addressing funding needs for the project; and

WHEREAS, Seattle Municipal Code subsection 5.06.030.C requires City Council approval by ordinance of any interfund loan for a duration of 90 days or more; and

WHEREAS, in the normal course of business the City may temporarily lend cash between funds to maintain required balances; and

WHEREAS, the Director of Finance and the City Budget Director have determined that this interfund loan request is consistent with the Debt Management Policies adopted by Resolution 31553; and

WHEREAS, there is sufficient cash in the 30010 REET I Capital Projects Fund to support an interfund loan of up to \$9.3 million through December 31, 2026 and still meet regular budgeted operating needs; and

WHEREAS, funds loaned by the 30010 REET I Capital Projects Fund to the 2026 Multipurpose LTGO Bond Fund B for the Memorial Stadium Redevelopment Project are anticipated to be repaid from the 2026LTGO bonds; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new 2026 Multipurpose LTGO Bond Fund B is created in the City Treasury, into which the principal proceeds and any premium received from the sale and delivery of limited tax general obligation (LTGO) bonds in 2026 shall be deposited for the purpose of paying all or part of the costs of various elements of the City's capital improvement program and other City purposes approved by ordinance. The Fund shall receive earnings on its positive balances and pay interest on its negative balances. The Director of Finance is authorized to create other Accounts or Subaccounts as may be needed.

Section 2. The Director of Finance is authorized to make a non-revolving loan of up to \$9.3 million principal and interest outstanding from the REET I Capital Projects Fund to the 2026 Multipurpose LTGO Bond Fund B, created by Section 1 of this ordinance, to provide bridge financing for expenditures related to the Memorial Stadium Redevelopment project ("Project") (MC-SC-S9505) intended to be financed by authorized LTGO bond proceeds. The loan is to be repaid no later than December 31, 2026, with interest on the loan at the rate of return of the City's Consolidated Cash Pool. The entire principal and interest amount of the loan drawn is intended to be repaid with proceeds from the future sale of LTGO bonds issued in 2026.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and

1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle Center	Jackie Kirn	Alan Lee

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the financing of the Memorial Stadium redevelopment project; creating the 2026 Multipurpose LTGO Bond Fund B; authorizing the loan of funds in the amount of \$9,300,000 from the REET I Capital Projects Fund to the 2026 Multipurpose LTGO Bond Fund B for the Memorial Stadium redevelopment project.

Summary and Background of the Legislation: This ordinance creates a new 2026 Multipurpose LTGO Bond Fund B in the City Treasury, into which the principal proceeds and any premium received from the sale and delivery of limited tax general obligation (LTGO) bonds in 2026 relating to the Memorial Stadium project shall be deposited for the purpose of paying all or part of the costs of various elements of the City's capital improvement program and other City purposes approved by ordinance. A determination has not been made at the time of this ordinance to the tax nature of the bonds; the determination as to whether to issue taxable or tax-exempt bonds will be made close to the time of the issuance of the bonds in 2026 based on information available at that time. The City has used the nomenclature of a B bond fund to indicate a taxable bond fund in certain instances, however in this case no determination as to the tax nature of the bonds has been made.

This ordinance authorizes the Director of Finance to make a non-revolving loan of up to \$9.3 million in principal and interest outstanding from the REET I Capital Projects Fund to the 2026 LTGO Bond Fund. It is anticipated the City will be contractually obligated to provide funding for this project beginning in early 2025 which will be made available via the loan versus through a mid-2025 bond sale which would not be timely.

Project design and permitting are in process. The 2025-2026 spending projection will be revised as the project scope is refined.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☒ Yes ☐ No

Project Name:	Master Project I.D.:	Project Location:	Start Date:	End Date:	Total Project Cost Through 2029:
Memorial Stadium Redevelopment	MC-SC-S9505	Memorial Stadium			\$40,000,000

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☐ Yes ☒ No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

City funds will be necessary for this project beginning in early 2025 that will be made available through this loan versus through a mid-2025 bond sale per the adopted 2024 CIP. This approach will also save the City interest expense from the bond market.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

If this legislation is not implemented, funds would not be available when necessary, beginning in early 2025.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

N/A

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

Yes, the loan is needed to fund future improvements to Memorial Stadium, located on Seattle Public Schools property adjacent to the Seattle Center campus.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

N/A

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. **What is the Language Access Plan for any communications to the public?**

N/A

d. Climate Change Implications

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A

5. CHECKLIST

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to Seattle Center parking charges; amending Section 17.19.010 of the Seattle Municipal Code.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 17.19.010 of the Seattle Municipal Code, last amended by Ordinance 126229, is amended as follows:

17.19.010 Seattle Center parking charges

* * *

B. Regular charges. ~~((The regular))~~ Seattle Center regular parking ~~((("Regular Parking")))~~ charges shall be composed of two types of charges: ~~((daily))~~ transient charges and ~~((monthly))~~ contract charges. Regular ~~((Parking))~~ parking charges shall apply to all vehicles (including vehicles displaying disabled permits and electric vehicles) unless the vehicle qualifies for a ~~((Special Parking))~~ special parking charge pursuant to this Section 17.19.010 or rules adopted under this Section 17.19.010. The ~~((Regular Parking))~~ regular parking charge shall be prorated commensurate with the size and number of parking space(s) required by vehicles, such as motorcycles, mopeds, buses, and other over- or undersized vehicles.

1. ~~((Daily))~~ Transient parking. ~~((Daily))~~ Transient charges shall be determined by the Director with consideration for demand and shall not be less than \$1 for the first hour of parking nor greater than ~~(((\$45))~~ \$75 for any 12-hour period.

2. Designated-hours ~~((monthly))~~ contract parking. ~~((Monthly))~~ Contract parking charges shall be

not less than \$85 nor greater than ~~(((\$250))~~ \$275 for ~~((a-monthly))~~ contract parking ~~((permit, valid))~~ on a space-available basis for designated hours. The ~~((monthly))~~ contract parking charge may be prorated, once per customer, when ~~((a-monthly))~~ contract parking ~~((permit))~~ is purchased for only a portion of a month, and when the subsequent month is also purchased with the same transaction, in accordance with rules adopted under this Section 17.19.010.

C. Special ~~((Parking))~~ parking charges. At the discretion of the Seattle Center Director or the Director's designee, ~~((special))~~ Seattle Center special parking ~~((("Special Parking")))~~ charges may be established as follows:

1. ~~((Monthly))~~ Contract parking discounts. For the simultaneous purchase, not for resale at a profit, of ten or more ~~((monthly))~~ contract parking ~~((permits))~~ access cards for a given month, a discounted charge equal to not less than 60 percent of the ~~((monthly))~~ contract parking charge.

~~((2. Parking scrip. For the purchase of a parking scrip, not for resale at a profit, a discounted charge equal to not less than 60 percent of the Regular Parking charge therefor.))~~

~~3. Premium))~~ 2. Reserved parking program. For the privilege of participating in the Seattle Center ~~((Facility premium))~~ garage reserved parking program (under which a non-designated parking space in such garage is reserved for the participant), a charge of not more than \$100 for the period of time coinciding with the event.

~~((4.))~~ 3. In excess of 12 hours. For parking in excess of 12 hours, up to a total of 24 hours, a fee equal to each 12-hour applicable event or non-event parking charge for the designated location.

~~((5.))~~ 4. Parking ~~((coupons))~~ validation program. For the privilege of having the Seattle Center Department honor parking ~~((coupons))~~ validations, a charge per event as follows: If the Seattle Center Department incurs any costs for the production of the parking ~~((coupons))~~ validations or any incremental staffing costs due to their use, then the greater of the ~~((Regular Parking))~~ regular parking charges that would apply to the parking of all vehicles for which the parking coupons are used plus the incremental staffing costs

and actual production costs incurred by the Seattle Center Department, or a charge of not less than ~~(((\$1))~~ \$5, nor more than ~~(((\$45))~~ \$75 for the period of time coinciding with the event plus a service charge of the greater of \$25 or one percent of each parking order. For purposes of this subsection 17.19.010.C.5, a "parking ~~((coupon))~~ validation" is a ~~((coupon))~~ validation authorized in advance by the Seattle Center Director or the Director's designee, containing at a minimum the limitations, conditions, and instructions specified by the Director or the Director's designee, that is purchased online, through the Seattle Center Transportation Services Office, via a venue lessee as part of an authorized parking program, distributed by a Seattle Center designated representative, received as part of a venue lessee's contract with Seattle Center, or distributed by the sponsor of an event or activity expected to require the use of parking facilities operated by the Seattle Center Department, and that is ~~((surrendered))~~ presented for electronic or visual verification by the driver of a vehicle upon entry to a Seattle Center garage in lieu of payment ~~((at the time of parking there))~~.

~~((6. Short-term premises licensees. For the purchase of a permit issued to short-term premises licensees for use of Seattle Center parking facilities for a specified duration, a charge of not less than \$15 and not more than \$45 for any 12-hour period.))~~

~~((7.))~~ 5. Other parking charges

a. For a new contract parking access card or the replacement of a lost ~~((monthly))~~ contract parking access card, a charge of not less than \$5 and not more than \$15.

b. For a purchase of ~~((monthly))~~ contract parking after the close of the announced monthly parking sales period, a charge of \$15.

c. For the online customer transaction fee, a charge consistent with Section 5.22.020.

d. For a lost parking facility entry ticket, an amount of not more than twice the 12-hour fee in place at time of entry.

e. For exceeding the designated hours limitation for designated-hours monthly parking, a fee ~~((equal to))~~ not exceeding each 12-hour applicable event or non-event parking charge for the designated

location.

* * *

E. When parking charges are due and payable. All parking charges imposed pursuant to this Section 17.19.010 shall be due and payable in advance or as of the commencement of the use of the subject parking area except when (1) a short-term premises licensee has contracted to pay for parking fees as part of ~~((the))~~ a Seattle Center ~~((Licensing Agreement))~~ licensing agreement, (2) a parking ~~((coupon))~~ validation is used, pursuant to subsection 17.19.010.C.5, (3) a client is invoiced for parking charges and pays according to standard Seattle Center invoicing provisions, or (4) automated parking equipment installed in the parking facility prohibits exiting the facility unless proof of payment is provided.

* * *

Section 2. Section 1 of this ordinance shall take effect on January 1, 2025.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code

Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved / returned unsigned / vetoed this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle Center	Barb DeGroot / Richard Pedowitz	Alan Lee

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to Seattle Center parking charges; amending Section 17.19.010 of the Seattle Municipal Code.

Summary and Background of the Legislation:

The ordinance proposes several updates to Seattle Center's parking charges by amending Section 17.19.010 of the Seattle Municipal Code. The main changes include:

1. Daily and Monthly Charges: Increasing the range of both daily and monthly parking charges to better align with the current market conditions.
2. Special Parking Charges: Eliminating sections related to Parking Scrip to streamline the special parking charges.

Renaming Programs:

1. Changing the "Premium parking program" to the "Reserved parking program" and replacing all instances of the term "premium" with "reserved."
2. Renaming the "Parking coupons" to the "Parking validation program" and updating all related terminology from "coupon(s)" to "validation(s)."
3. Other charges: Introducing a charge for a new monthly parking access card and modifying terms related to other charges.

These adjustments are part of a broader initiative to phase out obsolete legacy programs and update the fee structure to reflect changes in the parking marketplace. The goal is to enhance parking revenue, which, after taxes, currently accounts for more than 30% of Seattle Center's commercial revenue. This revenue growth, already factored into Seattle Center's 2024 revenue forecast and 2025 and 2026 biennial revenue submittal, is crucial for the financial stability and continued operations of Seattle Center in the upcoming biennium.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2025 Estimated Revenue	2026 Estimated Revenue
Seattle Center Fund/ 11410	CEN	Parking charges	\$300,000	\$500,000
TOTAL			\$300,000	\$500,000

Revenue/Reimbursement Notes:

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

Not applicable.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Not applicable.

Please describe any financial costs or other impacts of *not* implementing the legislation.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

Not applicable.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

Not applicable.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

Increasing parking rates can represent a barrier to Seattle Center parking access – which can impact affordability, access and diversity. Access to public transportation can mitigate this barrier – and the Parking Charges Ordinance allows Seattle Center to offer discounted parking validations and permits for parking without a charge to align with the Seattle Center race and social justice goals.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

iii. What is the Language Access Plan for any communications to the public?

Communications with Seattle Center event clients are modified as necessary to ensure accessibility by clients.

d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

Not applicable.

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

Not applicable.

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

Not applicable.

5. CHECKLIST

- ☐ **Is a public hearing required?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the civil service; transferring the function of the Fire and Police Exams Unit from the Seattle Department of Human Resources to the Civil Service Commissions Department; and amending Sections 4.04.030, 4.04.040, 4.08.070, and 4.08.110 of the Seattle Municipal Code.

WHEREAS, since 1896, the Seattle City Charter required a civil service system to ensure that employment is predicated on applicants' qualifications to perform the work and is insulated from political pressures.

The Public Safety Civil Service Commission (PSCSC) has overseen the public safety portion of the system as an independent body for uniformed police officers and fire fighters since 1978 and is currently housed in the Civil Service Commissions Department; and

WHEREAS, the Fire and Police Exams Unit in the Seattle Department of Human Resources (SDHR) develops and administers entry level and promotional exams and compiles hiring eligibility lists for members of the uniformed public safety civil service, under the authority of and overseen by the PSCSC and pursuant to Washington State law, the City Charter, and the Seattle Municipal Code; and

WHEREAS, in 2001, the City Council passed Ordinance 120658, transferring substantive powers, including authority over the Fire and Police Exams Unit and its function from the PSCSC to the Personnel Department, now called SDHR; and

WHEREAS, after passage of Ordinance 120658, the Seattle Police Officers' Guild (SPOG) sued The City of Seattle, alleging that transferring the PSCSC's substantive powers, including authority over the Fire and Police Exams Unit under the direction of the Personnel Director, infringed on the independence of the PSCSC as required under chapter 41.12 of the Revised Code of Washington; and

WHEREAS, in 2004 in *Seattle Police Officers' Guild v. City of Seattle*, 121 Wn. App. 453 (2004), the

Washington Court of Appeals ruled in favor of SPOG and voided the ordinance, and the City Council passed Ordinance 121747 in early 2005, affirming the PSCSC's independence and control over this function, and characterizing the Personnel Director's role as "administrative and ministerial"; and

WHEREAS, the duties performed by the Fire and Police Exams Unit are core functions of the PSCSC and not SDHR, and in 2024, both departments have entered into a Memorandum of Agreement with the Mayor's Office effectuating a transfer of the Fire and Police Exams Unit to PSCSC; and

WHEREAS, both SDHR and the Civil Service Commissions Department have submitted via the 2025-2026 biennium budget process the transfer of related positions and non-labor budget respectively, and Seattle Municipal Code Chapters 4.04 and 4.08 must be revised accordingly; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 4.04.030 of the Seattle Municipal Code, last amended by Ordinance 127006, is amended as follows:

4.04.030 Definitions

Unless another meaning is clearly indicated from the context, as used in this Title 4:

* * *

~~((3. "Certify" for Public Safety Civil Service employees means verify to the appointing authority that a list of names of candidates for employment has been selected from the list of persons tested and found eligible for employment.))~~

* * *

~~((26. "Register" for Public Safety Civil Service employees means a list of candidates for employment who have passed an employment examination, whose names may be chosen and certified by the Commission for submission to the appointing authority for consideration for employment.))~~

* * *

Section 2. Section 4.04.040 of the Seattle Municipal Code, last amended by Ordinance 124567, is amended as follows:

4.04.040 Administration

* * *

B. The duties of the Director include:

1. Promote the improvement of City personnel administration, and personnel standards within the City;
2. Lead City departments, offices, boards, and commissions, and their personnel offices, in the development of effective personnel programs. To help the Director perform this duty, the personnel offices of City departments shall keep the Director informed of their actions;
3. Act as the City's central agency for establishing standards for personnel practices which are uniform as is practicable from department to department;
4. At the Mayor's direction, develop, implement, and administer a centralized affirmative action program in conjunction with City rights agencies;
5. Develop and administer a system of classification of positions of employment in the City, and a wage and salary plan therefor;
6. Develop and administer centralized employee relations functions, relating to standard grievance procedures, collective bargaining, employee morale and motivation, and employee discipline and termination;
7. Develop and implement employee safety programs in addition to those which may be provided within departments, and develop safety programs in coordination with departments;
8. Develop, monitor, and/or approve departmental training plans((-)) ;
9. Develop and administer a centralized system and regular procedures for recruitment and selection of City employees;

10. Conduct personnel research and staff resource planning for the City;
11. Develop and administer a regular system of performance evaluation of City employees;
12. Develop and administer benefit programs, other than retirement benefits administered by the Employee's Retirement Board, for City employees;
13. Assist various City departments in layoff and reinstatement actions;
14. Appoint, remove, and supervise the officers and employees of the Seattle Department of Human Resources;
15. Develop and maintain a personnel management information records system for all City employees regardless of category of employment or department to which appointed;
16. Design experimental programs in human resources management, for the Mayor's consideration;
17. Contract for special personnel services ((he/she)) the Director deems necessary, upon approval of the City Council;
18. Review all City payrolls to ensure that each employee is receiving the proper pay((:)) ; and
19. Provide staff support for entry-level and promotional exams in service to the Public Safety Civil Service Commission, as requested by the Executive Director of the Public Safety Civil Service Commission.

~~((C. With respect to the Public Safety Civil Service system enumerated in Section 4.08.060, the duties of the Director shall be administrative and ministerial, including any support provided by the Director's staff. The duties of the Director include:~~

~~1. Provide staff support to the Public Safety Civil Service Commission, including staff to assist the Commission in the preparation and administration of entry-level and promotional examinations for the Seattle Police and Fire Departments. The Director's staff shall also assist the Commission to develop the appropriate registers based on test scores and service credits.~~

~~a. The level of staff support provided shall not be increased above that assigned to Public Safety Civil Service System duties in 2004, including contracts for consulting services, unless there is a corresponding increase in the Seattle Department of Human Resources budget.~~

~~b. Any contract for consulting services to the Public Safety Civil Service System may be funded from that portion of the Seattle Department of Human Resources' budget dedicated to support the Public Safety Civil Service Commission. Any such contract paid for from Seattle Department of Human Resources funds must be jointly approved by the Seattle Human Resources Director and the Public Safety Civil Service Commission.~~

~~2. Provide staff support to the Public Safety Civil Service Commission by maintaining registers and posting registers appropriately for candidate and public review.~~

~~3. While the Director's staff shall assist the Commission, the Commission or its designee shall certify the candidates for appointment to a particular position. The Public Safety Civil Service Commission shall retain all rule-making powers.))~~

Section 3. Section 4.08.070 of the Seattle Municipal Code, last amended by Ordinance 127026, is amended as follows:

4.08.070 Powers and duties of Commission.

The Commission shall:

A. Make suitable rules to carry out the purposes of this ~~((chapter))~~ Chapter 4.08 and for examination, appointments, promotions, transfers, demotions, reinstatements, suspensions, layoffs, discharges, and any other matters connected with the purposes of this ~~((chapter))~~ Chapter 4.08 or as required by chapters 41.08 or 41.12 RCW. Such rules may be amended, modified, or rescinded from time to time and all rules and amendments thereof shall be printed for free public distribution.

* * *

C. ~~((With the support of the Seattle Human Resources Director pursuant to Section 4.04.040, prepare))~~

Prepare and administer examinations, which shall be graded and open to all who meet appropriate job-related qualifications; provided that the Commission may, by rule, designate other methods of examination based on merit when in the Commission's judgment graded examination is not practicable. Such examinations may include tests of physical fitness and/or manual skill. The Commission may designate a suitable number of persons to be examiners to conduct such examinations. A Commissioner may act as examiner.

When preparing or administering exams for entry level police officer candidates, the Commission should seek to use a public safety testing service that conforms to the extent possible to all City of Seattle policies that address recruiting, hiring, and retention; provided that any such exam is consistent with the goals and requirements of the Consent Decree and the City's Accountability Ordinance (Ordinance 125315).

* * *

E. (~~((With the support of the Seattle Human Resources Director, provide))~~) Provide notice of the time, place, and general scope of every examination not less than ten days preceding such examination, and for promotional exams by posting in the Commission office and in Police and Fire Department offices for not less than 90 days, and by other notice deemed reasonable or necessary by the Commission.

* * *

G.

1. (~~((With the support of the Seattle Human Resources Director, prepare))~~) Prepare a register for each class of positions in this system from the returns or reports of the examiners of the persons whose standing upon examination for such class is not less than the minimum established by the Commission. Persons, when graded, shall take rank upon the register as candidates in the order of their relative excellence as determined by competitive examination.

a. Veteran's preference in examination and appointment shall be granted as required by federal and state law including RCW 41.08.040 and 41.12.040; provided, a person shall be entitled to use such preference only once to successfully attain an appointment or promotion to a position.

b. Language preference. An applicant for a Seattle Police Department (SPD) position deemed fluent in a language other than English may be entitled to have 10 percent credit added to the applicant's examination score for initial hiring or promotion. To receive such credit on the examination score, the applicant's fluency will be verified by the hiring authority based on a measure to be established by the Department.

c. Community service/work experience preference. An applicant for an SPD position who has completed service in the Peace Corps, AmeriCorps, or other verified equivalent work experience or community service of two years or more, may be entitled to have 10 percent credit added to the examination score. An applicant seeking credit for service in the Peace Corps must present a Peace Corps Description of Service (DOS) certifying completion of their service in the Peace Corps. To receive such credit on the examination score, an applicant's equivalent work experience or community service will be assessed by the hiring authority based on standards to be established by the SPD. For example, equivalent work experience or community service might include professional or volunteer experience providing domestic violence counseling, mental health care, or social services. The equivalent work experience or community service must be confirmed through regular SPD background verification processes.

2. No applicant for an SPD position may receive more than a single 10 percent credit, which may be either for veteran's preference, language preference, or community service/work experience preference.

* * *

Section 4. Section 4.08.110 of the Seattle Municipal Code, last amended by Ordinance 124567, is amended as follows:

4.08.110 Filling of vacancies-Probationary period((-))

* * *

B. No appointment, employment, or promotion in this system shall be deemed complete until after the expiration of a period of one year's probationary service. Before the expiration of the period of probation, the

appointing authority may discharge or, in the case of a promotion, demote an appointee upon filing in writing the reasons therefore with ~~((the Seattle Human Resources Director and))~~ the Commission. If an appointee is not then discharged or demoted, ~~((his/her))~~ the appointment shall be deemed complete.

Section 5. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Civil Service Commissions Seattle Department of Human Resources	Sarah Butler Ireneo Bartolome	Kailani DeVille

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the civil service; transferring the function of the Fire and Police Exams Unit from the Seattle Department of Human Resources to the Civil Service Commissions Department; and amending Sections 4.04.030, 4.04.040, 4.08.070, and 4.08.110 of the Seattle Municipal Code.

Summary and Background of the Legislation: This legislation revises the Seattle Municipal Code to authorize transfer of the Fire and Police Exams Unit from the Seattle Department of Human Resources (SDHR) to the Civil Service Commissions' Department (CIV).

Since 1896, the Seattle City Charter has required a civil service system to ensure that employment is predicated on applicants' qualifications to perform the work and is insulated from political pressures. The Public Safety Civil Service Commission (PSCSC) has overseen this system as an independent body for uniformed police officers and fire fighters since 1978. The PSCSC is currently housed in the Civil Service Commissions Department.

The Fire and Police Exams Unit (Exams Unit) develops and administers 11+ entry level and promotional exams for most ranks of the City's sworn police officers and fire fighters. The Exams Unit staff prepare and complete exams and employment registers on behalf of the PSCSC and in compliance with chapters 41.08 and 41.12 of the Revised Code of Washington, the City Charter, and City ordinances. This unit was transferred by ordinance from the PSCSC to the Personnel Department (now SDHR) in 2002. The Seattle Police Officers' Guild filed suit against the City and the Washington Court of Appeals in *Seattle Police Officers' Guild v. City of Seattle*, 121 Wn. App. 453 (2004), voided the ordinance. The Court held the executive branch's direction of the unit must be limited to tasks that were ministerial, and that the PSCSC retained all substantive powers including direction of civil service exam development and rulemaking.

SDHR and CIV agree that the Exams Unit's work is a core function of CIV and not SDHR, and both departments seek to formally transfer the unit back to CIV. The PSCSC can function more efficiently if it has managerial direction and control over the Exams Unit's working environment. SDHR, CIV, and the Mayor's Office have entered into a Memorandum of Agreement in 2024 to effectuate the transfer and submitted requests in the 2025-26 Proposed Budget process to transfer six positions and non-labor budget from SDHR to CIV. Seattle Municipal Code Sections 4.04.030, 4.04.040, 4.08.070, and 4.08.110 must be revised to reflect the relocation of the Exams Unit and function in CIV.

2. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☐ Yes ☒ No

Appropriations, revenues, and position transfers associated with this budget legislation are contained in the 2025-26 Proposed Budget. The ongoing budget transfer is budget neutral. The 2025-26 Proposed Budget includes a one-time budget allocation of \$60,200 for space modification needs associated with this transfer.

3.a. Appropriations

☒ This legislation adds, changes, or deletes appropriations.

Fund Name and Number	Dept	Budget Control Level Name/Number*	2025 Appropriation Change	2026 Estimated Appropriation Change
General Fund 00100	SDHR	BO-HR-N6000	-1,503,116.68	-1,564,032.49
General Fund 00100	CIV	BO-VC-V1CIV	1,503,116.68	1,564,032.49
TOTAL			0	0

*See budget book to obtain the appropriate Budget Control Level for your department.

Appropriations Notes:

The ongoing budget transfer is budget neutral. The 2025-26 Proposed Budget includes a one-time budget allocation of \$60,200 for space modification needs associated with this transfer.

3.b. Revenues/Reimbursements

☐ This legislation adds, changes, or deletes revenues or reimbursements.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

Total Regular Positions Created, Modified, or Abrogated through This Legislation, Including FTE Impact:

The following positions are being transferred from the Seattle Department of Human Resources to the Civil Service Commissions Department. No positions are being created or eliminated through this action:

Position # for Existing Positions	Position Title & Department*	Fund Name & Number	PT/FT	2025 Positions	2025 FTE
10005294	Manager2, General Govt	GF-00100	FT	1.0	1.0
00021853	Personnel Analyst, Sr	GF-00100	FT	1.0	1.0

Position # for Existing Positions	Position Title & Department*	Fund Name & Number	PT/FT	2025 Positions	2025 FTE
00017454	Personnel Anlyst, Sr	GF-00100	FT	1.0	1.0
10007455	Personnel Anlyst	GF-00100	FT	1.0	1.0
00018343	Personnel Anlyst	GF-00100	FT	1.0	1.0
TBD	Personnel Anlyst, Sr	GF-00100	FT	1.0	1.0

Position Notes:

3.d. Other Impacts

A one-time cost of \$60,200 is needed to purchase and install furniture and electricity necessary to physically house Exams Unit staff in CIV offices. The transfer of Exams staff to CIV is otherwise budget neutral.

This legislation is required to revise the Seattle Municipal Code to reflect the transfer of the function and work of the Exams staff from SDHR to CIV.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

Both SDHR and CIV agree that transfer of the Exams Unit to CIV is the best organizational fit for each department. The transfer of labor and non-labor budget is budget-neutral.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community. N/A

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation. N/A

- iii. What is the Language Access Plan for any communications to the public? N/A
- d. Climate Change Implications
- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response. N/A
- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects. N/A
- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals? N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☐ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachments: None.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to animal fees; adjusting and simplifying pet license fees, adoption fees, and spay and neuter clinic fees; removing guard or attack dog licenses; authorizing the Director of Finance and Administrative Services to adjust animal fees by Director's Rule; amending Sections 9.25.030, 9.25.050, 9.25.083, 9.25.100, 9.25.110, 9.25.200, 9.26.020, 9.26.050, and 9.26.060 of the Seattle Municipal Code; and repealing Sections 9.25.054, 9.26.025, and 9.26.040 of the Seattle Municipal Code.

WHEREAS, the Seattle Animal Shelter is responsible for caring for thousands of stray, orphaned, sick, and abused animals every year; and

WHEREAS, in conjunction with community expectations of higher standards of care, the level of animal care and enforcement needs have grown significantly over the years; and

WHEREAS, pet adoption fees currently only cover a subset of the services required to ensure placement for that pet; and

WHEREAS, an increase in pet adoption fees will support the Seattle Animal Shelter's ability to provide the high levels of quality care the public has come to expect and the animals entrusted to the Shelter so deserve; and

WHEREAS, the City's current pet adoption fee structure is overly complicated and needs to be simplified; and

WHEREAS, the City's animal control fees and charges for detainment, adoption, and sheltering services have not been increased in six years, while the cost of providing boarding, veterinary care, and transporting of owned animals has gone up significantly; and

WHEREAS, the Director of Finance and Administrative Services can reduce or waive fees when in the best

interest of the animal; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 9.25.030 of the Seattle Municipal Code, last amended by Ordinance 126691, is amended as follows:

9.25.030 Authority of the Director

* * *

F. The Director is authorized to establish and change animal fees in Chapter 9.26 by rule.

Section 2. Section 9.25.050 of the Seattle Municipal Code, last amended by Ordinance 122508, is amended as follows:

9.25.050 Animal licenses and permits generally((:))

A. The following animal licenses shall be required: potbelly pig, miniature goat, cat, and dog licenses, ((
~~guard and attack dog licenses,~~)) and exotic animal permits.

B. Licenses and permits are not transferable.

C. Applications for licenses and permits shall be made on forms approved by the Director and shall be accompanied by the fee set by ((~~the Animal Fee Ordinance (Seattle Municipal Code)~~) Chapter 9.26((:))) and, in the case of male miniature goat, cat or dog licenses, proof of alteration if the animal is altered. Licenses shall be issued in the name of the owner, and shall be numbered. Licenses shall be issued for a ((~~twelve~~))12-((:))) month period ((~~and may include a twelve month renewal~~)). A provisional cat or dog license shall be for a six((
(6)))month period. ((~~Guard or Attack Dog licenses shall be issued for a twelve (12) month period only upon the applicant's compliance with Section 9.25.054.~~)) Each permit or subsequent license renewal for the same animal shall commence from the expiration date of the last valid license or permit.

D. A City of Seattle animal license does not relieve the owner of the obligation to obtain any other permit or license otherwise required by local, state, or federal law.

Section 3. Section 9.25.054 of the Seattle Municipal Code, last amended by Ordinance 119998, is

repealed:

~~((9.25.054 Guard or attack dog ((license – Proof of insurance – Posting notice and license.~~

~~A. No person shall use or harbor a guard or attack dog without first obtaining a guard or attack dog license therefor.~~

~~B. The applicant for a guard or attack dog license shall provide the following information:~~

~~1. The name and address of the owner of the guard or attack dog, a description of the dog, and the address and business name (if any) of the premises the dog will guard;~~

~~2. The name and address of the trainer of the guard or attack dog, and the name and address of the purveyor of the dog;~~

~~3. Proof of a policy of public liability insurance, such as homeowner's insurance, issued by an insurer authorized to do business in the State of Washington in an amount of at least One Hundred Thousand Dollars (\$100,000), insuring the owner on account of any liability for claims for death or personal injury inflicted by the guard or attack dog to any person;~~

~~4. Proof of microchip identification, microchip number and identification of the date and location of microchip implant; and~~

~~5. Such other information as the Director may reasonably require.~~

~~C. The applicant shall certify that:~~

~~1. The premises the dog will guard are adequately secured for the safety of the public;~~

~~2. Signs are displayed on the premises at all entrances and at thirty (30) foot intervals clearly warning that a guard or attack dog is on duty; and~~

~~3. The owner of the guard or attack dog is aware of and understands the aggressive nature of the dog, certifies under penalty of perjury that the dog has been trained as a guard or attack dog, and can demonstrate total voice control of the dog.~~

~~D. A copy of the guard or attack dog license must be posted and presented upon demand of a police~~

~~officer or the Director.~~

~~E. The premises where a guard or attack dog is to be located shall be subject to inspection by the Director prior to approval of the license. Upon inspection by an animal control officer, the applicant may be requested to provide proof of compliance with the requirements of this section.~~

~~F. It shall be the responsibility of the owner of a guard or attack dog to make application with the Seattle Animal Control for a guard or attack dog license annually before the date of expiration of the previous license.~~

~~))~~

Section 4. Section 9.25.083 of the Seattle Municipal Code, last amended by Ordinance 121178, is amended as follows:

9.25.083 Owning dangerous animals prohibited - Exception

A. It is unlawful to own a dangerous animal ~~((other than a licensed))~~ , including a guard or attack dog~~((~~)) , with knowledge that the animal is dangerous, or with reckless disregard of the fact that the animal is dangerous.

* * *

Section 5. Section 9.25.100 of the Seattle Municipal Code, last amended by Ordinance 126691, is amended as follows:

9.25.100 Penalties

A. Conduct made unlawful by Sections 9.25.053~~((9.25.054))~~, 9.25.081, 9.25.083, or 9.25.085 constitutes a gross misdemeanor punishable as provided in Section 12A.02.070. The sentence imposed may be deferred or suspended in accordance with RCW 35.20.255; however, the probationary period shall be two years. In case of multiple convictions under this Chapter 9.25, the sentences shall be consecutive; however, the probationary period shall remain two years.

* * *

C. In addition, the court may order the revocation or denial of any ~~((guard or attack dog license and any~~

)) potbelly pig, miniature goat, cat, or dog license of or to any person convicted of a crime under this ~~((chapter))~~
Chapter 9.25 for a period not to exceed one year.

* * *

Section 6. Section 9.25.110 of the Seattle Municipal Code, last amended by Ordinance 119998, is amended as follows:

9.25.110 Denial, suspension, or revocation of license - Order~~((:))~~

The Director shall deny, suspend, or revoke a license for an animal found to be a “dangerous animal~~((:))~~” in any jurisdiction~~((, and may deny, suspend, or revoke a license for a guard or attack animal under Section 9.25.054 upon determining that the applicant or licensee has violated or failed to comply with any provision of this chapter))~~). The denial, suspension, or revocation of a license shall be in writing in the form of an order, and shall include a recital of the authority for the action, a brief and concise statement of facts which constitute the grounds for the denial, and the Director’s signature. A copy of the order, including notice of the right to a hearing, shall be mailed to the applicant.

Section 7. Section 9.25.200 of the Seattle Municipal Code, enacted by Ordinance 124039, is amended as follows:

9.25.200 Amnesty

The Director may from time to time declare periods of amnesty in which the penalties imposed under Sections 9.25.100~~((:))~~ and 9.26.020~~((, and 9.26.025))~~ may be waived. Such periods of amnesty and the terms thereof may be established upon a finding by the Director that they are likely to have the effect of increasing compliance with one or more provisions of this Title 9. The Director may promulgate rules and procedures to implement the provisions of this ~~((section))~~ Section 9.25.200.

Section 8. Section 9.26.020 of the Seattle Municipal Code, last amended by Ordinance 125741, is amended as follows:

9.26.020 Cat, dog, ~~or~~ goat, or potbelly pig license fee

A. ~~((Unless a license with an automatic second year renewal is purchased as authorized in subsection 9.26.020.B, the))~~ The fee for each annual cat, dog, ~~((or))~~ miniature goat, or potbelly pig license and for each annual period of renewal shall be:

1. Cats: Altered ~~((.....)) \$((26))30~~; Unaltered ~~((.....)) \$((79))80~~
2. Dogs: Altered ~~((.....)) \$((37))45~~; Unaltered ~~((.....)) \$105~~
3. Miniature goats ~~((.....)) \$((21))25~~
4. Potbelly pig \$40

~~((B. The fee for each cat, dog, or miniature goat license for an annual license purchased with a 12-month renewal shall be:~~

~~1. Cats~~

~~Altered \$52~~

~~Unaltered \$158~~

~~2. Dogs~~

~~Altered \$74~~

~~Unaltered \$210~~

~~3. Miniature goats \$42~~

C.)) B. To allow time for animals to be spayed or neutered, a one-year altered license may be issued for unaltered dogs or cats whose owners or guardians intend to have them altered prior to the time the license is up for renewal. A one-year altered license may also be issued for cats and dogs of any age that were not previously licensed ~~((within))~~ by The City of Seattle if proof of spay or neuter status is not available at the time the license is requested, and proof of spay or neuter status will be required at the time of renewal. ~~((Owners or guardians of cats and dogs that cannot show proof that their animals have been spayed or neutered by the time the initial one-year license is up for renewal will be retroactively charged the difference between the unaltered and altered fee as well as the unaltered rate for the renewed license.))~~

~~((D.))~~ C. Late fee for renewal of a cat, dog, ~~((or))~~ miniature goat, or potbelly pig license more than 30 days after its expiration: ~~((.....))~~ \$30.

~~((E.))~~ D. Dog, cat, ~~((or))~~ miniature goat, or potbelly pig owned by a member of the diplomatic or consular corps of a country having a treaty with the United States granting immunity from local law, upon submission of proof of such status: ~~((.....))~~ No fee.

~~((F.))~~ E. Altered dog, altered cat, ~~((or))~~ miniature goat, or potbelly pig owned by a person possessing a valid "senior citizen's identification card" or individuals with disabilities who have been issued a disabilities identification card from The City of Seattle or State of Washington: 50 percent of the regular license fee.

~~((G.))~~ F. Lost cat, dog, ~~((or))~~ miniature goat, or potbelly pig license tag: ~~((.....))~~ ~~\$\$\$~~7.

Effective January 1, 2025, the Director of Finance and Administrative Services is authorized to adjust these fees by rule as necessary to ensure the fee revenues are sufficient to support the services provided by the Seattle Animal Shelter, provided that the revenue for these fees shall not exceed costs for such services. Whenever the Director adjusts these fees by rule, the Director shall file the rule with the City Clerk, pursuant to Section 3.02.060.

Section 9. Section 9.26.025 of the Seattle Municipal Code, last amended by Ordinance 125741, is repealed:

~~((9.26.025 Potbelly pig license fee~~

~~A. The fee for the initial each annual potbelly pig license and for each annual period of renewal shall be \$126.~~

~~B. The fee for each annual period of license renewal for potbelly pigs shall be \$32.~~

~~C. The late fee for renewal of a potbelly pig license more than 30 days after its expiration shall be \$30.~~

~~D. The fee for replacing a lost potbelly pig license tag shall be \$5.))~~

Section 10. Section 9.26.040 of the Seattle Municipal Code, last amended by Ordinance 121004, is repealed:

~~((9.26.040 Guard or attack dog license.~~

~~The annual fee for each guard dog or attack dog license shall be One Hundred Dollars (\$100).)~~

Section 11. Section 9.26.050 of the Seattle Municipal Code, last amended by Ordinance 125450, is amended as follows:

9.26.050 Other animal control fees and charges

Other animal control fees shall be:

A. Administrative fee for each detained animal:

First detainment ((.....)) \$45

Second detainment ((.....)) \$150

Third ((.....)) \$200

Fourth detainment ((.....)) \$275

Fifth and subsequent detainments ((.....)) \$375

B. For each 24-hour period or part thereof for kenneling ((.....)) \$20

C. For each animal adopted, the fee shall be in the range described below and determined by rule:

Cat ((.....)) \$30-((125))100

Dog ((.....)) \$100-((375))200

((~~Rabbit~~)) Chinchilla and sugar glider \$40

Other (any animal other than a cat, dog, chinchilla, or ((~~rabbit~~))sugar glider) ((.....)) \$15

D. For providing veterinary care for an owner's animal ((.....~~cost~~)) : Cost of treatment with a minimum fee of \$((100))125

E. For each exotic animal permit ((.....)) \$100

F. For each live animal trapping permit ((.....)) \$100

G. For transporting an owner's animal ((.....)) \$50

H. For euthanizing an owner's animal ((.....)) \$72

I. For the handling and treatment of animals, charges may be assessed to recover the cost of special equipment or services provided.

J. For each microchip implant ~~((.....))~~ \$30

K. For each vaccination ~~((.....))~~ ~~\$((40))~~ 15

L. For each spay or neuter surgery deposit as described in subsection 9.25.091.D ~~((.....))~~ \$250

Any deposit not collected within one year will be forfeited as a donation to the ~~((Pet Population Control Fund created by Ordinance 118289))~~ Animal Shelter Donation Fund.

Effective January 1, ~~((2019))~~ 2025, the Director of Finance and Administrative Services is authorized to adjust these fees by rule as necessary to ensure the fee revenues are sufficient to support the services provided by the Seattle Animal Shelter, provided that the revenue for these fees shall not exceed costs for such services. Whenever the Director adjusts these fees by rule, the Director shall file ~~((a schedule of these fees with the City Clerk))~~ the rule with the City Clerk, pursuant to Section 3.02.060.

Section 12. Section 9.26.060 of the Seattle Municipal Code, last amended by Ordinance 125702, is amended as follows:

9.26.060 Spay and Neuter Clinic fees

The fees at the Seattle Animal Shelter Spay and Neuter Clinic shall be:

A. Surgery fees:

Cats

Spaying ~~((.....))~~ ~~\$((108))~~ 140

Neutering ~~((.....))~~ ~~\$((102))~~ 115

Dogs

Dog juvenile/puppy (under 4 months) neuter \$130

Dog neuter under 50 pounds ~~((.....))~~ ~~\$((144))~~ 160

Dog neuter 50-80 pounds ~~((.....))~~ ~~\$((162))~~ 170

Dog neuter over 80 pounds ((.....)) \$((~~186~~))190

Dog spay under 50 pounds ((.....)) \$((~~156~~))160

Dog spay 50-80 pounds ((.....)) \$((~~174~~))190

Dog spay over 80 pounds((.....)) \$((~~186~~))210

Rabbits

Rabbit spay or neuter ((.....)) \$((~~90~~))100

Animals other than cats, dogs, and rabbits may be spayed or neutered at the discretion of the Director of Finance and Administrative Services, or the Director's designee, who shall charge a fee for the service that is based upon estimated costs, not to exceed \$120 per hour of surgery. The Director is authorized to adjust these fees by rule as necessary to ensure the fee revenues are sufficient to support the spay and neuter services provided by the Seattle Animal Shelter, provided that the revenue for these fees shall not exceed costs for such services. Whenever the Director adjusts these fees by rule, the Director shall file ~~((a schedule of these fees with the City Clerk))~~ the rule with the City Clerk, pursuant to Section 3.02.060.

C. Vaccination fees ((.....)) \$((~~10~~))15 per vaccination

D. Microchip implant fees ((.....)) \$30

Section 13. This ordinance shall take effect on January 1, 2025.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Finance and Administrative Services	Selina Chambliss	Lorine Cheung

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to animal fees; adjusting and simplifying pet license fees, adoption fees, and spay and neuter clinic fees; removing guard or attack dog licenses; authorizing the Director of Finance and Administrative Services to adjust animal fees by Director’s Rule; amending Sections 9.25.030, 9.25.050, 9.25.083, 9.25.100, 9.25.110, 9.25.200, 9.26.020, 9.26.050, and 9.26.060 of the Seattle Municipal Code; and repealing Sections 9.25.054, 9.26.025, and 9.26.040 of the Seattle Municipal Code.

Summary and Background of the Legislation: This ordinance proposes raising licensing and veterinary fees in the Department of Finance and Administrative Services (FAS). The increase will right-size Seattle Animal Shelter fees for the services it provides.

The Seattle Animal Shelter (SAS) is mindful of equity and how SAS fees compare with other organizations in the region like the Regional Animal Services of King County, Seattle Humane Society and the Northwest Spay and Neuter Center. SAS increased license fees in 2019 and veterinary fees in 2018. SAS seeks to increase both fees so they are comparable to other local, affordable options. Additionally, there are a few fees that will decrease in order to be competitive with the region, including discontinuing the guard/attack dog license fee, which has been inactive since 1998. The overall change in fees will increase revenue by approximately \$150,000 in 2025 and 2026.

The Director of FAS has authority to charge fees “as established by Chapter 9.26.” ([SMC 9.25.030.A.11](#)). Changing fees for SAS currently requires approval by Council as the fees are set by the Seattle Municipal Code (SMC Chapter 9.26). FAS is additionally proposing to amend the SMC so that future fees can be set by director’s rule in lieu of amending the SMC with the FAS budget submission. Using director’s rules to establish fees provides SAS with the greatest flexibility to adjust as needed to support costs and is consistent with other fees of these types.

Seattle Animal Shelter Fees would change as follows:

Description	Current Fees	2025 Proposed Fees
Lic&Perm-Cats Alt	\$26.00	\$ 30.00
Lic&Perm-Dog Alt	\$37.00	\$ 45.00
Lic&Perm-Cats Un-alt	\$79.00	\$ 90.00
Lic&Perm-Dog Un-alt	\$105.00	\$ 125.00

Lic&Perm-Goat	\$21.00	\$25.00
Lic&Perm-Potbelly Pig	\$32.00	\$40.00
Late Renewal Fee	\$30.00	\$ 35.00
Lic&Perm-Lost License	\$5.00	\$6.50
Cat Spay	\$108.00	\$120.00
Cat Neuter	\$102.00	\$115.00
Rabbit Spay/Neuter	\$90.00	\$100.00
Dog Spay (under 50 pounds)	\$156.00	\$160.00
Dog Neuter (under 50 pounds)	\$144.00	\$160.00
Dog Spay (50-80 pounds)	\$174.00	\$180.00
Dog Neuter (50-80 pounds)	\$162.00	\$180.00
Dog Spay/Neuter (over 80 pounds)	\$186.00	\$200.00
Cost of treatment-veterinary care	\$100.00	\$125.00
Vaccination	\$10.00	\$15.00
Adoption – cat	\$75.00	\$30.00
Adoption – kitten	\$125.00	\$100.00
Adoption – two kittens	\$200.00	\$150.00
Adoption – senior/special needs cat	\$35.00	\$15.00
Adoption – dog	\$275.00	\$100.00
Adoption – puppy	\$375.00	\$200.00
Adoption – senior/special needs dog	\$100.00	\$50.00
Adoption – rabbit/ferret	\$40.00	\$20.00
Adoption – chinchillas/sugar gliders	\$65.00	\$30.00

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2025 Revenue	2025 Estimated Revenue
General Fund 00100	FAS	Animal Shelter Fees	\$150,000	\$150,000
TOTAL			\$150,000	\$150,000

Revenue/Reimbursement Notes:

3.c. Positions

- ☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

The fees for animal sheltering vary across the country. The Seattle Animal Shelter (SAS) has compiled information regarding the regional animal sheltering organizations and has adjusted proposed fees accordingly based on that information. Without the adjustments in fees, SAS will be out of step with other regional providers and revenues will lag behind recent increases in inflation.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

N/A

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

The shelter was thoughtful in the discussion about how and why it would make adjustments to shelter fees. Inflation data for the City of Seattle was used to make proposed increases to certain fees. The shelter closely evaluated impacts to racial equity, vulnerable or historically disadvantaged communities and employees of different races if

fees were raised. The proposed fee increases align with other organizations in the Puget Sound, while also prioritizing equity. SAS has a fee waiver process that was generated using the Racial Equity Toolkit. It also has the pet population fund that provides access to vet services for people that meet the state financial requirement of 80% Area Median Income. Lastly, SAS provides a food bank twice a week for pet needs and monthly free pet vaccination clinics that are targeted in disadvantaged neighborhoods. While the shelter took the approach to increase fees related to licensing and veterinary care, it is also decreasing its adoption fees. Decreasing adoptions fees allows the shelter to address barriers of pet ownership for vulnerable or historically disadvantaged communities, be more competitive with other animal welfare organizations, and drive more adoptions of animals from the shelter to lower operating costs.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

N/A. A RET was conducted in 2023 evaluating the use of waiving certain fees. While this proposal will increase certain fees, SAS still maintains the ability to waive fees for certain individuals with needs. The 2023 fee waiver RET is attached.

iii. What is the Language Access Plan for any communications to the public?

SAS completed a 40-document plain language review, and we are actively using language line, bringing interpreters to vaccine clinics, and beginning the process of translating our documents to incorporate Tier one languages.

d. Climate Change Implications

i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

N/A

ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A

e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

Representatives from these different groups should review the final version so that there is consensus on content before it is submitted. For questions about the Summary Sheet, please contact RSJI@seattle.gov.

Please respond to the following questions below. Brevity is appreciated. **When finished, this whole document should be 5 or less pages.**

1. What issue area (project, program, policy, or budgetary decision) did you apply the RET on? Why did you choose this issue area and RET topic?
2. What was your north star? What racial equity outcomes guided your thinking (RET Step 1)? How did you design and facilitate a process that was rooted in [relational culture](#)?
3. What data, stories, and communities did you engage with? What relationships did you develop, sustain, or deepen during this process? (RET Step 2)
4. How did these relationships help you to identify the burdens and benefits of your proposed work? What are the burdens? What are the benefits? (RET Step 3)

5. Please identify how the [four types of racism](#) (internalized, interpersonal, institutional, and structural) influenced your RET process and what you learned. (RET Step 3)
 6. As a result of the above analysis, how will you increase opportunity and/or minimize harm for the impacted community? (RET Step 4)
 7. What steps will the RET team take to ensure that department leadership will implement the recommendations from the RET?
 8. How will you become/remains accountable to the relationships developed during the RET process? How will you report back to your stakeholders?
 9. What additional racial equity issues did this RET reveal outside the scope of the RET project? How do these unresolved issues present opportunities for further structural transformation, including building a [relational culture](#)?
-

Enter Your Responses Below

1. What issue area (project, program, policy, or budgetary decision) did you apply the RET on? Why did you choose this issue area and RET topic?

The project we took on was looking at our fee waiver policy. This document allows for the waiving or reduction of fees associated with adoptions and redemptions and we wanted to ensure that it was equitable and removed barriers for pet owners trying to redeem lost or impounded pets.

2. What was your north star? What racial equity outcomes guided your thinking (RET Step 1)? How did you design and facilitate a process that was rooted in [relational culture](#)?

When we considered who we wanted to engage in this project we faced two challenges, determining how to reach and collect input from users or potential users, and wanting to reach additional potential stakeholders-- people that really may need the services who may not even be aware of them to begin with. We came up with a plan that relied on direct mail from existing contacts and direct contacts through outreach activities.

Budget, the onset of COVID 19 and the hiring freeze resulted in several strategy shifts. Ultimately, we determined that much of this could be accomplished through leveraging existing activities (Field contacts, petfood banks and other existing outreach) and creating new partnerships. We reached out to partners to help us distribute a survey that asked some initial questions and enabled a contact list that we could use to create a stakeholder panel. Between their connections and ours we distributed a survey that resulted in 173 responses.

The survey closed at the end of December 2021, and we planned to identify people from the survey who can serve on a stakeholder panel. We lacked success with that endeavor and spent most of the next two years trying to get together a stakeholder panel. As it became clear that this was going to continue to be a challenge, we looked at other avenues to determine ways to create more equitable policies for the fee waiver process.

These avenues included reaching out to other organizations and individuals that were already doing work in this space.

3. What data, stories, and communities did you engage with? What relationships did you develop, sustain, or deepen during this process? (RET Step 2)

Animal Welfare groups and organizations doing work in this area, Seattle’s Department of Neighborhoods (DON), Ken Haymon’s relationships within the FAS change team. SAS’s own work in outreach and expanded efforts in BIPOC communities.

4. How did these relationships help you to identify the burdens and benefits of your proposed work? What are the burdens? What are the benefits? (Step 3)

Many of our discussions with groups like DON provided real life examples and differing perspectives. We were also able to identify areas of success other animal welfare groups had in this space. The burdens of our work include ensuring that we are able to lead and support the community in keeping pets and their families together, healthy and safe. The benefits are the opportunities to be able to promote the humane and compassionate treatment of people and animals through equity, innovation and collaboration.

5. Please identify how the [four types of racism](#) (internalized, interpersonal, institutional, and structural) influenced your RET process and what you learned. (RET Step 3)

Our RET had many conversations about how SAS in general has contributed to these four areas of racism and our goal was to create a document that eliminated or at least greatly decreased the ability for any one of these influences to impact the fee waiver process.

We created some parameters so staff responsible for applying and/or approving waivers would be less able to use personal judgements in their decisions.

We allowed for multiple opportunities for people to obtain fee waivers, recognizing that financial challenges are often ongoing and not stagnant or one-time situations for many of our citizens.

One of the biggest changes we made was no longer requiring spay/neuter to obtain a fee waiver. This was a long-standing practice in animal welfare that disrespected people’s personal beliefs and practices and typically fractured relationships and trust within segments of our community.

6. As a result of the above analysis, how will you increase opportunity and/or minimize harm for the impacted community? (RET Step 4)

We did this by updating the policy to eliminate and/or change rigid requirements and open eligibility however, discussion held in staff meetings and beyond have helped to open up these conversations and create awareness of our own judgements and personal responsibilities in the four types of racism.

7. What steps will the RET team take to ensure that department leadership will implement the recommendations from the RET?

The new SOP was implemented April 1, 2024.

8. How will you become/remain accountable to the relationships developed during the RET process? How will you report back to your stakeholders?

This work continues through the SAS ASSET team (similar to the FAS change team) who, among other activities, now regularly join leadership meetings and also have a standing agenda item at all staff meetings.

9. What additional racial equity issues did this RET reveal outside the scope of the RET project? How do these unresolved issues present opportunities for further structural transformation, including building a [relational culture](#)?

Our ASSET team at SAS really carries on this work for our division however as we continue our work towards being more community-centric these issues are constantly being identified and create ongoing opportunities for transformation at all levels of the work we do.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Finance and Administrative Services	Lachen Chernyha	Lorine Cheung

1. BILL SUMMARY

Legislation Title: AN ORDINANCE amending Section 6.250.060 of the Seattle Municipal Code to increase the annual license fee for the recyclable materials collector/processor license.

Summary and Background of the Legislation: This item would increase the annual regulatory fee to license companies that collect and process recyclable materials from \$105 to \$500. This adjustment would bring the licensing fees in line with the cost of regulating businesses and ensure they are collecting, processing, disposing or recycling all solid waste generated in the City as appropriate by law.

The Seattle Municipal Code, SMC 6.250, sets the annual license fee for recyclable materials collectors/processors at \$105. This fee was established in 2006 at \$100 and was raised to \$105 in 2017 by Ordinance 125449. Last year, the Consumer Protection Division (CPD) licensed 128 recycler businesses, collected \$14,100 in licensing fees, and spent \$73,400 regulating these businesses.

Regulatory licensing fees are intended to recover the costs of regulating. Because the recycler businesses are not recovering the costs of regulation, CPD proposes amending SMC 6.250 to increase the licensing fee to \$500 per year, which would cover CPD's regulatory costs.

2. CAPITAL IMPROVEMENT PROGRAM

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Office of Hearing Examiner; increasing Hearing Examiner filing fees; reorganizing the list of fees; and amending Section 3.02.125 of the Seattle Municipal Code.

WHEREAS, the baseline filing fee for Office of Hearing Examiner appeals has not increased since 2012; and

WHEREAS, to account for inflation in the cost of living and a corresponding rise in the cost of filing, the

Office of Hearing Examiner recommends raising the current base appeal fee from \$85 to \$120; and

WHEREAS, an increase in appeal fees would bring City appeals closer to, but still significantly lower than

many other regional jurisdictions; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 3.02.125 of the Seattle Municipal Code, last amended by Ordinance 126878, is amended as follows:

3.02.125 Hearing Examiner filing fees

- A. The filing fee for a case before the City Hearing Examiner is ~~\$((85))~~120, ~~((with the following exceptions:))~~ unless listed otherwise in this Section 3.02.125.
- B. The filing fee for floating home moorage cases (Chapter 7.20) is \$85 per petitioner, to a maximum of \$255. The filing fee for third party utility billing (Chapter 7.25) and refund anticipation loan (Chapter 7.26) cases is \$5.
- C. There is no filing fee for cases arising under the following laws:

Basis for ((Case)) case	((Fee in dollars))

Admission Tax Exemption Revocation (Section 5.40.085) ((.....	No fee
All Gender Restroom Notice of Violation (Section 14.07.040)	No fee
App-Based Worker Deactivation Rights Ordinance (Chapter 8.40)	No fee
App-Based Worker Minimum Payment Ordinance (Chapter 8.37)	No fee
App-Based Worker Paid Sick and Safe Time Ordinance (Chapter 8.39)	No fee))
Cable Communications (Chapter 21.60) ((.....	No fee))
Cannabis Business Citation (Section 6.500.170)	
((Cannabis Jobs Retention Ordinance (Chapter 8.38)	No fee))
Dangerous Animals (Chapter 9.25) ((.....	No fee))
Energy Benchmarking Citation (Chapter 22.920) ((.....	No fee

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Office of Hearing Examiner	Pat Cole	Lorine Cheung

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Office of Hearing Examiner; increasing Hearing Examiner filing fees; reorganizing the list of fees; and amending Section 3.02.125 of the Seattle Municipal Code.

Summary and Background of the Legislation: This legislation would raise Hearing Examiner filing fees from \$85 to \$120 to cover filing costs and account for inflation in the cost of living, as measured by the consumer price index, since the fees were last increased in 2012. Historically, the appeal filing fees have been assessed as follows:

1980-1991 - \$25
1991-2012 - \$50
2012-present - \$85.

The proposed increase is to address an adjustment for inflation and bring fees into closer range of other regional jurisdictions. It is approximately a 41% increase in the current filing fee. The increase in appeal fee will also assist in recovering a portion of the costs associated with the filing of a case for the City.

An increase in appeal fees would bring City appeals closer to, but still significantly lower than many other regional jurisdictions. Thurston County and the City of Bellevue do not charge an appeal filing fee, but other jurisdictions do and at \$85 per appeal HXM is currently well below the \$250-\$3360 being charged by other examiners in the state.

Jurisdiction	Filing Fee	Comments
Bellevue	No charge	This might change as City is reviewing its current Fee Schedule.
Portland	No filing fee for citation appeals. Land Use \$250-300, or ½ of the total application fee of the original land use review.	
Spokane	\$250 – all matters	Fee paid directly to dept whose decision is being appealed; OHE doesn't process fees.
Tacoma	\$1250 - land use appeals \$0 - animal control appeals no charge - all other appeals	The land use appeal fee is part of the city's land use fee schedule and is intended to cover some of the direct HE costs associated with a case.
Vancouver	\$2396 – most cases \$181 – cases filed by a neighborhood association \$838 – cases involving a SFR or duplex	

King County	Enforcement action appeals-\$0 All others - \$250	This amount is intended to cover some of the direct HE costs associated with a case.
Pierce County	\$250 – Appeals from Administrative Hearing Decision \$2,775 – SEPA appeal \$3,360 – appeal of other administrative decisions	These amounts are part of the county’s land use fee schedule and are intended to cover most direct HE costs associated with a case.
Snohomish County	\$0 - Animal appeals, Code Enforcement appeals \$500 - Appeals of Type 1 land use decisions \$1500 - SEPA appeals	--Appellants file with the office whose decision they are appealing. --If no hearing is held, the fee is returned. --If a department of the county is the appellant in a matter, there is no fee charged
Spokane County	\$1,367	This amount is reviewed each year and is intended to cover most direct HE costs associated with a case.
Thurston County	No filing fee, but a deposit is required before a hearing date will be set.	The deposit amount ranges from \$400 to \$2,000 based upon the typical number of HE hours required for a particular case type.

Increasing the filing fee from \$85 to \$120 will generate approximately \$3,500 in increased revenue for the General Fund.

2. CAPITAL IMPROVEMENT PROGRAM

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

N/A

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

If the legislation was not implemented, the City would not recover the costs associated with the filing of a case with the Office of Hearing Examiner.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

N/A

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

This increase in appeal filing fees may have a negative impact on both homeowners/tenants and neighborhood association groups, possibly pricing them out of opportunities to appeal city decisions that impact their immediate neighborhoods. HXM does offer an income-based fee waiver to help alleviate any financial impacts to individuals. This fee increase could still negatively impact groups that file appeals, as fee waivers are not available to groups under our current practice.

If the filing fee increase is approved, HXM will undertake a review of its current fee waiver process to assure that there is adequate and equitable access to the fee waiver.

The Office of Hearing Examiner has not done an analysis of fee impact on appellants, but it is our assumption that this increase may have an impact on at least some portion of the population.

Our data shows that fee waivers are rarely requested. There were no fee waiver requests in 2020 and 2022, one in 2021, three in 2023 and three in 2024 to-date. The fee waiver requests in 2023 and 2024 are all from the same case type: Economic Displacement Relocation Assistance.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

HXM will continue to provide non-English speakers with translation services and have already translated our notices, pamphlets, and guides into Seattle's 7 top-tier languages.

- d. Climate Change Implications**

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency:** Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion:** What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☐ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the financing of the Human Capital Management System project; authorizing the loan of funds in the amount of \$11,000,000 from the Finance and Administrative Services Fund to the 2025 Multipurpose LTGO Bond Fund for continuing the work of implementing the Human Capital Management System project; amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to Finance and Administrative Services; and revising project allocations and spending plans for certain projects in the 2024-2029 CIP; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

WHEREAS, the Human Capital Management System (“HCMS”) project is a technology project that funds the planning, design, and replacement of the aging Human Resource Information System (“HRIS”), which includes the Citywide payroll and benefits system, with a new Human Capital Management (“HCM”) system also known as Workday; and

WHEREAS, the HCMS project was approved by the Enterprise Oversight Board (EOB) in February 2020 and will be managed by FAS Business Systems division in partnership with the Seattle Department of Human Resources (SDHR) and Seattle Department of Information Technology (ITD); and

WHEREAS, the HCMS project is financed by the proceeds of LTGO bonds issued in 2021, 2022, and 2023; and

WHEREAS, the first phase of the HCMS project is scheduled to go live in September 2024 and cash flow requirements for the project in 2024 exceed the estimates that were developed at the time of the 2024 Adopted Budget; and

WHEREAS, the Department of Finance and Administrative Services requires bridge financing for the HCMS project in advance of the 2025 LTGO bond issuance; and

WHEREAS, Seattle Municipal Code subsection 5.06.030.C requires City Council approval by ordinance of any interfund loan for a duration of 90 days or more; and

WHEREAS, in the normal course of business the City may temporarily lend cash between funds to maintain required balances; and

WHEREAS, the Director of Finance and the City Budget Director have determined that this interfund loan request is consistent with the Debt Management Policies adopted by Resolution 31553; and

WHEREAS, there is sufficient cash in the Finance and Administrative Services Fund to support an interfund loan of up to \$11,000,000 through December 31, 2026 and still meet regular budgeted operating needs; and

WHEREAS, funds loaned by the Finance and Administrative Services Fund to the 2025 Multipurpose LTGO Bond Fund for continuing the work of implementing the HCMS project are anticipated to be repaid from the 2025 LTGO bond issuance; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Director of Finance is authorized to make a revolving loan of up to \$11,000,000 principal and interest outstanding from the Finance and Administrative Services Fund to the 2025 Multipurpose LTGO Bond Fund to provide bridge financing for the HCMS project that will be financed by authorized limited tax general obligation (LTGO) bond proceeds. The loan is to be repaid no later than December 31, 2026, with interest on the loan at the rate of return of the City's Consolidated Cash Pool. The entire principal and interest amount of the loan drawn is intended to be repaid with proceeds from the sale of tax-exempt LTGO bonds in 2025 and, if needed, in 2026.

Section 2. The Director of Finance may effectuate the loan authorized in Section 1 of this ordinance by transferring cash from the Finance and Administrative Services Fund to the 2025 Multipurpose LTGO Bond Fund, or by carrying the 2025 Multipurpose LTGO Bond Fund in a negative cash position, in an amount not to exceed \$11,000,000 until no later than December 31, 2026. The Director of Finance is further authorized to establish, and modify if necessary, from time to time, a repayment plan and schedule.

Section 3. Appropriations in the 2024 Adopted Budget and project allocations in the 2024-2029 Adopted Capital Improvement Program (CIP) for the following items are increased as follows:

Item	Dept.	Fund	Budget Summary Level/BCL Code	CIP Project Name/ID	CIP Project Appropriation Change
3.1	Finance and Administrative Services	2025 Multipurpose LTGO Bond Fund (37300)	Information Technology (37300-BC-FA-A1IT)	Human Capital Management System (MC-FA-HCMSYS)	\$6,382,949
Net Change					\$6,382,949

Section 4. Any act consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 5. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by a 3/4 vote of all the members of the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved / returned unsigned / vetoed this _____ day of _____, 2024.

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Office of City Finance	Julie Johnson	Lorine Cheung Matt Courtois

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the financing of the Human Capital Management System project; authorizing the loan of funds in the amount of \$11,000,000 from the Finance and Administrative Services Fund to the 2025 Multipurpose LTGO Bond Fund for continuing the work of implementing the Human Capital Management System project; amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to Finance and Administrative Services; and revising project allocations and spending plans for certain projects in the 2024-2029 CIP; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

Summary and Background of the Legislation:

This legislation authorizes an interfund loan of up to \$11,000,000 from Finance and Administrative Services Fund to the 2025 Multipurpose LTGO Bond Fund to support the Human Capital Management System (“HCMS”) capital project.

The HCMS information technology project funds the planning, design, and replacement of the aging Human Resource Information System (HRIS), which includes the Citywide payroll and benefits system, with a new Human Capital Management (HCM) system. This project, also known as “Workday” is a critical replacement of the City’s timekeeping and payroll system. The project was approved by the Enterprise Oversight Board (EOB) in February 2020 and will be managed out of the FAS Business Systems Division, in partnership with the Seattle Department of Human Resources (SDHR) and Seattle Department of Information Technology (ITD).

This multiyear project is estimated to cost \$50.179 million in total and is being financed by LTGO Bonds, including LTGO bonds issued in 2021, 2022 and 2023. It was anticipated at the time of the 2024 Adopted Budget that bond proceeds from the 2023 LTGO bond sale would be sufficient to meet HCMS cash flow requirements in 2024, however, updated estimates of 2024 cash flow requirements indicate that costs in 2024 will exceed available proceeds. An interfund loan is needed to meet cash flow requirements in 2024 to bridge to the 2025 LTGO bond issuance.

Overall, the total HCMS project cost is anticipated to be less than the overall budget of approximately \$61 million reflected in the adopted 2024-2029 Capital Improvement Program (CIP). The authorization of this interfund loan addresses a change in the anticipated timing of the actual costs to be incurred, while remaining within the overall project budget.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☒ Yes ☐ No

Project Name:	Master Project I.D.:	Project Location:	Start Date:	End Date:	Total Project Cost Through 2029:
Human Capital Management System (MC-FA-HCMSYS)	MC-FA-HCMSYS	700 5th Ave	2021	2026	\$50,179,000

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☒ Yes ☐ No

Expenditure Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
Expenditure Change (\$); Other Funds	2024	2025 est.	2026 est.	2027 est.	2028 est.
	\$6,382,949	(\$17,139,780)			

Revenue Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
Revenue Change (\$); Other Funds	2024	2025 est.	2026 est.	2027 est.	2028 est.

Number of Positions	2024	2025 est.	2026 est.	2027 est.	2028 est.
Total FTE Change	2024	2025 est.	2026 est.	2027 est.	2028 est.

3.a. Appropriations

☒ This legislation adds, changes, or deletes appropriations.

Fund Name and Number	Dept	Budget Control Level Name/Number*	2024 Appropriation Change	2025 Estimated Appropriation Change
2025 Multipurpose LTGO Bond Fund	Dept of Finance and Administr	BC-FA-A1IT	\$11,000,000	\$0

	ative Services			
TOTAL			\$11,000,000	

**See budget book to obtain the appropriate Budget Control Level for your department.*

Appropriations Notes: This legislation increases appropriation for expenditure in 2024 in the 2025 LTGO Bond Fund. The 2025 LTGO Bonds are anticipated to be issued in mid-2025 and will be the source of repayment of the interfund loan. This interfund loan is being established as a revolving loan. In the event that the interfund loan is drawn on following the issuance of the 2025 LTGO bonds, the source of repayment for that draw will be the proceeds of the 2026 LTGO bonds.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

Ongoing operating costs to maintain the Workday project are being addressed separately in the 2025 Proposed Budget.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Costs are not able to be absorbed within existing operations.

Please describe any financial costs or other impacts of *not* implementing the legislation.

This information technology project, also known as “Workday” is a critical replacement of the City’s timekeeping and payroll system, which is not being supported after 2023. It is critical that the system continue to be implemented without interruption to ensure uninterrupted payroll and timekeeping functions for the City.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

This information technology project is being implemented in partnership with the Seattle Department of Human Resources (SDHR) and Seattle Information Technology Department (Seattle IT).

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

N/A

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

N/A

- d. Climate Change Implications**

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A

5. CHECKLIST

- ☐ Is a public hearing required? No
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required? No

- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies? Yes**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization? No**

CITY OF SEATTLE

RESOLUTION _____

A RESOLUTION amending Resolution 31334; establishing the City Council's intent to fund the Seattle City Employees' Retirement System as informed by the January 1, 2024 Actuarial Study.

WHEREAS, the City provides and manages a defined-benefit pension for its non-uniformed employees to serve as a source of retirement income, along with Social Security; and

WHEREAS, the City Council previously declared, in Resolution 31334, its intention to fully fund the actuarially required contribution amounts into the pension system, including a plan to amortize the system's unfunded liability in 30 or fewer years; and

WHEREAS, the January 1, 2024 valuation study performed by the Seattle City Employees' Retirement System (SCERS) actuary identified the contribution rate necessary to fully fund the system; and

WHEREAS, the City will update its contribution rate to SCERS annually to a level not less than the actuarial required contribution for that year as determined by the most recent valuation; NOW, THEREFORE,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR
CONCURRING, THAT:**

Section 1. Resolution 31334, last amended by Resolution 32114, is amended as follows:

Section 1. The City will fully fund its actuarially required contributions to SCERS in the 2012 Adopted Budget and thereafter. The City will base its contribution rate on a five-year smoothed asset valuation as described in the most recent actuarial report, and the rate will be sufficient to amortize the system's unfunded liabilities in 30 or fewer years.

Section 2. To that end, the ((2024)) 2025 Adopted Budget will include sufficient appropriation

for the City to maintain payment of 15.17 percent of regular (non-overtime) payroll into SCERS. This is greater than the employee contribution rates into the system. The employer contribution rate must not be less than the required Actuarial Contribution Rate of 15.17 percent and a combined contribution rate of ~~((24.12))~~ 24.00 percent, as determined by the January 1, ~~((2023))~~ 2024, Actuarial Valuation.

Section 3. The City endorses the actuarial assumptions and methods adopted by the SCERS Board of Administration, utilized beginning with the January 1, 2011, valuation, and modified by the Board as a result of the actuary's investigation of the system's experience from 2018 through 2021 as well as subsequent actuarial reports. These include:

- A. The entry age normal actuarial cost method;
- B. An investment return rate of 6.75 percent;
- C. A five-year smoothed method for asset valuation;
- D. Generational mortality tables that take future life expectancy improvements into account;
- E. Expected average membership growth of 0.25 percent per year; and
- F. Other economic and demographic assumptions as described in the valuation.

Section 4. Each year, and in the event the SCERS Board of Administration should wish to change its actuarial assumptions and methods, the City requests that the Board consult with the Mayor and the City Council by the tenth day of July regarding the impacts of such changes on funding requirements, as described in Seattle Municipal Code subsection 4.36.550.A, to allow sufficient time to make budget preparations.

Section 5. The City will update its contribution rate to SCERS annually to a level not less than the actuarial required contribution for that year as determined by the most recent valuation. The City may elect to exceed the required contribution rate in any given year in the interest of funding stability or to amortize the system's unfunded liability in fewer than 30 years.

Section 6. Beginning with the January 1, 2013, Actuarial Valuation and thereafter, the amortization

period is closed and fixed. That is to say, the amortization rate should be sufficient to retire the system's unfunded liability over the period 2013-2042. Since closed amortizations can generate excessive contribution rate volatility in the second half of the period, the Council may consider re-opening the amortization period after 15 years. At any time, the SCERS Board and its actuary may recommend additional amortization layers and/or separate amortization periods for any new unfunded liabilities or surpluses generated after January 1, 2013.

Adopted by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its adoption this _____ day of _____, 2024.

1. BILL SUMMARY

Legislation Title: A RESOLUTION amending Resolution 31334; establishing the City Council's intent to fund the Seattle City Employees' Retirement System as informed by the January 1, 2024 Actuarial Study.

Summary and Background of the Legislation: Per Resolution 31334 the City has committed to appropriate annually sufficient funds to make contributions to the retirement system to a level not less than the actuarial required contribution for that year as determined by the most recent actuarial valuation of the retirement systems liabilities. This resolution provides City Council approval of the 2025 contribution rate in compliance with Resolution 31334. The combined contribution rate for 2025 will decrease from 24.12 percent to 24.00 percent. The City's portion of the combined contribution rate for 2025 will remain 15.17 percent of regular payroll into SCERS. This contribution rate is consistent with the recommendation of the SCERS Board of Administration as provided to the City Council under Seattle Municipal Code 4.36.505 A.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No
The 2025 contribution occurs through approval of the 2025 budget.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

Approval of this contribution rate affirms the City's commitment in 2025 to fund the retirement system's pension liability per Resolution 31334.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Please describe any financial costs or other impacts of *not* implementing the legislation.

Not implementing the full actuarially required contribution in 2025 would go against Council Resolution 31334, would place greater cost burden on the City and potentially members in future years to fund the pension system. Not meeting the required contribution would be reflected on the System's financial audit, valuation, and the City's ACFR.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

This legislation is the vehicle through which the SCERS Board conveys the updated actuarially required employer contribution rate to the Council as called for in Council Resolution 31334. The implementation of the rate change occurs through the adoption of the City's Budget Adoption Ordinance. The employer contribution rate approved with this Resolution, will affect all other City departmental budgets.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

No impact

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

N/A

d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency:** Will the action(s) proposed by this legislation increase or decrease Seattle’s resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion:** What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program’s desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☐ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

CITY OF SEATTLE

RESOLUTION _____

A RESOLUTION approving interest rates set by the Seattle City Employees' Retirement System (SCERS) Board of Administration for 2025.

WHEREAS, the Seattle City Employees' Retirement System (SCERS) currently pays interest on employee contributions at an annual rate of 5.75 percent (compounded annually) for contributions made before December 31, 2011, and an annually changing rate based on an average yield on 30-year U.S. Treasury Bonds (also compounded annually) for employee contributions made after December 31, 2011; and

WHEREAS, Seattle Municipal Code Section 4.36.505 provides that "[n]othing in this Section 4.36.505 shall be construed to limit the right of the Board, subject to approval of the City Council, to make changes in rates of interest whenever the Board deems it necessary or advisable"; and

WHEREAS, the SCERS Board of Administration, at its July 11, 2024 meeting, voted to adjust the annual interest rate for 2025 on all contributions received after December 11, 2011 to 4.39 percent (compounded annually); and

WHEREAS, the SCERS Board intends to review and adjust this rate annually, based on market conditions;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR

CONCURRING, THAT:

Section 1. The City Council approves the 2025 credit interest rate adopted by the SCERS Board of Administration of 4.39 percent (compounded annually) on all member contributions received after December 31, 2011. Member contributions received on or before December 31, 2011, will continue to accrue credit

interest at a rate of 5.75 percent (also compounded annually). These rates will apply at the beginning of the first full pay period of 2025.

Adopted by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its adoption this _____ day of _____, 2024.

President _____ of the City Council

The Mayor concurred the _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
RET	Paige Alderete	Dave Hennes

1. BILL SUMMARY

Legislation Title: A RESOLUTION approving interest rates set by the Seattle City Employees' Retirement System (SCERS) Board of Administration for 2025.

Summary and Background of the Legislation: Per Seattle Municipal Code 4.36.505.F, this resolution provides City Council approval of the 2025 interest rates on member contributions set by the SCERS Board of Administration.

Under the policy enacted by the SCERS Board, in 2025, contributions received on or before December 31, 2011 will earn 5.75% annual interest, compounded annually. Contributions received after that date will earn 4.39% interest, also compounded annually. The Board reviews and adjusts the post-2011 interest rates annually, based on a policy target of the average yield on 30-year U.S. Treasury Bonds for the immediately preceding June 1 to May 31 period.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

This legislation has no direct financial implications for City appropriations, revenues, or positions. Interest rates for 2025 will grow member contribution balances. Resulting impacts get estimated along with other factors in the retirement system's periodic actuarial valuations.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

The proposed change reflects an increase in market interest rates in the last year. Not implementing the legislation would not recognize the action taken by the SCERS Board of Administration or the practice of the last several years. Inaction would leave the rate at the 2024 level.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

This legislation affects all SCERS members, who are employed across the City but has no effect on departmental costs.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

No impact

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the organization of City government; transferring the administration of the City of Seattle Voluntary Deferred Compensation Plan and Trust from the Seattle Department of Human Resources to Seattle Retirement; authorizing administrative actions necessary to carry out the intent of this ordinance; and amending Sections 4.36.070 and 4.36.505 of the Seattle Municipal Code.

WHEREAS, the Executive Director and staff of the Seattle City Employees' Retirement System administer the City's defined benefit retirement plan providing a pension benefit to eligible City employees and their beneficiaries; and

WHEREAS, the Seattle Human Resources Department currently administers the City of Seattle Voluntary Deferred Compensation Plan and Trust, a defined contribution plan that City employees may utilize to defer wages on a pre-tax basis to save for retirement; and

WHEREAS, consolidating the City's administrative functions of both the Seattle City Employees' Retirement System and the City of Seattle Voluntary Deferred Compensation Plan and Trust to a single department is expected to achieve resource efficiencies and create a more comprehensive service for employees planning for their retirement; and

WHEREAS, consolidating functions is best achieved by transferring the administration of the City of Seattle Voluntary Deferred Compensation Plan and Trust from the Seattle Department of Human Resources to Seattle Retirement designated pursuant to this ordinance; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The function of administering the City of Seattle Voluntary Deferred Compensation Plan and

Trust shall be transferred from the Seattle Department of Human Resources to Seattle Retirement designated under this ordinance. All authorities, contracts, obligations, equipment, records, assets, liabilities, appropriations, budget authority, positions, and incumbents previously held by the Seattle Department of Human Resources in connection with the City of Seattle Voluntary Deferred Compensation Plan and Trust shall also transfer to Seattle Retirement. However, nothing in this ordinance shall diminish the authority or legal obligations of the governing Plan Committee of the City of Seattle Voluntary Deferred Compensation Plan and Trust, or affect the assets held in trust on behalf of participants and beneficiaries of the City of Seattle Voluntary Deferred Compensation Plan and Trust.

Section 2. Section 4.36.070 of the Seattle Municipal Code, last amended by Ordinance 125109, is amended as follows:

4.36.070 Definitions-"R" through "Z"

Unless a different meaning is plainly required by the context the terms used in this ~~((chapter))~~ Chapter 4.36 shall have the following meanings:

* * *

"Retirement system" means the "City Employees' Retirement System" provided for in Section 4.36.080 and the system of death benefits established therein.

"Seattle Retirement" means the department authorized to provide administrative services for the Seattle City Employees' Retirement System and the City of Seattle Voluntary Deferred Compensation Plan and Trust.

Section 3. Section 4.36.505 of the Seattle Municipal Code, last amended by Ordinance 125109, is amended as follows:

4.36.505 Powers and duties of Board

The administration of the retirement system and retirement fund, including all benefits provided by this Chapter 4.36, is vested in the Board of Administration created in Section 4.36.500, which shall exercise the powers and duties conferred upon it by Section 4.36.500. Additionally:

* * *

I. The Board is authorized to approve reasonable allocations of expenses for the joint administration of the City of Seattle Voluntary Deferred Compensation Plan and Trust together with the Seattle City Employees' Retirement System. Expenses attributable to the City of Seattle Voluntary Deferred Compensation Plan and Trust shall be paid solely by such Plan and Trust or by the City. Expenses attributable to the Seattle City Employees' Retirement System shall be paid solely by the Retirement Fund or by the City.

Section 4. The Seattle Department of Human Resources, and the Board of Administration and Executive Director of the Seattle City Employees' Retirement System, may take administrative actions necessary to carry out the intent of this ordinance.

Section 5. This ordinance shall take effect and be in force on January 1, 2025.

Passed by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
RET	Paige Alderete	Dave Hennes

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the organization of City government; transferring the administration of the City of Seattle Voluntary Deferred Compensation Plan and Trust from the Seattle Department of Human Resources to Seattle Retirement; authorizing administrative actions necessary to carry out the intent of this ordinance; and amending Sections 4.36.070 and 4.36.505 of the Seattle Municipal Code.

Summary and Background of the Legislation:

The Executive Director and staff of the Seattle City Employees' Retirement System administer the City's defined benefit retirement plan providing a pension benefit to eligible City employees and their beneficiaries, while the Seattle Department of Human Resources (SDHR) currently administers the City of Seattle Voluntary Deferred Compensation Plan and Trust, a defined contribution plan that City employees may utilize to defer wages on a pre-tax basis to save for retirement.

Consolidating the City's administrative functions of both the Seattle City Employees' Retirement System and the City of Seattle Voluntary Deferred Compensation Plan and Trust to a single department is expected to achieve resource efficiencies and create a more comprehensive service for employees planning for their retirement.

This is best achieved by transferring the administration of the City of Seattle Voluntary Deferred Compensation Plan and Trust from the Seattle Department of Human Resources to the Seattle Retirement department.

Budget for the Deferred Compensation Program previously appropriated to SDHR will be transferred to a new budget summary level in Seattle Retirement. There is no net change to the General Fund, and all costs of the Deferred Compensation Program, including staff salaries, will continue to be fully-funded by account fees managed by the City's Deferred Compensation record keeper.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

Fund Name and Number	Dept	Budget Control Level Name/Number*	2024 Appropriation Change	2025 Estimated Appropriation Change
General Fund 00100	SHR	BO-HR-N6000		-555,280.91
General Fund 00100	RET	BO-RE-R2R00		555,280.91
TOTAL				0.00

*See budget book to obtain the appropriate Budget Control Level for your department.

Appropriations Notes: While Deferred Compensation staff salaries were initially captured by SDHR using the General Fund, there actually is no General Fund impact, as all costs of the Deferred Compensation Program, including staff salaries, are reimbursed/funded by account fees managed by the City's Deferred Compensation record keeper (currently Nationwide).

The change in appropriations occurs in the 2025 Budget Adoption ordinance, but is illustrated here for transparency.

3.b. Revenues/Reimbursements

☐ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2024 Revenue	2025 Estimated Revenue
General Fund 00100	SHR	DC Account fees (Nationwide)	0	-555,280.91
General Fund 00100	RET	DC Account fees (Nationwide)	0	555,280.91
TOTAL				

The change in revenues occurs in the 2025 Budget Adoption ordinance, but are illustrated here for transparency.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

The following positions are being transferred from the Seattle Department of Human Resources to the Retirement Department via the 2025 Budget Adoption Ordinance (illustrated here for transparency). No positions are being created or eliminated through this action. There is no General Fund impact, as all costs of the Deferred Compensation Program, including staff

salaries, are funded by account fees managed by the City's Deferred Compensation record keeper.

Position # for Existing Positions	Position Title & Department*	Fund Name & Number	PT/FT	2025 Positions	2025 FTE
10005670	Deferred Compensation Manager	General Fund 00100	FT	1.0	1.0
10004819	Deferred Compensation Senior Analyst	General Fund 00100	FT	1.0	1.0
10005913	Deferred Compensation Analyst	General Fund 00100	FT	1.0	1.0
TOTAL				3.0	3.0

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

There may be minimal costs to transition and relocate Deferred Compensation Staff from the Seattle Municipal Tower to the Pacific Building where SCERS is located. None of these costs will impact the General Fund.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

SDHR and RET will be affected in this transition and have been working closely on the coordination.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to fees and charges for permits and activities of the Seattle Department of Construction and Inspections, related fees by other departments, and technical corrections; repealing Chapter Section 22.504 of the Seattle Municipal Code; and amending Sections 22.504.010, 22.900B.010, 22.900B.020, 22.900C.010, 22.900D.010, 22.900D.090, 22.900D.100, 22.900D.110, 22.900D.140, 22.900D.150, 22.900D.160, 22.900E.020, 22.900E.030, 22.900E.040, 22.900E.050, 22.900G.010, and 22.900G.030 of the Seattle Municipal Code.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Chapter 22.504 of the Seattle Municipal Code, last amended by Ordinance 123453, is repealed:

~~((Chapter 22.504 PERMITS AND INSPECTIONS~~

~~22.504.010 Permit fees~~

~~An applicant for a permit to do work under this Plumbing Code shall pay for each permit, at the time of issuance, a fee in accordance with the following schedule, and at the rate provided for each classification shown in the schedule:~~

~~A. Schedule of Fees~~

~~Plumbing permit fees for fixtures or traps are calculated according to Table A-1. Reduced pressure principle backflow prevention devices and double check valve assemblies require separate permits and are calculated according to Table A-1.~~

~~For each atmospheric vacuum breaker in irrigation systems, tanks, vats, etc., or for installation on unprotected plumbing fixtures including necessary water piping~~

~~Vacuum breaker-one to five each device \$10~~

~~Vacuum breaker-over five each device \$5~~

~~Pressure vacuum breaker-each \$10~~

Table A-1 – PLUMBING AND BACKFLOW PREVENTION PERMITS		
# of Fixtures	Plumbing Permit Fee	Backflow Prevention Permit Fee
1	\$140	\$140
2-3	\$210	\$210
4-6	\$298	\$298
7-10	\$333	\$333
11 on	\$333 + \$8/fixture	\$333 + \$8/fixture

~~B. Fees for Miscellaneous Inspection Services~~

~~Fees for inspection service outside regular working hours or for inspection service requested but not covered by a permit will be charged for at a rate equal to the cost of performing the service.~~

~~Fees for permanent location inspection of factory housing or modular unit containing plumbing For each single-family dwelling or each modular unit containing plumbing \$20~~

~~Plumbing permit includes on-site connections of building drain extensions, water service and necessary gas piping connections.~~

~~Additional plumbing fixtures installed after factory installation of plumbing for each plumbing fixture or trap \$10~~

~~Fees for reconnection and retest of plumbing systems in relocated buildings For each building containing plumbing \$20~~

~~Plumbing permit includes on-site connections of building drain extensions, water service and necessary gas piping connections.~~

~~Additional plumbing fixtures installed after relocation for each plumbing fixture or trap \$10~~

~~C. For the purpose of this section, "fixture" means and includes an appliance that is connected with a water, drain or vent pipe, but a sillcock faucet or hose bibb is not considered a fixture. A sanitary plumbing outlet on or to which a plumbing fixture or appliance may be set or attached shall be construed to be a fixture.~~

~~D. Any person who commenced any work for which a permit is required by this Plumbing Code without first having obtained such permit shall upon subsequent application for the permit pay double the fee fixed by the schedule of fees for the work in subsections A and B of this section unless it is proved to the satisfaction of the Administrative Authority that the work was urgently necessary and that it was not practical to obtain a permit prior to the commencement of the work. In all such emergency cases, a permit shall be obtained as soon as it is practical to do so, and if there is an unreasonable delay in obtaining the permit, a double fee shall be charged as provided in this Code.~~

~~E. A reinspection fee of \$130 may be assessed for each inspection or reinspection if the portion of work for which inspection is called is not complete or if corrections called for are not made. This subsection does not require inspection fees the first time a job is rejected for failure to comply with this Code, but is intended to control the practice of calling for inspection or reinspection.~~

~~Reinspection fees may be assessed if the permit is not properly posted on the work site, the work to be inspected is not under test, for failure to provide access on the date for which inspection is requested or for failure to make required corrections. Requests for reinspection shall be made in writing upon forms furnished for that purpose, and shall be accompanied by the reinspection fee in accordance with this section. If reinspection fees have been assessed, additional inspection of the work shall not be performed until the required fees have been paid.~~

~~22.504.020 Refund of fees~~

~~If the work for which a permit fee has been paid is not be started, the Administrative Authority, upon proper application for refund and surrender of the permit for cancellation, shall issue a refund. In determining the amount of refund due, the Administrative Authority shall deduct the amount of the basic fee to cover the cost of~~

administration of the permit. A refund shall not be made for an expired permit.))

Section 2. Section 22.900B.010 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900B.010 Base fee and hourly rate

A. The SDCI base fee shall be charged as specified in this Subtitle IX and shall be ~~(((\$257))~~ \$274.

B. Any services provided by the Department for which an hourly charge is assessed shall be charged at a rate specified in this Subtitle IX.

The hourly rate for land use review is ~~(((\$439))~~ \$467. The rate for all other hourly fees is ~~(((\$257))~~ \$274 an hour except where a different hourly rate is specified in this Subtitle IX. Where "SDCI hourly rate" is specified in this Subtitle IX, the rate is ~~(((\$257))~~ \$274 an hour.

C. If an hourly rate is specified, overtime shall be charged at that same rate. If no hourly rate is specified, overtime shall be charged at ~~(((\$257))~~ \$274 an hour. All overtime shall require approval by the Director. The minimum fee for each overtime request shall be one hour, with minimum increments of 1/4 hour, in addition to other permit fees established by this Subtitle IX.

Section 3. Section 22.900B.020 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900B.020 Miscellaneous and special fees

* * *

D. Address change

The fee to correct the address on an application or, if applicable, on an issued permit is ~~(((\$69.75))~~ \$74.25. If an address change is requested that is unrelated to an application for a permit or for an issued permit, a fee of one multiplied by the base fee shall be assessed.

E. Copies of electronic and microfilm records

Charges for plans reproduced from electronic records or from the microfilm library are shown in Table B-1 for 22.900B.020.

Table B-1 for 22.900B.020- Fees for Reproductions from Electronic or Microfilm Record	
Page Size	Price
Electronic Records	
8½" x 11"	(((\$0.80)) <u>\$0.85</u> per printed page
11" x 17"	(((\$0.80)) <u>\$0.85</u> per printed page
Microfilm Records	
8½" x 11"	(((\$1.75)) <u>\$1.85</u> per copied page
11" x 17"	(((\$1.75)) <u>\$1.85</u> per copied page

Both sizes	\$0.10 per scanned image

Section 4. Section 22.900C.010 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900C.010 Land use fees

* * *

Table C-1 for 22.900C.010-LAND USE FEES	
A. MASTER USE PERMIT, ENVIRONMENTAL CRITICAL AREAS, CITY COUNCIL HEARING EXAMINER APPROVALS	
Hours worked beyond those covered by minimum will be charged the Land Use hourly rate, unless otherwise noted, and are payable at time of invoice.	
Type of Land Use Review	Minimum Fee
General-first 10 hours of review	Land Use Hourly × 10
Low-Income Housing-first 24 hours of review	Land Use Hourly × 10
1. Administrative conditional uses (ACUs) ACUs for community centers, child care centers, day care centers, private schools, religious facilities, and public and private libraries in neighborhood residential and multi-family zones shall be charged a minimum fee of ((\$2,195)) <u>\$2,335</u> for the first 20 hours. Additional hours shall be charged at the Land Use hourly rate. This exception applies to applications for an ACU only, or an ACU combined with a variance application.	
2. Design Review The minimum fee for Administrative Design Review, Master Planned Community Design Review and Streamlined Design Review is ((\$4,390)) <u>\$4,670</u> . The minimum fee for full Design Review is ((\$8,780)) <u>\$9,340</u> , which covers the first 20 hours of review. Refer to subsection 10 of this Table C-1 for 22.900C.010 for fees related to Design Review for Tree Protection.	
3. Environmental reviews (SEPA), including projects with more than one addressed site.	
4. Environmentally critical areas (ECA)	
a. Environmentally Critical Areas variance ²	
b. ECA Exception	
c. Environmentally Critical Areas Administrative Conditional Use	
5. Shoreline permits	
a. Substantial development permits	
b. Variances ² and conditional uses	
6. Short subdivisions ³ ; refer to subsection 10 of Table D-2 for 22.900D.010 for additional fees that may apply to this permit type	

7. Special exceptions	
8. Variances ² Variances for community centers, child care centers, adult care centers, private religious facilities, and public and private libraries in neighborhood residential and multi-family zones shall be charged a minimum fee of (((\$2,195)) <u>\$2,335</u> for the first 20 hours. Additional hours shall be charged at the Land Use hourly rate. This exception applies if the application is for a variance only, or a variance combined only with an ACU application.	
9. Type II land use approvals such as, but not limited to, planned community/residential development, major phased developments, and other Type II approvals that are not categorized otherwise in Table C-1 for 22.900C.010.	
10. The minimum fee for Council conditional uses, Rezones, Public Projects, and all other Type III and Type V land use approvals shall be (((\$8,780)) <u>\$9,340</u> , which covers the first 20 hours of review.	
11. Full subdivisions ⁴ ; refer to subsection 10 of Table D-2 for 22.900D.010 for additional fees that may apply to this permit type	
12. Reserved	
13. Reserved	
* * *	
C. NON-HOURLY LAND USE FEES	
Type of Land Use Review	Fee
42. Curb cuts as a separate component	
a. Single-family residential	(((\$105.35)) <u>\$112.20</u> each
b. Other than single-family residential	(((\$208.35)) <u>\$221.90</u> each
43. File Management	SDCI Base Fee × 1
a. Placing projects on hold at applicant request	
b. Splitting or combining projects	
44. Intake appointments for land use reviews; is charged for each occurrence	SDCI Base Fee × 1
45. Notice. All notice is charged based upon time for each occurrence. ⁸	
a. Land use information bulletin (GMR notice)	SDCI Base Fee × 1
b. Posting large sign or placards	(((\$159.35)) <u>\$169.70</u>
c. Mailed notice	SDCI Base Fee per 500 pieces of mail or portions thereof
d. DJC decision publication	(((\$250)) <u>\$266.25</u>
e. Neighborhood newspaper publication	Rate charged by newspaper
f. Public meeting room rental and/or associated costs	(((\$160.55)) <u>\$170.95</u>
46. Rebuild Letters	

a. With research	SDCI Base Fee × 1
b. Without research	((\$53.90)) <u>\$57.40</u>
47. Records research by the Public Resource Center	SDCI Base Fee × 1
48. Recording Fees, for LBA or Short Subdivision	Rate charged by King County ⁹
49. Shoreline Extensions	SDCI Base Fee × 1
Footnotes to Table C-1 for 22.900C.010: ¹ For purposes of these land use fees, low-income housing that both (1) satisfies the definition of "housing, low income" in Section 23.84A.016; where at least 50 percent of the total gross floor area of each structure on the site is committed -income housing use for at least 20 years. ² The single variance fee shall be applicable whether project requires one or multiple variances. ³ Includes short subdivisions in environmentally critical areas. ⁴ Includes unit-lot subdivisions and full subdivisions in environmentally critical areas. ⁵ fee applies if design review is initiated only for tree protection and the application has no other review under Items 1-14. ⁶ The fees for interpretations of Chapters 25.12, 25.16, 25.20, 25.21, 25.24, and 25.30 shall be collected by the Director of the Department of Neighborhoods. ⁷ The application conference fee covers a one-hour conference and one hour of research and/or follow-up review time that normally occurs, for a total of two hours. Additional pre-application review time shall be charged at the Land Use hourly rate. See also subsection 22.900C.010.D. ⁸ Additional notice shall be given in circumstances including but not limited to the following: reinstallation of environmental review signs; reposting of the land use review or environmental signs; new component review; subsequent to the original notice; revised decisions; and changes to the scope of the project. ⁹ Recording fees will be charged the current rate as established and charged by King County at the time of document recording.	

Section 5. Section 22.900D.010 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900D.010 Development permit fees

* * *

Table D-1 for 22.900D.010 - CALCULATION OF THE DEVELOPMENT FEE INDEX	
Total Valuation	Development Fee Index
\$0 to \$1,000	((\$257)) <u>\$274</u> for the first \$1,000 of value or 1

b. Permit for work in partial with ((Project Impact Standard prescriptive earthquake home plan set with additional engineering those portions not in compliance	Base fee \times 1	SDCI hourly rate with 1 hour minimum
c. Voluntary seismic upgrade engineering/design and not per (Impact Standards/Plans)) <u>prescriptive earthquake home retrofit (EH</u>	100% of DFI	100% of DFI
* * *		
Footnotes to Table D-2 for 22.900D.010 ¹ The minimum permit fee or plan review fee for value-based plan review is ((\$102.95)) \$ initial tenants that reflect the use and occupancy established in the shell and core permit. The value used in calculating value for the shell and core permit. ⁴ If a swimming pool is located within building plans for that building, a separate fee shall not be charged for the swimming pool. The floor area of the principal occupancy of the building. ⁵ This fee shall not apply to any on-site, building permit is in force. ⁶ Master use permit fees for such temporary uses shall be charged.		

* * *

H. Certificate of Occupancy. The issuance of a Certificate of Occupancy for existing buildings, either if no Certificate of Occupancy has previously been issued or if a change of occupancy is requested, requires a building permit. If there is no construction valuation (there is no work that would require a building permit), the minimum building permit fee shall be assessed. In addition to the minimum building permit fee, if records research, plan examination or inspection is required, charges shall be assessed at the SDCI hourly rate. If work is being done as authorized by a permit, the permanent Certificate of Occupancy fee is not assessed in addition to the building permit fee. The fee for a temporary Certificate of Occupancy shall be charged at the rate of 1/2 the base fee. The fee for the duplication of a Certificate of Occupancy is ((~~\$43.05~~)) \$45.85 unless records research, plan examination, or inspection is required, in which case charges shall be assessed at the SDCI hourly rate.

* * *

Section 6. Section 22.900D.090 of the Seattle Municipal Code, last amended by Ordinance 126709, is amended as follows:

22.900D.090 Permit fees for mechanical equipment and systems, other than boilers and pressure vessels and refrigeration systems

* * *

Table D-8 for 22.900D.090 - PERMIT FEES FOR MECHANICAL EQUIPMENT

Type of Installation	Fee
Forced air, gravity-type, or floor furnace, gas or electric suspended heater, heat pump, recessed wall heater, mounted space heater, wall furnace, circulating woodstove/fireplace insert including ducts and attached thereto	((\$53.20)) <u>\$56.65</u> per unit
New gas or oil burners and newly installed use burners ¹	((\$66.55)) <u>\$70.90</u> per unit
Appliance vents Class A, B, BW, or L if installed	((\$52.75)) <u>\$56.20</u> per unit
Mechanical air-moving systems	See Table D-2 for 22.900D.010
Appliances or equipment or other work not classified in categories, or for which no other fee is listed	Hourly at the SDCI hourly rate. Minimum of 1/2 hour.
Footnote to Table D-8 for 22.900D.090 ¹ See Table D-12 for 22.900D.110 for rates for burners	

Section 7. Section 22.900D.100 of the Seattle Municipal Code, last amended by Ordinance 126709, is amended as follows:

22.900D.100 Refrigeration equipment and systems

A. Fees for the installation, addition, repair, replacement, and alteration of refrigeration equipment and systems shall be charged as set in Table D-10 for 22.900D.100.

B. Temporary installations of ten days' duration or less, made for the purposes of exhibition, display, or demonstration, shall be charged a fee of ((~~\$65.60~~)) \$69.85 for each installation.

Table D-10 for 22.900D.100 - REFRIGERATION PERMIT FEES¹	
Type or Size of System/Equipment	Fee
Basic fee²	((\$37.45)) <u>\$39.90</u>
((Additional installation fee per compressor)) <u>Additional installation fee per compressor</u>	<u>Fee</u>
0-5 tons	((\$31.35)) <u>\$33.40</u>
6-25 tons	((\$63.70)) <u>\$67.85</u>
26-100 tons	((\$119.25)) <u>\$127</u>
101-500 tons	((\$168.20)) <u>\$179.15</u>

Section 13. Section 22.900E.020 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900E.020 Boiler and pressure vessel certificates of ((~~operation~~)) inspection

A. The fee for certificates of ((~~operation~~)) inspection for boilers and pressure vessels shall be charged in accordance with Table E-1 for 22.900E.020. Where the inspection is performed by the City, the certificate fee includes the certificate of ((~~operation~~)) inspection, the inspection and one reinspection, if necessary.

B. Fees for boiler and pressure vessels that are inspected by authorized insurance company inspectors are 50 percent of those set forth in Table E-1 for 22.900E.020, but the 50 percent rate shall not apply to the charges for control and limit devices for automatic boilers specified in Table E-1 for 22.900E.020. No fee shall be less than the minimum fee.

Section 16. Section 22.900G.010 of the Seattle Municipal Code, last amended by Ordinance 126709, is amended as follows:

22.900G.010 Fees for Department of Neighborhoods review

The following fees shall be collected by the Director of the Department of Neighborhoods and deposited in the General Fund unless otherwise specified.

A. Certificate of approval fees. There is a charge for a certificate of approval as required by all applicable ordinances for the construction or alteration of property in a designated special review district, Landmark, Landmark District, or historic district of \$25 for construction costs of \$1,500 or less, plus \$10 for each additional \$5,000 of construction costs, up to a maximum fee of ~~(((\$20,000))~~ \$25,000, except that the maximum fee for a certificate of approval shall be ~~(((\$4,000))~~ \$5,000 if for construction or alteration involving: a structure and retaining some portion of that structure; or a new or existing structure including housing financed, in whole or in part, by public funding; or a new or existing structure that elects the MHA performance option according to Sections 23.58B.050 or 23.58C.050. If an applicant applies for a certificate of approval for the preliminary design of a project and later applies for a certificate of approval for a subsequent phase or phases of the same project, a fee shall only be charged for the first application. There is an additional charge of \$25 for a certificate of use approval in the Pioneer Square Preservation District, the Pike Place Market Historical District, and the International Special Review District.

* * *

C. Public School Advisory Committee fees. There is a charge of ~~(((\$135))~~ \$139 an hour for convening and staffing School Use Advisory Committees and School Departure Citizen Advisory Committees.

D. Major Institution Advisory Committee fees. The fee for convening and staffing of advisory committees for the routine annual review of approved master plans and/or the review of master plan amendments is ~~(((\$135))~~ \$139 an hour. The fee for convening and staffing of advisory committees for new master plans and for amendments to master plans is ~~(((\$135))~~ \$139 an hour.

E. Environmental (SEPA) review of projects. Review of referrals pursuant to subsections 25.05.675.H.2.c and 25.05.675.H.2.d by the City Historic Preservation Officer is charged at ~~(((\$430))~~ \$442 an hour.

F. Landmark reviews. Review of a building, site, or object's eligibility as a Seattle landmark pursuant to subsection 25.05.800.B or upon request is charged at ~~(((\$430))~~ \$442 an hour.

G. Requests for reviewing character structure TDP sending sites in the Pike/Pine Conservation Overlay District. The Department of Neighborhoods' hourly review fee is ~~(((\$430))~~ \$442 an hour for determining whether a character structure may, if requested by a property owner, be added to the list of character structures in the Seattle Department of Construction and Inspections Director's Rule promulgated according to Section 23.73.005.

Section 17. Section 22.900G.030 of the Seattle Municipal Code, last amended by Ordinance 124047, is amended as follows:

22.900G.030 Fees for review by Public Health-Seattle & King County

~~((A.)) Fees for plumbing, medical or dental gas, lab gas, and fuel gas piping shall be collected by the Director of Public Health - Seattle & King County in accordance with chapter 16.32 of the King County Code. ((The gas piping installation fee is calculated according to Table G-2 for 22.900G.030. A minimum of \$140 is nonrefundable.~~

~~B. The fee shall not apply to the installation of any domestic hot water heaters or any other domestic gas-fired appliance connected to a plumbing system whenever such appliance or heater is included in a plumbing installation for which a basic plumbing permit has been issued.~~

~~C. A reinspection fee for fuel gas piping of \$130 may be assessed for each inspection where such portion of work for which inspection is called for is not complete or when corrections called for are not made. This is not to be interpreted as requiring inspection fees the first time a job is rejected for failure to comply with the requirements of this Code, but as controlling the practice of calling for inspection or reinspection. Reinspection fees may be assessed when the permit is not properly posted on the work site, the work to be inspected is not under test, and for failure to make required corrections. To obtain a reinspection the applicant shall file an application therefor in writing upon a form furnished for that purpose, and pay the reinspection fee in accordance with this Code. In instances in which reinspection fees have been assessed, no additional inspection of the work will be performed until the required fees have been paid.))~~

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
SDCI	Shane Muchow	Christie Parker

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to fees and charges for permits and activities of the Seattle Department of Construction and Inspections, related fees by other departments, and technical corrections; repealing Chapter 22.504 of the Seattle Municipal Code; and amending Sections 22.504.010, 22.900B.010, 22.900B.020, 22.900C.010, 22.900D.010, 22.900D.090, 22.900D.100, 22.900D.110, 22.900D.140, 22.900D.150, 22.900D.160, 22.900E.020, 22.900E.030, 22.900E.040, 22.900E.050, 22.900G.010, and 22.900G.030 of the Seattle Municipal Code.

Summary and Background of the Legislation:

This legislation revises a portion of SDCI's fees and charges beginning on January 1, 2025. The majority of SDCI's fees and charges were last revised in Ordinance 126935 effective January 1, 2024, which provided an inflationary adjustment of 2%. These 2025 fee revisions include an inflationary adjustment of 6.5% in order to bring fees closer to a rate that recovers the costs of permitting work. This legislation also includes an increase in value-based building development plan review and permit fees, other revenue-neutral technical and language changes, and an increase in permit and inspection certificate fees for boiler, pressure vessel, and elevator equipment.

SDCI is primarily fee-supported, and its fees and charges are necessary to support SDCI's permitting operations. All fees collected by SDCI for processing SDCI's permits are used for that purpose, and the fee structure is reflective of the Seattle Municipal Code requirements to recover the cost of providing the permitting service. Similarly, other fees are set to recover the costs of certain code enforcement activities. This legislation will help ensure that the fees that SDCI collects are in line with the costs of providing services required by code.

Additionally, SDCI is making legislative changes on behalf of the Department of Neighborhoods (DON) and amending referring language for Public Health – Seattle & King County (PHS&KC). PHS&KC has not adjusted fees since 2013. Fees collected by both entities are located in Title 22.

This legislation is included in the Mayor's 2025 Proposed Budget for City Council. A separate piece of legislation is also being submitted to Council that will increase fees by an additional 6.5% in 2026. Attachment A to this Summary and Fiscal Note, "SDCI Permit Fee and Charges proposed for 2025-2026" provides a summary of all SDCI fees affected by this legislation as well as the 2026 fee bill. Prior to developing this legislation, these fees were reviewed to determine whether the cost of providing the service warrants a fee change, if improvements to the fee structure is necessary, or if new fees are required.

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2025 Estimated Revenue	2026 Estimated Revenue
Construction and Inspections Fund (48100)	SDCI	Boiler	\$254,062	\$254,062
Construction and Inspections Fund (48100)	SDCI	Building Development	\$5,001,662	\$5,001,662
Construction and Inspections Fund (48100)	SDCI	Electrical	\$546,520	\$546,520
Construction and Inspections Fund (48100)	SDCI	Elevator	\$751,152	\$751,152
Construction and Inspections Fund (48100)	SDCI	Land Use	\$381,941	\$381,941
Construction and Inspections Fund (48100)	SDCI	Noise	\$23,283	\$23,283
Construction and Inspections Fund (48100)	SDCI	Other Miscellaneous	\$28,135	\$28,135
Construction and Inspections Fund (48100)	SDCI	Refrigeration & Furnace	\$79,147	\$79,147
Construction and Inspections Fund (48100)	SDCI	Signs	\$32,391	\$32,391
Construction and Inspections Fund (48100)	SDCI	Site Review & Development	\$499,907	\$499,907
TOTAL			\$7,598,200	\$7,598,200

Revenue/Reimbursement Notes:

These amounts reflect changes in revenue in 2025 and uses the current (2024) fees as a basis for comparison. These changes include a 6.5% inflationary increase, an increase in value-based building development plan review and permit fees, and an increase in permit and inspection certificate fees for boiler, pressure vessel, and elevator equipment. The Executive's proposal is to phase in these inflationary changes at 6.5% in 2025 and 6.5% in 2026.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

No.

Please describe any financial costs or other impacts of not implementing the legislation.

Not implementing this legislation would create a situation where the revenues SDCI collects through fees would not align with the cost of providing permitting services. Without these fee increases, SDCI would be required to reduce services or programs within the 2025-2026 Proposed Budget. Such reductions would impact the department's ability to perform its permitting and enforcement responsibilities and delay service to customers.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

Yes. The legislation adjusts fees in Title 22 for the Department of Neighborhoods. Adjustments include an increase in certificate approval fees for designated special review district, Landmark, Landmark District, or historic district and an increase in hourly rate for Public School Advisory Committee and Major Institution Advisory Committee fees, environment reviews, landmark reviews and character structure reviews. Public Health – Seattle & King County are making changes and increases to their gas piping installation fees and inspections services.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. **How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.** By regularly reviewing fees, SDCI is able to ensure that the fees it sets will appropriately cover the costs of the services it provides. For those groups that were increased above the inflationary adjustment, SDCI took into account that those fees have remained constant for multiple years, only keeping in line with inflation. Additionally, adjusting fees to account for inflation allows SDCI to continue to pay staff at more current wages.

ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

iii. What is the Language Access Plan for any communications to the public?

SDCI regularly publishes the Director's Rules to notify the public of changes on our website and in newsletters.

d. Climate Change Implications

i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

This legislation is not likely to increase or decrease carbon emissions.

ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

There is no impact anticipated on Seattle's ability to adapt to climate change.

e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to fees and charges for permits and activities of the Seattle Department of Construction and Inspections, related fees by other departments, and technical corrections; repealing Chapter 22.504 of the Seattle Municipal Code; and amending Sections 22.504.010, 22.900B.010, 22.900B.020, 22.900C.010, 22.900D.010, 22.900D.090, 22.900D.100, 22.900D.110, 22.900D.140, 22.900D.150, 22.900D.160, 22.900E.020, 22.900E.030, 22.900E.040, 22.900E.050, 22.900G.010, and 22.900G.030 of the Seattle Municipal Code.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Chapter 22.504 of the Seattle Municipal Code, last amended by Ordinance 123453, is repealed:

~~((Chapter 22.504 PERMITS AND INSPECTIONS~~

~~22.504.010 Permit fees~~

~~An applicant for a permit to do work under this Plumbing Code shall pay for each permit, at the time of issuance, a fee in accordance with the following schedule, and at the rate provided for each classification shown in the schedule:~~

~~A. Schedule of Fees~~

~~Plumbing permit fees for fixtures or traps are calculated according to Table A-1. Reduced pressure principle backflow prevention devices and double check valve assemblies require separate permits and are calculated according to Table A-1.~~

~~For each atmospheric vacuum breaker in irrigation systems, tanks, vats, etc., or for installation on unprotected plumbing fixtures including necessary water piping~~

~~Vacuum breaker-one to five each device \$10~~

~~Vacuum breaker-over five each device \$5~~

~~Pressure vacuum breaker-each \$10~~

Table A-1 – PLUMBING AND BACKFLOW PREVENTION PERMITS		
# of Fixtures	Plumbing Permit Fee	Backflow Prevention Permit Fee
1	\$140	\$140
2-3	\$210	\$210
4-6	\$298	\$298
7-10	\$333	\$333
11 on	\$333 + \$8/fixture	\$333 + \$8/fixture

~~B. Fees for Miscellaneous Inspection Services~~

~~Fees for inspection service outside regular working hours or for inspection service requested but not covered by a permit will be charged for at a rate equal to the cost of performing the service.~~

~~Fees for permanent location inspection of factory housing or modular unit containing plumbing For each single-family dwelling or each modular unit containing plumbing \$20~~

~~Plumbing permit includes on-site connections of building drain extensions, water service and necessary gas piping connections.~~

~~Additional plumbing fixtures installed after factory installation of plumbing for each plumbing fixture or trap \$10~~

~~Fees for reconnection and retest of plumbing systems in relocated buildings For each building containing plumbing \$20~~

~~Plumbing permit includes on-site connections of building drain extensions, water service and necessary gas piping connections.~~

~~Additional plumbing fixtures installed after relocation for each plumbing fixture or trap \$10~~

~~C. For the purpose of this section, "fixture" means and includes an appliance that is connected with a water, drain or vent pipe, but a sillcock faucet or hose bibb is not considered a fixture. A sanitary plumbing outlet on or to which a plumbing fixture or appliance may be set or attached shall be construed to be a fixture.~~

~~D. Any person who commenced any work for which a permit is required by this Plumbing Code without first having obtained such permit shall upon subsequent application for the permit pay double the fee fixed by the schedule of fees for the work in subsections A and B of this section unless it is proved to the satisfaction of the Administrative Authority that the work was urgently necessary and that it was not practical to obtain a permit prior to the commencement of the work. In all such emergency cases, a permit shall be obtained as soon as it is practical to do so, and if there is an unreasonable delay in obtaining the permit, a double fee shall be charged as provided in this Code.~~

~~E. A reinspection fee of \$130 may be assessed for each inspection or reinspection if the portion of work for which inspection is called is not complete or if corrections called for are not made. This subsection does not require inspection fees the first time a job is rejected for failure to comply with this Code, but is intended to control the practice of calling for inspection or reinspection.~~

~~Reinspection fees may be assessed if the permit is not properly posted on the work site, the work to be inspected is not under test, for failure to provide access on the date for which inspection is requested or for failure to make required corrections. Requests for reinspection shall be made in writing upon forms furnished for that purpose, and shall be accompanied by the reinspection fee in accordance with this section. If reinspection fees have been assessed, additional inspection of the work shall not be performed until the required fees have been paid.~~

~~22.504.020 Refund of fees~~

~~If the work for which a permit fee has been paid is not be started, the Administrative Authority, upon proper application for refund and surrender of the permit for cancellation, shall issue a refund. In determining the amount of refund due, the Administrative Authority shall deduct the amount of the basic fee to cover the cost of~~

administration of the permit. A refund shall not be made for an expired permit.))

Section 2. Section 22.900B.010 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900B.010 Base fee and hourly rate

A. The SDCI base fee shall be charged as specified in this Subtitle IX and shall be ~~(((\$257))~~ \$292.

B. Any services provided by the Department for which an hourly charge is assessed shall be charged at a rate specified in this Subtitle IX.

The hourly rate for land use review is ~~(((\$439))~~ \$498. The rate for all other hourly fees is ~~(((\$257))~~ \$292 an hour except where a different hourly rate is specified in this Subtitle IX. Where "SDCI hourly rate" is specified in this Subtitle IX, the rate is ~~(((\$257))~~ \$292 an hour.

C. If an hourly rate is specified, overtime shall be charged at that same rate. If no hourly rate is specified, overtime shall be charged at ~~(((\$257))~~ \$292 an hour. All overtime shall require approval by the Director. The minimum fee for each overtime request shall be one hour, with minimum increments of 1/4 hour, in addition to other permit fees established by this Subtitle IX.

Section 3. Section 22.900B.020 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900B.020 Miscellaneous and special fees

* * *

D. Address change

The fee to correct the address on an application or, if applicable, on an issued permit is ~~(((\$69.75))~~ \$79.25. If an address change is requested that is unrelated to an application for a permit or for an issued permit, a fee of one multiplied by the base fee shall be assessed.

E. Copies of electronic and microfilm records

Charges for plans reproduced from electronic records or from the microfilm library are shown in Table B-1 for 22.900B.020.

Table B-1 for 22.900B.020- Fees for Reproductions from Electronic or Microfilm Record	
Page Size	Price
Electronic Records	
8½" x 11"	(((\$0.80)) <u>\$0.90</u> per printed page
11" x 17"	(((\$0.80)) <u>\$0.90</u> per printed page
Microfilm Records	
8½" x 11"	(((\$1.75)) <u>\$1.90</u> per copied page
11" x 17"	(((\$1.75)) <u>\$1.90</u> per copied page

Both sizes	\$0.10 per scanned image

Section 4. Section 22.900C.010 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900C.010 Land use fees

* * *

Table C-1 for 22.900C.010-LAND USE FEES	
A. MASTER USE PERMIT, ENVIRONMENTAL CRITICAL AREAS, CITY COUNCIL HEARING EXAMINER APPROVALS	
Hours worked beyond those covered by minimum will be charged the Land Use hourly rate, unless otherwise noted, and are payable at time of invoice.	
Type of Land Use Review	Minimum Fee
General-first 10 hours of review	Land Use Hourly × 10
Low-Income Housing-first 24 hours of review	Land Use Hourly × 10
1. Administrative conditional uses (ACUs) ACUs for community centers, child care centers, day care centers, private schools, religious facilities, and public and private libraries in neighborhood residential and multi-family zones shall be charged a minimum fee of ((\$2,195)) <u>\$2,490</u> for the first 20 hours. Additional hours shall be charged at the Land Use hourly rate. This exception applies only to applications for an ACU only, or an ACU combined with a variance application.	
2. Design Review The minimum fee for Administrative Design Review, Master Planned Community Design Review and Streamlined Design Review is ((\$4,390)) <u>\$4,980</u> . The minimum fee for full Design Review is ((\$8,780)) <u>\$9,960</u> , which covers the first 20 hours of review. Refer to subsection 10 of this Table C-1 for 22.900C.010 for fees related to Design Review for Tree Protection.	
3. Environmental reviews (SEPA), including projects with more than one addressed site.	
4. Environmentally critical areas (ECA)	
a. Environmentally Critical Areas variance ²	
b. ECA Exception	
c. Environmentally Critical Areas Administrative Conditional Use	
5. Shoreline permits	
a. Substantial development permits	
b. Variances ² and conditional uses	
6. Short subdivisions ³ ; refer to subsection 10 of Table D-2 for 22.900D.010 for additional fees that may apply to this permit type	

7. Special exceptions	
8. Variances ² Variances for community centers, child care centers, adult care centers, private religious facilities, and public and private libraries in neighborhood residential and multi-family zones shall be charged a minimum fee of ((\$2,195)) <u>\$2,490</u> for the first 20 hours. Additional hours shall be charged at the Land Use hourly rate. This exception applies if the application is for a variance only, or a variance combined only with an ACU application.	
9. Type II land use approvals such as, but not limited to, planned community/residential development, major phased developments, and other Type II approvals that are not categorized otherwise in Table C-1 for 22.900C.010.	
10. The minimum fee for Council conditional uses, Rezones, Public Projects, and all other Type III and Type V land use approvals shall be ((\$8,780)) <u>\$9,960</u> , which covers the first 20 hours of review.	
11. Full subdivisions ⁴ ; refer to subsection 10 of Table D-2 for 22.900D.010 for additional fees that may apply to this permit type	
12. Reserved	
13. Reserved	
* * *	
C. NON-HOURLY LAND USE FEES	
Type of Land Use Review	Fee
42. Curb cuts as a separate component	
a. Single-family residential	((\$105.35)) <u>\$119.50</u> each
b. Other than single-family residential	((\$208.35)) <u>\$236.35</u> each
43. File Management	SDCI Base Fee × 1
a. Placing projects on hold at applicant request	
b. Splitting or combining projects	
44. Intake appointments for land use reviews; is charged for each occurrence	SDCI Base Fee × 1
45. Notice. All notice is charged based upon time for each occurrence. ⁸	
a. Land use information bulletin (GMR notice)	SDCI Base Fee × 1
b. Posting large sign or placards	((\$159.35)) <u>\$180.75</u>
c. Mailed notice	SDCI Base Fee per 500 pieces of mail or portions thereof
d. DJC decision publication	((\$250)) <u>\$283.55</u>
e. Neighborhood newspaper publication	Rate charged by newspaper
f. Public meeting room rental and/or associated costs	((\$160.55)) <u>\$182.10</u>
46. Rebuild Letters	

a. With research	SDCI Base Fee × 1
b. Without research	((\$53.90)) <u>\$61.15</u>
47. Records research by the Public Resource Center	SDCI Base Fee × 1
48. Recording Fees, for LBA or Short Subdivision	Rate charged by King County ⁹
49. Shoreline Extensions	SDCI Base Fee × 1
<p>Footnotes to Table C-1 for 22.900C.010: ¹ For purposes of these land use fees, low-income housing that both (1) satisfies the definition of "housing, low income" in Section 23.84A.016; where at least 50 percent of the total gross floor area of each structure on the site is committed -income housing use for at least 20 years. ² The single variance fee shall be applicable whether project requires one or multiple variances. ³ Includes short subdivisions in environmentally critical areas. ⁴ Includes unit-lot subdivisions and full subdivisions in environmentally critical areas. ⁵ fee applies if design review is initiated only for tree protection and the application has no other review under Items 1-14. ⁶ The fees for interpretations of Chapters 25.12, 25.16, 25.20, 25.21, 25.24, and 25.30 shall be collected by the Director of the Department of Neighborhoods. ⁷ The application conference fee covers a one-hour conference and one hour of research and/or follow-up review time that normally occurs, for a total of two hours. Additional pre-application review time shall be charged at the Land Use hourly rate. See also subsection 22.900C.010.D. ⁸ Additional notice shall be given in circumstances including but not limited to the following: reinstallation of environmental review signs; reposting of the land use review or environmental signs; new component review; subsequent to the original notice; revised decisions; and changes to the scope of the project. ⁹ Recording fees will be charged the current rate as established and charged by King County at the time of document recording. * * *</p>	

Section 5. Section 22.900D.010 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900D.010 Development permit fees

* * *

Table D-2 for 22.900D.010 - CALCULATION OF DEVELOPMENT FEES DETERMINED

Type of Development	Percent of Development Fee Index (DFI) Calculated from Project Value as Specified in Table D-1 ¹ for 22.900D.010	
	Permit Fee	Plan Review Fee
* * *		
5. Blanket permit review fees		
a. Tenant alterations applied months of the date of issuance certificate of occupancy withi where the area of work is mor sq. ft.	(((\$3.30)) <u>\$3.70</u> per 100 square feet ¹	(((\$3.75)) <u>\$4.25</u> per 100 square feet ¹
b. Tenant alterations applied months of the date of issuance certificate of occupancy	100% of DFI	100% of DFI
6. Initial tenant alterations ap 18 months of the date of issua certificate of occupancy (nonl initial tenant improvements to ³	50% of DFI based on new building value of shell and core	50% of DFI based on new building value of shell and core
* * *		
14. Single-family seismic ret		
a. Permit for work in full coi Project Impact Standards/Plan earthquake home retrofit (EH	Base fee × 1	None

b. Permit for work in partial with ((Project Impact Standard prescriptive earthquake home plan set with additional engineering those portions not in compliance	Base fee \times 1	SDCI hourly rate with 1 hour minimum
c. Voluntary seismic upgrade engineering/design and not per (Impact Standards/Plans)) prescriptive earthquake home retrofit (EH	100% of DFI	100% of DFI
* * *		
Footnotes to Table D-2 for 22.900D.010 ¹ The minimum permit fee or plan review fee for value-based plan review is ((\$102.95)) \$ initial tenants that reflect the use and occupancy established in the shell and core permit. The value used in calculating value for the shell and core permit. ⁴ If a swimming pool is located within building plans for that building, a separate fee shall not be charged for the swimming pool. The floor area of the principal occupancy of the building. ⁵ This fee shall not apply to any on-site, building permit is in force. ⁶ Master use permit fees for such temporary uses shall be charged.		

* * *

H. Certificate of Occupancy. The issuance of a Certificate of Occupancy for existing buildings, either if no Certificate of Occupancy has previously been issued or if a change of occupancy is requested, requires a building permit. If there is no construction valuation (there is no work that would require a building permit), the minimum building permit fee shall be assessed. In addition to the minimum building permit fee, if records research, plan examination or inspection is required, charges shall be assessed at the SDCI hourly rate. If work is being done as authorized by a permit, the permanent Certificate of Occupancy fee is not assessed in addition to the building permit fee. The fee for a temporary Certificate of Occupancy shall be charged at the rate of 1/2 the base fee. The fee for the duplication of a Certificate of Occupancy is ((~~\$43.05~~)) \$48.85 unless records research, plan examination, or inspection is required, in which case charges shall be assessed at the SDCI hourly rate.

* * *

Section 6. Section 22.900D.090 of the Seattle Municipal Code, last amended by Ordinance 126709, is amended as follows:

22.900D.090 Permit fees for mechanical equipment and systems, other than boilers and pressure vessels and refrigeration systems

* * *

Table D-8 for 22.900D.090 - PERMIT FEES FOR MECHANICAL EQUIPMENT

Type of Installation	Fee
Forced air, gravity-type, or floor furnace, gas or electric suspended heater, heat pump, recessed wall heater, ceiling mounted space heater, wall furnace, circulating woodstove/fireplace insert including ducts and attached thereto	((\$53.20)) <u>\$60.35</u> per unit
New gas or oil burners and newly installed use burners ¹	((\$66.55)) <u>\$75.50</u> per unit
Appliance vents Class A, B, BW, or L if installed	((\$52.75)) <u>\$59.85</u> per unit
Mechanical air-moving systems	See Table D-2 for 22.900D.010
Appliances or equipment or other work not classified in the above categories, or for which no other fee is listed	Hourly at the SDCI hourly rate. Minimum of 1/2 hour.
Footnote to Table D-8 for 22.900D.090 ¹ See Table D-12 for 22.900D.110 for rates for burners	

Section 7. Section 22.900D.100 of the Seattle Municipal Code, last amended by Ordinance 126709, is amended as follows:

22.900D.100 Refrigeration equipment and systems

A. Fees for the installation, addition, repair, replacement, and alteration of refrigeration equipment and systems shall be charged as set in Table D-10 for 22.900D.100.

B. Temporary installations of ten days' duration or less, made for the purposes of exhibition, display, or demonstration, shall be charged a fee of ((~~\$65.60~~)) \$74.40 for each installation.

Table D-10 for 22.900D.100 - REFRIGERATION PERMIT FEES¹	
Type or Size of System/Equipment	Fee
Basic fee²	((\$37.45)) <u>\$42.50</u>
((Additional installation fee per compressor)) <u>Additional installation fee per compressor</u>	<u>Fee</u>
0-5 tons	((\$31.35)) <u>\$35.55</u>
6-25 tons	((\$63.70)) <u>\$72.25</u>

D. Wall signs. The maximum fee for signs painted on or otherwise applied directly to the building wall without a frame or mechanical fasteners is (((\$779.40)) \$884.

* * *

Section 13. Section 22.900E.020 of the Seattle Municipal Code, last amended by Ordinance 126935, is amended as follows:

22.900E.020 Boiler and pressure vessel certificates of ((operation)) inspection

A. The fee for certificates of ((operation)) inspection for boilers and pressure vessels shall be charged in accordance with Table E-1 for 22.900E.020. Where the inspection is performed by the City, the certificate fee includes the certificate of ((operation)) inspection, the inspection and one reinspection, if necessary.

B. Fees for boiler and pressure vessels that are inspected by authorized insurance company inspectors are 50 percent of those set forth in Table E-1 for 22.900E.020, but the 50 percent rate shall not apply to the charges for control and limit devices for automatic boilers specified in Table E-1 for 22.900E.020. No fee shall be less than the minimum fee.

Table E-1 for 22.900E.020 - FEES FOR CERTIFICATES OF ((OPERATION)) INSPEC

Examination fees - all licenses	((\$55.15)) <u>\$62.55</u>

Section 16. Section 22.900G.010 of the Seattle Municipal Code, last amended by Ordinance 126709, is amended as follows:

22.900G.010 Fees for Department of Neighborhoods review

The following fees shall be collected by the Director of the Department of Neighborhoods and deposited in the General Fund unless otherwise specified.

A. Certificate of approval fees. There is a charge for a certificate of approval as required by all applicable ordinances for the construction or alteration of property in a designated special review district, Landmark, Landmark District, or historic district of \$25 for construction costs of \$1,500 or less, plus \$10 for each additional \$5,000 of construction costs, up to a maximum fee of ((~~\$20,000~~)) \$25,000, except that the

maximum fee for a certificate of approval shall be (~~(\$4,000)~~) \$5,000 if for construction or alteration involving: a structure and retaining some portion of that structure; or a new or existing structure including housing financed, in whole or in part, by public funding; or a new or existing structure that elects the MHA performance option according to Sections 23.58B.050 or 23.58C.050. If an applicant applies for a certificate of approval for the preliminary design of a project and later applies for a certificate of approval for a subsequent phase or phases of the same project, a fee shall only be charged for the first application. There is an additional charge of \$25 for a certificate of use approval in the Pioneer Square Preservation District, the Pike Place Market Historical District, and the International Special Review District.

* * *

C. Public School Advisory Committee fees. There is a charge of (~~(\$135)~~) \$139 an hour for convening and staffing School Use Advisory Committees and School Departure Citizen Advisory Committees.

D. Major Institution Advisory Committee fees. The fee for convening and staffing of advisory committees for the routine annual review of approved master plans and/or the review of master plan amendments is (~~(\$135)~~) \$139 an hour. The fee for convening and staffing of advisory committees for new master plans and for amendments to master plans is (~~(\$135)~~) \$139 an hour.

E. Environmental (SEPA) review of projects. Review of referrals pursuant to subsections 25.05.675.H.2.c and 25.05.675.H.2.d by the City Historic Preservation Officer is charged at (~~(\$430)~~) \$442 an hour.

F. Landmark reviews. Review of a building, site, or object's eligibility as a Seattle landmark pursuant to subsection 25.05.800.B or upon request is charged at (~~(\$430)~~) \$442 an hour.

G. Requests for reviewing character structure TDP sending sites in the Pike/Pine Conservation Overlay District. The Department of Neighborhoods' hourly review fee is (~~(\$430)~~) \$442 an hour for determining whether a character structure may, if requested by a property owner, be added to the list of character structures in the Seattle Department of Construction and Inspections Director's Rule promulgated according to Section

23.73.005.

Section 17. Section 22.900G.030 of the Seattle Municipal Code, last amended by Ordinance 124047, is amended as follows:

22.900G.030 Fees for review by Public Health-Seattle & King County

A. Fees for plumbing, medical or dental gas, lab gas, and fuel gas piping shall be collected by the Director of Public Health - Seattle & King County in accordance with chapter 16.32 of the King County Code. ~~((The gas piping installation fee is calculated according to Table G-2 for 22.900G.030. A minimum of \$140 is nonrefundable.~~

~~B. The fee shall not apply to the installation of any domestic hot water heaters or any other domestic gas-fired appliance connected to a plumbing system whenever such appliance or heater is included in a plumbing installation for which a basic plumbing permit has been issued.~~

~~C. A reinspection fee for fuel gas piping of \$130 may be assessed for each inspection where such portion of work for which inspection is called for is not complete or when corrections called for are not made. This is not to be interpreted as requiring inspection fees the first time a job is rejected for failure to comply with the requirements of this Code, but as controlling the practice of calling for inspection or reinspection. Reinspection fees may be assessed when the permit is not properly posted on the work site, the work to be inspected is not under test, and for failure to make required corrections. To obtain a reinspection the applicant shall file an application therefor in writing upon a form furnished for that purpose, and pay the reinspection fee in accordance with this Code. In instances in which reinspection fees have been assessed, no additional inspection of the work will be performed until the required fees have been paid.))~~

Table G-2 for 22.900G.030 – GAS PIPING INSTALLATION FEE	
# of Outlets	Fee
1-4	\$140
5-6	\$175
7-9	\$210

10	\$245
11 on	\$245 + \$10/outlet

Section 18. This ordinance shall take effect on January 1, 2026. If an ordinance takes effect earlier than this ordinance that amends any language this ordinance also amends, this ordinance's amendments will take precedence over those amendments.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
SDCI	Shane Muchow	Christie Parker

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to fees and charges for permits and activities of the Seattle Department of Construction and Inspections, related fees by other departments, and technical corrections; repealing Chapter 22.504 of the Seattle Municipal Code; and amending Sections 22.504.010, 22.900B.010, 22.900B.020, 22.900C.010, 22.900D.010, 22.900D.090, 22.900D.100, 22.900D.110, 22.900D.140, 22.900D.150, 22.900D.160, 22.900E.020, 22.900E.030, 22.900E.040, 22.900E.050, 22.900G.010, and 22.900G.030 of the Seattle Municipal Code.

Summary and Background of the Legislation:

This legislation revises a portion of SDCI’s fees and charges beginning on January 1, 2026. The majority of SDCI’s fees and charges were last revised in Ordinance 126935 effective January 1, 2024, which provided an inflationary adjustment of 2%. A separate bill included in the Executive’s 2025-2026 Proposed Budget increases fees in 2025 by an inflationary adjustment of 6.5%, an increase in value-based building development plan review and permit fees, other revenue-neutral technical and language changes, and an increase in permit and inspection certificate fees for boiler, pressure vessel, and elevator equipment. This legislation includes an additional inflationary adjustment of 6.5% to set fees at a rate that will recover the costs of permitting work and does not include an additional increase in electrical permit fees.

SDCI is primarily fee-supported, and its fees and charges are necessary to support SDCI’s permitting operations. All fees collected by SDCI for processing SDCI’s permits are used for that purpose, and the fee structure is reflective of the Seattle Municipal Code requirements to recover the cost of providing the permitting service. Similarly, other fees are set to recover the costs of certain code enforcement activities. This legislation will help ensure that the fees that SDCI collects are in line with the costs of providing services required by code.

Additionally, SDCI is making legislative changes on behalf of the Department of Neighborhoods (DON) and amending referring language for Public Health – Seattle & King County (PHS&KC). PHS&KC has not adjusted fees since 2013. Fees collected by both entities are located in Title 22.

Attachment A to this Summary and Fiscal Note, “SDCI Permit Fee and Charges proposed for 2025-2026” provides a summary of all SDCI fees affected by this legislation and proposed fee changes for both 2025 and 2026. Prior to proposing this legislation, these fees were reviewed to determine whether the cost of providing the service warrants a fee change, if improvements to the fee structure is necessary, or if new fees are required.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☒ Yes ☐ No

Expenditure Change (\$); General Fund	2025 est.	2026 est.
Expenditure Change (\$); Other Funds	2025 est.	2026 est.

Revenue Change (\$); General Fund	2025 est.	2026 est.
Revenue Change (\$); Other Funds	2025 est.	2026 est.
	\$0	\$8,885,239

Number of Positions	2025 est.	2026 est.
Total FTE Change	2025 est.	2026 est.

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2025 Estimated Revenue	2026 Estimated Revenue
Construction and Inspections Fund (48100)	SDCI	Boiler	\$0	\$546,579
Construction and Inspections Fund (48100)	SDCI	Building Development	\$0	\$5,327,169
Construction and Inspections Fund (48100)	SDCI	Electrical	\$0	\$635,054
Construction and Inspections Fund (48100)	SDCI	Elevator	\$0	\$1,136,331
Construction and Inspections Fund (48100)	SDCI	Land Use	\$0	\$465,680
Construction and Inspections Fund (48100)	SDCI	Noise	\$0	\$26,409
Construction and Inspections Fund (48100)	SDCI	Other Miscellaneous	\$0	\$29,057
Construction and Inspections Fund (48100)	SDCI	Refrigeration & Furnace	\$0	\$89,770
Construction and Inspections Fund (48100)	SDCI	Signs	\$0	\$36,739
Construction and Inspections Fund (48100)	SDCI	Site Review & Development	\$0	\$592,451
TOTAL			\$0	\$8,885,239

Revenue/Reimbursement Notes: These amounts reflect changes in revenue associated with a 13% inflationary fee increase in 2026 and uses the current (2024) fees as the basis of comparison. The Executive's proposal is to phase in these fees at 6.5% in 2025 and 6.5% in 2026. These changes also include an increase in value-based building development plan review and permit fees and an increase in permit and inspection certificate fees for boiler, pressure vessel, and elevator equipment.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

No.

Please describe any financial costs or other impacts of not implementing the legislation.

Not implementing this legislation would create a situation where the revenues SDCI collects through fees would not align with the cost of providing permitting services. Without these fee increases, SDCI would be required to reduce services or programs within the 2025-2026 Proposed Budget. Such reductions would impact the department's ability to perform its permitting and enforcement responsibilities and delay service to customers.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

Yes. The legislation adjusts fees in Title 22 for the Department of Neighborhoods. Adjustments include an increase in certificate approval fees for designated special review district, Landmark, Landmark District, or historic district and an increase in hourly rate for Public School Advisory Committee and Major Institution Advisory Committee fees, environment reviews, landmark reviews and character structure reviews. Public Health – Seattle & King County are making changes and increases to their gas piping installation fees and inspections services.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. **How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.** By regularly reviewing fees, SDCI is able to ensure that the fees it sets will appropriately cover the costs of the services it provides. For those groups that were increased above the inflationary adjustment, SDCI took into account that those fees have remained constant for multiple years, only keeping in line with inflation. Additionally, adjusting fees to account for inflation allows SDCI to continue to pay staff at more current wages.

ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

iii. What is the Language Access Plan for any communications to the public?

SDCI regularly publishes the Director's Rules to notify the public of changes on our website and in newsletters.

d. Climate Change Implications

i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

This legislation is not likely to increase or decrease carbon emissions.

ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

There is no impact anticipated on Seattle's ability to adapt to climate change.

e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachment A – SDCI Permit Fees and Charges Proposed for 2025 and 2026

NOTE: “Date Last Modified” is the effective date of change

Fee Type	Description	Last Modified	Adopted 2024 Fee		Proposed 2025 Fee	Proposed 2026 Fee	Comments
	ORDINANCE SECTION 3						
	22.900B.010 Base fee and hourly rate						
A. SDCI Base Fee	Base fee for many SDCI services	2024	\$257		\$274	\$292	6.5% annual increases based on annual wage adjustments
B. All Other Hourly Fees - Land Use Hourly - Other than Land Use Review	Hourly rate for land use review	2024	\$439		\$467	\$498	6.5% annual increases based on annual wage adjustments
	Hourly rate for all services other than land use review, except where a different hourly rate is specified		\$257		\$274	\$292	
	Hourly rate where “SDCI hourly rate” is specified		\$257		\$274	\$292	
C. SDCI Hourly Rate & Overtime Rate	Hourly rate where “SDCI hourly rate” is specified; Overtime rate for services where no base hourly rate is specified is same as “SDCI hourly rate”, minimum fee is one hour with minimum increments of ¼ hour	2024	\$257		\$274	\$292	6.5% annual increases based on annual wage adjustments
	ORDINANCE SECTION 4						
	22.900B.020 Miscellaneous and special fees						
D. Address Change	Fee to correct the address on an application or an issued permit	2024	\$69.75		\$74.25	\$79.25	6.5% annual increases based on annual wage adjustments
	22.900B.020 Table B-1 for 22.900B.020 - Fees for Reproductions from Electronic and Microfilm Records						
E. Copies of electronic and microfilm records	Electronic record copy for 8½"x11" and 11"x17" paper	2024	\$0.80 per copied page		\$0.85 per copied page	\$0.90 per copied page	6.5% annual increases based on annual wage adjustments
	Microfilm record copy for 8½"x11" and 11"x17" paper		\$1.75 per copied page		\$1.85 per copied page	\$1.90 per copied	
	ORDINANCE SECTION 5						
	22.900C.010 Table C-1 – Land Use Fees

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to street and sidewalk use; amending the Street Use Fee Schedule authorized by Section 15.04.074 of the Seattle Municipal Code.

WHEREAS, Section 15.04.074 of the Seattle Municipal Code authorizes and directs the Director of

Transportation to prepare and recommend to the City Council, for passage by ordinance, a schedule of fees applicable to all street and sidewalk use permits (“the Street Use Fee Schedule” or “fee schedule”) that may take into consideration the desirability or undesirability of the use or occupation relative to the rights of the public; and

WHEREAS, Street Use fees are intended to cover full costs of permit issuance, inspection, and plan review, and it is appropriate that those wishing to use public rights-of-way should bear the costs associated with obtaining appropriate street and sidewalk use permits; and

WHEREAS, although Ordinance 125185 authorizes the Director of Transportation to annually adjust base street use permit and hourly fees administratively and include the changes in a schedule of adjusted fees the Director files with the City Clerk, this action resets the fees that can be administratively changed by using 2018 as the base of calculations; and

WHEREAS, use, occupancy, and citation fees have not been adjusted since 2019 to reflect inflationary increases as calculated by Bureau of Labor Statistics Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers for Seattle-Tacoma-Bellevue, WA, which would have implemented rates approximately 25.8 percent higher than the 2019 rate; and

WHEREAS, Street Use fees for permit issuance, renewal, and hourly service rates for inspections and review have been adjusted by CPI annually but have not been adjusted for the current year, which would be a 2.4 percent increase from the current rate; and

WHEREAS, all fees require updating to more fully capture costs of permitting and are included in the Fee Schedule attached to the ordinance; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Seattle Department of Transportation (SDOT) Street Use Fee Schedule, last amended by Ordinance 126915, is replaced by the SDOT Street Use Fee Schedule attached as Attachment A to this ordinance. Otherwise, authority to adjust rates and fees as authorized in Ordinances 126732, 125945, 125706, and 125185 remains in effect.

Section 2. This ordinance shall take effect and be in force on January 1, 2025.

Passed by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.
/

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

(Seal)

Attachment A - Seattle Department of Transportation Street Use Fee Schedule

Seattle Department of Transportation Street Use Fee Schedule

Effective January 1, 2025

Table A – Base Permit Fees (Subject to annual adjustment, pursuant to Ordinance 125185)	
Permit Type	Base Permit Fee
ROW Simple Issuance	\$209
ROW Complex Issuance	\$754
Major (SIP/UMP) Permit Issuance	\$8,917
SIP Lite Issuance	\$3,412
No Permit/No Job Start Fee	\$366
Street Vacation Processing	\$11,917
Council Term Issuance	\$426
General Long-Term Issuance	\$426
General Long-Term Renewal	\$324
Year-round Public Street & Sidewalk Activities Issuance, including Year-round Farmers Markets*	\$216
Seasonal or Temporary Public Street & Sidewalk Activities Issuance, including Seasonal Farmers Markets*	\$81
Temporary Private Street & Sidewalk Activities Issuance	\$982 + Table B4
Year-round Business Activation Issuance	\$1,317 + \$216 for each Additional Space
Year-round Business Activation Renewal	\$635
Seasonal Business Activation Issuance	\$540
Year-round Site-Specific Vending Issuance*	\$1,025
Year-round Site-Specific Vending Renewal*	\$597
4-month Site Trial Vending Issuance*	\$216
Temporary Event Vending (max 4 event days) Issuance*	\$81
Annual Route Vending Issuance*	\$324
Event Pole Banner Issuance	\$324

* See Table A2. By Ordinance 126915, and as part of the Downtown Activation Plan, no fees are assessed for these uses on a City-wide basis from the effective date of this ordinance to January 1, 2026.

Table A1 – Hourly Review and Inspection Service Rates (Subject to annual adjustment, pursuant to Ordinance 125185)	
Service Rate Type (for all City staff)	Base Permit Fee

Hourly Review and Inspection	\$358
Overtime Hourly Review and Inspection	\$718

Table A2 - Uses with No Base Permit Fee	
Use Description	Use Code
Gardening in the ROW	1
Tree Planting, Pruning or Removal	1A, 1B, and 1C
Unimproved right-of-way and shoulder planting with minimal ground disturbance of 1 cubic yard or less	1D
Miscellaneous User per SMC 15.04.100	54
Residential Street Barricading for Neighborhood Activation (e.g. block parties, play streets)	54B
Barricading for Public Safety	54C
Sidewalk or Driveway Maintenance or Repair (less than 100 sq. ft.)	55
First Amendment Vending or Expressive Activity	19B/19K
Public Activation Amenities (e.g. street furniture, art)	52
Advertising in the ROW (e.g. signs, graphics)	6
Vending (year-round issuance and renewal, site trial, temporary, and route vending) and Public Street and Sidewalk Activities (year-round, seasonal, and temporary) – From effective date of ordinance 126915 to January 1, 2026	3A, 3B, 19 series

Table A3 – Modification Fee (Subject to annual adjustment, pursuant to Ordinance 125185)	
Use Description	Modification Fee
Standard Permit Modification Issuance	\$300

Table B1 – Use Fee Model						
Density Factors	Urban Center		Urban Village		Neither

Use Description	Use Code	Short Term Use Fees
Temporary Private Street & Sidewalk Activities – Daily Recurrence	3APRI	\$199/day after first date on same permit

Table C1 – Long-Term Uses with Long-Term Occupancy Fees

Use Description	Use Code	Proposed Long-term Occupancy Fee
Fixed ground signs	2A	\$965/sign
Maintenance of at-grade structures	7	
Structures, moorage, and overhangs in underwater streets	7A	\$2.74/sf
Maintenance of below- and above-grade structures, including elevated access structures	7C	\$.88/sf
Fenced material storage and private use	12	
Active areaways existing prior to January 1, 1995	16	\$.88/sf
First Amendment vending*	19B	\$63/month
Stadium event vending*	19C	
Annual vending from a public place sidewalk or plaza*	19E	
Annual food-vehicle zone vending (paid parking)*	19G	\$601 (each 4-hr period x each day per week)
Annual food-vehicle zone vending (unpaid parking)*	19H	\$131 (each 4-hr period x each day per week)
Underground storage tank: non-decommissioned	21	\$965/tank
Permanent soldier piles	22B	\$1,272/pile
Structures, moorage, and overhangs in state waterways	WW100	\$2.74/sf

* By Ordinance 126915, and as part of the Downtown Activation Plan, no occupation fees will be charged on a City-wide basis from the effective date of this ordinance to January 1, 2026.

Table C2 - Occupation Fee Model

Street Category	Urban Center	Urban Village	Neither
Arterial	\$1.76	\$1.70	\$1.13
Non-Arterial	\$1.51	\$1.45	\$0.88

Table D1 – Term Permit Fee Model		
Location	Use Description	Degree of Alienation
Sub-surface	Utility tunnels/structures	0.3
	Vehicle/pedestrian tunnels	0.25
At-grade	Public plazas, artwork	0.1
	Structures, restricted access	0.8
	Utility structures	0.5
Above grade	Overhead building structures	0.75
	Private use skybridges	2
	Semi-public use skybridges	0.75
	Public use skybridges	0.1
	Vehicle bridges	0.5
	Public use vehicle ramps	0.2
Other	Sustainable building features*	0.1

* In order to qualify for this degree of alienation factor, the development must be participating in the City's Living Building Program, be capable of achieving Leadership in Energy and Environmental Design (LEED) platinum certification, or both. Programmatic term permit and franchise agreements fees are established by ordinance.

Term Permit (use code 62) annual occupation fee equation: ((land value) x (use area) x (rate of return) x (degree of alienation)) + PSM issuance or renewal fee

Table D2- Shoreline Street End Fee Model
Shoreline Street End (use code 11) annual occupation fee equation: (land value) x (use area) x (rate of return) x (demand probability) x (maritime industrial use) + General Long Term Issuance or General Long Term Renewal fee

Table E1 – Citation Penalty Fee Schedule (Subject to annual adjustment, pursuant to Ordinance 125945)			
Adjacent Lot Zone or Permit Type	Citation Penalty Fee*		
	1st Violation	2nd Violation	3rd + Violation
RSL, NR1, NR2, NR3 (“Residential Zones”), Public Space Management Permits, or Maintenance Activities**	\$315	\$629	\$1,258
All other zones (“Non-Residential Zones”) or Utility Construction Permits	\$1,258	\$2,516	\$5,032
Proposed Snow and ice removal*** in RSL, NR1, NR2, NR3 (“Residential Zones”)	\$63	\$63	\$63
Snow and ice removal*** in all other zones (“Non-Residential Zones”)	\$315	\$629	\$1,258

* Violators may be subject to subsequent violations within a one-year period

** “Maintenance Activities” includes violations of Chapters 15.20 and 15.43 of the Seattle Municipal Code

*** “Snow and ice removal” references Seattle Municipal Code Section 15.48.010

Definitions

<u>Factor/Term</u>	<u>Description</u>
ROW Simple	A simple permit is a permit that requires minimal review, such as a dumpster or storage container.
ROW Complex	A complex permit requires technical review and coordination, such as a 50-foot utility trench, a tower crane or other construction staging.
General Long-Term	Permits scheduled to renew on an annual basis for long-term, continuing uses of public right-of-way. This applies to Council Term and Shoreline Street End permits as well as the following long-term permit use codes: 2A, 3D, 7, 7A, 7C, 8, 11, 12, 14, 16, 19A, 21, 22B, 29A, 62, WW100, and WW150 that all have base fees listed on Table A. It does not apply to long-term permit use codes 6 and 52 which are included in Table A2.
Public Street & Sidewalk Activities	A public street and sidewalk activity is open to the public.
Private Street & Sidewalk Activities	A private street and sidewalk activity is for invited guests, customers, or a select intended audience only.
Year-round Business Activation Permit	A long-term permit for year-round sidewalk cafes, curbspace cafes, and merchandise displays. This applies to the following long-term use codes: 18A, 18B, 18D, and 18E.
Year-round Business Activation Additional Space	A space is defined as one of the following: a sidewalk frontage zone along a single building frontage, a sidewalk furniture zone along a single building frontage, or a curbspace along a single building frontage. The first space on an application is included in the base Year-round Business Activation Issuance Fee; each additional space is charged an Additional Space fee.
Seasonal Business Activation Permit	A permit for seasonal sidewalk cafes, curbspace cafes, and merchandise displays. These permits are active only from April 1 through October 31 of their issuance year. This applies to the following use codes: 18AS, 18BS, 18DS, 18ES.

Land value	<p>For Term permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the right-of-way centerline or abuts multiple parcels, the permit fee shall be calculated by averaging the abutting parcels' current land values.</p> <p>For Shoreline Street End permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the centerline of the right-of-way or abuts multiple parcels, the permit fee shall be calculated for each portion of the use area according to the current per-square-foot land value of the abutting parcels.</p> <p>If all parcels abutting the Term or Shoreline Street End permitted use area are government-owned and the parcels are not tax assessed in whole or in part by King County, the parcels shall be excluded when establishing the Term or Shoreline Street End permit fee. To determine the permit fee, the current per-square-foot land value as determined by the King County Assessor of the closest privately-owned parcel or parcels with the same zoning or shoreline designation of the Term or Shoreline Street End permitted use area shall be averaged. If the next closest privately-owned parcel or parcels do not have the same underlying zoning or shoreline designation as the abutting government-owned parcel, the Seattle Department of Transportation shall consult with the City Appraiser. The City Appraiser shall determine if the next closest parcel or parcels with similar zoning or shoreline designation reasonably establishes the current per-square-foot land value of the use area in the right of way for fee calculation purposes.</p>
Use area	Square footage of the permitted encroachment in the right-of-way, as authorized by Seattle Department of Transportation.
Transit/Bike/Ped Impacted	When a transit lane, bike lane or pedestrian sidewalk or pathway is partially closed, but mobility for the traveling public is maintained.
Transit/Bike/Ped Blocked	When a transit lane, bike lane or pedestrian sidewalk or pathway is closed to the traveling public.
Rate of return	Annualized rate of return on market value of the right-of-way, as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation.
Degree of alienation	For Term permits, the degree of impact on the public, utilities, right-of-way, and other potential uses of the right-of-way based on City policy, as established by Seattle Department of Transportation.

Demand probability	For Shoreline Street End permits, the estimated demand of probable use shall be based on factors that include, but are not limited to, location, access, size, view, and topography; as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation. Refer to Ordinance 123611, Attachment A: Demand Probability Factor. The Director of Transportation is authorized to update Attachment A based upon the recommendations of the City Appraiser or a State of Washington Certified General Real Estate Appraiser. The new Demand Probability Factor shall become effective when the updated Demand Probability Factor is adopted by rule.
Maritime Industrial Use Discount Factor	To support the City’s policies of protecting its maritime uses, a 50 percent discount factor shall apply to that portion of the Shoreline Street End occupied by a legally established water-dependent or water-related use as defined in Seattle Municipal Code Section 23.60.944.

Use of Shoreline Street End Fees

The Department of Transportation is directed to use the shoreline street end permit fees credited to the Transportation Operating Fund for the following purposes:

- (a) Notifying property owners that abut shoreline street ends of the need for permits for private use of the street end and of the fee schedule;
- (b) Administering and inspecting shoreline street end use;
- (c) Verifying property boundaries and area of use;
- (d) Matching funds for neighborhood improvements of shoreline street ends for public use;
- (e) Signing, demarcating, and maintaining shoreline street ends; or
- (f) Funding street and sidewalk improvements within a half-block radius of any of the shoreline street ends identified in Exhibit A to Resolution 29370 that directly contribute to public access to the shoreline street end.

Use of Vending Fees

Fees for vending activities authorized under Chapter 15.17 shall be deposited in the Transportation Fund. Street Use permit fees for vending activities may be used by other City departments for vending enforcement as authorized by the Director of Transportation and shall be used by the Department of Transportation for the following purposes:

- (a) Administering the vending program, including notifying property owners abutting a proposed vending site designated by the Department of Transportation;
- (b) Verifying property boundaries and square footage of usage;
- (c) Designating pre-approved vending sites by the Department of Transportation;

- (d) Signing and demarcating designated vending sites and food vehicle zones;
- (e) Attending meetings or hearings;
- (f) Preparing documents, legislation, forms, and notices;
- (g) Inspecting and enforcing permitted or illegal vending activity; or
- (h) Engaging in any other vending-related activity as directed by the Director of Transportation.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Transportation	Alyse Nelson	Christie Parker

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to street and sidewalk use; amending the Street Use Fee Schedule authorized by Section 15.04.074 of the Seattle Municipal Code.

Summary and Background of the Legislation:

This legislation amends the Street Use fee schedule to reflect updated fees. This legislation increases use, occupancy, and citation fees by 25.8 percent (rounded), which adjusts the fees to account for inflation as calculated by the Bureau of Labor Statistics in the Consumer Price Index (CPI). These fees have not been updated since 2019 and the fee changes reflect multiple years of inflation.

This legislation also adjusts permit issuance, renewal, and hourly service rates by 2.4 percent, based on CPI. These fees were last adjusted in 2024. The fee schedule continues to waive fees citywide through January 1, 2026 for new permits issued for street activities, sidewalk activities, and vending as authorized under Ordinance 126915.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☒ Yes ☐ No

Revenue Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.
General Fund					
Revenue Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.
Other Funds	\$6,679,000	\$6,679,000	\$6,679,000	\$6,679,000	\$6,679,000

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

Appropriations Notes: Appropriations associated with this legislative change are included in the Mayor's 2025-2026 Proposed Budget.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2024 Revenue	2025 Estimated Revenue
Transportation Fund (Fund 13000)	SDOT	OTR0011S – SU Fees–Service	-	\$637,000
		OTR0011U – SU Fees-Use, Occ, Penalty	-	\$6,042,000
TOTAL			-	\$6,679,000

Revenue/Reimbursement Notes:

CPI-W (12 months ending in June) is applied to calculate the percentage increase for use, occupancy, and citation fees. Historical fee increases since 2018 were used in calculating the rate needed (25.8 percent) to correctly capture the growth in CPI-W from June 2018 to June 2024.

This same methodology is applied to permit issuance, renewal, and hourly service rates for inspections and review. Street Use fees for these items may be administratively adjusted by CPI per Ordinance 125185. This increase to the current rate is 2.4 percent.

This is an ongoing change to revenue.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

N/A

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

There are no costs directly associated with implementing this legislation. Updating the fee schedule is a standard business process that SDOT conducts routinely with existing resources.

Please describe any financial costs or other impacts of *not* implementing the legislation.

Not implementing the legislation would mean inflation would not be accounted for in SDOT's fee schedule, meaning the City would be getting less revenue from use and occupancy fees that are intended to help Seattle residents and businesses in the form of managing right-of-way, activating public space, and leveraging development and utility restoration efforts. The adjustments to issuance, renewal, hourly service rates, and citation fees will help SDOT's Street Use Division continue to advance towards the goal of full cost recovery.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

This legislation would affect other City Departments that pay SDOT for Street Use permits for their work in the public right-of-way, including Seattle Public Utilities and Seattle City Light.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response, please consider impacts within City government (employees, internal programs) as well as in the broader community.

This legislation impacts all Street Use permit applicants, including businesses, residents, developers, and public and private utilities. It will not disproportionately impact vulnerable or historically disadvantaged communities. The proposed legislation is intended to align the fee schedule with inflation.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

Not applicable.

iii. What is the Language Access Plan for any communications to the public?

SDOT's public engagement and communications staff will develop an appropriate plan to inform affected parties about the fee schedule updates. Typically, this includes emails or newsletters to permittees, website updates, and sharing information with affected internal and external stakeholders both via email and at appropriate standing meetings.

d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

No.

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

No.

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

Not applicable.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

Definitions

<u>Factor/Term</u>	<u>Description</u>
ROW Simple	A simple permit is a permit that requires minimal review, such as a dumpster or storage container.
ROW Complex	A complex permit requires technical review and coordination, such as a 50-foot utility trench, a tower crane or other construction staging.
General Long-Term	Permits scheduled to renew on an annual basis for long-term, continuing uses of public right-of-way. This applies to Council Term and Shoreline Street End permits as well as the following long-term permit use codes: 2A, 3D, 7, 7A, 7C, 8, 11, 12, 14, 16, 19A, 21, 22B, 29A, 62, WW100, and WW150 that all have base fees listed on Table A. It does not apply to long-term permit use codes 6 and 52 which are included in Table A2.
Public Street & Sidewalk Activities	A public street and sidewalk activity is open to the public.
Private Street & Sidewalk Activities	A private street and sidewalk activity is for invited guests, customers, or a select intended audience only.
Year-round Business Activation Permit	A long-term permit for year-round sidewalk cafes, curbspace cafes, and merchandise displays. This applies to the following long-term use codes: 18A, 18B, 18D, and 18E.
Year-round Business Activation Additional Space	A space is defined as one of the following: a sidewalk frontage zone along a single building frontage, a sidewalk furniture zone along a single building frontage, or a curbspace along a single building frontage. The first space on an application is included in the base Year-round Business Activation Issuance Fee; each additional space is charged an Additional Space fee.
Seasonal Business Activation Permit	A permit for seasonal sidewalk cafes, curbspace cafes, and merchandise displays. These permits are active only from April 1 through October 31 of their issuance year. This applies to the following use codes: 18AS, 18BS, 18DS, 18ES.

Land value	<p>For Term permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the right-of-way centerline or abuts multiple parcels, the permit fee shall be calculated by averaging the abutting parcels' current land values.</p> <p>For Shoreline Street End permits, the value of the use area in the right-of-way shall be based on the abutting parcel's current per-square-foot land value as determined by the King County Assessor. If the use area extends beyond the centerline of the right-of-way or abuts multiple parcels, the permit fee shall be calculated for each portion of the use area according to the current per-square-foot land value of the abutting parcels.</p> <p>If all parcels abutting the Term or Shoreline Street End permitted use area are government-owned and the parcels are not tax assessed in whole or in part by King County, the parcels shall be excluded when establishing the Term or Shoreline Street End permit fee. To determine the permit fee, the current per-square-foot land value as determined by the King County Assessor of the closest privately-owned parcel or parcels with the same zoning or shoreline designation of the Term or Shoreline Street End permitted use area shall be averaged. If the next closest privately-owned parcel or parcels do not have the same underlying zoning or shoreline designation as the abutting government-owned parcel, the Seattle Department of Transportation shall consult with the City Appraiser. The City Appraiser shall determine if the next closest parcel or parcels with similar zoning or shoreline designation reasonably establishes the current per-square-foot land value of the use area in the right of way for fee calculation purposes.</p>
Use area	Square footage of the permitted encroachment in the right-of-way, as authorized by Seattle Department of Transportation.
Transit/Bike/Ped Impacted	When a transit lane, bike lane or pedestrian sidewalk or pathway is partially closed, but mobility for the traveling public is maintained.
Transit/Bike/Ped Blocked	When a transit lane, bike lane or pedestrian sidewalk or pathway is closed to the traveling public.
Rate of return	Annualized rate of return on market value of the right-of-way, as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation.
Degree of alienation	For Term permits, the degree of impact on the public, utilities, right-of-way, and other potential uses of the right-of-way based on City policy, as established by Seattle Department of Transportation.

Demand probability	For Shoreline Street End permits, the estimated demand of probable use shall be based on factors that include, but are not limited to, location, access, size, view, and topography; as established by the City Appraiser or a State of Washington Certified General Real Estate Appraiser retained by the Director of Transportation. Refer to Ordinance 123611, Attachment A: Demand Probability Factor. The Director of Transportation is authorized to update Attachment A based upon the recommendations of the City Appraiser or a State of Washington Certified General Real Estate Appraiser. The new Demand Probability Factor shall become effective when the updated Demand Probability Factor is adopted by rule.
Maritime Industrial Use Discount Factor	To support the City's policies of protecting its maritime uses, a 50 percent discount factor shall apply to that portion of the Shoreline Street End occupied by a legally established water-dependent or water-related use as defined in Seattle Municipal Code Section 23.60.944.

Use of Shoreline Street End Fees

The Department of Transportation is directed to use the shoreline street end permit fees credited to the Transportation Operating Fund for the following purposes:

- (a) Notifying property owners that abut shoreline street ends of the need for permits for private use of the street end and of the fee schedule;
- (b) Administering and inspecting shoreline street end use;
- (c) Verifying property boundaries and area of use;
- (d) Matching funds for neighborhood improvements of shoreline street ends for public use;
- (e) Signing, demarcating, and maintaining shoreline street ends; or
- (f) Funding street and sidewalk improvements within a half-block radius of any of the shoreline street ends identified in Exhibit A to Resolution 29370 that directly contribute to public access to the shoreline street end.

Use of Vending Fees

Fees for vending activities authorized under Chapter 15.17 shall be deposited in the Transportation Fund. Street Use permit fees for vending activities may be used by other City departments for vending enforcement as authorized by the Director of Transportation and shall be used by the Department of Transportation for the following purposes:

- (a) Administering the vending program, including notifying property owners abutting a proposed vending site designated by the Department of Transportation;
- (b) Verifying property boundaries and square footage of usage;
- (c) Designating pre-approved vending sites by the Department of Transportation;

- (d) Signing and demarcating designated vending sites and food vehicle zones;
- (e) Attending meetings or hearings;
- (f) Preparing documents, legislation, forms, and notices;
- (g) Inspecting and enforcing permitted or illegal vending activity; or
- (h) Engaging in any other vending-related activity as directed by the Director of Transportation.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the financing of the Seattle Department of Transportation; authorizing the extension of the loan of funds in the amount of \$25,000,000 from the Information Technology Fund to the Transportation Fund to support essential transportation programs as authorized in Ordinance 126227; and ratifying and confirming certain prior acts.

WHEREAS, Ordinance 126227, passed November 23, 2020, authorized an interfund loan in the amount of \$25,000,000 from the Information Technology Fund to the Transportation Fund, with the loan to be repaid no later than December 31, 2024; and

WHEREAS, the COVID-19 pandemic and associated decline in revenues related to parking and transportation resulted in revenue loss to the Transportation Fund and, unlike many City programs, such losses in revenue were not eligible to be back-filled with federal pandemic relief dollars; and

WHEREAS, the parking and transportation-related revenue that supports the Transportation Fund continues to be impacted following the COVID-19 pandemic and required the Seattle Department of Transportation (SDOT) to request a second interfund loan that was authorized by Council in Ordinance 124639 in 2021 and that was repaid in 2022; and

WHEREAS, the extent of revenue loss requires more time for the Transportation Fund to replenish stabilization reserves than was anticipated at the time that the loan was authorized to guard against future unexpected fiscal cycles; and

WHEREAS, Seattle Municipal Code subsection 5.06.030.C requires City Council approval by ordinance of any interfund loan for a duration of 90 days or more; and

WHEREAS, in the normal course of business the City may temporarily lend cash between funds to maintain required balances; and

WHEREAS, regarding use of the proceeds of this interfund loan for operating costs, the Director of Finance and City Budget Director have determined that there is no viable alternative available for advancing a core City objective to deliver SDOT's essential transportation program; and

WHEREAS, the Director of Finance and the City Budget Director have determined that City Council may authorize this interfund loan extension request consistent with the Debt Management Policies adopted by Resolution 31553 as a necessary and advisable departure from the City's typical practice of limiting interfund loans to three years; and

WHEREAS, in this case, the intervention of the COVID-19 pandemic and, in particular, the unpredictability of the severity and duration of its effects on the transportation and parking-related revenues, make it necessary and advisable to extend the interfund loan for an additional 12-month period during which SDOT will complete repayment of this loan and work with other City departments to identify strategies to avoid similar situations for the Transportation Fund in the future; and

WHEREAS, in the event that the loan is not able to be fully repaid within the 12-month period extension authorized in this ordinance, SDOT may seek an additional extension from the City Council by ordinance if no other alternatives exist based on information available regarding any remaining balance of the loan still outstanding at the conclusion of the term; and

WHEREAS, there is sufficient cash in the Information Technology Fund to extend an interfund loan of \$25 million through December 31, 2025 and still meet regular budgeted operating needs; and

WHEREAS, funds loaned by the Information Technology Fund to the Transportation Fund to ensure essential transportation program needs are met are anticipated to be repaid from the future Transportation Fund balances; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Council finds that there is no viable alternative to meet a core City objective, and therefore the Director of Finance is authorized to extend the repayment period of the revolving loan authorized in Ordinance 126227 from December 31, 2024 to December 31, 2025. The loan is to be repaid no later than December 31, 2025, with interest on the loan at the rate of return of the City's Consolidated Cash Pool. The entire principal and interest amount of the loan drawn is intended to be repaid with revenues associated with transportation operations. The Director of Finance is further authorized to establish, and modify if necessary from time to time, a repayment plan and schedule.

Section 2. Any act consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle Department of Transportation	Chris Godwin	Aaron Blumenthal

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the financing of the Seattle Department of Transportation; authorizing the extension of the loan of funds in the amount of \$25,000,000 from the Information Technology Fund to the Transportation Fund to support essential transportation programs as authorized in Ordinance 126227; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: The City approved an interfund loan in December 2020 of \$25 million from the Information Technology Fund to the Transportation Fund with a repayment date of December 31, 2024 for all principal and interest.

Revenues supporting the Seattle Department of Transportation were heavily impacted by COVID-19 and slower to recover from COVID-19 than previously anticipated. As evidence of this, in 2021, SDOT needed to take a second interfund loan because the Transportation Fund had been in a negative fund balance position for over 90 days. That loan was repaid in 2022, however SDOT has not been able to repay the first loan of \$25 million from 2020. As SDOT is entering a period of more estimable revenues and expenditures, it anticipates making payments on the outstanding interfund loan over the next year beginning in the third quarter of 2024 through December 31, 2025. A detailed repayment schedule can be found in Attachment A to this document.

SDOT will work closely with the City Budget Office and Office of City Finance during the period of extension of this interfund loan to develop recommendations for addressing the deficit and restoring reserves to avoid similar situations for the Transportation Fund in the future.

Given that the loan may not be fully repaid at the end of the extended term in December 31, SDOT anticipates that it will be necessary to return to Council for authorization by ordinance to address any need for a further extension of the loan, to be informed by the remaining balance as of the third quarter of 2025.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Please describe any financial costs or other impacts of *not* implementing the legislation.
The City would not have adequate cash resources to pay for transportation functions and services.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

We do not anticipate any appreciable impacts to other departments. The lending fund – the Information Technology Fund – supports the Seattle Information Technology Department; however, the extension of this interfund loan will not impact the Department’s budget, finances, or operations.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

Not applicable.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

Not applicable.

- iii. What is the Language Access Plan for any communications to the public?**

Not applicable.

d. Climate Change Implications

- i. Emissions:** How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

Not applicable.

- ii. Resiliency:** Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

Not applicable.

- e. If this legislation includes a new initiative or a major programmatic expansion:** What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

Not applicable.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☐ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Seattle Department of Transportation; amending Ordinance 126725, which adopted the 2023 Budget, including the 2023-2028 Capital Improvement Program (CIP); and lifting a proviso.

WHEREAS, in November 2020, Seattle voters approved the Seattle Transit Measure (STM), which imposes a 0.15 percent sales tax to fund increases in transit service, transit access programs and transit-related capital improvements as defined in Ordinance 126115; and

WHEREAS, Ordinance 126115, as approved by voters, requires that at least 50 percent of annual STM revenues be spent on purchasing transit service hours and restricts capital spending to capital improvements that serve or enhance transit service; and

WHEREAS, in adopting the 2023 budget, the City Council included a Council Budget Action (CBA) - SDOT-502-C-001-2023 - which imposes a proviso dedicating \$12 million of voter-approved Seattle Transit Measure funds to bridge maintenance; and

WHEREAS, because SDOT has not been able to spend the full \$12 million on bridge maintenance projects with the nexus to transit required under the voter approved measure, the Executive is asking Council to lift the 2023 proviso in order to spend STM funds in a manner that meets the explicit requirements of the voter-approved measure; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The restrictions imposed by the following budget proviso are removed and they are no longer restrictions for any purpose including for subsection 1(b) of Ordinance 126725:

Item	Department	Council Budget Action	Proviso	Capital Improvement Project
1.1	Seattle Department of Transportation	SDOT-502-C-001-2023	"Of the appropriations in the Seattle Department of Transportation's 2023 budget for the Seattle Transportation Benefit District - Transit Improvements (MC-TR-C108) CIP project, \$12,000,000 is appropriated solely for bridge-related or structures-related transit improvements, and may be spent for no other purpose."	Seattle Transportation Benefit District - Transit Improvement (MC-TR-C108)

Section 2. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
SDOT	Bill LaBorde	Christie Parker

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Seattle Department of Transportation; amending Ordinance 126725, which adopted the 2023 Budget, including the 2023-2028 Capital Improvement Program (CIP); and lifting a proviso.

Summary and Background of the Legislation:

In November 2020, Seattle voters approved the Seattle Transit Measure (STM), which imposes a 0.15 percent sales tax to fund transit-related items. Eligible uses of STM revenues are defined in Ordinance 126115, which authorized the STM ballot measure to be submitted to the voters.

In adopting the 2023 Budget, Council included a Council Budget Action (CBA) – SDOT-502-C-001-2023 – which imposes a proviso dedicating \$12 million of voter-approved Seattle Transit Measure funds to bridge maintenance. As the Executive communicated to Council at the time, use of these funds is restricted to transit purposes under Ordinance 126115, as approved by voters in the 2020 general election. Additionally, Ordinance 126115 includes a provision requiring more than 50 percent of annual STM revenues be dedicated to purchasing transit service hours.

Due to the restrictions in Ordinance 126115, SDOT has not been able to spend the full \$12 million on bridge maintenance projects with a nexus to transit. Therefore, the Executive requests a lifting of this proviso in order to spend STM funds in a manner that meets the explicit requirements of the voter-approved legislation and aligns with the intent of the voters who approved this measure.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

This legislation does not directly affect appropriations. Appropriations associated with this proviso lift are included in the Mayor's 2025-2026 Proposed Budget.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

If approved by voters, the 2024 Transportation Levy includes significant additional investments in both bridge maintenance and capital improvements, including, over eight years, \$127 million for a new Bridge Preventative Maintenance program; \$71 million for Bridge Structural Repairs and Upgrades; and \$20 million dedicated to developing bridge replacement or rehabilitation projects to compete for federal and other partnership funding opportunities.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

Not lifting this proviso will make it more difficult to deliver promises made to Seattle voters when they approved the Seattle Transit Measure in 2020. This could be especially problematic as the City prepares to renew the current measure, which expires in early 2027. The renewal measure will likely be submitted to Seattle voters in 2026.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

N/A

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

Historically disadvantaged communities generally rely more on public transportation than non-disadvantaged communities. Continuing to tie up Seattle Transit Measure funds on projects for which STM is not a permissible source will limit the ability to fund transit items.

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. **What is the Language Access Plan for any communications to the public?**

N/A

d. Climate Change Implications

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

Reliable transit service and a comprehensive transit network are key to reducing greenhouse gas emissions in Seattle, a city where transportation is the number one source of emissions. STM is a key strategy for reducing the city's emissions in the transportation sector.

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A

5. CHECKLIST

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Seattle Fire Department's services and fees; adding and revising various Seattle Fire Department permit, inspection, and plan review fees and related provisions; amending Sections 22.602.010, 22.602.045, 22.602.050, 22.602.070, 22.602.080, and 22.602.090 of the Seattle Municipal Code; and amending Section 112 of the 2021 Seattle Fire Code as adopted by Section 22.600.020 of the Seattle Municipal Code and as regulated and allowed by the State Building Code Act, chapter 19.27 of the Revised Code of Washington.

WHEREAS, the Seattle Fire Code establishes standards intended to preserve lives and protect property, and is also known as Subtitle VI of the Seattle Building and Construction Codes; and

WHEREAS, the Seattle Fire Department provides permitting, inspections, plan review and certification services to support enforcement of Seattle Fire Code safety standards; and

WHEREAS, the City seeks to maintain wishes to maintain or improve cost recovery for the provision of fire prevention services related to specific permitted activities and construction-related inspections and plan reviews; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 22.602.010 of the Seattle Municipal Code, last amended by Ordinance 126522, is amended as follows:

22.602.010 Title and purpose

A. Title. This Chapter 22.602 shall be known as the "Fire Code Permit and Fee Ordinance."

B. Purpose. It is the purpose of this Subtitle VI to prescribe fees in accordance with the regulatory authority vested in the Seattle Fire Department and for services provided, as follows:

1. Fees for permits including, but not limited to, permits to store, handle, or use hazardous materials or conduct hazardous processes;
2. Fees for initial and subsequent acceptance tests of (~~((fire protection))~~) fire and life safety equipment, systems, or devices as required by the Seattle Fire Code;
3. Fees for inspections (~~((or plan review))~~) by the Fire Prevention Division of the Seattle Fire Department, outside regular business hours;
4. Fees for the examination and/or review of plans and land use actions;
5. Fees for filing of code alternates/variances resulting from other than plan review or permit application review, as well as fees for filing of requests for other exemptions as further described in Section 22.602.080;
6. Fees for the administration of examinations and certificates issued as prescribed in the Seattle Fire Code;
7. Fees for subsequent inspections by the Fire Prevention Division of the Seattle Fire Department required to gain compliance with Seattle Fire Code requirements;
8. Fees for training provided by the Seattle Fire Department; and
9. Fees for filing testing documentation for (~~((fire protection))~~) fire and life safety systems and emergency responder radio coverage systems.

Section 2. Section 22.602.045 of the Seattle Municipal Code, last amended by Ordinance 126936, is amended as follows:

22.602.045 Fees

A. The fees for the following non-hazardous material permits are established in Schedule A. See Table A for 22.602.045.

**Non-Hazardous Materials Permit Fees
Effective (~~((March 1, 2022))~~) January 1, 2025**

^a **Time Charge.** Where a time charge is indicated, a fee shall be charged equal to actual labor costs plus administrative overhead costs for field inspection and/or review exceeding one hour. When requested or when necessary for Fire Prevention Division staff to conduct inspections for the purpose of Seattle Fire Code compliance for any of the above Schedule A permits outside of regular business hours (Monday through Friday, 8 a.m. to 4:30 p.m.), a time charge will be added to the above permit cost. The time charge, when applicable, will be equal to the actual labor cost, including administrative overhead costs and other services.

^b **Late Fee.** Payment for Schedule A permit renewals, where allowed, which is received more than 30 calendar days but fewer than 91 calendar days past the permit expiration date shall be equal to 1.25 times the renewal fee. The renewal permit will be valid for only one year from the expiration date of the prior permit. Permits for which no renewal payment has been received within 90 calendar days following the permit expiration date will be cancelled. Permits that have been cancelled may be reinstated, effective from the expiration date, if the permit holder pays a late penalty of 1.5 times the fee for an original permit within 180 days of the expiration date. Thereafter, any person whose permit has been cancelled shall not be allowed to reinstate the cancelled permit, but shall be required to submit a new permit application and pay a late penalty of 1.5 times the fee for an original permit.

B. The fees for the following special event permits are established in Schedule B. See Table B for 22.602.045.

^aLate Fee Applied. Schedule B permit applications for permits 1102-H, 2500 FM, 2511, 8020, 8206, 8207-VH, and 8208 that are received by the Seattle Fire Department fewer than ten calendar days prior to the event, not counting the day of the event for which they apply, shall be assessed a late fee in addition to the permit fee. The late fee shall be equal to 50 percent of the original permit fee. Applications received three or fewer business days prior to the event may not be processed and the permit may not be issued. Payment for Schedule B permit renewals, where allowed, which is received more than 30 calendar days but fewer than 91 calendar days past the permit expiration date shall be equal to 1.25 times the renewal fee. The renewal permit will be valid for only one year from the expiration date of the prior permit. Permits for which no renewal payment has been received within 90 calendar days following the permit expiration date will be cancelled. Permits that have been cancelled may be reinstated, effective from the expiration date, if the permit holder pays a late penalty of 1.5 times the fee for an original permit within 180 days of the expiration date. Thereafter, any person whose permit has been cancelled shall not be allowed to reinstate the cancelled permit, but shall be required to submit a new permit application and pay a late penalty of 1.5 times the fee for an original permit. Note: new applications for permits 8206 (all types) and 2500-LPG are not subject to late fees; the renewal process for these annual permits does include late fees and if permits are not renewed timely, late fees related to the renewal will be applied as described above in this footnote a.

^bLate Fee Applied. Applications for temporary, non-renewable Schedule B permits 1102-FE, 2503 to 2505.4, 3201, 3201-CTY, 3201-SFD, 7801.1 to 7802, 8205.1 to 8205.3, and 8207-FE that are received by the Seattle Fire Department fewer than 30 calendar days prior to the event, not counting the day of the event for which they apply, shall be assessed a late fee in addition to the permit fee and any applicable time charge. The late fee shall be equal to 50 percent of the original permit fee. Applications received three or fewer business days prior to the event may not be processed and the permit may not be issued.

^cFireworks Permits. An application for a fireworks permit shall be made in writing to the fire code official at least 30 calendar days in advance of the display. At the time the permit application is submitted, the fire code official shall be consulted regarding requirements for standby fire apparatus.

C. The fees for the following special hazards permits are established in Schedule C. See Table C for 22.602.045.

Special Hazards Permits

Fees for special hazards permits are established in Schedule C (See Table C for 22.602.045). In some cases these fees are based on the quantity of hazardous material stored and/or handled at the site and the

relative risk posed by each material.

1. Definitions:

a. “Quantity Range Number,” as established in the Quantity Range Table below, is a number between 1 and 2 that is assigned to a hazard category based upon the amount of hazardous material located at the site.

QUANTITY RANGE TABLE

QUANTITY RANGE NUMBER	SOLIDS (Pounds)	LIQUIDS (Gallons)	GASES (Cubic Feet)
1	0-550	0-55	0-1,000
1.25	>550-5,500	>55-550	>1,000-5,000
1.5	>5,500-27,500	>550-2,750	>5,000-50,000
1.75	>27,500-55,000	>2,750-5,500	>50,000-100,000
2	>55,000	>5,500	>100,000

b. “Assigned Risk Factor,” as established below, is a number between 1 and 1.5 assigned to each hazard class and category of hazardous material indicating the relative hazard posed by materials in that hazard category and the potential nature of controls required by the Fire Code.

Hazard Class	Assigned Risk Factor	Hazard Class	Assigned Risk Factor
Aerosol products	1.3	Organic peroxides	
Cellulose nitrate	1.3	Unclassified	1.5
Combustible fiber	1.2	Class I	1.4
Combustible liquids		Class II	1.3
Class II	1.2	Class III	1.2
Class III-A	1.1	Class IV	1.0
Class III-B	1.0		
Compressed gases		Oxidizers	
Highly toxic	1.5	Class 4	1.5
Pyrophoric	1.4	Class 3	1.4
Flammable	1.4	Class 2	1.2
Unstable	1.4	Class 1	1.1
Oxidizing	1.4	Pyrophoric liquids and solids	1.3

Toxic	1.3	Toxic liquids and solids	1.2
Corrosive	1.3	Unstable (reactive) liquids and solids	
Corrosive Liquids and Solids	1.1	Class 4	1.5
Cryogenic Fluids	1.3	Class 3	1.4
Explosives	1.5	Class 2	1.3
Fireworks	1.4	Class 1	1.0
Flammable liquids, Class I	1.4	Water-reactive materials	
Flammable solids	1.3	Class 3	1.5
Highly toxic liquids and solids	1.5	Class 2	1.3
Magnesium	1.3	Class 1	1.0

c. “Fixed permit cost” is the minimum cost for the Seattle Fire Department to issue a hazardous material permit. The fixed permit cost is (~~(\$314)~~) \$361.

d. “Base permit fee” is determined by multiplying the sum of the products of the quantity range number and assigned risk factor for each hazard class by the fixed permit cost and is represented by the following equation:

$$\text{Base permit fee} = [\Sigma (Q_1)(R_1) + (Q_2)(R_2) \dots] [F]$$

Where: Q = The quantity range number.

R = The assigned risk factor.

F = The fixed permit cost of (~~(\$314)~~) \$361.

When an individual material has multiple hazards, only the hazard presented by the hazard class that has been assigned the highest risk factor shall be considered in the fee calculation.

Example:

XYZ Company stores 50 gallons of gasoline and 200 gallons of 50% nitric acid.

Gasoline is classified as a Class I flammable liquid, which has an assigned risk factor of 1.4. Nitric acid (50%) is classified as both a corrosive liquid and a Class 2 oxidizer. Because 50% nitric acid presents two separate hazards (corrosive and Class 2 oxidizer) only the Class 2 oxidizer hazard is considered in the fee calculation because it has an assigned risk factor of 1.2 compared to the 1.1 risk factor assigned to corrosives.

$$\text{Base permit fee} = [(1)(1.4)_{\text{flammable}} + (1.25)(1.2)_{\text{Class 2 oxidizer}}] [((\$344)) \underline{\$361}]$$

$$\text{Base permit fee} = ((\$901.09)) \underline{\$1,046.90}$$

Special Hazards Permit Fees
Effective ((January 1, 2024)) January 1, 2025

Schedule C Table C for 22.602.045 Special hazards permits¹

Code Numbers	Permit Title	Original Fee	Renewal Fee
Miscellaneous Special Hazards Permits			
916-Install	Installation of gas detection systems	(((\$478)) <u>\$554</u>	No renewal
1070	Temporary permit for a facility under a compliance plan ²	Half of annual permit fee ²	No renewal ²
1071	Special inspection/permit - temporary	(((\$324)) <u>\$372</u> plus time charge	No renewal
1073	Cruise ship hazardous operations	(((\$344)) <u>\$361</u> plus time charge	No renewal
1074	Temporary storage and use of flammable and combustible liquids (Classes I, II, and III) at construction sites, valid up to 6 months	(((\$436)) <u>\$506</u>	No renewal
1101	Combustible material storage	(((\$242)) <u>\$281</u>	(((\$242)) <u>\$281</u>
1103	Waste handling	(((\$344)) <u>\$361</u>	(((\$344)) <u>\$361</u>
1104	Rooftop heliport	(((\$344)) <u>\$925</u>	(((\$344)) <u>\$925</u>
1206-Install	Installation of capacitor energy storage systems	(((\$478)) <u>\$554</u>	No renewal
1207-Install	Installation of fuel cell power systems	(((\$478)) <u>\$554</u>	No renewal
1506	Manufacture of reinforced plastics	Fee worksheet	Half original ¹
2401	Aviation facility	(((\$344)) <u>\$361</u>	(((\$344)) <u>\$361</u>
2520	Tire rebuilding plant	(((\$344)) <u>\$361</u>	(((\$344)) <u>\$361</u>
2521	Outdoor tire and tire byproduct storage	(((\$344)) <u>\$361</u>	(((\$344)) <u>\$361</u>

2701-T	Hazardous material stabilization, temporary	(((\$311)) \$361 plus time charge	No renewal
2801	Combustible fibers	(((\$311)) \$361	(((\$311)) \$361
2902-Minor	Repair garage-minor. See Seattle Fire Code Chapter 2 for definitions.	(((\$426)) \$494	(((\$426)) \$494
2903-Major	Repair garage-major*. See Seattle Fire Code Chapter 2 for definitions. *Spray painting requires a separate permit.	(((\$569)) \$660	(((\$569)) \$660
3001	Lumber yards and woodworking facilities	(((\$311)) \$361	(((\$311)) \$361
3202	Lithium battery storage	(((\$311)) \$361	(((\$311)) \$361
3203	Additive manufacturing (3-D printing)	(((\$311)) \$361	(((\$311)) \$361
3401	Wrecking yard	\$431	\$431
3402-Install	Installation of tanks for storage of combustible liquid serving emergency/standby power systems	(((\$478)) \$626	No renewal
4601	Fruit and crop ripening	(((\$311)) \$361	(((\$311)) \$361
4701	Fumigation and thermal insecticidal fogging, temporary	(((\$311)) \$361	No renewal
4801	Magnesium working	(((\$311)) \$361	(((\$311)) \$361
5001	Manufacture of organic coatings	Fee worksheet	Half original ¹
5101	Semiconductor fabrication facilities	Fee worksheet	Half original ¹
6201	Industrial oven	(((\$311)) \$361	(((\$311)) \$361
6401	Energy storage systems	(((\$311)) \$361	(((\$311)) \$361
6401-Install	Installation of energy storage systems	(((\$311)) \$407	May be renewed as 6401
7601	Combustible dust-producing operation	(((\$311)) \$361	(((\$311)) \$361
7907	Fuel dispensing (open use) into equipment from aboveground tank	(((\$311)) \$361	(((\$311)) \$361
8101	High-piled combustible storage	(((\$311)) \$361 plus time charge	(((\$311)) \$361 plus time charge
<i>Roofing Operations</i>			
7901	Roofing operations-annual	(((\$311)) \$361 plus (((\$311)) \$361 per unit	(((\$311)) \$361 plus (((\$311)) \$361 per unit
7901T	Roofing operations-temporary	(((\$311)) \$361	No renewal
<i>Dry Cleaning</i>			
3603	Dry cleaner	(((\$311)) \$361	(((\$311)) \$361
<i>Flammable Finishes</i>			
2601	Floor finishing, temporary, > 350 square feet	(((\$311)) \$361	No renewal

4501	Limited spray finishing	(((\$311)) <u>\$361</u>	(((\$311)) <u>\$361</u>
4502	Spray finishing process (non-marine) (below permit quantities)	(((\$311)) <u>\$361</u>	(((\$311)) <u>\$361</u>
4502-WB	Spray finishing process (non-marine)-Water -based finish	No fee	No fee
4503	Spray finishing process (non-marine) (above permit quantities)	Fee worksheet	Half original ¹
4504	Marine spray finishing process (below permit quantities)	(((\$311)) <u>\$361</u>	(((\$311)) <u>\$361</u>
4505	Marine spray finishing process (above permit quantities)	Fee worksheet	Half original ¹
4509	Powder coating, dipping and electrostatic operations	(((\$311)) <u>\$361</u>	(((\$311)) <u>\$361</u>
<i>Motor vehicle/Marine motor vehicle fuel-dispensing facility</i>			
2204	Hydrogen motor vehicle fuel dispensing station	(((\$797)) <u>\$925</u>	(((\$797)) <u>\$925</u>
5201	Motor vehicle fueling station (underground tank)	(((\$311)) <u>\$361</u>	(((\$311)) <u>\$361</u>
5202	Motor vehicle fueling station (above ground tank)	\$669	\$669
5203	Marine motor vehicle fueling station	\$797	\$797
5204	Liquefied petroleum gas motor vehicle fuel- dispensing station	\$797	\$797
5205	Compressed natural gas motor vehicle fuel- dispensing station	\$797	\$797
<i>Hot Work Operations</i>			
4911	Annual non-marine cutting and welding (1- 3 units)	(((\$522)) <u>\$606</u>	(((\$522)) <u>\$606</u>
4912	Annual non-marine cutting and welding (4 or more units)	(((\$874)) <u>\$1,014</u>	(((\$874)) <u>\$1,014</u>
4913	Temporary non-marine cutting and welding	(((\$311)) <u>\$361</u>	No renewal
4914	Annual hot work on marine vessels	(((\$1,365)) <u>\$1,583</u>	(((\$1,365)) <u>\$1,583</u>
4915	Temporary marine hot work	See Table C- 4915	No renewal
4901	Shipyard	\$3,184	\$3,184
4902	Type I designated marine hot work facility (for all vessels regardless of length)	\$1,365	\$1,365
4903	Type II designated marine hot work facility (for vessels < 200 feet)	(((\$683)) <u>\$792</u>	(((\$683)) <u>\$792</u>
<i>LP-gas</i>			

8201-Install	Installation of liquid petroleum gas (LPG) in stationary containers, residential and non-residential	(((\$478)) \$554	May be renewed as 8202-R or 8202-STO
8202-R	Storage of liquid petroleum gas (LPG) in portable or stationary containers, > 500 gallons, R3 residential occupancies * Permit must be issued within one year of issue of 8201-Install permit.	(((\$478)) \$554	(((\$478)) \$554
8202-STO	Storage of liquid petroleum gas (LPG) in portable or stationary containers, non-residential, all sizes * Permit must be issued within one year of issue of 8201-Install permit.	(((\$478)) \$554	(((\$478)) \$554
8202-EX	LPG cylinder exchange at retail occupancy	(((\$478)) \$554	(((\$478)) \$554
8202-POH	Portable outdoor heater at permanent drinking or dining establishment	(((\$478)) \$554	(((\$478)) \$554
8202-Construction	Temporary storage and use of LPG at construction sites, valid up to 6 months	(((\$478)) \$554	No renewal
<i>Hazardous materials</i>			
801-A	Combustible liquid storage and use	Fee worksheet	Half original ¹
801-B	Corrosive compressed gas	Fee worksheet	Half original ¹

7905	Master fuel transfer to marine vessels	(((\$311)) \$361	(((\$311)) \$361
7906	Marine refueling facility (for marine vessels), annual	(((\$311)) \$361	(((\$311)) \$361
7906-T	Marine refueling temporary (for unplanned refueling at a facility without a 7906 permit)	(((\$311)) \$361	No renewal
7908	Commercial flammable or combustible liquid tank decommissioning	(((\$311)) \$361	No renewal
7912	Mobile fleet fueling operator (land-based)	(((\$311)) \$389	(((\$311)) \$389
7912-ODMF	On-demand mobile fueling operator	(((\$311)) \$389	(((\$311)) \$389
7913	Mobile fleet fueling site	(((\$311)) \$389	(((\$311)) \$389
7913-ODMF	On-demand mobile fueling site	(((\$311)) \$389	(((\$311)) \$389
8001	Incidental flammable and combustible liquids (≤ 30 gallons)	(((\$311)) \$361	(((\$311)) \$361
8002	Laboratory per control area	(((\$311)) \$361 per control area	(((\$311)) \$361 per control area
8010	LPG tank vehicle	(((\$311)) \$361	(((\$311)) \$361 ³
8025	Marine Terminal	(((\$4,434)) \$5,143 + [(((\$320)) \$371 x no. of acres >5]	Same as base
8030	Container Freight Station	\$2,216	\$2,216

0000	Container Freight Station	\$2,210	\$2,210
¹ Schedule C fee worksheet-based permits shall be renewed at one-half the permit origination fee or ((\$311) <u>\$361</u>), which is the minimum renewal fee, whichever is greater. ² This temporary permit is valid for six months and is issued to a facility placed under a long-term compliance plan while the facility works towards full compliance with the Code. The fee is calculated to be half of the annual permit fee of the annual permit that will be issued to the facility once compliance is achieved. This permit cannot be renewed but additional 1070 permits can be issued as needed to cover the entire compliance plan period. ³ This permit is valid for 24 months and is renewed on a biannual basis.			

Schedule C

TABLE C-4915 for 22.602.045 MARINE CUTTING AND WELDING FEES^{1,2,3,4} Temporary

60	((\$429) <u>\$498</u>)	((\$481) <u>\$558</u>)	((\$536) <u>\$622</u>)	((\$604) <u>\$701</u>)	((\$669) <u>\$776</u>)	((\$738) <u>\$856</u>)	((\$805) <u>\$934</u>)

¹ Fees apply to non-pre-approved applicants.

² Fees for pre-approved applicants equal 1/2 of the fee identified in Table C-4915 for 22.602.045.

³ Any pre-approved applicant found to be in violation of permit conditions may be removed from the pre-approved applicant list and subject to non-pre-approved applicant fees and conditions.

⁴ Each applicant who receives a minimum of six permits (Code 4915) during a six-month period and is found to be in compliance with all permit conditions will be considered for pre-approved status upon request after the six-month period. Applicants who obtain fewer than six permits (Code 4915) during a six-month period will be considered for pre-approved status only after six permits have been issued and no permit violations are noted.

D. All permits listed under Schedules A, B, and C of this Section 22.602.045, except for those permits for which a time charge is indicated, have a base fee which incorporates the cost of an initial site inspection, one site reinspection if required, and related administrative time to determine compliance with the Seattle Fire

Code. Any subsequent inspections will result in a fee based on a time charge, which shall be actual labor costs plus administrative overhead costs for field inspection and review time exceeding one hour. Such fees shall include overtime costs only when the work performed outside normal business hours (8 a.m. to 4:30 p.m. Monday through Friday) is required by the Seattle Fire Code or is performed at the request of the owner or responsible person or permit holder.

Permits for which a time charge is indicated include a base fee and a labor charge equal to actual labor costs plus administrative overhead costs for field inspection and review exceeding one hour before a permit is issued.

E. Temporary permits listed under Schedules A, B, and C will not be renewed on an annual basis.

F. Those permit applications that are required to be filed within time limitations specified under the Seattle Fire Code or by order of the Fire Chief or the Fire Chief's designee shall be subject to a late fee if not filed within the prescribed time period. Any work activity or operation regulated by the Seattle Fire Code that commences before obtaining the necessary permits shall require a permit at 1.5 times the fee of the original permit. Where a compliance plan agreement has been reached for a permitted activity, the fire code official is authorized to require temporary permits to be issued in lieu of an annual permit until full compliance with the Seattle Fire Code regulations for that activity is achieved. The fee for such temporary permits shall be based on the cost of an annual permit pro-rated for the time period the temporary permit is valid.

G. Payment for fixed rate Schedule C permit renewals that is received more than 30 calendar days but fewer than 91 calendar days past the permit expiration date shall be equal to 1.25 times the renewal fee. The renewal permit will be valid for only one year from the expiration date of the prior permit. Permits for which no renewal payment has been received within 90 calendar days following the permit expiration date will be cancelled. Permits that have been cancelled may be reinstated, effective from the expiration date, if the permit holder pays a late penalty of 1.5 times the fee for an original permit within 180 days of the expiration date. Thereafter, any person whose permit has been cancelled shall not be allowed to reinstate the cancelled permit,

but shall be required to submit a new permit application and pay a late penalty of 1.5 times the fee for an original permit.

H. Payment for Schedule C worksheet-based permit fees listed under Schedule C as renewable, that is made more than 30 calendar days, but fewer than 91 calendar days, past the permit expiration date, shall be equal to 1.75 times the renewal amount. The renewal permit will be valid for only one year from the expiration date of the prior permit. Permits for which no renewal payment has been received within 90 calendar days following the permit expiration date will be cancelled. Permits that have been cancelled may be reinstated, effective from the expiration date, if the permit holder pays a late penalty of 1.25 times the fee for an original permit within 180 days of the expiration date. Thereafter, any person whose permit has been cancelled shall not be allowed to reinstate the cancelled permit, but shall be required to submit a new permit application and pay a late penalty of 1.25 times the fee for an original permit.

I. Unless specifically stated on the permit, no temporary use permit shall be valid for a term exceeding 12 months.

J. In special circumstances, permit fees may be adjusted, modified, or combined. Authority to adjust, modify, or combine such permit fees is limited to the Fire Chief, the Fire Marshal, and the Assistant Fire Marshal.

K. For permits listed in Schedules A, B, and C, when the Fire Marshal determines that standby fire personnel or subsequent inspections beyond those provided for in subsection 22.602.045.D are essential in order to obtain compliance with the Seattle Fire Code or for the public safety of an existing or proposed activity, building, or structure, or for the safety of the occupants thereof, actual costs for labor including applicable administrative overhead and other services shall be charged to the permit holder or other responsible party.

L. Fees for certification examinations are established in Schedule L. Each examination fee listed under Schedule L includes one test and one opportunity to retake the test under the following "re-test" conditions: the

person taking the examination does not pass the examination the first time and the "re-test" occurs within 90 calendar days of the original test. Upon successfully passing a certification examination, and upon providing evidence of current State of Washington certification if required by State law for that certification type, the person who took the test will be certified by The City of Seattle for that certification type for one year. The certification may be renewed for two subsequent years at no cost to the licensee. The licensee will, however, need to demonstrate continued competence and continue to comply with State regulations where applicable as a condition of certification renewal. The renewal of the license will be denied if the Seattle Fire Department becomes informed and verifies that the licensee no longer meets the qualifications for the license. Testing is required once every three years.

Certification Fees

Effective ((January 1, 2024)) January 1, 2025

Schedule L Table L for 22.602.045 Certification Examinations and Training		
Certification Type	Description	Fee
Type AS-ITT (S)	Inspection and testing (except of water-based fire protection ITT (Inspection Testing Tech	(((\$444)) <u>\$515</u>
Type AS-2(S)	Installation, inspection, testing automatic sprinkler systems, § (Residential-Level Sprinkler F residential buildings up to and	(((\$444)) <u>\$515</u>
Type AS-3(S)	Installation, inspection, testing automatic sprinkler systems, § Level Sprinkler Fitters in all b	(((\$444)) <u>\$515</u>
Type E-1	Installation, inspection, testing foam and water mist fire extin	(((\$444)) <u>\$515</u>
Type E-2	Installation, inspection, testing carbon dioxide fire extinguish	(((\$444)) <u>\$515</u>

Type E-3	Installation, inspection, testing clean agent, halon replacement chemical, and dry chemical fire systems, including spray booth	(((\$444)) <u>\$515</u>
Type E-4	Installation, inspection, testing pre-engineered wet kitchen hood systems.	(((\$444)) <u>\$515</u>
Type EG-1	Installation (non-electrical), inspection and maintenance of emergency generator	(((\$444)) <u>\$515</u>
Type EG-ITM	Inspection, testing (except "annual" maintenance of emergency generator	(((\$444)) <u>\$515</u>
Type FA-1	Installation, programming, inspection and maintenance of automatic fire alarm building.	(((\$444)) <u>\$515</u>
Type FA-ITM	Inspection, testing (except "annual" maintenance of automatic fire alarm	(((\$444)) <u>\$515</u>
Type FP-1	Installation (non-electrical), inspection and maintenance of fire pumps and	(((\$444)) <u>\$515</u>
Type FP-ITM	Inspection, testing (except "annual" maintenance of fire pumps and	(((\$444)) <u>\$515</u>
Type FEX-1	All activities relating to portable including those listed in Type: FEX-4.	(((\$444)) <u>\$515</u>
Type FEX-2	Installation, inspection, testing charging, and recharging of portable extinguishers.	(((\$444)) <u>\$515</u>
Type FEX-3	Hydrostatic testing of fire extinguishers	(((\$444)) <u>\$515</u>
Type FEX-4	Annual external examination of pressure fire extinguishers equipment indicators or gauges.	(((\$444)) <u>\$515</u>
Type SC-1	Installation, inspection, testing smoke control systems.	(((\$444)) <u>\$515</u>
Type SC-ITM	Inspection, testing (except "annual" maintenance of smoke control	(((\$444)) <u>\$515</u>
Type STP-ITM	Inspection and testing (except of standpipe systems.	(((\$444)) <u>\$515</u>
	Issuance of replacement certificate	(((\$60)) <u>\$70</u>

Section 3. Section 22.602.050 of the Seattle Municipal Code, last amended by Ordinance 126711, is amended as follows:

22.602.050 Fees for certain inspections

A. Whenever the Fire Prevention Division is requested or required by the Seattle Fire Code to perform inspections outside normal business hours (8 a.m.-4:30 p.m. Monday through Friday), the responsible party shall pay a fee for such an inspection. Such fees shall be equal to actual labor costs including any applicable administrative overhead costs.

B. Whenever the Fire Prevention Division is requested to perform an inspection as required by the Fire Code and the responsible party fails to appear within 20 minutes from the original appointment time and does not cancel the appointment by email by 9 a.m. the business day prior to the inspection, or fails to have the required personnel and/or equipment prepared and available to conduct the test, the Fire Chief or the Fire Chief's designee shall collect and the responsible party shall pay a fee for such staff time and preparation required to meet the inspection appointment. Such fees shall be based on actual labor costs including any applicable administrative overhead with a one-hour minimum.

C. Whenever the Fire Prevention Division is required to perform an inspection after at least two inspections have been performed by the Seattle Fire Department to gain compliance with Seattle Fire Code requirements, the Fire Chief or the Fire Chief's designee shall collect and the responsible party shall pay a fee in the amount of ~~(((\$373))~~ \$433. Such fee shall be due upon each inspection performed by the Fire Prevention Division until compliance with Seattle Fire Code requirements has been accomplished.

D. Whenever the Fire Prevention Division has notified the responsible party in writing of a required compliance inspection and has established a date by which compliance is required, and the responsible party fails to appear for a scheduled inspection within 20 minutes from the original appointment time, or fails to have the required corrections completed and written documentation of the completion submitted to the Fire Prevention Division within 20 minutes of the original appointment time, the Fire Chief or the Fire Chief's designee shall collect and the responsible party shall pay a fee in the amount of ~~(((\$373))~~ \$433, whether or not an on-site inspection has occurred.

E. The Fire Chief, Fire Marshal, or Assistant Fire Marshal has the authority to waive the compliance inspection fee if the original order or notice is determined to be invalid or in other special circumstances as defined by administrative rule.

F. For events at public assemblies, or other instances where it is necessary or requested to temporarily alter operation of fire protection/detection systems and/or the Fire Marshal determines that it is essential for public safety that standby fire personnel shall remain on site during the event or activity, the Fire Marshal is authorized to charge actual costs for labor and other incurred services

including applicable administrative overhead and other services.

G. Whenever the Fire Prevention Division is requested to perform an inspection as required by the Seattle Fire Code for which no fee is included in any schedule within this Chapter 22.602, a fee shall be charged based on program costs of the inspection including applicable overhead. Such fees shall include overtime costs only when the work performed outside normal business hours (8 a.m. to 4:30 p.m. Monday through Friday) is required by the Seattle Fire Code or is performed at the request of the owner or responsible person or permit holder.

H. The responsible party shall pay a fee for the Fire Prevention Division to complete building inspections to confirm compliance with provisions of the Seattle Fire Code in high-rise occupancies and hospital occupancies, such occupancy classes as defined in the Seattle Fire Code. The fee for such inspections shall be ~~(((\$234))~~ \$271 plus a time charge of ~~(((\$234))~~ \$271 per hour with a one-hour minimum effective January 1, ~~((2023))~~ 2025.

Section 4. Section 22.602.070 of the Seattle Municipal Code, last amended by Ordinance 126936, is amended as follows:

22.602.070 Fire Department development-related fees

A. The responsible party shall pay fees to cover the application, review, and inspection process associated with new construction, additions, alterations, and repairs to existing buildings, recommendations for occupancy, and compliance with maintenance requirements in Seattle Fire Code Section 901.6.

Effective ~~((January 1, 2024))~~ January 1, 2025

Table A for 22.602.070 Seattle Fire Department development-related fees	
Development-Related Fee ^a	15% of the Development Fee Index calculated from project value as specified in Table D-1 for 22.900D.010

Section 5. Section 22.602.080 of the Seattle Municipal Code, last amended by Ordinance 124044, is amended as follows:

22.602.080 Fee for review and filing of code alternates/variances ((.)) and other exemptions and waivers

A. This Section 22.602.080 shall not apply to requests for a code alternate/variance that result from plan review and examination, issuance of permits pursuant to Section 22.602.045, or deferment of provisions to a separate regulating agency.

B. Whenever a building owner or other responsible party proposes to use an alternate material or method to meet the intent or requirement of the Fire Code, the Fire Chief or ~~((his))~~ designee shall collect and the responsible party shall pay a fee for field inspection and research.

~~((€)).~~ The fee for such code alternates/variances shall be ~~(((\$214))~~ \$248 ~~plus ((a time charge equal to actual labor plus applicable administrative overhead costs))~~ \$248 per hour for each hour exceeding one, for field inspection, code research or analysis ~~((exceeding one hour))~~. Alternate/variance requests which do not require field inspection or detailed code research exceeding one hour of staff time will be subject to a flat nonrefundable fee of ~~(((\$214))~~ \$248.

C. Whenever a building owner or other responsible party requests an exemption from fire and life safety system maintenance under Chapter 3 of the Seattle Fire Code, the Fire Chief or designee shall collect and the responsible party shall pay a fee for field inspection and research. The fee for such exemption review shall be \$248 plus \$248 per hour for each hour exceeding one, for field inspection, code research or analysis. Maintenance exemption requests that do not require field inspection or detailed code research exceeding one hour of staff time will be subject to a flat nonrefundable fee of \$248.

D. Whenever a building owner or other responsible party requests to decommission a fire protection system, the Fire Chief or designee shall collect and the responsible party shall pay a fee for field inspection and research. The fee for such decommissioning review shall be \$248 plus \$248 per hour for each hour exceeding one, for field inspection, code research or analysis. Maintenance exemption requests that do not require field inspection or detailed code research exceeding one hour of staff time will be subject to a flat nonrefundable fee of \$248.

Section 6. Section 22.602.090 of the Seattle Municipal Code, last amended by Ordinance 126522, is amended as follows:

22.602.090 Fees for filing testing documentation for ~~((fire protection systems))~~ fire and life safety systems and emergency responder radio coverage systems

A. The Fire Chief or the Fire Chief's designee shall collect a ~~(((\$30))~~ \$35 fee for processing documentation of acceptance testing and recurring inspections, testing, and maintenance as required by Administrative Rule 9.02 "Inspection, Testing, Maintenance, and Reporting Requirements for Fire Protection Systems and Emergency Responder Radio Amplification Systems".

B. Those test reports that are submitted more than 13 days past the time limitations specified in Administrative Rule 9.02 shall be subject to a ~~(((\$10))~~ \$12 per test report late fee.

C. Test filing fees and late fees shall be payable by the person responsible for performing the systems testing. For purposes of this Section 22.602.090, person has the same meaning as defined in the Seattle Fire Code as constituted pursuant to Section 22.600.020.

D. The Fire Chief shall have the authority to enter into a contract with a third party vendor for purposes of collecting, organizing, categorizing, and tracking compliance with Administrative Rules 9.01, 9.02, and 9.04, and for collecting the fees imposed by this Section 22.602.090. The third-party vendor shall be entitled to retain that portion of the fees that represents compensation for the vendor's services in accordance with the terms of the contract, and shall remit the remainder to the Department.

Section 7. Section 112 of the Seattle Fire Code, enacted by Ordinance 127109, is amended as follows:

SECTION 112

VIOLATIONS

* * *

[S] **112.4 Citations.** Violations or failure to comply with any of the following may be enforced under the citation or criminal provisions set for in this Section 112.4:

* * *

[S] **112.4.8 Penalties.** Penalties shall be in accordance with Sections 112.4.8.1 through 112.4.8.3.

[S] **112.4.8.1** The first time that a *person(s)* is found to have violated one of the provisions referenced in Section 112.4, except subsection 112.4(8), the *person(s)* shall be subject to a penalty of ~~(((\$373))~~ \$433.

[S] **112.4.8.2** The second time, and any subsequent times, that a *person(s)* is found to have violated one of the provisions referenced in Section 112.4, except subsection 112.4(8), within a 12-month period, the *person(s)* shall be subject to a penalty of ~~((\$746))~~ \$866 for each such violation.

[S] **112.4.8.3** The *person(s)* found to have violated provisions referenced in subsection 112.4(8) shall be subject to the following penalties:

1. No penalty for the first violation within a quarter of a calendar year.
2. ~~((Three hundred seventy-three dollars))~~ Four hundred thirty-three dollars if at least two but fewer than six violations have occurred in the same quarter of a calendar year.
3. ~~((Seven hundred forty-six dollars))~~ Eight hundred sixty-six dollars if at least six but fewer than nine violations have occurred in the same quarter of a calendar year.
4. ~~((Nine hundred dollars))~~ One thousand and forty-four dollars if at least nine violations have occurred in the same quarter of a calendar year.

* * *

Section 8. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the invalidity of the application thereof to any person, property, or circumstance, shall not affect the validity of the remainder of this ordinance or the validity of its application to other persons, property, or circumstances.

Section 9. This ordinance shall take effect as provided by Seattle Municipal Code Section 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved / returned unsigned / vetoed this _____ day of _____, 2024.

Seattle Fire Department	Karen Grove	Ramandeep Kaur

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Seattle Fire Department’s services and fees; adding and revising various Seattle Fire Department permit, inspection, and plan review fees and related provisions; amending Sections 22.602.010, 22.602.045, 22.602.050, 22.602.070, 22.602.080, and 22.602.090 of the Seattle Municipal Code; and amending Section 112 of the 2021 Seattle Fire Code as adopted by Section 22.600.020 of the Seattle Municipal Code and as regulated and allowed by the State Building Code Act, Chapter 19.27 of the Revised Code of Washington.

Summary and Background of the Legislation:

The Fire Prevention Division has historically operated by collecting fees that offset some of the costs of providing fire prevention services to direct service users. Both direct and indirect costs of providing services are included when making cost recovery calculations.

This legislation would adjust fee levels, modify fee titles, and add new fees that are charged by the Seattle Fire Department’s (SFD’s) Fire Prevention Division, also known as the Fire Marshal’s Office. The Fire Prevention Division administers the Fire Department fire prevention program. The program’s purpose is to help ensure the safety of Seattle residents, workers and visitors and protect them and their property from the hazards of fires, explosions, and dangerous conditions including releases of hazardous materials. The proposed changes to the fee ordinance are intended to re-align fee levels with current service costs.

Most fees are proposed to be increased by 16 percent, with the intent to improve cost recovery levels related to increases in wages and benefits and other program costs. This includes fees for special events, assembly occupancies, special hazards, certifications, high-rise inspections, compliance re-inspections, filing of testing documentation for fire and life safety systems, and review of code alternates and other exemptions and waivers. Fees for plan review and construction inspections are proposed to be raised by 31 percent to better align cost recovery in these lines of business. Overall this legislation increases revenues for fire prevention services by \$1.8 million annually.

General Fund, No. 00100	SFD	Systems Testing Oversight	\$72,800	\$72,800
TOTAL			\$1,807,436	\$1,796,804

Revenue/Reimbursement Notes:

The total impact of proposed fee changes included in this legislation is an increase of roughly \$1.8 million in 2025 as well as in 2026. The increase is a result of realigning fees with program costs due to increases in wages and benefits as well as other costs.

Many Fire Department permit and inspection fees were last modified on January 1, 2023, including fees for hazardous materials permitting, plan review, and construction inspections.

The table below presents comparative fee information for Seattle and other cities in the region and Western United States.

Table: Fire Prevention Fees in Various Cities

Permit Title	Seattle (2025 Proposed)	Phoenix, AZ (Current)	San Diego (Current)	Tacoma (Current)	Redmond (Current)	Bellevue (Current)	Everett (Current)
Assembly w/ occ. load of 300	\$715	\$150 per hr + \$150 per hr for use of open flame/candles	\$306 - \$613 based on sq footage	\$315	\$474 + \$176 for use of open flame/candles plus 4% technology surcharge	\$149	\$100 + \$25 for use of open flame/candles

Repair Garges – Auto Maintenance	\$494	\$150 per hr, 1 hr min		\$315	\$474 +4% tech surcharge	\$149	\$100

3.c. Positions

- ☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

No costs to The City of Seattle. The proposed fee changes relate to cost recovery for current service levels and the small number of programmatic changes to inspection services will be absorbed by current staff.

Please describe any financial costs or other impacts of *not* implementing the legislation.

If the City does not increase fees when union contracts increase employee wages and benefits for cost of living and other reasons, then the overall result is that revenue from fees will cover a lower portion of the overall cost of these fee-supported services. When fees do not keep pace with costs, businesses and applicants requiring SFD services end up paying a lower share of the services, leaving the remainder to be funded by other City taxpayer sources in the General Fund.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

The City of Seattle's Accela system bills customers for the major SFD construction inspection fees, so changes to fee amounts will require system updates in Accela. This software programming update work is done by Seattle IT and Seattle Department of Construction and Inspection's (SDCI's) employees together with SFD. These three departments have discussed the anticipated changes and no challenges have been identified should the fee modifications be approved. Some City departments require permits for hazardous materials, so they will experience fee increases along with all customers.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

Programs to ensure fire code compliance help promote fire and life safety for all who live, visit, and work in Seattle. Although data are not complete, it is likely that there are as many or more safety violations in buildings where vulnerable populations live and work, so better enforcement may yield bigger fire and life safety gains in these communities. One example is the work SFD is undertaking to restore dangerous buildings in communities to a safe condition, through education and enforcement. These buildings are found more commonly in vulnerable communities and lower income communities. The Seattle Fire Department also has a community risk assessment tool that presents fire incident data on maps showing demographic and social community characteristics, to help us develop programs that focus our limited resources in communities with the greatest fire-risks or needs.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

There are no programmatic changes proposed in this legislation. This legislation sustains SFD service levels to help support fire code and public safety for all residents.

- iii. What is the Language Access Plan for any communications to the public?**

SFD provides notice of fee and program changes by mail to previous and current permit holders and this communication will include translated inserts in approximately ten languages frequently spoken in Seattle. The website will also be updated to include information about upcoming fee changes, and will include information in English and about ten other languages.

d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

No impact. This legislation does not change City services in a way that would impact existing carbon emissions in Seattle. This legislation sustains SFD's ability to support building requirements that support climate adaptation projects and new energy codes.

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

No impact. This legislation sustains SFD's ability to support building requirements that support climate adaption projects and new energy codes.

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

None. This legislation adjusts cost recovery levels related to City employee wage and benefit contracts, and continues existing public safety services provided by SFD.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachments: None.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to provision of emergency medical services; authorizing transfer fees for basic life support transport services; and adding a new Subchapter VI to Chapter 3.16 of the Seattle Municipal Code.

WHEREAS, the Seattle Fire Department currently provides basic life support ("BLS") emergency medical services ("EMS") and BLS emergency medical services transport ("BLS Transport") without charge; and

WHEREAS, pursuant to RCW 35.22.570, as an exercise of the power granted by RCW 35.27.370(15), the City Council has discretion to charge fees to those receiving EMS Transport from the City; and

WHEREAS, such BLS Transport user fees are often covered by medical insurance policies, including but not limited to Medicare and Medicaid; and

WHEREAS, funds derived from the voter approved King County Levy are insufficient to fully fund the City's BLS and BLS Transport costs; and

WHEREAS, as a result, BLS and BLS Transport services must be subsidized by funds from the City's General Fund; and

WHEREAS, a portion of the taxes paid by City residents contribute to the General Fund and to the provision of BLS and BLS Transport costs; and

WHEREAS, those benefiting from the City's BLS Transport should be charged a fee to reimburse the City for at least some portion of the cost of the BLS Transport; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new Subchapter VI, which includes new Sections 3.16.400, 3.16.410, 3.16.420, and 3.16.430, is added to Chapter 3.16 of the Seattle Municipal Code as follows:

Subchapter VI Basic Life Support Transport Services

3.16.400 Definitions

As used in this Subchapter VI:

“BLS” means basic life support.

“BLS transport” means transportation by ground ambulance vehicle and the provision of medically necessary supplies and services, including BLS ambulance services as defined by chapter 18.73 RCW, as amended.

“Insurance” or “insurer” include, at a minimum, Medicare and Medicaid.

“Resident” means a person whose principal place of residence is in Seattle.

3.16.410 BLS transport user fee imposed

A. All persons receiving BLS transport by the City shall be charged and billed a BLS transport user fee. The fee is \$950 per transport plus \$15 per mile. The Fire Chief or designee is authorized to establish procedures to implement, bill, and collect the fee.

B. A resident who supplies the City with the medical insurance information and documentation needed to bill the resident’s insurance provider for the fee, and who assigns insurance benefits for the same to the City, shall not be billed for any portion of the fee above amounts paid by the resident’s insurer(s). A nonresident taking the same steps shall be billed for any portion of the fee above amounts paid the nonresident’s insurer(s). Any person who does not take these steps shall be billed for the entire fee.

3.16.420 Construction with Medicare and Medicaid requirements

Charges for the BLS transport authorized by this Subchapter VI shall be construed and implemented in a manner consistent with Medicare and Medicaid requirements as applicable. If any method or procedures authorized by this Subchapter VI for the purpose of establishing, implementing, imposing, or collecting charges

for BLS transport is found to conflict with Medicare and or Medicaid requirements, those Medicare and/or Medicaid requirements control.

3.16.430 Policy and financial assistance

A. It is the City’s policy that ability to pay is not a condition of BLS transport service. All aspects of emergency medical services the City currently provides, including BLS transport, shall be provided to all patients without discrimination toward those with no or inadequate ability to pay.

B. The Fire Chief or designee shall establish a program consistent with criteria and rules set forth in WAC 246-453-001 through 246-453-060, as amended, to provide financial assistance and debt forgiveness to persons that do not have the ability to pay for some or all of the fee.

Section 2. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the invalidity of the application thereof to any person, property, or circumstance, shall not affect the validity of the remainder of this ordinance or the validity of its application to other persons, property, or circumstances.

Section 3. This ordinance shall take effect on January 1, 2025.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle Fire Department	Chris Santos	Ramandeep Kaur

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to provision of emergency medical services; authorizing transfer fees for basic life support transport services; and adding a new Subchapter VI to Chapter 3.16 of the Seattle Municipal Code.

Summary and Background of the Legislation:

The Seattle Fire Department (SFD) contracts Basic Life Support (BLS) transportation, i.e., non-life-threatening ambulance services, to American Medical Response (AMR), a private contractor. SFD also operates five aid cars 24/7 and two additional aid cars from 9 a.m. to 9 p.m. SFD aid cars are not intended primarily for transport. Still, they respond to a high volume of medical calls in dense neighborhoods such as Belltown, Pioneer Square, and Capitol Hill. When AMR cannot provide ambulances, SFD aid cars are used in a backup capacity to transport patients to the emergency room.

There are 22 fire agencies within King County, including the Seattle Fire Department. Eighteen of the 22 public agencies offer some degree of BLS transport to constituents, and the remaining four do not. Seventeen of the 18 agencies bill for the BLS transport services they provide. Seattle Fire is the only agency in King County that provides BLS transport with no associated billing or cost recovery.

AMR response times did not meet their contract requirements from September 2020 to February 2023, a reality that forced SFD to frequently use its aid cars for BLS transport—677 times in 2021 and 558 in 2022. AMR has improved its response times and unit availability in 2023 and continues in 2024, but SFD still averages ten monthly BLS transports to local emergency rooms.

This legislation establishes a fee of \$950 per transport plus \$15 per mile. It is estimated that this legislation will bring in approximately \$314,000 in new revenue.

A one-time allocation of \$5,000 has been included in the 2025 Proposed Budget to cover contracting with a local third-party billing agency. The billing service contract includes assistance with all necessary Medicare, Medicaid, Ground Emergency Medical Transportation (GEMT) program, and insurance enrollments. The agency will bill on behalf of SFD and collect a flat rate per transport once billing begins.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☒ Yes ☐ No

Expenditure Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.
General Fund	\$5,000	\$5,000	\$5,000	\$5,000	\$5,000
Expenditure Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.
Other Funds	0	0	0	0	0

Revenue Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.

3.a. Appropriations

☐ This legislation adds appropriations.

3.b. Revenues/Reimbursements

☒ This legislation adds revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2025 Estimated Revenue	2025 Estimated Revenue
General Fund 00100	SFD	BLS Transport Billing	\$313,905	\$313,905
TOTAL			\$313,905	\$313,905

Revenue/Reimbursement Notes:

About \$313,905 estimated new revenue will be received from billing for BLS transport services. Payments will be received from Medicare, Medicaid, insurance companies, GEMT, and patients.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Costs will be supported by new revenues.

Please describe any financial costs or other impacts of *not* implementing the legislation.

If legislation is not implemented, then the current status will continue. This is an opportunity to align our practice with the surrounding fire service agencies and to provide revenue to the City to support emergency medical services.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

No impacts to other departments.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

This legislation limits payments received by City residents to their insurer. For non-residents or residents without an insurer, a compassionate care financial assistance program is established to support vulnerable or historically disadvantaged communities/patients.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

Please see attached SFD BLS Transport Financial Assistance Policy.

iii. What is the Language Access Plan for any communications to the public?

A Language Access Plan is being developed.

d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachments:

Summary Attachment A – SFD BLS Transport Financial Assistance Policy

SFD BLS Transport Financial Assistance Policy

The following criteria for provision of financial assistance to emergency medical services (EMS) transport users are consistent with the requirements of [WAC 246-453-001 through 246-453-060](#) for hospital charity care. However, this policy is not intended to adopt any provisions stated therein except to the extent required to provide a financial assistance policy that meets the criteria established by law to qualify for reimbursement from third parties. If a conflict exists between the provisions of this policy and the law, the law will govern to the extent necessary to remain eligible for such reimbursement. If no such conflict exists, this policy will govern.

Policy:

It is the Seattle Fire Department (SFD) policy that the ability to pay is never a condition of or impediment to emergency medical service or transportation. All aspects of pre-hospital service will be provided to all patients without discrimination toward those with no or inadequate means to pay.

The most recent Federal Poverty Guidelines (updated annually in February) shall be used to evaluate eligibility for financial assistance. The SFD, following guidelines described below, shall extend financial assistance to qualifying individuals.

Financial Assistance applications are available upon request through the EMS billing service responsible for obtaining approval signatures for write-offs from the City at the time each application is processed. The billing service will report financial assistance account activity, and the amount of EMS financial aid to the City on a regular basis.

Definitions:

"Financial Assistance" is reducing or canceling a debt owed to the City for EMS transportation

"Responsible Party" is the individual responsible for the payment of any EMS transport user fees not covered by third-party sponsorship.

"Third-Party Coverage" and "Third-Party Sponsorship" means an obligation on the part of an insurance company or governmental program which contracts with medical service providers and patients to pay for the care of covered patients and services.

"Guarantor" is a person or entity that agrees to be responsible for another's debt or performance under a contract

Responsibilities:

The billing service provides financial assistance applications to patients upon request, collects completed applications and supporting documentation, and forwards applications to the Fire Department for review when received.

The SFD reviews documentation requesting financial assistance against established guidelines and makes a determination of qualification. The Fire Chief or his designee will review the application and

make a recommendation to the Fiscal Manager and/or EMS Program Manager who signs the section of the application indicating either approval or denial of financial assistance. The application is returned to

SFD BLS Transport Financial Assistance Policy

the billing service after review. A copy of the financial assistance determination is kept on file for future reference.

The billing service will provide a summary of financial assistance account activity no less than monthly.

Guidelines:

1. The following criteria will be used in making fair, equitable, and consistent decisions regarding eligibility for financial assistance.
2. Ability to pay is never a condition of emergency medical service or transportation.
3. Financial assistance is secondary to all other financial resources available to the patient including insurance, government programs, or other third-party sponsorship.
4. Full debt forgiveness will be provided to a responsible party with a gross family income at or below 200% of current, published Federal Poverty Income Guidelines.
5. Financial assistance will be provided according to Federal Poverty Income Guidelines and the sliding scale below:

2023 Poverty Guidelines				
Persons in Family	100%	200%	300%	400%
1	\$14,580	\$29,160	\$43,740	\$58,320
2	\$19,720	\$39,440	\$59,160	\$78,880
3	\$24,860	\$49,720	\$74,580	\$99,440
4	\$30,000	\$60,000	\$90,000	\$120,000
5	\$35,140	\$70,280	\$105,420	\$140,560
6	\$40,280	\$80,560	\$120,840	\$161,120
7	\$45,420	\$90,840	\$136,260	\$181,680
8	\$50,560	\$101,120	\$151,680	\$202,240
For each additional person, add	5,140	10,280	15,420	20,560

200% or below	201% - 300%	301% to 400%	>400%
---------------	-------------	--------------	-------

Financial Assistance Provided	100%	50%	25%	0%
--	-------------	------------	------------	-----------

SFD BLS Transport Financial Assistance Policy

6. Requests for financial assistance may be initiated by sources such as; a physician, community or religious groups, social services, hospital personnel, the patient, guarantor, or family member. The SFD will use the application process through the billing service to determine initial interest in an qualification for financial assistance. The SFD's decision to provide financial assistance has no bearing on the responsible party's financial obligations to other healthcare providers.
 - a. Applications for financial assistance are available from the billing service upon request.
 - b. The SFD shall base its decision on the suitability of financial assistance and the amount of debt forgiveness upon data submitted by the responsible party or other parties as defined above.
 - c. Documents submitted that demonstrate a grant of financial assistance from the receiving medical facility, for medical care on the date of transport, shall be deemed evidence of qualification of financial assistance. Upon presentation of such documentation and an application through the billing service, the SFD will grant proportionally equivalent financial assistance.
 - d. Any one of the following documents shall be considered sufficient evidence upon which to base the determination of financial assistance eligibility (income information may be annualized as appropriate):
 - i. A "W-2" withholding statement for the most recent tax year
 - ii. Current Pay Stubs
 - iii. An income tax form from the most recent tax year
 - iv. Forms approving or denying eligibility from Medicaid and/or state-funded medical assistance programs
 - v. Forms approving or denying unemployment compensation or written statements from employers or welfare agencies
 - e. All documentation shall be forwarded from the billing service to the Fire Department for review and approval. The Fire Chief or his designee will review the documentation and make a recommendation to the Fiscal Manager and/or EMS Program Manager who signs the section of the application indicating either approval or denial of financial assistance. The application is returned to the billing service after review. A copy of the financial assistance determination is kept on file by both the Fire Department and the billing service for future reference.
 - f. A letter notifying the applicant of the City's financial assistance determination will be sent by the billing service on behalf of the Fire Department to all applicants.
7. Financial assistance may be provided to a responsible party with gross family annual income greater than 400% of Federal Poverty Income Guidelines if circumstances such as; extraordinary non-discretionary expenses, future earning capacity, and the ability to make payments over an extended period of time warrant such consideration.
8. Reasonable payment arrangements, consistent with the responsible party's ability to make payments, will be extended for amounts not eligible for debt forgiveness. Monthly payments, without interest, may be arranged.
9. The SFD realizes that certain persons may have no financial means to pay for their BLS transport user fee, and also lack the social network/family necessary to help them complete the

paperwork required to apply for financial assistance. In these cases, the SFD may approve financial assistance even if no formal application has been submitted. The billing service will

SFD BLS Transport Financial Assistance Policy

notify the Fire Department when such situations occur, and the Fire Department will evaluate the financial need on a case-by-case basis.

SFD BLS Transport Financial Assistance Policy

Individual Written Notice of Financial Assistance

It is the policy of the Seattle Fire Department that no person will be denied emergency medical care because of an inability to pay for such services.

The Seattle Fire Department will provide needed emergency service without charge or at a reduced cost without discrimination to those persons with documented inadequate or no means to pay for care.

To be eligible to receive needed ambulance transport services without charge or at a reduced cost, you or your family's gross annual income must be at or below levels established by national poverty guidelines for this area.

You may also qualify for financial assistance from the Seattle Fire Department if you have been granted financial assistance by the medical facility to which you were transported.

If you think you may be eligible for Financial Assistance under this policy, please complete and sign the application below, attach the required income documentation, or provide a grant of "hospital charity" and submit the completed application packet to:

Seattle Fire Department
C/O Systems Design
P.O. Box 3510
Silverdale, WA 98383

You will be notified of the determination made in your request for financial assistance and any reduction in your charges once the Fire Department has reviewed your application.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the monetary penalty for parking infractions; amending Section 11.31.121 of the Seattle Municipal Code to update penalties.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 11.31.121 of the Seattle Municipal Code, last amended by Ordinance 127102, is amended as follows:

11.31.121 Monetary penalties - Parking infractions

The base monetary penalty for violation of each of the numbered provisions of the Seattle Municipal Code listed in the following table is as shown, unless and until the penalty shown below for a particular parking infraction is modified by Local Rule of the Seattle Municipal Court adopted pursuant to the Infraction Rules for Courts of Limited Jurisdiction ("IRLJ") or successor rules to the IRLJ:

Municipal Code reference	Parking infraction short description	Base penalty amount
11.23.400	UNAUTHORIZED USE - DISABLED	\$250
11.23.410	CARPOOL, FREE & PREFERENTIAL	(((\$47)) <u>\$69</u>

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle Municipal Court	Josh Sattler	Linda Taylor-Manning

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the monetary penalty for parking infractions; amending Section 11.31.121 of the Seattle Municipal Code to update penalties.

Summary and Background of the Legislation:

Seattle Municipal Court (SMC) judges set the fine amount for a number of parking violations via Seattle Municipal Court [Local Court Rule \(SMCLIR\) 6.2\(b\)](#). When SMC judges make a change to this court rule, City Council adjusts by ordinance the schedule included in Seattle Municipal Code Section 11.31.121. These fines have not been adjusted since 2011, when a \$5 increase was applied to all fines. Based on historical data from the U.S. Bureau of Labor Statistics (BLS), the Consumer Price Index (CPI) in the Seattle area has increased by 50% from 2011 to 2024. CPI is a measure of the average change overtime in the prices paid by consumers.

This legislation would align parking fines with inflation and increase the monetary penalty of parking violations in SMCLIR 6.2(b) to the below amounts effective January 1, 2025:

- a. Increase \$29 fines to \$43
- b. Increase \$44 fines to \$65
- c. Increase \$47 fines to \$69
- d. Increase \$53 fines to \$78

Below are the eight most frequently issued parking citations from 2019-2023:

Violation Description	Violation Code	Fine Amount	% of Citations	# of Citations
PAY TO PARK VIOLATION	11.76.015	\$44	30.49%	537,554
EXPIRED / IMPROPER PLATES	11.72.145	\$47	15.67%	276,302
SIGN POSTED LOCATIONS	11.72.330	\$47	13.26%	233,738
RESTRICTED ZONE	11.72.351A	\$53	7.71%	135,868
OVERTIME	11.72.260	\$44	5.17%	91,232
PEAK HOUR	11.72.300	\$47	3.35%	59,057
FIRE HYDRANT	11.72.160	\$47	2.61%	46,095
RESTRICTIONS - COMM LOAD ZONE	11.72.075	\$53	2.48%	43,808

Reasons for a Fine Adjustment:

- The Seattle Department of Transportation (SDOT) posits that the current fine amounts compared to parking rates is leading to parker behavior that disregards payment and parking rules. SDOT offered two examples: in South Lake Union generally and during events at Lumen Field and T-Mobile Stadium, parkers are not paying and ignoring parking rules.

- The increase to some fines will improve transportation freight movement and Vision Zero Safety.
- There have been significant changes to Seattle since 2011.
 - Seattle’s population has grown 20%;
 - Street parking rates have increased;
 - Private parking facility rates have increased – current downtown rates are \$15-17 for early bird parking and \$24-30 for private parking;
 - There are relatively few on-street parking spaces downtown (~6,500);
 - Curb availability is more challenging;
 - Transportation options have improved with better and more reliable bus and light rail service, multimodal facilities, and active SDOT programs to provide safe, climate-friendly transportation options like scooters and bicycles; and
 - Inflation has increased – per the US Bureau of Labor Statistics, Seattle has experienced an annual average inflation of 3.18% every year since 2011, meaning a \$44 parking fine is \$66.12 in today’s dollars.

Parking Rates in Comparable Cities:

In late 2023, SMC conducted a preliminary review of parking fines for cities with similarities to Seattle. Because the cities do not all follow the same tiered penalty structure as Seattle, SMC analyzed the most basic and commonly known parking fine in each of the above cities, which are the “Pay to Park Violation” and “Overtime” citations currently at \$44 in Seattle. Using Per Capita Personal Income (PCPI) and Regional Price Parities (RPP) data from the U.S. Department of Commerce Bureau of Economic Analysis (BEA), below is a table that shows where Seattle ranks in terms of its current \$44 parking penalty compared to other cities.

City Name	PCPI After Adjustments for Purchasing Power ^a	Basic Parking Fine	Fine to PCPI (to the 1/10,000)	Difference from Seattle
Portland, OR	\$ 56,925	\$ 65	11.4185	4.9407
San Francisco	\$ 77,175	\$ 87	11.2731	4.7953
San Diego	\$ 54,167	\$ 52.50	9.6922	3.2144
Washington D.C.	\$ 63,227	\$ 50	7.9080	1.4302
Minneapolis / St. Paul	\$ 62,298	\$ 45	7.2233	0.7455
Seattle	\$ 67,924	\$ 44	6.4778	0.0000
Boston	\$ 70,903	\$ 40	5.6415	-0.8363
Denver	\$ 64,547	\$ 35	5.4224	-1.0554
Austin	\$ 62,597	\$ 30	4.7926	-1.6853
Tacoma	\$ 67,924	\$ 25	3.6806	-2.7972

a. Figure reflects 2019 numbers – the latest available for all cities in one place

SMC then conducted a preliminary review of parking fines for the same cities, looking at factors like population size, density, median income, the city’s operating budget, cost of living index, and percentage of population who are white. Seattle is the 18th most populous city in the United

States, and the city with the 3rd highest median household income amongst the top 25 most populous U.S. cities.

City Name	Population ¹	Pop Density ppl/sqmi ²	Median Income ³	Operating Budget \$BB ⁴	Cost of Living Index ⁵	% White ⁶
San Diego	1,381,162	4,255.9	\$98,657.00	\$5.9	95.1	42%
Austin	974,447	3,006.4	\$86,556.00	\$5.5	66	48%
San Francisco	808,437	18,629.1	\$136,689.00	\$14.5	122.5	38%
Seattle	749,256	8,791.8	\$116,068.00	\$5.9	100	61%
Minneapolis / St. Paul	728,272	7,142.8	\$73,662.30	\$2.4	64.5	56%
Denver	713,252	4,674.3	\$85,853.00	\$3.8	72.6	54%
Washington D.C.	671,803	11,280.7	\$101,722.00	\$15.4	102.9	36%
Boston	650,706	13,976.7	\$89,212.00	\$4.3	99.7	44%
Portland, OR	635,067	4,889.5	\$85,876.00	\$5.4	82.7	68%
Tacoma	221,776	4,412.2	\$79,085.00	\$3.0	79.8	57%

In terms of population and density, Seattle is most like Minneapolis and St. Paul combined. In terms of median income, Seattle is second to San Francisco at 15% less, and above Washington D.C. at 12% higher. Boston and Washington D.C. come the closest to Seattle in terms of cost-of-living.

With passage of this legislation, Seattle would move above Washington D.C but remain below Portland, OR, San Francisco, and San Diego.

2. CAPITAL IMPROVEMENT PROGRAM

Fund Name and Number	Dept	Revenue Source	2025 Estimated Revenue	2026 Estimated Revenue
General Fund - 00100	SMC	Parking Fines	\$4,900,000	\$4,900,000
TOTAL			\$4,900,000	\$4,900,000

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

N/A

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

N/A

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

N/A

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response, please consider impacts within City government (employees, internal programs) as well as in the broader community.

The Innovation and Performance (IP) team at the Mayor's Office conducted a Seattle Parking Fines Equity Analysis with SMC assistance. Although the City does not collect demographic information on individuals who receive parking citations, IP was able to assess RSJ implications by geocoding citations by Seattle neighborhoods (Community Reporting Areas) and the Racial and Social Equity Index (RSE Index) priority areas. In doing so, IP evaluated who is getting ticketed the most, what are they getting ticketed for, and how many tickets go unpaid, among other factors. IP successfully geocoded 98% of the citation locations and 24% of the registered address locations.

At a high level, IP concluded that the percentage of citations unpaid and the amounts owed are both higher in high RSE Index priority areas and lower in low priority areas. Specifically, in areas where home location is known (~24%), over 50% remain unpaid in high priority RSE Index priority areas. In high priority areas, the types of tickets with lowest payment include expired/improper plates (65% unpaid), sign posted locations (56% unpaid)⁷, and Commercial Load Zone (56% unpaid).

⁷ Sign Posted locations (Seattle Municipal Code Section 11.72.330) are where SDOT has installed "No Stop" or "No Parking" signs. These signs are installed for Vision Zero, Traffic and Transportation Movement/Safety. An example is downtown streets with "No Parking" signs to allow for transit and vehicle traffic movement.

What this indicates is that certain ticket types impact lower income neighborhoods more significantly. While acknowledging an increase to the parking fine amount can only increase the burden for those who do not have the ability to pay, the equity analysis recognizes the infraction mitigation process and the debt reduction hearings at the court provide a path for those who lack the ability to pay to resolve their citations.

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. **What is the Language Access Plan for any communications to the public?**

N/A

d. Climate Change Implications

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A

5. CHECKLIST

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Seattle Police Department; eliminating obsolete Seattle Police Department fees; and amending Section 3.28.070 of the Seattle Municipal Code.

WHEREAS, the Seattle Police Department instituted various fees in 1989 that are no longer relevant, as the

Department does not currently charge - and has not charged for many years - fees for fingerprint classifications, annual reports, census tract code books, polygraph examinations, photographs and prints, Polaroid identification system cards, use of its firearm qualification facility, or examination of physical evidence; and

WHEREAS, the conviction record check fees originally instituted in 1989 are now consolidated under the

"Conviction record check with a clearance letter" item in the fee schedule; and

WHEREAS, the fingerprinting for review of criminal history record fee originally instituted in 1989 is now

encompassed under the "Fingerprinting (not classified-not including applicants for concealed weapons permits)" item in the fee schedule; and

WHEREAS, the traffic accident witness statement fee originally instituted in 1989 is now encompassed under

the "Traffic accident report and/witness statements" item in the fee schedule; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 3.28.070 of the Seattle Municipal Code, last amended by Ordinance 114523, is amended as follows:

3.28.070 Fees for certain records and services((-))

The Police Department is authorized to collect the following fees from all persons for certain reports or services supplied by the ~~((department))~~ Department; provided, there shall be no charge for ~~((("criminal records" data provided to "criminal justice agencies"))~~ criminal history record information provided to a criminal justice agency, both as defined by chapter 10.97 RCW ~~((40.97))~~; and ~~((provided, further,))~~ any fee may be waived if the Police Chief determines that the ~~((department))~~ Department and the person requesting records or services will receive mutually offsetting benefits through exchanges of information~~((, fees may be waived))~~.

Conviction record check with a clearance letter: \$17.50 per name and \$2.50 for each additional clearance letter

Copy of incident/crime report: \$8 per report

Fingerprinting (not classified - not including applicants for concealed weapons permits): \$7 for the first card and \$2.50 for each additional card

Notary Services: \$2.50 for each notarization

Traffic accident report: \$8 per report

	((Service	Charge	
1.	Conviction record check (person provides forms and has no record)	per name	\$8.00
2.	Conviction record check w a clearance letter	per name	17.50

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office		Geoffrey Detweiler

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Seattle Police Department; eliminating obsolete Seattle Police Department fees; and amending Section 3.28.070 of the Seattle Municipal Code.

Summary and Background of the Legislation: This legislation repeals a number of fees that are considered obsolete and are no longer collected by the Seattle Police Department (SPD). In 1989, the City enacted a number of fees to offset the cost to SPD by providing services to the public.

In the intervening 35 years, technology and public demand has rendered many of these services obsolete, such as fingerprint classifications, annual reports, census tract code books, polygraph examinations, photographs and prints, Polaroid identification system cards, use of its firearm qualification facility, or examination of physical evidence. The repeal of these fees from the Seattle Municipal Code has no impact on services offered or the City's budget, as the services have not been requested in many years.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.
Obsolete fees remain in the Seattle Municipal Code.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

N/A

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

iii. What is the Language Access Plan for any communications to the public?
No RSJI impacts.

- d. Climate Change Implications**

i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

No climate impacts.

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to Seattle Parks and Recreation; establishing the 2025-2026 fee schedule for the use of park properties and other park and recreation facilities and services; and superseding previous park and recreation fee schedules.

WHEREAS, on November 21, 2023, the Seattle City Council approved Ordinance 126955, which established the 2024 fee schedule for the use of park properties and other park and recreation facilities and services and superseded previous park and recreation fee schedules, pursuant to Section 18.28.010 of the Seattle Municipal Code; and

WHEREAS, the City Council wishes to adopt a 2025-2026 Seattle Parks and Recreation Fee Schedule effective January 1, 2025; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Effective January 1, 2025, the Superintendent of Parks and Recreation is authorized to charge the fees substantially in the form set forth in the 2025-2026 “Seattle Parks and Recreation Fee Schedule,” attached as Attachment 1 to this ordinance, and all prior Seattle Parks and Recreation fee schedules are superseded.

Section 2. The provisions of this ordinance and of Attachment 1 to this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this ordinance or Attachment 1, or the invalidity of their application to any person or circumstance, does not affect the validity of their remainders or the validity of their application to other persons or circumstances.

Section 3. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and

1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.
/

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

(Seal)

SEATTLE PARKS AND RECREATION FEES AND CHARGES

AUTHORITY AND GENERAL PROVISIONS

- **Authority**

Fees and charges are necessary to provide financial support to the Seattle Parks and Recreation (the Department) for the operation and maintenance of programs, facilities, and park grounds. The revenue generated by these fees constitutes only a portion of funds required for operating and maintaining the Park System. All fees collected from park and recreation activities and concessions are used exclusively for the Park System, as these funds are deposited in the Park and Recreation Fund, not the City General Fund. Fees and charges are proposed each year by the Department as a part of the annual budget process. Both the Mayor and City Council review and, by ordinance, authorize the Department to collect these fees and charges.

- **General Provisions**

The Superintendent of the Seattle Parks and Recreation is authorized to establish a fee for requested uses not included in this schedule, keeping the Mayor and the City Council advised thereof. The Superintendent of the Seattle Parks and Recreation is authorized, as provided in Seattle Municipal Code (SMC) Chapter 18.28, to waive or reduce any fees in this Schedule.

The Superintendent of the Seattle Parks and Recreation is authorized, as provided in SMC Chapter 18.28, to establish experimental rates, and to engage in special promotional and marketing activities to enhance Departmental programs. These include, but are not limited to, use of 2 for 1 coupons, 50% discount coupons and free admission days for children. Discounts for Senior Adults (age 65 and over) vary per program. These types of activities may occur at various Department facilities throughout the year.

The Superintendent of the Seattle Parks and Recreation is authorized, as provided in SMC Section 18.24.010, to operate for fee parking without recourse to commercial or private operators such parking lots under the Department's jurisdiction as are deemed desirable with the concurrence of the City Council by resolution as to location and fee schedule, consistent with provisions of RCW 35.86.010 and 35.86.040 which so permit such owner operation.

The Superintendent of the Seattle Parks and Recreation is authorized, as provided in SMC Chapters 18.04 and 18.28, to approve the free use of Department facilities by the Associated Recreation Council, recognized recreation advisory councils, and other organizations that are open to the public, that further Department goals and programs, and that apply any proceeds to Park and Recreation services.

In addition to the fees and charges identified herein, the user may be required to pay any additional Department costs resulting from such use, and to pay a reasonable portion of the City's costs for traffic control and police services when the user's event requires them. Cancellation of reservations for Parks and Recreation facilities or services may result in loss of payment or a service charge (see Appendix D). For further information, contact Seattle Parks and Recreation at (206) 684-4075.

Fees contained in this Fee Schedule shall not apply to permits issued pursuant to SMC Chapter 15.35 "Filming."

STAFFING FEES

Rentals are required to have at least one staff in attendance. If additional staff are required due to the nature of the event or the anticipated attendance, a fee of \$39.00 will be multiplied by the number of staff required for the event. Additionally, staff rates increase 1½ times per hour on holidays.

Staffing fees are applicable at:

- Tateuchi Community Room
- Shoseian Tea House
- West Seattle Stadium
- Interbay Stadium
- Lower Woodland #1 Field, when using scoreboard
- Gymnasium rentals
- Boathouse, Bathhouse, Shelterhouse, and Pumphouse Rentals
- Magnuson Park (Event attendants)
- Park Area Ceremonies (Ceremony attendants) – Additional staff fees will be charged when wedding or ceremony is large and/or complex

BOOKING FEES

Booking fees are a requirement when requesting a facility rental. A non-refundable booking fee of \$39 is applicable at:

- General Swimming Pool Rentals
- Swimming Pools – Competitive Sports Rentals
- Community Centers – Hourly Room and Gymnasium Rental Fees
- Camp Long – Meetings rooms
- Bathhouse, Boathouse, Pumphouse, and Shelterhouse Rentals, and Magnuson Park Indoor Rentals
- Any other facility as applicable.

ADMISSION FEES

QUICK CARDS

- **Seattle Parks and Recreation “Quick Cards”**

This reusable card features a barcode and photo of the participant. It allows fast, easy, self-service access to a variety of selected fee-based or free programs (recreational swims, fitness swims, weight room access, teen centers, etc.) at various facilities. This non-refundable, non-transferrable card can be reloaded, renewed, or added with new features/programs as desired or as they become available. There is a \$5.00 replacement fee for lost or stolen cards. For further information, call the Business Service Center at (206) 684-5177.

GOLF COURSES

- **Interbay, Jackson, Jefferson and West Seattle Golf Courses**

The Superintendent of the Seattle Parks and Recreation is authorized to establish all greens fees and all other golf facility or service fees (including, but not limited to, driving range, carts, cars, play cards, lessons, and room rentals) consistent with and subject to the contract entered into with Premier Golf Centers, LLC (Premier), as authorized by separate ordinance. Golf program fees will be prominently posted at all times in each clubhouse. Call the following for further information:

Interbay	(206) 285-2200
Jackson	(206) 363-4747
Jefferson	(206) 762-4513
West Seattle	(206) 935-5187

- **Green Lake Pitch & Putt**

Green Lake Pitch & Putt is operated through a concessions contract. Therefore, fees for participation at this facility are not governed by City Ordinance. You may contact Green Lake Pitch & Putt directly at (206) 632-2280, or the Business Resources Unit of the Seattle Parks and Recreation at (206) 684-8008, to obtain specific information related to this facility.

SEATTLE AQUARIUM

- **Aquarium Fees**

All admissions, services rendered or sales made to the public or otherwise at the Aquarium (including, but not limited to, admission fees, annual memberships, rentals, education program fees, and discounts/other programs) will be established by the Seattle Aquarium Society (“SEAS”), consistent with and subject to City Ordinance 123205 and Article 13 of the Seattle Aquarium Operations and Management Agreement. You may contact the Seattle Aquarium directly at (206) 386-4300 to obtain further information or by visiting their web page at “seattleaquarium.org”.

VOLUNTEER PARK CONSERVATORY

- **Weddings / Photography Permits**

Weddings and special ceremonies may be scheduled (see page 32) and/or Photography Permits (to be used outside of public hours) may be obtained (see page 36) through the Parks Event Scheduling unit by calling (206) 684-4081.

- **Admissions Fee**

\$40.00 to \$500.00	\$40.00 to \$500.00	A variety of Red Cross water safety courses, including Lifeguard Training, First Aid, CPR, Water Safety Instructor and others. Prices and course titles correspond to curriculum requirements and operating expenses to offer these programs. Prices include pool admission and instruction only.

- **Aquatic Facility Rental Fees**

General Swimming Pool Rentals (other than Competitive Sports)

2025	2026	Non-refundable booking fee required for all rentals in addition to hourly rates.
\$200.00	\$200.00	Damage deposit for all rentals where equipment is brought into the facility.
\$34.00	\$34.00	Hourly lifeguard staff costs (per lifeguard), in addition to pool rental fee (staff rates increase 1½ times per hour on holidays)

\$125.00	\$125.00	Indoor pool or half of Rainier Beach Pool (either the lap pool or the leisure pool) rental cost per hour when pool is scheduled to be closed to the public, plus staff costs. <i>Calculation for a per lane rental rate when entire pool is used = dividing the cost per hour by the number of lanes and rounding up to the next whole dollar.</i>
\$70.00	\$70.00	Hourly indoor pool rate for shallow end only in bulkhead pools when deep end is in use. This fee applies to Madison and Medgar Evers aquatic facilities.
\$420.00	\$420.00	Indoor Pool rental, per hour, when pool is scheduled to be open to the public, plus staff costs
\$190.00	\$190.00	Colman Pool rental, per hour, plus staff costs (exclusive use) Note: Colman Pool is an 8 lane, 50-meter pool with a slide
\$210.00	\$210.00	Mounger Pool or Rainier Beach Pool rental, per hour, plus staff costs (exclusive use, including all pools & slide)

Swimming Pools – Competitive Sports Rentals

2025	2026	<i>(see notes on following page for more information). Non-refundable booking fee required for all rentals in addition to hourly rates.</i>
\$200.00	\$200.00	Damage deposit for all rentals where equipment is brought into the facility.
\$34.00	\$34.00	Hourly lifeguard staff costs (per lifeguard), in addition to pool rental fee (staff rates increase 1½ times per hour on holidays)
\$120.00	\$120.00	Beginning Swim Team for youth – introductory beginning level, per hour for all lanes, offered at a reduced price to encourage use by new youth competitive sports programs. <i>Pricing offered on a quarterly basis at which time swimmers advance to standard rates.^A</i>
\$158.00	\$158.00	Indoor competitive sports rental (between 6am-8pm) cost per hour when pool is scheduled to be closed to the public, plus staff costs. ^{A,B}
\$80.00	\$80.00	Hourly indoor competitive sports (between 6am-8pm) rate for shallow end only in bulkhead pools when deep end is in use, plus staff costs. This fee applies to Madison and Medgar Evers aquatic facilities. ^B
\$144.00	\$144.00	Indoor competitive sports rental (between 8pm-6am) cost per hour when pool is scheduled to be closed to the public, plus staff costs. ^{A,B}
\$70.00	\$70.00	Hourly indoor competitive sports (between 8pm-6am) rate for shallow end only in bulkhead pools when deep end is in use, plus staff costs. This fee applies to Madison and Medgar Evers aquatic facilities. ^B
\$320.00	\$320.00	Indoor pool competitive sports rental or Swim Meet, per hour, when pool is scheduled to be open to the public, plus staff costs. ^B

\$275.00	\$275.00	Colman Pool competitive sports rental, per hour, plus staff costs (exclusive use) Note: Colman Pool is an 8 lane, 50-meter pool with a slide. ^B
----------	----------	--

^A NOTE: Calculation for a “per lane” rental rate when entire pool is used = dividing the cost per hour by the number of lanes and rounding up to the next whole dollar.

^B NOTE: “Competitive sports” rates apply to swim teams, masters, and water polo.

NOTE: Individuals and groups desiring to use swimming pools will be expected to pay the cost of staffing in addition to program rates established. Staff rates increase 1½ times per hour on holidays.

NOTE: Rates also apply to Metro or King County League swim meets for events that do not include a Seattle Public School. Events that include a team from a Seattle Public School are covered under the Joint Use Agreement and are not charged a swim meet fee. Staff fees are additional (staff rates increase 1½ times per hour on holidays).

NOTE: There is an hourly flat-rate charge for competitive meets, with no additional percentage charges for the event (no percentage collected for entry fees and heat sheet sales).

NOTE: Swim meet entry fees and sale of heat sheets are included in base fee for each event.

NOTE: Permit Application Fee as established in **Use Permits** section of Fees and Charges ordinance will apply plus 10% of gross revenue for **all Admissions and Swim Meet Concessions** (food/drink, t-shirts, goggles, etc). Additional insurance and/or permits may be required.

NOTE: Deck or lobby rentals priced as small room under Class C room rentals.

NOTE: Bulkhead pool rentals during public hours are limited to lap pool or shallow pool, not both, unless specific fees are charged.

Timing System Rental

2025	2026	
\$400.00	\$400.00	Minimum 4-hour use
\$100.00	\$100.00	Each additional hour
\$34.00/hr	\$34.00/hr	Additional staff charge for delivery, set up, operation and clean-up (staff rates increase 1½ times per hour on holidays).

Note: The timing system is available for rentals at most Seattle Parks and Recreation swimming pools. Some limitations may apply.

Special Use Fees

2025	2026	
10% of gross sales on Parks property	10% of gross sales on Parks property	If, in the course of the activity/event, charges are levied for admission, sales, concessions, or entry fees, the user will be subject to a minimum charge of 10% of the gross receipts.
\$1.00	\$1.00	Water Slide Use Fee per person for recreation swims over one hour in length; no charge if one hour or less.

\$2.00 - \$50.00	\$2.00 - \$50.00	Supplemental Special Event fee (indoor or outdoor), depending on event, such as open water swim, dive-in movies, jazz night, etc.
\$15.00	\$15.00	Dog Swim Special Event – <i>scheduled immediately prior to preventative maintenance closure. Limited to dogs only in the pool. No charge for spectators.</i>
\$0.25	\$0.25	Coin Operated Locker
\$0.50	\$0.50	Towel use, each
Market Value	Market Value	All merchandise sold at Mounger Pool will be at market value. Merchandise may vary throughout the season. NOTE: While this is a “City fee” at Mounger Pool, this fee is collected by the Associated Recreation Council at all other pools.

Special Provisions

Colman and Mounger Pools

Admission fees to these facilities are charged to all persons entering pool area, even if not swimming (except parents watching children in lesson programs). Use of the pools, decks and picnic areas is part of the overall recreation opportunity; pool capacity is based on use of this area.

• Special Programs

Super Deluxe Birthday Party Package

A complete birthday party package at pools includes one-hour shared use in a section or portion of the pool, a one-hour party immediately following your water time in a designated party space (room, deck, or lobby), lifeguards, one pre-packaged juice, paper products and party goodie bags for each enrolled child. (Food items not included.) NOTE: Booking Fee does not apply to this program when operated during public business hours, and is not for exclusive use nor rental). Maximum party size is 20 children and 20 adults. Adults are included in the party package without charge as spectators and/or as in-water assistants for children who are weak swimmers, under height, or below age requirement. Adult in charge of party is responsible for all clean-up of party areas at the end of the program.

2025	2026	
\$370.00	\$370.00	Minimum package fee – for a party of 10 children
\$15.00	\$15.00	Additional fee – per child

Wading Pool Rental

2025	2026	
\$600.00	\$600.00	Minimum 4 hours of operation (includes 5½ staff hours)
\$75.00	\$75.00	Each additional hour

Wading pool rentals are only available at sites scheduled for summer use. All wading pool operating time under this rental rate is available for public use; no exclusive rental use is allowed.

Aquatic Special Events

NOTE: This category is for special events that result in the cancellation of scheduled programs or closure of a small craft center, swimming beach, or other public program. This fee is in addition to other fees.

2025	2026	
\$350.00	\$350.00	Special events, per day

ATHLETIC FACILITIES

See Appendix C for the Athletics Field Inventory.

• **West Seattle Stadium and Interbay Stadium Usage Fees**

2025	2026	
10% of gross revenues	10% of gross revenues	Admissions/Sales. This includes admissions or donations and excludes entry fees.
\$91.00/hr	\$95.00/hr	Athletic Stadium Games, Meets and Events *
\$69.00/hr	\$72.00/hr	Practice Fee** adult and youth practices
\$19.00/hr	\$20.00/ hr	West Seattle Stadium only – youth fee
\$19.00/hr	\$19.00/ hr	Rental of the West fenced Field Event area for shotput, discus, hammer throw, long jump and javelin only (West Seattle Stadium only); users must also pay staff fee.
\$40.00/hr	\$42.00/hr	Light Fee - this fee is charged for all uses requiring lights.

*Event fees are charged for adult and youth special events, games and meets. West Seattle Stadium fee provides exclusive use of the facility and includes use of equipment, the press box and PA system, ticket booth, locker rooms and grandstands. Interbay Stadium fee provides exclusive use of the facility and includes use of equipment, the press box, locker rooms and grandstands. A staff person is required to be in attendance, and the staff fee must be paid in addition to the use fee. This fee does not include Lights or 10% charge on all admissions/sales.

** Practice Fees provide use of the facility and includes use of equipment, the press box and PA system, ticket booth, locker rooms and grandstands. A staff person is required to be in attendance and the staff fee must be paid in addition to the use fee. This fee does not include lights or the ten percent (10%) charge on all admissions/sales. Facility use may not be exclusive – multiple users’ activities will be organized through the Seattle Parks and Recreation scheduling office.

NOTES for Department Sponsored Activities:

- See following page for synthetic and non-synthetic field fees for practices/games.
- All rentals are a minimum of one hour.
- Additional staff may be required due to nature of event and anticipated attendance.
- A damage deposit may be charged depending on nature of event and anticipated attendance.

• **Adult Sports Fees**

2025	2026	
\$91.00	\$95.00	Adult Outdoor Use, per hour – synthetic field
\$69.00	\$72.00	Adult Outdoor Use, per hour – non-synthetic field
\$40.00	\$42.00	Outdoor Field Lighting Fee, per hour

- **Youth Sports Fees**

2025	2026	
\$24.00	\$31.00	Youth Outdoor Use, per hour – synthetic field
\$15.00	\$20.00	Youth Outdoor Use, per hour – non-synthetic field
\$91.00	\$95.00	Private School Outdoor Use, per hour – synthetic field
\$69.00	\$72.00	Private School Outdoor Use, per hour – non-synthetic field
\$91.00	\$95.00	Outdoor youth Sports Camps, per hour – all field surfaces
\$40.00	\$42.00	Outdoor Field Lighting Fee, per hour

- **Sports Organizations’ Use Permits**

Sports organizations’ events, such as jamborees and tournaments, shall be subject to regular Use Permit charges. *See permit fee details on pages 31-33.*

- **Seattle Parks and Recreation Outdoor Tennis Courts**

Where a participant entry fee for tournaments or a fee for lessons is charged, 10% of gross receipts are to be paid to the Department in addition to the charges noted below. All persons who instruct tennis for a fee on Department courts must schedule according to court availability with the Scheduling Office, obtain the appropriate permit and pay the required fees. They must also successfully complete the Department’s Tennis Instructor’s Certification program and show proof of certification before a permit will be issued.

Meeting room and gymnasium space is available only during times Department and Advisory Council programs are not scheduled. Uses are determined by classification A or C as defined below:

Class A Use: Non-Commercial Use, for the general public, scheduled during operating hours. No admission fee, vendor fee and/or donation is requested or received.

Class A use is reserved for advertised, non-commercial, public events/meetings that are for the general public and are scheduled during hours of operation. (If scheduled outside normal facility operating hours, see Class C use.)

Class C Use: All other rentals and Class A rentals scheduled outside of regular operating hours

NOTE: *An event will be considered advertised if it has been announced in the local paper, through mass mailing, radio or social media announcements, posters throughout the community, posted in or distributed through the community center*

• Hourly Room and Gymnasium Rental Fees

NOTE: A non-refundable booking fee per site is required for ALL rentals in addition to the hourly rates. An additional charge is required for staff and the use of certain types of equipment, subject to availability at the facility. (See page 19 for definitions of “Class A” & “Class C”)

¹To facilitate cost recovery for Mt Baker space rentals, the “Standard” fee includes an additional \$135/hour surcharge and the “Discount” fee includes an additional \$85/hour surcharge assessed by the Mt Baker Boating Advisory Council who funded the construction project and equipment purchases.

- **Add'l Fees for Bathhouse, Boathouse, Pumphouse & Shelterhouse**

2025	2026	
\$75.00	\$78.00	Alcohol fee (insurance also required)
\$25.00 - \$250.00	\$25.00 - \$250.00	A non-refundable per hour maintenance fee may be charged and collected prior to the event as determined based upon event size, number of participants and anticipated labor required for maintenance and cleaning for the activity.
\$500.00	\$500.00	Damage deposit with alcohol at event
\$250.00	\$250.00	Damage deposit without alcohol at event

• Warren G. Magnuson Park

Note: Magnuson Park artist studios are available via License Agreement with Seattle Parks and Recreation. The rental rate for these studios at the time of signing a License Agreement will not exceed 75% of market rate for these spaces. Market rates are determined via a consultant study commissioned by SPR. The intent behind this pricing guideline is to preserve the presence of the arts in Magnuson Park as the value of Seattle property continues to rise. A non-refundable Booking Fee applies for indoor rentals.

Application Fees

2025	2026	
\$75.00	\$78.00	Application Fee, non-refundable for Use Permit Fee

- **Washington Park Arboretum (Graham Visitor's Center)**

All fees are collected by the Arboretum Foundation. Please refer to the Arboretum's website for the current fee schedule. <https://botanicgardens.uw.edu/washington-park-arboretum/visit/venue-rental/>

MOORAGE, DOCKING, AND BOAT RAMP FEES

MOORAGE FEES

- **Leschi and Lakewood Marinas**

Moorage fees and all other marina facility or service fees will be established by a business vendor through the bidding process as authorized by separate ordinance. Moorage hours will be prominently posted at all times at each marina entrance. Contact the following for fees or any other information regarding Marinas:

Leschi Marina or Lakewood Marina: (206) 708-4619

DOCKING FEE (includes various Parks Department docks)

2025	2026	
\$75/day	\$75/day	Load/unload; short term moorage slip use + Application/Use Permit Fee
\$75.00	\$75.00	Application/Use Permit fee

Note: For Lake Union docking fee information, please contact the Center for Wooden Boats at (206) 382-2628.

BOAT RAMPS

2025	2026	
\$12.00	\$12.00	Daily Permit fee – consecutive daily permits may be purchased to allow for overnight parking (not to exceed 4 nights).
\$150.00	\$150.00	Annual Permit fee – overnight parking privileges not to exceed four consecutive nights.
\$75.00	\$75.00	Annual Permit fee (low income rate) – overnight parking privileges not to exceed four consecutive nights.

LAKE UNION PARK HISTORIC SHIPS WHARF

- **Center for Wooden Boats Fees**

Temporary use by vessels of the wharf and north seawall at Lake Union Park is managed by the Center for Wooden Boats under contract with Seattle Parks and Recreation. Fees are established by the Center for Wooden Boats consistent with and subject to the contract between Center for Wooden Boats and Seattle Parks and Recreation. For information, call 206-382-2628.

PARTICIPATION FEES

RECREATION PARTICIPATION FEES

As a service to the public, the Seattle Parks and Recreation may contract with Advisory Councils, or the Associated Recreation Council to collect fee payments. The contract shall require the Advisory Council or Associated Recreation Council to remit the participation fee to the City.

- **Community Center and Outdoor Recreation Class Fee**

2025	2026	
4.0%	4.0%	Percent of fee for all Advisory Council sponsored classes, programs, and sessions at community centers and for outdoor recreation programs.

- **Lifelong Recreation Program Participation Fees**

NOTE: These fees only apply to programs offered through the Department's Senior Adult Section. Senior adult fees for participation in other programs are listed elsewhere in this Fees and Charges Schedule. Where there is no senior adult fee listed for the activity, the adult fee will apply.

2025	2026	
4.0%	4.0%	Percent of Senior Adult Advisory Council class fee paid by registrants for all advisory council sponsored classes, programs and field trips.

- **Small Craft Center Class Participation Fees**

2025	2026	
17.5%	17.5%	Rowing Advisory Council fee (paid in quarterly installments)
18%	18%	Seattle Canoe Club (paid in quarterly installments)
12%	12%	Mt Baker Boating Advisory Council (paid in quarterly installments)

RESERVATIONS

• Park Area Ceremony Fee

NOTE: Areas are available in many parks for various special ceremony uses. See “USE PERMITS – General Provisions” for standard application Park Use Permits.

2025	2026	
\$200.00	\$208.00	Hourly fee, with 3-hour minimum for garden weddings or ceremonies at Kubota Gardens and Parsons Gardens

\$25.00	\$26.00	Reschedule fee (14-day notice required to reschedule)

• Day Camps Booking Fee

2025	2026	
50% discount of Shelter and/or Table fees	50% discount of Shelter and/or Table fees	Discount of “Picnic Reservation Fees” and Camp Long Shelters as found in Fees and Charges, plus \$75 use permit application fee.

PERMITS

USE PERMITS

Use Permits authorize non-department groups to utilize Seattle Parks and Recreation property for special events (i.e., runs, boating, concerts, day camps, community festivals, rallies, commercials, etc.). Additional charges may apply to cover direct cost of special services/requests.

- **General Provisions**

NOTE: Insurance shall be required when the planned event or any structure, activity or feature thereof presents a significant risk of liability or loss for the City, its officers, or for the applicant, due to personal injury or property damage. The insurance requirement shall not apply to events where the sole activity consists of expression protected by the First Amendment and does not involve the use of any structures, vehicles, equipment, apparatus or machinery that creates a significant risk of personal injury or property damage. In addition, an application fee will be collected upon formal written application. This fee is non-refundable, except when the Department denies a request.

2025	2026	
\$50.00	\$52.00	Application fee – First Amendment Events, including political activities.
\$75.00	\$78.00	Standard Application fee – Use Permits (i.e., runs, boating, concerts, day camps, community festivals, rallies, seasonal concession permits, etc.)
\$30.00	\$31.00	Booth fee – As part of a special event, a charge of \$30.00 in 2025 and \$31.00 in 2026 per booth or 10% of gross sales, whichever is greater.
10% of gross sales on Parks property	10% of gross sales on Parks property	<u>For events OPEN to the general public without restriction:</u> Events with booths that pay a participation fee (paid to the event organizer) – pay 10% of Gross Sales from entire event collectively, OR, pay 10% of their vendor participation booth fee, per booth. Example: If booth participation fee is \$500 to sell their items in the event, then \$50 of that gets paid to Parks. Any sales received outside of a booth still pay 10% of sales; Ex: admission/entry fee, food trucks, etc.

The greater of 10% of gross sales on Parks property or \$5,000	The greater of 10% of gross sales on Parks property or \$5,000	<p><u>For events that RESTRICT general public access:</u></p> <p>For events that restrict or limit access to the general public through the use of controlled entry points the percentage of sales fee shall be set at \$5,000.00 per day minimum or 10% of the gross receipts for those items not free, whichever is greater. In these cases, the percentage of sales applies to all admissions, registration fees or tickets, including those not purchased on Parks property collected before during or after the event.</p> <p>This minimum percentage of sales fee will be added to the park use reservation and must be paid in advance with all fees due prior to permitting. When sales generate additional fees, those fees are due within 10 days of the expiration of the permit.</p>
The greater of 10% of gross sales on Parks property or \$10,000	The greater of 10% of gross sales on Parks property or \$10,000	<p><u>For events that EXCLUDE general public access:</u></p> <p>For events that exclude the general public because the event is private in nature and restricted to a specific group or invited attendees, the percentage of sales fee shall be set at \$10,000.00 per day minimum or 10%, whichever is greater. In these cases, the percentage of sales fee applies to all admissions, registration fees or tickets, including those not purchased on Parks property collected before during or after the event. These fees apply to all days of event set up, event execution and event break down while the event area is restricted to the general public.</p> <p>This minimum will be added to the park use reservation and must be paid in advance with all fees due prior to permitting. When sales generate additional fees, those fees are due within 10 days of the expiration of the permit.</p>
\$25.00	\$26.00	Load/Unload fee, per vehicle – for short-term access into non-parking areas or those areas accessed through a locked gate or bollard.
\$120.00	\$125.00	Utility hook-up fee – for Electrical & Water hook-up performed by Department personnel.
\$75.00	\$78.00	Alcohol use permit fee
\$75.00	\$78.00	Supplemental Late Application Fee – for requests submitted less than 6 working days before event. (Fee does not apply to First Amendment events)
\$100.00	\$104.00	Per surface (advertising banner, canopy/tent wall, sign, vehicle surface, inflatables, other) per day – for posting signage (including signage that contains both commercial and non-commercial elements) in a park in conjunction with a park use permit.
\$20.00	\$21.00	*Hourly use fee for Triangles, Circles, Squares, Pocket parks, Boulevards, and the Burke Gilman Trail
\$35.00	\$37.00	*Hourly use fee for Downtown & Neighborhood parks
\$55.00	\$57.00	*Hourly use fee for Community, Natural, Special Use and Recreation Area parks

\$65.00	\$68.00	*Hourly use fee for Community, Natural, Special Use and Recreation Area parks (<i>Magnuson Park only</i>)
\$295.00	\$307.00	**Parking area use fee – 25 or fewer spaces blocked per day
\$350.00	\$364.00	**Parking area use fee – 26-50 spaces blocked per day
\$700.00	\$728.00	**Parking area use fee – 51 or more spaces blocked per day

* Hourly use fee for Park Use Permits for all events except those constitutionally protected or those events covered under separate agreement. Contact Event Management office at 206-684-4080 Ext. 3 for further information.

** Parking area use fees apply to designated parking areas in some parks that the Parks Department deems necessary to reserve for events.

• Permits and Agreements for Activity Permits

In order to provide positive activation to parks, needed amenities for park users and services that enhance the park experience or provide applicable opportunities that the Department does not provide, agreements and permits are periodically issued to interested parties and organizations and small businesses. Permits are mandatory for doing business in a park. NOTE: Rating criteria emphasis is put on WMBE businesses and those businesses are encouraged to register in the City's WMBE database. Activities must align with the Department mission and goals. Activity (Fitness and Nature Education) opportunities are advertised on the Department website year-round.

2025	2026	<i>All fees are payable in advance at the time the permit is purchased.</i>
\$75.00	\$75.00	Permit Administrative fee – Activities (Fitness & Education classes) operating less than ten (10) hours per week with fewer than 35 participants at any time.
\$75.00	\$75.00	Monthly (per park) Permit fee – Activities (Fitness or Education) operating, but not vending in the Parks with fewer than 35 participants and less than ten (10) hours per week operating in a park.

• Use of Park Facilities for Filming/Photography

NOTE: Regular permit fees apply to below charges, including late permit fee.

Commercial filming and photography for advertising within the City of Seattle is covered under the Seattle Filming Ordinance. All of the information that you need about filming in Seattle can be found in the Seattle Film Manual, located online at <http://www.seattle.gov/filmandmusic/film/film-permits>

2025	2026	
\$30.00	\$32.00	Per 4-hour block of time, per park, for commercial filming/photography (wedding photos, graduation photos, etc.). NOTE: Fees for Garden Sites may be higher, depending upon time of year and/or days requested.

• First Amendment Vending

Persons may apply for a permit to vend merchandise that is inherently expressive or in which a political, religious, philosophical or ideological message is inextricably intertwined. Such "First Amendment Vending" is governed by regulations adopted by the Seattle Parks and Recreation.

When conducted on a park drive or boulevard, First Amendment Vending is subject to a base permit fee of seventy-five dollars (\$75.00) in 2025 and seventy-eight dollars (\$78.00) in 2026 for a monthly site permit. When conducted within a park, First Amendment Vending is subject to a monthly base permit fee of seventy-five dollars (\$75.00). Questions concerning the First Amendment Vending Regulations may be directed to the Parks Concessions Coordinator at 206-233-0063.

- **Construction Plan Review**

The Seattle Parks and Recreation (SPR) charges a fee of \$128 per hour in 2025 and \$133 per hour in 2026 for our cost of construction plan reviews, including review of development plans from both private and public entities that affect park property. This SPR fee is in addition to the fee currently charged by the Department of Planning and Development (DPD), excluding Public Works projects which are requested for review outside the DPD review process. The DPD fee includes elements to reimburse DPD, Seattle Public Utilities (SPU), the Department of Health, and Seattle Department of Transportation (SDOT), for the plan review work done by their staff. For further information, please contact the Parks Planning & Development section at 206-684-4860.

PERMITS FOR NON-PARK USES of PARK PROPERTY (Revocable Use Permits or RUPs)

• General Provisions & Fees

Revocable Permits to Use or Occupy Park Property, commonly called Revocable Use Permits, are issued by the Superintendent of Parks and Recreation, under authority of Seattle Municipal Code (SMC) 18.12.042, 18.12.045, and 18.12.275, for various short-term or on-going (i.e., Limited Term or Continuing Use, respectively) **non-park uses** of public land under the control of the Seattle Parks and Recreation. **Permits are revocable upon thirty (30) days' notice** or immediately upon failure of the Permittee to comply with the terms and conditions of the Permit. **Unauthorized use of park property**, including failure to apply for and obtain a Revocable Use Permit, **is unlawful and subject to enforcement** actions or other remedies as specified in SMC 18.30 or other applicable law.

In accordance with the Policy on Non-Park Uses of Park Lands, as endorsed by City Council Resolution 29475, it is the policy of the Seattle Parks and Recreation to **limit authorized non-park uses of park land to the fullest extent practicable**. Fees and conditions set for Revocable Use Permits **are intended to discourage private, non-park uses of park lands**; encourage the elimination of encroachments; and promote private and public cooperation in maintenance of park lands in a manner consistent with a public park-like character.

Consideration of any permit application requires payment of an Application Fee, unless City action to a public right-of-way resulted in inaccessibility from other than park property. The **Application Fee is non-refundable**. Issuance of a permit requires payment of a Permit Fee which is:

- a **fixed daily fee** (i.e., **Limited Term permit fee**); and/or
- calculated in accordance with a **formula (Continuing Use permit fee)**; or
- a **minimum** permit fee.

Application Fees and Permit Fees are set periodically by ordinance. Under exceptional circumstances, the Superintendent of Parks and Recreation may waive or reduce the Revocable Use Permit Fee, in accordance with criteria established by SMC 18.28.030 or SMC 18.28.040. Creek restoration projects proposed by other City departments are specifically exempted from permit fees of any kind as the City recognizes these projects as valuable enhancements to its parks and recreation assets. In determining whether the Permit Fee should be **waived or reduced**, the Superintendent shall be guided by:

- The benefit to the public and the direct benefit to the park system;
- The frequency and/or amount of usage requested;
- The effect on and fairness to other park users;
- Consistency with policies underlying the fee schedule and SMC Chapter 18; and
- The consequences of denying the request.

The Superintendent may authorize the **acceptance of permanent physical improvements**, such as constructed improvements or landscaping, as compensation in lieu of the Permit Fee in those circumstances where the proposed in lieu compensation can be shown to be equal to, or greater, in value than the calculated or set amount of the Permit Fee, provided that the Superintendent shall not

accept such in lieu compensation where the improvement is inconsistent with the City's health, safety or aesthetic standards, the mission or policy of the Parks Department, or conveys any message that is not adopted by the City.

Waiver or reduction of the Permit Fee **does not necessarily waive or reduce other fees, charges, requirements, or obligations** in connection with issuance of a Revocable Use Permit including Application Fee, Inspection Fee, processing charges, insurance or indemnity requirements, or restoration requirements.

Limited Term Permit Fee

Limited Term permits may be issued for necessary uses of park property for brief periods of time, generally expected to be **limited to ninety (90) days or less**; however, Limited Term permits may be issued for uses expected to continue beyond ninety (90) days. **Examples of activities** for which Limited Term permits may be issued include removal of encroachments, installation of landscaping consistent with Department guidelines, utility installations, and temporary access.

The Limited Term permit fee will be **charged at a daily rate from the date the permit is issued or the date the use or occupancy of park property began, whichever is earlier**, until the activity is completed and all conditions of the permit, including restoration of any damage to park land, have been satisfied. If seasonal factors, such as planting conditions or construction prohibitions, warrant a delay between the time the use or occupancy of park property is completed and the time the restoration is completed, no Permit Fee shall be charged for the interim period, unless the park land is unavailable for the use or enjoyment of the public.

If a Revocable Use Permit is issued for a use of park land that is expected to continue for a limited period of time, such as a Limited Term permit, but for a **period exceeding ninety (90) days**, the fee shall be the daily rate set for Limited Term permits for the first ninety (90) days; the fee for the period exceeding ninety (90) days shall be calculated in accordance with the Continuing Use permit fee.

Under no circumstances shall a Limited Term permit fee be converted to a lesser fee due to extension of the anticipated completion date of the permitted activity. If upon inspection it is determined that the permit conditions have not been satisfied, charges for additional daily fees at the same rate shall accrue until conditions have been satisfied.

Continuing Use Permit Fee

Continuing Use permit fees shall be charged for **uses expected to continue for an extended period of time, generally beyond ninety (90) days (e.g., encroachments or other non-park uses that will not be corrected or eliminated within a ninety (90) day period)**. Continuing Use permit fees shall be calculated using a **formula** based on land **Value**, **Area** of use, a **Barrier** factor, and a **Rate** of return (**V x A x B x R**).

The **Value** of the park land used shall be determined by calculating the average of the **assessed value** per square foot of the benefited property and the assessed values per square foot of **comparable** (i.e., similarly zoned, having similar amenities such as waterfront or view), nearby (within a distance not to exceed 1,000 feet) **non-park properties**.

The **Area** shall be the total of the square footage of park land actually used or occupied for non-park purposes and/or the square footage of park land that is subject to a barrier to public use and/or enjoyment.

The **Barrier Factor** is a multiplier of 1 or less than 1, representing the extent of barrier to public use and enjoyment, as set by the following scale. If two or more Barrier Factors may apply, the greater factor shall apply.

Factor: **1.00** Full use and/or occupancy of area, preventing public use or occupancy of the area (e.g., a private structure); or creation of a physical barrier denying public use or access to the area (e.g., a fence or hedge);

.70 Creation of a perceptual barrier by improvements or actions that capture the public space for private use (e.g., paving, shrubbery, other plantings);

.35 Private landscaping or other improvements on park land that violate, exceed, or are inconsistent with established design guidelines or reasonable standards intended to preserve the public park-like character of park lands (e.g., private access drive or walkway in excess of standard; private lighting or safety railings that exceed a security function).

The **Rate** of return (i.e., land capitalization rate) is set at 10%.

Continuing Use permit fees for permit **periods of less than twelve (12) months are payable in full prior to permit issuance**. Continuing use permit fees for permit periods anticipated to continue for twelve (12) months or more may be pro-rated and annualized and payable in advance for such annualized date as the Department shall establish. If the permit period is shorter than anticipated, the permit fees paid in advance shall be prorated for the time used and over-payment shall be refunded, except in the case of revocation due to Permittee's failure to comply with the terms and conditions of the permit, in which case no refund shall be given. **Permits for utility installations, such as electrical, natural gas, or telephone service, shall be charged as Limited Term permits**, based on the permit period necessary for installation.

There is no Permit Fee charged for Limited Term permits of ninety (90) days or less issued expressly to allow the removal or elimination of an encroachment onto park land.

There is no Permit Fee charged for certain non-park uses of park land which may be allowable by property right, such as driveway access from the roadway portion of a park boulevard if access is not available from any other right-of-way, or pedestrian walkway from a public sidewalk to the abutting private property, if such uses comply with established design guidelines or reasonable standards intended to preserve the public park-like character of park lands.

Revocable Use Permit FEE SCHEDULE

2025	2026	
\$200	\$200	Application Fee (non-refundable; includes one (1) on-site inspection and two (2) hours of staff time for reviewing and processing application)
\$200	\$200	Inspection and/or Monitoring, per hour (Application fee includes one on-site inspection. Additional on-site charges at \$200.00 per hour may be assessed, for on-site inspections and/or monitoring, if specified in the Permit or if necessary in the Department's judgment, due to Applicant's or Permittee's action(s), or failure to comply with the terms and conditions of the permit.)
\$250	\$250	Limited Term Permit, per day, OR \$325.00 minimum, whichever is greater
Formula	Formula	Continuing Use Permit, determined by formula ($V \times A \times B \times R$) OR \$650.00 minimum, whichever is greater
\$130	\$130	Processing Charges, per hour (costs of staff time in excess of two (2) hours to review and process permit applications; payable prior to permit issuance.)

PROMOTIONAL & MARKETING FEE WAIVERS & REDUCTIONS

The Superintendent of the Seattle Parks and Recreation is authorized, as provided in SMC 18.28.020, to waive or reduce entry or use fees from those contained in an approved fee schedule in conjunction with the promotion and marketing of Park and Recreation programs.

EXAMPLES OF FEE WAIVERS & REDUCTIONS

Authorized activities include, but are not limited to, the following arrangements:

1. **Sponsored days:** A sponsored day or activity for which a sponsor pays the Department a fixed fee, a matching amount, or supplies advertising, service, or other benefit. In exchange, the Department provides free public entry use of the facility, or free or reduced entry for a certain segment of the public (e.g., children under 12, senior citizens, anyone donating clothing or food for a drive for those in need); for a special group of the public (e.g., participants in a community parade); or to the first entrants up to a specified number.
2. **Bonus and prizes:** The Department may distribute to users or entrants an item supplied by the sponsor (e.g., a button, a balloon, literature, an item of apparel, or a donated prize for an achievement).
3. **Combination tickets:** The Superintendent may issue a combination ticket for use of multiple City facilities or participation in multiple City events. A combination ticket may also take the form of a reciprocal discount or credit. For example, presentation of a ticket stub or coupon from an aquarium in another city may entitle the holder to a credit on admission to the Seattle Aquarium when a receipt for paid entry to Seattle's Aquarium entitles the holder to like privileges in the facility of the other city. In those cases, where a combination ticket is authorized, combining multiple events and facilities:
 - o The combined ticket price may be less than the amount that would be paid for each entry or event singly;
 - o The combined ticket shall expire within a time period after the ticket's sale or first usage, with said period to be determined by the Superintendent of the Seattle Parks and Recreation or his or her designee; and
 - o The City and any other participant organizations shall apportion the revenue from the combined sale by a ratio or formula.
4. **Discount Coupons:** A coupon allowing two people to enter for the price of one person, or the coupon holder to enter at a reduced rate. Coupons may be offered through a sponsor who makes a payment to the City or who provides special advertising in return. For example, the coupon may accompany an advertisement in a widely distributed publication for tourists, which contains similar coupons for other attractions. The Department may also use coupons as a way of reaching out to a group or segment of the citizenry, who would not attend or use the facility at the established fee.

5. **Prepaid Passes:** During special hours or otherwise, admission may be sold to a tour company, the organizer of a convention, or an association at an aggregate fee for all members and the participants may be granted entry, either as a group or individually, at the hours or on the days authorized by presenting a ticket or other indication of pre-payment.
6. **Departmental Free or Half-Price Days:** “Senior citizens’ days” may be offered during which time people over a minimum age are admitted free; a free day may be provided for the public to see and enjoy an exhibit financed through a bond issue or by a public fund-raising drive; on a “Kids’ Day” or “Neighborhood Day,” admission may be free for children and low income adults; a free golf lesson day for kids may be provided; or free swimming day at our pools may be provided.
7. **Promotional Purposes:** The Department may offer extended evening hours or special discounts during specific periods in the year to encourage high attendance at our park facilities. Some examples include, but are not limited to, the following:
 - (a) Extended Aquarium hours and special discounts during the summer.
 - (b) Extended special discount for swimming fees during the summer.

APPENDIX D – Parks Department Refund Policy

Department Policy & Procedure

Subject: Refund Policy (for community centers, swimming pools, small craft centers and other recreational providers)		Number 060-P 7.16
		Effective 1/9/2013
		Supersedes 3/15/2001
Approved: A <u>current</u> , approved, signed copy of this policy can be found on the Seattle Parks web site, located at: http://www.seattle.gov/parks/reservations/feesandcharges/refunds.htm	Department: Parks and Recreation & The Associated Recreation Council	Page 1 of 3

SUMMARY

For community centers, swimming pools, small craft centers, outdoor spaces, sports fields and other recreation providers, it is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- *A full refund will be issued for any program, activity, or reservation that is cancelled for any reason by the Department or the Associated Recreation Council.*
- *Any person who registers for a PROGRAM and who requests a refund before the second class session may receive a prorated refund minus a service charge.*
- *Any person who registers for an ACTIVITY and who requests a refund 14 days or more before its start, may receive a refund minus a service charge.*
- *Any person who schedules a STANDARD RENTAL of a recreation facility and who cancels at least 15 days in advance is entitled to a partial refund.*
- *Any person who schedules a rental of a SPECIAL AMENITY FACILITY and who cancels at least 90 days in advance is entitled to a partial refund.*
- *Any person who reserves a SPORTS FIELD must provide 14 days advance notice of cancellation to be entitled to a full refund.*
- *ADULT SPORTS LEAGUES may receive a partial refund if the cancellation notice is received prior to the league starting and if a replacement team is found.*

Portions of this summary will be included in printed materials where applicable with reference to encourage customers to read the entire policy for specific information. This policy is Appendix D to the adopted Fees and Charges Ordinance for Seattle Parks and Recreation.

1.0 DEFINITIONS:

“Activity” is the term applied to a day camp, school-age or preschool care, trip, overnight camp or special event operated by Seattle Parks and Recreation or Associated Recreation Council or other authorized providers.

“Booking Fee” is an established fee found in the adopted Fees and Charges Ordinance for Seattle Parks and Recreation as a requirement when requesting a facility rental.

D APPENDIX

“ARC” is the Associated Recreation Council operating programs at Seattle Parks and Recreation facilities under a Master Use Agreement with the City of Seattle.

“Cancellation” is a case in which the Department does not operate a program as originally planned and/or scheduled and results in a refund to the customer without a service charge applied.

“Damage Deposit” is an established fee found in the adopted Fees and Charges Ordinance for Seattle Parks and Recreation usually required as a deposit for facility rentals.

“Fees and Charges” are City fees adopted by City Council as a City of Seattle Ordinance establishing fees and charges for Seattle Parks and Recreation.

“Program” is the term for a series of classes which may include swimming instruction, youth sports, ARC recreation classes or other similar recreation class series.

“Refund” is the direct payment of money or a credit to a customer account. If payment was made by cash or check, a refund will be processed through the Accounting office and may take approximately three weeks. If payment is made through credit card, the refund will be processed within 48 hours of the request.

“Transfer” is the process of withdrawing from one program and enrolling in a different program.

2.0 PROGRAM

2.1 CANCELLATION: It is the policy of Seattle Parks and Recreation and Associated Recreation Council to make a full refund to participants who register for a class, camp, special event or program that is canceled by the Department or Advisory Council for any reason.

2.2 CANCELLATION OF ONE SESSION: In the event of an unplanned cancellation of a single session of a program, that class will be rescheduled whenever possible. If it cannot be rescheduled, the participant will receive a refund.

2.3 DROPPING A PROGRAM BEFORE SECOND SESSION: A participant may be issued a refund if he/she withdraws from a program, and notifies the program coordinator, prior to the second class session. The facility will retain the pro-rated class fee plus a service charge of \$5.00 or 10% of the fee, whichever is greater.

2.4 DROPPING A PROGRAM AFTER SECOND SESSION: If a participant withdraws from a program after the second session of a series, no refund will be given.

3.0 ACTIVITY

3.1 BEFORE, AFTERSCHOOL, AND PRESCHOOL CHILD CARE PROGRAMS: A participant may be issued a refund, less the deposit amount for the activity, if he/she withdraws from a before and/or after school, or preschool child care program if he/she notifies the program coordinator at least fourteen (14) days prior to the beginning date of the program. No refunds will be made for requests received less than fourteen (14) days prior to the beginning of the program. For School Aged Care and preschool program days canceled by the Department due to weather related circumstances, NO credit/refund will be issued for the first two canceled days over the course of the school year. A credit will be issued for the 3rd or additional canceled days.

3.2 DAY CAMPS, OVERNIGHT CAMPS, TRIPS AND EVENTS REFUND: A participant may be issued a refund, less the deposit amount, if he/she withdraws from a youth or teen camp, an overnight camp, trip or event, and notifies the program coordinator at least fourteen (14) days prior to the beginning date of the camp. No refunds will be made for

D APPENDIX

requests received within fourteen (14) days prior to the beginning of the camp. No refunds will be made for food, supplies, or materials fees.

4.0 STANDARD RENTAL

- 4.1 FACILITY RENTALS: Standard Recreation Facility Rental to include Community Centers, Pools, Environmental Learning Centers.
- 4.2 A renter may be issued a refund for a cancelled rental, minus the application booking fee and a cancellation service charge using the following timetable:

31+ days notice of cancellation	Booking Fee, plus \$50 fee is retained by Dept
15-30 days notice of cancellation	Booking Fee, plus 50% of the rental fee is retained by Dept. Damage deposit is refunded.
14 days or less notice of cancellation	No refund given

5.0 SPECIAL AMENITY FACILITIES

- 5.1 FACILITY RENTALS: Special Amenity Facilities include Alki Bathhouse, Golden Gardens Bathhouse, Mount Baker Rowing and Sailing Center, Dakota Place Park Building, Pritchard Bathhouse, Ward Springs Pumphouse, Cal Anderson Shelterhouse and other identified facilities.
- 5.2 A renter may be issued a refund for a cancelled rental, minus the application booking fee and a cancellation service charge using the following timetable:

181+ days notice of cancellation	Booking Fee, plus \$50 fee is retained by Dept
180-91 days notice of cancellation	Booking Fee, plus Damage Deposit is retained by Dept
90 days or less notice of cancellation	No refund given

6.0 SPORTS FIELDS

- 6.1 Field cancellations must be made at least 14 days in advance of usage to get a full refund or credit.
- 6.2 If the Department closes a field for any reason, or if lights do not operate as expected, or if there is a conflict in the scheduled use of a field, a full refund or credit for the missed use will be provided.

7.0 ADULT SPORTS LEAGUES

If a team drops from league play after the deposit is paid and before the final payment is due, a refund will be issued only if a team is found to take the place of the team that wishes to drop from league play. Parks will retain a service charge of the greater of the deposit or 10% of the league fee. No refunds will be issued after the final payment is made and/or final schedules are drawn.

8.0 MERCHANDISE AND FOOD

We are unable to issue refunds for clothing, personal items, supplies or food items, unless there is a product defect. Exchanges may be made for defective products.

D APPENDIX

9.0 EXCEPTIONS

No refund is available for some designated programs, activities or services, which may include deposits for registration, regattas, rentals, outdoor events, ceremonies or picnics. Information on any specific exception is available from Parks and Recreation staff prior to payment or purchase.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle Parks and Recreation	Amy Williams	Alex Rouse

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to Seattle Parks and Recreation; establishing the 2025-2026 fee schedule for the use of park properties and other park and recreation facilities and services; and superseding previous park and recreation fee schedules.

Summary and Background of the Legislation: Seattle Parks & Recreation (SPR) charges programming and usage fees to provide financial support for SPR programs, facilities, and park grounds. The 2025-2026 SPR Fee Schedule transmitted by this legislation includes administrative changes to certain sections of the fee schedule as well as fee increases summarized below and attached to this Summary and Fiscal Note. SPR is increasing fees to help offset estimated ongoing salary increases to the Park Fund associated with the Collective Bargaining Agreements passed by City Council wage increases over the biennium.

- Removes 2024 fees and added 2025 and 2026 fees and associated changes in all applicable sections.
- Includes various administrative changes (spacing, spelling, updating page numbers, removing obsolete fees, etc.)
- Consolidates booking and staffing fee at beginning of document in standalone paragraph and increases the rates to align with wage increases.
- Increases or adds new fees across the below lines of business to help address estimated wage increases in the Park Fund in 2025 and 2026. Note that certain increases have corresponding expenditure increases also described below.
 - **Aquatics:** increases fees for swim lessons, drop-in swimming, and pool rentals. Revenues are expected to generate about \$1.4 million in 2025 and 2026. Note that a portion of the revenues generated by the fee increases (\$75K) is proposed to augment the Swim Safety Equity Fund to support free swim lesson to young people in most need of these services; fund a new premium pay to certified instructors teaching swimming lessons, lifeguard instruction, and water exercise programs (\$300K); and to add a half time senior lifeguard position and a half time assistant coordinator position to support operations for revenue generation (\$50K).
 - **Athletics:** increases athletic fees for adults and youth. Revenues are expected to increase by approximately \$423K in 2025 (fee increases start July 1, 2025) and \$1.3 million in 2026. A portion of the revenues is proposed to offset required but unbudgeted banking fee expenses associated with revenue collection (\$107K).
 - **Amy Yee Tennis Center (AYTC):** increases tennis fees for adult, youth and court rentals. Revenues are expected to increase by \$363K in 2025 and \$480K in 2026 with 3% of this revenue proposed to be set aside for a new AYTC-specific scholarship fund (\$11K).

- **Event Scheduling:** increases fees for five premium picnic shelters, utility hook up fee for events, parking, park use fees, special amenity rental facilities, Magnuson Hanger fees, and an additional 4% to most Special Event fees. The proposal also creates new weekend rates for table rentals and delineates shelterhouse rental by facility. Revenues are expected to increase by approximately \$315K in 2025 (assumption 35% of fees already booked for 2025) and \$566K in 2026. A portion of the revenues is proposed to offset required but unbudgeted banking fee expenses associated with revenue collection (\$76K).
- **Community Centers:** increases in rental fees for community center rooms, kitchens, and gyms which are estimated to generate approximately \$130K in 2025 and \$135K 2026.
- **Park Use Permits:** increases revocable use fees SPR charges to third parties for short term or ongoing non-park use. The estimated impact of the fee increases and an increased emphasis in ensuring compliance with SPR property management permit requirements is approximately \$675K in 2025 and \$560K in 2026. A portion of the revenues (\$260K) is proposed to offset the cost of additional administrative support, including increasing an existing property agent to full-time.

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☒ Yes ☐ No

Revenue Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.
General Fund	-	-	-	-	-
Revenue Change (\$);	2025 est.	2026 est.	2027 est.	2028 est.	2029 est.
Other Funds	\$3,315,353	\$4,586,963	\$4,586,963	\$4,586,963	\$4,586,963

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

Appropriations Notes:

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2025 Estimated Revenue	2026 Estimated Revenue
Park Fund/10200	SPR	Fees and Charges	\$44,201,390	\$45,473,000
TOTAL			\$44,201,390	\$45,473,000

Revenue/Reimbursement Notes: The table above reflects the base revenues of \$40.9 million in both 2025 and 2026, and the increase in revenues as a result of this legislation of about \$3.3 million in 2025 and \$4.6 million in 2026.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

Position Notes:

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

This legislation does not have any other direct indirect financial impacts.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

The legislation is required to allow the department to collect program and facility fees in order to generate the revenues necessary to support a portion of Park Fund expenses. Without authority to collect this revenue, services would need to be reduced.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

No, this legislation does not directly affect any other department.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

This legislation does not affect a piece of property.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

An approach for all park programs and facilities has been developed that ranges from free (high community value) to varying recoveries of costs (high personal value). Social equity is built into that pricing to ensure that there is access to a range of programs and activities. SPR also prioritizes Park District-funded recreational scholarships that supplement fee pricing across facilities. A portion of the additional revenues from fee increases in Aquatics will also supplement the existing Swim Equity Fund; and a portion of the additional revenues from fee increases at AYTC will supplement recreation scholarships.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. What is the Language Access Plan for any communications to the public?**

SPR works with several vendors or contractors who provide translation services across the department's services and programs. The department prioritizes Language Access efforts and communicates best practices and resources to key staff in the department including program staff who work with the public on fees and registration activities.

d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

This legislation does have impacts on carbon emissions.

- ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

This legislation does have impacts on climate resiliency.

- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

This legislation does not propose a new initiative or major programmatic expansion.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the City Light Department; amending rates, terms, and conditions for the use and sale of electricity supplied by the City Light Department for 2024, 2025, and 2026; and amending Sections 21.49.020, 21.49.030, 21.49.052, 21.49.055, 21.49.057, 21.49.058, 21.49.060, 21.49.065, 21.49.083, 21.49.085, and 21.49.086 of the Seattle Municipal Code.

WHEREAS, the City Light Department's Adopted 2025-2030 Strategic Plan Update establishes the amount of total revenue to be collected from customers through rates for 2025 and 2026, which translates to average rate increases of 5.4 percent in both years; and

WHEREAS, the Department has completed a cost of service study that identifies the amount of revenue to be collected from each customer rate class; and

WHEREAS, a report on rate design completed jointly by the Department and the City Light Review Panel, presented to the City Council in 2019 and memorialized in Clerk File 321222, identified near-term priorities to (1) adjust residential block rates to be closer to actual cost and facilitate other rate design concepts, (2) deploy a time-of-use rate option to help manage power demands at peak time and help customers to reduce their costs, and (3) increase basic service charges to reflect the fixed costs associated with serving individual customers; and

WHEREAS, Ordinance 126677 reduced the number of rate schedules for 2023 onward, restructuring rate codes such that customers outside Seattle are served under the same schedule, with changes for franchise differentials, utility taxes, and undergrounding applied based on the jurisdiction in which the customer is located; and

WHEREAS, effective January 1, 2024, the Department implemented a Bonneville Power Administration (BPA) pass-through that increased all per kWh charges by 0.12 cents per kWh without amending the Seattle Municipal Code (SMC), as authorized by SMC 21.49.081; and

WHEREAS, the net wholesale revenue forecast values used for the Rate Stabilization Account mechanism are set at amounts assumed for rates and budget; and

WHEREAS, updates to the Large Solar Program authorized by SMC 21.49.083, now the Large Customer Renewable Generation Program, are needed to reflect growing interest and diversity in large-scale customer-installed generation arrays within the Department’s service territory; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 21.49.020 of the Seattle Municipal Code, last amended by Ordinance 126677, is amended as follows:

21.49.020 Definitions

A. The following terms or abbreviations, as used in this Chapter 21.49, have the following meanings:

* * *

~~((“Peak” means the period Monday through Saturday, 6 a.m. to 10 p.m., excluding major holidays New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day, as recognized by the North American Electric Reliability Corporation.))~~

* * *

~~((“Suburban customer” until January 1, 2023 means any customer that is not a City customer, Burien customer, King County customer, Lake Forest Park customer, Normandy Park customer, SeaTac customer, Shoreline customer, or Tukwila customer. Effective January 1, 2023, “suburban”))~~ “Suburban customer” means any customer receiving service outside Seattle.

* * *

Section 2. Section 21.49.030 of the Seattle Municipal Code, last amended by Ordinance 126677, is

amended as follows:

21.49.030 Residential rates (Schedules RSC, ((RST,)) RSS, ((RSH, RSB, RSE, RSL,)) RTC, and RTS)

A. Schedules RSC ((,RST,)) and RSS ((,RSH, RSB, RSE, and RSL)) are for all separately metered residential services and are the default rate schedules. For all residential rate schedules, summer billing is defined as April 1 through September 30, and winter billing is defined as all other days. For all residential rate schedules, the First Block energy charge shall apply to the first 10 kWh per day for summer billing, and the first 16 kWh per day for winter billing. The End Block energy charge shall be applied to all additional kWh. ((
Effective January 1, 2023, all customers outside Seattle will be placed on Schedule RSS (Suburban) and Schedules RST, RSH, RSB, RSE, and RSL will become inactive.)) Effective January 1, 2025, all kWh will be billed at the same rate. Schedule RSS rates will be adjusted for applicable municipal utility taxes, franchise rate differentials, and undergrounding charges specific to each location.

Schedule RSC (Residential: City Default)

RSC	((Effective January 1, 2022))	((Effective January 1, 2023))	Effective January 1, 2024	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Base Service Charge cents per meter per day	((19.74))	((23.01))	26.23	<u>29.59</u>	<u>39.45</u>
First Block Energy Charge cents per kWh	((10.56))	((11.32))	12.29		
End Block Energy Charge cents per kWh	((13.07))	((13.07))	13.07		
<u>Energy Charge cents per kWh</u>				<u>13.22</u>	<u>13.38</u>

((Schedule RST (Residential: Tukwila)

Effective January 1, 2023, customers on Schedule RST will be converted to Schedule RSS.))

((RST))	((Effective January 1, 2022))
((Base Service Charge cents per meter per day))	((21.19))
((First Block Energy Charge cents per kWh))	((10.97))

((End Block Energy Charge cents per kWh))	((13.91))
---	-----------

Schedule RSS (Residential: Suburban Default)

RSS	((Effective January 1, 2022))	((Effective January 1, 2023))	Effective January 1, 2024	Effective January 1, 2025	Effective January 1, 2026
Base Service Charge cents per meter per day	((19.74))	((23.01))	26.23	<u>29.59</u>	<u>39.45</u>
First Block Energy Charge cents per kWh	((10.56))	((11.68))	12.83		
End Block Energy Charge cents per kWh	((13.07))	((13.48))	13.64		
<u>Energy Charge cents per kWh</u>				<u>13.22</u>	<u>13.56</u>

All charges in Schedule RSS shall be increased by the following percentages respective of the location of service:

RSS suburban franchise and tax multipliers	((Effective January 1, 2023))	Effective January 1, 2024	Effective January 1, 2025	Effective January 1, 2026
Burien, King County, SeaTac, Shoreline	((8.00%))	8.00%	<u>8.00%</u>	<u>8.00%</u>
Tukwila	((7.21%))	7.23%	<u>7.04%</u>	<u>7.19%</u>
Lake Forest Park	((8.04%))	8.04%	<u>8.04%</u>	<u>8.04%</u>
Normandy Park	((6.38%))	6.38%	<u>6.38%</u>	<u>6.38%</u>

((The King County multiplier will be 8.00% only if a King County franchise agreement authorizing such a rate differential is approved by both the King County Council and Seattle City Council. Absent an approved franchise agreement, the multiplier shall be 0%-.))

Additional undergrounding charges will apply to all customers in Shoreline and Burien as follows:

Suburban Undergrounding Charges	Effective January 1, 2023	Effective January 1, 2025
Shoreline		

North City Undergrounding Charge cents per kWh	0.07	<u>0.07</u>
Aurora 1 Undergrounding Charge cents per kWh	0.17	<u>0.17</u>
Aurora 2 Undergrounding Charge cents per kWh	0.18	<u>0.18</u>
Aurora 3A Undergrounding Charge cents per kWh	0.05	<u>0.05</u>
Aurora 3B Undergrounding Charge cents per kWh	0.22	<u>0.22</u>
Burien		
First Avenue South 1 Undergrounding Charge cents per kWh	0.37	<u>0.37</u>
First Avenue South 2 Undergrounding Charge cents per kWh	0.13	<u>0.13</u>

~~((Schedule RSH (Residential: Shoreline))~~

Effective January 1, 2023, customers on Schedule RSH will be converted to Schedule RSS.))

((RSH))	((Effective January 1, 2022))
((Base Service Charge cents per meter per day))	((21.32))
((First Block Energy Charge cents per kWh))	((11.04))

((First Block Energy Charge cents per kWh))	((11.04))
((End Block Energy Charge cents per kWh))	((13.99))
((First Avenue South 1 Undergrounding Charge cents per kWh))	((0.37))
((First Avenue South 2 Undergrounding Charge cents per kWh))	((0.13))

~~((Schedule RSE (Residential: SeaTac))~~

Effective January 1, 2023, customers on Schedule RSE will be converted to Schedule RSS.))

((RSE))	((Effective January 1, 2022))
((Base Service Charge cents per meter per day))	((21.32))
((First Block Energy Charge cents per kWh))	((11.04))
((End Block Energy Charge cents per kWh))	((13.99))

~~((Schedule RSL (Residential: Lake Forest Park)~~

Effective January 1, 2023, customers on Schedule RSL will be converted to Schedule RSS.))

((RSL))	((Effective January 1, 2022))
((Base Service Charge cents per meter per day))	((21.33))
((First Block Energy Charge cents per kWh))	((11.04))
((End Block Energy Charge cents per kWh))	((14.00))

B. Time-of-~~((Day))~~ Use rates (Schedules RTC and RTS) are optional rate schedules available to customers who have a fully functioning advanced meter. ~~((and are not enrolled in the net metering program.))~~ Time-of-Use rates will be available to customers enrolled in the net metering program once necessary updates to the billing system are completed, as determined by the Department. Customers may return to their default rate schedule but will not be able re-enroll in Schedule RTC or RTS until 12 months from the time of unenrollment. The same franchise and tax multipliers and suburban undergrounding charges apply to Schedule RTS as Schedule RSS.

Schedule RTC (Residential: City Time-of-~~((Day))~~Use)

RTC	Effective January 1, 2024	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Base Service Charge cents per meter per day	26.23	<u>29.59</u>	<u>39.45</u>
Energy Off-Peak cents per kWh	7.57	<u>7.96</u>	<u>8.05</u>
Energy Mid-Peak cents per kWh	13.25	<u>13.93</u>	<u>14.09</u>
Energy Peak cents per kWh	15.14	<u>15.92</u>	<u>16.10</u>

Schedule RTS (Residential: Suburban Time-of-~~((Day))~~Use)

RTS	Effective January 1, 2024	Effective January 1, 2025	Effective January 1, 2026
Base Service Charge cents per meter per day	26.23	<u>29.59</u>	<u>39.45</u>
Energy Off-Peak cents per kWh	7.97	<u>7.96</u>	<u>8.16</u>
Energy Mid-Peak cents per kWh	13.95	<u>13.93</u>	<u>14.28</u>
Energy Peak cents per kWh	15.94	<u>15.92</u>	<u>16.32</u>

Off-Peak is 12 a.m. to 6 a.m. every day.

Mid-Peak is 6 a.m. to 5 p.m. and 9 p.m. to 12 a.m. Mondays through Saturdays and 6 a.m. to 12 a.m. on Sundays and holidays.

Peak is 5 p.m. to 9 p.m. Mondays through Saturdays, excluding holidays.

C. Normal residential service shall be limited to single-phase.

D. If Schedules RSC, ((~~RST~~),) RSS, ((~~RSH~~, ~~RSB~~, ~~RSE~~, ~~RSL~~),) RTC, and RTS are applied to transient occupancy in separately metered living units, billing shall be in the name of the owner on a continuous basis.

E. Duplexes using a single meter prior to October 13, 1978, shall be considered as a single residence for the purpose of applying Schedules RSC, ((~~RST~~),) RSS, ((~~RSH~~, ~~RSB~~, ~~RSE~~, ~~RSL~~),) RTC, and RTS. For a new duplex or a larger service to an existing duplex, each residence shall be separately metered.

F. All electrical service provided for domestic uses to a single residential account, including electrically heated swimming pools, shall have all consumption of electricity added together for billing on Schedules RSC, ((~~RST~~),) RSS, ((~~RSH~~, ~~RSB~~, ~~RSE~~, ~~RSL~~),) RTC, and RTS.

Section 3. Section 21.49.052 of the Seattle Municipal Code, last amended by Ordinance 126677, is amended as follows:

21.49.052 Small general service (Schedules SMC, ((~~SMT~~),) SMS, ((~~SMH~~, ~~SMB~~),) SMD, ((~~SME~~),) STC, and STS)

A. Small general service is general service provided to customers who are not demand metered or, if

demand metered, have had in the previous calendar year more than half of their normal billings at less than 50 kW of maximum demand. Classification of new customers as small general service customers will be based on the Department's estimate of maximum demand in the current year. Customers who are assigned flat rate bills shall be charged according to small general service energy charges. ~~((Effective January 1, 2023, all customers outside Seattle will be placed on Schedule SMS (Suburban) and Schedules SMT, SMH, SMB, SME, and SML will become inactive.))~~ Schedule SMS and STS rates will be increased for applicable municipal utility taxes, franchise rate differentials, and undergrounding charges specific to each location.

Schedule SMC (Small General Service: City Default)

SMC	((Effective January 1, 2022))	((Effective January 1, 2023))	Effective January 1, 2024	Effective January 1, 2025	Effective January 1, 2026

Transformer losses discount in kWh	$.53285 \times \text{kW} + .00002 \times \text{kW}^2 + .00527 \times \text{kWh}$		

Energy charges

Off-Peak is 12 a.m. to 6 a.m. every day.

Mid-Peak is 6 a.m. to 5 p.m. and 9 p.m. to 12 a.m. Mondays through Saturdays and 6 a.m. to 12 a.m. on Sundays and holidays.

Peak is 5 p.m. to 9 p.m. Mondays through Saturdays, excluding holidays.

Demand charges

Peak demand: All kW of maximum demand between 6 a.m. and 12 a.m. Mondays through Saturdays, excluding major holidays.

Off-Peak demand: All kW of maximum demand in excess of peak maximum demand, at all times other than the peak demand period.

C. Commercial Charging Rates (Schedules MCC, MCD, and MCS) are optional rate schedules available to customers who meet the criteria for medium general service and have a fully functioning advanced meter dedicated to primarily electric vehicle charging. Customers can return to their default rate schedule but will not be able to re-enroll in Schedules MCC, MCD, or MCS until 12 months from the time of unenrollment. The same suburban franchise and tax multipliers and suburban undergrounding charges apply to Schedule MCS as Schedule MDS.

Schedule MCC (Medium General Service: City Commercial Charging)

MCC	Effective January 1, 2024	Effective January 1, 2025	Effective January 1, 2026
Energy Off-Peak cents per kWh	6.18	6.66	7.03
Energy Mid-Peak cents per kWh	10.82	11.66	12.30

Section 5. Section 21.49.057 of the Seattle Municipal Code, last amended by Ordinance 126677, is amended as follows:

21.49.057 Large general service (Schedules LGC, (~~LGT~~), LGS, (~~LGH~~), LGD, (~~LGB, LGE, LGL~~), LCC, LCD, and LCS)

A. Large general service is network general service provided to customers who have in the previous calendar year half or more than half of their normal billings at 1,000 kW of maximum demand or greater, and also standard general service provided to customers who have in the previous calendar year half or more than half of their normal billings at 1,000 kW of maximum demand or greater and have more than half of their normal billings at less than 10,000 kW of maximum demand. Classification of new customers will be based on the Department's estimate of maximum demand in the current year. (~~(Effective January 1, 2023, all customers outside Seattle will be placed on Schedule LGS (Suburban) and Schedules LGT, LGH, LGB, LGE and LGL will become inactive.)~~) Schedule LGS rates will be increased for applicable municipal utility taxes, franchise rate differentials, and undergrounding charges specific to each location.

Schedule LGC (Large Standard General Service: City Default)

LGC	((Effective January 1, 2022))	((Effective January 1, 2023))	Effective January 1, 2024	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>

--	---

Schedule HDS (High Demand: Suburban)

HDS	((Effective January 1, 2023))	Effective January 1, 2024	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Energy Charge-Peak cents per kWh	((9.02))	9.77	<u>10.64</u>	<u>11.12</u>
Energy Charge-Off-Peak cents per kWh	((5.64))	5.43	<u>5.32</u>	<u>5.56</u>
Demand Charge-Peak dollars per kW	((4.58))	<u>\$4.69</u>	<u>\$4.93</u>	<u>\$5.18</u>
Demand Charge-Off-Peak dollars per kW	((0.29))	\$0.30	<u>\$0.30</u>	<u>\$0.31</u>
Base Service Charge dollars per meter per day	((57.88))	\$118.84	<u>\$148.50</u>	<u>\$178.05</u>
Minimum Charge dollars per meter per day	((96.97))	\$118.84	<u>\$148.50</u>	<u>\$178.05</u>
Power Factor Charge cents per kVarh	((0.15))	0.15	<u>0.15</u>	<u>0.15</u>
Transformer investment credit per kW of monthly maximum demand	((0.29))	\$0.30	<u>\$0.30</u>	<u>\$0.31</u>
Transformer losses discount in kWh		$.53285 \times kW + .00002 \times kW^2 + .00527 \times kWh$		

All charges and credits in Schedule HDS shall be increased by the following percentages based on the location of service:

HDS suburban franchise and tax multipliers	((Effective January 1, 2023))	Effective January 1, 2024	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Burien, King County, SeaTac, Shoreline	((8.00%))	8.00%	<u>8.00%</u>	<u>8.00%</u>
Tukwila	((7.70%))	7.72%	<u>7.58%</u>	<u>7.81%</u>
Lake Forest Park	((8.04%))	8.04%	<u>8.04%</u>	<u>8.04%</u>
Normandy Park	((6.38%))	6.38%	<u>6.38%</u>	<u>6.38%</u>

~~((The King County multiplier will be 8.00% only if a King County franchise agreement authorizing such a rate differential is approved by both the King County and Seattle City Council. Absent an approved franchise agreement, the multiplier shall be 0%..))~~

Additional undergrounding charges will apply to all customers in Shoreline and Burien as follows:

Suburban Undergrounding Charges	Effective January 1, 2023	<u>Effective</u> <u>January</u> <u>1, 2025</u>
Shoreline		
North City Undergrounding Charge cents per kWh	0.07	<u>0.07</u>
Aurora 1 Undergrounding Charge cents per kWh	0.17	<u>0.17</u>
Aurora 2 Undergrounding Charge cents per kWh	0.18	<u>0.18</u>
Aurora 3A Undergrounding Charge cents per kWh	0.05	<u>0.05</u>
Aurora 3B Undergrounding Charge cents per kWh	0.22	<u>0.22</u>
Burien		
First Avenue South 1 Undergrounding Charge cents per kWh	0.37	<u>0.37</u>
First Avenue South 2 Undergrounding Charge cents per kWh	0.13	<u>0.13</u>

Peak is Mondays through Saturdays, 6 a.m. to 10 p.m., excluding major holidays.

Off-Peak is 10 p.m. to 6 a.m. every day and all day Sundays and holidays.

Demand charges

Peak: All kW of maximum demand during peak hours.

Off-peak: All kW of maximum demand in excess of peak maximum demand, at all times other than the peak period.

Section 8. Section 21.49.065 of the Seattle Municipal Code, last amended by Ordinance 126677, is amended as follows:

21.49.065 Duct, vault, and pole rental rates

A. Rental rates shall be charged on an annual basis based on the installations and attachments existing as of January 1 of each year. The full annual rental rate shall be charged for the year in which an installation or attachment is made, regardless of what point in the year use of City Light facilities commences.

B. Duct and vault rental rates are as follows:

	<u>((Effective January 1, 2020))</u>	<u>((Effective January 1, 2023))</u>	<u>Effective January 1, 2024</u>	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Duct \$ per duct-foot per year	(((\$11.49))	(((\$13.04))	\$13.34	<u>\$13.69</u>	<u>\$14.43</u>
Innerduct in a rental duct \$ per innerduct-foot per year	(((\$11.49))	(((\$13.04))	\$13.34	<u>\$13.69</u>	<u>\$14.43</u>
Vault Wall Space \$ per square foot per year	(((\$28.70))	(((\$32.58))	\$33.33	<u>\$34.20</u>	<u>\$36.06</u>
Vault Ceiling Space \$ per square foot per year	(((\$11.49))	(((\$13.04))	\$13.34	<u>\$13.69</u>	<u>\$14.43</u>

Innerduct rates pertain to customer installations within a rented duct. Vacant innerducts shall be available for rental to other parties at the Department's discretion. Wall space and ceiling space within ducts include clearance required by chapter 296-45 WAC.

C. Pole rental rates apply to all pole attachments except for separately mounted meter equipment below the communication space. Pole attachment rates are applied per pole per year and are as follows:

Pole attachments within the communication space	<u>((Effective January 1, 2020))</u>	<u>((Effective January 1, 2023))</u>	<u>Effective January 1, 2024</u>	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Pole owned solely by the department	(((\$32.36))	(((\$38.80))	\$39.69	<u>\$48.05</u>	<u>\$49.38</u>
Pole owned jointly by the department and one other party	(((\$16.18))	(((\$19.40))	\$19.85	<u>\$24.03</u>	<u>\$24.69</u>
Pole owned jointly by the department and more than one other party	(((\$10.79))	(((\$12.93))	\$13.23	<u>\$16.02</u>	<u>\$16.46</u>

Pole attachments below the communication space	<u>((Effective January 1, 2020))</u>	<u>((Effective January 1, 2023))</u>	<u>Effective January 1, 2024</u>	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Pole owned solely by the department	(((\$61.48))	(((\$73.72))	\$75.42	<u>\$91.30</u>	<u>\$93.82</u>
Pole owned jointly by the department and one other party	(((\$30.74))	(((\$36.86))	\$37.71	<u>\$45.65</u>	<u>\$46.91</u>
Pole owned jointly by the department and more than one other party	(((\$20.49))	(((\$24.57))	\$25.14	<u>\$30.43</u>	<u>\$31.27</u>

D. Each lessee shall submit annually to City Light an inventory listing the amount of duct and vault space and the number of poles used, together with the location of all ducts, vaults, and poles used. This inventory shall be effective as of January 1 of each year and submitted to City Light no later than February 1 of each year. Rental charges shall be due within 30 days of invoice by City Light.

E. Any installations or attachments not identified in the lessee's inventory shall be charged at five times

the rental rates set forth in this Section 21.49.065 plus interest. Interest charged is to be at the statutory nominal percentage rate, compounded monthly. In addition, if the lessee fails to submit an annual inventory, the lessee shall also reimburse City Light for all costs, including loaded employee time, associated with performing an inventory of lessee's use of City Light facilities.

Section 9. Section 21.49.083 of the Seattle Municipal Code, last amended by Ordinance 126677, is amended as follows:

21.49.083 Large ((Solar)) Customer Renewable Generation Program

A. The Large ((Solar)) Customer Renewable Generation Program shall be open to customers operating solar photovoltaic (PV) arrays or other qualified generation systems, as defined in RCW 19.29A.090(3) and 19.29A.090(4), sized larger than 100 kW and not greater than ((2)) 5 mW, measured as alternating current (AC). The Department may consider including other renewable systems or systems larger than 5 mW on a case-by-case basis. To be eligible for the program, a ((PV array)) generation system must be connected to a customer premises located within the Department's service territory and be equipped with a two-way advanced meter capable of measuring both consumption and outbound power exports.

B. To participate, customers must enter into an interconnection agreement with the Department and to comply with all its terms. The Department may adopt any interconnection requirements as necessary to protect public safety and system reliability.

C. Large ((solar)) Customer Renewable Generation program customers shall be metered, billed, and credited according to the following provisions:

1. The customer's two-way advanced meter will measure accumulated kilowatt hours of inbound retail consumption and outbound exported power.

2. Any electricity produced by the customer's ((solar PV array)) system may be used to reduce inbound retail electricity consumption at the customer's rate schedule for electric service.

3. Electricity generated in excess of that consumed by the customer may be exported to the

Department's system. Accumulated kWh of exported electricity shall be measured by the advanced meter and each customer will be credited for exported electricity according to the same Large Customer ((Solar)) Renewable Export Rate, which reflects the value of the power and grid benefits.

Large Customer ((Solar)) Renewable Export Rate

	((Effective January 1, 2020))	Effective January 1, 2023
Export Credit cents per kWh	((3.16))	4.96

<u>Export Credit</u>	<u>Effective January 1, 2025</u>
<u>All days in January cents per kWh</u>	<u>5.90</u>
<u>All days in February cents per kWh</u>	<u>5.00</u>
<u>All days in March cents per kWh</u>	<u>4.30</u>
<u>All days in April cents per kWh</u>	<u>6.00</u>
<u>All days in May cents per kWh</u>	<u>3.10</u>
<u>All days in June cents per kWh</u>	<u>4.20</u>
<u>All days in July cents per kWh</u>	<u>7.70</u>
<u>All days in August cents per kWh</u>	<u>8.70</u>
<u>All days in September cents per kWh</u>	<u>9.40</u>
<u>All days in October cents per kWh</u>	<u>6.90</u>
<u>All days in November cents per kWh</u>	<u>6.10</u>
<u>All days in December cents per kWh</u>	<u>4.80</u>

4. The customer shall retain ownership of all environmental, social, and other non-power attributes of the electricity produced by their ((PV)) system, irrespective of whether it is consumed on-site or exported.

5. Customers totalizing multiple meters per Section 21.49.090 may integrate their ((PV-array)) system into their totalized service. Otherwise, meter aggregation across multiple customer premises shall not be permitted.

6. Customers that permit and complete buildings under the terms of the Living Building Pilot outlined in Section 23.40.060, or receive Living Building Challenge certification for a building within City

Light service areas outside of Seattle before December 31, 2025, or buildings meeting high energy efficiency standards as determined by the Department, will receive annual net metering as described in Section 21.49.082. The maximum ~~((solar array))~~ system allowed under this provision is 250 kW. Affordable housing performing under high energy efficiency standards as determined by the Department may receive net metering for ~~((solar arrays))~~ systems up to 500 kW.

7. Until December 31, 2035, the Department will honor the terms of the large ~~((solar))~~ Customer Renewable Generation program for interconnected participants and guarantee an annual export rate of at least 1.8 cents per kWh, as calculated by the average of the monthly prices.

Section 10. Section 21.49.085 of the Seattle Municipal Code, last amended by Ordinance 126677, is amended as follows:

21.49.085 Reserved distribution capacity charge (Schedule RDC)

A. Non-residential customers located in areas of the Department's service territory where there is adequate distribution capacity may request that the Department reserve capacity sufficient to meet their loads on a circuit which is different from their normal service circuit. Such customers shall pay a reserved distribution capacity charge.

Schedule RDC (Reserved Distribution Capacity)

Schedule RDC	<u>((Effective January 1, 2020))</u>	<u>((Effective January 1, 2023))</u>	<u>Effective January 1, 2024</u>	<u>Effective January 1, 2025</u>	<u>Effective January 1, 2026</u>
Dollars per kW of monthly maximum demand	(((\$0.41))	(((\$0.47))	\$0.48	<u>\$0.49</u>	<u>\$0.52</u>

B. The acceptance and continued implementation of a customer's request for reserved distribution capacity shall always be contingent on the Department's sole determination that adequate distribution capacity is available.

Section 11. Subsection 21.49.086.C of the Seattle Municipal Code, which section was last amended by Ordinance 126677, is amended as follows:

21.49.086 Rate Stabilization Account

* * *

C. The Net Wholesale Revenue forecast shall be (~~(\$40 million in 2022 and 2023, \$45 million for 2024 and 2025, \$80 million for 2026, and \$85 million for 2027 and 2028))~~ \$45 million in 2024, \$25 million in 2025, and \$55 million in 2026. The forecast shall be the amount of Net Wholesale Revenue assumed by the City Council for the purpose of establishing Department rates and budgets. The Department shall allocate the forecast by month and document this assumption in annual revenue requirement and budget proposals.

* * *

Section 12. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved returned unsigned / vetoed this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Seattle City Light	Carsten Croff	Greg Shiring

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the City Light Department; amending rates, terms, and conditions for the use and sale of electricity supplied by the City Light Department for 2024, 2025, and 2026; and amending Sections 21.49.020, 21.49.030, 21.49.052, 21.49.055, 21.49.057, 21.49.058, 21.49.060, 21.49.065, 21.49.083, 21.49.085, and 21.49.086 of the Seattle Municipal Code.

Summary and Background of the Legislation:

This ordinance codifies new 2025 and 2026 rates for all City Light retail customers. The rates reflect an average 5.4% increase on January 1st in both 2025 and 2026 as outlined in City Light's 2025-2030 Strategic Plan.

The new rates also reflect an updated cost of service study, resulting in different average rate increases by customer classes due to changes in the cost of service and consumption profiles. Below are the average rate increases by customer class:

2025	Residential	Small	Medium	Large	High Demand	Street Lights	System Average
All areas	4.3%	5.8%	5.7%	6.2%	4.4%	9.4%	5.4%
Non-Network	4.3%	5.8%	6.0%	5.7%	4.4%	9.4%	5.1%
Network			4.7%	6.8%			5.9%
2026	Residential	Small	Medium	Large	High Demand	Lights	System Average
All areas	4.9%	5.8%	5.9%	6.0%	4.6%	8.8%	5.4%
Non-Network	4.9%	5.8%	5.9%	5.2%	4.6%	8.8%	5.3%
Network			5.9%	6.9%			6.5%

One area that had an impact on all customer classes was a revised allocation to customer service costs to better reflect the actual time and resources being spent serving each class. This resulted in customer costs proportionally increasing more for non-residential customers than for residential customers.

Residential customers have slightly lower than average increase from the proportionally lower increases in customer costs and distribution costs. **Small** and **Medium** General service customers have slightly higher than average increases from proportionally higher increases in customer costs. **Large** General Service Customers had a slightly higher than average increase also due to higher increases in customer costs. In addition, Large Network Customers had a larger increase due to a reduction in their monthly billing demand, which means less revenue is currently being collected from them than anticipated, requiring a larger increase to recover their fair share of costs (for additional context they also had the lowest rate increases in 2023-2024 of all customer classes). **High Demand** customers have a lower-than-average increase due to slightly below average increases in energy costs and distribution costs. **Street lights** have the highest average increase primarily from direct costs assigned to Streetlights to recover streetlight-specific infrastructure costs. Capital work for streetlights has grown in recent years. In 2022 and 2023, the streetlight Capital Improvement Program (CIP) was around \$30 million, and the annualized recovery of these direct costs is the main driver for the higher increase in streetlight rates.

Rate Design

The new rates also build on the following policy/strategy recommendations developed in the 2019 rate design study jointly completed by City Light and the City Light Review Panel:

1. Adjust the calculation of basic customer charges to reflect the fixed costs associated with serving individual customers.
 - Fixed customer charges were introduced in 2023 for non-residential customers (previously only residential customers had fixed customer charges). Rates in this ordinance continue to gradually increase the fixed charges in 2025 and 2026.
2. Introduce time of use rates on a voluntary basis, to help manage City Light's power demands at peak times and give customers options to reduce their costs.
 - Opt-in TOU rates were codified for 2024 but only previous rate pilot customers have been placed on them.
 - TOU rates for 2025 have a similar structure to the adopted 2024 TOU rates.
 - City Light is completing the technology investments that will allow full scale deployment and expects to offer these optional rates in mid-2025.
3. Adjust residential block rates to be closer to actual cost and facilitate other rate design concepts.
 - Since 2014 City Light has been collapsing the difference between its legacy block rates (see the chart below).
 - The new rates transition away from a block structure to flat energy rate for all kWh starting in 2025.
 - Since there is no demonstrated relationship between income and consumption this transition will not adversely impact lower-income customers. The Utility Discount Program (60% bill discount) continues to be the most effective option to help with affordability.
 - The new residential rate structure supports the following rate design goals identified in the 2019 study: transparency, revenue sufficiency, decarbonization, customer choice and rates that are more stable and predictable.

Residential Rates	2024	2025	2026
Monthly Base Charge	\$8	\$9	\$12
Energy Charge, per kWh		13.2¢	13.4¢
First Block	12.4¢		
Second Block	13.2¢		

Ordinance 126677, which set City Light rates for 2023 and 2024, simplified how rate schedules for customers outside the City of Seattle are codified. All customers outside of the City of Seattle are assigned the Suburban rate schedule and then the rates will be adjusted for franchise differentials, municipal taxes and undergrounding charges based on which jurisdiction the customer receives service in. This ordinance removes the old rate schedules for each jurisdiction.

SMC 21.49.086.C sets the (NWR) forecast used in the Rate Stabilization Account (RSA) at levels used for rates and budgeting. In alignment with the values used in the 2025-2030 Strategic Plan NWR planning levels are set at \$25 million in 2025 and \$55 million in 2026. The increased amount in 2026 is reflective of anticipated new renewable resources that will increase City Light's expected surplus power sales.

This ordinance also renames the current Large Solar Program and expands eligibility to other renewable energy systems. To more fairly compensate for exported energy, it also transitions from compensating exported energy at an annual rate to separate monthly rates.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☒ Yes ☐ No

Expenditure Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
Expenditure Change (\$); Other Funds	2024	2025 est.	2026 est.	2027 est.	2028 est.

Revenue Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
		\$3,490,406	\$7,298,541	\$7,371,066	\$7,501,501
Revenue Change (\$); Other Funds	2024	2025 est.	2026 est.	2027 est.	2028 est.
		\$58,173,434	\$121,642,344	\$122,851,093	\$125,025,022

3.a. Appropriations

☐ This legislation adds, changes, or deletes appropriations.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from This Legislation:

Fund Name and Number	Dept	Revenue Source	2024 Revenue	2025 Estimated Revenue
Light Fund	City Light	Retail Revenue		\$58,173,434
TOTAL				\$58,173,434

Revenue/Reimbursement Notes:

3.c. Positions

- ☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

Not implementing the legislation would reduce the funding available to support City Light's 2025 and 2026 operations and would significantly impede the utility's ability to meet its financial performance targets and/or level of service to its customers.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

It will impact electricity rates paid by City departments and also increase the utility tax paid to the General Fund (see above estimate).

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. **How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.** This legislation results in increases to all retail customers' electric rates and associated bills. Customers participating in the Utility Discount Program receive a 60% discount on their bills.

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. **What is the Language Access Plan for any communications to the public?**

To increase accessibility for as many members of our community as possible, City Light will carry out the activities in the Strategic Plan and share information from the rate ordinance in accordance with City Light's Language Access Plan. SCL commits to budgeting the time and resources required for translation and interpretation services, consulting with the Office of Immigrant and Refugee Affairs to ensure outreach materials and strategies are inclusive and culturally appropriate while seeking to implement customer suggestions for improvement whenever possible.

d. Climate Change Implications

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

No

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

No

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

NA

5. CHECKLIST

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to gambling taxes; eliminating the gambling tax on bingo games and raffles; exempting revenues from bingo games and raffles conducted by charitable or nonprofit organizations from the business license tax; removing the monthly installment requirement for punch board and pull tab taxes; and amending Sections 5.45.090, 5.52.030, and 5.55.040 of the Seattle Municipal Code.

WHEREAS, under the Seattle Municipal Code, legal gambling activities are taxed under Chapter 5.52; and

WHEREAS, bingo games and raffles are among the gambling activities that are taxed by the City; and

WHEREAS, the tax on bingo games and raffles currently costs more to administer than it collects in annual receipts; and

WHEREAS, the tax on raffles conducted by nonprofit organizations reduces the proceeds available to the nonprofit organizations and can be difficult to administer; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 5.45.090 of the Seattle Municipal Code, last amended by Ordinance 126236, is amended as follows:

5.45.090 Exemptions

The provisions of this Chapter 5.45 and the licensing requirement in Section 5.55.030 shall not apply to the following:

* * *

K. Gross receipts taxed under other Seattle Municipal Code sections. This Chapter 5.45 shall not apply to any person in respect to a business activity with respect to which tax liability is specifically imposed under

the provisions of Chapter 5.48 or subsection(~~(s 5.52.030.B.1 and 5.52.030.B.3 (bona fide charitable or nonprofit organization gambling activity, bingo, raffle, and fundraising activities)))~~ 5.52.030.B.2, as amended.

* * *

DD. Bingo and non-profit raffles. This Chapter 5.45 shall not apply to amounts derived as receipts from bingo games, or from raffles, conducted by any bona-fide charitable organization or bona-fide nonprofit organization.

Section 2. Section 5.52.030 of the Seattle Municipal Code, last amended by Ordinance 123063, is amended as follows:

5.52.030 Tax levied

A. In accordance with chapter 9.46 RCW, as amended, a tax or fee is levied upon all persons, corporations, associations, or organizations conducting or operating within the City any of the following gambling activities (~~(authorized by RCW 9.46.010, as amended, and RCW 9.46.033, as follows))~~:

1. For the conduct of amusement games, a tax equal to two percent of the net gambling receipts; and

2. For punch boards and pull-tabs, as defined in RCW 9.46.0273, except for those punch boards and pull-tabs taxed under subsection (~~(5.52.030.B.2))~~ 5.52.030.B.1, a tax equal to five percent of the gross gambling receipts.

B. In accordance with chapter 9.46 RCW, as amended, a tax or fee is levied on all bona fide charitable or nonprofit organizations, as defined in RCW 9.46.0209, conducting or operating in the City any of the following gambling activities, as follows:

~~((1. Upon and for the conduct of bingo games, as defined in RCW 9.46.0205, and raffles, as defined in RCW 9.46.0277, a tax equal to five percent of the net gambling receipts; and~~

~~2))~~1. For punch boards and pull-tabs, as defined in RCW 9.46.0273, a tax equal to ten percent of the net gambling receipts; and

~~((3))~~2. Upon and for the conduct of a fund-raising event, as defined in RCW 9.46.0233, that is not a bingo game or a raffle, a tax equal to ten percent of the net gambling receipts.

C. Except, no tax shall be imposed:

1. On ~~((bingo or))~~ amusement games when such activity, or any combination thereof, is conducted by a bona fide charitable or nonprofit organization as defined in RCW 9.46.0209, when such organization has no paid operating or management personnel and when net gambling receipts from ~~((bingo or))~~ amusement games or any combination thereof, do not exceed \$5,000 per year; or

~~((2. On the first \$10,000 of net gambling receipts from raffles conducted by any bona fide charitable or nonprofit organization as defined in this Chapter 5.52;~~

3))2. On the conduct of amusement games at the Seattle Center pursuant to a concession agreement with the City.

Section 3. Section 5.55.040 of the Seattle Municipal Code, last amended by Ordinance 126880, is amended as follows:

5.55.040 When due and payable-Reporting periods-Monthly, quarterly, and annual returns-Threshold provisions-Computing time periods-Failure to file returns

A. Other than any annual license fee or registration fee assessed under this Chapter 5.55, the taxes imposed by Chapters 5.35 (Commercial Parking Tax), 5.38 (Payroll Expense Tax), 5.39 (Transportation Network Company Tax), 5.40 (Admission Tax), 5.45 (Business License Tax), 5.46 (Square Footage Tax), 5.48 (Business Tax-Utilities), 5.50 (Firearms and Ammunition Tax), 5.52 (Gambling Tax), and 5.53 (Sweetened Beverage Tax) shall be due and payable in quarterly installments. The Director may use discretion to assign businesses to a monthly or annual reporting period depending on the tax amount owing or type of tax. ~~((Taxes imposed by subsections 5.52.030.A.2 and 5.52.030.B.2 for punch boards and pull tabs shall be due and payable in monthly installments.))~~ Tax returns and payments are due on or before the last day of the next month following the end of the assigned reporting period covered by the return. Effective January 1, 2021, tax returns

and payments are due on or before the time as provided in RCW 82.32.045(1), (2), and (3).

* * *

Section 4. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office		Adam Schaefer

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to gambling taxes; eliminating the gambling tax on bingo games and raffles; exempting revenues from bingo games and raffles conducted by charitable or nonprofit organizations from the business license tax; removing the monthly installment requirement for punch board and pull tab taxes; and amending Sections 5.45.090, 5.52.030, and 5.55.040 of the Seattle Municipal Code.

Summary and Background of the Legislation: The City of Seattle collects a gambling tax on certain activities under Section 5.52.030 of the Seattle Municipal Code. Among these activities are bingo games and raffles conducted by nonprofit organizations. This legislation eliminates the gambling tax on these two enterprises.

- Bingo game tax receipts are ordinarily much lower than the cost of administering the tax on bingo games.
- The tax on raffles conducted by nonprofit organizations reduces the amount available to the non-profit organization to complete their missions and can be administratively burdensome on the organizations.

The estimated reduction to City revenues in 2025 is approximately \$1000 in bingo game tax receipts and approximately \$95,000 in tax receipts for raffles operated by nonprofit organizations.

2. CAPITAL IMPROVEMENT PROGRAM

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to Council requests for information from Executive departments; adjusting timing of reports provisions and removing obsolete reports; amending Section 5.73.130 of the Seattle Municipal Code, Ordinances 122424, 125602, and 126854, and Resolution 31971; repealing Section 5 of Ordinance 125556; and rescinding Section 2 of Resolution 31863, subsection 2.G of Resolution 31902, and Sections 2 and 3 of Resolution 31914.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Section 5.73.130 of the Seattle Municipal Code, enacted by Ordinance 125932, is amended as follows:

5.73.130 Annual report

A. Annually in ~~((March))~~ June, the Office of Housing will report on MFTE applications, including project types, sizes, locations, unit mixes, and MFTE set asides, and will analyze rent data for both market-rate and MFTE Units in multifamily housing for which a Final Certificate is issued. The Director will also annually report on the value of the tax exemption granted, changes in the housing market, and changes to State law related to the MFTE program and labor standards. The Director may recommend changes to the program based on report findings, as appropriate, prior to the expiration of the program.

~~((B. Semiannually in September, the Office of Housing will report on MFTE applications, including project types, sizes, locations, unit mixes, and MFTE set asides.~~

~~C.))~~ B. The Executive shall collect labor-related data on projects participating in the MFTE program to advance labor equity outcomes, including payment of prevailing wages, in housing development in Seattle. This data shall include, but not be limited to: construction wage information, apprentice utilization, number of

workers graduating from pre-apprenticeship programs, and the number of workers who participated in mentoring and other training programs. The Office of Housing shall include the requested data in the annual report required by Section 5.73.130. The Office of Housing shall work with MFTE developers, labor unions, and executive agencies to identify ways to comply with and minimize the administrative costs associated with this data collection and submittal process. The Office of Housing shall have the authority, including rule-making authority, to require an owner to provide the data as part of the owner's annual project certification under Section 5.73.100.

Section 2. Section 2 of Ordinance 122424, last amended by Ordinance 124946, is amended as follows:

Section 2. The Seattle Department of Transportation shall report at least ~~((bi-))~~ annually on the operations of all operating streetcar lines. The report shall include both performance metrics and financial metrics; and will include data for the past 5 years, estimates for the current year, and projections for the next 5 years. Performance metrics shall include ridership, farebox recovery ratio, productivity (riders per revenue hour), fare evasion, and reliability. Financial metrics shall include costs, including operating payments to King County, SDOT direct costs and contingency, and major maintenance expenditures; revenues, including farebox recovery, sponsorships and donations, grants and intergovernmental revenues; and actual use of funds from the Consolidated (Residual) Cash Pool for interim financing. Financial reporting shall identify variances from financial projections included in the Adopted Budget. The report shall include a narrative to describe any significant operational policy changes and explain any significant variation from budgeted projections. SDOT may adjust the performance and financial metrics with the written concurrence of the Chair of the Transportation Committee, to reflect changes to reporting methods from King County or other sources of data. The report shall be submitted in writing to the Chair of the Transportation Committee.

Section 3. Section 2 of Ordinance 125602 is amended as follows:

Section 2. The Seattle Police Department shall report to the City Council on the locations of

citations, demographic information regarding citations, and disposition of citations. Reporting shall occur on at least ~~((a quarterly))~~ an annual basis to the Chair and membership of the committee with oversight of public safety, beginning no later than January 31, 2019.

Section 4. Section 2 of Ordinance 126854 is amended as follows:

Section 2. The Council approves the following work plan for the development of permanent regulations to address the matters in this ordinance, as well as other design review-related matters as appropriate:

WORK PLAN:

Outreach on proposed permanent legislation	January 2, 2024 - February 12, ((2024)) <u>2025</u>
Draft permanent legislation and conduct SEPA review on draft permanent legislation	February 12, 2024 - April 15, ((2024)) <u>2025</u>
Mayor Transmits Legislation to Council	April 17, ((2024)) <u>2025</u>
Council Deliberations and Public Hearing on Proposed Legislation	May ((2024)) <u>2025</u>
Legislation Effective	By August 12, ((2024)) <u>2025</u>

Section 5. Section 3 of Resolution 31971 is amended as follows:

Section 3. City Light shall submit an annual report to the Mayor and City Council on progress of implementation and further development of the overall Transportation Electrification Strategic Investment Plan. ~~((City Light will continue to review and update the Transportation Electrification Strategic Investment Plan at least every four years.))~~

Section 6. The following sections of ordinances and resolutions that requested reports are repealed or rescinded:

Ordinance 125556, Section 5;

Resolution 31863, Section 2;

Resolution 31902, subsection 2.G; and

Resolution 31914, Sections 2 and 3.

Section 7. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office	Adam Schaefer	N/A

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to Council requests for information from Executive departments; adjusting timing of reports provisions and removing obsolete reports; amending Section 5.73.130 of the Seattle Municipal Code, Ordinances 122424, 125602, and 126854, and Resolution 31971; repealing Section 5 of Ordinance 125556; and rescinding Section 2 of Resolution 31863, subsection 2.G of Resolution 31902, and Sections 2 and 3 of Resolution 31914.

Summary and Background of the Legislation: This legislation updates and removes legislated City Council requests for information from Executive departments.

The City Council makes formal requests for information from Executive departments via ordinance, resolution, or budget amendments. These requests may include updates on policy implementation, evaluation of pilot programs, or scoping potential programmatic expansion, among other themes. Occasionally, some of these requests need to be updated to reflect current Council interest, policy goals, and changed landscape. This bill updates the following requests:

Section 1: Revises the timeline for reporting on the Multi-Family Tax Exemption (MFTE) program to better align with available information.

Section 2: Changes the reporting requirement for existing Seattle Streetcar lines from two times per year to annually, as the Seattle Streetcar is now an established program.

Section 3: Changes the reporting requirements for an alternative enforcement provision related to excessive vehicle noise from quarterly to once a year.

Section 4: Changes the timeline for submittal of permanent regulations to align with the expiration of temporary regulations around design review of affordable housing projects.

Section 5: Removes a requirement to update the Transportation Electrification Strategic Investment Plan every four years, as City Light makes updates and submits annual reports more often.

Section 6: Repeals the following requests for information:

- Ordinance 125556 – semiannual reports on the Energy Efficiency as a Service pilot program in SCL. This pilot program is now more than five years old and the department

regularly reports on it via its other oversight channels. The subscription to the pilot does not warrant separate biannual reports.

- Resolution 31863 – biannual reporting on incidence of worker/independent contractor misclassification. The Office of Labor Standards has shifted focus from misclassification to regulation in this area and the information provided is unlikely to be useful to policy makers.
- Resolution 31902 – quarterly reporting on the development of a tree ordinance. The ordinance was adopted in 2023.
- Resolution 31914 – annual reporting on the revenues and spending of transportation network company revenues. Due to subsequent state actions, this is a relatively small source of revenue for the City and requesting three departments report on it is not in alignment with other City revenues.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

None.

4. OTHER IMPLICATIONS

- a. **Please describe how this legislation may affect any departments besides the originating department.**

The legislation revises requests for information from multiple City departments and is intended to ease their workload by reducing or eliminating reports requested by the Council.

- b. **Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

CITY OF SEATTLE

RESOLUTION _____

A RESOLUTION relating to the spending plan for the proceeds of the Seattle transportation network company tax; amending Resolution 31914 to continue providing temporary flexibility on the use of tax proceeds. WHEREAS, in 2019, The City of Seattle began taxing transportation network companies (TNCs) for rides that

took place in Seattle. TNCs provide application dispatch services that allow passengers to directly request the dispatch of drivers via the internet using mobile interfaces such as smartphone application; and

WHEREAS, also in 2019, the City Council passed Resolution 31914, which outlined the uses of TNC tax proceeds, including for a TNC Driver Resource Center, low-income housing, and transportation including transit; and

WHEREAS, in 2022, the Washington state legislature adopted Engrossed Substitute House Bill 2076, which creates a state TNC tax and preempts the City from enforcing the TNC Driver Minimum Compensation and TNC Driver Deactivation Rights Ordinances starting on January 1, 2023; and

WHEREAS, the COVID-19 public health emergency adversely affected the City's revenue collections including transportation revenues such as commercial parking tax; and

WHEREAS, the City's expenditure growth has outpaced revenues and inflation, creating a structural budget gap between projected General Fund revenues and expenditures; and

WHEREAS, the Mayor and City Council wish to address the funding gap by temporarily continuing expanded uses of TNC tax proceeds to include other General Fund activities; NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR

CONCURRING, THAT:

Section 1. Resolution 31914, last amended by Ordinance 126719, is amended as follows:

Section 1. **Spending Plan.** The City shall use the proceeds of the transportation network company (TNC) tax imposed by Chapter 5.39 of the Seattle Municipal Code to accelerate affordable housing production for low-wage workers and their families at locations that are within the frequent transit network, make investments in transportation, including transit, and provide for workplace protections. Eligible expenditures include:

A. Funding of the administration of the TNC tax and regulations related to TNC drivers up to \$2,000,000 in the first year and up to \$1,500,000 in the second, third, and fourth years. Beginning in year five, this amount may increase each year, subject to appropriations, to reflect the cost of administering the TNC tax and regulations.

* * *

Section 4. Notwithstanding contrary provisions in this resolution, in the ~~((2023 and))~~ 2024, 2025, and 2026 budget for The City of Seattle, TNC tax revenues may be used as follows:

A. Funding of the administration of the TNC tax and regulations related to TNCs up to five percent of the annual anticipated revenues from the TNC tax.

B. After administrative costs related to the tax and regulations related to TNCs as described in subsection 4.A of this resolution, the remainder of revenue collected shall be used to make investments in transportation, including transit, and to support other City General Fund activities.

C. Consistent with Washington Chapter 281, Laws of 2022, which creates a state level Transportation Network Company tax and preempts the City from enforcing the TNC Driver Minimum Compensation and TNC Driver Deactivation Rights Ordinances starting on January 1, 2023, no City funds shall be used for enforcing the TNC Driver Minimum Compensation and TNC Driver Deactivation Rights Ordinances.

* * *

Adopted by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its adoption this _____ day of _____, 2024.

President _____ of the City Council

The Mayor concurred the _____ day of _____, 2024.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office		Adam Schaefer

1. BILL SUMMARY

Legislation Title: A RESOLUTION relating to the spending plan for the proceeds of the Seattle transportation network company tax; amending Resolution 31914 to continue providing temporary flexibility on the use of tax proceeds.

Summary and Background of the Legislation: In 2019, the City of Seattle began taxing transportation network companies (TNCs) for rides that take place in Seattle. TNCs provide application dispatch services that allow passengers to directly request the dispatch of drivers via the internet using mobile interfaces such as smartphone application. Examples of these companies operating in Seattle include Uber and Lyft.

As part of the legislative package establishing this tax, the City Council passed Resolution 31914, which outlined how the proceeds of the TNC tax were to be spent, including for a Driver Resource Center that mediated disputes between drivers and the TNCs, and for low-income housing, and transportation investments including transit. Resolution 31914 also included oversight and accountability provisions for the transportation related investments.

In 2022, the Washington state legislature passed Engrossed Substitute House Bill 2076, ESHB 2076 which creates a state level Transportation Network Company tax and preempts the City from enforcing the TNC Driver Minimum Compensation and TNC Driver Deactivation Rights Ordinances starting on January 1, 2023. In 2020, the Seattle City Council passed the JumpStart Payroll Expense Tax, which allows tens of millions of dollars of new investments in low-income housing in Seattle.

Because of state preemption of City's TNC driver regulations and minimum compensation and benefits for drivers regulations, and because of a new, more vigorous funding source for low-income housing, and because of a long-term structural problem with the City's General Fund budget, which relies on revenue sources that have been stagnant or shrinking in recent years (particularly in the Seattle Department of Transportation due to declining commercial parking tax revenues), this resolution temporarily broadens the use of TNC tax revenues for transportation, including transit investments, and other General Fund purposes after accounting for the administration of the tax.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☐ Yes ☒ No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

The legislation acknowledges a different legal and financial landscape from when the TNC tax revenue spending plan was initially adopted in 2019. This resolution temporarily allows for more uses of a more limited revenue stream than the original spend plan.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

The legislation provides temporary flexibility to use a limited funding source considering a very different legal and budgetary landscape from when the original spending plan was adopted in 2019.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

The Office of City Finance administers the TNC tax and the proceeds of the tax will be available to fund transportation investments as well as other City activities that rely on General Fund dollars.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

N/A

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A

- iii. **What is the Language Access Plan for any communications to the public?**

N/A

d. Climate Change Implications

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A

5. CHECKLIST

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**

6. ATTACHMENTS

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to contracting indebtedness; authorizing and providing for the issuance and sale of limited tax general obligation bonds to pay or reimburse all or part of the costs of various elements of the City's capital improvement program and for other City purposes approved by ordinance and to pay the costs of issuance of the bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; creating the 2025 Multipurpose LTGO Bond Fund; amending Ordinance 126219 (as previously amended by Ordinances 126288, 126479, and 126938) and Ordinance 126479; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle, Washington (the "City") has determined that it is in its best interest that the capital projects described in this ordinance (the "Projects") be financed by the issuance of limited tax general obligation bonds of the City in a principal amount not to exceed \$65.3 million; and

WHEREAS, RCW 39.36.020 authorizes the City to incur indebtedness without the assent of the voters of the City so long as such indebtedness does not result in a total nonvoted indebtedness of the City in excess of 1.5 percent of the value of taxable property within the City as computed in accordance with RCW 39.36.030; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. **Definitions.** In this ordinance, the following capitalized terms shall have the meanings set forth in this section.

"Authorized Denomination" means \$5,000 or any integral multiple thereof within a maturity of a Series, or such other minimum authorized denominations as may be specified in the applicable Bond Documents.

"Beneficial Owner" means, with regard to a Bond, the owner of any beneficial interest in that Bond.

“Bond” means one of the limited tax general obligation bonds issued pursuant to this ordinance.

“Bond Counsel” means a lawyer or a firm of lawyers, selected by the City, of nationally recognized standing in matters pertaining to bonds issued by states and their political subdivisions.

“Bond Documents” means, with respect to any Series of the Bonds, (a) this ordinance (including any amendatory or supplemental ordinances); (b) the authenticated Bond form; and (c) the written agreement(s) setting forth the Bond sale terms and additional terms, conditions, or covenants pursuant to which such Bond was issued and sold, as set forth in any one or more of the following (if any): (i) a sale resolution, (ii) a Bond Purchase Contract (as defined in the applicable authorizing ordinance), (iii) a Bond indenture, fiscal agent or paying agent agreement, or the State fiscal agency contract, and (iv) a direct purchase or continuing covenant agreement.

“Bond Purchase Contract” means a written offer to purchase a Series of the Bonds pursuant to certain Bond Sale Terms, which offer has been accepted by the City in accordance with this ordinance. In the case of a competitive sale, the Purchaser’s bid for a Series, together with the official notice of sale and Pricing Certificate confirming the Bond Sale Terms, shall comprise the Bond Purchase Contract.

“Bond Redemption Fund” means the City’s General Bond Interest and Redemption Fund, created by Ordinance 112112 and established and to be used for the payment of the principal of and premium, if any, and interest on the Bonds.

“Bond Register” means the books or records maintained by the Bond Registrar for the purpose of registering ownership of each Bond.

“Bond Registrar” means the Fiscal Agent (unless the Director of Finance appoints a different person to act as bond registrar with respect to a particular Series), or any successor bond registrar selected in accordance with the System of Registration.

“Bond Sale Terms” means the terms and conditions for the sale of a Series of the Bonds approved by the Director of Finance consistent with the parameters set forth in Section 4 of this ordinance, including the

maximum principal amount, date or dates, denominations, interest rate or rates (or mechanism for determining the interest rate or rates), payment dates, final maturity, redemption rights, price, and other terms, conditions, or covenants. In connection with a negotiated sale or private placement, the Bond Sale Terms shall be set forth in a Bond Purchase Contract; in connection with a competitive sale, the Bond Sale Terms shall be set forth in a Pricing Certificate.

“Book-Entry Form” means a fully registered form in which physical bond certificates are registered only in the name of the Securities Depository (or its nominee), as Registered Owner, with the physical bond certificates held by and immobilized in the custody of the Securities Depository (or its designee), where the system for recording and identifying the transfer of the ownership interests of the Beneficial Owners in those Bonds is neither maintained by nor the responsibility of the City or the Bond Registrar.

“City” means The City of Seattle, Washington, a municipal corporation duly organized and existing under the laws of the State.

“City Council” means the Seattle City Council of the City, as duly and regularly constituted from time to time.

“Code” means the Internal Revenue Code of 1986, or any successor thereto, as amended, and regulations thereunder.

“Continuing Disclosure Agreement” means, for each Series sold in an offering subject to federal securities regulations requiring a written undertaking to provide continuing disclosure, a continuing disclosure agreement entered into pursuant to Section 14 of this ordinance, in substantially the form attached to this ordinance as Exhibit B.

“Director of Finance” or **“Director”** means the City’s Director of Finance or such other officer who succeeds to substantially all of the responsibilities of that office.

“DTC” means The Depository Trust Company, New York, New York.

“Fiscal Agent” means the fiscal agent of the State, as the same may be designated by the State from

time to time, or such other fiscal agent as the City may later appoint.

“Government Obligations” means, unless otherwise limited in the Bond Documents for a particular Series of the Bonds, any government obligation as that term is defined in RCW 39.53.010, as amended.

“Issue Date” means, with respect to a Bond, the initial date on which that Bond is issued and delivered to the initial Purchaser in exchange for its purchase price.

“Letter of Representations” means the Blanket Issuer Letter of Representations between the City and DTC dated October 4, 2006, as amended, or an agreement with a substitute or successor Securities Depository.

“MSRB” means the Municipal Securities Rulemaking Board.

“Omnibus Refunding Ordinance” means Ordinance 125457, as amended, authorizing the issuance of general obligation refunding bonds, or any future ordinance pursuant to which the Bonds (or any Series of the Bonds) are designated as “refundable bonds.”

“Owner” means, without distinction, the Registered Owner and the Beneficial Owner of a Bond.

“Pricing Certificate” means a certificate executed by the Director of Finance as of the pricing date confirming the Bond Sale Terms for the sale of a Series of the Bonds to the Purchaser of such Series in a competitive sale, in accordance with the parameters set forth in Section 4 of this ordinance.

“Projects” means the various elements of the City’s capital improvement program identified in Exhibit A to this ordinance.

“Purchaser” means the entity or entities selected by the Director of Finance in accordance with this ordinance as underwriter, purchaser, or successful bidder in a sale of any Series of the Bonds.

“Rating Agency” means any nationally recognized rating agency then maintaining a rating on a Series of the Bonds at the request of the City.

“Record Date” means, unless otherwise defined in the Bond Documents, in the case of each interest or principal payment date, the Bond Registrar’s close of business on the 15th day of the month preceding such interest or principal payment date. With regard to redemption of a Bond prior to its maturity, the Record Date

shall mean the Bond Registrar's close of business on the day prior to the date on which the Bond Registrar sends the notice of redemption to the Registered Owner(s) of the affected Bonds.

"Registered Owner" means, with respect to a Bond, the person in whose name that Bond is registered on the Bond Register. For so long as a Series of the Bonds is in Book-Entry Form under a Letter of Representations, the Registered Owner of such Series shall mean the Securities Depository.

"Rule 15c2-12" means Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934, as amended.

"SEC" means the United States Securities and Exchange Commission.

"Securities Depository" means DTC, any successor thereto, any substitute securities depository selected by the City, or the nominee of any of the foregoing. Any successor or substitute Securities Depository must be qualified under applicable laws and regulations to provide the services proposed to be provided by it.

"Series" means a series of the Bonds issued pursuant to this ordinance.

"State" means the State of Washington.

"System of Registration" means the system of registration for the City's bonds and other obligations established pursuant to Seattle Municipal Code Chapter 5.10, as amended.

"Tax Credit Subsidy Bond" means any Taxable Bond that is designated by the City as a tax credit bond pursuant to the Code, and which is further designated as a "qualified bond" under Section 6431 or similar provision of the Code, and with respect to which the City is eligible to claim a Tax Credit Subsidy Payment.

"Tax Credit Subsidy Payment" means a payment by the federal government with respect to a Tax Credit Subsidy Bond.

"Tax-Exempt Bond" means any Bond the interest on which is intended on the Issue Date to be excludable from gross income for federal income tax purposes.

"Taxable Bond" means any Bond the interest on which is not intended, as of the Issue Date, to be excludable from gross income for federal income tax purposes.

“Term Bond” means any Bond that is issued subject to mandatory redemption prior to its maturity in periodic mandatory redemption payments in accordance with subsection 7(b) of this ordinance.

Section 2. **Authorization of Bonds.** The City is authorized to borrow money on the credit of the City and issue limited tax general obligation bonds evidencing indebtedness in the maximum principal amount stated in Section 4 of this ordinance to pay or reimburse all or part of the costs of the Projects (which costs may include capitalized interest, if necessary), and to pay the costs of issuance of the Bonds. The Bonds may be issued in one or more Series and may be combined with other general obligation bonds (including refunding bonds) authorized separately. The Bonds shall be designated limited tax general obligation bonds, shall be numbered separately, and shall have any name, year, series, or other labels as deemed necessary or appropriate by the Director of Finance.

Section 3. **Manner of Sale of Bonds.** The Director of Finance may provide for the sale of each Series by competitive sale, negotiated sale, limited offering, or private placement. The Purchaser of each Series shall be chosen through a selection process acceptable to the Director of Finance. The Director is authorized to specify a date and time of sale and a date and time for the delivery of each Series; in the case of a competitive sale, to provide an official notice of sale including bid parameters and other bid requirements and to provide for the use of an electronic bidding mechanism; to provide for and determine matters relating to the forward or delayed delivery of the Bonds, if deemed desirable; and to specify other matters that the Director determines are necessary, appropriate, or desirable in order to carry out the sale of each Series. Each Series must be sold on Bond Sale Terms consistent with the parameters set forth in Section 4 of this ordinance.

Section 4. **Appointment of Designated Representative; Bond Sale Terms.**

(a) **Designated Representative.** The Director of Finance is appointed to serve as the City’s designated representative in connection with the issuance and sale of the Bonds in accordance with RCW 39.46.040(2) and this ordinance.

(b) **Parameters for Bond Sale Terms.** The Director of Finance is authorized to approve, on behalf of

the City, Bond Sale Terms for the sale of the Bonds in one or more Series and, in connection with each such sale, to execute a Bond Purchase Contract (or, in the case of a competitive sale, a Pricing Certificate) confirming the Bond Sale Terms and such related agreements as may be necessary or desirable, consistent with the following parameters:

(i) **Maximum Principal Amount.** The maximum aggregate principal amount of all Series of the Bonds authorized by this ordinance may not exceed \$65.3 million.

(ii) **Date or Dates.** Each Bond shall be dated its Issue Date, as determined by the Director of Finance, which Issue Date may not be later than December 31, 2027.

(iii) **Denominations.** The Bonds shall be issued in Authorized Denominations.

(iv) **Interest Rate(s).** Each Bond shall bear interest from its Issue Date or from the most recent date to which interest has been paid or duly provided, unless otherwise provided in the applicable Bond Documents. One or more rates of interest shall be established for each maturity of each Series of the Bonds, which rate or rates may be fixed or variable. The true interest cost for any fixed rate Series may not exceed a rate of 10 percent per annum.

(v) **Payment Dates.** Interest shall be payable on dates acceptable to the Director of Finance. Principal shall be payable on dates acceptable to the Director, which shall include payment at the maturity of each Bond, payment in mandatory redemption installments applicable to Term Bonds, and other payments as required in accordance with any redemption or tender provisions set forth in the Bond Documents.

(vi) **Final Maturity.** Each Bond shall mature no later than 31 years after its Issue Date.

(vii) **Redemption Prior to Maturity.** The Bond Sale Terms may include redemption provisions, as determined by the Director of Finance, consistent with Section 7 of this ordinance and subject to the following:

(A) **Optional Redemption.** The Director of Finance may designate any Bond as being subject to optional redemption prior to its maturity at such time or times as are acceptable to the Director,

consistent with subsection 7(a) of this ordinance. Any Tax-Exempt Bond that is subject to optional redemption prior to maturity must be callable on at least one or more dates occurring not more than 10-1/2 years after the Issue Date.

(B) **Mandatory Redemption.** The Director of Finance may designate any Bond as a Term Bond, subject to mandatory redemption prior to its maturity in mandatory redemption installment payments of principal, consistent with subsection 7(b) of this ordinance.

(C) **Extraordinary Redemption.** The Director of Finance may designate any Bond as subject to extraordinary optional redemption or extraordinary mandatory redemption upon the occurrence of an extraordinary event, as such event or events may be set forth in the applicable Bond Documents, consistent with subsection 7(c) of this ordinance.

(viii) **Price.** The Director of Finance may approve in the Bond Sale Terms an aggregate purchase price for each Series of the Bonds that is, in the Director's judgment, the price that produces the most advantageous borrowing cost for the City for that Series consistent with the parameters set forth herein and in any applicable bid documents.

(ix) **Other Terms and Conditions.**

(A) **Debt Capacity and Limitations.** A Series of the Bonds may not be issued in an amount that would cause the indebtedness of the City to exceed the City's legal debt capacity on the Issue Date of such Series.

(B) **Reasonably Expected Life.** As of the Issue Date of each Series, the Director of Finance must find to the Director's satisfaction that the average expected life of the capital facilities or assets to be financed with the proceeds (or allocable share of proceeds) of that Series exceeds the weighted average maturity of such Series (or share thereof allocated to financing those capital facilities).

(C) **Additional Terms, Conditions, and Agreements.** The Bond Sale Terms for any Series may provide for bond insurance or for any other credit enhancement as the Director of Finance may find

necessary or desirable. The Bond Sale Terms may include such additional terms, conditions, and covenants as may be necessary or desirable, including but not limited to: restrictions on investment of Bond proceeds and pledged funds (including any escrow established for the defeasance of any of the Bonds); provisions for the conversion of interest rate modes; provisions for the reimbursement of a credit enhancement provider; and requirements to give notice to or obtain the consent of a credit enhancement provider. The Director of Finance is authorized to execute, on behalf of the City, such additional certificates and agreements as may be necessary or desirable to reflect such terms, conditions, and covenants.

(D) **Tax Status of the Bonds.** The Director of Finance may designate any Series of the Bonds as Tax-Exempt Bonds, Taxable Bonds, or Tax Credit Subsidy Bonds, consistent with Section 13 of this ordinance.

Section 5. **Bond Registrar; Registration and Transfer of Bonds.**

(a) **Registration and Bond Registrar.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The Fiscal Agent is appointed to act as Bond Registrar for each Series of the Bonds, unless otherwise determined by the Director of Finance.

(b) **Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and the System of Registration.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an Owner of Bonds with the same

rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same Series, interest rate, and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to an Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the period between the Record Date and the corresponding interest payment date or principal redemption date.

(c) **Securities Depository; Book-Entry Form.** Unless otherwise determined by the Director of Finance, the Bonds initially shall be issued in Book-Entry Form and registered in the name of the Securities Depository. The Bonds so registered shall be held fully immobilized in Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to participants of the Securities Depository (or the persons for whom they act as nominees) with respect to the Bonds regarding the accuracy of any records maintained by the Securities Depository (or its participants) of any amount in respect of principal of or interest on the Bonds, or any notice that is permitted or required to be given to Registered Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository). Registered ownership of a Bond initially held in Book-Entry Form, or any portion thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in Book-Entry Form.

Upon the resignation of the Securities Depository from its functions as depository, or upon a determination by the Director of Finance to discontinue utilizing the then-current Securities Depository, the Director may appoint a substitute Securities Depository. If the Securities Depository resigns from its functions

as depository and no substitute Securities Depository can be obtained, or if the Director determines not to utilize a Securities Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be transferred only as provided in this ordinance.

Nothing in this ordinance shall prevent the Bond Sale Terms from providing that a Series of the Bonds shall be issued in certificated form without utilizing a Securities Depository, and that the Bonds of such Series shall be registered as of their Issue Date in the names of the Owners thereof, in which case ownership may be transferred only as provided in this ordinance.

(d) **Lost or Stolen Bonds.** In case any Bond certificate shall be lost, stolen, or destroyed, the Bond Registrar may authenticate and deliver a new Bond or Bonds of like amount, date, tenor, and effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses and charges of the City in connection therewith, and upon filing with the Bond Registrar evidence satisfactory to the Bond Registrar that such Bond or Bonds were actually lost, stolen, or destroyed and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to both the City and the Bond Registrar.

Section 6. **Payment of Bonds.**

(a) **Payment.** Principal of and interest on each Bond shall be payable in lawful money of the United States of America on the dates and in the amounts as provided in the Bond Documents applicable to that Series. No Bonds of any Series shall be subject to acceleration under any circumstances.

(b) **Bonds Held in Book-Entry Form.** Principal of and interest on each Bond held in Book-Entry Form shall be payable in the manner set forth in the Letter of Representations.

(c) **Bonds Not Held in Book-Entry Form.** Interest on each Bond not held in Book-Entry Form shall be payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. The City, however, shall not be required to make electronic transfers except pursuant to a request by a Registered Owner in writing received at least ten days prior to the Record Date and at the sole expense of

the Registered Owner. Principal of each Bond not held in Book-Entry Form shall be payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar.

Section 7. **Redemption and Purchase of Bonds.**

(a) **Optional Redemption.** All or some of the Bonds of any Series may be subject to redemption prior to their stated maturity dates at the option of the City at the times and on the terms set forth in the applicable Bond Documents.

(b) **Mandatory Redemption.** All or some of the Bonds of any Series may be designated as Term Bonds, subject to mandatory redemption in principal installment payments, as set forth in the applicable Bond Documents. If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) must be redeemed, at a price equal to 100 percent of the principal amount to be redeemed plus accrued interest, on the dates and in the years and principal amounts set forth in the applicable Bond Documents.

If the City optionally redeems or purchases a principal portion of a Term Bond prior to its maturity, the principal amount so redeemed or purchased (irrespective of its redemption or purchase price) shall be credited against the remaining mandatory redemption installment payments for that Term Bond in the manner directed by the Director of Finance. In the absence of direction by the Director, credit shall be allocated to each mandatory redemption installment payment for that Term Bond on a pro rata basis.

(c) **Extraordinary Redemption.** All or some of the Bonds of any Series may be subject to extraordinary optional redemption or extraordinary mandatory redemption prior to maturity, upon the occurrence of an extraordinary event, at the prices, in the principal amounts, and on the dates, all as set forth in the applicable Bond Documents.

(d) **Selection of Bonds for Redemption; Partial Redemption.** If fewer than all of the outstanding Bonds of a Series are to be redeemed at the option of the City, the Director of Finance shall select the maturity or maturities to be redeemed. If less than all of the principal amount of a maturity of the selected Series is to be redeemed, if such Series is held in Book-Entry Form, the portion of such maturity to be redeemed shall be

selected for redemption by the Securities Depository in accordance with the Letter of Representations. If the Series is not then held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected by the Bond Registrar using such method of random selection as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any applicable Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity, and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(e) **Purchase.** The City reserves the right and option to purchase any or all of the Bonds at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 8. **Notice of Redemption; Rescission of Notice.** Unless otherwise set forth in the applicable Bond Documents, the City must cause notice of any intended redemption of Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Owner of any Bond. Interest on Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

In the case of an optional or extraordinary optional redemption, the notice may state that the City retains the right to rescind the redemption notice and the related redemption of Bonds by giving a notice of rescission to the affected Registered Owners at any time on or prior to the scheduled redemption date. Any notice of redemption that is rescinded by the Director of Finance shall be of no effect, and the Bonds for which the notice of redemption has been rescinded shall remain outstanding.

Section 9. **Failure to Pay Bonds.** If any Bond is not paid when properly presented at its maturity or

redemption date, the City shall be obligated to pay interest on that Bond at the same rate provided on that Bond from and after its maturity or redemption date until that Bond, including principal, redemption premium (if any), and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Redemption Fund and that Bond has been called for payment by giving notice of that call to the Registered Owner of that Bond.

Section 10. **Form and Execution of Bonds**. The Bonds shall be typed, printed, or reproduced in a form consistent with the provisions of this ordinance and State law and shall be signed by the Mayor and Director of Finance, either or both of whose signatures may be manual or in facsimile. The seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a certificate of authentication in substantially the following form (with the designation, year, and Series of the Bonds adjusted consistent with this ordinance) and manually signed by the Bond Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “This Bond is one of the fully registered The City of Seattle, Washington, [Limited Tax General Obligation Bonds], [Year] [Series], described in [this ordinance].” The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing that officer’s manual or facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that Bond nevertheless may be authenticated, delivered, and issued and, when authenticated, delivered, and issued, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although that person did not hold the required office on the Issue Date of that Series of the Bonds.

Section 11. **Pledge of Taxes**. For so long as any of the Bonds are outstanding, the City irrevocably

pledges to include in its budget and levy taxes annually within the constitutional and statutory tax limitations provided by law without a vote of the electors of the City on all of the taxable property within the City in an amount sufficient, together with other money legally available and to be used therefor, to pay when due the principal of and interest on the Bonds. The full faith, credit, and resources of the City are pledged irrevocably for the annual levy and collection of those taxes and the prompt payment of that principal and interest.

Section 12. **Refunding or Defeasance of Bonds.**

(a) **Bonds Designated as Refundable Bonds.** Each Series of the Bonds is designated as a Series of “Refundable Bonds” for purposes of the Omnibus Refunding Ordinance.

(b) **Refunding; Defeasance.** The City may issue refunding bonds pursuant to the laws of the State or use money available from any other lawful source (i) to pay when due the principal of (including premium, if any) and interest on any Bond, or any portion thereof, included in a refunding or defeasance plan (the “Defeased Bonds”); (ii) to redeem and retire, release, refund, or defease the Defeased Bonds; and (iii) to pay the costs of such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient (together with known earned income from the investment thereof) to redeem and retire, release, refund, or defease the Defeased Bonds in accordance with their terms is set aside in a special trust fund or escrow account irrevocably pledged to such redemption, retirement, release, refunding, or defeasance (the “Trust Account”), then all right and interest of the Owners of the Defeased Bonds in the covenants of this ordinance and in the funds and accounts pledged to the payment of such Defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the Defeased Bonds from the Trust Account. After such a Trust Account is established and fully funded as set forth above, the Defeased Bonds shall be deemed to be no longer outstanding, and the Director of Finance may then apply any money in any other fund or account established for the payment or redemption of the Defeased Bonds to any lawful purpose.

(c) **Notice of Defeasance or Refunding.** Unless otherwise specified in the applicable Bond Documents, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

Section 13. **Federal Tax Matters.** The Bond Documents may include such additional terms and covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, including the following:

(a) **Tax-Exempt Bonds.** For each Series of the Bonds issued as Tax-Exempt Bonds, the City covenants that it will take all actions consistent with the terms of such Series, as set forth in this ordinance and the applicable Bond Documents, that are reasonably within its power and necessary to prevent interest on that Series from being included in gross income for federal income tax purposes. The City further covenants that it will neither take any action nor make or permit any use of gross proceeds of such Series (or other funds of the City treated as gross proceeds of such Series) at any time during the term of such Series that will cause interest on such Series to be included in gross income for federal income tax purposes. The City also covenants that, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, it will take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series (including the calculation and payment of any penalties that the City may elect to pay as an alternative to calculating rebatable arbitrage and the payment of any other penalties if required under Section 148 of the Code) to prevent interest on such Series from being included in gross income for federal income tax purposes.

(b) **Taxable Bonds; Tax Credit Subsidy Bonds.** For each Series of the Bonds issued as Taxable Bonds or as Tax Credit Subsidy Bonds, the Director of Finance is authorized to make provision in the Bonds and other Bond Documents, to execute additional written agreements, and to make additional covenants on behalf of the City, all as the Director may deem necessary or appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit Subsidy Bonds, such additional covenants and agreements may include

(without limiting the generality of the foregoing) those necessary in order for the City (i) to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit Subsidy Bonds, and (ii) to ensure that such Series otherwise becomes and remains eligible for tax benefits under the Code.

Section 14. **Official Statement; Continuing Disclosure.**

(a) **Preliminary Official Statement.** The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection.

(b) **Final Official Statement.** The City approves the preparation of a final official statement for each sale of one or more Series of the Bonds to be sold to the public in the form of the preliminary official statement with such additions, modifications, and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and potential purchasers of the Bonds.

(c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the Bonds, the Director of Finance is authorized to execute a written Continuing Disclosure Agreement with respect to that Series, in substantially the form attached to this ordinance as Exhibit B.

Section 15. **Funds Created; Deposit and Use of Proceeds.** The 2025 Multipurpose LTGO Bond Fund is created in the City Treasury. For purposes of distinguishing among various Series of the Bonds, the Director

of Finance may, if necessary or convenient, create such subfunds, accounts, or subaccounts within such fund for purposes of maintaining separate records for each Series. Unless otherwise provided in the Bond Sale Terms, the principal proceeds and net premium, if any, received from the sale and delivery of any Series of the Bonds shall be paid into or allocated to the 2025 Multipurpose LTGO Bond Fund, or to such funds, subfunds, accounts, or subaccounts of the City Treasury as the Director may designate for that Series, and used for the purposes described in Section 2 of this ordinance. The Director of Finance may use the principal proceeds and net premium, if any, of any Series to pay for costs of issuance of that Series, and the Director also may incur and account for costs of issuance that are not included as part of the bond proceeds and net premium, including but not limited to any underwriter's discount.

The Director of Finance may (i) establish and transfer proceeds of the Bonds among funds, subfunds, accounts, or subaccounts in the City Treasury, or (ii) make or repay interfund loans pursuant to Seattle Municipal Code Section 5.06.030 to or from other City accounts or funds, all on terms that the Director may deem necessary, appropriate, or desirable to carry out the purposes of this ordinance and consistent with the Bond Sale Terms. Enactment of this ordinance authorizes the transfer of amounts from the 2025 Multipurpose LTGO Bond Fund (and such other funds, subfunds, accounts, or subaccounts created for the purpose described in this section) to other funds in order to carry out the purposes of this ordinance.

There has previously been created and established in the City Treasury the Bond Redemption Fund. Net premium and accrued interest received from the sale and delivery of a Series of the Bonds that is not necessary for the purposes described in Section 2 of this ordinance, if any, shall be paid or allocated into the Bond Redemption Fund prior to the first debt service payment date with respect to that Series.

Until needed to pay the Project expenses and the costs described in this ordinance, the City may invest the proceeds of any Series of the Bonds temporarily in any authorized investment, and the investment earnings shall be deposited in such funds, subfunds, accounts, and subaccounts as may be designated by the Director of Finance. Earnings subject to a federal tax or rebate requirement may be withdrawn from any such fund or

account and used for those federal tax or rebate purposes.

The Director of Finance may pay principal of and interest on a Series of the Bonds with any proceeds of that Series (including interest earnings thereon) remaining after applying such proceeds to the purposes set forth in Section 2 of this ordinance, or after the City Council has determined that the expenditure of such Bond proceeds for those purposes is no longer necessary or appropriate.

Section 16. **Amendment of Exhibit A to Ordinance 126219 (2021A Projects)**. Ordinance 126219 authorized issuance of the new money portion of the City’s Limited Tax General Obligation Improvement and Refunding Bonds, 2021, Series A (the “2021A Bonds”), and provided that proceeds of the 2021A Bonds would be used to carry out the costs of projects specified in Exhibit A to that ordinance or by future ordinance. Exhibit A to Ordinance 126219 was subsequently amended by Ordinances 126288, 126479, and 126938, and is further amended to read as set forth in Exhibit C-1, attached to this ordinance and incorporated by reference. Strikethrough text bracketed by double parentheses indicates deleted text and double underlining indicates inserted text, reflecting the cumulative effect of all amendments to the text originally adopted as Exhibit A to Ordinance 126219. This amendment is ratified and confirmed in all respects and restates and replaces Exhibit A to Ordinance 126219 in its entirety. No other terms of Ordinance 126219, as currently in effect, are modified by this amendment.

Section 17. **Amendment of Exhibit A to Ordinance 126479 (2022A Projects)**. Ordinance 126479 authorized issuance of the new money portion of the City’s Limited Tax General Obligation Improvement and Refunding Bonds, 2022A (the “2022A Bonds”), and provided that proceeds of the 2022A Bonds would be used to carry out the costs of projects specified in Exhibit A to that ordinance or by future ordinance. Exhibit A to Ordinance 126479 is amended to read as set forth in Exhibit C-2, attached to this ordinance and incorporated by reference. Strikethrough text bracketed by double parentheses indicates deleted text and double underlining indicates inserted text. This amendment is ratified and confirmed in all respects and restates and replaces Exhibit A to Ordinance 126479 in its entirety. No other terms of Ordinance 126479, as currently in effect, are

modified by this amendment.

Section 18. **General Authorization**. In addition to the specific authorizations in this ordinance, the Mayor, the Director of Finance, and each other appropriate officer of the City are each authorized and directed to do everything as in such official or officer's judgment may be necessary, appropriate, or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

(a) The Director of Finance, exercising discretion and without requiring further action by the City Council, (i) may issue requests for proposals to provide underwriting services or financing facilities (including liquidity or credit support), and may execute engagement letters with underwriters and other financial institutions (including providers of liquidity or credit support) based on responses to such requests; (ii) may select and make decisions regarding the Bond Registrar, fiscal or paying agents, and any Securities Depository for each Series of the Bonds; and (iii) may take such actions on behalf of the City as are necessary or appropriate for the City to designate, qualify, or maintain the tax-exempt treatment with respect to any Series issued as Tax-Exempt Bonds, to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series issued as Tax Credit Subsidy Bonds, and to otherwise receive any other federal tax benefits relating to any Series of the Bonds that are available to the City; and

(b) The Mayor and Director of Finance are independently authorized (i) to execute and deliver any and all contracts or other documents as are consistent with this ordinance and for which the City's approval is necessary or to which the City is a party (including but not limited to agreements with escrow agents; refunding or defeasance trustees; liquidity or credit support providers; bond insurers; underwriters; lenders or other financial institutions; the Bond Registrar and any other fiscal or paying agents; counterparties to interest rate swap, cap, floor, or similar agreements; and custodians); and (ii) to negotiate, execute, and deliver such other contracts or documents incidental to the issuance and sale of a Series of the Bonds; the establishment of the initial interest rate or rates on a Bond; or the tender, purchase, remarketing, or redemption of a Bond, as may in

such official's judgment be necessary or appropriate.

Section 19. **Severability**. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the invalidity of its application to any person or circumstance, does not affect the validity of the remainder of this ordinance or the validity of its application to other persons or circumstances.

Section 20. **Ratification of Prior Acts**. Any action consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 21. **Headings**. Section headings in this ordinance are nonsubstantive.

Section 22. **Effective Date**. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

EXHIBIT B

FORM OF CONTINUING DISCLOSURE AGREEMENT

The City of Seattle, Washington (the “City”) makes the following written undertaking (the “Undertaking”) for the benefit of the Owners of the City’s Limited Tax General Obligation Bonds, [Year][Series] (the “Bonds”), for the sole purpose of assisting the underwriter in meeting the requirements of paragraph (b)(5) of Rule 15c2-12 (the “Rule”), as applicable to a participating underwriter for the Bonds. Capitalized terms used but not defined below shall have the meanings given in Ordinance _____ (the “Bond Ordinance”).

(a) Undertaking to Provide Annual Financial Information and Notice of Listed Events.

The City undertakes to provide or cause to be provided, either directly or through a designated agent, to the Municipal Securities Rulemaking Board (the “MSRB”), in an electronic format as prescribed by the MSRB, accompanied by identifying information as prescribed by the MSRB:

(i) Annual financial information and operating data of the type included in the final official statement for the Bonds and described in subsection (b) of this section (“annual financial information”). The timely filing of unaudited financial statements shall satisfy the requirements and filing deadlines pertaining to the filing of annual financial statements under subsection (b), provided that audited financial statements are to be filed if and when they are otherwise prepared and available to the City.

(ii) Timely notice (not in excess of 10 business days after the occurrence of the event) of the occurrence of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS Form 5701 – TEB) or other material notices

1 or determinations with respect to the tax status of the Bonds, or other material events affecting the tax
2 status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls
3 (other than scheduled mandatory redemptions of Term Bonds), if material, and tender offers;
4 (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if
5 material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the City, as
6 such “Bankruptcy Events” are defined in the Rule; (13) the consummation of a merger, consolidation,
7 or acquisition involving the City or the sale of all or substantially all of the assets of the City other than
8 in the ordinary course of business, the entry into a definitive agreement to undertake such an action or
9 the termination of a definitive agreement relating to any such actions, other than pursuant to its terms,
10 if material; (14) appointment of a successor or additional trustee or the change of name of a trustee, if
11 material; (15) incurrence of a financial obligation of the City, if material, or agreement to covenants,
12 events of default, remedies, priority rights, or other similar terms of a financial obligation of the City,
13 any of which affect holders of the Bonds, if material; and (16) any default, event of acceleration,
14 termination event, modification of terms, or other similar event under the terms of a financial obligation
15 of the City, any of which reflect financial difficulties.

16 For purposes of this Undertaking, the term “financial obligation” shall mean a debt
17 obligation; derivative instrument entered into in connection with, or pledged as security or a source of
18 payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a
19 derivative instrument entered into in connection with, or pledged as security or a source of payment
20 for, an existing or planned debt obligation. The term “financial obligation” does not include municipal
21 securities as to which a final official statement has been provided to the MSRB consistent with the
22 Rule.

23 (iii) Timely notice of a failure by the City to provide required annual financial
24 information on or before the date specified in subsection (b) of this section.

1 (b) Type of Annual Financial Information Undertaken to be Provided. The annual
2 financial information that the City undertakes to provide in subsection (a) of this section:

3 (i) Shall consist of (1) annual financial statements of the City prepared in
4 accordance with applicable generally accepted accounting principles applicable to governmental units
5 (except as otherwise noted therein), as such principles may be changed from time to time and as
6 permitted by applicable state law; (2) a statement of outstanding general obligation debt of the City;
7 (3) the assessed value of the property within the City subject to ad valorem taxation; and (4) ad valorem
8 tax levy rates and amounts and percentages of taxes collected;

9 (ii) Shall be provided not later than the last day of the ninth month after the end of
10 each fiscal year of the City (currently, a fiscal year ending December 31), as such fiscal year may be
11 changed as required or permitted by state law, commencing with the City's fiscal year ending
12 December 31, 20__; and

13 (iii) May be provided in a single document or multiple documents, and may be
14 incorporated by specific reference to documents available to the public on the Internet website of the
15 MSRB or filed with the Securities and Exchange Commission.

16 (c) Amendment of Undertaking. This Undertaking is subject to amendment after the
17 primary offering of the Bonds without the consent of any Owner or holder of any Bond, or of any
18 broker, dealer, municipal securities dealer, participating underwriter, rating agency or the MSRB,
19 under the circumstances and in the manner permitted by the Rule, including:

20 (i) The amendment may only be made in connection with a change in
21 circumstances that arises from a change in legal requirements, change in law, or change in the identity,
22 nature, or status of the City, or type of business conducted by the City;

23 (ii) The Undertaking, as amended, would have complied with the requirements of
24 the Rule at the time of the primary offering, after taking into account any amendments or interpretations
25 of the Rule, as well as any change in circumstances; and

1 (iii) The amendment does not materially impair the interests of holders, as
2 determined either by parties unaffiliated with the City (e.g., bond counsel or other counsel familiar
3 with federal securities laws), or by an approving vote of bondholders pursuant to the terms of the Bond
4 Ordinance at the time of the amendment.

5 The City will give notice to the MSRB of the substance (or provide a copy) of any amendment
6 to this Undertaking and a brief statement of the reasons for the amendment. If the amendment changes
7 the type of annual financial information to be provided, the annual financial information containing
8 the amended financial information will include a narrative explanation of the effect of that change on
9 the type of information to be provided.

10 (d) Beneficiaries. This Undertaking shall inure to the benefit of the City and any Owner
11 of Bonds, and shall not inure to the benefit of or create any rights in any other person.

12 (e) Termination of Undertaking. The City's obligations under this Undertaking shall
13 terminate upon the legal defeasance, prior redemption, or payment in full of all of the Bonds. In
14 addition, the City's obligations under this Undertaking shall terminate if those provisions of the Rule
15 that require the City to comply with this Undertaking become legally inapplicable in respect of the
16 Bonds for any reason, as confirmed by an opinion of nationally recognized bond counsel or other
17 counsel familiar with federal securities laws delivered to the City, and the City provides timely notice
18 of such termination to the MSRB.

19 (f) Remedy for Failure to Comply with Undertaking. As soon as practicable after the City
20 learns of any material failure to comply with this Undertaking, the City will proceed with due diligence
21 to cause such noncompliance to be corrected. No failure by the City or other obligated person to comply
22 with this Undertaking shall constitute a default in respect of the Bonds. The sole remedy of any Owner
23 of a Bond shall be to take such actions as that Owner deems necessary, including seeking an order of
24 specific performance from an appropriate court, to compel the City or other obligated person to comply
25 with this Undertaking.

1 (g) Designation of Official Responsible to Administer Undertaking. The Director of
2 Finance of the City (or such other officer of the City who may in the future perform the duties of that
3 office) or the Director’s designee is the person designated, in accordance with the Bond Ordinance, to
4 carry out this Undertaking of the City in respect of the Bonds set forth in this section and in accordance
5 with the Rule, including, without limitation, the following actions:

6 (i) Preparing and filing the annual financial information undertaken to be
7 provided;

8 (ii) Determining whether any event specified in subsection (a)(ii) has occurred,
9 assessing its materiality, where necessary, with respect to the Bonds, and preparing and disseminating
10 any required notice of its occurrence;

11 (iii) Determining whether any person other than the City is an “obligated person”
12 within the meaning of the Rule with respect to the Bonds, and obtaining from such person an
13 undertaking to provide any annual financial information and notice of listed events for that person in
14 accordance with the Rule;

15 (iv) Selecting, engaging and compensating designated agents and consultants,
16 including but not limited to financial advisors and legal counsel, to assist and advise the City in carrying
17 out this Undertaking; and

18 (v) Effecting any necessary amendment of the Undertaking.

EXHIBIT C-1

AMENDED AND RESTATED EXHIBIT A TO ORDINANCE 126219 (as amended by Ordinances 126288 (Exhibit A), 126479 (Exhibit C), 126938 (Exhibit C-7) and this ordinance)¹

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
Office of City Finance	Kristi Beattie	Matt Courtois

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to contracting indebtedness; authorizing and providing for the issuance and sale of limited tax general obligation bonds to pay or reimburse all or part of the costs of various elements of the City’s capital improvement program and for other City purposes approved by ordinance and to pay the costs of issuance of the bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; creating the 2025 Multipurpose LTGO Bond Fund; amending Ordinance 126219 (as previously amended by Ordinances 126288, 126479, and 126938) and Ordinance 126479; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: This legislation provides the legal authorization to issue up to \$65.3 million of Limited Tax General Obligation (LTGO) Bonds, as assumed in the 2025 Budget and the 2025-2030 Capital Improvement Program (CIP).

Although the Budget and CIP make specific assumptions about the use of debt financing for a certain share of the CIP, separate authorization for the issuance of bonds is technically required.

This bond sale is anticipated to occur in mid-2025. The bond proceeds will support a share of the City’s general government capital program for about 12 months. The bond sizing is based on the proposed budget and current cash-flow projections. The bond proceeds will be used to pay or reimburse all or part of the costs of the projects supported by the bond issuance (which may include capitalized interest) and pay issuance costs.

The City’s CIP identifies debt financing for certain projects and the City’s budget appropriates the associated debt service. The following table provides details of this bond issue:

2025 Multipurpose GO Bond Issuance - in \$1,000s Informational Only

Project	Approximate		Max. Term	Approx. Rate	Debt Service	Debt Service	Funding
	Project Fund Deposit	Approx. Par Amount (1)			Adopted 2025	Estimated 2026

Total	63,438	65,341			3,205	8,178	

(1) Includes 3% for costs of issuance and pricing adjustments.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.

This legislation affects the Office of City Finance and various operating departments with projects being financed by this bond issue.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.
No.

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

N/A.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

N/A.

- iii. What is the Language Access Plan for any communications to the public?

N/A.

- d. Climate Change Implications

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

No.

- ii. **Resiliency:** Will the action(s) proposed by this legislation increase or decrease Seattle’s resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A.

- e. **If this legislation includes a new initiative or a major programmatic expansion:** What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program’s desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

N/A.

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the electric system of The City of Seattle; adopting a system or plan of additions and betterments to and extensions of the existing municipal light and electric power generation, transmission, and distribution system of the City; authorizing the issuance and sale of municipal light and power revenue bonds for the purposes of providing funds to pay part of the cost of carrying out that system or plan, providing for the reserve fund requirement (if necessary), and paying the costs of issuance of the bonds; providing parameters for the Bond Sale Terms including conditions, covenants, and other sale terms; describing the lien of the bonds and authorizing their issuance as either senior lien parity bonds or junior lien bonds; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle (the “City”) owns, operates, and maintains a municipal light and electric power generation, transmission, and distribution system (the “Light System”) which Light System from time to time requires various additions, improvements, betterments, and extensions; and

WHEREAS, the City desires to acquire and construct certain additions, improvements, and betterments to, and extensions of, the Light System (the “Plan of Additions”) as described in this ordinance, and needs to borrow funds to pay a portion of the costs of carrying out such Plan of Additions; and

WHEREAS, the City currently has outstanding certain municipal light and power revenue bonds (as identified in Exhibit A to this ordinance, the “Outstanding Parity Bonds”) having a charge and lien upon Gross Revenues of the Light System available after payment of Operating and Maintenance Expense (“Net Revenue”) prior and superior to all other charges whatsoever; and

WHEREAS, pursuant to the Outstanding Parity Bond Ordinances identified in Exhibit A to this ordinance, the City reserved the right to issue additional municipal light and power revenue bonds having a lien and charge on Net Revenue of the Light System on parity with the lien and charge of the Outstanding Parity

Bonds (“Future Parity Bonds”), upon satisfaction of certain conditions (the “Parity Conditions”); and

WHEREAS, pursuant to the Outstanding Parity Bond Ordinances, the City also reserved the right to issue additional municipal light and power revenue bonds or other obligations having a lien and charge on Net Revenue of the Light System that is junior and subordinate to the lien and charge of the Outstanding Parity Bonds (the “Junior Lien Bonds”); and

WHEREAS, after due consideration, the City has determined that it is in the best interest of the City and its ratepayers to authorize, subject to the provisions of this ordinance, the issuance and sale of municipal light and power revenue bonds as either Parity Bonds or Junior Lien Bonds to pay part of the cost of the Plan of Additions, to provide for the reserve fund requirement (if necessary), and to pay the costs of issuance of those bonds; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. **Definitions.** In this ordinance, the following capitalized terms shall have the meanings set forth in this section.

“**Accreted Value**” means with respect to any Capital Appreciation Bond, (a) as of any Valuation Date, the amount determined for such Valuation Date in accordance with the applicable Bond Documents, and (b) as of any date other than a Valuation Date, the sum of (i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the numerator of which is the number of days having elapsed from the preceding Valuation Date and the denominator of which is the number of days from such preceding Valuation Date to the next succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues during any semiannual period in equal daily amounts on the basis of a year of 12 30-day months, and (B) the difference between the Accreted Values for such Valuation Dates.

“**Adjusted Net Revenue**” means Net Revenue, less any deposits into the Rate Stabilization Account and plus any withdrawals from the Rate Stabilization Account. In calculating Net Revenue, the City may include the Tax Credit Subsidy Payments the City expects to receive from the federal government in respect to

the interest on any Tax Credit Subsidy Bonds (or with respect to which the federal government will provide direct payments). In a Parity Certificate, Adjusted Net Revenue is subject to further adjustment as set forth in subsection 18(a)(ii) of this ordinance. In a Junior Lien Coverage Certificate, Adjusted Net Revenue is subject to further adjustment as set forth in subsection 18(b)(ii) of this ordinance.

“Alternate Reserve Security” means Qualified Insurance or a Qualified Letter of Credit that is used by the City to satisfy part or all of the Reserve Fund Requirement, and that is not cancelable on less than five years’ notice.

“Annual Debt Service” means, with respect to either Parity Bonds (or a series of Parity Bonds) (**“Annual Parity Bond Debt Service”**) or Junior Lien Bonds (or a series of Junior Lien Bonds) (**“Annual Junior Lien Debt Service”**), as applicable, the sum of the amounts required in a calendar year to pay the interest due in such calendar year (excluding interest to be paid from the proceeds of the sale of bonds), the principal of Serial Bonds maturing in such calendar year, and the Sinking Fund Requirements for any Term Bonds due in such calendar year. Additionally, for purposes of this definition:

(a) **Calculation of Interest Due Generally.** Except as otherwise provided in this definition, interest shall be calculated based on the actual amount of accrued, accreted, or otherwise accumulated interest that is payable in respect of the relevant series of Parity Bonds or Junior Lien Bonds, as applicable, taken as a whole, at the rate or rates set forth in the applicable Bond Documents.

(b) **Capital Appreciation Bonds.** The principal and interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and unpaid and accruing interest or principal in such manner and during such period of time as is specified in the Bond Documents applicable to such Capital Appreciation Bonds.

(c) **Variable Interest Rate Bonds.**

(i) **Assumed Interest on Variable Interest Rate Parity Bonds.** The amount of interest deemed to be payable on any series of Parity Bonds that are Variable Interest Rate Bonds shall be calculated under the

assumption that the interest rate on those bonds is equal to the highest 12-month rolling average of the SIFMA Municipal Swap Index over the preceding five years.

(ii) **Assumed Interest on Variable Interest Rate Junior Lien Bonds.** The amount of interest deemed to be payable on any series of Junior Lien Bonds that are Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds is equal to the highest 12-month rolling average (ending with the month preceding the date of the calculation) of the SIFMA Municipal Swap Index over the preceding five years.

(d) **Interest on Bonds with Respect to Which a Payment Agreement is in Force.** In general, debt service on any bonds (Parity Bonds or Junior Lien Bonds, as applicable) with respect to which a Payment Agreement is in force shall be based on the net economic effect on the City expected to be produced by the terms of the applicable Bond Documents and the terms of the Payment Agreement. For example, if the net effect of the Payment Agreement on a series of bonds otherwise bearing interest at a variable interest rate is to produce an obligation bearing interest at a fixed rate, the relevant series of bonds shall be treated as fixed rate bonds. And if the net effect of the Payment Agreement on a series of bonds otherwise bearing interest at a fixed interest rate is to produce an obligation bearing interest at a variable interest rate, the relevant series of bonds shall be treated as Variable Interest Rate Bonds.

Accordingly, the amount of interest deemed to be payable on any series of Parity Bonds (or Junior Lien Bonds, as applicable) with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in or determined pursuant to the applicable Bond Documents, plus Payment Agreement Payments, minus Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment Agreement that includes a variable rate component determined by reference to a pricing mechanism or index that is not the same as the pricing mechanism or index used to determine the variable rate interest component on the series of bonds to which the Payment Agreement is related, it shall be assumed that: (i) the

fixed rate used in calculating Payment Agreement Payments will be equal to 105 percent of the fixed rate specified by the Payment Agreement, and (ii) the pricing mechanism or index specified by the Payment Agreement is the same as the pricing mechanism or index specified by the applicable Bond Documents. Notwithstanding the other provisions of this definition, the City shall not be required to (but may in its discretion) take into account in determining Annual Debt Service the effects of any Payment Agreement that has a term of ten years or less.

(e) Parity Payment Agreements; Junior Lien Payment Agreements. For any period during which Payment Agreement Payments under a Parity Payment Agreement (or Junior Lien Payment Agreement, as applicable) are taken into account in determining Annual Debt Service on the related Parity Bonds (or Junior Lien Bonds, as applicable) under subsection (d) of this definition, no additional debt service shall be taken into account with respect to that Parity Payment Agreement (or Junior Lien Payment Agreement, as applicable). However, for any period during which Payment Agreement Payments are not taken into account under subsection (d) of this definition because the Parity Payment Agreement (or Junior Lien Payment Agreement, as applicable) is not then related to any Outstanding Parity Bonds (or Junior Lien Bonds, as applicable), payments on that Payment Agreement shall be taken into account by assuming:

(i) If City is Obligated to Make Payments Based on a Fixed Rate. If the City is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make payments based on a variable rate index, it shall be assumed that payments by the City will be based on the assumed fixed payor rate, and that payments by the Qualified Counterparty will be based on a rate equal to the average rate determined by the variable rate index specified by the Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made.

(ii) If City is Obligated to Make Payments Based on a Variable Rate Index. If the City is obligated to make Payment Agreement Payments based on a variable rate index and the Qualified Counterparty is obligated to make payments based on a fixed rate, it shall be assumed that payments by the City will be based

on a rate equal to the average rate determined by the variable rate index specified by the Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and that the Qualified Counterparty will make payments based on the fixed rate specified by the Payment Agreement.

(f) **Balloon Bonds.** In calculating Annual Debt Service for any series of Parity Bonds, the City may in its discretion treat the debt service requirements with respect to Parity Bonds that are Balloon Bonds (including principal of and interest on such bonds at the applicable rate or rates) as being amortized in approximately equal annual installments over a period equal to the longer of 30 years or the remaining term of such series of Parity Bonds.

In calculating Annual Debt Service for any series of Junior Lien Bonds, the City may in its discretion treat the debt service requirements with respect to Junior Lien Bonds that are Balloon Bonds (including principal of and interest on such bonds at the applicable rate or rates) as being amortized in approximately equal annual installments over a period equal to the longer of 30 years or the remaining term of such series of Junior Lien Bonds.

(g) **Adjustments for Defeased Bonds.** For purposes of determining compliance with the rate covenants set forth in subsections 17(a)(ii) and 17(b)(ii) of this ordinance, calculating the Reserve Fund Requirement, and making coverage ratio calculations in connection with the delivery of a Parity Certificate or Junior Lien Coverage Certificate, Annual Debt Service shall be adjusted as set forth in subsection 20(d) of this ordinance.

(h) **Reimbursement Obligations.** If any payment under a Parity Reimbursement Obligation is then due and payable, or is then reasonably expected to become due and payable, the reasonably estimated amount and timing of such payment, calculated in accordance with applicable generally accepted accounting principles and as reflected in the annual financial statements of the Light System, shall be included in calculating Annual Debt Service for purposes of delivering a Parity Certificate. If any payment under a Parity Reimbursement Obligation, an Intermediate Lien Reimbursement Obligation, or a Junior Lien Reimbursement Obligation is then due and payable, or is then reasonably expected to become due and payable, the reasonably estimated

amount and timing of such payment, calculated in accordance with applicable generally accepted accounting principles and as reflected in the annual financial statements of the Light System, shall be included in calculating Annual Junior Lien Debt Service for purposes of delivering a Junior Lien Coverage Certificate.

“Authorized Denomination” means \$5,000 or any integral multiple thereof within a maturity of a Series, or such other minimum authorized denominations as may be specified in the applicable Bond Documents.

“Average Annual Debt Service” means, for purposes of calculating the Reserve Fund Requirement with respect to all Parity Bonds outstanding at the time of calculation, the sum of the Annual Parity Bond Debt Service remaining to be paid to the last scheduled maturity of the applicable Parity Bonds, divided by the number of years such Parity Bonds are scheduled to remain outstanding.

“Balloon Bonds” means any series of either Parity Bonds or Junior Lien Bonds, as applicable, the aggregate principal amount (including Sinking Fund Requirements) of which becomes due and payable in any calendar year in an amount that constitutes 25 percent or more of the initial aggregate principal amount of such series.

“Beneficial Owner” means, with regard to a Bond, the owner of any beneficial interest in that Bond.

“Bond” means a municipal light and power revenue bond issued pursuant to this ordinance.

“Bond Counsel” means a lawyer or a firm of lawyers, selected by the City, of nationally recognized standing in matters pertaining to bonds issued by states and their political subdivisions.

“Bond Documents” means (a)(i) with respect to any Series of the Bonds, this ordinance (including any amendatory or supplemental ordinances), (ii) with respect to a series of Parity Bonds other than a Series of the Bonds, the applicable Parity Bond Ordinance(s), and (iii) with respect to any Junior Lien Bonds other than a Series of the Bonds, the applicable Junior Lien Bond Ordinance(s); (b) the authenticated bond form; and (c) the written agreement(s) setting forth the Bond Sale Terms and additional terms, conditions, or covenants pursuant to which such bond was issued and sold, as set forth in any one or more of the following (if any): (i) a sale

resolution, (ii) a bond purchase contract (as defined in the applicable authorizing ordinance), (iii) a bond indenture or a fiscal agent or paying agent agreement (other than the State fiscal agency contract), and (iv) a direct purchase or continuing covenant agreement.

“Bond Owners’ Trustee” means a bank or trust company organized under the laws of the State, or a national banking association, appointed in accordance with subsection 24(e) of this ordinance to act as trustee on behalf of the owners, from time to time, of either the Outstanding Parity Bonds or the Outstanding Junior Lien Bonds, as the case may be.

“Bond Purchase Contract” means a written offer to purchase a Series of the Bonds pursuant to certain Bond Sale Terms, which offer has been accepted by the City in accordance with this ordinance. In the case of a competitive sale, the Purchaser’s bid for a Series, together with the official notice of sale and a Pricing Certificate confirming the Bond Sale Terms, shall comprise the Bond Purchase Contract.

“Bond Register” means the books or records maintained by the Bond Registrar for the purpose of registering ownership of each Bond.

“Bond Registrar” means the Fiscal Agent (unless the Director of Finance appoints a different person to act as bond registrar with respect to a particular Series), or any successor bond registrar selected in accordance with the System of Registration.

“Bond Sale Terms” means the terms and conditions for the sale of a Series of the Bonds approved by the Director of Finance consistent with the parameters set forth in Section 5 of this ordinance, including the amount, date or dates, denominations, interest rate or rates (or mechanism for determining the interest rate or rates), payment dates, final maturity, redemption rights, price, and other terms, conditions or covenants. In connection with a negotiated sale or private placement, the Bond Sale Terms shall be set forth in a Bond Purchase Contract; in connection with a competitive sale, the Bond Sale Terms shall be set forth in a Pricing Certificate.

“Book-Entry Form” means a fully registered form in which physical bond certificates are registered

only in the name of the Securities Depository (or its nominee), as Registered Owner, with the physical bond certificates held by and “immobilized” in the custody of the Securities Depository (or its designee), where the system for recording and identifying the transfer of the ownership interests of the Beneficial Owners in those Bonds is neither maintained by nor the responsibility of the City or the Bond Registrar.

“Capital Appreciation Bond” means any Parity Bond or Junior Lien Bond, all or a portion of the interest on which is compounded and accumulated at the rates or in the manner, and on the dates, set forth in the applicable Bond Documents, and is payable only upon redemption or on the maturity date of such Capital Appreciation Bond. A Parity Bond or a Junior Lien Bond that is issued as a Capital Appreciation Bond, but which later converts to an obligation on which interest is paid periodically, shall be a Capital Appreciation Bond until the conversion date and thereafter shall no longer be a Capital Appreciation Bond, but shall be treated as having a principal amount equal to its Accreted Value on the conversion date. For purposes of (a) receiving payment of the redemption premium, if any, on a Capital Appreciation Bond that is redeemed prior to maturity, or (b) computing the principal amount of Parity Bonds (or Junior Lien Bonds, as applicable) held by the Owner of a Capital Appreciation Bond in connection with any notice, consent, request, or demand pursuant to this ordinance or for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value at the time that such notice, consent, request, or demand is given or made.

“Capital Improvement Program” or “CIP” means the portion or portions of the “2025-2030 Capital Improvement Program” relating to the Light System adopted by Ordinance _____. For purposes of this ordinance, the CIP includes all amendments, updates, supplements or replacements that may be adopted from time to time by ordinance.

“City” means The City of Seattle, Washington.

“City Council” means the City Council of the City, as duly and regularly constituted from time to time.

“Code” means the Internal Revenue Code of 1986, or any successor thereto, as amended at any time, and regulations thereunder.

“Conservation Plan” means the 2024 Demand-Side Management Potential Assessment with respect to the Light System, reviewed by the City Council in connection with the adoption of Resolution 32134, to the extent that funds are appropriated by the City therefor. The term Conservation Plan includes all future amendments and supplements to and all replacements or updates of the 2024 Demand-Side Management Potential Assessment, as well as any previously adopted assessment of conservation potential.

“Construction Account” means such fund, subfund, or account within the Light Fund as may be designated from time to time by the Director of Finance for the payment of costs of the Plan of Additions.

“Continuing Disclosure Agreement” means, for each Series that is sold in an offering subject to federal securities regulations requiring a written undertaking to provide continuing disclosure, a continuing disclosure agreement entered into pursuant to Section 22 of this ordinance in substantially the form attached to this ordinance as Exhibit B.

“Defeasible Bonds” means the Defeasible Parity Bonds and the Defeasible Junior Lien Bonds.

“Defeasible Junior Lien Bonds” means any outstanding Junior Lien Bonds that are eligible to be defeased pursuant to the Omnibus Defeasance Ordinance.

“Defeasible Parity Bonds” means any outstanding Parity Bonds that are eligible to be defeased pursuant to the Omnibus Defeasance Ordinance.

“Deferred Hydroelectric Project Relicensing Costs” means certain costs required by the Federal Energy Regulatory Commission to be incurred as a condition of the renewal of licenses for the Light System’s hydroelectric projects, which costs are treated in the same manner as capital expenditures.

“Director of Finance” or **“Director”** means the City’s Director of Finance or such other official who succeeds to substantially all of the responsibilities of that office.

“DTC” means The Depository Trust Company, New York, New York.

“Event of Default” has the meaning given in Section 24 of this ordinance. A “Parity Bond Event of Default” shall refer to those Events of Default relating to nonpayment of Parity Bonds, or defaults in respect of

the Parity Bond covenants set forth in this ordinance and in the applicable Parity Bond Documents giving rise to remedies available to the owners of Parity Bonds. A “Junior Lien Bond Event of Default” shall refer to those Events of Default relating to nonpayment of Junior Lien Bonds, or in respect of the Junior Lien Bond covenants set forth herein and in the applicable Junior Lien Bond Documents giving rise to remedies available to the owners of Junior Lien Bonds.

“Fiscal Agent” means the fiscal agent of the State, as the same may be designated by the State from time to time.

“Future Junior Lien Bonds” means, with reference to any Series designated as Junior Lien Bonds, any revenue obligations of the Light System issued or entered into after the Issue Date of such Series, the payment of which constitutes a charge and lien upon Net Revenue equal in priority with the charge and lien upon such Net Revenue for the payment of the amounts required to be paid into the Junior Lien Debt Service Fund to pay and secure payment of the Junior Lien Bonds (including Junior Lien Payment Agreements and Junior Lien Reimbursement Obligations), in accordance with the priority of payment set forth in Section 14 of this ordinance. Future Junior Lien Bonds may include Junior Lien Payment Agreements issued in compliance with the Junior Lien Additional Bonds Test.

“Future Parity Bond Ordinance” means any ordinance passed by the City Council providing for the issuance and sale of a series of Future Parity Bonds, and any other ordinance amending or supplementing the provisions of any such ordinance.

“Future Parity Bonds” means, with reference to any Series designated as Parity Bonds, any revenue obligations of the Light System issued or entered into after the Issue Date of such Series, the payment of which constitutes a charge and lien upon Net Revenue equal in priority with the charge and lien upon such Net Revenue for the payment of the amounts required to be paid into the Parity Bond Fund and the Reserve Fund to pay and secure payment of the Parity Bonds in accordance with Section 14 of this ordinance. Future Parity Bonds include Parity Payment Agreements, Parity Reimbursement Obligations, and any other obligations

issued in compliance with the Parity Conditions.

“Government Obligations” means, unless otherwise limited in the Bond Documents for a particular Series of the Bonds, any government obligation as that term is defined in RCW 39.53.010, as amended at any time.

“Gross Revenues” means (a) all income, revenues, receipts, and profits derived by the City through the ownership and operation of the Light System; (b) the proceeds received by the City directly or indirectly from the sale, lease, or other disposition of any of the properties, rights or facilities of the Light System; (c) Payment Agreement Receipts, to the extent that such receipts are not offset by Payment Agreement Payments; and (d) the investment income earned on money held in any fund or account of the City, including any bond redemption funds and the accounts therein, in connection with the ownership and operation of the Light System. Gross Revenues do not include: (i) insurance proceeds compensating the City for the loss of a capital asset; (ii) income derived from investments irrevocably pledged to the payment of any defeased bonds payable from Gross Revenues; (iii) investment income earned on money in any fund or account created or maintained solely for the purpose of complying with the arbitrage rebate provisions of the Code; (iv) any gifts, grants, donations, or other funds received by the City from any State or federal agency or other person if such gifts, grants, donations, or other funds are the subject of any limitation or reservation imposed by the donor or grantor or imposed by law or administrative regulation to which the donor or grantor is subject, limiting the application of such funds in a manner inconsistent with the application of Gross Revenues hereunder; (v) the proceeds of any borrowing for capital improvements (or the refinancing thereof); and (vi) the proceeds of any liability or other insurance (excluding business interruption insurance or other insurance of like nature insuring against the loss of revenues).

“Intermediate Lien Reimbursement Obligation” means any payment or reimbursement obligation incurred under a written agreement entered into in connection with a series of Parity Bonds or to obtain Qualified Insurance or a Qualified Letter of Credit, under which the City’s payment obligations are expressly

stated to constitute a lien and charge on Net Revenue junior in rank to the lien and charge upon such Net Revenue required to be paid into the Parity Bond Fund to pay and secure the payment of the Parity Bonds, but senior to the lien and charge upon such Net Revenue required to be paid into the Junior Lien Debt Service Fund to pay and secure the payment of the Junior Lien Bonds. For purposes of determining percentages of ownership of Bonds under this ordinance or under any Bond Documents, Intermediate Lien Reimbursement Obligations shall be deemed to have no principal amount, and any consent or similar rights (if any) shall be determined only as set forth in the applicable Intermediate Lien Reimbursement Obligations.

“Issue Date” means, with respect to a Bond, the initial date on which that Bond is issued and delivered to the initial Purchaser in exchange for its purchase price.

“Junior Lien Additional Bonds Test” means the conditions set forth in subsection 18(b) of this ordinance for issuing additional Junior Lien Bonds (including Junior Lien Payment Agreements and Junior Lien Reimbursement Obligations).

“Junior Lien Bond” means, generally, any bond or obligation secured by a lien and charge on Net Revenue that is junior and subordinate to the lien and charge of the Parity Bonds and Intermediate Lien Reimbursement Obligations, but prior and superior to other liens and charges, in accordance with the priority of payment set forth in Section 14 of this ordinance. The term Junior Lien Bond may refer to (a) any Bond of a Series issued pursuant to this ordinance that is so designated by the Director of Finance upon satisfaction of the Junior Lien Additional Bonds Test; (b) any Future Junior Lien Bond; (c) any Junior Lien Payment Agreement; and (d) any Junior Lien Reimbursement Obligation.

“Junior Lien Bond Documents” means those Bond Documents applicable to a series of Junior Lien Bonds.

“Junior Lien Bond Ordinance” means this ordinance (if used in connection with the issuance of a series of Junior Lien Bonds authorized hereby) and any future ordinance authorizing the issuance and sale of any Future Junior Lien Bonds, including any ordinance amending or supplementing the provisions of any

Junior Lien Bond Ordinance.

“Junior Lien Coverage Certificate” means a certificate delivered pursuant to subsection 18(b)(ii) of this ordinance, for purposes of satisfying the Junior Lien Additional Bonds Test in connection with the issuance of Future Junior Lien Bonds.

“Junior Lien Debt Service Fund” means the special fund of the City known as the Seattle Municipal Light Revenue Junior Lien Debt Service Fund established within the Light Fund pursuant to Ordinance 125459 for the purpose of paying and securing the principal of and interest on Junior Lien Bonds and securing obligations under Junior Lien Payment Agreements and Junior Lien Reimbursement Obligations.

“Junior Lien Payment Agreement” means any Payment Agreement that is entered into in compliance with the Junior Lien Additional Bonds Test, and under which the City’s payment obligations are expressly stated to constitute a lien and charge on Net Revenue equal in rank with the lien and charge upon such Net Revenue required to be paid into the Junior Lien Debt Service Fund to pay and secure the payment of the Junior Lien Bonds in accordance with Section 14 of this ordinance. For purposes of determining percentages of ownership of Junior Lien Bonds under this ordinance or under any Bond Documents, Junior Lien Payment Agreements shall be deemed to have no principal amount, and any consent or similar rights (if any) shall be determined only as set forth in the applicable Junior Lien Payment Agreement.

“Junior Lien Reimbursement Obligation” means any reimbursement obligation incurred under a written reimbursement agreement (or similar agreement) entered into in connection with a series of Junior Lien Bonds to obtain Qualified Insurance or a Qualified Letter of Credit, under which the City’s payment obligations are expressly stated to constitute a lien and charge on Net Revenue equal in rank with the lien and charge upon such Net Revenue required to be paid into the Junior Lien Debt Service Fund to pay and secure the payment of the Junior Lien Bonds. For purposes of determining percentages of ownership of Junior Lien Bonds under this ordinance or under any Bond Documents, Junior Lien Reimbursement Obligations shall be deemed to have no principal amount, and any consent or similar rights (if any) shall be determined only as set forth in the

applicable Junior Lien Reimbursement Obligations.

“Letter of Representations” means the Blanket Issuer Letter of Representations between the City and DTC dated October 4, 2006, as amended at any time, or an agreement with a substitute or successor Securities Depository.

“Light Fund” means the special fund of that name previously created and established by the City.

“Light System” means the municipal light and power generation, transmission, and distribution system now belonging to or that may later belong to the City.

“Maximum Annual Debt Service” means, with respect to Parity Bonds (or Junior Lien Bonds, as applicable), the maximum amount of Annual Debt Service that shall become due in the current calendar year or in any future calendar year with respect to those Parity Bonds (or Junior Lien Bonds, as applicable) that are outstanding as of the calculation date.

“MSRB” means the Municipal Securities Rulemaking Board.

“Net Revenue” means, for any period, Gross Revenues less Operating and Maintenance Expense.

“Omnibus Defeasance Ordinance” means Ordinance 126220, as amended at any time, authorizing the defeasance of Defeasible Bonds, or any future ordinance of the City pursuant to which the Bonds (or any Series of the Bonds) are designated as Defeasible Bonds.

“Omnibus Refunding Ordinance” means Ordinance 126940 (which amended and restated Ordinance 125460, as amended by Ordinance 125987), as it may be amended at any time, or any future ordinance authorizing the issuance of refunding bonds, pursuant to which the Bonds (or any Series of the Bonds) are designated as Refundable Bonds.

“Operating and Maintenance Expense” means all reasonable charges incurred by the City in causing the Light System to be operated and maintained in good repair, working order and condition, including but not limited to all operating expenses under applicable generally accepted accounting principles included in the annual audited financial statements of the Light System, except those excluded in this definition. Operating and

Maintenance Expense does not include: (a) extraordinary, nonrecurring expenses of the Light System or any judgments or amounts to be paid in settlement of claims against the Light System; (b) non-cash expenses relating to a mark-to-market treatment of energy-related contracts; (c) any costs or expenses (including interest expense) for new construction, replacements, or renewals of Light System property; (d) Deferred Hydroelectric Project Relicensing Costs, the High Ross Capital Payments (as defined in the Outstanding Parity Bond Ordinances), or other similar payments under any agreement for the development or licensing of a capital improvement or asset, under which agreement the City agrees to make periodic payments in respect of its share of the capital expense; (e) any allowance for depreciation, amortization, or similar recognitions of non-cash expense items made for accounting purposes only (including non-cash pension expense); (f) any taxes levied by or paid to the City (or payments in lieu of taxes) upon the properties or earnings of the Light System; or (g) any obligation authorized pursuant to ordinance or resolution specifically excluding the payment of such obligation from Operating and Maintenance Expense.

“Outstanding Junior Lien Bonds” means, with reference to a particular Series of Junior Lien Bonds issued pursuant to this ordinance, those Junior Lien Bonds that are outstanding as of the Issue Date of such Series.

“Outstanding Parity Bond Ordinances” means the ordinances authorizing the various series of Outstanding Parity Bonds.

“Outstanding Parity Bonds” means, when referencing Parity Bonds outstanding as of the date of this ordinance, those outstanding Parity Bonds identified in Exhibit A to this ordinance. When used in reference to a particular date in the future or in reference to a particular series of Parity Bonds, Outstanding Parity Bonds shall mean those Parity Bonds that are outstanding as of that future date or as of the issue date of such series.

“Owner” means, without distinction, the Registered Owner and the Beneficial Owner of a Bond.

“Parity Bond” means, generally, any bond or obligation secured by a lien and charge on Net Revenue that is prior and superior to any other liens or charges whatsoever, in accordance with the priority of payment

set forth in Section 14 of this ordinance. The term Parity Bond may refer to: (a) the Outstanding Parity Bonds identified in Exhibit A to this ordinance; (b) each Series of the Bonds designated by the Director of Finance as a Series of Parity Bonds upon satisfaction of the Parity Conditions; (c) any Future Parity Bonds; and (d) any Parity Payment Agreement entered into upon satisfaction of the Parity Conditions.

“Parity Bond Documents” means those Bond Documents applicable to a series of Parity Bonds.

“Parity Bond Fund” means the special fund of the City known as the Seattle Municipal Light Revenue Parity Bond Fund established within the Light Fund pursuant to Ordinance 92938 for the purpose of paying and securing the payment of principal of and interest on Parity Bonds (including Parity Payment Agreement Payments) and payments under Parity Reimbursement Obligations.

“Parity Bond Ordinance” means any ordinance passed by the City Council providing for the issuance and sale of any Series of Parity Bonds, and any other ordinance amending or supplementing the provisions of any Parity Bond Ordinance.

“Parity Certificate” means a certificate delivered pursuant to subsection 18(a)(ii) of this ordinance, and the corresponding provisions of the Outstanding Parity Bond Ordinances, for purposes of satisfying the Parity Conditions in connection with the issuance of the Bonds and any Future Parity Bonds.

“Parity Conditions” means (a) for purposes of establishing that a Series of the Bonds may be issued on parity with the Parity Bonds outstanding as of the Issue Date of such Series, the conditions for issuing Future Parity Bonds set forth in the Parity Bond Ordinances relating to those Parity Bonds that are then outstanding; and (b) for purposes of issuing Future Parity Bonds on parity with a Series of the Bonds, the conditions described in the preceding clause (a) together with the conditions set forth in subsection 18(a) of this ordinance.

“Parity Payment Agreement” means a Payment Agreement that is entered into in compliance with the Parity Conditions and under which the City’s payment obligations are expressly stated to constitute a lien and charge on Net Revenue equal in rank with the lien and charge upon such Net Revenue required to be paid into the Parity Bond Fund and the Reserve Fund to pay and secure the payment of principal of and interest on Parity

Bonds in accordance with Section 14 of this ordinance. For purposes of determining percentages of ownership of Parity Bonds under this ordinance or under any Bond Documents, Parity Payment Agreements shall be deemed to have no principal amount, and any consent or similar rights (if any) shall be determined only as set forth in the applicable Parity Payment Agreement.

“Parity Reimbursement Obligation” means any payment or reimbursement obligation incurred under a written agreement entered into in connection with a series of Parity Bonds or to obtain Qualified Insurance or a Qualified Letter of Credit (other than Qualified Insurance or a Qualified Letter of Credit obtained to satisfy all or part of the Reserve Fund Requirement), under which the City’s payment obligations are expressly stated to constitute a lien and charge on Net Revenue equal in rank to the lien and charge upon such Net Revenue required to be paid into the Parity Bond Fund to pay and secure the payment of the principal of and interest on the Parity Bonds. Parity Reimbursement Obligations accruing as a result of a mandatory tender for purchase of Parity Bonds shall be excluded from the calculation of Annual Debt Service for all purposes. For purposes of determining percentages of ownership of Parity Bonds, Parity Reimbursement Obligations shall be deemed to have no principal amount, and any consent or similar rights (if any) shall be determined only as set forth in the applicable Parity Reimbursement Obligation.

“Payment Agreement” means a written agreement entered into by the City and a Qualified Counterparty, as authorized by any applicable laws of the State, for the purpose of managing or reducing the City’s exposure to fluctuations or levels of interest rates, or for other interest rate, investment, or asset or liability management purposes, and which provides for (i) an exchange of payments based on interest rates, ceilings, or floors on such payments; (ii) options on such payments; (iii) any combination of the foregoing; or (iv) any similar device. A Payment Agreement may be entered into on either a current or forward basis. A Payment Agreement must be entered into in connection with (or incidental to) the issuance, incurrence, or carrying of particular bonds, notes, bond anticipation notes, commercial paper, or other obligations for borrowed money (which may include leases, installment purchase contracts, or other similar financing

agreements or certificates of participation in any of the foregoing).

“Payment Agreement Payments” means the amounts periodically required to be paid by the City to a Qualified Counterparty pursuant to a Payment Agreement.

“Payment Agreement Receipts” means the amounts periodically required to be paid by a Qualified Counterparty to the City pursuant to a Payment Agreement.

“Permitted Investments” means any investments or investment agreements permitted for the investment of City funds under the laws of the State, as amended at any time.

“Plan of Additions” means the system or plan of additions to and betterments and extensions of the Light System adopted by ordinance, including but not limited to the CIP, the Conservation Plan, and the Deferred Hydroelectric Project Relicensing Costs. The Plan of Additions includes all amendments, updates, supplements or replacements to the CIP, the Conservation Plan, and the Deferred Hydroelectric Project Relicensing Costs, all of which shall automatically constitute amendments to the Plan of Additions upon approval by ordinance. The Plan of Additions includes the purchase and installation of all materials, supplies, appliances, equipment (including but not limited to data processing hardware and software and conservation equipment) and facilities, the acquisition of all permits, licenses, franchises, property and property rights, other capital assets, and all engineering, consulting and other professional services and studies (whether performed by the City or by other public or private entities) necessary or convenient to carry out the Plan of Additions. The Plan of Additions also may be modified to include other improvements without amending the CIP, the Conservation Plan, and the Deferred Hydroelectric Project Relicensing Costs, if the City determines by ordinance that those amendments or other improvements constitute a system or plan of additions to or betterments or extensions of the Light System.

“Pricing Certificate” means a certificate executed by the Director of Finance as of the pricing date confirming the Bond Sale Terms for the sale of a Series of the Bonds to the Purchaser in a competitive sale, in accordance with the parameters set forth in Section 5 of this ordinance.

“Professional Utility Consultant” means the independent person(s) or firm(s) selected by the City having a favorable reputation for skill and experience with electric systems of comparable size and character to the Light System in such areas as are relevant to the purposes for which they were retained.

“Purchaser” means the entity or entities who have been selected by the Director of Finance in accordance with this ordinance as underwriter, purchaser, or successful bidder in a sale of any Series.

“Qualified Counterparty” means a party (other than the City or a person related to the City) who is the other party to a Payment Agreement and who is qualified to act as the other party to a Payment Agreement under any applicable laws of the State.

“Qualified Insurance” means any municipal bond insurance policy, surety bond, or similar credit enhancement device, issued by any insurance company licensed to conduct an insurance business in any state of the United States, by a service corporation acting on behalf of one or more such insurance companies, or by any other financial institution, the provider of which, as of the time of issuance of such credit enhancement device, is rated in one of the two highest rating categories (without regard to gradations within such categories) by at least two nationally recognized rating agencies.

“Qualified Letter of Credit” means any letter of credit, standby bond purchase agreement, or other liquidity facility issued by a financial institution for the account of the City in connection with the issuance of any Parity Bond or Junior Lien Bond, which institution maintains an office, agency or branch in the United States and, as of the time of issuance of such instrument, is rated in one of the two highest rating categories (without regard to gradations within such categories) by at least two nationally recognized rating agencies.

“Rate Stabilization Account” means the account of that name previously established in the Light Fund pursuant to Ordinance 121637.

“Rating Agency” means any nationally recognized rating agency then maintaining a rating on a Series of the Bonds at the request of the City.

“Record Date” means, unless otherwise defined in the Bond Documents, in the case of each interest or

principal payment date, the Bond Registrar's close of business on the 15th day of the month preceding the interest or principal payment date. With regard to redemption of a Bond prior to its maturity, the Record Date shall mean the Bond Registrar's close of business on the day prior to the date on which the Bond Registrar sends the notice of redemption to the Registered Owner(s) of the affected Bonds.

"Refundable Bonds" means the Refundable Parity Bonds and the Refundable Junior Lien Bonds.

"Refundable Junior Lien Bonds" means any then outstanding Junior Lien Bonds that are eligible to be refunded pursuant to the Omnibus Refunding Ordinance.

"Refundable Parity Bonds" means any then outstanding Parity Bonds that are eligible to be refunded pursuant to the Omnibus Refunding Ordinance.

"Refunding Junior Lien Bonds" means Future Junior Lien Bonds that satisfy the applicable Junior Lien Additional Bonds Test and are issued pursuant to the Omnibus Refunding Ordinance (or a Future Junior Lien Bond ordinance) for the purpose of refunding any Refundable Junior Lien Bonds.

"Refunding Parity Bonds" means Future Parity Bonds that satisfy the applicable Parity Conditions and are issued pursuant to the Omnibus Refunding Ordinance (or another Future Parity Bond Ordinance) for the purpose of refunding any Refundable Parity Bonds.

"Registered Owner" means, with respect to a Bond, the person in whose name that Bond is registered on the Bond Register. For so long as a Series of the Bonds is in Book-Entry Form under a Letter of Representations, the Registered Owner of such Series shall mean the Securities Depository.

"Reserve Fund" means that special fund of the City known as the Municipal Light and Power Bond Reserve Fund, established pursuant to Ordinance 71917 and maintained pursuant to the Outstanding Parity Bond Ordinances and this Ordinance as a separate account within the Light Fund to secure the payment of the Parity Bonds.

"Reserve Fund Requirement" means, for any Series of Bonds designated as Parity Bonds, the Reserve Fund Requirement established in the Bond Sale Terms for that Series and any other Series issued as part of a

single “issue” of Parity Bonds, consistent with Section 15 of this ordinance. For any series of Future Parity Bonds, the Reserve Fund Requirement means the requirement specified for that series in the bond sale terms associated with that issue. The aggregate Reserve Fund Requirement for all Parity Bonds shall be the sum of the Reserve Fund Requirements for each series of Parity Bonds. For purposes of this definition, “issue” means all series of Parity Bonds issued and sold pursuant to a common set of bond sale terms. For the purposes of calculating the Reserve Fund Requirement only, the City shall deduct from Annual Debt Service the Tax Credit Subsidy Payments the City is scheduled to claim from the federal government in respect of the interest on a series of Parity Bonds that are Tax Credit Subsidy Bonds (or with respect to which the federal government is otherwise scheduled to provide direct payments).

“**Rule 15c2-12**” means Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 as amended.

“**SEC**” means the United States Securities and Exchange Commission.

“**Securities Depository**” means DTC, any successor thereto, any substitute securities depository selected by the City, or the nominee of any of the foregoing. Any successor or substitute Securities Depository must be qualified under applicable laws and regulations to provide the services proposed to be provided by it.

“**Serial Bond**” means any Parity Bond or Junior Lien Bond maturing in a specified year, for which no Sinking Fund Requirements are mandated.

“**Series**” means, when capitalized in this ordinance, a series of the Bonds issued pursuant to this ordinance.

“**SIFMA Municipal Swap Index**” means the Securities Industry and Financial Markets Association (SIFMA) Municipal Swap Index, calculated and published by Bloomberg and overseen by SIFMA’s Municipal Swap Index Committee, or a substantially similar recognized market successor index representing a seven-day market index comprised of certain high-grade tax-exempt variable rate demand obligations.

“**Sinking Fund Account**” means (a) with respect to Parity Bonds, any account created in the Parity

Bond Fund to amortize the principal or make mandatory redemptions of Parity Bonds that are Term Bonds; and (b) with respect to Junior Lien Bonds, any account created in the Junior Lien Debt Service Fund to amortize the principal or make mandatory redemptions of Junior Lien Bonds that are Term Bonds.

“Sinking Fund Requirement” means, for any calendar year, the principal portion (and required redemption premium, if any) of any Term Bond that is required to be purchased, redeemed, paid at maturity, or paid into any Sinking Fund Account for such calendar year, as established in the applicable Bond Documents.

“State” means the State of Washington.

“State Auditor” means the office of the Auditor of the State or such other department or office of the State authorized and directed by State law to make audits.

“System of Registration” means the system of registration for the City’s bonds and other obligations established pursuant to Seattle Municipal Code Chapter 5.10 as amended.

“Tax Credit Subsidy Bond” means any Taxable Bond that is designated by the City as a tax credit bond pursuant to the Code and as a “qualified bond” under Section 6431 or similar provision of the Code, and with respect to which the City is eligible to claim a Tax Credit Subsidy Payment.

“Tax Credit Subsidy Payment” means a payment by the federal government with respect to a Tax Credit Subsidy Bond.

“Tax-Exempt Bond” means any Parity Bond or Junior Lien Bond the interest on which is intended, as of the Issue Date, to be excludable from gross income for federal income tax purposes.

“Taxable Bond” means any Parity Bond or Junior Lien Bond the interest on which is not intended, as of the Issue Date, to be excludable from gross income for federal income tax purposes.

“Term Bond” means any Parity Bond or Junior Lien Bond that is issued subject to mandatory redemption in periodic Sinking Fund Requirements prior to its maturity date.

“Valuation Date” means, with respect to any Capital Appreciation Bond, the date or dates, determined as set forth in the applicable Bond Documents, on which specific Accreted Values are assigned to that Capital

Appreciation Bond.

“Variable Interest Rate” means any interest rate that fluctuates during the stated term of a bond (or during a stated period during which the bond is designated as a Variable Interest Rate Bond), whether due to a remarketing, a market index reset, or other mechanism set forth in the applicable Bond Documents. The Bond Documents for any Series of the Bonds bearing interest at a Variable Interest Rate shall set forth: (a) the available method(s) of computing interest (the “interest rate modes”); (b) the particular period or periods of time (or manner of determining such period or periods of time) for which each value of such Variable Interest Rate (or each interest rate mode) shall remain in effect; (c) provisions for conversion from one interest rate mode to another and for setting or resetting the interest rates; and (d) the time or times upon which any change in such Variable Interest Rate (or any conversion of interest rate modes) shall become effective.

“Variable Interest Rate Bond” means, for any period of time, any Parity Bond or Junior Lien Bond that bears interest at a Variable Interest Rate during that period. A bond shall not be treated as a Variable Interest Rate Bond if the net economic effect of: (a) interest rates on a particular series of Parity Bonds (or Junior Lien Bonds, as applicable), as set forth in the applicable Bond Documents, and (b) either (i) interest rates on another series of Parity Bonds (or Junior Lien Bonds, as applicable) issued at substantially the same time, or (ii) a Payment Agreement related to that particular series, in either case, is to produce obligations that bear interest at a fixed interest rate. Any Parity Bond or Junior Lien Bond with respect to which a Payment Agreement is in force shall be treated as a Variable Interest Rate Bond if the net economic effect of the Payment Agreement is to produce an obligation that bears interest at a Variable Interest Rate.

Section 2. **Adoption of Plan of Additions.** The City specifies, adopts, and orders the Plan of Additions to be carried out as generally provided for in the documents comprising the Plan of Additions. The estimated cost of the Plan of Additions, as nearly as may be determined, is declared to be approximately \$3.1 billion, of which up to approximately \$500 million is expected to be financed from proceeds of the Bonds and investment earnings thereon.

Section 3. **Authorization of Bonds; Due Regard Finding.**

(a) **The Bonds.** The City is authorized to issue municipal light and power revenue bonds payable from the sources described in Section 13 of this ordinance and secured as either Parity Bonds or Junior Lien Bonds, as determined by the Director of Finance in accordance with Section 5 of this ordinance. The Bonds may be issued in one or more Series in a maximum aggregate principal amount not to exceed the amount stated in Section 5 of this ordinance, for the purposes of: (a) paying a part of the cost of carrying out the Plan of Additions; (b) providing for the Reserve Fund Requirement (if necessary); (c) capitalizing interest on the Bonds (if necessary) and paying costs of issuance; and (d) carrying out other Light System purposes approved by ordinance. The Bonds may be issued in one or more Series and may be combined with other municipal light and power revenue bonds authorized separately. The Bonds shall be designated municipal light and power revenue bonds, shall be numbered separately and shall have any name, year, series, or other labels as deemed necessary or appropriate by the Director of Finance. Any Series of the Bonds designated as Junior Lien Bonds shall bear a designation clearly indicating that such Bonds are Junior Lien Bonds.

(b) **City Council Finding.** The City Council finds that, in creating the Parity Bond Fund, the Reserve Fund, and the Junior Lien Debt Service Fund (collectively, the “Bond Funds”), and in fixing the amounts to be paid into those funds in accordance with this ordinance and the parameters for the Bond Sale Terms set forth in Section 5 of this ordinance, the City Council has exercised due regard for the cost of operation and maintenance of the Light System, and is not setting aside into such Bond Funds a greater amount than in the judgment of the City Council, based on the rates established from time to time consistent with subsection 17(a)(ii) of this ordinance, will be sufficient, in the judgment of the City Council, to meet all expenses of operation and maintenance of the Light System and to provide the amounts previously pledged for the payment of all outstanding obligations payable out of Gross Revenues and pledged for the payment of the Bonds. Therefore, the City Council finds that the issuance and sale of the Bonds is in the best interest of the City and the public interest.

Section 4. **Manner of Sale of Bonds.** The Director of Finance may provide for the sale of each Series by competitive sale, negotiated sale, limited offering, or private placement, and may select and enter into agreements with remarketing agents or providers of liquidity with respect to Variable Interest Rate Bonds. The Purchaser of each Series shall be chosen through a selection process acceptable to the Director of Finance. The Director of Finance is authorized to specify a date and time of sale and a date and time for the delivery of each Series; in the case of a competitive sale, to provide an official notice of sale including bid parameters and other bid requirements, and to provide for the use of an electronic bidding mechanism; to provide for and determine matters relating to the forward or delayed delivery of a Series of the Bonds, if deemed desirable; and to specify such other matters and take such other action as in the Director's determination may be necessary, appropriate, or desirable in order to carry out the sale of each Series. Each Series must be sold on Bond Sale Terms consistent with the parameters set forth in Section 5 of this ordinance.

Section 5. **Appointment of Designated Representative; Bond Sale Terms.**

(a) **Designated Representative.** The Director of Finance is appointed to serve as the City's designated representative in connection with the issuance and sale of the Bonds in accordance with RCW 39.46.040(2) and this ordinance.

(b) **Parameters for Bond Sale Terms.** The Director of Finance is authorized to approve, on behalf of the City, Bond Sale Terms for the sale of the Bonds in one or more Series, and in connection with each such sale, to execute a Bond Purchase Contract (or, in the case of a competitive sale, a Pricing Certificate) confirming the Bond Sale Terms and such related agreements as may be necessary or desirable, consistent with the following parameters:

(i) **Maximum Principal Amount.** The maximum aggregate principal amount of all Series of the Bonds authorized by this ordinance is not to exceed \$500 million.

(ii) **Date or Dates.** Each Bond shall be dated its Issue Date, as determined by the Director of Finance. The initial Issue Date (without restricting any reissuance date) may not be later than December 31,

2027.

(iii) **Denominations.** The Bonds shall be issued in Authorized Denominations.

(iv) **Interest Rate(s).** Each Bond shall bear interest from its Issue Date or from the most recent date to which interest has been paid or duly provided, whichever is later, unless otherwise provided in the applicable Bond Documents. Each Series of the Bonds shall bear interest at one or more fixed interest rates or Variable Interest Rates. The true interest cost for any fixed rate Series may not exceed a rate of 10 percent per annum. The Bond Documents for any Series may provide for multiple interest rates and interest rate modes, and may provide conditions and mechanisms for the Director of Finance to effect a conversion from one mode to another. Nothing in this ordinance shall be interpreted to prevent the Bond Documents for any Series from including a provision for adjustments to interest rates during the term of the Series upon the occurrence of certain events specified in the applicable Bond Documents.

(v) **Payment Dates.** Interest shall be payable on dates acceptable to the Director of Finance. Principal shall be payable on dates acceptable to the Director of Finance, which shall include payment at the maturity of each Bond, in accordance with any Sinking Fund Requirements applicable to Term Bonds, and otherwise in accordance with any redemption or tender provisions.

(vi) **Final Maturity.** Each Bond shall mature no later than 40 years after its Issue Date.

(vii) **Redemption Prior to Maturity.** The Bond Sale Terms may include redemption and tender provisions, as determined by the Director of Finance in the Director's discretion, consistent with Section 8 of this ordinance and subject to the following:

(A) **Optional Redemption.** The Director of Finance may designate any Bond as subject to optional redemption prior to its maturity, consistent with subsection 8(a) of this ordinance. Any Bond that is subject to optional redemption prior to maturity must be callable on at least one or more date(s) occurring not more than 10-1/2 years after the Issue Date.

(B) **Mandatory Redemption.** The Director of Finance may designate any Bond as a

Term Bond, subject to mandatory redemption prior to its maturity on the dates and in principal payment amounts set forth as Sinking Fund Requirements, consistent with subsection 8(b) of this ordinance.

(C) **Extraordinary Redemption.** The Director of Finance may designate any Bond as subject to extraordinary optional redemption or extraordinary mandatory redemption upon the occurrence of an extraordinary event, as such event or events may be set forth in the applicable Bond Documents, consistent with subsection 8(c) of this ordinance.

(D) **Tender Options.** The Director of Finance may designate any Variable Interest Rate Bond as subject to tender options, as set forth in the applicable Bond Documents.

(viii) **Price.** The Director of Finance may approve in the Bond Sale Terms an aggregate purchase price for each Series of the Bonds that is, in the Director's judgment, the price that produces the most advantageous borrowing cost for the City, consistent with the parameters set forth of this ordinance and in any applicable bid documents.

(ix) **Other Terms and Conditions.**

(A) **Expected Life of Capital Facilities.** As of the Issue Date of each Series, the Director of Finance must find to the Director's satisfaction that the average expected life of the capital facilities to be financed with the proceeds (or allocable share of proceeds) of that Series exceeds the weighted average maturity of such Series (or share thereof) allocated to financing those capital facilities.

(B) **Satisfaction of Parity Conditions or Junior Lien Additional Bonds Test.** For each Series of the Bonds, the Director of Finance must designate such Series of the Bonds as a series of either Parity Bonds or Junior Lien Bonds. For a Series to be designated as Parity Bonds, the Director of Finance must find to the Director's satisfaction that, as of the Issue Date, the Parity Conditions have been met or satisfied so that such Series is permitted to be issued as Parity Bonds. For a Series to be designated as Junior Lien Bonds, the Director of Finance must find to the Director's satisfaction that, as of the Issue Date, the Junior Lien Additional Bonds Test has been met or satisfied so that such Series is permitted to be issued as Junior Lien Bonds.

(C) **Additional Terms, Conditions, and Agreements.** The Bond Sale Terms for any Series may provide for Qualified Insurance, a Qualified Letter of Credit or other liquidity facility, Parity Reimbursement Obligation, Intermediate Lien Reimbursement Obligation, Junior Lien Reimbursement Obligation, or any other Payment Agreement as the Director of Finance may find necessary or desirable, and may include such additional terms, conditions, and covenants as may be necessary or desirable, including but not limited to: restrictions on investment of Bond proceeds and pledged funds (including any escrow established for the defeasance of any of the Bonds); provisions for the conversion of interest rate modes; provisions for the reimbursement of a credit enhancement provider or Qualified Counterparty; and requirements to give notice to or obtain the consent of a credit enhancement provider or a Qualified Counterparty. The Director of Finance is authorized to execute, on behalf of the City, such additional certificates and agreements as may be necessary or desirable to reflect such terms, conditions, and covenants.

(D) **Parity Bond Reserve Fund Requirement.** The Bond Sale Terms for any Series of Parity Bonds must establish the Reserve Fund Requirement for such Series and must set forth the method for satisfying any such requirement, consistent with Section 15 of this ordinance and the Parity Conditions. The Reserve Fund Requirement for any such Series may not be set at a level that would cause the aggregate Reserve Fund Requirement to exceed the least of (1) 125 percent of Average Annual Debt Service on all Parity Bonds outstanding, (2) Maximum Annual Debt Service on all Parity Bonds outstanding, or (3) 10 percent of the proceeds of the outstanding Parity Bonds.

(E) **Tax Status of the Bonds.** The Director of Finance may designate any Series of the Bonds as Tax-Exempt Bonds, Taxable Bonds, or Tax Credit Subsidy Bonds, consistent with Section 21 of this ordinance.

Section 6. **Bond Registrar; Registration and Transfer of Bonds.**

(a) **Registration and Bond Registrar.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The Fiscal Agent is appointed to act as Bond

Registrar for each Series of the Bonds, unless otherwise determined by the Director of Finance.

(b) **Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds, and to carry out all of the Bond Registrar's powers and duties under this ordinance and the System of Registration.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same Series, seniority, interest rate, and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to an Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the period between the Record Date and the corresponding interest payment or principal redemption date.

(c) **Securities Depository; Book-Entry Form.** Unless otherwise determined by the Director of Finance, the Bonds initially shall be issued in Book-Entry Form and registered in the name of the Securities Depository. The Bonds so registered shall be held fully immobilized in Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the City nor the Bond

Registrar shall have any responsibility or obligation to participants of the Securities Depository or the persons for whom they act as nominees with respect to the Bonds regarding the accuracy of any records maintained by the Securities Depository or its participants of any amount in respect of principal of or interest on the Bonds, or any notice that is permitted or required to be given to Registered Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository). Registered ownership of a Bond initially held in Book-Entry Form, or any portion thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in Book-Entry Form.

Upon the resignation of the Securities Depository from its functions as depository, or upon a determination by the Director of Finance to discontinue utilizing the then-current Securities Depository, the Director of Finance may appoint a substitute Securities Depository. If the Securities Depository resigns from its functions as depository and no substitute Securities Depository can be obtained, or if the Director of Finance determines not to utilize a Securities Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be transferred only as provided in this ordinance.

Nothing in this ordinance shall prevent the Bond Sale Terms from providing that a Series of the Bonds shall be issued in certificated form without utilizing a Securities Depository, and that the Bonds of such Series shall be registered as of their Issue Date in the names of the Owners thereof, in which case ownership may be transferred only as provided in this ordinance.

(d) **Lost or Stolen Bonds.** In case any Bond or Bonds shall be lost, stolen, or destroyed, the Bond Registrar may authenticate and deliver a replacement Bond or Bonds of like amount, date, tenor, and effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses and charges of the City in connection therewith and upon filing with the Bond Registrar evidence satisfactory to the Bond Registrar that such Bond or Bonds were actually lost, stolen or destroyed and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to both the City and the Bond Registrar.

Section 7. **Payment of Bonds.**

(a) **Payment.** Each Bond shall be payable in lawful money of the United States of America on the dates and in the amounts as provided in the Bond Documents applicable to that Series. Principal of and interest on each Bond designated as a Parity Bond shall be payable solely out of the Parity Bond Fund. Principal of and interest on each Bond designated as a Junior Lien Bond shall be payable solely out of the Junior Lien Debt Service Fund. The Bonds shall not be general obligations of the City. No Bonds of any Series shall be subject to acceleration under any circumstances.

(b) **Bonds Held in Book-Entry Form.** Principal of and interest on each Bond held in Book-Entry Form shall be payable in the manner set forth in the Letter of Representations.

(c) **Bonds Not Held in Book-Entry Form.** Interest on each Bond not held in Book-Entry Form shall be payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. The City, however, shall not be required to make electronic transfers except pursuant to a request by a Registered Owner in writing received at least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not held in Book-Entry Form shall be payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar.

Section 8. **Redemption and Purchase of Bonds.**

(a) **Optional Redemption.** All or some of the Bonds of any Series may be subject to redemption prior to their stated maturity dates at the option of the City on the dates and terms set forth in the applicable Bond Documents.

(b) **Mandatory Redemption.** All or some of the Bonds of any Series may be designated as Term Bonds, subject to mandatory redemption in Sinking Fund Requirements, as set forth in the applicable Bond Documents. If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) must be redeemed at a price equal to 100 percent of the principal amount to be redeemed, plus accrued interest, on the

dates and in the years and Sinking Fund Requirements as set forth in the applicable Bond Documents.

If the City optionally redeems or purchases a principal portion of a Term Bond prior to its maturity, the principal amount so redeemed or purchased (irrespective of its redemption or purchase price) shall be credited against the remaining Sinking Fund Requirements for that Term Bond in the manner directed by the Director of Finance. In the absence of direction by the Director of Finance, credit shall be allocated among the remaining Sinking Fund Requirements for that Term Bond on a pro rata basis.

(c) Extraordinary Redemption. All or some of the Bonds of any Series may be subject to extraordinary optional redemption or extraordinary mandatory redemption prior to maturity upon the occurrence of an extraordinary event at the prices, in the principal amounts, and on the dates, all as set forth in the applicable Bond Documents.

(d) Selection of Bonds for Redemption; Partial Redemption. If fewer than all of the outstanding Bonds of a Series are to be redeemed at the option of the City, the Director of Finance shall select the maturity or maturities to be redeemed. If less than all of the principal amount of a maturity of the selected Series is to be redeemed and such Series is held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected for redemption by the Securities Depository in accordance with the Letter of Representations. If the Series selected for redemption is not then held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected by the Bond Registrar using such method of random selection as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any applicable Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, seniority, maturity, and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(e) Purchase. The City reserves the right and option to purchase any or all of the Bonds at any time at

any price acceptable to the City plus accrued interest to the date of purchase.

Section 9. **Notice of Redemption; Rescission of Notice.** Unless otherwise set forth in the applicable Bond Documents, the City must cause notice of any intended redemption of Bonds to be given not fewer than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Owner of any Bond. Interest on Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

In the case of an optional or extraordinary optional redemption, the notice may state that the City retains the right to rescind the redemption notice and the related redemption of Bonds by giving a notice of rescission to the affected Registered Owners at any time on or prior to the scheduled redemption date. Any notice of optional redemption that is rescinded by the Director of Finance shall be of no effect, and the Bonds for which the notice of redemption has been rescinded shall remain outstanding.

Section 10. **Failure to Pay Bonds.** If any Bond is not paid when properly presented at its maturity or redemption date, the City shall be obligated to pay, solely from the sources pledged to that Bond in this ordinance, interest on that Bond at the same rate provided on that Bond from and after its maturity or redemption date until that Bond, principal (including redemption premium, if any) and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Parity Bond Fund (if such Bond is a Parity Bond) or the Junior Lien Debt Service Fund (if such Bond is a Junior Lien Bond) and that Bond has been called for payment by giving notice of that call to the Registered Owner of that Bond. The exercise of remedies of Owners of the Bonds are limited as set forth in Section 24 of this ordinance.

Section 11. **Form and Execution of Bonds.** The Bonds shall be typed, printed, or reproduced in a form consistent with the provisions of this ordinance and State law; shall be signed by the Mayor and Director of

Finance, either or both of whose signatures may be manual or in facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a certificate of authentication in substantially the following form (with the designation, year, and Series adjusted consistent with this ordinance) and manually signed by the Bond Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “This Bond is one of the fully registered The City of Seattle, Washington, Municipal Light and Power [Improvement] Revenue Bonds, [Year], [Series and/or Seniority, if applicable], described in [this ordinance].” Junior Lien Bonds shall bear the words “Junior Lien” in their name in the foregoing certificate of authentication. The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

If any official whose manual or facsimile signature appears on a Bond ceases to be an official of the City authorized to sign bonds before the Bond bearing that official’s manual or facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that Bond nevertheless may be authenticated, issued, and delivered and, when authenticated, issued, and delivered, shall be as binding on the City as though that person had continued to be an official of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an official of the City authorized to sign bonds, although that person did not hold the required office on the Issue Date of that Series of the Bonds.

Section 12. **Construction Account; Deposit of Proceeds**. The principal proceeds of the sale of each Series of the Bonds (other than amounts necessary to pay accrued interest (if any), to pay costs of issuance, and to provide for the Reserve Fund Requirement (if necessary) with respect to a Series of Parity Bonds) shall be deposited into the Construction Account (or such other fund or account as may be directed by the Director of Finance) to be used for the purposes set forth in Section 3 of this ordinance. Until needed for such purposes, the City may invest principal proceeds and interest thereon temporarily in any Permitted Investments, and the

investment earnings may, as determined by the Director of Finance, be either (a) retained in the Construction Account to be spent for the purposes of that account, or (b) deposited into the Parity Bond Fund or Junior Lien Debt Service Fund, as applicable.

Section 13. **Security for the Bonds; Designation as Parity Bonds or Junior Lien Bonds.** The Bonds shall not constitute general obligations of the City, the State, or any political subdivision of the State or a charge upon any general fund or upon any money or other property of the City, the State, or any political subdivision of the State not specifically pledged by this ordinance.

(a) **Parity Bonds.** Each Series of the Bonds that is designated as Parity Bonds shall be a special limited obligation of the City payable from and secured solely by Gross Revenues available after payment of Operating and Maintenance Expense (“Net Revenue”) and by money in the Parity Bond Fund and the Reserve Fund. Net Revenue is pledged to make the payments into the Parity Bond Fund and the Reserve Fund required by Sections 14 and 15 of this ordinance, which pledge shall constitute a lien and charge upon such Net Revenue prior and superior to all other charges whatsoever. Each Series of the Bonds designated as Parity Bonds shall be issued on parity with the Outstanding Parity Bonds and all Future Parity Bonds, without regard to date of issuance or authorization and without preference or priority of right or lien.

(b) **Junior Lien Bonds.** Each Series of the Bonds that is designated as Junior Lien Bonds shall be a special limited obligation of the City payable from and secured solely by Net Revenue and by money in the Junior Lien Debt Service Fund. Net Revenue is pledged to make the payments into the Junior Lien Debt Service Fund required by Sections 14 and 16 of this ordinance, which pledge shall constitute a lien and charge upon such Net Revenue (i.e., Gross Revenues available after payment of Operating and Maintenance Expense of the Light System pursuant to subsection 14(a) of this ordinance) that is (i) subordinate only to the payments to be made into the Parity Bond Fund required by subsections 14(b) through (d) of this ordinance, and (ii) prior and superior to all other charges whatsoever. Each Series of the Bonds designated as Junior Lien Bonds shall be issued on parity with the lien and charge of any then outstanding Junior Lien Bonds and all Future Junior Lien

Bonds, without regard to date of issuance or authorization and without preference or priority of right or lien. Nothing in this ordinance prevents the City from issuing revenue bonds or other obligations that are a charge or lien upon Net Revenue subordinate to the payments required to be made into the Junior Lien Debt Service Fund and the Reserve Fund, and any subfund, account, or subaccount within the foregoing funds.

Section 14. **Priority Expenditure of Gross Revenues; Flow of Funds.** Gross Revenues shall be deposited as received in the Light Fund and used for the following purposes only, in the following order of priority:

(a) To pay the Operating and Maintenance Expense of the Light System;

(b) To make, when due, all payments into the Parity Bond Fund required to be made in order to pay the interest on and principal of all Parity Bonds, including all Parity Bond Sinking Fund Requirements, and all net payments under Parity Payment Agreements, and to make all payments required to be made (if any) in respect of Parity Reimbursement Obligations;

(c) To make all payments required to be made (if any) into the Reserve Fund necessary to satisfy the Reserve Fund Requirement, to make all payments (if any) required to be made under subsection 15(c)(i)(B) of this ordinance into a special account within the Light Fund for the replacement of an Alternate Reserve Security as to which the City has received a notice of cancellation, and to pay any reimbursement obligations under any Alternate Reserve Security;

(d) To make all payments required to be made (if any) in respect of Intermediate Lien Reimbursement Obligations;

(e) To make all payments into the Junior Lien Debt Service Fund required to be made in order to pay the interest on and principal of all Junior Lien Bonds, including all net payments under Junior Lien Payment Agreements and all Junior Lien Reimbursement Obligations, when due;

(f) To make all required payments into any revenue bond redemption fund created to pay and secure the payment of the principal of and interest on any revenue bonds or short-term obligations of the City having a

charge and lien upon Net Revenue subordinate to the lien thereon for the payment of the principal of and interest on the Parity Bonds and the Junior Lien Bonds; and

(g) Without priority, for any of the following purposes: to retire by redemption or purchase any outstanding revenue bonds or revenue obligations of the Light System; to make necessary additions, betterments, improvements, repairs, extensions, and replacements of the Light System; to pay City taxes or other payments in lieu of taxes payable from Gross Revenues; to make deposits to the Rate Stabilization Account; or for any other lawful Light System purpose.

Section 15. **Parity Bond Fund; Reserve Fund**. The special funds of the City known as the Parity Bond Fund and the Reserve Fund have been previously created and shall be maintained as special funds for the sole purpose of paying the principal of (including redemption premium, if any) and interest on the Parity Bonds as the same shall become due. The Director of Finance may create subfunds, accounts, or subaccounts in the Parity Bond Fund and the Reserve Fund to pay or secure the payment of Parity Bonds as long as the maintenance of such subfunds, accounts, or subaccounts does not conflict with the rights of the owners of the Parity Bonds. Principal of (including redemption premium, if any) and interest on the Parity Bonds shall be payable solely out of the Parity Bond Fund.

(a) **Required Payments into the Parity Bond Fund and Reserve Fund**. So long as any Parity Bonds (including any Parity Payment Agreements or Parity Reimbursement Obligations) are outstanding, the City shall set aside and pay out of Net Revenue certain fixed amounts, without regard to any fixed proportion, namely:

(i) Into the Parity Bond Fund, on or prior to the respective dates on which such payments shall become due and payable, an amount sufficient, together with other money on deposit therein, to pay without priority or preference among the following items: (A) the interest (including net payments due under Parity Payment Agreements) then due on the Outstanding Parity Bonds, (B) the maturing principal of the Outstanding Parity Bonds (including any Sinking Fund Requirements then due), and (C) any payments then due in respect

of Parity Reimbursement Obligations; and

(ii) Into the Reserve Fund, an amount necessary to provide for the Reserve Fund Requirement within the time and manner required by this ordinance and the Bond Sale Terms, including all payments required to be made under subsection 14(c) of this ordinance.

To meet the required payments to be made into the Parity Bond Fund and the Reserve Fund, the Director of Finance may transfer any money from any funds or accounts of the City legally available therefor, except bond redemption funds, refunding escrow funds, or defeasance funds. The Director of Finance may provide for the purchase, redemption or defeasance of any Parity Bonds by the use of money on deposit in any subfund, account, or subaccount in the Parity Bond Fund or Reserve Fund, so long as the money remaining in those subfunds, accounts, or subaccounts is sufficient to satisfy the required deposits with respect to the remaining Parity Bonds.

(b) **Parity Bond Fund.** The Parity Bond Fund has been previously created for the sole purpose of paying the principal of and interest on the Parity Bonds as the same shall become due. Each Series of the Bonds designated as Parity Bonds shall be payable (including principal, Sinking Fund Requirements, redemption premium (if any), and interest) out of the Parity Bond Fund. Money in the Parity Bond Fund shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction of the Director of Finance solely in, and obligations deposited in such accounts shall consist of, Permitted Investments. Earnings on money and investments in the Parity Bond Fund shall be deposited in and used for the purposes of that fund.

(c) **Reserve Fund.** The Reserve Fund has been previously created for the purpose of securing the payment of the principal of and interest on all Parity Bonds (including all net payments due under any Parity Payment Agreements, if any). Money held in the Reserve Fund shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction of the Director of Finance solely in, and obligations deposited in such accounts shall consist of, Permitted Investments. Earnings on money and investments in the Reserve Fund shall be deposited in that fund and credited against amounts required to be deposited therein until

the Reserve Fund is fully funded, and thereafter such earnings shall be deposited in the Parity Bond Fund.

(i) **Reserve Fund Requirement.** The Bond Sale Terms for each Series of the Bonds shall establish the amount (if any) to be added to the aggregate Reserve Fund Requirement for such Series, and the method for providing for such incremental addition to the Reserve Fund deposit, subject to the following:

(A) In connection with the issuance of Future Parity Bonds, the City shall provide the amounts required for deposit into the Reserve Fund (1) at one time on the Issue Date, or (2) in periodic deposits of Net Revenue (or any other legally available source of funds), so that by five years from the date of such Future Parity Bonds there will have been paid into the Reserve Fund an amount that, together with the money already on deposit therein, will be at least equal to the Reserve Fund Requirement for the Parity Bonds scheduled to be outstanding at the end of that five-year period.

(B) The City may obtain one or more Alternate Reserve Securities for specific amounts required to be paid into the Reserve Fund. The amount available to be drawn upon under each such Alternate Reserve Security shall be credited against the amounts needed to satisfy the Reserve Fund Requirement. In the event of receipt of any notice of cancellation of an Alternate Reserve Security, the City shall (and, in preparation for the expiration of any such Alternate Reserve Security in accordance with its terms, the City may) either: (1) obtain a substitute Alternate Reserve Security in the amount necessary to satisfy the Reserve Fund Requirement on the date any such cancellation (or expiration) becomes effective, or (2) create a special account in the Light Fund and deposit therein amounts necessary to replace the Alternate Reserve Security upon its expiration or cancellation. In the case of receipt of a notice of cancellation, such periodic deposits are to be made on or before the 25th day of each of the 60 calendar months succeeding receipt of such notice, in an amount equal to 1/60 of the amount necessary (together with other money and investments then on deposit in the Reserve Fund) to satisfy the expected Reserve Fund Requirement on the date such cancellation shall become effective, taking into account scheduled redemptions of Parity Bonds and disregarding any incremental additional amounts that may become necessary due to the issuance of Future Parity Bonds subsequent to the

date of such notice of cancellation. Such amounts shall be transferred from Net Revenue available in the Light Fund after making provision for the required payments into the Parity Bond Fund, in accordance with Section 14 of this ordinance. Amounts on deposit in such special account are preliminarily earmarked for the replacement of such Alternate Reserve Security and shall not be available to pay debt service on Parity Bonds or for any other purpose of the City, and shall be transferred to the Reserve Fund on the effective date of any cancellation or expiration of the Alternate Reserve Security to make up the deficiency caused thereby. In the event that the Reserve Fund is completely depleted and all Alternate Reserve Securities have been fully drawn, the amounts in that special account may be withdrawn and treated as Gross Revenues available to be used in accordance with the flow of funds set forth in Section 14 of this ordinance. If and when a substitute Alternate Reserve Security having a sufficient value or policy limit is obtained, amounts held in that special account may be transferred back to the Light Fund and treated as Gross Revenues available to be used in accordance with the flow of funds set forth in Section 14 of this ordinance.

(C) If the amount on deposit in the Reserve Fund is less than the Reserve Fund Requirement (taking into account the five-year period referred to in paragraph (A) of this subsection), the City shall transfer to the Reserve Fund money in an amount sufficient to restore the Reserve Fund to the Reserve Fund Requirement within 12 months after the date of such deficiency. The City shall transfer such amount first from Net Revenue available in accordance with the priority of payment in Section 14 of this ordinance, and only thereafter from money in any construction fund or account established with respect to any issue of Parity Bonds, first taking money from the unrestricted portion thereof, then taking money from the restricted portion thereof. If the amount in the Reserve Fund is greater than the Reserve Fund Requirement, the City may then withdraw such excess from the Reserve Fund and deposit such excess in the Light Fund.

(ii) **Use of Reserve Fund to Refund Parity Bonds.** If any Parity Bonds are to be refunded, the money set aside in the Reserve Fund to secure the payment of such Parity Bonds may be used to retire such Parity Bonds, or may be transferred to any reserve fund or account which may be created to secure the payment

of any bonds issued to refund such Parity Bonds, as long as the money left remaining in the Reserve Fund is at least equal, together with all Alternate Reserve Securities, to the Reserve Fund Requirement.

(iii) **Use of Reserve Fund to Pay Debt Service.** If the money in the Parity Bond Fund is insufficient to meet maturing installments of either interest on or principal of and interest on the Parity Bonds (including net amounts payable under any Parity Payment Agreements), such deficiency shall be made up from the Reserve Fund by the withdrawal of money or proceeds of Alternate Reserve Securities, as the case may be. Any deficiency created in the Reserve Fund by reason of any such withdrawal or claim against an Alternate Reserve Security shall then be made up out of Net Revenue or out of any other legally available funds of the City.

(iv) **Withdrawals From Reserve Fund.** Money in the Reserve Fund may be withdrawn by the City for any lawful purpose as long as the aggregate of any money and Alternate Reserve Securities remaining on deposit in the Reserve Fund is at least equal to the Reserve Fund Requirement for the Parity Bonds then outstanding. The City reserves the right to substitute one or more Alternate Reserve Securities for money previously deposited in the Reserve Fund and to withdraw such excess to the extent described in the preceding sentence. Any withdrawals from subaccounts within the Reserve Fund shall be made on a pro rata basis, except when the terms of an Alternate Reserve Security require all cash and investments in the Reserve Fund to be withdrawn before any draw or claim is made on the Alternate Reserve Security, or unless the City receives an opinion of Bond Counsel to the effect that such pro rata withdrawal is not required to maintain the federal tax benefits (if any) of any then outstanding Parity Bonds issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds. If multiple Alternate Reserve Securities are on deposit in the Reserve Fund, draws on such Alternate Reserve Securities shall be made on a pro rata basis.

Section 16. **Junior Lien Debt Service Fund.**

(a) **Use of Junior Lien Debt Service Fund.** The Director of Finance is authorized (and, in conjunction with the issuance of Junior Lien Bonds, is directed) to create and maintain a special fund of the City known as

the Junior Lien Debt Service Fund for the sole purpose of paying the principal of (including redemption premium, if any) and interest on the Junior Lien Bonds as the same shall become due. The Junior Lien Debt Service Fund shall consist of a Principal and Interest Account and such additional subfunds, accounts, or subaccounts as the Director of Finance may find it necessary or convenient to create in order to pay or secure the payment of Junior Lien Bonds, as long as the maintenance of such subfunds, accounts, or subaccounts does not conflict with the rights of the owners of the Junior Lien Bonds or the Parity Bonds.

Each Series of the Bonds designated as Junior Lien Bonds shall be payable (including principal, Sinking Fund Requirements, redemption premium (if any), and interest) out of the Junior Lien Debt Service Fund. Money in the Junior Lien Debt Service Fund shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction of the Director of Finance solely in, and obligations deposited in such accounts shall consist of, Permitted Investments. Earnings on money and investments in the Junior Lien Debt Service Fund shall be deposited in and used for the purposes of that fund.

(b) Required Payments Into the Junior Lien Debt Service Fund. So long as any Junior Lien Bonds (including any Junior Lien Payment Agreements) are outstanding, the City shall set aside and pay out of Net Revenue certain fixed amounts, without regard to any fixed proportion, namely, into the Principal and Interest Account of the Junior Lien Debt Service Fund, on or prior to the respective dates on which such payments shall become due and payable, an amount sufficient, together with other money on deposit therein, to pay the interest on and the principal of the Junior Lien Bonds, including net payments due on Junior Lien Payment Agreements and all payments under Junior Lien Reimbursement Obligations, as the same shall become due. To meet the required payments to be made into the Junior Lien Debt Service Fund, the Director of Finance may transfer any money from any funds or accounts of the City legally available therefor, except the Parity Bond Fund, the Reserve Fund, other bond redemption funds, refunding escrow funds, or defeasance funds. The Director of Finance may provide for the purchase, redemption or defeasance of any Junior Lien Bonds by the use of money on deposit in any subfund, account, or subaccount in the Junior Lien Debt Service Fund, so long as the money

remaining in those subfunds, accounts, or subaccounts is sufficient to satisfy the required deposits with respect to the remaining Junior Lien Bonds.

Section 17. **Bond Covenants.**

(a) **Parity Bond Covenants.** The City covenants with the Owner of each Bond that is designated as a Parity Bond, for so long as such Bond remains outstanding, as follows:

(i) **Sale or Disposition of the Light System.**

(A) The City may dispose of all or substantially all of the Light System only if the City simultaneously causes all of the Parity Bonds to be, or be deemed to be, no longer outstanding.

(B) Except as provided below, the City will not dispose of any part of the Light System in excess of 5 percent of the value of the net utility plant of the Light System in service unless prior to such disposition: (1) there has been filed with the Director of Finance a certificate of a Professional Utility Consultant stating that such disposition will not impair the ability of the City to comply with the rate covenant set forth in subsection 17(a)(ii) of this ordinance, in which the Professional Utility Consultant may make those assumptions permitted in delivering a Parity Certificate under subsection 18(a) of this ordinance; or (2) provision is made for the payment, redemption or other retirement of a principal amount of Parity Bonds equal to the greater of the following amounts: (I) an amount which will be in the same proportion to the net principal amount of Parity Bonds then outstanding (defined as the total principal amount of Parity Bonds then outstanding less the amount of cash and investments in the Parity Bond Fund) that Gross Revenues for the twelve preceding months attributable to the part of the Light System being sold or disposed of bears to the total Gross Revenues for such period; or (II) an amount which will be in the same proportion to the net principal amount of Parity Bonds then outstanding that the book value of the part of the Light System being sold or disposed of bears to the book value of the entire Light System immediately prior to such sale or disposition.

(C) Notwithstanding the foregoing, the City may dispose of any portion of the Light System that has become unserviceable, inadequate, obsolete, worn out or unfit to be used, or no longer

necessary for, material to, or useful in the operation of the Light System.

(D) If the ownership of all or part of the Light System is transferred from the City through the operation of law, the City shall reconstruct or replace the transferred portion using any proceeds of the transfer unless the City Council determines that such reconstruction or replacement is not in the best interests of the City and the Owners of the Parity Bonds, in which case any proceeds shall be used to purchase, defease, or redeem Parity Bonds prior to maturity.

(ii) **Rates and Charges.** The City will establish from time to time and maintain such rates for electric energy as will maintain the Light System in sound financial condition and provide sufficient revenues to pay all Operating and Maintenance Expense, to pay into the Parity Bond Fund the amounts that are required by this ordinance to be applied to the payment of the principal of and interest on the Parity Bonds until the Parity Bonds shall have been paid in full, and to pay all bonds, warrants, and indebtedness for which any revenues of the Light System shall have been pledged.

(iii) **Operation and Maintenance of the Light System.** The City will operate the properties of the Light System in an efficient manner and at a reasonable cost; will maintain, preserve, and keep, or cause to be maintained, preserved, and kept, the properties of the Light System and every part and parcel thereof in good repair, working order, and condition; and from time to time will make or cause to be made all necessary and proper repairs, renewals and replacements thereto so that at all times the business carried on in connection therewith will be properly and advantageously conducted.

(iv) **Books and Financial Statements.** The City will keep and maintain proper books of account for the Light System in accordance with generally accepted accounting principles applicable to governmental utilities; will generally adhere to the uniform system of accounts prescribed by the State Auditor's Office and the Federal Energy Regulatory Commission (if any); and will prepare, on or before 180 days after the end of each calendar year, annual financial statements showing reasonable detail, including a balance sheet, an income statement, and a statement of cash flows or other such statement. Copies of such financial statements shall be

placed on file in the office of the Director of Finance and shall be open to inspection at any reasonable time by any owner of any Parity Bonds. A copy of such financial statements shall be sent to any owner of Parity Bonds upon request in writing setting forth the name and address to which such financial statements may be sent.

(b) Junior Lien Bond Covenants. The City covenants with the Owner of each Bond that is designated as a Junior Lien Bond, for so long as such Junior Lien Bond remains outstanding, as follows:

(i) Sale or Disposition of the Light System. The City may dispose of all or substantially all of the Light System only if the City simultaneously causes all of the Junior Lien Bonds to be, or be deemed to be, no longer outstanding. The City will not dispose of any part of the Light System in excess of 5 percent of the value of the net utility plant of the Light System in service except upon compliance with the covenant set forth in subsection 17(a)(i)(B) of this ordinance. Notwithstanding the foregoing, the City may dispose of any portion of the Light System that has become unserviceable, inadequate, obsolete, worn out or unfit to be used, or no longer necessary, material to, or useful in the operation of the Light System.

(ii) Rates and Charges. The City will establish from time to time and maintain such rates for electric energy as will maintain the Light System in sound financial condition and provide sufficient revenues to pay all Operating and Maintenance Expense; to pay into the Parity Bond Fund the amounts that are required by this ordinance to be applied to the payment of the principal of and interest on the Parity Bonds until the Parity Bonds shall have been paid in full; to pay into the Junior Lien Debt Service Fund the amounts that are required by this ordinance to be paid into such fund, in accordance with the priority of payment set forth in Section 14 of this ordinance, until the Junior Lien Bonds (including Junior Lien Payment Agreements and Junior Lien Reimbursement Obligations) shall have been paid in full; and to pay all other bonds, warrants, and indebtedness for which any revenues of the Light System shall have been pledged.

(iii) Operation and Maintenance of the Light System. The City will operate the properties of the Light System in an efficient manner and at a reasonable cost; will maintain, preserve and keep, or cause to be maintained, preserved and kept, the properties of the Light System and every part and parcel thereof in good

repair, working order and condition; and from time to time will make or cause to be made all necessary and proper repairs, renewals, and replacements thereto so that at all times the business carried on in connection therewith will be properly and advantageously conducted.

(iv) **Books and Financial Statements.** The City will keep and maintain proper books of account for the Light System in accordance with generally accepted accounting principles applicable to governmental utilities; will generally adhere to the uniform system of accounts prescribed by the State Auditor's Office and the Federal Energy Regulatory Commission (if any); and will prepare, on or before 180 days after the end of each calendar year, annual financial statements showing reasonable detail, including a balance sheet, an income statement, and a statement of cash flows or other such statement. Copies of such financial statements shall be placed on file in the office of the Director of Finance and shall be open to inspection at any reasonable time by any owner of any Junior Lien Bonds. A copy of such financial statements shall be sent to any owner of Junior Lien Bonds upon request in writing setting forth the name and address to which such financial statements may be sent.

Section 18. **Additional Bonds.**

(a) **Future Parity Bonds.** The City reserves the right to issue Future Parity Bonds (which includes entering into Future Parity Payment Agreements or Future Parity Reimbursement Obligations) for any lawful purpose of the City's Light System if the Parity Conditions are met and complied with as of the date of issuance of such Future Parity Bonds, or as of the effective date of the Parity Payment Agreement or Parity Reimbursement Obligation, as appropriate.

If the Parity Conditions are met and complied with, then payments into the Parity Bond Fund with respect to such Future Parity Bonds shall rank equally with the payments out of Net Revenue required to be made into the Parity Bond Fund by this ordinance. Nothing in this subsection 18(a) shall prevent the City from (i) issuing revenue bonds or other obligations that are a charge upon Net Revenue junior and inferior to the payments required to be made therefrom into the Parity Bond Fund for the payment of the Parity Bonds,

provided that such subordinate obligations may not be subject to acceleration under any circumstances; or (ii) issuing Refunding Parity Bonds to refund maturing Parity Bonds of the City for the payment of which money is not otherwise available.

(i) **Parity Conditions.** The Parity Conditions are as follows:

(A) No deficiency may then exist in the Parity Bond Fund or in any of the accounts therein; and

(B) Provision must be made to satisfy the Reserve Fund Requirement for the Parity Bonds then outstanding plus any additional amount required (if any) in connection with the issuance and sale of the proposed Future Parity Bonds in accordance with subsection 15(c) of this ordinance; and

(C) There must be on file with the City a Parity Certificate as described in subsection 18(a)(ii) of this ordinance. If the proposed Future Parity Bonds (or any portion thereof) are to be issued for the purpose of refunding outstanding Parity Bonds and the Annual Debt Service on the refunding portion of the proposed Future Parity Bonds is not more than \$5,000 greater than the Annual Debt Service on the Parity Bonds to be refunded thereby, then no Parity Certificate shall be required as to that portion issued for refunding purposes. If the requirements of the preceding sentence are not satisfied, Refunding Parity Bonds may alternatively be issued upon delivery of a Parity Certificate.

(ii) **Parity Certificate.** A Parity Certificate required by subsection 18(a)(i) of this ordinance may be provided by either the Director of Finance or by a Professional Utility Consultant, as follows:

(A) A Parity Certificate may be prepared by the Director of Finance, demonstrating that the amount of Adjusted Net Revenue in any 12 consecutive months out of the most recent 24 months preceding the delivery of the proposed series of Future Parity Bonds (the “Base Period”) was not less than 125 percent of Maximum Annual Debt Service in any future calendar year on all Parity Bonds then outstanding and the proposed series of Future Parity Bonds. For the purposes of a Parity Certificate delivered under this subsection (A), the Director of Finance shall reflect in that certificate any adjustment in the rates, fees, and charges for the

services of the Light System that will become effective at any time prior to or within six months after the delivery of the proposed Future Parity Bonds, by including in the amount of Adjusted Net Revenue the amount that the Director estimates would have been collected in the Base Period if such new rates, fees, and charges had been in effect for the entire Base Period.

(B) A Parity Certificate may be prepared by a Professional Utility Consultant, demonstrating that the amount of Adjusted Net Revenue (which may be further adjusted as provided in subsections 18(a)(ii)(B)(1) through 18(a)(ii)(B)(5) of this ordinance) in any 12 consecutive months out of the most recent 24 months preceding the delivery of the proposed Series of Future Parity Bonds (the “Base Period”) is not less than 125 percent of the amount of Maximum Annual Debt Service in any future calendar year on all Parity Bonds then outstanding and the proposed Future Parity Bonds. For the purposes of a certificate delivered under this subsection 18(a)(ii), Adjusted Net Revenue may be further adjusted by the Professional Utility Consultant using any or all of the following methods reflecting the conditions and requirements as may be appropriate to the circumstances:

(1) If the purpose for which the proposed Future Parity Bonds are being issued is to acquire operating electric utility properties having an earnings record, the Professional Utility Consultant shall estimate the effect on Adjusted Net Revenue for the Base Period of the acquisition of such electric utility properties and the integration thereof into the Light System, and shall further adjust Adjusted Net Revenue for the Base Period to give effect to such estimate. Any such estimate shall be based upon the operating experience and records of the City and upon any available financial statements and records relating to the earnings of such electric utility properties to be acquired.

(2) If any changes to rates, fees, or charges imposed by the City on sales of power, energy, or other services furnished by the Light System that were not in effect during the entire Base Period have been adopted by the City Council and are in effect on the date of sale of the proposed Future Parity Bonds (or effective date of the proposed Parity Payment Agreement) or are to go into effect not later than 12

months after such date, the Professional Utility Consultant may, if such changes resulted in increases in such rates, fees, or charges, and shall, if such changes resulted in reductions in such rates, fees, or charges, further adjust Adjusted Net Revenue for the Base Period to reflect any change in such Adjusted Net Revenue that would have occurred if the changed rates, fees, or charges had been in effect during the entire Base Period.

(3) If the purpose for which the proposed Future Parity Bonds are being issued is to acquire or construct generation or transmission facilities required to furnish or make available to the Light System additional power and energy, or transmission facilities required to enable the City to sell additional power and energy, the Professional Utility Consultant may further adjust Adjusted Net Revenue for the Base Period by (I) deducting the amount of the estimated increase in Operating and Maintenance Expense resulting from the acquisition or construction of such facilities in their first year of full operation, (II) adding any additional revenues to be derived from the sale or transmission of such additional power and energy pursuant to executed power sales contracts, and (III) adding an amount equal to the estimated cost of the power and energy that would have been replaced or displaced by such facilities had such additional power and energy in excess of the power and energy to be sold pursuant to subsection 18(a)(ii)(B)(2) of this ordinance been used in the Light System during the Base Period.

(4) If any customers were added to the Light System during the Base Period or thereafter (and prior to the date of the Professional Utility Consultant's certificate), Adjusted Net Revenue may be further adjusted as if such added customers were customers of the Light System during the entire Base Period.

(5) If extensions of or additions to the Light System (not described in subsection 18(a)(ii)(B)(3) of this ordinance) are in the process of construction on the date of the Professional Utility Consultant's certificate, or if the proceeds of the proposed Future Parity Bonds are to be used to acquire or construct extensions of or additions to the Light System (not described in subsection 18(a)(ii)(B)(3) of this ordinance), Adjusted Net Revenue for the Base Period may be further adjusted by adding any additional

revenues not included in the preceding paragraphs that will be derived from such additions and extensions, and deducting the estimated increase in Operating and Maintenance Expense resulting from such additions and extensions.

In rendering any Parity Certificate under this subsection 18(a)(ii)(B), the Professional Utility Consultant may rely upon the following documents, which shall be attached to the Parity Certificate: financial statements of the Light System, certified by the Director of Finance, showing income and expenses for the period upon which the same are based and a balance sheet as of the end of such period; financial statements of the Light System certified by the Office of the State Auditor of the State (or any successor thereto); or financial statements of the Light System certified by a certified public accountant for as much of such period as any examination by such accountant has been made and completed. If two or more of such statements are inconsistent with each other, the Professional Utility Consultant shall rely on the statements certified by the Director of Finance.

(b) Future Junior Lien Bonds. The City reserves the right to issue Future Junior Lien Bonds (which term includes Junior Lien Payment Agreements and Junior Lien Reimbursement Obligations) for any lawful purpose of the City's Light System if the Junior Lien Additional Bonds Test is met and complied with as of the date of issuance of such Future Junior Lien Bonds, or as of the effective date of the Junior Lien Payment Agreement or Junior Lien Reimbursement Obligation, as appropriate.

If the Junior Lien Additional Bonds Test is met and complied with, then payments into the Junior Lien Debt Service Fund with respect to such Future Junior Lien Bonds shall rank equally with the payments out of Net Revenue required to be made into the Junior Lien Debt Service Fund by this ordinance. Nothing in this subsection 18(b) shall prevent the City from (i) issuing revenue bonds or other obligations that are a charge upon Net Revenue junior and inferior to the payments required to be made therefrom into the Junior Lien Debt Service Fund for the payment of the Junior Lien Bonds, provided that such subordinate obligations may not be subject to acceleration under any circumstances; or (ii) issuing Refunding Junior Lien Bonds for the purpose of

refunding outstanding Junior Lien Bonds to fund or refund maturing Junior Lien Bonds of the City for the payment of which money is not otherwise available.

(i) **Junior Lien Additional Bonds Test.** The Junior Lien Additional Bonds Test is as follows:

(A) No deficiency may then exist in the Junior Lien Debt Service Fund or in any of the accounts therein; and

(B) No default may have occurred that is then continuing with respect to any then outstanding Parity Bonds or Junior Lien Bonds; and

(C) There must be on file with the City a Junior Lien Coverage Certificate as described in subsection 18(b)(ii) of this ordinance. If the proposed Future Junior Lien Bonds (or any portion thereof) are to be issued for the purpose of refunding outstanding Junior Lien Bonds and the Annual Debt Service on the refunding portion of the proposed Future Junior Lien Bonds is not more than \$5,000 greater than the Annual Debt Service on the Junior Lien Bonds to be refunded thereby, then no Junior Lien Coverage Certificate shall be required as to that portion issued for refunding purposes. If the requirements of the preceding sentence are not satisfied, Refunding Junior Lien Bonds may alternatively be issued upon delivery of a Junior Lien Coverage Certificate.

(ii) **Junior Lien Coverage Certificate.** A Junior Lien Coverage Certificate required by subsection 18(b)(i) of this ordinance may be provided by either the Director of Finance or by a Professional Utility Consultant, as follows:

(A) A Junior Lien Coverage Certificate may be prepared by the Director of Finance, demonstrating that the amount of Adjusted Net Revenue in any 12 consecutive months out of the most recent 24 months preceding the delivery of the proposed Series of Future Junior Lien Bonds (the “Base Period”) was not less than 115 percent of Maximum Annual Debt Service in any future calendar year on all Parity Bonds, Intermediate Lien Reimbursement Obligations (if any), and Junior Lien Bonds then outstanding plus the proposed Series of Future Junior Lien Bonds. For the purposes of a Junior Lien Coverage Certificate delivered

under this subsection 18(b)(ii)(A), the Director of Finance shall reflect in that certificate any adjustment in the rates, fees, and charges for the services of the Light System that will become effective at any time prior to or within six months after the delivery of the proposed Future Junior Lien Bonds, by including in the amount of Adjusted Net Revenue the amount that the Director estimates would have been collected in the Base Period if such new rates, fees, and charges had been in effect for the entire Base Period.

(B) A Junior Lien Coverage Certificate may be prepared by a Professional Utility Consultant, demonstrating that the amount of Adjusted Net Revenue (which may be further adjusted as provided in subsection 18(a)(ii)(B)(1) through (B)(5) of this ordinance) in any 12 consecutive months out of the most recent 24 months preceding the delivery of the proposed Future Junior Lien Bonds (the “Base Period”) not less than 115 percent of Maximum Annual Debt Service in any future calendar year on all Parity Bonds and Junior Lien Bonds then outstanding plus the proposed Future Junior Lien Bonds.

Section 19. **Rate Stabilization Account.** The City may at any time deposit in the Rate Stabilization Account Net Revenue and any other money received by the Light System and available to be used therefor. Thereafter, the City may withdraw any or all of the money from the Rate Stabilization Account for inclusion in Adjusted Net Revenue for any applicable year of the City. Such deposits or withdrawals may be made up to and including the date 90 days after the end of the applicable year for which the deposit or withdrawal will be included as Adjusted Net Revenue.

Section 20. **Refunding or Defeasance of Bonds.**

(a) **Bonds Designated as Refundable Bonds and Defeasible Bonds.** Each Series of the Bonds is designated as “Refundable Bonds” and “Defeasible Bonds” for purposes of the Omnibus Refunding Ordinance and the Omnibus Defeasance Ordinance, respectively.

(b) **Refunding; Defeasance.** The City may issue refunding bonds pursuant to the laws of the State or use money available from any other lawful source (i) to pay when due the principal of (including redemption premium, if any) and interest on any Bond, or any portion thereof, included in a refunding or defeasance plan

(the “Defeased Bonds”); (ii) to redeem and retire, release, refund, or defease the Defeased Bonds; and (iii) to pay the costs of such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient (together with known earned income from the investment thereof) to redeem and retire, release, refund, or defease the Defeased Bonds in accordance with their terms is set aside in a special trust fund or escrow account irrevocably pledged to such redemption, retirement or defeasance (the “Trust Account”), then all right and interest of the Owners of the Defeased Bonds in the covenants of this ordinance and in Net Revenue and the funds and accounts pledged to the payment of such Defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter shall have the right to receive payment of the principal (or redemption price) of and interest on the Defeased Bonds from the Trust Account. After such a Trust Account is established and funded as set forth above, the Defeased Bonds shall be deemed to be no longer outstanding and the Director of Finance may then apply any money in any other fund or account established for the payment or redemption of the Defeased Bonds to any lawful purpose.

(c) **Notice of Defeasance or Refunding.** Unless otherwise specified in the applicable Bond Documents, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

(d) **Annual Debt Service Calculation Adjustments for Defeased Bonds.** If the refunding or defeasance plan provides (i) that the Defeased Bonds (or the refunding bonds issued to redeem those Defeased Bonds) are to be secured by money and/or Government Obligations pending the redemption of the Defeased Bonds, and (ii) that certain money and/or Government Obligations are pledged irrevocably for the redemption of the Defeased Bonds, then only the debt service on such Bonds as are not Defeased Bonds (and any refunding bonds, the payment of which is not so secured by the refunding plan) shall be included in the calculation of Annual Debt Service.

Section 21. **Federal Tax Matters.** The Bond Documents may include such additional terms and

covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, including the following:

(a) **Tax-Exempt Bonds.** For each Series of the Bonds issued as Tax-Exempt Bonds, the City covenants that it will take all actions, consistent with the terms of such Series as set forth in this ordinance and the applicable Bond Documents, that are reasonably within its power and necessary to prevent interest on that Series from being included in gross income for federal income tax purposes. The City further covenants that it will neither take any action nor make or permit any use of gross proceeds of that Series (or other funds of the City treated as gross proceeds of that Series) at any time during the term of such Series that will cause interest on such Series to be included in gross income for federal income tax purposes. The City also covenants that, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, it will take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series (including the calculation and payment of any penalties that the City may elect to pay as an alternative to calculating rebatable arbitrage and the payment of any other penalties if required under Section 148 of the Code) to prevent interest on such Bonds from being included in gross income for federal income tax purposes.

(b) **Taxable Bonds; Tax Credit Subsidy Bonds.** For each Series of the Bonds issued as Taxable Bonds or as Tax Credit Subsidy Bonds, the Director of Finance is authorized to make provision in the Bonds and other Bond Documents, to execute additional written agreements, and to make additional covenants on behalf of the City, all as the Director may deem necessary or appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit Subsidy Bonds, such additional covenants and agreement may include (without limiting the generality of the foregoing) those necessary in order for the City (i) to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit Subsidy Bonds, and (ii) to ensure that such Tax Credit Subsidy Bonds otherwise become and remain eligible for tax benefits under the Code.

Section 22. **Official Statement; Continuing Disclosure.**

(a) **Preliminary Official Statement.** The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection 22(a).

(b) **Final Official Statement.** The City approves the preparation of a final official statement for each sale of one or more Series to be sold to the public in the form of the preliminary official statement, with such additions, modifications and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and potential purchasers of the Bonds.

(c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the Bonds, the Director of Finance is authorized to execute a written Continuing Disclosure Agreement with respect to that Series, in substantially the form attached to this ordinance as Exhibit B.

Section 23. **Supplemental or Amendatory Bond Documents.** This ordinance and the other applicable Bond Documents for any Series of the Bonds may not be supplemented or amended in any respect subsequent to the Issue Date of such Series, except in accordance with and subject to the provisions of this section.

(a) **Amendments Without Bond Owners' Consent.** From time to time and at any time, without the consent of or notice to the owners of any Parity Bonds or Junior Lien Bonds, the City may supplement or amend the Bond Documents applicable to any Series of the Bonds for any of the purposes set forth in this

subsection 23(a). Any such supplement or amendment may be passed, adopted, or otherwise approved in writing by the City, without requiring the consent of the registered owners of any Parity Bonds or Junior Lien Bonds, but may become effective only upon receipt by the City of an opinion of Bond Counsel to the effect that such supplement or amendment is permitted by the terms of this ordinance. The City shall deliver a copy of any such supplement or amendment to each Rating Agency prior to its passage, adoption, or approval (as applicable) by the City. The types of supplements and amendments permitted under this subsection 23(a) are as follows:

(i) To add to any Parity Bond Documents (or to any Junior Lien Bond Documents, as applicable) additional covenants and agreements that do not adversely affect the interests of the owners of any Parity Bonds (or, as to Junior Lien Bond Documents, the interests of the owners of any Junior Lien Bonds) then outstanding, or to surrender any right or power reserved to or conferred upon the City in any Bond Documents;

(ii) To cure any ambiguities or to cure, correct, or supplement any defective provision in any Bond Documents, in regard to matters or questions arising under such Bond Documents, as the City may deem necessary or desirable and not inconsistent with this ordinance, and which do not materially adversely affect the interests of the owners of any Parity Bonds or Junior Lien Bonds then outstanding; and

(iii) To make such changes as may be necessary to permit the Bonds to be held in registered certificate form or in Book-Entry Form, as the case may be, and to make similar amendments or modifications of a technical nature.

(b) Amendments With Bond Owner Consent.

(i) **Parity Bond Documents.** With the consent of the registered owners representing not less than 60 percent in aggregate principal amount of the Parity Bonds then outstanding, the City may pass, adopt, or otherwise provide its written approval of any supplement or amendment to add to, change, or eliminate any provision of the Bond Documents applicable to a Series of the Bonds designated as Parity Bonds in any manner other than a supplement or amendment effecting a change described in subsection 23(c)(i) of this ordinance.

(ii) **Junior Lien Bond Documents.** With the consent of the registered owners representing not less than 60 percent in aggregate principal amount of the Junior Lien Bonds then outstanding, the City may pass, adopt, or otherwise approve in writing any supplement or amendment to add to, change, or eliminate any provision of the Bond Documents applicable to a Series of the Bonds designated as Junior Lien Bonds in any manner other than a supplement or amendment effecting a change described in subsection 23(c)(ii) of this ordinance.

(c) Amendments Prohibited Except Upon Unanimous Consent.

(i) **Amendments to Parity Bond Documents.** Nothing contained in this section shall permit or be construed as permitting an amendment or supplement that would:

(A) Except upon consent from the registered owners of or on behalf of all Parity Bonds so affected, extend the fixed maturity of any Parity Bond, reduce the rate of interest on any Parity Bond (other than a change in interest rate permitted under the applicable Parity Bond Documents then in effect), extend the times of payment of interest from their respective due dates, reduce the principal amount of any Parity Bond, or reduce any redemption premium; or

(B) Except upon consent from the registered owners of or on behalf of all of the Parity Bonds then outstanding, reduce the percentage of ownership required under subsection 23(b)(i) of this ordinance to approve any supplement or amendment.

(ii) **Amendments to Junior Lien Bond Documents.** Nothing contained in this section shall permit or be construed as permitting an amendment or supplement that would:

(A) Except upon consent from the registered owners of or on behalf of all Junior Lien Bonds so affected, extend the fixed maturity of any Junior Lien Bond, reduce the rate of interest on any Junior Lien Bond (other than a change in interest rate permitted under the applicable Junior Lien Bond Documents then in effect), extend the times of payment of interest from their respective due dates, reduce the principal amount of any Junior Lien Bond, or reduce any redemption premium; or

(B) Except upon consent from the registered owners of or on behalf of all of the Junior Lien Bonds then outstanding, reduce the percentage of ownership required under subsection 23(b)(ii) of this ordinance to approve any supplement or amendment.

(d) **Notice and Consents.** If at any time the City passes, adopts, or otherwise approves in writing a supplement or amendment for any of the purposes requiring consent under subsection 23(b) or 23(c) of this ordinance, it shall provide a notice to each registered owner and to each Rating Agency briefly summarizing the nature of the proposed supplement or amendment and stating that a copy of such supplement or amendment is on file at the office of the City Clerk. It shall not be necessary to obtain consent to or approval of the particular form of any proposed supplement or amendment, but it shall be sufficient if the consent shall approve the substance thereof. For purposes of determining whether consents representing the requisite percentage of principal amount of Parity Bonds or Junior Lien Bonds have been obtained, the Accreted Value of Capital Appreciation Bonds shall be deemed to be the principal amount.

(e) **Effect of Amendment or Supplement.** Upon the effective date of any amendment or supplement to any Bond Documents, such Bond Documents shall be deemed to be amended and modified in accordance with such amendment or supplement. Thereafter, the respective rights, duties, and obligations of the City under the applicable Bond Documents shall be determined, exercised, and enforced subject in all respects to such supplement or amendments, and all the terms and conditions of any such supplement or amendment shall be deemed to be a part of the terms and conditions of those Bond Documents for any and all purposes. The effective dates of such amendments and supplements shall be as follows:

(i) An amendment and supplement permitted under subsection 23(a) of this ordinance shall become effective immediately upon (A) the passage, adoption, or other approval of such amendment or supplement (or upon the effective date of such document as stated therein, if any), and (B) the delivery of the required opinion of Bond Counsel stating that such amendment or supplement is permitted under this ordinance.

(ii) A supplement or amendment permitted under subsection 23(b) or 23(c) of this ordinance shall become effective on the date on which the City has received the written consents of the requisite percentage of registered owners. If the requisite percentage of registered owners of Parity Bonds or Junior Lien Bonds, as applicable, have given their consent to any such amendment or supplement, no owner of any Bond shall have any right (i) to object to the passage, adoption, or approval of such supplement or amendment, (ii) to object to any of the terms and provisions contained therein or the operation thereof, (iii) in any manner to question the propriety of the passage, adoption, or approval thereof, (iv) to enjoin or restrain the City, or any authorized official thereof, from passing, adopting, or otherwise approving the same, or (v) to enjoin or restrain the City, any authorized official thereof, or the Bond Registrar from taking any action pursuant to the provisions thereof.

(f) **Notation on Bonds.** Any Bonds executed and delivered after the effective date of any amendment or supplement that is passed, adopted, or otherwise approved in writing pursuant to this section may include a notation as to any matter provided for in such amendment or supplement. The City may, in its discretion, prepare and deliver replacement bonds, modified to reflect any such amendment or supplement, to the registered owner(s) thereof upon surrender of the original bonds for cancellation.

Section 24. **Defaults and Remedies.**

(a) **Parity Bond Events of Default.** Each of the following shall constitute an Event of Default with respect to the Bonds designated as Parity Bonds, except as set forth in subsection 24(c) of this ordinance:

(i) If a default is made in the payment of the principal of (including Sinking Fund Requirements and any redemption premium thereon, if any) or interest on any Parity Bond when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the Parity Bond covenants, conditions, or agreements on the part of the City set forth in this ordinance or the applicable Parity Bond Documents (except as otherwise provided herein or in such Parity Bond Documents) and such default or

defaults shall have continued for a period of six months (the “cure period”) after the City shall have received from the registered owners of not less than 25 percent in principal amount of the Parity Bonds then outstanding (or from a Bond Owners’ Trustee duly appointed as set forth in subsection 24(e) of this ordinance) a written notice specifying and demanding the cure of such default. However, if such default is one that cannot be completely remedied within the cure period, it shall not be an Event of Default with respect to the Parity Bonds, so long as the City has taken active steps within the cure period to remedy the default and is diligently pursuing such remedy.

(b) Junior Lien Bond Events of Default. Each of the following shall constitute an Event of Default with respect to the Bonds designated as Junior Lien Bonds, except as set forth in subsection 24(c) of this ordinance:

(i) If a default is made in the payment of the principal of (including Sinking Fund Requirements and any redemption premium thereon, if any) or interest on any Junior Lien Bond when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the Junior Lien Bond covenants, conditions, or agreements on the part of the City set forth in this ordinance or the applicable Junior Lien Bond Documents (except as otherwise provided for in this ordinance or in such Junior Lien Bond Documents) and such default or defaults shall have continued for a period of six months (the “cure period”) after the City shall have received from the registered owners of not less than 25 percent in principal amount of the Junior Lien Bonds then outstanding (or from a Bond Owners’ Trustee duly appointed as set forth in subsection (e) of this section) a written notice specifying and demanding the cure of such default. However, if such default is one which cannot be completely remedied within the cure period, it shall not be an Event of Default with respect to the Bonds as long as the City has taken active steps within the cure period to remedy the default and is diligently pursuing such remedy.

(c) Exceptions. Notwithstanding anything in this section to the contrary, the failure of the City or any

obligated person to comply with a Continuing Disclosure Agreement shall not constitute an Event of Default, and the sole remedy of any holder of any Parity Bond or Junior Lien Bond, as applicable, shall be to seek an order of specific performance from an appropriate court to compel the City to comply with the Continuing Disclosure Agreement. For purposes of determining whether an Event of Default has occurred and is continuing with respect to the rate covenant set forth in subsection 17(a)(ii) or 17(b)(ii) of this ordinance, if such covenant is met for any fiscal year, it shall be deemed to have been met for all prior fiscal years.

(d) Remedies; No Acceleration. In the case of a Parity Bond Event of Default, an owner of a Parity Bond shall have the remedies set forth in Section 10 of this ordinance and in the applicable Parity Bond Documents, as limited by subsection 24(e) of this ordinance. In the case of a Junior Lien Bond Event of Default, the owner of a Junior Lien Bond shall have the remedies set forth in Section 10 of this ordinance and in the applicable Junior Lien Bond Documents, as limited by subsection 24(e) of this ordinance. Nothing contained in this ordinance shall, in any event or under any circumstance, be deemed to authorize the acceleration of the maturity of principal on the Bonds, and the remedy of acceleration is expressly denied to the registered owners of the Bonds under any circumstances including, without limitation, upon the occurrence and continuance of an Event of Default.

(e) Bond Owners' Trustee. A Bond Owners' Trustee appointed in the manner provided in this section, and each successor thereto, is declared to be a trustee for all of the owners of the Parity Bonds (in the case of a Parity Bond Event of Default) or all of the owners of the Junior Lien Bonds (in the case of a Junior Lien Bond Event of Default), as applicable, and is empowered to exercise all the rights and powers herein conferred on the Bond Owners' Trustee.

(i) Appointment of Bond Owners' Trustee; Removal. Upon the occurrence and continuance of an Event of Default described in subsection 24(a) of this ordinance, the registered owners of 25 percent in principal amount of the then outstanding Parity Bonds (or upon the occurrence and continuance of an Event of Default described in subsection 24(b) of this ordinance, the registered owners of 25 percent in principal amount

of the then outstanding Junior Lien Bonds) may appoint a Bond Owners' Trustee by an instrument or concurrent instruments in writing signed by such registered owners (or by their duly authorized attorneys-in-fact) and delivered to such Bond Owners' Trustee, with notification of such appointment given to the City. That appointment shall become effective immediately upon acceptance thereof by the Bond Owners' Trustee. The entity acting as Bond Owners' Trustee may be removed at any time, and a successor Bond Owners' Trustee may be appointed, by the registered owners of more than 50 percent in principal amount of the Parity Bonds then outstanding (in the case of a Parity Bond Event of Default) or 50 percent in principal amount of the Junior Lien Bonds then outstanding (in the case of a Junior Lien Bond Event of Default), as applicable, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners or by their duly authorized attorneys-in-fact.

(ii) **Cure of Event of Default.** If the Bond Owners' Trustee furnishes to the City a certificate stating that, in its sole judgment, an Event of Default that has occurred has been cured, such Event of Default shall be conclusively deemed to be cured, and the City, the Bond Owners' Trustee, and the registered owners of the Parity Bonds or Junior Lien Bonds, as applicable, shall be restored to the same rights and position which they would have held if no Event of Default had occurred.

(iii) **Suits at Law or in Equity.** Upon the occurrence of an Event of Default and during the continuance thereof, the Bond Owners' Trustee in its discretion may (and, upon the written request of the registered owners of not less than 25 percent in principal amount of the Parity Bonds (or Junior Lien Bonds, as applicable) then outstanding, shall) take such steps and institute such suits, actions, or other proceedings, all as it may deem appropriate for the protection and enforcement of the rights of the registered owners of the Parity Bonds (or Junior Lien Bonds, as applicable), to collect any amounts due and owing to or from the City, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this ordinance or set forth in any of the applicable Bond Documents.

Any action, suit, or other proceeding instituted by the Bond Owners' Trustee hereunder shall be brought

in its name as the Bond Owners' Trustee and all such rights of action upon or under any of the Parity Bonds (or Junior Lien Bonds, as applicable) or the provisions of this ordinance may be enforced by the Bond Owners' Trustee without the possession of any of those Parity Bonds (or Junior Lien Bonds, as applicable) and without the production of the same at any trial or proceedings relative thereto except where otherwise required by law.

(iv) **Effect of Appointment of Bond Owners' Trustee.** Any suit, action, or proceeding instituted by the Bond Owners' Trustee shall be brought for the ratable benefit of all of the owners of the Parity Bonds (or Junior Lien Bonds, as applicable), subject to the provisions of this ordinance. The respective owners, by taking and holding the same, shall be conclusively deemed irrevocably to appoint the Bond Owners' Trustee the true and lawful trustee of the respective owners, with authority to institute any such action, suit, or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to execute any paper or documents for the receipt of money; and to do all acts with respect thereto that the owner might have done in person. Nothing herein shall be deemed to authorize or empower the Bond Owners' Trustee to consent to accept or adopt, on behalf of any owner of the Parity Bonds (or Junior Lien Bonds, as applicable), any plan of reorganization or adjustment affecting the Parity Bonds (or Junior Lien Bonds, as applicable) or any right of any registered owner thereof, or to authorize or empower the Bond Owners' Trustee to vote the claims of the registered owners thereof in any receivership, insolvency, liquidation, bankruptcy, reorganization, or other proceeding to which the City is a party.

(v) **Bond Owners' Direction of Proceedings.** By an instrument or concurrent instruments in writing executed and delivered to the Bond Owners' Trustee, the owners of more than 50 percent in aggregate principal amount of the Parity Bonds (or Junior Lien Bonds, as applicable) then outstanding shall be entitled to control and direct the enforcement of all rights and remedies granted to the owners (or the Bond Owners' Trustee for the benefit of the owners) under the applicable Bond Documents. Notwithstanding the foregoing, the Bond Owners' Trustee shall have the right to decline to follow any such direction which in the opinion of the Bond Owners' Trustee, in reasonable reliance on advice of counsel, would be unjustly prejudicial to owners

not parties to such direction.

(vi) **Limitation on Remedies; Limitations on Individual Actions.** No owner of a Parity Bond, in the case of a Parity Bond Event of Default (or owner of a Junior Lien Bond, in the case of a Junior Lien Bond Event of Default) shall have any right in any manner whatever by its action to affect, disturb, or prejudice the security pledged in this ordinance or the rights of any other owners, or to enforce any right under the applicable Bond Documents or applicable law except in the manner provided in this section, and that all proceedings at law or in equity to enforce any such right shall be instituted, had, and maintained in the manner herein provided and for the equal and ratable benefit and protection of all owners of the Parity Bonds (or Junior Lien Bonds, as applicable), subject to the provisions of this ordinance.

(vii) **Limitations on Individual Actions.** No owner of a Parity Bond (or Junior Lien Bond, as applicable) shall have any right to institute any action, suit, or proceeding at law or in equity for the enforcement of same unless (A) such owner previously shall have given to the Bond Owners' Trustee written notice of the occurrence of an Event of Default; (B) the owners of more than 50 percent in aggregate principal amount of the then outstanding Parity Bonds (in the case of a Parity Bond Event of Default) or 50 percent in aggregate principal amount of the then outstanding Junior Lien Bonds (in the case of a Junior Lien Bond Event of Default) shall have made a written request to the Bond Owners' Trustee to exercise the powers granted above or to institute such suit, action, or proceeding in its own name; (C) such owners shall have tendered to the Bond Owners' Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request; and (D) the Bond Owners' Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Bond Owners' Trustee. The conditions set forth in (A) through (D) in the preceding sentence are hereby declared to be conditions precedent to the exercise by any owner of a Parity Bond (in the case of a Parity Bond Event of Default) or by any owner of a Junior Lien Bond (in the case of a Junior Lien Bond Event of Default) of any remedy under the applicable Bond Documents or under applicable law.

(viii) **Duties and Obligations of Bond Owners' Trustee.** The Bond Owners' Trustee shall not be liable except for the performance of such duties as are specifically set forth in this ordinance. During any period in which an Event of Default has occurred and is continuing as to the Parity Bonds (or the Junior Lien Bonds, as applicable) the Bond Owners' Trustee shall exercise such of the rights and powers vested in it by this ordinance, and shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of that person's own affairs. The Bond Owners' Trustee shall have no liability for any act or omission to act hereunder except for the Bond Owners' Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Bond Owners' Trustee shall be determined solely by the express provisions of this ordinance, and no implied powers, duties or obligations of the Bond Owners' Trustee shall be read into this ordinance. The Bond Owners' Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Bond Owners' Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct. The fees and expenses of the Bond Owners' Trustee shall be borne by the owners of the Parity Bonds (or Junior Lien Bonds, as applicable) and not by the City. A Bond Owners' Trustee may require such security and indemnity as may be reasonable against the costs, expenses, and liabilities that may be incurred in the performance of its duties. The Bond Owners' Trustee shall not be bound to recognize any person as a registered owner of any Parity Bond (or Junior Lien Bond, as applicable) until their title thereto, if disputed, has been established to its reasonable satisfaction. The Bond Owners' Trustee may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Bond Owners' Trustee shall not be answerable for any neglect or default of any person, firm, or corporation employed and selected by it with reasonable care.

Section 25. **General Authorization.** In addition to the specific authorizations in this ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of the City are each authorized

and directed to do everything such officer may judge necessary, appropriate, or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

(a) The Director of Finance, in the Director's discretion and without further action by the City Council, (i) may issue requests for proposals to provide underwriting services or financing facilities (including, without limitation, Qualified Insurance, a Qualified Letter of Credit, or other credit support or liquidity facility) and may execute engagement letters and other agreements with underwriters and other financial institutions (including providers of liquidity or credit support) based on responses to such requests; (ii) may select and make decisions regarding the Bond Registrar, fiscal or paying agents, and any Securities Depository for each Series of the Bonds; (iii) may take any and all actions necessary or convenient to provide for the conversion of interest rate modes for any Series in accordance with the applicable Bond Documents; and (iv) may take such actions on behalf of the City as are necessary or appropriate for the City to designate, qualify, or maintain the tax-exempt treatment with respect to any Series issued as Tax-Exempt Bonds, to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series issued as Tax Credit Subsidy Bonds, and to otherwise receive any other federal tax benefits relating to any Series of the Bonds that are available to the City; and

(b) The Mayor and the Director of Finance are each separately authorized to execute and deliver (i) any and all contracts or other documents as are consistent with this ordinance and for which the City's approval is necessary or to which the City is a party (including but not limited to agreements with escrow agents, refunding or defeasance trustees, liquidity or credit support providers, providers of Qualified Insurance or Alternate Reserve Securities, remarketing agents, underwriters, lenders or other financial institutions, fiscal or paying agents, Qualified Counterparties, custodians, and the Bond Registrar); and (ii) such other contracts or documents incidental to the issuance and sale of any Series of the Bonds; the establishment of the interest rate or rates on a Bond; or the conversion, tender, purchase, remarketing, or redemption of a Bond, as may in the

judgment of the Mayor or Director of Finance, as applicable, be necessary or appropriate.

Section 26. **Severability**. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the invalidity of its application to any person or circumstance, does not affect the validity of the remainder of this ordinance or the validity of its application to other persons or circumstances.

Section 27. **Ratification of Prior Acts**. Any action consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 28. **Section Headings**. Section headings in this ordinance are nonsubstantive.

Section 29. **Effective Date**. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

EXHIBIT B

FORM OF CONTINUING DISCLOSURE AGREEMENT

The City of Seattle, Washington (the “City”), makes the following written undertaking (the “Undertaking”) for the benefit of the Owners of the City’s Municipal Light and Power Revenue Bonds, [Year] [Series] (the “Bonds”), for the sole purpose of assisting the underwriter for the Bonds in meeting the requirements of paragraph (b)(5) of Rule 15c2-12 (the “Rule”), as applicable to a participating underwriter for the Bonds. Capitalized terms used but not defined below shall have the meanings given in Ordinance _____ (the “Bond Ordinance”).

(a) Undertaking to Provide Annual Financial Information and Notice of Listed Events.

The City undertakes to provide or cause to be provided, either directly or through a designated agent, to the Municipal Securities Rulemaking Board (the “MSRB”), in an electronic format as prescribed by the MSRB, accompanied by identifying information as prescribed by the MSRB:

(i) Annual financial information and operating data regarding the Municipal Light and Power System (the “Light System”) of the type included in the final official statement for the Bonds and described in subsection (b) of this section (“annual financial information”). The timely filing of unaudited financial statements shall satisfy the requirements and filing deadlines pertaining to the filing of annual financial statements under subsection (b), provided that audited financial statements are to be filed if and when they are otherwise prepared and available to the City.

(ii) Timely notice (not in excess of 10 business days after the occurrence of the event) of the occurrence of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS Form 5701 – TEB) or other material notices

1 or determinations with respect to the tax status of the Bonds, or other material events affecting the tax
2 status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls
3 (other than scheduled mandatory redemptions of Term Bonds), if material, and tender offers;
4 (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if
5 material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the City, as
6 such “Bankruptcy Events” are defined in the Rule; (13) the consummation of a merger, consolidation,
7 or acquisition involving the City or the sale of all or substantially all of the assets of the City other than
8 in the ordinary course of business, the entry into a definitive agreement to undertake such an action or
9 the termination of a definitive agreement relating to any such actions, other than pursuant to its terms,
10 if material; (14) appointment of a successor or additional trustee or the change of name of a trustee, if
11 material; (15) incurrence of a financial obligation of the City, if material, or agreement to covenants,
12 events of default, remedies, priority rights, or other similar terms of a financial obligation of the City,
13 any of which affect holders of the Bonds, if material; and (16) any default, event of acceleration,
14 termination event, modification of terms, or other similar event under the terms of a financial obligation
15 of the City, any of which reflect financial difficulties.

16 For purposes of this Undertaking, the term “financial obligation” shall mean a debt
17 obligation; a derivative instrument entered into in connection with, or pledged as security or a source
18 of payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a
19 derivative instrument entered into in connection with, or pledged as security or a source of payment
20 for, an existing or planned debt obligation. The term “financial obligation” does not include municipal
21 securities as to which a final official statement has been provided to the MSRB consistent with the
22 Rule.

23 (iii) Timely notice of a failure by the City to provide required annual financial
24 information on or before the date specified in subsection (b) of this section.

1 (b) Type of Annual Financial Information Undertaken to be Provided. The annual
2 financial information and operating data that the City undertakes to provide in subsection (a) of this
3 section:

4 (i) Shall consist of (1) annual financial statements of the Light System prepared in
5 accordance with applicable generally accepted accounting principles applicable to governmental units
6 (except as otherwise noted therein), as such principles may be changed from time to time and as
7 permitted by applicable state law; (2) a statement of outstanding Parity Bonds, Junior Lien Bonds (if
8 any), and any other bonded indebtedness secured by Net Revenue of the Light System; (3) debt service
9 coverage ratios for the then-Outstanding Parity Bonds, Junior Lien Bonds (if any) and any other bonded
10 indebtedness secured by Net Revenue of the Light System; (4) sources of Light System power and the
11 MWh produced by those sources; and (5) the average number of customers, revenues, and energy sales
12 by customer class;

13 (ii) Shall be provided not later than the last day of the ninth month after the end of
14 each fiscal year of the City (currently, a fiscal year ending December 31), as such fiscal year may be
15 changed as required or permitted by state law, commencing with the City's fiscal year ending
16 December 31, 20__; and

17 (iii) May be provided in a single document or multiple documents, and may be
18 incorporated by specific reference to documents available to the public on the Internet website of the
19 MSRB or filed with the Securities and Exchange Commission.

20 (c) Amendment of Undertaking. This Undertaking is subject to amendment after the
21 primary offering of the Bonds without the consent of any Owner or holder of any Bond, or of any
22 broker, dealer, municipal securities dealer, participating underwriter, rating agency or the MSRB,
23 under the circumstances and in the manner permitted by the Rule, including:

1 (i) The amendment may only be made in connection with a change in
2 circumstances that arises from a change in legal requirements, change in law, or change in the identity,
3 nature, or status of the City, or type of business conducted by the City;

4 (ii) The Undertaking, as amended, would have complied with the requirements of
5 the Rule at the time of the primary offering, after taking into account any amendments or interpretations
6 of the Rule, as well as any change in circumstances; and

7 (iii) The amendment does not materially impair the interests of holders, as
8 determined either by parties unaffiliated with the City (e.g., bond counsel or other counsel familiar
9 with federal securities laws), or by an approving vote of bondholders pursuant to the terms of the Bond
10 Ordinance at the time of the amendment.

11 The City will give notice to the MSRB of the substance (or provide a copy) of any amendment
12 to this Undertaking and a brief statement of the reasons for the amendment. If the amendment changes
13 the type of annual financial information to be provided, the annual financial information containing
14 the amended financial information will include a narrative explanation of the effect of that change on
15 the type of information to be provided.

16 (d) Beneficiaries. This Undertaking shall inure to the benefit of the City and any Owner
17 of Bonds, and shall not inure to the benefit of or create any rights in any other person.

18 (e) Termination of Undertaking. The City's obligations under this Undertaking shall
19 terminate upon the legal defeasance, prior redemption, or payment in full of all of the Bonds. In
20 addition, the City's obligations under this Undertaking shall terminate if those provisions of the Rule
21 that require the City to comply with this Undertaking become legally inapplicable in respect of the
22 Bonds for any reason, as confirmed by an opinion of nationally recognized bond counsel or other
23 counsel familiar with federal securities laws delivered to the City, and the City provides timely notice
24 of such termination to the MSRB.

1 (f) Remedy for Failure to Comply with Undertaking. As soon as practicable after the City
2 learns of any material failure to comply with this Undertaking, the City will proceed with due diligence
3 to cause such noncompliance to be corrected. No failure by the City or other obligated person to comply
4 with this Undertaking shall constitute a default in respect of the Bonds. The sole remedy of any Owner
5 of a Bond shall be to take such actions as that Owner deems necessary, including seeking an order of
6 specific performance from an appropriate court, to compel the City or other obligated person to comply
7 with this Undertaking.

8 (g) Designation of Official Responsible to Administer Undertaking. The Director of
9 Finance of the City (or such other officer of the City who may in the future perform the duties of that
10 office) or the Director’s designee is the person designated, in accordance with the Bond Ordinance, to
11 carry out this Undertaking of the City in respect of the Bonds set forth in this section and in accordance
12 with the Rule, including, without limitation, the following actions:

13 (i) Preparing and filing the annual financial information undertaken to be
14 provided;

15 (ii) Determining whether any event specified in subsection (a)(ii) has occurred,
16 assessing its materiality, where necessary, with respect to the Bonds, and preparing and disseminating
17 any required notice of its occurrence;

18 (iii) Determining whether any person other than the City is an “obligated person”
19 within the meaning of the Rule with respect to the Bonds, and obtaining from such person an
20 undertaking to provide any annual financial information and notice of listed events for that person in
21 accordance with the Rule;

22 (iv) Selecting, engaging and compensating designated agents and consultants,
23 including but not limited to financial advisors and legal counsel, to assist and advise the City in carrying
24 out this Undertaking; and

25 (v) Effecting any necessary amendment of the Undertaking.

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Finance / City Light	Kristi Beattie Kirsty Grainger	Saroja Reddy Greg Shiring

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the electric system of The City of Seattle; adopting a system or plan of additions and betterments to and extensions of the existing municipal light and electric power generation, transmission, and distribution system of the City; authorizing the issuance and sale of municipal light and power revenue bonds for the purposes of providing funds to pay part of the cost of carrying out that system or plan, providing for the reserve fund requirement (if necessary), and paying the costs of issuance of the bonds; providing parameters for the Bond Sale Terms including conditions, covenants, and other sale terms; describing the lien of the bonds and authorizing their issuance as either senior lien parity bonds or junior lien bonds; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: This legislation provides the legal authorization to issue up to \$300 million of bonds in 2025 to fund a portion of capital expenditures for Seattle City Light's system outlined in the proposed 2025-2030 Capital Improvement Plan (CIP). This legislation also authorizes up to \$200 million of borrowing for potential debt optimization, for a total issuance of bonds in a maximum aggregate principal amount not to exceed \$500 million. Debt optimization involves replacing high interest debt with low interest debt to reduce overall interest costs – without increasing the debt burden or extending the term of outstanding debt.

Although the budget, capital plan and rates make specific assumptions about the use of debt financing for a certain share of the capital program, separate authorization for the issuance of bonds is technically required.

A City Light bond sale is anticipated to occur in mid-2025. The bond proceeds combined with internally generated funds will support City Light's capital program for about one year. The bond proceeds will also be used to make a deposit to the bond reserve fund and to pay issuance costs. As described in the legislation, bonds would have a maximum maturity of 40 years.

Major projects supported by the bond issue include the replacement of overhead and underground distribution equipment (including the accelerated pole replacement program), and other distribution related projects such as overhead and underground service connection work for Medium General Service customers. For further information about City Light's capital projects, please see the 2025-2030 CIP.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☐ Yes ☒ No

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

This legislation affects the Office of City Finance, which coordinates the issuance of the bonds, and City Light which is responsible for managing the bond proceeds and implementing the major projects supported by the bond issue.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

N/A.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

N/A.

iii. What is the Language Access Plan for any communications to the public?

N/A.

d. Climate Change Implications

i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

N/A

ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

N/A.

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A.

5. CHECKLIST

- ☐ **Is a public hearing required?**
- ☐ **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?**
- ☐ **If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?**
- ☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the municipal water system of The City of Seattle; adopting a system or plan of additions and betterments to and extensions of the existing municipal water system; authorizing the issuance and sale of water system revenue bonds in one or more series for the purposes of paying or reimbursing part of the cost of carrying out that system or plan, providing for the reserve requirement, and paying the costs of issuance of the bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; describing the lien of the bonds; creating certain accounts of the City relating to the bonds; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle (the “City”) owns, operates, and maintains a municipal water system as part of Seattle Public Utilities (the “Municipal Water System”), which Municipal Water System has from time to time required various additions, improvements, betterments, and extensions; and

WHEREAS, the City desires to acquire and construct a system or plan of further additions, improvements and betterments to, and extensions of, the Municipal Water System (the “Plan of Additions”) as described in this ordinance, and needs to borrow funds to pay a portion of the costs of carrying out such Plan of Additions; and

WHEREAS, the City currently has outstanding certain water system revenue bonds (as identified in Exhibit A, the “Outstanding Parity Bonds”). Pursuant to the ordinances authorizing their issuance (the “Outstanding Parity Bond Ordinances”), the City reserved the right to issue additional bonds having a charge and lien on the net revenue of the Municipal Water System on a parity of lien with those Outstanding Parity Bonds (“Future Parity Bonds”), and is permitted to issue such Future Parity Bonds upon satisfaction of certain conditions (the “Parity Conditions”); and

WHEREAS, the City has determined that it is in the best interest of the City and its ratepayers to authorize,

subject to the provisions of this ordinance, the issuance and sale of water system revenue bonds as Parity Bonds to pay part of the cost of carrying out the Plan of Additions, to provide for the reserve requirement, and to pay the costs of issuance of those bonds; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. **Definitions.** In this ordinance, the following capitalized terms shall have the meanings set forth in this section.

“Accreted Value” means, with respect to any Capital Appreciation Bond, (a) as of any Valuation Date, the amount determined for such Valuation Date in accordance with the applicable Parity Bond Documents, and (b) as of any date other than a Valuation Date, the sum of (i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the numerator of which is the number of days having elapsed from the preceding Valuation Date and the denominator of which is the number of days from such preceding Valuation Date to the next succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues during any semiannual period in equal daily amounts on the basis of a year of 12 30-day months, and (B) the difference between the Accreted Values for such Valuation Dates.

“Adjusted Annual Debt Service” for any fiscal year means Annual Debt Service minus (a) an amount equal to ULID Assessments due in that year and not delinquent, (b) an amount equal to earnings from investments in the Reserve Subaccount, and (c) Annual Debt Service provided for by Parity Bond proceeds.

“Adjusted Gross Revenue” means, for any period, Gross Revenue (a) plus withdrawals from the Rate Stabilization Account made during that period, and (b) minus ULID Assessments collected, earnings from investments in the Reserve Subaccount, and deposits into the Rate Stabilization Account made during that period.

“Adjusted Net Revenue” means Adjusted Gross Revenue less Operating and Maintenance Expense.

“Annual Debt Service” for any calendar year means the sum of the amounts required in such calendar year to pay the interest due in such calendar year on all Parity Bonds outstanding, excluding interest to be paid

from the proceeds of the sale of Parity Bonds or other bonds; the principal of all outstanding Serial Bonds due in such calendar year; and the Sinking Fund Requirements, if any, for such calendar year. Additionally, for purposes of calculating and determining compliance with the Coverage Requirement, the Reserve Requirement and the conditions for the issuance of Future Parity Bonds and/or entering into Parity Payment Agreements, the following shall apply:

(a) **Calculation of Interest Due Generally.** Except as otherwise provided below, interest on any series of Parity Bonds shall be calculated based on the actual amount of accrued, accreted, or otherwise accumulated interest that is payable in respect of that series taken as a whole, at the rate or rates set forth in the applicable Parity Bond Documents.

(b) **Capital Appreciation Bonds.** For purposes of this definition, the principal and interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and unpaid and accruing interest or principal in such manner and during such period of time as is specified in the Parity Bond Documents applicable to such Capital Appreciation Bonds.

(c) **Variable Interest Rate Bonds.** The amount of interest deemed to be payable on any series of Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds would be equal to the rate that is 90 percent of the average RBI during the four calendar quarters preceding the quarter in which the calculation is made.

(d) **Interest on Parity Bonds With Respect to Which a Payment Agreement is in Force.** Debt service on Parity Bonds with respect to which a Payment Agreement is in force shall be based on the net economic effect on the City expected to be produced by the terms of the Parity Bonds and the terms of the Payment Agreement. For example, if the net economic effect of the Payment Agreement and a series of Parity Bonds otherwise bearing interest at a variable rate is to produce an obligation bearing interest at a fixed interest rate, the relevant series of bonds shall be treated as fixed interest rate bonds. And if the net economic effect of

the Payment Agreement and a series of Parity Bonds otherwise bearing interest at a fixed rate is to produce an obligation bearing interest at a variable interest rate, the relevant series of bonds shall be treated as Variable Interest Rate Bonds. Accordingly, the amount of interest deemed to be payable on any Parity Bonds with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in or determined pursuant to the applicable Parity Bond Documents, plus Payment Agreement Payments, minus Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment Agreement that includes a variable rate component determined by reference to a pricing mechanism or index that is not the same as the pricing mechanism or index used to determine the variable rate interest component on the Parity Bonds to which the Payment Agreement is related, it shall be assumed that the fixed rate used in calculating Payment Agreement Payments will be equal to 105 percent of the fixed rate specified by the Payment Agreement and that the pricing mechanism or index specified by the Payment Agreement is the same as the pricing mechanism or index specified by the applicable Parity Bond Documents. Notwithstanding the other provisions of this definition, the City shall not be required to (but may in its discretion) take into account in determining Annual Debt Service the effects of any Payment Agreement that has a term of ten years or less.

(e) Parity Payment Agreements. For any period during which Payment Agreement Payments on a Parity Payment Agreement are taken into account in determining Annual Debt Service on related Parity Bonds under paragraph (d) of this definition, no additional debt service shall be taken into account with respect to that Parity Payment Agreement. However, for any Parity Payment Agreement during a period in which Payment Agreement Payments are not taken into account under paragraph (d) of this definition because the Parity Payment Agreement is not then related to any outstanding Parity Bonds, payments on that Parity Payment Agreement shall be taken into account as follows:

(i) If City is Obligated to Make Payments Based on a Fixed Rate. If the City is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make

payments based on a variable rate index, it shall be assumed that payments by the City will be based on the assumed fixed payor rate, and that payments by the Qualified Counterparty will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made.

(ii) **If City is Obligated to Make Payments Based on a Variable Rate Index.** If the City is obligated to make Payment Agreement Payments based on a variable rate index and the Qualified Counterparty is obligated to make payments based on a fixed rate, it shall be assumed that payments by the City will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and that the Qualified Counterparty will make payments based on the fixed rate specified by the Parity Payment Agreement.

(f) **Balloon Bonds.** For purposes of calculating debt service on any Balloon Bonds, it shall be assumed that the principal of those Balloon Bonds, together with interest thereon at a rate equal to the assumed RBI-based rate set forth in paragraph (c) of this definition, will be amortized in equal annual installments over a term of 30 years.

(g) **Adjustments for Defeased Bonds.** For purposes of calculating and determining compliance with the Coverage Requirement, the Reserve Requirement, and the Parity Conditions, Annual Debt Service shall be adjusted as set forth in subsection 21(d) of this ordinance.

“Authorized Denomination” means \$5,000 or any integral multiple thereof within a maturity of a Series, or such other minimum authorized denomination as may be specified in the applicable Bond Documents.

“Average Annual Debt Service” means, at the time of calculation, the sum of the Annual Debt Service remaining to be paid to the last scheduled maturity of the applicable series of Parity Bonds, divided by the number of years such bonds are scheduled to remain outstanding.

“Balloon Bonds” means any series of Parity Bonds, the aggregate principal amount (including Sinking Fund Requirements) of which becomes due and payable in any calendar year in an amount that constitutes 25 percent or more of the initial aggregate principal amount of such series of Parity Bonds.

“Beneficial Owner” means, with regard to a Bond, the owner of any beneficial interest in that Bond.

“Bond Counsel” means a lawyer or a firm of lawyers, selected by the City, of nationally recognized standing in matters pertaining to bonds issued by states and their political subdivisions.

“Bond Documents” means (a)(i) with respect to any Series of the Bonds, this ordinance (including any amendatory or supplemental ordinances), and (ii) with respect to a series of Parity Bonds other than a Series of the Bonds, the applicable Parity Bond Ordinance(s); (b) the authenticated bond form; and (c) the written agreement(s) setting forth the bond sale terms and additional terms, conditions, or covenants pursuant to which such bond was issued and sold, as set forth in any one or more of the following (if any): (i) a sale resolution, (ii) a bond purchase contract (as defined in the applicable authorizing ordinance), (iii) a bond indenture or a fiscal agent or paying agent agreement (other than the State fiscal agency contract), and (iv) a direct purchase or continuing covenant agreement.

“Bond Insurance” means any municipal bond insurance policy, guaranty, surety bond, or similar credit enhancement device providing for or securing the payment of all or part of the principal of and interest on any Parity Bonds, issued by an insurance company licensed to conduct an insurance business in any state of the United States (or by a service corporation acting on behalf of one or more such insurance companies), or by any other financial institution qualified to provide such credit enhancement device.

“Bond Purchase Contract” means a written offer to purchase a Series of the Bonds pursuant to certain Bond Sale Terms, which offer has been accepted by the City in accordance with this ordinance. In the case of a competitive sale, the Purchaser’s bid for a Series, together with the official notice of sale and a Pricing Certificate confirming the Bond Sale Terms, shall comprise the Bond Purchase Contract.

“Bond Register” means the books or records maintained by the Bond Registrar for the purpose of

registering ownership of each Bond.

“Bond Registrar” means the Fiscal Agent (unless the Director of Finance appoints a different person to act as bond registrar with respect to a particular Series), or any successor bond registrar selected in accordance with the System of Registration.

“Bond Sale Terms” means the terms and conditions for the sale of a Series of the Bonds approved by the Director of Finance consistent with the parameters set forth in Section 5 of this ordinance, including the amount, date or dates, denominations, interest rate or rates (or mechanism for determining the interest rate or rates), payment dates, final maturity, redemption rights, price, and other terms, conditions, or covenants. In connection with a negotiated sale or private placement, the Bond Sale Terms shall be set forth in the Bond Purchase Contract; in connection with a competitive sale, the Bond Sale Terms shall be set forth in a Pricing Certificate.

“Bonds” means the Municipal Water System revenue bonds issued pursuant to this ordinance.

“Book-Entry Form” means a fully registered form in which physical bond certificates are registered only in the name of the Securities Depository (or its nominee), as Registered Owner, with the physical bond certificates held by and immobilized in the custody of the Securities Depository (or its designee), where the system for recording and identifying the transfer of the ownership interests of the Beneficial Owners in those Bonds is neither maintained by nor the responsibility of the City or the Bond Registrar.

“Capital Appreciation Bond” means any Parity Bond, all or a portion of the interest on which is compounded and accumulated at the rates or in the manner, and on the dates, set forth in the applicable Bond Documents and is payable only upon redemption or on the maturity date of such Parity Bond. A Parity Bond that is issued as a Capital Appreciation Bond, but which later converts to an obligation on which interest is paid periodically, shall be a Capital Appreciation Bond until the conversion date and thereafter shall no longer be a Capital Appreciation Bond, but shall be treated as having a principal amount equal to its Accreted Value on the conversion date. For purposes of computing the principal amount of Parity Bonds held by the Owner of any

Capital Appreciation Bond in connection with any notice, consent, request, or demand, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value at the time that such notice, consent, request, or demand is given or made.

“Capital Improvement Program” or **“CIP”** means those portions of the City’s “2025-2030 Capital Improvement Program” relating to the Municipal Water System, adopted by Ordinance _____, together with any previously adopted capital improvement program. For purposes of this ordinance, the CIP includes all amendments, updates, supplements or replacements that may be adopted from time to time by ordinance.

“City” means The City of Seattle, Washington.

“City Council” means the City Council of the City, as duly and regularly constituted from time to time.

“Code” means the Internal Revenue Code of 1986, or any successor thereto, as amended at any time, and regulations thereunder.

“Construction Account” means the account or subaccount created in the Water System Construction Account within the Water Fund for the deposit of proceeds of the Bonds, pursuant to Section 12 of this ordinance.

“Continuing Disclosure Agreement” means, for each Series sold in an offering subject to federal securities regulations requiring a written undertaking to provide continuing disclosure, a continuing disclosure agreement entered into pursuant to Section 23 of this ordinance, in substantially the form attached to this ordinance as Exhibit B.

“Contract Resource Obligation” means an obligation of the City that is designated as a Contract Resource Obligation and is entered into in accordance with Section 20 of this ordinance.

“Coverage Requirement” means Adjusted Net Revenue equal to at least 1.25 times Adjusted Annual Debt Service on all Parity Bonds then outstanding.

“Covered Parity Bonds” means all Outstanding Parity Bonds, each Series of the Bonds, and each series of Future Parity Bonds. ***From and after the Reserve Covenant Date, the term “Covered Parity Bonds”***

shall exclude each series of Parity Bonds for which the applicable Bond Documents provide that, from and after the Reserve Covenant Date, such series shall no longer be treated as a series of Covered Parity Bonds and shall no longer be secured by the amounts in the Reserve Subaccount.

“Defeasible Bonds” means any outstanding Parity Bonds that are eligible to be defeased pursuant to the Omnibus Defeasance Ordinance.

“Director of Finance” or **“Director”** means the City’s Director of Finance or such other officer who succeeds to substantially all of the responsibilities of that office.

“DTC” means The Depository Trust Company, New York, New York.

“Event of Default” has the meaning given in subsection 25(a) of this ordinance.

“Fiscal Agent” means the fiscal agent of the State, as the same may be designated by the State from time to time.

“Future Parity Bond Ordinance” means any ordinance passed by the City Council providing for the issuance and sale of a series of Future Parity Bonds, and any other ordinance amending or supplementing the provisions of any such ordinance.

“Future Parity Bonds” means, with reference to any Series, all revenue bonds and obligations of the Municipal Water System (other than that Series and any other Parity Bonds then outstanding), issued or entered into after the Issue Date of such Series, the payment of which constitutes a charge and lien on Net Revenue equal in priority with the charge and lien upon such revenue for the payment of the amounts required to be paid into the Parity Bond Account in accordance with Section 15 of this ordinance. Future Parity Bonds may include Parity Payment Agreements and any other obligations issued in compliance with the Parity Conditions.

“Government Obligations” means, unless otherwise limited in the Bond Documents for a particular Series of the Bonds, any government obligation as that term is defined in RCW 39.53.010, as amended at any time.

“Gross Revenue” means (a) all income, revenues, receipts, and profits derived by the City through the

ownership and operation of the Municipal Water System; (b) the proceeds received by the City directly or indirectly from the sale, lease, or other disposition of any of the properties, rights or facilities of the Municipal Water System; (c) Payment Agreement Receipts, to the extent that such receipts are not offset by Payment Agreement Payments; and (d) the investment income earned on money held in any fund or account of the City, including any bond redemption funds and the accounts therein, in connection with the ownership and operation of the Municipal Water System. Gross Revenue does not include: (a) income derived from investments irrevocably pledged to the payment of any defeased bonds payable from Gross Revenue; (b) investment income set aside for or earned on money in any fund or account created or maintained solely for the purpose of complying with the arbitrage rebate provisions of the Code; (c) any gifts, grants, donations, or other funds received by the City from any State or federal agency or other person if such gifts, grants, donations, or other funds are the subject of any limitation or reservation imposed by the donor or grantor or imposed by law or administrative regulation to which the donor or grantor is subject, limiting the application of such funds in a manner inconsistent with the application of Gross Revenue hereunder; (d) the proceeds of any borrowing for capital improvements (or the refinancing thereof); (e) the proceeds of any liability or other insurance, including but not limited to insurance proceeds compensating the City for the loss of a capital asset, but excluding business interruption insurance or other insurance of like nature insuring against the loss of revenues; (f) general *ad valorem* taxes, excise taxes and special assessments (other than ULID Assessments), including interest and penalties thereon; and (g) earnings of any separate utility system that may be created, acquired, or constructed by the City pursuant to Section 19 of this ordinance.

“Independent Utility Consultant” means an independent person or firm having a favorable reputation for skill and experience with municipal water systems of comparable size and character to the Municipal Water System in such areas as are relevant to the purpose for which they were retained.

“Issue Date” means, with respect to a Bond, the initial date on which that Bond is issued and delivered to the initial Purchaser in exchange for its purchase price.

“Letter of Representations” means the Blanket Issuer Letter of Representations between the City and DTC dated October 4, 2006, as amended at any time, or an agreement with a substitute or successor Securities Depository.

“Maximum Annual Debt Service” means, at the time of calculation, the maximum amount of Annual Debt Service that shall become due in the current calendar year or in any future calendar year with respect to the Parity Bonds then outstanding.

“MSRB” means the Municipal Securities Rulemaking Board.

“Municipal Water System” means the water system of the City as it now exists, and all additions thereto and betterments and extensions thereof at any time made, together with any utility systems of the City hereafter combined with the Municipal Water System. The Municipal Water System shall not include any separate utility system that may be created, acquired, or constructed by the City as provided in Section 19 of this ordinance.

“Net Revenue” means, for any period, Gross Revenue less Operating and Maintenance Expense.

“Omnibus Defeasance Ordinance” means Ordinance 126226, as amended at any time, authorizing the defeasance of Defeasible Bonds (as such ordinance may be amended from time to time), or any future ordinance pursuant to which the Bonds (or any Series of the Bonds) are designated as Defeasible Bonds.

“Omnibus Refunding Ordinance” means Ordinance 125714, as amended at any time, authorizing the issuance of Refunding Parity Bonds (as such ordinance may be amended from time to time), or any future ordinance pursuant to which the Bonds (or any Series of the Bonds) are designated as “Refundable Bonds.”

“Operating and Maintenance Expense” means all expenses incurred by the City in causing the Municipal Water System to be operated and maintained in good repair, working order and condition, including without limitation: (a) deposits, premiums, assessments, or other payments for insurance, if any, on the Municipal Water System; (b) payments into pension funds; (c) State-imposed taxes; (d) amounts due under Contract Resource Obligations in accordance with Section 20 of this ordinance; (e) payments made to another

person or entity for the receipt of water supply or transmission or other commodity or service; and (f) payments with respect to any other expenses of the Municipal Water System that are properly treated as Operating and Maintenance Expense under generally accepted accounting principles applicable to municipal corporations, including payments (other than payments out of proceeds of Parity Bonds or other obligations not issued to pay current expenses of the Municipal Water System) into reasonable reserves for items of operating or maintenance expense the payment of which is not immediately required. Operating and Maintenance Expense does not include: depreciation, amortization or other similar recognitions of non-cash expense items made for accounting purposes only including non-cash pension expense; taxes levied or imposed by the City or payments in lieu of City taxes; payments of claims or judgments; or capital additions or capital replacements of the Municipal Water System.

“Outstanding Parity Bond Ordinances” means those ordinances authorizing the issuance and sale of the Outstanding Parity Bonds, as identified in Exhibit A to this ordinance.

“Outstanding Parity Bonds” means those outstanding Parity Bonds identified in Exhibit A to this ordinance. When used in reference to a particular date (or in reference to a particular series of Parity Bonds), Outstanding Parity Bonds shall mean those Parity Bonds, including any Parity Bonds issued subsequent to the effective date of this ordinance, that are outstanding as of that date (or as of the Issue Date of the referenced series of Parity Bonds).

“Owner” means, without distinction, the Registered Owner and the Beneficial Owner of a Bond.

“Parity Bond Account” means the Water Revenue Parity Bond Account created by Ordinance 116705 in the Water Fund for the purpose of paying and securing payment of the principal of and interest on Parity Bonds.

“Parity Bond Documents” means those Bond Documents applicable to a series of Parity Bonds.

“Parity Bond Ordinance” means any ordinance passed by the City Council providing for the issuance and sale of a series of Parity Bonds, and any other ordinance amending or supplementing the provisions of any

Parity Bond Ordinance.

“Parity Bonds” means the Outstanding Parity Bonds, each Series of the Bonds, and any Future Parity Bonds then outstanding. Parity Bonds may include Parity Payment Agreements in accordance with Section 17 of this ordinance.

“Parity Certificate” means a certificate delivered pursuant to Section 17 of this ordinance for purposes of satisfying the Parity Conditions in connection with the issuance of Future Parity Bonds.

“Parity Conditions” means (a) for purposes of establishing that a Series of the Bonds may be issued on parity with the Parity Bonds outstanding as of the Issue Date of such Series, the conditions for issuing Future Parity Bonds set forth in the Parity Bond Ordinances relating to those Parity Bonds that are then outstanding; and (b) for purposes of issuing Future Parity Bonds on parity with a Series of the Bonds, the conditions described in subsection (a) of this definition, together with the conditions set forth in Section 17 of this ordinance.

“Parity Payment Agreement” means a Payment Agreement which is entered into in compliance with the Parity Conditions and under which the City’s payment obligations are expressly stated to constitute a charge and lien on Net Revenue equal in rank with the charge and lien upon such Net Revenue required to be paid into the Parity Bond Account to pay and secure the payment of interest on Parity Bonds. For purposes of determining percentages of ownership of Parity Bonds under this ordinance or under applicable Parity Bond Documents, Parity Payment Agreements shall be deemed to have no principal amount, and any notice, consent, or similar rights (if any) shall be determined only as set forth in the applicable Parity Payment Agreement.

“Payment Agreement” means a written agreement entered into by the City and a Qualified Counterparty, as authorized by any applicable laws of the State, for the purpose of managing or reducing the City’s exposure to fluctuations or levels of interest rates, or for other interest rate, investment, or asset or liability management purposes, and that provides for (i) an exchange of payments based on interest rates, or ceilings or floors on such payments; (ii) options on such payments; (iii) any combination of the foregoing; or

(iv) any similar device. A Payment Agreement may be entered into on either a current or forward basis. A Payment Agreement must be entered into in connection with (or incidental to) the issuance, incurring, or carrying of particular bonds, notes, bond anticipation notes, commercial paper, or other obligations for borrowed money (which may include leases, installment purchase contracts, or other similar financing agreements or certificates of participation in any of the foregoing).

“Payment Agreement Payments” means the amounts periodically required to be paid by the City to a Qualified Counterparty pursuant to a Payment Agreement.

“Payment Agreement Receipts” means the amounts periodically required to be paid by a Qualified Counterparty to the City pursuant to a Payment Agreement.

“Permitted Investments” means any investments or investment agreements permitted for the investment of City funds under the laws of the State, as amended at any time.

“Plan of Additions” means, together, the CIP and the Water System Plan, as modified at any time. The Plan of Additions includes (a) the purchase and installation of all materials, supplies, appliances, equipment and facilities; (b) the acquisition of all permits, franchises, property and property rights, and other capital assets; and (c) all engineering, consulting and other professional services and studies (whether performed by the City or by other public or private entities), each as necessary or convenient to carry out the Plan of Additions. The Plan of Additions includes all amendments, updates, supplements or replacements to the CIP or the Water System Plan, all of which automatically shall constitute amendments to the Plan of Additions. The Plan of Additions also may be modified to include other improvements, without amending the CIP or the Water System Plan, if the City determines by ordinance that those amendments or other improvements constitute a system or plan of additions to or betterments or extensions of the Municipal Water System.

“Pricing Certificate” means a certificate executed by the Director of Finance as of the pricing date confirming the Bond Sale Terms for the sale of a Series of Bonds to the Purchaser in a competitive sale, in accordance with the parameters set forth in Section 5 of this ordinance.

“Principal and Interest Subaccount” means the subaccount of that name created in the Parity Bond Account for the payment of the principal of and interest on Parity Bonds.

“Purchaser” means the entity or entities who have been selected by the Director of Finance in accordance with this ordinance as underwriter, purchaser, or successful bidder in a sale of any Series.

“Qualified Counterparty” means a party (other than the City or a party related to the City) who is the other party to a Payment Agreement, (a)(i) whose senior debt obligations are rated in one of the three highest rating categories of each Rating Agency (without regard to any gradations within a rating category), or (ii) whose obligations under the Payment Agreement are guaranteed for the entire term of the Payment Agreement by a bond insurer or other institution that has been assigned a credit rating in one of the two highest rating categories (without regard to any gradations within a rating category) of each Rating Agency; and (b) who is otherwise qualified to act as the other party to a Payment Agreement under any applicable laws of the State.

“Qualified Insurance” means any Bond Insurance that, as of the time of issuance of such credit enhancement device, is provided by an entity rated in one of the two highest rating categories (without regard to any gradations within a rating category) by at least two nationally recognized rating agencies.

“Qualified Letter of Credit” means any letter of credit, standby bond purchase agreement, or other liquidity facility issued by a financial institution for the account of the City in connection with the issuance of any Parity Bonds, which institution maintains an office, agency or branch in the United States and, as of the time of issuance of such instrument, is rated in one of the two highest rating categories (without regard to any gradations within such rating categories) by at least two nationally recognized rating agencies.

“Rate Stabilization Account” means the account of that name created in the Water Fund pursuant to Ordinance 116705 and redesignated for accounting purposes as the Revenue Stabilization Subfund of the Water Fund pursuant to Ordinance 120875.

“Rating Agency” means any nationally recognized rating agency then maintaining a rating on a series of then outstanding Parity Bonds at the request of the City.

“RBI” means *The Bond Buyer* Revenue Bond Index or comparable index, or, if no comparable index can be obtained, 80 percent of the interest rate for actively traded 30-year United States Treasury obligations.

“Record Date” means, unless otherwise defined in the Bond Documents, in the case of each interest or principal payment date, the Bond Registrar’s close of business on the 15th day of the month preceding the interest or principal payment date. With regard to redemption of a Bond prior to its maturity, the Record Date shall mean the Bond Registrar’s close of business on the day prior to the date on which the Bond Registrar sends the notice of redemption to the Registered Owner(s) of the affected Bonds.

“Refundable Bonds” means Parity Bonds that may be refunded pursuant to the Omnibus Refunding Ordinance.

“Refunding Parity Bonds” means Future Parity Bonds that satisfy the applicable Parity Conditions and are issued pursuant to the Omnibus Refunding Ordinance, or other Future Parity Bond Ordinance, for the purpose of refunding any Refundable Bonds.

“Registered Owner” means, with respect to a Bond, the person in whose name that Bond is registered on the Bond Register. For so long as a Series of the Bonds is in Book-Entry Form under the Letter of Representations, the Registered Owner of such Series shall mean the Securities Depository.

“Reserve Covenant Date” means the earlier of (a) the date on which the City has obtained consents of the requisite percentage of Registered Owners of the Parity Bonds then outstanding, in accordance with the provisions of the applicable Outstanding Parity Bond Documents; or (b) the date on which all of the following Outstanding Parity Bonds have been redeemed or defeased: Water System Revenue Bonds, 2010A (Taxable Build America Bonds - Direct Payment), Water System Refunding Revenue Bonds, 2012, and Water System Improvement and Refunding Revenue Bonds, 2015.

“Reserve Requirement” means the lesser of (a) Maximum Annual Debt Service on all Parity Bonds outstanding at the time of calculation, or (b) 1.25 times Average Annual Debt Service on all Parity Bonds outstanding at the time of calculation. In no event shall the Reserve Requirement exceed 10 percent of the

proceeds of each series of Parity Bonds then outstanding, determined as of the Issue Date of each such series.

From and after the Reserve Covenant Date, the Reserve Requirement shall mean the lesser of (a) Maximum Annual Debt Service on all Covered Parity Bonds outstanding at the time of calculation, or (b) 1.25 times Average Annual Debt Service on all Covered Parity Bonds outstanding at the time of calculation. In no event shall the Reserve Requirement exceed the sum of 10 percent of the proceeds of each series of Covered Parity Bonds then outstanding, determined as of the Issue Date of each such series.

“Reserve Security” means any Qualified Insurance or Qualified Letter of Credit obtained by the City to satisfy part or all of the Reserve Requirement, and that is not cancelable on less than three years’ notice.

“Reserve Subaccount” means the subaccount of that name created in the Parity Bond Account for the purpose of securing the payment of the principal of and interest on Parity Bonds.

“Rule 15c2-12” means Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 as amended.

“SEC” means the United States Securities and Exchange Commission.

“Securities Depository” means DTC, any successor thereto, any substitute securities depository selected by the City, or the nominee of any of the foregoing. Any successor or substitute Securities Depository must be qualified under applicable laws and regulations to provide the services proposed to be provided by it.

“Serial Bonds” means Parity Bonds maturing in specified years and for which no Sinking Fund Requirements are mandated.

“Series” means a series of the Bonds issued pursuant to this ordinance.

“Sinking Fund Account” means any account created in the Parity Bond Account to amortize the principal of or make mandatory redemptions of Term Bonds.

“Sinking Fund Requirement” means, for any calendar year, the principal amount and premium, if any, of Term Bonds required to be purchased, redeemed, paid at maturity or paid into any Sinking Fund Account for such calendar year, as established pursuant to the Bond Documents relating to such Term Bonds.

“State” means the State of Washington.

“State Auditor” means the office of the Auditor of the State or such other department or office of the State authorized and directed by State law to make audits.

“System of Registration” means the system of registration for the City’s bonds and other obligations established pursuant to Seattle Municipal Code Chapter 5.10 as amended.

“Tax Credit Subsidy Bond” means any Taxable Bond that is designated by the City as a tax credit bond pursuant to the Code, and which is further designated as a “qualified bond” under Section 6431 or similar provision of the Code, and with respect to which the City is eligible to claim a Tax Credit Subsidy Payment.

“Tax Credit Subsidy Payment” means a payment by the federal government with respect to a Tax Credit Subsidy Bond.

“Tax-Exempt Bond” means any Parity Bond the interest on which is intended, as of the Issue Date, to be excludable from gross income for federal income tax purposes.

“Taxable Bond” means any Parity Bond the interest on which is not intended, as of the Issue Date, to be excludable from gross income for federal income tax purposes.

“Term Bond” means any Parity Bond that is issued subject to mandatory redemption in Sinking Fund Requirements prior to its maturity date.

“ULID” means a utility local improvement district of the City created for the acquisition or construction of additions to and betterments and extensions of the Municipal Water System.

“ULID Assessments” means all assessments levied and collected in a ULID, if and only if those assessments are pledged to be paid into the Parity Bond Account, in which case they shall be included in Gross Revenue. ULID Assessments shall include all installments of principal, payments of interest, and penalties and interest on delinquencies, but shall not include any prepaid assessments paid into a construction fund or account.

“Valuation Date” means, with respect to any Capital Appreciation Bond, the date or dates, determined

as set forth in the applicable Parity Bond Documents, on which specific Accreted Values are assigned to that Capital Appreciation Bond.

“Variable Interest Rate” means any interest rate that fluctuates during the stated term of a Parity Bond (or during a stated period during which the Parity Bond is designated as a Variable Interest Rate Bond), whether due to a remarketing, a market index reset, or other mechanism set forth in the applicable Bond Documents. The Bond Documents for any Series of the Bonds bearing interest at a Variable Interest Rate shall set forth: (a) the available method(s) of computing interest (the “interest rate modes”); (b) the particular period or periods of time (or manner of determining such period or periods of time) for which each value of such Variable Interest Rate (or each interest rate mode) shall remain in effect; (c) provisions for conversion from one interest rate mode to another and for setting or resetting the interest rates; and (d) the time or times upon which any change in such Variable Interest Rate (or any conversion of interest rate modes) shall become effective.

“Variable Interest Rate Bond” means, for any period of time, any Parity Bond that bears interest at a Variable Interest Rate during that period. A Parity Bond shall not be treated as a Variable Interest Rate Bond if the net economic effect of: (a) interest rates on a particular series of Parity Bonds, as set forth in the applicable Bond Documents, and (b) either (i) interest rates on another series of Parity Bonds issued at substantially the same time, or (ii) a Payment Agreement related to that particular series of Parity Bonds, is to produce obligations that bear interest at a fixed rate. A Parity Bond with respect to which a Payment Agreement is in force shall be treated as a Variable Interest Rate Bond if the net economic effect of the Payment Agreement is to produce an obligation that bears interest at a Variable Interest Rate.

“Water Fund” means the fund of that name into which is paid the Gross Revenue of the Municipal Water System.

“Water System Plan” means the long-range water system plan known as the 2019 Water System Plan adopted by the City in Ordinance 125687, as that plan may be amended, updated, supplemented, or replaced from time to time.

Section 2. **Adoption of Plan of Additions.** The City specifies, adopts, and orders the Plan of Additions to be carried out as generally provided for in the documents comprising the Plan of Additions. The estimated cost of the Plan of Additions, as near as may be determined, is declared to be approximately \$1.03 billion, of which approximately \$106 million is expected to be financed from proceeds of the Bonds and investment earnings thereon.

Section 3. **Authorization of Bonds; Due Regard Finding.**

(a) **The Bonds.** The City is authorized to issue Municipal Water System revenue bonds, payable from the sources described in Section 13 of this ordinance, in the maximum principal amount stated in Section 5 of this ordinance, to provide funds (a) to pay or reimburse part of the cost of carrying out the Plan of Additions; (b) to provide for the Reserve Requirement (if necessary); (c) to capitalize interest on (if necessary) and pay the costs of issuance of the Bonds; and (d) for other Municipal Water System purposes approved by ordinance. The Bonds may be issued in one or more Series and may be combined with other Municipal Water System revenue bonds (including Refunding Parity Bonds) authorized separately. The Bonds shall be designated Water System Revenue Bonds and shall be numbered separately and shall have any name, year, series, or other labels as deemed necessary or appropriate by the Director of Finance.

(b) **City Council Finding.** The City Council finds that, in creating the Parity Bond Account and in fixing the amounts to be paid into it in accordance with this ordinance and the parameters for the Bond Sale Terms set forth in Section 5 of this ordinance, the City Council has exercised due regard for the cost of operation and maintenance of the Municipal Water System, and is not setting aside into the Parity Bond Account a greater amount than in the judgment of the City Council, based on the rates established from time to time consistent with subsection 16(b) of this ordinance, will be sufficient, in the judgment of the City Council, to meet all expenses of operation and maintenance of the Municipal Water System and to provide the amounts previously pledged for the payment of all outstanding obligations payable out of Gross Revenues and pledged for the payment of the Bonds. Therefore, the City Council finds that the issuance and sale of the Bonds is in the

best interest of the City and the public interest.

Section 4. **Manner of Sale of Bonds**. The Director of Finance may provide for the sale of each Series by competitive sale, negotiated sale, limited offering, or private placement and may select and enter into agreements with remarketing agents or providers of liquidity with respect to Variable Interest Rate Bonds. The Purchaser of each Series shall be chosen through a selection process acceptable to the Director of Finance. The Director of Finance is authorized to specify a date and time of sale and a date and time for the delivery of each Series; in the case of a competitive sale, to provide an official notice of sale including bid parameters and other bid requirements, and to provide for the use of an electronic bidding mechanism; to determine matters relating to a forward or delayed delivery of the Bonds; and to determine such other matters and take such other action as, in the Director's determination, may be necessary, appropriate, or desirable in order to carry out the sale of each Series. Each Series must be sold on Bond Sale Terms consistent with the parameters set forth in Section 5 of this ordinance.

Section 5. **Appointment of Designated Representative; Bond Sale Terms**.

(a) **Designated Representative**. The Director of Finance is appointed to serve as the City's designated representative in connection with the issuance and sale of the Bonds in accordance with RCW 39.46.040(2) and this ordinance.

(b) **Parameters for Bond Sale Terms**. The Director of Finance is authorized to approve, on behalf of the City, Bond Sale Terms for the sale of the Bonds in one or more Series, and, in connection with each such sale, to execute a Bond Purchase Contract (or, in the case of a competitive sale, a Pricing Certificate) confirming the Bond Sale Terms and such related agreements as may be necessary or desirable, consistent with the following parameters:

(i) **Maximum Principal Amount**. The maximum aggregate principal amount of all Series of the Bonds authorized by this ordinance is not to exceed \$106 million.

(ii) **Date or Dates**. Each Bond shall be dated its Issue Date, as determined by the Director of

Finance. The initial Issue Date (without restricting any reissuance date with respect to a Series of Variable Interest Rate Bonds) may be no later than December 31, 2027.

(iii) **Denominations.** The Bonds shall be issued in Authorized Denominations.

(iv) **Interest Rate(s).** Each Bond shall bear interest from its Issue Date or from the most recent date to which interest has been paid or duly provided, whichever is later, unless otherwise provided in the applicable Bond Documents. Each Series of the Bonds shall bear interest at one or more fixed interest rates or Variable Interest Rates. The true interest cost for any fixed rate Series may not exceed a rate of 10 percent per annum. The Bond Documents for any Series may provide for multiple interest rates and interest rate modes, and may provide conditions and mechanisms for the Director of Finance to effect a conversion from one mode to another. Nothing in this ordinance shall be interpreted to prevent the Bond Documents for any Series from including a provision for adjustments to interest rates during the term of the Series upon the occurrence of certain events specified in the applicable Bond Documents.

(v) **Payment Dates.** Interest shall be payable on dates acceptable to the Director of Finance. Principal shall be payable on dates acceptable to the Director of Finance, which shall include payment at the maturity of each Bond, in accordance with any Sinking Fund Requirements applicable to Term Bonds, and otherwise in accordance with any redemption or tender provisions.

(vi) **Final Maturity.** Each Bond shall mature no later than 40 years after its Issue Date.

(vii) **Redemption Prior to Maturity.** The Bond Sale Terms may include redemption and tender provisions, as determined by the Director of Finance in the Director's discretion, consistent with Section 8 of this ordinance and subject to the following:

(A) **Optional Redemption.** The Director of Finance may designate any Bond as subject to optional redemption prior to its maturity, consistent with subsection 8(a) of this ordinance. Any Bond that is subject to optional redemption prior to maturity must be callable on at least one or more dates occurring not more than 10-1/2 years after the Issue Date.

(B) **Mandatory Redemption.** The Director of Finance may designate any Bond as a Term Bond, subject to mandatory redemption prior to its maturity on the dates and in principal payment amounts set forth in Sinking Fund Requirements, consistent with subsection 8(b) of this ordinance.

(C) **Extraordinary Redemptions.** The Director of Finance may designate any Bond as subject to extraordinary optional redemption or extraordinary mandatory redemption upon the occurrence of an extraordinary event, as such event or events may be set forth in the applicable Bond Documents, consistent with subsection 8(c) of this ordinance.

(D) **Tender Options.** The Director of Finance may designate any Variable Interest Rate Bond as subject to tender options, as set forth in the applicable Bond Documents.

(viii) **Price.** The Director of Finance may approve in the Bond Sale Terms an aggregate purchase price for each Series of the Bonds that is, in the Director's judgment, the price that produces the most advantageous borrowing cost for the City, consistent with the parameters set forth in this ordinance and in any applicable bid documents.

(ix) **Other Terms and Conditions.**

(A) **Expected Life of Capital Facilities.** As of the Issue Date of each Series, the Director of Finance must find to the Director's satisfaction that the average expected life of the capital facilities to be financed with the proceeds (or allocable share of proceeds) of that Series must exceed the weighted average maturity of such Series (or share thereof) allocated to financing those capital facilities.

(B) **Parity Conditions Satisfied.** As of the Issue Date of each Series, the Director of Finance must find that the Parity Conditions have been met or otherwise satisfied, so that such Series is permitted to be issued as Parity Bonds.

(C) **Additional Terms, Conditions, and Agreements.** The Bond Sale Terms for any Series may provide for Bond Insurance, a Reserve Security, Qualified Letter of Credit, credit enhancement, or any Payment Agreement as the Director of Finance may find necessary or desirable. The Bond Sale Terms for

any Series may provide for multiple interest rate modes and may include provisions for conversion from any interest rate mode to any other mode. To that end, the Bond Sale Terms may include such additional terms, conditions, and covenants as may be necessary or desirable, including but not limited to: restrictions on investment of Bond proceeds and pledged funds (including any escrow established for the defeasance of the Bonds); provisions for the conversion of interest rate modes; provisions for the reimbursement of a credit enhancement provider or Qualified Counterparty; and requirements to give notice to or obtain the consent of a credit enhancement provider or a Qualified Counterparty. The Director of Finance is authorized to execute, on behalf of the City, such additional certificates and agreements as may be necessary or desirable to reflect such terms, conditions, and covenants.

(D) **Reserve Requirement.** The Bond Sale Terms must establish whether the Series is to be treated as Covered Parity Bonds and must establish the method of providing for the Reserve Requirement, consistent with Section 15 of this ordinance.

(E) **Tax Status of the Bonds.** The Director of Finance may determine that any Series of the Bonds may be designated or qualified as Tax-Exempt Bonds, Taxable Bonds, or Tax Credit Subsidy Bonds, consistent with Section 22 of this ordinance.

Section 6. **Bond Registrar; Registration and Transfer of Bonds.**

(a) **Registration and Bond Registrar.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The Fiscal Agent is appointed to act as Bond Registrar for each Series of the Bonds, unless otherwise determined by the Director of Finance.

(b) **Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or

exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and the System of Registration.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same Series, interest rate, and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to an Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the period between the Record Date and the corresponding interest payment or principal redemption date.

(c) Securities Depository; Book-Entry Form. Unless otherwise determined by the Director of Finance, the Bonds initially shall be issued in Book-Entry Form and registered in the name of the Securities Depository. The Bonds so registered shall be held fully immobilized in Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to participants of the Securities Depository or the persons for whom they act as nominees with respect to the Bonds regarding the accuracy of any records maintained by the Securities Depository or its participants of any amount in respect of principal of or interest on the Bonds, or any notice that is permitted or required to be given to Registered Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository). Registered ownership of a Bond initially held in Book-Entry Form, or any portion thereof, may not be transferred except: (i) to any successor

Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in Book-Entry Form.

Upon the resignation of the Securities Depository from its functions as depository, or upon a determination by the Director of Finance to discontinue utilizing the then-current Securities Depository, the Director of Finance may appoint a substitute Securities Depository. If the Securities Depository resigns from its functions as depository and no substitute Securities Depository can be obtained, or if the Director of Finance determines not to utilize a Securities Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be transferred only as provided in this ordinance.

Nothing in this ordinance shall prevent the Bond Sale Terms from providing that a Series of the Bonds shall be issued in certificated form without utilizing a Securities Depository, and that the Bonds of such Series shall be registered as of their Issue Date in the names of the Owners thereof, in which case ownership may be transferred only as provided in this ordinance.

(d) **Lost or Stolen Bonds.** In case any Bond or Bonds shall be lost, stolen, or destroyed, the Bond Registrar may authenticate and deliver a new Bond or Bonds of like amount, date, tenor, and effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses and charges of the City in connection therewith and upon filing with the Bond Registrar evidence satisfactory to the Bond Registrar that such Bond or Bonds were actually lost, stolen or destroyed and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to both the City and the Bond Registrar.

Section 7. **Payment of Bonds.**

(a) **Payment.** Each Bond shall be payable in lawful money of the United States of America on the dates and in the amounts as provided in the Bond Documents applicable to that Series. Principal of and interest on each Bond issued as a Parity Bond shall be payable solely out of the Parity Bond Account and shall not be a general obligation of the City. No Bonds of any Series shall be subject to acceleration under any circumstances.

(b) **Bonds Held In Book-Entry Form.** Principal of and interest on each Bond held in Book-Entry Form

shall be payable in the manner set forth in the Letter of Representations.

(c) **Bonds Not Held In Book-Entry Form.** Interest on each Bond not held in Book-Entry Form shall be payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. The City, however, is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received at least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not held in Book-Entry Form shall be payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar.

Section 8. **Redemption and Purchase of Bonds.**

(a) **Optional Redemption.** All or some of the Bonds may be subject to redemption prior to their stated maturity dates at the option of the City at the times and on the terms set forth in the applicable Bond Documents.

(b) **Mandatory Redemption.** All or some of the Bonds of any Series may be designated as Term Bonds, subject to mandatory redemption in Sinking Fund Requirements, as set forth in the applicable Bond Documents. If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) must be redeemed at a price equal to 100 percent of the principal amount to be redeemed, plus accrued interest, on the dates and in the years and Sinking Fund Requirements as set forth in the applicable Bond Documents.

If the City optionally redeems or purchases a principal portion of a Term Bond prior to its maturity, the principal amount so redeemed or purchased (irrespective of its redemption or purchase price) shall be credited against the remaining mandatory redemption installment payments for that Term Bond in the manner directed by the Director of Finance. In the absence of direction by the Director of Finance, credit shall be allocated to each mandatory redemption installment payment for that Term Bond on a pro rata basis.

(c) **Extraordinary Redemption.** All or some of the Bonds of any Series may be subject to extraordinary optional redemption or extraordinary mandatory redemption prior to maturity upon the

occurrence of an extraordinary event, at the prices, in the principal amounts, and on the dates, all as set forth in the applicable Bond Documents.

(d) **Selection of Bonds for Redemption; Partial Redemption.** If fewer than all of the outstanding Bonds of a Series are to be redeemed at the option of the City, the Director of Finance shall select the maturity or maturities to be redeemed. If less than all of the principal amount of a maturity of the selected Series is to be redeemed and, if such Series is held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected for redemption by the Securities Depository in accordance with the Letter of Representations. If the Series selected for redemption is not then held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected by the Bond Registrar randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any applicable Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity, and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(e) **Purchase.** The City reserves the right and option to purchase any or all of the Bonds at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 9. **Notice of Redemption; Rescission of Notice.** Unless otherwise set forth in the applicable Bond Documents, the City must cause notice of any intended redemption of Bonds to be given not fewer than 20 nor more than 60 days prior to the date fixed for redemption by first class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Owner of any Bond. Interest on Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

In the case of an optional or extraordinary optional redemption, the notice may state that the City retains the right to rescind the redemption notice and the related optional redemption of Bonds by giving a notice of rescission to the affected Registered Owners at any time on or prior to the scheduled optional redemption date. Any notice of optional redemption that is rescinded by the Director of Finance shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

Section 10. **Failure to Pay Bonds**. If any Bond is not paid when properly presented at its maturity or redemption date, the City shall be obligated to pay, solely from the Parity Bond Account and the other sources pledged in this ordinance, interest on that Bond at the same rate provided on that Bond from and after its maturity or redemption date until that Bond, including principal, redemption premium (if any), and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Parity Bond Account and that Bond has been called for payment by giving notice of that call to the Registered Owner of that Bond.

Section 11. **Form and Execution of Bonds**. The Bonds shall be typed, printed, or reproduced in a form consistent with the provisions of this ordinance and State law; shall be signed by the Mayor and Director of Finance, either or both of whose signatures may be manual or in facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a certificate of authentication in substantially the following form (with the designation, year, and Series adjusted consistent with this ordinance) and manually signed by the Bond Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “This Bond is one of the fully registered The City of Seattle, Washington, [Water System Revenue Bonds], [Year], [Series], described in [this ordinance].” The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing the officer’s manual or facsimile signature is authenticated or

delivered by the Bond Registrar or issued by the City, that Bond nevertheless may be authenticated, issued, and delivered and, when authenticated, issued, and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although the person did not hold the required office on the Issue Date of that Series of the Bonds.

Section 12. **Construction Account; Deposit of Proceeds**. An account to be known as the Water System Construction Subaccount, 2025, is created in the Water System Construction Account within the Water Fund. After depositing accrued interest (if any) into the Principal and Interest Subaccount and depositing amounts necessary to provide for the Reserve Requirement (if any) into the Reserve Subaccount, the remaining principal proceeds of the sale of a Series of the Bonds shall be deposited into the Construction Account (or such other fund or account as may be directed by the Director of Finance) to be used (a) to pay part of the costs of carrying out the Plan of Additions, and (b) to pay capitalized interest on (if necessary) and the costs of issuance of the Series. Until needed to pay such costs, the City may temporarily invest principal proceeds and interest earned thereon in any Permitted Investments, and the investment earnings may be either (a) retained in the Construction Account to be spent for the purposes of that account, or (b) deposited in the Parity Bond Account, as determined by the Director of Finance.

Section 13. **Security for the Bonds; Parity with Outstanding Parity Bonds**. The Bonds shall be special limited obligations of the City payable from and secured solely by the Net Revenue (including all ULID Assessments, if any) and money in the Parity Bond Account and the subaccounts therein, *except that from and after the Reserve Covenant Date, money in the Reserve Subaccount shall secure only Covered Parity Bonds*. The Net Revenue (including all ULID Assessments, if any) is pledged to make the payments into the Parity Bond Account required by this ordinance. This pledge constitutes a charge and lien upon such Net Revenue prior and superior to all other liens and charges whatsoever.

The Bonds shall be issued on parity with the Outstanding Parity Bonds and all Future Parity Bonds,

without regard to date of issuance or authorization and without preference or priority of right or lien. Nothing in this ordinance prevents the City from issuing revenue bonds or other obligations that are a charge or lien upon Net Revenue subordinate to the payments required to be made from Net Revenue into the Parity Bond Account and the subaccounts therein. The City covenants that, for as long as any Bond is outstanding, it will not issue any other revenue obligations (or create any special fund or account therefor), that will have any priority over, or that will rank on a parity with, the payments required in respect of the Parity Bonds, and that it will issue Future Parity Bonds only accordance with Section 17 of this ordinance.

The Bonds shall not constitute general obligations of the City, the State, or any political subdivision of the State or a charge upon any general fund or upon any money or other property of the City, the State, or any political subdivision of the State not specifically pledged by this ordinance.

Section 14. **Priority Expenditure of Gross Revenue; Flow of Funds**. Gross Revenue shall be deposited as received in the Water Fund and used for the following purposes only in the following order of priority:

(a) To pay Operating and Maintenance Expense;

(b) To make, when due, all payments into the Principal and Interest Subaccount required to be made in order to pay the interest on and principal of all Parity Bonds (including all net payments under Parity Payment Agreements), and to make payments due under any agreement with a provider of a Reserve Security which agreement requires those payments to be treated on a parity of lien with the Parity Bonds;

(c) To make all payments required to be made (i) into the Reserve Subaccount with respect to Covered Parity Bonds, (ii) under any agreement with a provider of a Reserve Security, which agreement requires those payments to be treated on a parity of lien with the payments required to be made into the Reserve Subaccount, and (iii) *until the Reserve Covenant Date, into a special account in the Water Fund in accordance with the second paragraph in subsection 15(a)(ii) of this ordinance*;

(d) To make all payments required to be made into any revenue bond, note, warrant or other revenue

obligation redemption fund, debt service account, or reserve account created to pay and secure the payment of the principal of and interest on any revenue bonds or short-term obligations of the City having a charge and lien upon Net Revenue subordinate to the lien thereon for the payment of the principal of and interest on the Parity Bonds; and

(e) Without priority, for any of the following purposes: to retire by redemption or purchase any outstanding revenue bonds or revenue obligations of the Municipal Water System; to make necessary additions, betterments, improvements, repairs, extensions, and replacements of the Municipal Water System; to pay City taxes or other payments in lieu of taxes payable from Gross Revenue; to make deposits to the Rate Stabilization Account; or for any other lawful Municipal Water System purposes.

Section 15. **Parity Bond Account.** A special account of the City known as the Parity Bond Account has been previously created and shall be maintained as a separate account within the Water Fund for the sole purpose of paying the principal of and premium, if any, and interest on the Parity Bonds as the same shall become due. The Parity Bond Account consists of the Principal and Interest Subaccount and the Reserve Subaccount and may additionally include such subaccounts as the Director of Finance may deem necessary, so long as the maintenance of such subaccounts does not conflict with the rights of the owners of Parity Bonds. Principal of, premium (if any), and interest on the Parity Bonds shall be payable out of the Parity Bond Account.

(a) **Required Payments Into the Parity Bond Account.** So long as any Parity Bonds are outstanding (including amounts required under any Parity Payment Agreement), the City shall set aside and pay into the Parity Bond Account all ULID Assessments upon their collection and, out of Net Revenue, certain fixed amounts without regard to any fixed proportion, namely:

(i) Into the Principal and Interest Subaccount on or before each date on which interest on or principal of Parity Bonds (including Sinking Fund Requirements and net payments under any Parity Payment Agreements) shall become due and payable, an amount that will be sufficient, together with other money on

deposit therein, to pay such principal, interest, Sinking Fund Requirements, and net payments then due on Parity Payment Agreements as the same shall become due; and

(ii) Into the Reserve Subaccount, an amount necessary to provide for the Reserve Requirement within the time and in the manner required by this ordinance and the Bond Sale Terms. The amount necessary, if any, to satisfy the Reserve Requirement upon the issuance of a Series of the Bonds may be funded (A) on the Issue Date by a deposit of bond sale proceeds, available funds of the Municipal Water System, or a Reserve Security; or (B) in annual installments from Net Revenue so that the Reserve Requirement is fully funded by no later than the fifth anniversary of the Issue Date of such Series. The manner of funding the Reserve Requirement for the Bonds shall be set forth in the Bond Documents.

Until the Reserve Covenant Date, the requirements of this paragraph apply: On receipt of a notice of cancellation of any Reserve Security used to satisfy all or any part of the Reserve Requirement, the City shall either (A) substitute a Reserve Security in the amount required to make up the deficiency created in the Reserve Subaccount, or (B) create a special account in the Water Fund and deposit therein, on or before the 25th day of each of the 36 succeeding calendar months (commencing with the 25th day of the calendar month next following the date of the notice) 1/36 of the amount sufficient, together with other money and investments on deposit in the Reserve Subaccount, to equal the Reserve Requirement that will be in effect as of the date the cancellation becomes effective. Amounts on deposit in that special account shall not be available to pay debt service on Parity Bonds or for any other purpose of the City, and shall be transferred to the Reserve Subaccount on the effective date of any cancellation of a Reserve Security to make up all or part of the deficiency caused thereby. Amounts in that special account or in the Reserve Subaccount may be transferred back to the Water Fund and used for any purpose if and when a substitute Reserve Security is obtained. ***From and after the Reserve Covenant Date, the foregoing paragraph shall no longer be of any force or effect.***

To meet the required payments to be made into the Parity Bond Account, the Director of Finance may transfer any money from any funds or accounts of the City legally available therefor, except bond redemption

funds, refunding escrow funds or defeasance funds. The Director of Finance may provide for the purchase, redemption, or defeasance of any Parity Bonds by the use of money on deposit in any subaccount in the Parity Bond Account as long as the money remaining in those subaccounts is sufficient to satisfy the required deposits in those subaccounts for the remaining Parity Bonds.

(b) **Reserve Subaccount.** The Reserve Subaccount has been previously created and is maintained as a subaccount within the Parity Bond Account for the purpose of securing the payment of the principal of and interest on all Parity Bonds outstanding (including amounts due under any Parity Payment Agreements if required under such agreement). The City covenants that it will at all times, so long as any Covered Parity Bonds are outstanding, maintain the Reserve Subaccount at the Reserve Requirement (taking into account scheduled payments to fund the Reserve Requirement over time), as it is adjusted from time to time, except for withdrawals as authorized by this ordinance. Any withdrawals authorized below from subaccounts within the Reserve Subaccount shall be made on a pro rata basis except if the provider of a Reserve Security requires all cash and investments in the Reserve Subaccount to be withdrawn before draws are made on the Reserve Security, or unless the City receives an opinion of Bond Counsel to the effect that such pro rata withdrawal is not required to maintain the exclusion of interest on the Parity Bonds then outstanding from gross income for federal income tax purposes.

(i) **Use of Reserve Subaccount for Payment of Debt Service.** In the event of a deficiency in the Principal and Interest Subaccount to meet current installments of either principal (including Sinking Fund Requirements) or interest (including amounts payable under any Parity Payment Agreement), the Director of Finance may make withdrawals of money or proceeds of Reserve Security in the Reserve Subaccount. ***From and after the Reserve Covenant Date, the Reserve Subaccount shall secure the payment of principal of and interest on Covered Parity Bonds only and the withdrawals authorized by this paragraph shall be limited to the amounts necessary to meet maturing installments of either principal (or Sinking Fund Requirements) or interest (including net payments under Parity Payment Agreements) with respect only to Covered Parity***

Bonds. Any deficiency created in the Reserve Subaccount by reason of any such withdrawal or claim against a Reserve Security shall then be made up from the ULID Assessments and Net Revenue first available after making necessary provisions for the required payments into the Principal and Interest Subaccount.

(ii) **Application of Funds in Reserve Subaccount.** The money in the Reserve Subaccount may be applied to the payment of the last outstanding Covered Parity Bonds, and when the total amount in the Parity Bond Account (including investment earnings) equals the total amount of principal and interest for all then-outstanding Covered Parity Bonds to the last maturity thereof, no further payment need be made into the Parity Bond Account in respect of the Covered Parity Bonds. Money in the Reserve Subaccount (including investment earnings) in excess of the Reserve Requirement may be withdrawn and deposited in the Principal and Interest Subaccount and spent for the purpose of retiring Covered Parity Bonds or may be deposited in any other fund or account and spent for any other lawful Municipal Water System purpose.

(c) **Investment of Money in Parity Bond Account.** All money in the Parity Bond Account may be kept in cash or invested in Permitted Investments maturing not later than the date when needed (for investments in the Principal and Interest Subaccount) or the last maturity of any outstanding Parity Bonds (for investments in the Reserve Subaccount). In no event shall any money in the Parity Bond Account or any other money reasonably expected to be used to pay principal of and/or interest on the Parity Bonds be invested at a yield that would cause any Series issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. Income from investments in the Principal and Interest Subaccount shall be deposited in that subaccount. Income from investments in the Reserve Subaccount shall be deposited in that subaccount until the amount therein is equal to the Reserve Requirement for all Parity Bonds, and thereafter shall be deposited in the Principal and Interest Subaccount. Notwithstanding the provisions for deposit or retention of earnings in the Parity Bond Account, any earnings that are subject to a federal tax or rebate requirement may be withdrawn from the Parity Bond Account for deposit in a separate fund or account for that purpose. If no longer required for such rebate, money in that separate fund or account shall be returned

to the Parity Bond Account.

(d) **Failure to Deposit Money in Parity Bond Account.** If the City fails to set aside and pay into the Parity Bond Account, or the subaccounts therein, the amounts set forth in this ordinance, the registered owner of any of the outstanding Parity Bonds may bring action against the City for failure to make the required deposits to the Parity Bond Account only in accordance with Section 25 of this ordinance regarding Events of Default.

Section 16. **Parity Bond Covenants.** The City covenants with the Owner of each Bond at any time outstanding, as follows:

(a) **Operation and Maintenance.** The City will pay all Operating and Maintenance Expense and otherwise meet the obligations of the City under this ordinance. It will at all times maintain and keep the Municipal Water System in good repair, working order and condition, and will make all necessary and proper additions, betterments, renewals and repairs thereto, and improvements, replacements and extensions thereof, so that at all times the business carried on in connection therewith will be properly and advantageously conducted, and will at all times operate or cause to be operated the Municipal Water System and the business in connection therewith in an efficient manner and at a reasonable cost.

(b) **Establishment and Collection of Rates and Charges.** The City will establish, maintain, revise as necessary, and collect rates and charges for services and facilities provided by the Municipal Water System so that the Adjusted Net Revenue in each fiscal year will be at least equal to the Coverage Requirement. The failure of the City to comply with this covenant shall not be an Event of Default if the City promptly retains an Independent Utility Consultant to recommend to the City Council adjustments in the rates of the Municipal Water System necessary to meet the requirements of this covenant and if the City Council adopts the recommended modifications within 180 days of the date the failure became known to the City Council.

(c) **Sale or Disposition of the Municipal Water System.** The City may sell, transfer, or otherwise dispose of any of the works, plant, properties, facilities or other part of the Municipal Water System or any real

or personal property comprising a part of the Municipal Water System consistent only with one or more of the following:

(i) The City in its discretion may carry out such a sale, transfer, or disposition (each, a “transfer”) if the facilities or property transferred are not material to the operation of the Municipal Water System, or shall have become unserviceable, inadequate, obsolete, or unfit to be used in the operation of the Municipal Water System or are no longer necessary, material, or useful to the operation of the Municipal Water System; or

(ii) The City in its discretion may carry out such a transfer if the aggregate depreciated cost value of the facilities or property being transferred under this subsection in any fiscal year comprises no more than 5 percent of the total assets of the Municipal Water System; or

(iii) The City in its discretion may carry out such a transfer if the proceeds from such transfer are used to acquire new useful operating facilities or properties of the Municipal Water System, or are used to retire outstanding Parity Bonds or other revenue obligations of the Municipal Water System, if, at the time of such transfer, the City has on file a certificate of both the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of either office) demonstrating that, in such officers’ opinions, upon such transfer and the use of proceeds of the transfer as proposed by the City, the remaining facilities of the Municipal Water System will retain their operational integrity and, based on the financial statements for the most recent fiscal year available, the proposed transfer would not prevent the Municipal Water System from complying with the Coverage Requirement during the five fiscal years following the fiscal year in which the transfer is to occur. The certificate shall take into account (A) the reduction in revenue and expenses, if any, resulting from the transfer; (B) the use of any proceeds of the transfer for the redemption of Parity Bonds, (C) the estimate of revenue from customers anticipated to be served by any additions to and betterments and extensions of the Municipal Water System financed in part by the proposed portion of the proceeds of the transfer, and (D) any other adjustment permitted in the preparation of a certificate

under subsection 17(a)(vi) of this ordinance. Before such a transfer, the City also must obtain confirmation from each of the Rating Agencies to the effect that the rating then in effect will not be reduced or withdrawn upon such transfer.

(d) **Books and Records.** The City will keep proper books, records, and accounts with respect to the operations, income, and expenditures of the Municipal Water System in accordance with generally accepted accounting practices relating to municipal utilities and any applicable rules and regulations prescribed by the State, and will cause those books, records, and accounts to be audited on an annual basis by the State Auditor (or, if such audit is not made by the State Auditor within 270 days after the close of any fiscal year of the City, by a certified public accountant selected by the City). It will prepare annual financial and operating statements as soon as practicable after the close of each fiscal year showing in reasonable detail the financial condition of the Municipal Water System as of the close of the previous year and the income and expenses for such year, including the amounts paid into the Parity Bond Account and into any and all special funds or accounts created pursuant to the provisions of this ordinance, the status of all funds and accounts as of the end of such year, and the amounts expended for maintenance, renewals, replacements and capital additions to the Municipal Water System. Such statements shall be sent to the owner of any Parity Bond upon written request received by the City. The City may charge a reasonable cost for providing such financial statements.

(e) **Liens Upon the Municipal Water System.** Except as otherwise provided in this ordinance, the City will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the Gross Revenue or any part thereof prior or superior to the lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies that, if unpaid or not discharged, might become a lien or charge upon the Gross Revenue or any part thereof, prior or superior to, or on a parity with, the lien of the Parity Bonds, or which might impair the security of the Parity Bonds.

(f) **Collection of Delinquent Accounts; No Free Service.** On at least an annual basis, the City will

determine all accounts that are delinquent and will take such actions as the City determines are reasonably necessary to enforce payment of those delinquent accounts. Except to aid the poor or infirm and for fire-fighting purposes, it will not furnish or supply or permit the furnishing or supplying of any service or facility in connection with the operation of the Municipal Water System free of charge to any person, firm, or corporation, public or private.

(g) **Maintenance of Insurance.** The City will at all times carry fire and extended coverage, public liability and property damage, and such other forms of insurance with responsible insurers and with policies payable to the City on such of the buildings, equipment, works, plants, facilities, and properties of the Municipal Water System as are ordinarily carried by municipal or privately owned utilities engaged in the operation of like systems, and against such claims for damages as are ordinarily carried by municipal or privately owned utilities engaged in the operation of like systems, or it will self-insure or participate in an insurance pool or pools with reserves adequate, in the reasonable judgment of the City, to protect the Municipal Water System against loss.

(h) **Condemnation Awards and Insurance Proceeds.** If the City receives any condemnation awards or proceeds of an insurance policy in connection with any loss of or damage to any property of the Municipal Water System, it shall apply the condemnation award or insurance proceeds, in the City's sole discretion, either (i) to the cost of replacing or repairing the lost or damaged properties, (ii) to the payment, purchase, or redemption of Parity Bonds, or (iii) to the cost of improvements to the Municipal Water System.

Section 17. **Future Parity Bonds.**

(a) **Issuance of Future Parity Bonds.** The City reserves the right to issue Future Parity Bonds and to enter into Parity Payment Agreements for any lawful purpose of the Municipal Water System (including for the purpose of refunding a portion of the then-outstanding Parity Bonds) only if, at the time of the issuance of such series of Future Parity Bonds (or upon the effective date of the Parity Payment Agreement), the following conditions are satisfied:

(i) There must be no deficiency in the Parity Bond Account, and no Event of Default with respect to any Parity Bonds shall have occurred and be continuing.

(ii) The Bond Documents for the proposed Future Parity Bonds must provide that all ULID Assessments shall be paid directly into the Parity Bond Account.

(iii) The Bond Documents for the proposed Future Parity Bonds must provide for the payment of the principal thereof and the interest thereon out of the Parity Bond Account.

(iv) The Bond Documents for the proposed Future Parity Bonds must provide for the payment of any Sinking Fund Requirements from money in the Principal and Interest Subaccount.

(v) For each series of Future Parity Bonds that is to be issued as a series of Covered Parity Bonds, the Bond Documents must provide for the deposit into the Reserve Subaccount of an amount, if any, necessary to fund the Reserve Requirement upon the issuance of those Future Parity Bonds (if any), which requirement may be satisfied: (A) by a deposit into the Reserve Subaccount, made on the Issue Date of such series, of proceeds of that series of Future Parity Bonds or other money legally available for such purpose; (B) by obtaining one or more Reserve Securities (or a deposit of cash plus Reserve Securities) available to be drawn upon in specific amounts to be paid into the Reserve Subaccount and credited against the deposits required to be maintained in the Reserve Subaccount; or (C) by a deposit into the Reserve Subaccount of amounts necessary to fund the Reserve Requirement from ULID Assessments and Net Revenue within five years from the date of issuance of those Future Parity Bonds, in five approximately equal annual payments. Immediately prior to the issuance of Future Parity Bonds, amounts then deposited in the Reserve Subaccount shall be valued as determined on the most recent annual financial report of the City applicable to the Municipal Water System, and the additional amounts, if any, required to be deposited into the Reserve Subaccount to satisfy the Reserve Requirement shall be based on that valuation.

(vi) There must be on file with the City a Parity Certificate as described in subsection 17(b) of this ordinance. However, if the proposed Future Parity Bonds (or any portion thereof) are to be issued for the

purpose of refunding outstanding Parity Bonds (referred to as the “Refunding Parity Bonds”), no Parity Certificate shall be required as to that portion issued for refunding purposes if the Director of Finance finds and certifies that the Adjusted Annual Debt Service on the refunding portion of the proposed Refunding Parity Bonds is not more than \$5,000 greater than the Adjusted Annual Debt Service on the Parity Bonds to be refunded thereby. Alternatively, Refunding Parity Bonds may be issued upon delivery of a Parity Certificate.

(b) Parity Certificate. A Parity Certificate required under subsection (a)(vi) may be provided as follows:

(i) A certificate may be prepared and signed by the Director of Finance, demonstrating that during any 12 consecutive calendar months out of the immediately preceding 24 calendar months Adjusted Net Revenue was at least equal to the Coverage Requirement for all Parity Bonds plus the Future Parity Bonds proposed to be issued (and assuming that the debt service of the proposed Future Parity Bonds for that 12-month period was the Average Annual Debt Service for those proposed Future Parity Bonds); or

(ii) A certificate may be prepared and signed by both the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of either office), demonstrating that, in their opinion, Adjusted Net Revenue for the five fiscal years next following the earlier of (A) the end of the period during which interest on those Future Parity Bonds is to be capitalized or, if no interest is capitalized, the fiscal year in which the Future Parity Bonds are issued, or (B) the date on which substantially all the new facilities financed with those Future Parity Bonds are expected to commence operations, such Adjusted Net Revenue, further adjusted as provided in subsection 18(b)(ii)(A) through 18(b)(ii)(D) of this ordinance, will be at least equal to the Coverage Requirement. That certificate may take into account the following adjustments:

(A) Any changes in rates in effect and being charged, or rates expected to be charged in accordance with a program of specific rates, rate levels, or increases in overall rate revenue approved by ordinance or resolution;

(B) Net revenue from customers of the Municipal Water System who have become customers during such 12-consecutive-month period or thereafter, and their estimate of net revenue from any customers to be connected to the Municipal Water System who have paid the required connection charges, adjusted to reflect one year's net revenue from those customers;

(C) Their estimate of net revenue from customers anticipated to be served by facilities or improvements financed in substantial part by those Future Parity Bonds (or additional Parity Bonds expected to be issued during the five-year period); and

(D) Net revenue from any person, firm, corporation, or municipal corporation under any executed contract for water or other utility service, which revenue was not included in historical Net Revenue of the Municipal Water System.

(c) **Other Provisions.** Nothing contained in this ordinance shall prevent the City from issuing Future Parity Bonds to refund maturing Parity Bonds, money for the payment of which is not otherwise available, or revenue bonds that are a charge or lien upon Net Revenue subordinate to the charge or lien of the Parity Bonds, or from pledging to pay Net Revenue and/or assessments levied for ULID improvements constructed from the proceeds of subordinate lien bonds into a bond redemption fund created for the payment of the principal of and interest on subordinate lien bonds.

(d) **Effect of Issuance of Future Parity Bonds.** If the Parity Conditions are met and complied with at the time of the issuance of such Future Parity Bonds, then payments into the Parity Bond Fund with respect to such Future Parity Bonds shall rank equally with the payments out of Net Revenue required to be made into the Parity Bond Fund by this ordinance. Nothing set forth herein shall prevent the City from (i) issuing revenue bonds or other obligations that are a charge upon the Net Revenue junior and inferior to the payments required to be made therefrom into the Parity Bond Fund for the payment of the Parity Bonds, provided that such subordinate bonds may not be subject to acceleration under any circumstances; or (ii) issuing Refunding Parity Bonds for the purpose of refunding Outstanding Parity Bonds, upon compliance with the Parity Conditions set

forth in this section.

(e) Reserve Requirement; Election Not to Designate Bonds as Covered Parity Bonds.

Notwithstanding anything in this section to the contrary, in the Bond Documents relating to the issuance or sale of a series of Future Parity Bonds, the City may elect that from and after the Reserve Covenant Date, such series shall not be deemed to be a series of Covered Parity Bonds, shall not be secured by the amounts in the Reserve Subaccount, and shall be excluded from the calculation of the Reserve Requirement.

Section 18. **Rate Stabilization Account.** The Rate Stabilization Account has been created as a separate account in the Water Fund. The City may at any time, as determined by the Director of Finance and consistent with the flow of funds set forth in Section 14 of this ordinance, deposit in the Rate Stabilization Account Gross Revenue and any other money received by the Municipal Water System and available for this purpose. The Director of Finance may, upon authorization by the City Council, withdraw any or all of the money in the Rate Stabilization Account for inclusion in Adjusted Gross Revenue for any fiscal year of the City. Such deposits or withdrawals may be made up to and including the date 90 days after the end of the fiscal year for which the deposit or withdrawal will be included as Adjusted Gross Revenue. No deposit of Gross Revenue may be made into the Rate Stabilization Account to the extent that such deposit would prevent the City from meeting the Coverage Requirement in the relevant fiscal year.

Section 19. **Separate Utility Systems.** The City may create, acquire, construct, finance, own or operate one or more additional systems for water supply, transmission or other commodity or service relating to the Municipal Water System. The revenue of that separate utility system shall not be included in Gross Revenue and may be pledged to the payment of revenue obligations issued to purchase, construct, condemn or otherwise acquire or expand the separate utility system. Neither Gross Revenue nor Net Revenue shall be pledged by the City to the payment of any obligations of a separate utility system except (a) as a Contract Resource Obligation, upon compliance with Section 20 of this ordinance, or (b) with respect to Net Revenue, on a basis subordinate to the lien of the Parity Bonds on that Net Revenue.

Section 20. **Contract Resource Obligations**. The City may at any time enter into one or more Contract Resource Obligations for the acquisition, from facilities to be constructed, of water supply, transmission, or other commodity or service relating to the Municipal Water System, as follows:

(a) The City may determine that, and may agree under a Contract Resource Obligation to provide that, all payments under that Contract Resource Obligation (including payments prior to the time that water supply or transmission or other commodity or service is being provided, or during a suspension or after termination of supply or service) shall be an Operating and Maintenance Expense if the following requirements are met at the time such a Contract Resource Obligation is entered into:

(i) No Event of Default has occurred and is continuing; and

(ii) There shall be on file a certificate of an Independent Utility Consultant stating that (A) the payments to be made by the City in connection with the Contract Resource Obligation are reasonable for the supply or transmission rendered; (B) the source of any new supply and any facilities to be constructed to provide the supply or transmission are sound from a water or other supply or transmission planning standpoint, are technically and economically feasible in accordance with prudent utility practice, and are likely to provide such supply or transmission no later than a date set forth in the Independent Utility Consultant's certification; and (C) the Adjusted Net Revenue (further adjusted by the Independent Utility Consultant's estimate of the payments to be made in accordance with the Contract Resource Obligation) for the five fiscal years following the year in which the Contract Resource Obligation is incurred, as such Adjusted Net Revenue is estimated by the Independent Utility Consultant in accordance with the provisions of and adjustments permitted in subsection 17(b)(ii) of this ordinance, will be at least equal to the Coverage Requirement.

(b) Payments required to be made under Contract Resource Obligations shall not be subject to acceleration.

(c) Nothing in this section shall be deemed to prevent the City from entering into other agreements for the acquisition of water supply, transmission or other commodity or service from existing facilities and from

treating those payments as an Operating and Maintenance Expense. Nothing in this section shall be deemed to prevent the City from entering into other agreements for the acquisition of water supply, transmission, or other commodity or service from facilities to be constructed and from agreeing to make payments with respect thereto, such payments constituting a charge and lien on Net Revenue subordinate to that of the Parity Bonds.

Section 21. **Refunding or Defeasance of Bonds.**

(a) **Bonds Designated as Refundable and Defeasible Bonds.** Each Series of the Bonds is designated as a series of “Refundable Bonds” for purposes of the Omnibus Refunding Ordinance and as “Defeasible Bonds” for purposes of the Omnibus Defeasance Ordinance.

(b) **Refunding; Defeasance.** The City may issue Refunding Parity Bonds pursuant to the laws of the State or use money available from any other lawful source (i) to pay when due the principal of, premium (if any), and interest on any Bond, or any portion thereof, included in a refunding or defeasance plan (the “Defeased Bonds”); (ii) to redeem and retire, release, refund, or defease the Defeased Bonds; and (iii) to pay the costs of such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient (together with known earned income from the investment thereof) to redeem and retire, release, refund, or defease the Defeased Bonds in accordance with their terms are set aside in a special trust fund or escrow account irrevocably pledged to such redemption, retirement, or defeasance (the “Trust Account”), then all right and interest of the Owners of the Defeased Bonds in the covenants of this ordinance and in Net Revenue and the funds and accounts pledged to the payment of such Defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the Defeased Bonds from the Trust Account. After such a Trust Account is established and funded as set forth above, the Defeased Bonds shall be deemed to be no longer outstanding, and the Director of Finance may then apply any money in any other fund or account established for the payment or redemption of the Defeased Bonds to any lawful purpose.

(c) **Notice of Defeasance or Refunding.** Unless otherwise specified in the Bond Documents, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

(d) **Annual Debt Service Calculation Adjustments for Defeased Bonds.** If the refunding or defeasance plan provides (i) that the Defeased Bonds (or the Refunding Parity Bonds issued to redeem those Defeased Bonds) are to be secured by money and/or Government Obligations pending the redemption of the Defeased Bonds, and (ii) that certain money and/or Government Obligations are pledged irrevocably for the redemption of the Defeased Bonds, then only the debt service on such Bonds as are not Defeased Bonds (and any Refunding Parity Bonds, the payment of which is not so secured by the refunding plan) shall be included in the calculation of Annual Debt Service.

Section 22. **Federal Tax Matters.** The Bond Documents may include such additional terms and covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, including the following:

(a) **Tax-Exempt Bonds.** For each Series of the Bonds issued as Tax-Exempt Bonds, the City covenants that it will take all actions, consistent with the terms of such Series as set forth in this ordinance and the applicable Bond Documents, that are reasonably within its power and necessary to prevent interest on that Series from being included in gross income for federal income tax purposes. The City further covenants that it will neither take any action nor make or permit any use of gross proceeds of that Series (or other funds of the City treated as gross proceeds of that Series) at any time during the term of such Series that will cause interest on such Series to be included in gross income for federal income tax purposes. The City also covenants that, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, it will take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series (including the calculation and payment of any penalties that the City may elect to pay as an alternative to calculating rebatable arbitrage and the payment of any other penalties if

required under Section 148 of the Code) to prevent interest on such Series from being included in gross income for federal income tax purposes.

(b) **Taxable Bonds; Tax Credit Subsidy Bonds.** For each Series of the Bonds issued as Taxable Bonds or as Tax Credit Subsidy Bonds, the Director of Finance is authorized to make provision in the Bonds and other Bond Documents, to execute additional written agreements, and to make additional covenants on behalf of the City, all as the Director may deem necessary or appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit Subsidy Bonds, such additional covenants and agreement may include (without limiting the generality of the foregoing) those necessary in order for the City (i) to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit Subsidy Bonds, and (ii) to ensure that such Series otherwise becomes and remains eligible for tax benefits under the Code.

Section 23. **Official Statement; Continuing Disclosure.**

(a) **Preliminary Official Statement.** The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection 23(a).

(b) **Final Official Statement.** The City approves the preparation of a final official statement for each sale of one or more Series to be sold to the public in the form of the preliminary official statement with such additions, modifications and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and

potential purchasers of the Bonds.

(c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the Bonds, the Director of Finance is authorized to execute a written Continuing Disclosure Agreement with respect to that Series, in substantially the form attached to this ordinance as Exhibit B.

Section 24. **Supplemental or Amendatory Bond Documents.** This ordinance and the other applicable Bond Documents for any particular Series of the Bonds may not be supplemented or amended in any respect subsequent to the Issue Date of such Series, except in accordance with and subject to the provisions of this section.

(a) **Amendments Without Bond Owner Consent.** From time to time and at any time, without the consent of or notice to any owners of Parity Bonds, the City may supplement or amend the Bond Documents applicable to any Series of the Bonds for any of the purposes set forth in this subsection 24(a). Any such supplement or amendment may be passed, adopted, or otherwise approved by the City, without requiring the consent of the registered owners of any Parity Bonds, but may become effective only upon receipt by the City of an opinion of Bond Counsel stating that such supplement or amendment is authorized or permitted by this ordinance and, upon the effective date thereof, will be valid and binding upon the City in accordance with its terms, and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the affected Series of the Bonds, if such Series was issued and sold as Tax-Exempt Bonds. The types of supplements and amendments permitted under this subsection 24(a) are as follows:

(i) To cure any formal defect, omission, inconsistency, or ambiguity in the Bond Documents for such Series in a manner not adverse to the owners of any Parity Bonds;

(ii) To impose upon the Bond Registrar (with its consent) for the benefit of the owners of Parity Bonds any additional rights, remedies, powers, authority, security, liabilities, or duties which may lawfully be granted, conferred, or imposed and which are not contrary to or inconsistent with such Bond Documents as

theretofore in effect;

(iii) To add to the covenants and agreements of, and limitations and restrictions upon, the City in the Bond Documents, other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with such Bond Documents as theretofore in effect;

(iv) To confirm, as further assurance, any pledge under (and the subjection to any claim, lien, or pledge created or to be created by) such Bond Documents on any other money, securities, or funds;

(v) To alter the Authorized Denominations of a Series of the Bonds and to make correlative amendments and modifications to the applicable Bond Documents regarding (A) exchangeability of such Bonds for Bonds of different authorized denominations, (B) redemptions of portions of Bonds of particular authorized denominations, and (C) similar amendments and modifications of a technical nature;

(vi) To comply with any future federal law or interpretation to preserve the exclusion of the interest on any Series of the Bonds issued and sold as Tax-Exempt Bonds from gross income for federal income tax purposes and the entitlement of the City to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series of the Bonds issued and sold as Tax Credit Subsidy Bonds;

(vii) To modify, alter, amend, or supplement the Bond Documents in any other respect which is not materially adverse to the owners of the Parity Bonds and which does not involve a change described in subsection 24(c) of this ordinance; and

(viii) To add to the covenants and agreements of (or limitations and restrictions upon) the City set forth in any Bond Documents, such additional or alternative covenants, agreements, limitations, or restrictions to be observed by the City as the City may determine are necessary or convenient to accommodate a provider of Qualified Insurance or provider of a Reserve Security and are not materially adverse to the owners of the Parity Bonds.

(b) **Amendments With Bond Owner Consent.** With the consent of registered owners of not less than 60 percent in aggregate principal amount of the Parity Bonds then outstanding, the City may pass, adopt, or

otherwise approve any supplement or amendment (other than amendments requiring unanimous consent as set forth in subsection 24(c) of this ordinance) to any Bond Document that is deemed necessary or desirable by the City for the purpose of modifying, altering, amending, supplementing, or rescinding, in any particular, any of the terms or provisions contained in such Bond Document other than those terms and provisions described in subsection 24(c) of this ordinance.

(c) Amendments Prohibited Except Upon Unanimous Consent. Unless approved in writing by or on behalf of the registered owner of each Parity Bond then outstanding, nothing contained in this section shall permit, or be construed as permitting (i) a change in the times, amounts, or currency of payment of the principal of or interest on any outstanding Parity Bond, (ii) a reduction in the principal amount or redemption price of any outstanding Parity Bond, (iii) a change in the method of determining the rate of interest thereon (other than a conversion to a new interest rate made in accordance with the applicable Bond Documents), (iv) a preference or priority of any Parity Bond over any other Parity Bond, or (v) a reduction in the percentage of the aggregate principal amount of the then-outstanding Parity Bonds required to effect a change under subsection 24(b) of this ordinance.

(d) Notice to Bond Owners. If at any time the City passes, adopts, or otherwise approves a supplement or amendment for any of the purposes of subsection 24(b) or 24(c) of this ordinance, the Bond Registrar shall cause notice of the proposed supplement or amendment to be given by first class mail (i) to all registered owners of the then outstanding Parity Bonds, (ii) to each provider of Bond Insurance or a Reserve Security, and (iii) to each Rating Agency. Such notice shall briefly set forth the nature of the proposed supplement or amendment and shall state that a copy is on file at the office of the City Clerk for inspection by all owners of the then outstanding Parity Bonds.

(e) Effective Date; Consents. Any supplement or amendment, substantially as described in the notice mailed pursuant to subsection 24(d) of this ordinance, may go into effect upon delivery to the Bond Registrar of (i) the required consents, in writing, of registered owners of the Parity Bonds, and (ii) an opinion of Bond

Counsel stating that such supplement or amendment is authorized or permitted by this ordinance. Upon the effective date thereof, such supplement or amendment will be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds.

If registered owners of not less than the percentage of Parity Bonds required by this section shall have consented to and approved such a supplement or amendment, no owner of any Parity Bond shall have any right (i) to object to the passage, adoption, or approval of such supplement or amendment, (ii) to object to any of the terms and provisions contained therein or the operation thereof, (iii) in any manner to question the propriety of the passage, adoption, or approval thereof, (iv) to enjoin or restrain the City from passing, adopting, or otherwise approving the same, or (v) to enjoin or restrain the City, any authorized official thereof, or the Bond Registrar from taking any action pursuant to the provisions thereof. For purposes of determining whether consents representing the requisite percentage of principal amount of Parity Bonds have been obtained, the Accreted Value of Capital Appreciation Bonds shall be deemed to be the principal amount. It shall not be necessary to obtain approval of the particular form of any proposed supplement, but it shall be sufficient if the consent shall approve the substance thereof.

(f) Effect of Amendment or Supplement. Upon the effective date of any amendment or supplement, this ordinance (or the relevant Bond Document, if not set forth in this ordinance) shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties, and obligations of the City and all owners of Parity Bonds then outstanding shall thereafter be determined, exercised, and enforced in accordance with and subject in all respects to such modifications and amendments. All the terms and conditions of any such supplement or amendment shall be deemed to be a part of this ordinance and the Bond Documents for any and all purposes.

(g) Special Amendments. If and to the extent that it is determined that the written consent of Registered Owners of the Bonds is required under subsection 24(b) or 24(c) of this ordinance, the Registered

Owners from time to time of the Bonds, by taking and holding the same, are hereby deemed to have consented to any supplement or amendment to the Bond Documents effecting any one or more of the following changes:

(i) When calculating “Annual Debt Service” to permit or require Tax Credit Subsidy Payments expected to be received by the City in any period to be credited against amounts required to be paid in respect of interest on the Parity Bonds in that period, or

(ii) To permit or require Tax Credit Subsidy Payments to be deposited into the Principal and Interest Subaccount and credited against the Net Revenue otherwise required to be deposited into the Principal and Interest Subaccount; and

(iii) To permit the reimbursement obligations of the City under any Qualified Letter of Credit or Qualified Insurance (other than a Qualified Letter of Credit or Qualified Insurance obtained to satisfy all or part of the Reserve Requirement) to be secured by a lien and charge on Net Revenue equal in rank with the lien and charge upon such Net Revenue required to be paid into the Parity Bond Account to pay and secure the payment of the principal of and interest on Parity Bonds.

Section 25. **Defaults and Remedies.**

(a) **Events of Default.** Each of the following shall constitute an Event of Default with respect to the Bonds:

(i) If a default is made in the payment of the principal of or interest on any of the Bonds when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the covenants, conditions and agreements on the part of the City set forth in this ordinance or the applicable Bond Documents (except as otherwise provided in this ordinance or in such Bond Documents) and such default or defaults have continued for a period of six months after the City has received from the Bond Owners’ Trustee (as defined in this section) or from the registered owners of not less than 25 percent in principal amount of the Parity Bonds a written notice specifying and demanding the cure of such default. However, if the default in the observance and

performance of any other of the covenants, conditions and agreements is one which cannot be completely remedied within the six months after written notice has been given, it shall not be an Event of Default with respect to the Bonds as long as the City has taken active steps within the six months after written notice has been given to remedy the default and is diligently pursuing such remedy.

Notwithstanding anything in this section to the contrary, the failure of the City or any obligated person to comply with the Continuing Disclosure Agreement shall not constitute an Event of Default, and the sole remedy of any holder of a Bond shall be to seek an order of specific performance from an appropriate court to compel the City to comply with the Continuing Disclosure Agreement.

(b) **Bond Owners' Trustee.** So long as such Event of Default has not been remedied, a trustee (the "Bond Owners' Trustee") may be appointed by the registered owners of 25 percent in principal amount of the then outstanding Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized and delivered to such Bond Owners' Trustee, notification thereof being given to the City. That appointment shall become effective immediately upon acceptance thereof by the Bond Owners' Trustee. Any Bond Owners' Trustee appointed under the provisions of this subsection shall be a bank or trust company organized under the laws of the State of Washington or the State of New York or a national banking association. The bank or trust company acting as Bond Owners' Trustee may be removed at any time, and a successor Bond Owners' Trustee may be appointed, by the registered owners of a majority in principal amount of the Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized. The Bond Owners' Trustee may require such security and indemnity as may be reasonable against the costs, expenses, and liabilities that may be incurred in the performance of its duties.

In the event that any Event of Default in the sole judgment of the Bond Owners' Trustee is cured and the Bond Owners' Trustee furnishes to the City a certificate so stating, that Event of Default shall be conclusively

deemed to be cured and the City, the Bond Owners' Trustee and the registered owners of the Parity Bonds shall be restored to the same rights and position which they would have held if no Event of Default had occurred.

The Bond Owners' Trustee appointed in the manner herein provided, and each successor thereto, is declared to be a trustee for the registered owners of all the Parity Bonds and is empowered to exercise all the rights and powers herein conferred on the Bond Owners' Trustee.

(c) Suits at Law or in Equity. Upon the occurrence of an Event of Default and during the continuance thereof, the Bond Owners' Trustee may, and upon the written request of the registered owners of not less than 25 percent in principal amount of the Parity Bonds outstanding shall, take such steps and institute such suits, actions, or other proceedings, all as it may deem appropriate for the protection and enforcement of the rights of the registered owners of the Parity Bonds, to collect any amounts due and owing to or from the City, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement, or condition contained in this ordinance or set forth in any of the Parity Bond Documents.

Nothing contained in this section shall, in any event or under any circumstance, be deemed to authorize the acceleration of the maturity of principal on the Parity Bonds, and the remedy of acceleration is expressly denied to the registered owners of the Parity Bonds under any circumstances including, without limitation, upon the occurrence and continuance of an Event of Default.

Any action, suit or other proceeding instituted by the Bond Owners' Trustee hereunder shall be brought in its name as the Bond Owners' Trustee and all such rights of action upon or under any of the Parity Bonds or the provisions of this ordinance may be enforced by the Bond Owners' Trustee without the possession of any of those Parity Bonds and without the production of the same at any trial or proceedings relative thereto except where otherwise required by law. Any such suit, action, or proceeding instituted by the Bond Owners' Trustee shall be brought for the ratable benefit of all of the registered owners of those Parity Bonds, subject to the provisions of this ordinance. The respective registered owners of the Parity Bonds, by taking and holding the same, shall be conclusively deemed irrevocably to appoint the Bond Owners' Trustee the true and lawful trustee

of the respective registered owners of those Parity Bonds, with authority to institute any such action, suit, or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to execute any paper or documents for the receipt of money; and to do all acts with respect thereto that the registered owner himself or herself might have done in person. Nothing in this ordinance shall be deemed to authorize or empower the Bond Owners' Trustee to consent to accept or adopt, on behalf of any owner of the Parity Bonds, any plan of reorganization or adjustment affecting the Parity Bonds or any right of any registered owner thereof, or to authorize or empower the Bond Owners' Trustee to vote the claims of the registered owners thereof in any receivership, insolvency, liquidation, bankruptcy, reorganization, or other proceeding to which the City is a party.

(d) Application of Money Collected by Bond Owners' Trustee. Any money collected by the Bond Owners' Trustee at any time pursuant to this section shall be applied in the following order of priority:

(i) To the payment of the charges, expenses, advances, and compensation of the Bond Owners' Trustee and the charges, expenses, counsel fees, disbursements, and compensation of its agents and attorneys;

(ii) To the payment to the persons entitled thereto of all installments of interest then due on the Parity Bonds in the order of maturity of such installments and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference; and

(iii) To the payment to the persons entitled thereto of the unpaid principal amounts of any Parity Bonds which shall have become due (other than Parity Bonds previously called for redemption for the payment of which money is held pursuant to the provisions of the applicable Bond Documents), whether at maturity or by proceedings for redemption or otherwise, in the order of their due dates and, if the amount available shall not be sufficient to pay in full the principal amounts due on the same date, then to the payment thereof ratably, according to the principal amounts due thereon to the persons entitled thereto, without any discrimination or

preference.

(e) **Duties and Obligations of Bond Owners' Trustee.** The Bond Owners' Trustee shall not be liable except for the performance of such duties as are specifically set forth in this ordinance. During an Event of Default, the Bond Owners' Trustee shall exercise such of the rights and powers vested in it hereby, and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of that person's own affairs. The Bond Owners' Trustee shall have no liability for any act or omission to act hereunder except for the Bond Owners' Trustee's own negligent action, its own negligent failure to act or its own willful misconduct. The duties and obligations of the Bond Owners' Trustee shall be determined solely by the express provisions of this ordinance, and no implied powers, duties or obligations of the Bond Owners' Trustee shall be read into this ordinance.

The Bond Owners' Trustee shall not be required to expend or risk its own funds or otherwise incur individual liability in the performance of any of its duties or in the exercise of any of its rights or powers as the Bond Owners' Trustee, except as may result from its own negligent action, its own negligent failure to act or its own willful misconduct.

The Bond Owners' Trustee shall not be bound to recognize any person as a registered owner of any Parity Bond until registered ownership, if disputed, has been established to its reasonable satisfaction.

The Bond Owners' Trustee may consult with counsel and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Bond Owners' Trustee shall not be answerable for any neglect or default of any person, firm or corporation employed and selected by it with reasonable care.

(f) **Suits by Individual Parity Bond Owners Restricted.** No owner of any one or more Parity Bonds shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of same unless:

(i) An Event of Default has happened and is continuing; and

(ii) A Bond Owners' Trustee has been appointed; and

(iii) Such owner previously shall have given to the Bond Owners' Trustee written notice of the Event of Default on account of which such suit, action, or proceeding is to be instituted; and

(iv) The registered owners of 25 percent in principal amount of the Parity Bonds, after the occurrence of such Event of Default, have made written request of the Bond Owners' Trustee and have afforded the Bond Owners' Trustee a reasonable opportunity to institute such suit, action or proceeding; and

(v) There have been offered to the Bond Owners' Trustee security and indemnity satisfactory to it against the costs, expenses, and liabilities to be incurred therein or thereby; and

(vi) The Bond Owners' Trustee has refused or neglected to comply with such request within a reasonable time.

No owner of any Parity Bond shall have any right in any manner whatever by action to affect or impair the obligation of the City to pay from Net Revenue the principal of and interest on such Parity Bonds to the respective registered owners thereof when due.

Section 26. **General Authorization.** In addition to the specific authorizations in this ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of the City are each authorized and directed to do everything such officer may judge necessary, appropriate, or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

(a) The Director of Finance, in the Director's discretion and without further action by the City Council, (i) may issue requests for proposals to provide underwriting services or financing facilities (including, without limitation, Qualified Insurance, a Qualified Letter of Credit, or other credit support or liquidity facility), and may execute engagement letters and other agreements with underwriters and other financial institutions (including providers of liquidity or credit support) based on responses to such requests; (ii) may select and make decisions regarding the Bond Registrar, fiscal or paying agents, and any Securities Depository for each

Series of the Bonds; (iii) may take any and all actions necessary or convenient to provide for the conversion of interest rate modes for any Series in accordance with the applicable Bond Documents; and (iv) may take such actions on behalf of the City as are necessary or appropriate for the City to designate, qualify, or maintain the tax-exempt treatment with respect to any Series issued as Tax-Exempt Bonds, to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series issued as Tax Credit Subsidy Bonds, and to otherwise receive any other federal tax benefits relating to any Series of the Bonds that are available to the City; and

(b) The Mayor and the Director of Finance are each separately authorized to execute and deliver (i) any and all contracts or other documents as are consistent with this ordinance and for which the City's approval is necessary or to which the City is a party (including but not limited to agreements with escrow agents, refunding trustees, liquidity or credit support providers, providers of Qualified Insurance or Reserve Securities, remarketing agents, underwriters, lenders or other financial institutions, fiscal or paying agents, Qualified Counterparties, custodians, and the Bond Registrar); and (ii) such other contracts or documents incidental to: the issuance and sale of any Series of the Bonds; the establishment of the interest rate or rates on a Bond; or the conversion, tender, purchase, remarketing, or redemption of a Bond, as may in the judgment of the Mayor or Director, as applicable, be necessary or appropriate.

Section 27. **Severability**. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the invalidity of its application to any person or circumstance, does not affect the validity of the remainder of this ordinance or the validity of its application to other persons or circumstances.

Section 28. **Ratification of Prior Acts**. Any action consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 29. **Section Headings**. Section headings in this ordinance are nonsubstantive.

Section 30. **Effective Date**. This ordinance shall take effect as provided by Seattle Municipal Code

Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

EXHIBIT B

FORM OF CONTINUING DISCLOSURE AGREEMENT

The City of Seattle, Washington (the “City”), makes the following written undertaking (the “Undertaking”) for the benefit of the Owners of the City’s Water System Revenue Bonds, [Year] [Series] (the “Bonds”), for the sole purpose of assisting the underwriter for the Bonds, in meeting the requirements of paragraph (b)(5) of Rule 15c2-12 (the “Rule”), as applicable to a participating underwriter for the Bonds. Capitalized terms used but not defined below shall have the meanings given in Ordinance _____ (the “Bond Ordinance”).

(a) Undertaking to Provide Annual Financial Information and Notice of Listed Events.

The City undertakes to provide or cause to be provided, either directly or through a designated agent, to the Municipal Securities Rulemaking Board (the “MSRB”), in an electronic format as prescribed by the MSRB, accompanied by identifying information as prescribed by the MSRB:

(i) Annual financial information and operating data regarding the Water System (the “Water System”) of the type included in the final official statement for the Bonds and described in subsection (b) of this section (“annual financial information”). The timely filing of unaudited financial statements shall satisfy the requirements and filing deadlines pertaining to the filing of annual financial statements under subsection (b), provided that audited financial statements are to be filed if and when they are otherwise prepared and available to the City.

(ii) Timely notice (not in excess of 10 business days after the occurrence of the event) of the occurrence of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS Form 5701 – TEB) or other material notices

1 or determinations with respect to the tax status of the Bonds, or other material events affecting the tax
2 status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls
3 (other than scheduled mandatory redemptions of Term Bonds), if material, and tender offers;
4 (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if
5 material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the City, as
6 such “Bankruptcy Events” are defined in the Rule; (13) the consummation of a merger, consolidation,
7 or acquisition involving the City or the sale of all or substantially all of the assets of the City other than
8 in the ordinary course of business, the entry into a definitive agreement to undertake such an action or
9 the termination of a definitive agreement relating to any such actions, other than pursuant to its terms,
10 if material; (14) appointment of a successor or additional trustee or the change of name of a trustee, if
11 material; (15) incurrence of a financial obligation of the City, if material, or agreement to covenants,
12 events of default, remedies, priority rights, or other similar terms of a financial obligation of the City,
13 any of which affect holders of the Bonds, if material; and (16) any default, event of acceleration,
14 termination event, modification of terms, or other similar event under the terms of a financial obligation
15 of the City, any of which reflect financial difficulties.

16 For purposes of this Undertaking, the term “financial obligation” shall mean a debt
17 obligation; derivative instrument entered into in connection with, or pledged as security or a source of
18 payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a
19 derivative instrument entered into in connection with, or pledged as security or a source of payment
20 for, an existing or planned debt obligation. The term “financial obligation” does not include municipal
21 securities as to which a final official statement has been provided to the MSRB consistent with the
22 Rule.

23 (iii) Timely notice of a failure by the City to provide required annual financial
24 information on or before the date specified in subsection (b) of this section.

1 (b) Type of Annual Financial Information Undertaken to be Provided. The annual
2 financial information and operating data that the City undertakes to provide in subsection (a) of this
3 section:

4 (i) Shall consist of (1) annual financial statements of the Water System prepared
5 in accordance with applicable generally accepted accounting principles applicable to governmental
6 units (except as otherwise noted therein), as such principles may be changed from time to time and as
7 permitted by applicable state law; (2) a statement of outstanding bonded debt secured by Net Revenue
8 of the Water System; (3) debt service coverage ratios; (4) general customer statistics, such as number
9 and type of customers and revenues by customer class; and (5) current water rates;

10 (ii) Shall be provided not later than the last day of the ninth month after the end of
11 each fiscal year of the City (currently, a fiscal year ending December 31), as such fiscal year may be
12 changed as required or permitted by state law, commencing with the City's fiscal year ending
13 December 31, 20__; and

14 (iii) May be provided in a single document or multiple documents, and may be
15 incorporated by specific reference to documents available to the public on the Internet website of the
16 MSRB or filed with the Securities and Exchange Commission.

17 (c) Amendment of Undertaking. This Undertaking is subject to amendment after the
18 primary offering of the Bonds without the consent of any Owner or holder of any Bond, or of any
19 broker, dealer, municipal securities dealer, participating underwriter, rating agency or the MSRB,
20 under the circumstances and in the manner permitted by the Rule, including:

21 (i) The amendment may only be made in connection with a change in
22 circumstances that arises from a change in legal requirements, change in law, or change in the identity,
23 nature, or status of the City, or type of business conducted by the City;

1 (ii) The Undertaking, as amended, would have complied with the requirements of
2 the Rule at the time of the primary offering, after taking into account any amendments or interpretations
3 of the Rule, as well as any change in circumstances; and

4 (iii) The amendment does not materially impair the interests of holders, as
5 determined either by parties unaffiliated with the City (e.g., bond counsel or other counsel familiar
6 with federal securities laws), or by an approving vote of bondholders pursuant to the terms of the Bond
7 Ordinance at the time of the amendment.

8 The City will give notice to the MSRB of the substance (or provide a copy) of any amendment
9 to this Undertaking and a brief statement of the reasons for the amendment. If the amendment changes
10 the type of annual financial information to be provided, the annual financial information containing
11 the amended financial information will include a narrative explanation of the effect of that change on
12 the type of information to be provided.

13 (d) Beneficiaries. This Undertaking shall inure to the benefit of the City and any Owner
14 of Bonds, and shall not inure to the benefit of or create any rights in any other person.

15 (e) Termination of Undertaking. The City's obligations under this Undertaking shall
16 terminate upon the legal defeasance, prior redemption, or payment in full of all of the Bonds. In
17 addition, the City's obligations under this Undertaking shall terminate if those provisions of the Rule
18 that require the City to comply with this Undertaking become legally inapplicable in respect of the
19 Bonds for any reason, as confirmed by an opinion of nationally recognized bond counsel or other
20 counsel familiar with federal securities laws delivered to the City, and the City provides timely notice
21 of such termination to the MSRB.

22 (f) Remedy for Failure to Comply with Undertaking. As soon as practicable after the City
23 learns of any material failure to comply with this Undertaking, the City will proceed with due diligence
24 to cause such noncompliance to be corrected. No failure by the City or other obligated person to comply
25 with this Undertaking shall constitute a default in respect of the Bonds. The sole remedy of any Owner

1 of a Bond shall be to take such actions as that Owner deems necessary, including seeking an order of
2 specific performance from an appropriate court, to compel the City or other obligated person to comply
3 with this Undertaking.

4 (g) Designation of Official Responsible to Administer Undertaking. The Director of
5 Finance of the City (or such other officer of the City who may in the future perform the duties of that
6 office) or the Director’s designee is the person designated, in accordance with the Bond Ordinance, to
7 carry out this Undertaking of the City in respect of the Bonds set forth in this section and in accordance
8 with the Rule, including, without limitation, the following actions:

9 (i) Preparing and filing the annual financial information undertaken to be
10 provided;

11 (ii) Determining whether any event specified in subsection (a)(ii) has occurred,
12 assessing its materiality, where necessary, with respect to the Bonds, and preparing and disseminating
13 any required notice of its occurrence;

14 (iii) Determining whether any person other than the City is an “obligated person”
15 within the meaning of the Rule with respect to the Bonds, and obtaining from such person an
16 undertaking to provide any annual financial information and notice of listed events for that person in
17 accordance with the Rule;

18 (iv) Selecting, engaging and compensating designated agents and consultants,
19 including but not limited to financial advisors and legal counsel, to assist and advise the City in carrying
20 out this Undertaking; and

21 (v) Effecting any necessary amendment of the Undertaking.

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the municipal water system of The City of Seattle; adopting a system or plan of additions and betterments to and extensions of the existing municipal water system; authorizing the issuance and sale of water system revenue bonds in one or more series for the purposes of paying or reimbursing part of the cost of carrying out that system or plan, providing for the reserve requirement, and paying the costs of issuance of the bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; describing the lien of the bonds; creating certain accounts of the City relating to the bonds; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: This legislation provides legal authorization for the Water System to issue up to \$106 million of bonds to fund a portion of capital expenditures outlined in the proposed 2025-2030 Capital Improvement Plan (CIP). Although the budget, capital plan, and rates make specific assumptions about the use of debt financing for a certain share of the capital program, separate authorization for the issuance of bonds is technically required.

The bond sale is anticipated to occur in mid-2025. The bond proceeds, combined with internally generated funds, will support the water system capital program for about 12 months. The bond sizing is based on the adopted budget, Strategic Business Plan, rates, planned cash flow, and cash contribution targets. The bond proceeds will also be used to make a deposit to the bond reserve fund and to pay issuance costs. Annual debt service is expected to be approximately \$6.9 million. Major projects supported by the bond issue include transmission and distribution system upgrades, water quality and treatment and transportation-related projects. For further information about Water CIP, please see the SPU Proposed 2025-2030 capital plan.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☐ Yes ☒ No

4. OTHER IMPLICATIONS

- a. **Please describe how this legislation may affect any departments besides the originating department.**

This legislation affects Seattle Public Utilities (SPU) which is responsible for managing the bond proceeds and implementing the major projects supported by the bond issue.

Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.

No.

- b. **Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

- i. **How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

N/A.

- ii. **Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

N/A.

- iii. **What is the Language Access Plan for any communications to the public?**

N/A.

- c. **Climate Change Implications**

- i. **Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

N/A.

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

N/A.

- d. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

N/A.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☐ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; revising project allocations for certain projects in the 2024-2029 CIP; creating positions; adding provisos; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The appropriations for the following items in the 2024 Adopted Budget are reduced from the funds shown below:

Item	Department	Fund	Budget Summary Level/BCL Code	Amount
1.1	Department of Education and Early Learning	General Fund (00100)	K-12 Programs (00100-BO-EE-IL200)	(\$145,879)
1.2	Department of Finance and Administrative Services	Finance and Administrative Services Fund (50300)	Leadership & Administration (50300-BO-FA-0006)	(\$2,442,169)
		Payroll Expense Tax (14500)	Citywide Admin Services (14500-BO-FA-0002)	(\$792,395)
1.3	Finance General	General Fund (00100)	General Purpose (00100-BO-FG-2QD00)	(\$400,000)
1.4	Finance General	General Fund (00100)	General Purpose (00100-BO-FG-2QD00)	(\$1,800,000)
1.5	Finance General	General Fund (00100)	General Purpose (00100-BO-FG-2QD00)	(\$885,000)
1.6	Finance General	General Fund (00100)	General Purpose (00100-BO-FG-2QD00)	(\$462,677)

1.7	Human Services Department	Human Services Fund (16200)	Addressing Homelessness (16200-BO-HS-H3000)	(\$262,705)
			Preparing Youth for Success (16200-BO-HS-H2000)	(\$74,120)
			Leadership and Administration (16200-BO-HS-H5000)	(\$37,063)
1.8	Human Services Department	Human Services Fund (16200)	Addressing Homelessness (16200-BO-HS-H3000)	(\$2,065)
			Supporting Affordability and Livability (16200-BO-HS-H1000)	(\$718)
1.9	Executive (Office of Housing)	Office of Housing Fund (16600)	Leadership and Administration (16600-BO-HU-1000)	(\$6,262)
1.10	Executive (Office of Planning and Community Development)	General Fund (00100)	Equitable Development Initiative (00100-BO-PC-X2P40)	(\$860,000)
1.11	Executive (Office of Sustainability and Environment)	Payroll Expense Tax (14500)	Office of Sustainability and Environment (14500-BO-SE-X1000)	(\$400,000)
1.12	Executive (Office of Sustainability and Environment)	General Fund (00100)	Office of Sustainability and Environment (00100-BO-SE-X1000)	(\$1,495,000)
1.13	Executive (Office of Sustainability and Environment)	General Fund (00100)	Office of Sustainability and Environment (00100-BO-SE-X1000)	(\$536,250)
1.14	Executive (Office of Sustainability and Environment)	General Fund (00100)	Office of Sustainability and Environment (00100-BO-SE-X1000)	(\$4,413,424)
1.15	Seattle Department of Transportation	Transportation Fund (13000)	General Expense (13000-BO-TR-18002)	(\$210,954)
1.16	Seattle Department of Transportation	Transportation Fund (13000)	Mobility Operations (13000-BO-TR-17003)	(\$300,000)
			ROW Management (13000-BO-TR-17004)	(\$120,000)

		Transportation Benefit District Fund (19900)	Mobility Operations (19900-BO-TR-17003)	(\$180,000)
1.17	Executive (Office of Economic Development)	General Fund (00100)	Business Services (00100-BO-ED-X1D00)	(\$681,178)
1.18	Executive (Office of Housing)	Payroll Expense Tax (14500)	Multifamily Housing (14500-BO-HU-3000)	(\$2,000,000)
1.19	Finance General	Finance and Administrative Services Fund (50300)	General Purpose (00100-BO-FG-2QD00)	(\$490,000)
Total				(\$18,997,859)

Section 2. In order to pay for necessary costs and expenses incurred or to be incurred in 2024, but for which insufficient appropriations were made due to causes that could not reasonably have been foreseen at the time of making the 2024 Budget, appropriations for the following items in the 2024 Budget are increased from the funds shown, as follows:

Item	Department	Fund	Budget Summary Level/BCL Code	Amount
2.1	Department of Education and Early Learning	Families Education Preschool Promise Levy (17871)	Post-Secondary Programs (17871-BO-EE-IL300)	\$331,080
2.2	Department of Education and Early Learning	Families Education Preschool Promise Levy (17871)	K-12 Programs (17871-BO-EE-IL200)	\$700,000
2.3	Department of Finance and Administrative Services	General Fund (00100)	Public Services (00100-BO-FA-0005)	\$80,000
2.4	Department of Finance and Administrative Services	Judgment/Claims Fund (00126)	Judgment & Claims Litigation (00126-BO-FA-JR000)	\$7,000,000
			Judgment & Claims Police Action (00126-BO-FA-JR020)	\$2,000,000
			Judgment & Claims Claims (00126-BO-FA-CJ000)	\$10,000,000

2.5	Department of Finance and Administrative Services	Finance and Administrative Services Fund (50300)	Office of City Finance (50300-BO-FA-0003)	\$393,017
			Public Services (50300-BO-FA-0005)	\$251,768
2.6	Finance General	General Fund (00100)	Appropriation to Special Funds (00100-BO-FG-2QA00)	\$1,200,000
2.7	Finance General	General Fund (00100)	General Purpose (00100-BO-FG-2QD00)	\$428,000
2.8	Finance General	Transportation Fund (13000)	General Purpose (13000-BO-FG-2QD00)	\$212,000
2.9	Finance General	Coronavirus Local Fiscal Recovery Fund (14000)	Appropriation to Special Funds (14000-BO-FG-2QA00)	\$758,558
2.10	Finance General	General Fund (00100)	Appropriation to Special Funds (00100-BO-FG-2QA00)	\$3,000,000
2.11	Finance General	General Fund (00100)	Appropriation to Special Funds (00100-BO-FG-2QA00)	\$500,000
2.12	Finance General	General Fund (00100)	Appropriation to Special Funds (00100-BO-FG-2QA00)	\$5,622,157
2.13	Human Services Department	General Fund (00100)	Addressing Homelessness (00100-BO-HS-H3000)	\$9,246,028
2.14	Human Services Department	Human Services Fund (16200)	Supporting Affordability and Livability (16200-BO-HS-H1000)	\$4,691,844
2.15	Executive (Office of Housing)	Payroll Expense Tax (14500)	Homeownership & Sustainability (14500-BO-HU-2000)	\$400,000

Allocation modifications for the Seattle Department of Transportation, Seattle Public Utilities, and Seattle City Light in this section shall operate for the purposes of increasing or decreasing the base for the limit imposed by subsection 4(c) of Ordinance 126955.

Section 9. The following positions are created in the following departments:

Item	Department	Position Title	Position Status	Number
9.1	Human Services Department	Grants&Contracts Spec,Sr (@ 99050 - 034)	Full-time	1.0
		Counslnr (@ 98856 - 034)	Full-time	3.0
9.2	Department of Education and Early Learning	StratAdvsr1,General Govt (@ 09385 - 140)	Full-time	1.0
9.3	Office of Sustainability and Environment	Admin Staff Asst (@ 10013 - 030)	Full-time	1.0
9.4	Seattle Fire Department	Actg Tech II-BU (@ 97547 - 035)	Part-time	0.5
9.5	Seattle Fire Department	Actg Tech II-BU (@ 97547 - 035)	Part-time	0.125
9.6	Legislative Department	City Records Mgmt Anlyst (@ 20552 - 030)	Full-Time	1.0
9.7	Executive (Office of Sustainability and Environment)	StratAdvsr1,General Govt (@ 09385 - 140)	Full-Time	1.0
		Plng&Dev Spec,Sr-BU (@ 96683 - 034)	Full-Time	1.0
		Fin Anlyst,Sr (@ 96323 - 030)	Full-Time	1.0
		Enrgy Conserv Rep,Sr (@ 96301 - 004)	Full-Time	1.0
Total				11.625

The Directors of the relevant departments are authorized to fill these positions subject to Seattle Municipal Code Title 4, the City's Personnel Rules, and applicable employment laws.

Section 10. This ordinance imposes a proviso as follows:

“Of the appropriations in the Department of Finance and Administrative Services’ 2024 budget for the Citywide Operational Services Budget Control Level (50300-BO-FA-0001), \$490,000 is appropriated solely for City Hall safety and security improvements directly benefitting the Legislative Department and may be spent for no other purpose.”

Section 11. Any act consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 12. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by a 3/4 vote of all the members of the City Council the _____ day of _____, 2024, and signed by me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved / returned unsigned / vetoed this _____ day of _____, 2024.

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

(Seal)

SUMMARY and FISCAL NOTE

City Budget Office	Caleb Wagenaar	Caleb Wagenaar

1. BILL SUMMARY

Legislation Title: AN ORDINANCE which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; revising project allocations for certain projects in the 2024-2029 CIP; creating positions; adding provisos; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

Summary and Background of the Legislation: This ordinance proposes several adjustments to the 2024 Adopted Budget.

The City Budget Office compiles departmental requests for spending adjustments to the Adopted Budget into a Supplemental Ordinance for review and approval by the City Council. This bill accomplishes the following:

- Adjusts appropriation authority to Budget Control Levels approved in the Adopted Budget or subsequent legislation;
- Appropriates funding backed by new revenue sources;
- Adjusts the Adopted Capital Improvement Program;
- Makes changes to departments position authority; and
- Adds a proviso.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☒ Yes ☐ No

Please see Attachment A to this document for details.

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☒ Yes ☐ No

Expenditure Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
	\$29,864,334	(\$420,960)	(\$420,960)	(\$420,960)	(\$420,960)
Expenditure Change (\$); Other Funds	2024	2025 est.	2026 est.	2027 est.	2028 est.
	\$170,984,577	\$0	\$0	\$0	\$0

Revenue Change (\$); General Fund	2024	2025 est.	2026 est.	2027 est.	2028 est.
	\$13,555,228	\$79,040	\$79,040	\$79,040	\$79,040

Revenue Change (\$); Other Funds	2024	2025 est.	2026 est.	2027 est.	2028 est.
	\$66,527,186	\$0	\$0	\$0	\$0

2025-2028 ongoing costs are current estimates and will be incorporated into the 2025-2026 Proposed Budget.

3.a. Appropriations

☒ This legislation adds, changes, or deletes appropriations.

Appropriations Notes: See Summary Attachment A for details on 2024 Year-End Supplemental appropriations.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

No. Please see Summary Attachment A for details on 2024 Year-End Supplemental appropriations.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Please see Summary Attachment A for details on 2024 Year-End Supplemental appropriations.

Please describe any financial costs or other impacts of *not* implementing the legislation.
The objectives supported by these resources could not be achieved without this legislation.

4. OTHER IMPLICATIONS

a. Please describe how this legislation may affect any departments besides the originating department.

Yes, this legislation impacts most departments' 2024 budgets.

b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.
No

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**
- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**
 - ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**
 - iii. What is the Language Access Plan for any communications to the public?**
See Summary Attachment A for any associated implications for question c.
- d. Climate Change Implications**
- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**
 - ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**
See Summary Attachment A for any associated implications for question d.
- e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**
See Summary Attachment A for any associated implications.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachments:

Summary Attachment A – 2024 Year-End Supplemental Ordinance Summary Detail Table

2024 Year-End Supplemental Ordinance Summary Detail Table

Item #	Title	Description	Amount/FTE
Section 1 – Appropriation Decreases – Operating Budgets			
1.1	Upward Bound Grant Abandonment (Department of Education and Early Learning)	This item decreases appropriation authority by \$145,000 in the Department of Education and Early Learning General Fund K-12 Programs Budget Control Level (00100-BO-EE-IL200) to correct year-end actions that resulted in an overstatement of DEEL's Upward Bound grant appropriation authority.	(\$145,879)
1.2	Adjust Debt Service Budget to Match Bond Issuance (Department of Finance and Administrative Services)	This item decreases appropriation authority by \$2,442,169 in Finance and Administrative Services, in the Finance and Administrative Services Leadership & Administration Budget Control Level (50300 - BO-FA-0006) and decreases appropriation authority by \$792,395 in Finance and Administrative Services, in the Payroll Expense Tax Citywide Admin Services Budget Control Level (14500 - BO-FA-0002). This item is necessary to update appropriation authority for debt service payments as the initial budget was based on estimated debt service payments.	(\$3,234,564)

Item #	Title	Description	Amount/FTE
1.3	Reduce Finance General High Barrier Reserve (Finance General)	This item decreases appropriation authority by \$400,000 in Finance General, in the General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00). In 2019, a previous convened the High Barrier Individuals Working Group in response to heightened community conversations around public safety and individuals repeatedly caught in a cycle of criminal justice, social services and community incidents. The group developed four new pilot programs to address these issues including the ‘West Wing’ proposal. The proposal appropriated \$2 million capital (REET unrestricted) and \$400K in on-going operating costs in 2020 in Finance General for a comprehensive place-based treatment center at the King County Jail. The project has been repeatedly delayed due to COVID and the current use of the West Wing space as a shelter run by DESC. The shelter was to move to SODO, but that large scale project was rejected by the CID. The King County Budget Office does not have any assumptions in the 2024 proposed budget related to this project. The City General Fund reserve is being reduced to redirect resources to other priorities in 2024. The \$2 million REET reserve was lapsed at the end of 2023 and returned to fund balance. This item has also been reduced on an ongoing basis in the 2025-26 Proposed Biennial Budget.	(\$400,000)

Item #	Title	Description	Amount/FTE
1.4	Reduce Reserve for Fleet Vendor Maintenance Costs (Finance General)	This item decreases appropriation authority by \$1,800,000 in Finance General, in the General Fund General Purpose Budget Summary Level (00100-BO-FG-2QD00). This reserve was included in the 2024 Adopted Budget for expected increases in billed maintenance costs for General Fund rate departments. FAS has determined that the full amount will not be needed in 2024 and is being reprioritized for other Finance General needs. This reserve has been reduced on an ongoing basis as part of the 2025-26 Proposed Biennial Budget.	(\$1,800,000)
1.5	Reduce Appropriation for General Fund Arena Reserve (Finance General)	This item decreases appropriation authority by \$885,000 in Finance General, in the General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00). This action aligns appropriations with expected payments for the Seattle Arena Company, LLC Agreement based on the August Revenue Forecast. In 2024, the General Fund is expected to pay less than originally anticipated. This funding will be redirected to other items within Finance General in 2024. These items are listed in the appropriation increase section of the Ordinance for transparency purposes.	(\$885,000)
1.6	Reduce Appropriation for Transit Reserve (Finance General)	This item decreases appropriation authority by \$462,677 in Finance General, in the General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00). This adjustment aligns 2024 appropriation for Transit metro passes paid for by the General Fund with the expected total costs. This funding will be redirected to other items within Finance General in 2024. These items are listed in the appropriation increase section of the Ordinance for transparency purposes.	(\$462,677)

Item #	Title	Description	Amount/FTE
1.7	CDBG Budget Reconciliation Decrease (Human Services Department)	This item adjusts the budget in the Human Services Department to align to planned allocation of the CDBG grant balances from prior years. It also corrects budget amounts to match the actual grant balance in the HUD IDIS system. HSD completed a reconciliation of all CDBG grants by comparing PS 9.2 records to actual funds drawn down in the HUD IDIS system. This led to additional amounts drawn down in the HUD system, which subsequently required adjustments to grant budgets in PS 9.2.	(\$373,888)
1.8	2024 HUD CDBG Grant Award Changes (Human Services Department)	This item decreases appropriation authority by \$2,065 in the Human Services Fund Addressing Homelessness Budget Summary Level (16200-BO-HS-H3000) and decreases by \$718 in the Human Services Fund Supporting Affordability & Livability Budget Summary Level (16200-BO-HS-H1000). This appropriation change adjusts grant budget amounts to reflect the 2024 Annual Action Plan and actual award amounts from HUD for CDBG grants. The grants were originally accepted in ordinance 126934.	(\$2,783)
1.9	Abandon Prior Year CDBG Balances (Office of Housing)	This item decreases appropriation authority by \$6,262 in the Office of Housing, in the Office of Housing Fund Leadership and Administration Budget Control Level (16600-BO-HU-1000). This item is necessary to abandon prior-year CDBG grant balances and align budget authority with the CDBG Annual Action Plan for 2024.	(\$6,262)

Item #	Title	Description	Amount/FTE
1.10	Abandon CDBG Grant Funding in OPCD (Office of Planning and Community Development)	This item decreases revenue-backed appropriation authority by \$860,000 in the Office of Planning and Community Development's General Fund Equitable Development Initiative BCL (00100-BO-PC-X2P40). This Community Development Block Grant (CDBG) funding of \$430,000 in 2023 and \$430,000 in 2024 was allocated to OPCD to support Equitable Development Initiative (EDI) projects as a part of the larger EDI budget; however, the CDBG dollars have strict eligibility requirements and OPCD does not have any projects that are eligible for this funding in its current portfolio or in its pipeline.	(\$860,000)
1.11	Transfer funding to support decarbonization projects in Office of Housing (Office of Sustainability and Environment)	This item transfers appropriation authority in the amount of \$400,000 from the Payroll Expense Tax Fund Office of Sustainability and Environment Budget Control Level (14500-BO-SE-X1000) to the Office of Housing Payroll Expense Tax Fund Homeownership & Sustainability Budget Control Level (14500-BO-HU-2000) to support multifamily affordable housing decarbonization retrofits or engineering plans. These funds are needed to bridge a funding gap for a federally funded project to decarbonize 3 multifamily affordable housing facilities within the city. Payroll Expense Tax funding was allocated to OSE to support low-income housing providers comply with Seattle Building Emissions Performance Standard targets and reduce greenhouse gas emissions.	(\$400,000)

Item #	Title	Description	Amount/FTE
1.12	Transfer grant funded appropriation to Office of Housing Clean Heat program (Office of Sustainability and Environment)	This item transfers appropriation authority in the amount of \$1,495,000 from Funding Source GCOMCH24 in the General Fund Office of Sustainability and Environment Budget Control Level (00100-BO-SE-X1000) to the Office of Housing Homeownership & Sustainability Budget Control Level (16400-BO-HU-2000) to support the Clean Heat No-Cost Conversion program. These funds are from the Department of Commerce HEAR grant to expand the existing clean heat program.	(\$1,495,000)
1.13	Transfer grant funded appropriation to Seattle City Light HVAC+ program (Office of Sustainability and Environment)	This item transfers appropriation authority in the amount of \$536,250 from Funding Source GCOMCH24 in the General Fund Office of Sustainability and Environment Budget Control Level (00100-BO-SE-X1000) to the Seattle City Light Fund Conservation & Environmental Budget Control Level (41000-BC-CL-W) to support the HVAC+ program. These funds are from the Department of Commerce HEAR grant to expand the existing program.	(\$536,250)

Item #	Title	Description	Amount/FTE
1.14	Transfer grant funded appropriation to Parks and Recreation (Office of Sustainability and Environment)	This item transfers appropriation authority in the amount of \$4,413,424 from Funding Source GIRAUF23 in the General Fund Office of Sustainability and Environment Budget Control Level (00100-BO-SE-X1000) to Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Control Level (10200-BC-PR-40000); \$1,765,369 will be transferred to support grant funded restoration work in the Green Seattle Partnership program and \$2,648,055 will be transferred to support additional grant funded work in the Youth Green Corps Program within the Urban Forestry Restoration Project (MC-PR-41022). These funds are from the US Forest Service IRA grant to plan and implement community driven tree planting and stewardship. Please see item 7.13.	(\$4,413,424)
1.15	SDOT Debt Service True Up (Seattle Department of Transportation)	This item decreases appropriation authority by \$210,954 in Seattle Department of Transportation in the Transportation Fund General Expense Budget Control Level (13000-BO-TR-18002). This request is necessary to align the budget with the debt service schedule and interest payments as bond issuances are now complete and actual interest payments due in 2024 are known.	(\$210,954)

Item #	Title	Description	Amount/FTE
1.16	Transfers to Urban Design CIP to Fund Wayfinding Expansion Project (Seattle Department of Transportation)	This item transfers appropriation authority in the amount of \$120,000 in the Seattle Department of Transportation, from the Transportation Fund ROW Management Budget Control Level (13000-BO-TR-17004) to the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), \$300,000 from the Transportation Fund Mobility Operations Budget Control Level (13000-BO-TR-17003) to the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), and \$180,000 from the Transportation Benefit District Fund Mobility Operations Budget Control Level (19900-BO-TR-17003) to the Transportation Benefit District Fund Mobility-Capital Budget Control Level (19900-BC-TR-19003). This budget transfer is needed to fund the Wayfinding Expansion project which supports the City's Downtown Activation Plan. The project has reached 100% design and the project will be advertised in Q3 2024. Please see item 8.4 for the corresponding capital budget portion of this transfer.	(\$600,000)
1.17	CDBG Abandonment Cleanup (Office of Economic Development)	This item decreases appropriation authority by \$681,178 in the Office of Economic Development, in the General Fund Business Services Budget Control Level (00100-BO-ED-X1D00). This item is necessary to abandon prior-year CDBG grant balances and align budget authority with the CDBG Annual Action Plan for 2024.	(\$681,178)

Item #	Title	Description	Amount/FTE
1.18	Reduce Appropriation for Enterprise Community Partners contract (Office of Housing)	This item decreases appropriation authority by \$2,000,000 in the Office of Housing in the Payroll Expense Tax Multifamily Housing Budget Control Level (14500-BO-HU-3000). This funding was appropriated for Enterprise Community partners to implement the Community Self Determination capacity and technical assistance grants program. The Mayor froze OH's ability to execute this contract so this appropriation is not needed in 2024.	(\$2,000,000)
1.19	Transfer appropriation to FAS for City Hall safety and security measures (Finance General)	This item decreases appropriation authority by \$490,000 in Finance General in the Finance and Administrative Services Fund General Purpose Budget Control Level (50300-BO-FG-2QD00). Item 2.41 adds this funding to Finance and Administrative Services for City Hall safety and security measures.	(\$490,000)
Section 2 – Appropriation Increases – Operating Budgets			
2.1	Post-Secondary FEPP Carryforward (Department of Education and Early Learning)	This item increases appropriation authority by \$331,000 in the FEPP Levy DEEL Budget Control Level (17871-BO-EE-IL300) to adjust budget amounts supporting Seattle Promise equity enhancements through DEEL's contract with Seattle Colleges.	\$331,080
2.2	K12 FEPP Budget Alignment (Department of Education and Early Learning)	This item increases appropriation authority by \$700,000 to Budget Control Level (17871-BO-EE-IL200) to align the K-12 2023-24 School Year budget with FEPP Implementation and Evaluation Plan guidance and historical spending trends.	\$700,000

Item #	Title	Description	Amount/FTE
2.3	Increase Funding for RV Remediation (Department of Finance and Administrative Services)	This item increases appropriation authority by \$80,000 in the Finance and Administrative Services (FAS) Public Services Budget Control Level (00100-BO-FA-0005). This request is necessary to pay for towing costs associated with impounding and disposal of RVs from City streets. Due to higher than anticipated costs in 2024, this appropriation is needed to maintain the current level of service.	\$80,000
2.4	Appropriating Judgment & Claims fund balance (Department of Finance and Administrative Services)	This item increases appropriation authority by \$10,000,000 in the Department of Finance and Administrative Services, in the Judgment and Claims Fund Claims Budget Control Level (BO-FA-CJ000), by \$7,000,000 in the Judgment and Claims Fund Litigation Budget Control Level (BO-FA-JR000), and by \$2,000,000 in the Judgment and Claims Fund Police Action Budget Control Level (BO-FA-JR020), totaling \$19,000,000, to cover settlement/judgment expenses exceeding previous forecasts for 2024. There is also an expectation that any unused appropriation will be carried forward to help cover the high costs that will continue into 2025. The appropriation is entirely backed by fund balance.	\$19,000,000

Item #	Title	Description	Amount/FTE
2.5	Appropriation Increase for Formerly CLFR-backed Projects – Accounting Services, Priority Hire, and Position Sunset Date Extension (Department of Finance and Administrative Services)	This item increases appropriation authority in the amount of \$644,785 in the Department of Finance and Administrative Services (FAS), \$393,017 in the FAS Fund Office of Finance Budget Control Level (50300-BO-FA-0003) and \$251,768 in the FAS Fund Public Services Budget Control Level (50300-BO-FA-0005). This one-time funding, supported by revenue from the General Fund, will be used to continue accounting and priority hire work previously funded by the Coronavirus Local Fiscal Recovery (CLFR) Fund. This funding should carryforward until spent or abandoned. This item also extends the sunset date for two full-time positions in FAS.	\$644,785
2.6	Additional Appropriation for Insurance Costs (Finance General)	This item increases appropriation authority by \$1,200,000 in Finance General, in the General Fund Appropriation to Special Fund Budget Control Level (00100-BO-FG-2QA00). The 2024 Adopted Budget reserve for Citywide insurance costs paid by Risk Management from the Finance General is not sufficient for increased premiums. The City Budget Office was notified 15 percent year over year increased premiums after the completion of the adopted budget process and has been holding a planning reserve in anticipation of current year bills. An ongoing increase to the insurance reserve in 2025 and 2026 has been included in the 2025-26 Proposed Biennial Budget.	\$1,200,000

Item #	Title	Description	Amount/FTE
2.7	Appropriate TNC Revenue Overcollection (Finance General)	This item increases appropriation authority by \$428,000 in Finance General, in the General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00). This funding is related to Transportation Network Company (TNC) revenue collections in excess of appropriated expenses in the General Fund. This revenue is restricted and may only be used for purposes describe by Ordinance 126926. This funding will be held in Finance General until such time it is needed for expenses in the Department of Finance and Administrative Services (FAS). It should carry forward administratively until transferred to FAS.	\$428,000
2.8	Adjust Arena Payment for August Forecast (Finance General)	This item increases appropriation authority by \$212,000 in Finance General, in the Transportation Fund General Purpose Budget Control Level (13000-BO-FG-2QD00). The 2024 Adopted Budget reserve for the Transportation Fund contribution to the Seattle Arena Company, LLC payment is not sufficient for payments made to date. This reserve is being increased to account for higher-than-expected payments in early 2024 and August Revenue Forecast updates.	\$212,000
2.9	Appropriation Increase for General Fund Revenue Replacement (Finance General)	This item increases appropriation authority by \$758,558 in Finance General, in the CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This increase is a result of a CIP abandonment for the Seattle Department of Transportation (SDOT) and the appropriation of fund balance in the CLFR Fund. See associated SDOT item 5.5. Funding in Finance General will be used to make a cash contribution to the General Fund for revenue replacement in 2024.	\$758,558

Item #	Title	Description	Amount/FTE
2.10	General Fund Contribution to Workers' Compensation Fund (Finance General)	This item increases appropriation authority by \$3,000,000 in Finance General, in the General Fund Appropriation to Special Funds Budget Control Level (00100-BO-FG-2QA00). This appropriation will be used for the General Fund cash contribution to the Industrial Insurance Fund for increased costs in 2024 that are above department budgeted amounts. See related item for the Seattle Department of Human Resources for additional information, Item 2.33.	\$3,000,000
2.11	Public Safety Streetlights (Finance General)	This item increases appropriation authority by \$500,000 in Finance General, in the General Fund Appropriation to Special Funds Budget Control Level (00100-BO-FG-2QA00). This reserve will pay Seattle City Light for increased streetlighting investments related to public safety needs. An ongoing reserve of \$1,000,000 has been added in the 2025-26 Proposed Biennial Budget. The 2024 reserve amount should carry forward administratively until spent.	\$500,000
2.12	General Fund Appropriation for Cash Transfers to Departments (Finance General)	This item increases appropriation authority by \$5,622,157 in Finance General, in the General Fund Appropriation to Special Funds Budget Control Level (00100-BO-FG-2QA00). This will be used for cash transfers to the Human Services Department, Department of Finance and Administrative Services, and Seattle Information Technology to continue projects previously funded by CLFR Fund. See related appropriation increase items for these departments that are backed by this transfer, 2.5, 2.14, and 2.29.	\$5,622,157

Item #	Title	Description	Amount/FTE
2.13	Appropriation Increase for Formerly CLFR-backed Projects - Homelessness Programs (Human Services Department)	<p>This item increases appropriation authority in Human Services Department in the General Fund Addressing Homelessness Budget Control Level (00100-BO-HS-H3000) by \$9,246,028. This budget provides funding for programs administered by the King County Regional Homelessness Authority:</p> <ul style="list-style-type: none"> - \$400,000 Tiny House Village - \$513,038 Diversion - \$1,276,673 Rapid Rehousing - \$7,056,317 Shelter <p>These programs provide temporary shelter to unhoused individuals and services that help to prevent homelessness. These projects were previously funded by the CLFR Fund.</p>	\$9,246,028
2.14	Appropriation Increase for Formerly CLFR-backed Projects - Childcare Facilities (Human Services Department)	<p>This item increases appropriation authority in Human Services Department in the Human Services Fund Supporting Affordability & Livability Budget Control Level (16200-BO-HS-H1000) by \$4,691,844. This budget provides one-time funding for childcare facility projects through 2026 that were previously supported by the CLFR Fund. This appropriation is backed by a one-time General Fund cash transfer to the Human Services Fund. See related item for Finance General 2.12. This budget requires automatic carryforward until abandoned or spent.</p>	\$4,691,844

Item #	Title	Description	Amount/FTE
2.15	Transfer OSE Payroll Tax Funds for Low-Income Housing Retrofits (Office of Housing)	This item transfers appropriation authority in the amount of \$400,000 from the Payroll Expense Tax Fund Office of Sustainability and Environment Budget Control Level (14500-BO-SE-X1000) to the Office of Housing Payroll Expense Tax Fund Homeownership & Sustainability Budget Control Level (14500-BO-HU-2000) to support multifamily affordable housing decarbonization retrofits or engineering plans. These funds are needed to bridge a funding gap for a federally funded project to decarbonize 3 multifamily affordable housing facilities within the city. Payroll Expense Tax funding was allocated to OSE to support low-income housing providers to comply with Seattle Building Emissions Performance Standard targets and reduce greenhouse gas emissions.	\$400,000
2.16	Authority for Increased Fort Lawton Security and Maintenance Costs (Office of Housing)	This item increases appropriation authority by \$51,000 in the Office of Housing, in the Office of Housing Fund Leadership & Administration Budget Control Level (16600-BO-HU-1000). This item is necessary to pay for increased security and maintenance expenses at the Fort Lawton property. FAS incurs the costs, which are then shared between the Office of Housing and Parks. This request is support by the pre-development program of the 2023 Housing Levy.	\$51,000

Item #	Title	Description	Amount/FTE
2.17	OIRA Victim Compensation Fund Adjustment (Office of Immigrant and Refugee Affairs)	<p>This item increases appropriation authority by \$150,000 in the Office of Immigrant and Refugee Affairs (OIRA) General Fund Budget Control Level (00100-BO-IA-X1N00) due to a technical error that resulted in OIRA's spending authority for this funding lapsing in 2024.</p> <p>This \$150,000 is intended to support the Victim Compensation Fund (VCF), established in response to the increase in hate crimes and targeted violence in immigrant communities, including those directly impacting Asian American and Pacific Islander (AAPI) communities.</p>	\$150,000
2.18	Comprehensive Plan Outreach (Office of Planning and Community Development)	<p>This item increases appropriation authority by \$50,000 in the Office of Planning and Community Development's Payroll Expense Tax Fund Planning and Community Development Budget Control Level (14500-BO-PC-X2P00). This item supports enhanced engagement for zoning implementation, including seven in-person events that target the newly proposed Neighborhood Centers in all council districts. Engagement activities will be responsive to growing public interest in the proposed zoning changes and will allow OPCD to ensure that engagement materials effectively communicate the proposed zoning changes to the public. This item is funded from the Payroll Expense Tax - Economic Revitalization category.</p>	\$50,000

Item #	Title	Description	Amount/FTE
2.19	Transfer funding for Indigenous Led Climate Initiatives (Office of Sustainability and Environment)	This item increases appropriation by \$3,687,438 in the Office of Sustainability and Environment (OSE) Payroll Expense Tax Sustainability and Environment Budget Control Level (14500-BO-SE-X1000). In addition to \$2.5 million in OSE per the 2024 Adopted Budget, these funds will support Indigenous Climate Sustainability projects with Tribal Nations, fulfilling commitments made by the City of Seattle under the 2023-24 Adopted Budget.	\$3,687,438
2.20	Appropriation Increase for Formerly CLFR-backed Projects – Food Pilot Project (Office of Sustainability and Environment)	This item increases appropriation authority by \$254,458 in the Office of Sustainability and Environment, in the General Fund Sustainability and Environment Budget Control Level (00100-BO-SE-X1000). This is one-time General Fund appropriation to continue projects previously funded by CLFR Fund. This funding is for a prescription food pilot with the Seattle Indian Health Board.	\$254,458
2.21	Taxes Due on Higher Retail Sales (Seattle City Light)	This request increases appropriation authority by \$15M in the Seattle City Light (41000-Light Fund) BO-CL-TAXES BSL. This increase is needed due to higher-than-expected taxes due at the City and State levels. This is a result of higher than forecast retail revenues and the RSA surcharge being on for the full year rather than six months.	\$15,000,000

Item #	Title	Description	Amount/FTE
2.22	Short-Term Purchased Power, Additional Purchase Authority (Seattle City Light)	This item increases appropriation authority by \$75M in the BO-CL-PWRSUPPLY BSL. Due to a variety of factors including dry conditions, larger than expected load particularly during extreme weather conditions and high market prices for energy, City Light will spend more on short-term power purchases than originally anticipated. The final expenditure is not known and will depend on hydro conditions, energy prices and retail demand for the remainder of the year. This increase is significant (\$75M increase to a base of \$45M) but is meant to be a conservative estimate that provides adequate appropriation authority for a worst-case scenario.	\$75,000,000
2.23	Worker's Compensation (Seattle Fire Department)	This item increases appropriation authority by \$555,391 in the General Fund Budget Control Level (00100-BO-FD-F3000) and \$100,000 in the General Fund Budget Control Level (00100-BO-FD-F5000) for a grand total of \$655,391 to pay for higher increases in workers' compensation claims than were projected in the 2024 Adopted Budget. Greater than anticipated increases in workers' compensation claims were primarily due to larger per patient claims. The Department is working with the City's worker's compensation unit to improve its assessment capabilities associated with the WC Claims.	\$655,391

Item #	Title	Description	Amount/FTE
2.24	Termination Pay (Seattle Fire Department)	This item increases appropriation authority by \$1,664,420 in the General Fund Budget Control Level (00100-BO-FD-F3000) to pay for increases in termination pay cashouts that were higher than projected in the 2024 Adopted Budget. Greater than anticipated termination pay cashouts were primarily due to more retirements than forecasted and higher cashout amounts per retiree. The leave cashout liability increased as retroactive pay adjustment increased the hourly rate of all uniformed members x hours accrued therefore increasing the current cashout amount per retiree.	\$1,664,420
2.25	PSERN Operator Service (Seattle Information Technology Department)	This item increases appropriation authority by \$683,256 in the IT Operating Fund in the Technology and Infrastructure BSL (50410-BO-IT-D0300). The budget is necessary for ITD to pay the PSERN Operator. Payments have been delayed due to a delayed go-live date for the network. The revenues to support this work have already been collected via 1/12th allocation.	\$683,256
2.26	Cyber Security Insurance (Seattle Information Technology Department)	This item increases appropriation authority by \$200,000 in the IT Operating Fund in the Digital Security & Risk BSL (50410-BO-IT-D0500). This request of \$200,000 will cover anticipated cost escalation from the city's Cybersecurity Liability policy. Actuals in 2023 was close to \$1.0M, and anticipated expenditures in 2024 are expected to be over \$1M. This item adds appropriation authority only. Funding is from 2023 underspend.	\$200,000

Item #	Title	Description	Amount/FTE
2.27	Windows 11 (Seattle Information Technology Department)	This item increases appropriation authority by \$600,000 in the IT Operating Fund in the Applications BSL (50410-BO-IT-D0600). This request is necessary to provide the Applications BSL with expenditure authority for labor resources, equipment, and extended support licenses for the Windows 11 upgrade efforts. This item adds appropriation authority only. Funding is from 2023 underspend.	\$600,000
2.28	Appropriation Increase for Formerly CLFR-backed Projects – Affordable Seattle and PC Replacement (Seattle Information Technology Department)	This item adds appropriation authority in the amount of \$285,528 to the Seattle Information Technology Department, in the Applications BSL (50410-BO-IT-D0600). This appropriation will be used to continue work related to Affordable Seattle and PC replacement projects previously funded by the CLFR Fund. Revenues will come from the General Fund. See associated Finance General Item 2.12.	\$285,528
2.29	Overtime Appropriation (Seattle Police Department)	This item increases appropriation authority by \$12.8M in the Seattle Police Department in various Budget Control Levels. This request is necessary to fund overtime and associated benefit costs for special events and augmentation for minimum staffing above adopted budget levels. Sworn salary savings are insufficient to support this overage, and if additional appropriation is not approved, the department will overspend its budget at year-end.	\$12,800,000
2.30	2024 Paid Parental Leave Backfill (Seattle Public Library)	This item increases appropriation authority by \$37,000 in The Seattle Public Library BCL (10410-BO-SPL). This request is necessary as there are backfill costs incurred by the Library related to the Paid Parental Leave and Paid Family Care Leave legislation. These resources will go to support labor backfill costs incurred for necessary and operationally critical support. This item is supported by revenue from the General Fund.	\$37,000

Item #	Title	Description	Amount/FTE
2.31	Appropriation Increase for Formerly CLFR-backed Projects – Maritime Academy (Office of Economic Development)	This item increases appropriation authority by \$556,416 in the Office of Economic Development, in the General Fund Business Services Budget Control Level (00100-BO-ED-X1D00). This item provides one-time General Fund appropriation to continue implementation of the Seattle Maritime Academy project after July 31, 2024, previously funded with CLFR appropriations. This General Fund appropriation should carryforward until spent or abandoned.	\$556,416
2.32	Appropriation Increase for the Industrial Insurance Fund (Seattle Department of Human Resources)	This item provides appropriation increase of \$6.7 million in the Industrial Insurance Services BSL (BO-HR-INDINS) of the Industrial Insurance Fund (10110) for the Seattle Department of Human Resources to pay unanticipated costs due principally to high volumes of pension payouts from the fund, as well as for overages for standard medical and time-loss claims. Both settlement payments and retro payments to claimants related to AWI increases are expected to be larger than anticipated. This item also adds appropriations to address inadvertent underbudgeting in 2024 due to incomplete accounting actions related to year-end accruals. Per normal practice, departments will reimburse the fund for some portion of these excess claims. To cover the remainder, this item transfers \$3 million in GF reserves, established for this eventuality, to the Industrial Insurance Fund.	\$6,701,000

Item #	Title	Description	Amount/FTE
2.33	Increase Claims Appropriations (Seattle Department of Human Resources)	This item increases appropriation authority \$900,000 in the Unemployment Services BSL (BO-HR-UNEMP) of the Unemployment Insurance Fund (Fund 10111) to allow SDHR Finance to make the appropriate entries to clear a previously booked liability dating back to the 2018 transition from the SUMMIT accounting system to PeopleSoft 9.2. This action will have the effect of reducing fund balance in the fund.	\$900,000
2.34	Year-end Adjustment for Increased Premium Expenses (Seattle Department of Human Resources)	This item increases appropriation authority \$190,000 in the GTL/LTD/ADD Insurance Services BSL (BO-HR-GTL) in the Group Term Life Fund (10113) for group term life insurance premium costs that are now projected to increase more than was captured in the 2024 Adopted Budget. This increase will be covered by existing fund balance.	\$190,000
2.35	Appropriation Increase for Formerly CLFR-backed Projects – Administration and Evaluation (City Budget Office)	This item increases appropriation authority by \$767,938 in the City Budget Office, in the General Fund City Budget Office Budget Control Level (00100-BO-CB-CZ000). This item provides one-time General Fund appropriation to continue implementation of the close out of the administration and evaluation projects after July 31, 2024, previously funded with CLFR appropriations. This General Fund appropriation should carryforward until spent or abandoned.	\$767,938

Item #	Title	Description	Amount/FTE
2.36	Solid Waste Taxes (Seattle Public Utilities)	This item increases one-time appropriation authority by \$3,000,000 in the Solid Waste Fund for the General Expense Budget Control Level (45010-BO-SU-N000B). The increase of \$3,000,000 in the Solid Waste Utilities Taxes Program is necessary to comply with tax law regarding the taxation of revenues. As a provider of solid waste services, SPU is required to pay tax on revenues to both the State of Washington and City of Seattle. The increase is due to increased projected solid waste revenue resulting from an increase in residential demand and transfer station usage.	\$3,000,000
2.37	Labor Budget Alignment (Ethics and Elections Commission)	This item increases appropriation authority by \$70,000 in the Seattle Ethics and Elections Commission, in the General Fund Ethics and Elections Budget Control Level (BO-ET-V1T00). Due to several reclassifications and pay rate adjustments in recent years, combined with budget target reductions in 2021, the department overspent their budget in 2022 and 2023 and is currently projected to overspend their 2024 labor budget. This increase provides appropriation authority to fully fund salary and benefit costs and aligns the labor budget with actual costs.	\$70,000

Item #	Title	Description	Amount/FTE
2.38	Year-end Adjustments for AWI, Retro and Medical (Firefighter's Pension)	This item increases appropriations \$5.236 million in the Firefighters' Pension BSL (BO-FP-R2F01) in the Fireman's Pension Fund (61040) to provide for pension and medical cost increases. These increases are covered by existing fund balances. Adjustments to both medical and pension costs 1) right-size appropriations in these accounts; and 2) capture unanticipated and anticipated, but undetermined increased costs due to rising medical and long-term care costs for the aging population of covered firefighters and the one-time retro and ongoing pension benefit effects of the firefighter's and fire chief's bargaining agreements.	\$5,236,000
2.39	Data Form System Change (Office of Economic and Revenue Forecasts)	This item increases appropriation authority \$43,200 in the Office of Economic and Revenue Forecasts Budget Summary Level (BO-ER-10000) to pay for costs of a systems modification to automate data capture for forecasting the Payroll Expense Tax -- a process that is currently occurring manually.	\$43,200
2.40	Alley Flushing Additional Support (Seattle Department of Transportation)	This item increases appropriation authority by \$52,000 in the Seattle Department of Transportation, in the General Fund Maintenance Operations Budget Control Level (00100-BO-TR-17005). This request is necessary to support inspection and cleaning costs to expand one-time alley flushing services in the downtown core.	\$52,000
2.41	Transfer from FG for City Hall safety and security measures (Department of Finance and Administrative Services)	This item increases appropriation authority by \$490,000 in the Department of Finance and Administrative Services, Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This funding will be used for City Hall safety and security measures, and the associated transfer from FG is shown in item 1.19.	\$490,000

Item #	Title	Description	Amount/FTE
Section 3 – Appropriation Increases – Operating Budgets – Backed by Revenues			
3.1	Washington Student Achievement Council Grant 2024 (Department of Education and Early Learning)	This item increases appropriation authority by \$533,746 to Budget Control Level 00100-BO-EE-IL200 to reflect an amendment to DEEL's grant from the Washington Student Achievement Council. The goal of the City of Seattle Postsecondary Success Network project is to expand adult capacity to provide culturally relevant college and career readiness guidance and mentorship to high school juniors and seniors that propels students into postsecondary opportunities and ignites career exploration, and to extend those mentoring relationships through the first two years of students' postsecondary education. Ordinance # 126875 (Q2 2023) authorized a budget of \$1,250,000 for this grant. When combined with the 2024 Q3 supplemental, the new total will be \$1,783,746.	\$533,746
3.2	Early Childhood Education and Assistance Program (ECEAP) Grant Award Increase (Department of Education and Early Learning)	This item increases grant-backed appropriation authority in the Early Learning BCL (00100-BO-EE-IL100) by \$143,267 to reflect the change in grant award for the 2024-25 School Year. This is a revenue-backed change. Ordinance #126934 authorized a budget of \$2,981,425 for the 2024-25 SY. When combined with the Q3 supplemental, the new total for the 2024-25 School Year will be \$3,124,692.	\$143,267

Item #	Title	Description	Amount/FTE
3.3	External Tenant Improvements (Department of Finance and Administrative Services)	This item increases revenue-backed appropriation authority by \$1,180,000 in the Department of Finance & Administrative Services, in the Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to pay for tenant improvements at FAS' property leased to the Washington State Patrol (WSP). FAS reached a renewed lease agreement with WSP late in 2023 and tenant improvements to the building were a part of the lease terms. The increased rent rate will cover the entire cost of the tenant improvements.	\$1,180,000
3.4	Airport Way Flooding Repair (Department of Finance and Administrative Services)	This item increases appropriation authority by \$1,070,000 in the Department of Finance & Administrative Services, in the Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to pay for flooding damages at FAS' Airport Way property. An emergency flooding incident late in 2023 resulted in extensive damage to the building, which FAS is currently in the process of repairing. The total project cost is estimated at \$1,070,000 with insurance expected to pay out \$625,000. The remaining \$445,000 will be absorbed by the FAS operating fund.	\$1,070,000

Item #	Title	Description	Amount/FTE
3.5	Fort Lawton Security & Maintenance (Department of Finance and Administrative Services)	This item increases appropriation authority by \$586,000 in the Department of Finance & Administrative Services, in the Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to pay for increased security and maintenance expenses at the Fort Lawton property. Security and maintenance needs have increased drastically. Regular break-ins necessitate two 24-hour security guards, which run upwards of \$600,000 per year. Additionally, maintenance of the property has exceeded initial estimates. FAS anticipates \$1,014,000 of expenditures in 2024, all of which is revenue-backed.	\$586,000
3.6	External Vendor Vehicle Maintenance (Department of Finance and Administrative Services)	This item increases appropriation authority by \$3,000,000 in the Department of Finance & Administrative Services, in the Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to pay for increased maintenance of City vehicles at external vendors. The use of vendors has been higher for several years while FAS has struggled to fill open vacancies. This item is revenue backed with customer departments paying the increased costs.	\$3,000,000

Item #	Title	Description	Amount/FTE
3.7	Vehicle Parts (Department of Finance and Administrative Services)	This item increases appropriation authority by \$2,200,000 in the Department of Finance & Administrative Services, in the Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to pay for auto parts, which have become substantially more expensive due to inflation. Despite efforts to procure less expensive parts to reduce costs, inflation continues to push costs above the available budget. This item is revenue-backed with customer departments paying the increased cost for parts.	\$2,200,000
3.8	DON/SPR Equity & Engagement IDA (Department of Neighborhoods)	This item increases revenue-backed appropriation authority by \$79,040 in the Department of Neighborhoods in the General Fund Community Building BCL (00100-DN-I3300). This item is necessary to adjust appropriation authority and is backed by a signed Interdepartmental Agreement between the Department of Neighborhoods (DON) and Seattle Parks and Recreation (SPR). The Interdepartmental Agreement represents a strategic partnership between the two departments to enhance SPR's community engagement effectiveness by engaging the services of DON's Equity and Engagement Advisors, and SPR agrees to compensate DON's services.	\$79,040

Item #	Title	Description	Amount/FTE
3.9	WSDA Grant Increase (Human Services Department)	This item increases grant-backed appropriation authority in Human Services Department in the Human Services Fund by \$15,000 in the Supporting Affordability & Livability Budget Control Level (16200-BO-HS-H1000). This appropriation is for increased funding for a grant from Washington State OSPI for nutrition food for preschool programs. The grant was originally accepted in ordinance 126875. This item shall carryforward until abandoned or spent.	\$15,000
3.10	Older Adult Grant Revenue Increase (Human Services Department)	This item increases grant-backed appropriation authority by \$9,623,755 in Human Services Department, in the Human Services Fund Promoting Healthy Aging Control Level (16200-BO-HS-H6000) and \$819,574 in the Human Services Fund Leadership & Administration Control Level (16200-BO-HS-H5000) and \$12,336 in the Human Services Fund Supporting Affordability and Livability Control Level (16200-BO-HS-H1000). This appropriation is for increased grant awards for case management, nutrition, and supportive services for older adults. The grants were originally accepted in ordinance 126934. This item shall carryforward until abandoned or spent.	\$10,455,666
3.11	2024 HUD Grant Award Changes - ESG and HOPWA (Human Services Department)	This item increases appropriation authority by \$114,860 in the Human Services Fund Addressing Homelessness Budget Summary Level (16200-PO-HS-H3000). This appropriation change adjusts grant budget amounts to reflect the 2024 Annual Action Plan and actual award amounts from HUD for ESG and HOPWA grants. The grants were originally accepted in Ordinance 126934. This item shall carryforward until abandoned or spent.	\$114,861

Item #	Title	Description	Amount/FTE
3.12	Opioid Fund Appropriation Increase (Human Services Department)	This item increases appropriation authority by \$269,250 in Human Services Department, in the Opioid Settlement Promoting Public Health Budget Control Level (14510-BO-HS-H7000). This item provides spending authority for revenue received by the City in 2024 from an opioid settlement payout from a pharmacy. The budget will fund the Valley Cities Pilot Project.	\$269,250
3.13	CDBG Budget Reconciliation_Increase (Human Services Department)	This item adjusts the budget in the Human Services Department to align to planned allocation of the CDBG grant balances from prior years. It also corrects budget amounts to match the actual grant balance in the HUD IDIS system. HSD completed a reconciliation of all CDBG grants by comparing PS 9.2 records to actual funds drawn down in the HUD IDIS system. This led to additional amounts drawn down in the HUD system, which subsequently required adjustments to grant budgets in PS 9.2.	\$227,257

Item #	Title	Description	Amount/FTE
3.14	Transfer HEAR Grant Funding from OSE (Office of Housing)	This item transfers grant-backed appropriation authority in the amount of \$1,495,000 from the Office of Sustainability and Environment in the General Fund Office of Sustainability and Environment Budget Control Level (00100-BO-SE-X1000) to the Office of Housing in the Low Income Housing Fund Homeownership & Sustainability Budget Control Level (16400-BO-HU-2000) to support the Clean Heat No-Cost Conversion program. This grant funding, previously accepted in the mid-year supplemental, is from the Washington State Department of Commerce Home Electrification and Appliance Rebates (HEAR) Program, which provides funding to establish or expand incentive programs for the installation of high efficiency electric equipment such as heat pumps. This funding will expand incentive programs at the city. The period of performance is through June 2025. There are no matching requirements.	\$1,495,000

Item #	Title	Description	Amount/FTE
3.15	OIRA New Citizen Program Grant Award Adjustments (Office of Immigrant and Refugee Affairs)	<p>This item increases revenue-backed appropriation authority by \$6,397 for the Office of Immigrant and Refugee Affairs (OIRA) to reflect the General Fund OIRA Budget Control Level (00100-BO-IA-X1N00) due to an increase in the amounts awarded by the Washington Department of Social and Health Services (DSHS) and Seattle Housing Authority (SHA) for the New Citizen Program.</p> <p>Ordinance 126931 accepted and appropriated the initial amount. The SHA grant (GSHA24) was accepted and appropriated at \$51,652, and will be increased by \$1,997 for a total of \$53,649. The DSHA grant (GDSHS2425) was accepted and appropriated at \$865,600, and will be increased by \$4,400, for a total of \$870,000.</p> <p>The New Citizen Program (NCP) partners with 10 community-based organizations located through Seattle and King County to help low-income immigrants and refugees become US citizens. Grant funding from DSHS supports the participation of state benefits recipients in the NCP. Grant funding from SHA supports the participation of SHA residents in the NCP.</p>	\$6,397
3.16	Admissions Tax Revenue & Expense (Seattle Center)	<p>This item increases appropriation authority by \$763,952 in Seattle Center, in the Campus Fund Campus Budget Control Level (11410-B0-SC-6000) due to receipt of Admissions Tax revenue from the Office of Arts and Culture. This item was included in the Office of Arts and Culture 2024 Adopted Budget, but due to a technical oversight no expenditure authority was added to Seattle Center.</p>	\$763,953

Item #	Title	Description	Amount/FTE
3.17	Engineering Services Utility Reimbursable (Seattle Department of Transportation)	This item increases appropriation authority by \$134,225 in the Seattle Department of Transportation, in the Transportation Fund Bridges & Structures Budget Control Level (13000-BO-TR-17001). This item adds Seattle City Light-reimbursable appropriation authority in the amount of \$134,225 to the Reimbursable Capital Design/Review (MO-TR-R060) master project. This item is needed in 2024 to fund the design review work for the Ross Intake Dam projects.	\$134,225
3.18	Reimbursement Urban Search and Rescue Deployment (Seattle Fire Department)	This item increases appropriation authority by \$25,000 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). The funding from the Federal Emergency Management Agency (FEMA) of the Department of Homeland Security through the Pierce County Office of Emergency Management will reimburse for OT/BF and travel costs incurred by the SFD deployment of qualified members who serve on the regional Urban Search and Rescue Team who were deployed to emergency and disaster sites as needed in 2024. The period of performance for these deployments is from August through December 2024. No positions will be created, and no match is required.	\$25,000

Item #	Title	Description	Amount/FTE
3.19	Reimbursement Wildland Fires (Seattle Fire Department)	This item increases appropriation authority by \$300,000 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). The funding from the State of Washington Department of Natural Resources, State Fire Marshall's Office and the Emergency Management Division with the State Military Department will reimburse overtime/backfill and travel costs incurred by the Fire Department for deployment of qualified firefighters to approximately 15-30 separate wildfires in the State of Washington, Oregon, and California between July and December, 2024. There will be no positions created or match required.	\$300,000
3.20	BIOWATCH 2022-2025 Continuation Grant (Seattle Fire Department)	This item increases grant-backed appropriation authority by \$1,960,003 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). This is the current year's allocation of a 10-year grant from the Department of Homeland Security's BioWatch Program. This includes air-quality testing and monitoring for 19 collector sites. This project is strengthening the area's response network with respect to biological terrorism. This extended the reporting period of performance through 5/31/25. This funding will increase an FTE by 0.125 for grant management. There is no match required. There are no ongoing cost impacts by accepting this grant. The original award was accepted under Ordinance 124899.	\$1,960,003

Item #	Title	Description	Amount/FTE
3.21	Reimbursement Urban Search and Rescue Emergency Task Force Training (Seattle Fire Department)	This item increases funding-backed appropriation authority by \$52,000 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). This funding, provided by the Federal Emergency Management Agency (FEMA) through Pierce County Office of Emergency Management provide funding for SFD members on the regional Urban Search and Rescue (USAR) Team to attend approximately 25 reimbursable mandatory emergency response trainings. There are no positions or local match requirement associated with these reimbursements. There are no ongoing cost impacts by accepting this reimbursement funding.	\$52,000
3.22	Crisis Intervention Team Training Reimbursement (Seattle Fire Department)	This item increases funding appropriation authority by \$22,192 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). This funding from the Washington State Criminal Justice Training Commission will support the training of Fire/EMS in FY 2024 to minimum safety requirements. There are no new positions associated with this project and no match required. There are no ongoing cost impacts by accepting this funding.	\$22,192
3.23	Reimbursement Basic Firefighter Training FY2024 (Seattle Fire Department)	This item increases funding-backed appropriation authority by \$67,500 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). This grant from the Washington State Patrol-Office of the Fire Marshall will support the training of firefighters in Recruit Class #120 & 121 in FY 2024 to minimum safety requirements. There are no new positions associated with this project and no match required. There are no ongoing cost impacts by accepting this funding.	\$67,500

Item #	Title	Description	Amount/FTE
3.24	Cloud - Direct Bill (Seattle Information Technology Department)	This item increases appropriation authority by \$550,000 in Seattle IT in the Technology Infrastructure BCL (50410-BO-IT-D0300). This request is necessary to cover direct billing through the end of 2024 for monthly cloud services consumed by SPD.	\$550,000
3.25	Citywide Radio Ops-Direct Bill (Seattle Information Technology Department)	This item increases appropriation authority by \$400,000 in the IT Operating Fund in the Technology and Infrastructure BCL (50410-BO-IT-D0300). This request is to allow expenditure authority for ITD to purchase radios required by Community Assisted Response and Engagement (CARE) for \$300K to equip their alternate responder teams and \$100K for staff support to SDOT and SPU.	\$400,000
3.26	Net New PC Replacement (Seattle Information Technology Department)	This item increases appropriation authority by \$2,151,939 in the IT Operating Fund in the Frontline Services & Workplace BCL (50410-BO-IT-D0400). This request is necessary to provide the Frontline Services & Workplace BSL with expenditure authority for new computers purchased in 2024 on behalf of City Departments outside of Seattle IT's five-year device replacement cycle. This item adds appropriation authority only. Revenue is collected from the individual departments as costs are incurred throughout the year.	\$2,151,939
3.27	SMT Network Cabling Projects (Seattle Information Technology Department)	This item increases appropriation authority by \$650,000 in Seattle IT in the Technology Infrastructure BCL (50410-BO-IT-D0300). This request is necessary to fund ITD staff and materials needed to support cabling projects on SMT floors 30, 34, 35 and 33 as a result of floor layout changes. Revenues for these costs are billed to City Departments.	\$650,000

Item #	Title	Description	Amount/FTE
3.28	SPD Non-Emergency Portal and SFD Fire & Safety Training (Seattle Information Technology Department)	This item increases appropriation authority by \$100,500 in Seattle IT in the Application BSL (50410-BO-IT-D0600). Of the total requested, \$80,500 is needed to cover Accenture and IT support to resolve integration issue between Web Incident Reporting and Mark43 for Non-Emergency Portal. The remaining \$20,000 is for additional time needed for testing the CheckIT software for Fire & Safety Training.	\$100,500
3.29	Telecom Direct Bill (Seattle Information Technology Department)	This item increases appropriation authority by \$1,891,637 in the IT Operating Fund in the Frontline Services & Workplace BSL (50410-BO-IT-D0400) to cover cellular costs in 2024. This item adds appropriation authority only. The costs associated with this request are billed out to City departments. Revenue is collected from individual departments as costs are incurred throughout the year.	\$1,891,637
3.30	Online Business Directory (Seattle Information Technology Department)	This item increases appropriation by \$150,000 in Seattle IT in the Application BSL (50410-BO-IT-D0600). This additional funding is needed to cover the new functionality - eprocurement into the new system solution for Online Business Directory. This change requested has been approved by FAS.	\$150,000
3.31	Add Golf Operating Appropriation (Seattle Parks and Recreation)	This item increases appropriation authority by \$1,200,000 to Seattle Parks and Recreation in the Park and Recreation Fund to the Golf Programs Budget Control Level (10200-BO-PR-60000). This request is necessary to support the Citywide Golf Programs Project (MO-PR-61001). The appropriation is supported by golf revenues, which were higher than projected in 2024.	\$1,200,000

Item #	Title	Description	Amount/FTE
3.32	ATF Puget Sound Regional Gun Task Force (Seattle Police Department)	This item increases appropriation authority by \$9,085 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the U.S. Department of Justice. This funding reimburses SPD for costs of detective overtime spent in connection with the Puget Sound Regional Gun Task Force. The Regional Gun Task Force is focused on increasing the ability of law enforcement to trace shell casings and firearms used in crimes and thus identify shooters and take them off the streets. There are no matching requirements or capital improvement projects associated with this item.	\$9,085
3.33	Registered Sex Offender and Kidnapping Offender Address Verification Program (Seattle Police Department)	This item increases appropriation authority by \$181,477 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the King County Sheriff's Office under the Registered Sex Offender and Kidnapping Offender Address Verification Program. This funding will be used to verify the address and residency of all registered sex and kidnapping offenders under RCW 9A.44.130; investigate failure to register cases and score unrated offenders; improve public safety by establishing a greater presence and emphasis in Seattle neighborhoods; and increase immediate and direct contact with registered sex and kidnapping offenders in their jurisdiction. The contract term runs from July 1, 2024 to June 30, 2025.	\$181,477

Item #	Title	Description	Amount/FTE
3.34	Drug Enforcement Administration Task Force (Seattle Police Department)	This item increases appropriation authority by \$13,730 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the U.S. Department of Justice. This funding reimburses SPD for costs of detective overtime associated with the investigation of drug cases. The purpose of this work is to disrupt and interdict the flow of illegal drugs into the City. There are no matching requirements or capital improvement projects associated with this item.	\$13,730
3.35	Organized Crime Drug Enforcement Task Forces (Seattle Police Department)	This item increases appropriation authority by \$164,313 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the Drug Enforcement Agency. This funding reimburses SPD for costs spent in connection with Organized Crime Drug Enforcement Task Force. This task force works to mount a comprehensive attack and reduce the supply of illegal drugs in the United States and diminish the violence and other criminal activity associated with the drug trade. There are no matching requirements or capital improvement projects associated with this item.	\$164,313
3.36	Pacific Northwest Fugitive Apprehension Task Force (Seattle Police Department)	This item increases appropriation authority by \$19,727 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the U.S. Department of Justice. This funding reimburses SPD for costs of overtime associated with apprehending violent fugitives. There are no matching requirements or capital improvement projects associated with this item.	\$19,727

Item #	Title	Description	Amount/FTE
3.37	Puget Sound Joint Terrorism Task Force (Seattle Police Department)	This item increases appropriation authority by \$6,497 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the Federal Bureau of Investigation (FBI). This funding reimburses SPD for overtime associated with working with the FBI on international and domestic terrorism investigations. There are no matching requirements or capital improvement projects associated with this item.	\$6,497
3.38	Safe Streets Task Force (Seattle Police Department)	This item increases appropriation authority by \$59,118 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the Federal Bureau of Investigation (FBI). This funding reimburses SPD for overtime spent while working with the FBI to identify, disrupt, and dismantle existing and emerging violent criminal enterprises and gangs in King County, as well as other individuals and groups whose criminal activity negatively impacts the Puget Sound area. There are no matching requirements or capital improvement projects associated with this item.	\$59,118
3.39	Seattle Sound Regional Violent Crime Task Force (Seattle Police Department)	This item increases appropriation authority by \$23,501 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the Federal Bureau of Investigation (FBI). This funding reimburses SPD for costs spent in connection with the Seattle Sound Regional Violent Crimes Task Force. There are no matching requirements or capital improvement projects associated with this item.	\$23,501

Item #	Title	Description	Amount/FTE
3.40	Homeland Security Investigations Task Force (Seattle Police Department)	This item increases appropriation authority by \$96,156 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) from the Federal Bureau of Investigation (FBI). This funding reimburses SPD for costs spent in connection with the Homeland Security Investigations Task Force. There are no matching requirements or capital improvement projects associated with this item.	\$96,156
3.41	FY23 Target Zero Grant Increase (Seattle Police Department)	This item increases appropriation authority by \$40,000 in the Seattle Police Department in the Special Operations BSL (BO-SP-P3400) to amend a previous appropriation for the FY23 Target Zero Grant from the Washington Traffic Safety Commission. This grant provides funding for overtime related to supplemental traffic enforcement with special emphasis on impaired and distracted driving, seat belt, and motorcycle safety. Grant funds were originally accepted and appropriated in the 2024 Annual Grant Acceptance Ordinance (Ordinance 126934, item #1.69) in the amount of \$30,000 based on the anticipated award. An appropriation increase of \$10,000 was requested in the 2024 Mid-Year Supplemental (CB 1201812, item #3.16) based on the actual award amount of \$40,000. As the department has subsequently received additional funds from the grantor increasing the total award to \$80,000, this item increases the grant appropriation by \$40,000. The term of this grant runs from October 1, 2023 to September 30, 2024. There are no matching requirements or capital improvement projects associated with this item.	\$40,000

Item #	Title	Description	Amount/FTE
3.42	FY23 High Intensity Drug Trafficking Area (NW HIDTA) Grant Increase (Seattle Police Department)	This item increases appropriation authority by \$20,000 in the Seattle Police Department in the Criminal Investigations BSL (BO-SP-P7000) to amend a previous appropriation for the FY23 High Intensity Drug Trafficking Area Grant from the Office of National Drug Control Policy. This grant provides funding to 1) Disrupt the market for illegal drugs by dismantling and disrupting drug trafficking and/or money laundering organizations; and 2) Improve the efficiency and effectiveness of HIDTA initiatives in the Seattle Region. Grant funds were originally accepted and appropriated in the 2024 Annual Grant Acceptance Ordinance (Ordinance 126934, item #1.60) in the amount of \$30,600. As the department received additional funds from the grantor, this item increases the grant appropriation by \$20,000. The term of this grant runs from January 1, 2023 to December 31, 2024. There are no matching requirements or capital improvement projects associated with this item.	\$20,000
3.43	Vehicle Accident Revenue (Seattle Police Department)	This item increases appropriation authority by \$26,458 in the Seattle Police Department in the Patrol Operations BSL (BO-SP-P1800) from reimbursements issued by insurance companies. In 2024, SPD received reimbursements for a vehicle accident claim resulting in total loss.	\$26,458

Item #	Title	Description	Amount/FTE
3.44	Increase Casey Family Grant Authority (Office of the Mayor)	This item increases grant-backed appropriation authority in the Office of the Mayor, in the General Fund Office of the Mayor Budget Control Level (00100-BO-MA-X1A00). This item is necessary to appropriate an supplemental award of funding associated with the Casey Family Foundation grant accepted as part of the 2024 Grants Acceptance Ordinance (Ord. 126934). This grant supports 3.0 temporary FTE for research, planning, and implementation of programming related to public safety. This grant does not require a local match and will not result in ongoing costs after the period of performance.	\$55,000
Section 4 – Appropriation Transfers – Operating Budgets			
4.1	Transfer Crisis Response Team Budget (Human Services Department)	This item transfers \$411,000 from the General Fund Supporting Safe Communities Budget Control Level (00100-PO-HS-H4000) to the Seattle Police Department. This budget for the Crisis Response Team program is moved to SPD for their implementation. This change is continued in the 2025 proposed budget.	\$0
4.2	Rosie's Village Relocation Transfer (Finance General)	This item transfers \$816,000 from Finance General, General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00) to the Human Services Department, General Fund Addressing Homelessness Budget Control Level (00100-BO-HS-H3000). This budget was placed in Finance General in the 2024 adopted budget as a reserve to provide funding to relocate the Rosie's Village site. LIHI has secured a new site for this village and budget is required in 2024 to support the move.	\$0

Item #	Title	Description	Amount/FTE
4.3	Budget Transfer Correction (Department of Finance and Administrative Services)	This item transfers appropriation authority in the amount of \$41,253 from Finance and Administrative Services, in the Finance and Administrative Services Fund Citywide Admin Services Budget Control Level (50300-BO-FA-0002) to Finance and Administrative Services Fund Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to correctly align adjustments to retirement appropriation by BSL.	\$0
4.4	Trial Court Improvement Account (TCIA) Transfer - Removal of Covid-era Barriers and Shields (Finance General)	This item transfers appropriation authority in the amount of \$40,000 from Finance General, General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00) to the Seattle Municipal Court, General Fund Administration Budget Control Level (00100-BO-MC-3000). This item funds the project to remove Covid-era barriers and shields throughout the courtrooms. The TCIA revenues received from the Washington State Administrative Office of the Courts are in response to the City meeting guidelines on judicial salaries.	\$0
4.5	Trial Court Improvement Account (TCIA)Transfer - Multi- Factor Authentication Implementation (Finance General)	This item transfers appropriation authority in the amount of \$61,679 from Finance General, General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00) to the Seattle Municipal Court (SMC), General Fund Administration Budget Control Level (00100-BO-MC-3000). SMC will use this funding for added security to protect Criminal Justice Information Services (CJIS) information. The TCIA revenues received from the Washington State Administrative Office of the Courts are in response to the City meeting guidelines on judicial salaries.	\$0

Item #	Title	Description	Amount/FTE
4.6	2023-2024 Retroactive Payments Budget Correction (Seattle Parks and Recreation)	This item transfers appropriation authority in the amount of \$1,850,000 from the Seattle Parks and Recreation Seattle Park District Leadership and Administration Budget Control Level (19710-BO-PR-20000) to the Park and Recreation Fund Leadership and Administration Budget Control Level (10200-BO-PR-20000) (\$1,150,000) and to the Park and Recreation Fund Golf Programs Budget Control Level (10200-BO-PR-60000) (\$700,000). This item fixes incorrect fund distribution between these two funds in the Mid-Year Supplemental Labor Ordinance 127067 passed by City Council which was necessary to pay retroactive automatic wage increases and market adjustments associated with Collective Bargaining Agreements.	\$0
4.7	Correction of Retirement Adjustment (Department of Finance and Administrative Services)	This item transfers appropriation authority in the amount of \$302,392 from Finance and Administrative Services, in the Finance and Administrative Services Fund Departmental Indirect Costs Budget Control Level (50300-BO-FA-BUDCENTR) to the Finance and Administration Services Fund Citywide Support Services Budget Control Level (50300-BO-FA-0002). This item is necessary to align budget with FAS' new project structure.	\$0

Item #	Title	Description	Amount/FTE
4.8	Technical Budget Transfer to Correct for Project Structure Change (Department of Finance and Administrative Services)	This item transfers appropriation authority in the amount of \$4,183,000 from Finance and Administrative Services, in the Finance and Administrative Services Fund Leadership & Administration Budget Control Level (50300-BO-FA-0006) to the Finance and Administration Services Citywide Operational Services Budget Control Level (50300-BO-FA-0001). This item is necessary to correctly align the Facilities maintenance budget in FAS' new project structure. During the transition to the new project structure a portion of budget for Facilities maintenance was coded to the incorrect project, which sits in a separate BSL from where the actual expenditures are recorded. This correction will also be applied to the 2025-26 proposed budget.	\$0
4.9	Paid Parental Leave and Paid Family Care Leave Backfill (Finance General)	This item transfers appropriation authority in the amount of \$128,792 from Finance General, General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00) to Seattle Center, in the General Fund Campus Budget Control Level (00100-BO-SC-60000). This request is necessary to pay for employee backfill due to Paid Parental Leave and Paid Family Care Leave.	\$0

Item #	Title	Description	Amount/FTE
4.10	Transfer CLFR to FG (Department of Finance and Administrative Services)	This item transfers appropriation authority in the amount of \$644,785 from the Department of Finance and Administrative Services (FAS), \$393,017 in the CLFR Fund Office of Finance Budget Control Level (14000-BO-FA-0003) and \$251,768 from the CLFR Fund Public Services Budget Control Level (14000-BO-FA-0005) to the Finance General CLFR Fund Appropriation to Special Fund Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This funding will be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund. Project continuation post July 31 in this department will be funded by one-time Finance and Administrative Services Fund appropriations. Please see item 2.5.	\$0
4.11	Paid Parental Leave and Paid Family Care Leave Backfill (Finance General)	This item transfers appropriation authority in the amount of \$28,264 from Finance General, General Fund General Purpose Budget Control Level (00100-BO-FG-2QD00) to the Office of the Employee Ombud Budget Control Level (00100-BO-EM-V10MB). This request supports backfill labor costs associated with Paid Parental Leave use in 2024.	\$0

Item #	Title	Description	Amount/FTE
4.12	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$661,868 from the Seattle Information Technology Department CLFR Fund Applications BSL (14000-BO-IT-D0600) to the Finance General CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This funding will be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund. Project continuation post July 31 in this department will be funded by one-time Information Technology Fund appropriations. Please see item 2.28.	\$0
4.13	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$38,337 from the Office of Housing CLFR Fund Multifamily Housing Budget Control Level (14000-BO-HU-3000) to the Finance General CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This project for capacity building has been closed out and this funding will instead be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund.	\$0

Item #	Title	Description	Amount/FTE
4.14	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$572,451 from the Office of Economic Development, in the CLFR Fund Business Services Budget Control Level (14000-BO-ED-X1D00) to CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This funding will be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund. Project continuation post July 31 in this department will be funded by additional General Fund appropriation. Please see item 2.31.	\$0
4.15	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$6,436 from the Office of Arts and Culture CLFR Fund Public Art Budget Control Level (14000-BO-AR-2VMA0) to the Finance General CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This project, Created Commons, has been closed out and this funding will instead be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund.	\$0

Item #	Title	Description	Amount/FTE
4.16	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$166,509 from the Office of Arts and Culture CLFR Fund Arts and Cultural Programs Budget Control Level (14000-BO-AR-VA160) to the Finance General CLFR Fund Appropriation to Special Fund Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. These projects, Cultural Org Rehiring projects and Hope Corps projects, have been closed out and this funding will instead be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund.	\$0
4.17	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$254,458 from the Office of Sustainability and Environment CLFR Fund Office of Sustainability and Environment Budget Control Level (14000-BO-SE-X1000) to the Finance General CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This funding will be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund. Project continuation post July 31 in this department will be funded by one-time General Fund appropriation. Please see item 2.20.	\$0

Item #	Title	Description	Amount/FTE
4.18	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$767,938 from the City Budget Office (CBO) in the CLFR Fund City Budget Office Budget Control Level (14000-BO-CB-CZ000) to the Finance General CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This funding will be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund. Project continuation post July 31 in this department will be funded by one-time General Fund appropriations. Please see item 2.36.	\$0
4.19	Transfer CLFR to FG (Finance General)	This item transfers appropriation authority in the amount of \$13,937,872 from the Human Services Department, \$4,691,844 from the CLFR Fund Supporting Affordability and Livability Budget Control Level (14000-BO-HS-H1000) and \$9,246,028 from the CLFR Fund Addressing Homelessness Budget Control Level (14000-BO-HS-H3000) to Finance General, CLFR Fund Appropriation to Special Funds Budget Control Level (14000-BO-FG-2QA00). This is the remaining balance of funding for CLFR projects in this department as of July 31, 2024. This funding will be used for General Fund revenue replacement via a Finance General cash transfer to the General Fund. Project continuation post July 31 in this department will be funded by additional General Fund and Human Service Fund appropriations. Please see items 2.12 and 2.13.	\$0

Item #	Title	Description	Amount/FTE
Section 5– Appropriation Decrease – Capital Budgets			
5.1	Bond Appropriation Alignment (Department of Finance and Administrative Services)	<p>This item amends the Fire Station 31 Replacement (MC-FA-FS31) and Human Capital Management System (MC-FA-HCMSYS) CIP Projects in the Finance and Administrative Services Department. This item decreases appropriation authority by \$6,500,205 within the Department of Finance and Administration Services, from 2024 in the Public Safety Facilities Fire Budget Summary Level (37200-BC-FA-PSFACFIRE) to 2025 in the Public Safety Facilities Fire Budget Summary Level (37300-BC-FA-PSFACFIRE). This item also decreases appropriation authority by \$4,019,000 within the Department of Finance and Administration Services, from 2024 in the Information Technology Budget Summary Level (37200-BC-FA-A1IT) to 2025 in the Information Technology Budget Summary Level (37300-BC-FA-A1IT). These adjustments are necessary to align the budget with the spend plans and the actual issuance of the bonds. The 2025 Proposed Budget and 2025-2030 Proposed CIP will appropriate the unissued bonds in future years.</p>	(\$10,519,205)

Item #	Title	Description	Amount/FTE
5.2	Adjust Debt Service Budget to Align With Bond Issuance (Department of Finance and Administrative Services)	<p>This item amends the Fire Station Improvement Debt Service (MC-FA-FSDEBTSV) Project in the Finance and Administrative Services Department. This item decreases appropriation authority by \$1,765,752 within the Department of Finance and Administration Services in the Neighborhood Fire Stations Budget Summary Level (30010-BC-FA-NBHFIRE).</p> <p>This adjustment is necessary to align the budget with the spend plans and the actual issuance of the bonds. The 2025 Proposed Budget and 2025-2030 Proposed CIP will adjust the debt service in future years.</p>	(\$1,765,752)
5.3	REET Abandonment and Realignment (Department of Finance and Administrative Services)	This item decreases appropriation by \$4,357,646 in the Department of Finance and Administration (FAS) General Government Facilities - General Budget Control Level (30010-BC-FA-GOVTFAC). This budget will be re-appropriated for other FAS capital projects.	(\$4,357,646)
5.4	2024 Year-end Capital Budget Abandonments (Seattle Department of Transportation)	This item decreases appropriation authority by a total of \$5,369,884 in the Seattle Department of Transportation across multiple Budget Control Levels comprising reductions of \$2,442,500 in the Move Seattle Levy Fund Major Maintenance/Replacement Budget Control Level (10398-BC-TR-19001), \$2,057,500 in the Move Seattle Levy Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003), and \$869,884 in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This item releases unneeded budget authority including for grants and reimbursable revenue streams.	(\$5,369,884)

Item #	Title	Description	Amount/FTE
5.5	Abandon CLFR Fund Appropriations (Seattle Department of Transportation)	This item decreases appropriation authority by \$264,529 in the Seattle Department of Transportation (SDOT), in the CLFR Fund Mobility Capital Budget Control Level (14000-BC-TR-19003). This item is required to close-out the City's CLFR Fund and will be reappropriated in Finance General to support General Fund revenue replacement in 2024 (See item 2.9). SDOT will receive a one-time General Fund appropriation to continue implementation of the Greenways project after July 31, 2024, previously funded with CLFR appropriations. See item 6.3.	(\$264,529)
5.6	Public Safety Tech Equipment Abandonment (Seattle Information Technology Department)	This item decreases appropriation authority by \$19,589 in the Seattle IT Capital Improvement Projects BCL (50410-BC-IT-C0700). The SPD MDT and In-Car Video projects are complete, and this appropriation is no longer needed.	(\$19,589)
5.7	Data & Telephones Abandonment (Seattle Information Technology Department)	This item decreases appropriation authority by \$3,460,000 in the Seattle IT Capital Improvement Projects BCL (50410-BC-IT-C0700). The 2024 bond issuance for the Telecom Redesign capital project has been reduced for this year and shifted to 2025, and this abandonment aligns the legal budget in the project with the new bond issuance amount.	(\$3,460,000)
5.8	Permit System Integration Abandonment (Seattle Information Technology Department)	This item decreases appropriation authority by \$1,027,866 in the Seattle IT Capital Improvement Projects BCL (50410-BC-IT-C0700). The FAS - Permit System Integration (FAS PSI) project is complete and this is the remaining appropriation. Revenues will be rebated to the General Fund.	(\$1,027,866)

Item #	Title	Description	Amount/FTE
5.9	Stan Sayres RCO Grant Abandonment (Seattle Parks and Recreation)	This item abandons appropriation authority by \$70,704 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Budget Control Level (10200-BC-PR-40000) for the Major Maintenance and Asset Management Master project (MC-PR-41001), which was for the Stan Sayres Boat Ramp Renovation project. This abandonment of Washington State Recreation and Conservation Office (RCO) funding is necessary due to the expiration of a portion of the original grant and approved extensions. The abandonment will not materially impact the project budget. In 2023 in Ordinance 126931, City Council accepted a replacement RCO grant for the Stan Sayres project for \$820,000.	(\$70,704)
Section 6 – Appropriation Increase – Capital Budgets			
6.1	Municipal Energy Efficiency Program (MEEP) Rebate Revenue (Department of Finance and Administrative Services)	This item adds revenue backed appropriation authority in the amount of \$285,000 in General Fund in the Finance & Administrative Services in the Energy Efficiency for Municipal Buildings FAS Oversight-External projects Budget Control Level (00100-BC-FA-EXTPROJ) to support energy efficiency projects in municipal buildings, including match for external grants.	\$285,000

Item #	Title	Description	Amount/FTE
6.2	Transfers to Urban Design CIP for Wayfinding (Seattle Department of Transportation)	This item transfers appropriation authority in the amount of \$120,000 in the Seattle Department of Transportation, from the Transportation Fund ROW Management Budget Control Level (13000-BO-TR-17004) to the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), \$300,000 from the Transportation Fund Mobility Operations Budget Control Level (13000-BO-TR-17003) to the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), and \$180,000 from the Transportation Benefit District Fund Mobility Operations Budget Control Level (19900-BO-TR-17003) to the Transportation Benefit District Fund Mobility-Capital Budget Control Level (19900-BC-TR-19003). In total, \$600,000 will be transferred to the Urban Design Capital Projects CIP (MC-TR-C120). This budget transfer is needed to fund the Wayfinding Expansion project which supports the City's Downtown Activation Plan. The project has reached 100% design and the project will be advertised in Q3 2024.	\$600,000
6.3	Appropriation Increase for Formerly CLFR-backed Projects – Greenways(Seattle Department of Transportation)	This item increases appropriation authority by \$264,529 in the Seattle Department of Transportation, in the General Fund Mobility-Capital Budget Control Level (00100-BC-TR-19003). This item provides a one-time General Fund appropriation to finish the planned work previously supported by the CLFR Fund. See item 5.5.	\$264,529

Item #	Title	Description	Amount/FTE
6.4	Add Neighborhood Parks & Playgrounds 2008 Parks Levy Appropriation (Seattle Parks and Recreation)	This item increases appropriation authority by \$475,000 in the Seattle Parks and Recreation Department in the 2008 Levy Fund 2008 Parks Levy Budget Control Level (33860-BC-PR-10000). This funding will go into the Neighborhood Parks & Playgrounds 2008 Parks Levy project (MC-PR-16001) and will be used to support the remaining projects within the 2008 Levy. This appropriation is supported by 2008 Parks Levy Fund balance.	\$475,000
6.5	Add Play Area Renovations King County Appropriation (Seattle Parks and Recreation)	This item increases appropriation authority by \$625,000 in the Seattle Parks and Recreation Department in the King County Parks Levy Fund Fix It First Budget Control Level (36000-BC-PR-40000). This funding will go into the Major Maintenance and Asset Management Master Project (MC-PR-41001) and will be used to support play area projects. This appropriation is supported by King County Parks Levy Fund balance.	\$625,000
6.6	2024 Year End Capital True Up (Seattle Parks and Recreation)	This item increases appropriation authority by \$639,795 in Seattle Parks and Recreation Department in the Seattle Park District Fix It First Budget Control Level (19710-PR-40000). This funding will go into the Major Maintenance and Asset Management Master Project (MC-PR-41001) and will be used to support major maintenance projects. This appropriation is supported by Seattle Park District fund balance.	\$639,795

Item #	Title	Description	Amount/FTE
6.7	Sound Transit 3 (Seattle City Light)	This item adds \$500,000 in appropriation authority to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This is a 100% revenue-back appropriation increase as costs are 100% reimbursable from Sound Transit. The funding is needed due to an increase in the project scope. These include costs related to the increased complexity of transmission relocations for West Seattle Link, and design issues with possible transmission impacts caused by the construction of elevated Bus Rapid Transit facilities in the area of City Light's transmission crossing along the proposed route.	\$500,000
Section 7 – Appropriation Increase – Capital Budgets – Revenue Backed			
7.1	Increase Appropriation for Reimbursable Authority in FAS Project Delivery Services Projects (Department of Finance and Administrative Services)	This item increases reimbursable appropriation authority of \$16,085,120 within the Department of Finance and Administration Services, FAS Project Delivery Services Budget Control Level (50300-BC-FA-FASPDs). This item will provide reimbursable authority appropriation that aligns with the current spend plans in MC-FA-FASPDs Facility Operations Initiated Tenant Improvements (FOISR) and MC-FA-CTYPDS Request for Client Facilities Services (RPS). This item is revenue-backed with customer departments paying the costs	\$16,085,120
7.2	Electric Vehicle Charging Program - Revised Award (Seattle Center)	This item increases grant-backed appropriation authority by \$115,500 in the Seattle Center Fund, Building & Campus Improvements Budget Control Level (11410-BC-SC-S03P01). The original grant acceptance and appropriation was approved in Ordinance 127069. The grant is from the State of Washington Department of Commerce and provides funding to install Electric Vehicle Charging Stations in three locations within Seattle Center.	\$115,500

Item #	Title	Description	Amount/FTE
7.3	Memorial Stadium Capital Project Appropriation Increase Due to Reimbursements (Seattle Center)	This item increases revenue-backed appropriation authority by \$74,580 in Seattle Center in the Seattle Center Building & Campus Improvements Budget Control Level (11410-BC-SC-S03P01). This request is necessary to increase the available spending due to reimbursement by Seattle Public Schools for 50% of certain expenses.	\$74,580
7.4	Increase Route 40 SPU Reimbursable Appropriation (Seattle Department of Transportation)	This item increases appropriation authority by \$540,897 in Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This request is necessary for SDOT to be reimbursed for capital work being performed as part of the Route 40 Transit-Plus Multimodal Corridor capital project on behalf of Seattle Public Utilities. This work will be underway before the end of 2024.	\$540,897
7.5	Increase SPU Reimbursable Appropriation for Rainier Transit Lanes (Seattle Department of Transportation)	This item increases appropriation authority by \$13,415 in Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This request is necessary for SDOT to bill relevant costs to Seattle Public Utilities for upcoming work on the Rainier Transit Lanes capital project.	\$13,415
7.6	SCL Funding for Rainier Transit Lanes (Seattle Department of Transportation)	This item increases appropriation authority by \$635,220 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This request is necessary for SDOT to be reimbursed for utility work on behalf of Seattle City Light as part of the Rainier Ave Transit lanes capital project.	\$635,220

Item #	Title	Description	Amount/FTE
7.7	Beacon Avenue S Safety Additional Grant Funding (Seattle Department of Transportation)	This item increases appropriation authority by \$2,889,000 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), and is backed by funding that was awarded by the Puget Sound Regional Council (PSRC) from the Federal Highways Administration (FHWA) Surface Transportation Block Grant (STBG) program. This \$2,889,000 comprises new, additional funding awarded by PSRC in June 2024 for an existing grant that was previously accepted and appropriated in 2023. This grant provides additional funding for the Beacon Ave S and 15th Ave S Safety Project to construct a protected bike lane along Beacon Ave S, 15th Ave S, and on Golf Dr. The local match requirement is 13.5% and has been budgeted.	\$2,889,000
7.8	Madison Bus Corridor Rapid Transit Additional Grant Funding (Seattle Department of Transportation)	This item increases appropriation authority by \$336,911 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), and is backed by funding that was awarded by the Puget Sound Regional Council (PSRC) from the Federal Transit Administration (FTA) 5307 Equity Formula Funds program. This \$336,911 comprises additional funding awarded by PSRC in July 2024 and will be added to an existing grant agreement for a grant that was previously accepted and appropriated in 2019. This grant provides additional funding for the Madison Bus Rapid Transit Project to construct a high-capacity transit project from the Downtown and First Hill-Capitol Hill regional urban centers to Madison Valley. The local match requirement is 20% and has been budgeted.	\$336,911

Item #	Title	Description	Amount/FTE
7.9	Rainier Valley Safe: SMART Grant Subaward - Additional Grant Funding (Seattle Department of Transportation)	This item increases appropriation authority by \$516,986 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003), and is backed by grant funding was awarded to the Central Puget Sound Regional Transit Authority (Sound Transit) by the U.S. Department of Transportation through the Strengthening Mobility and Revolutionizing Transportation (SMART) grant program for the federal fiscal year 2023. Sound Transit is awarding the funds to the Seattle Department of Transportation through a subaward agreement to fund work on the Next Gen ITS project. This \$516,986 comprises additional funding awarded by Sound Transit to the existing subgrant that was previously accepted and appropriated in 2023. This grant provides additional funding for the SMART Rainier Valley Safe Project to enhance safety along the Martin Luther King Jr. shared corridor. There is no local match requirement.	\$516,986
7.10	SCL funding for Route 40 (Seattle Department of Transportation)	This item increases appropriation authority by \$1,306,328 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This request is necessary for Seattle Department of Transportation to be able to bill Seattle City Light for design and construction expenses related to utility work on the Route 40 Transit Plus Multimodal Corridor Project.	\$1,306,328

Item #	Title	Description	Amount/FTE
7.11	KCM Funding for Improvements near the Convention Center (Seattle Department of Transportation)	This item increases appropriation authority by \$40,000 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This request is necessary for Seattle Department of Transportation to be able to bill King County Metro for construction costs related to channelization and signal modifications at the Washington State Convention Center.	\$40,000
7.12	Payment-in-Lieu Tree Appropriation (Seattle Parks and Recreation)	This item increases revenue-backed appropriation authority by \$10,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Budget Control Level (10200-BC-PR-40000). This request is necessary to support the Urban Forestry Tree Replacement Master Project (MC-PR-41011) by adding the necessary appropriation in order to receive in-lieu fee payments from developers and private property owners in accordance with Seattle Municipal Code Section 25.11.110.	\$10,000

Item #	Title	Description	Amount/FTE
7.13	Transfer of Urban Forestry Federal Forest Service Grant Funds From OSE (Seattle Parks and Recreation)	<p>This item increases revenue-backed appropriation authority in the amount of \$4,413,424 to the Seattle Parks and Recreation Department in the Park and Recreation Fund Fix It First Control Level (10200-BC-PR-40000), which is a transfer from the General Fund Office of Sustainability and Environment (OSE) Budget Control Level (00100-BO-SE-X1000). (Please see item 1.15.) This grant has already been accepted by OSE. Of the total transferred, \$1,765,369 will be used to support grant-funded restoration work in the Green Seattle Partnership program and \$2,648,055 will be used to support additional grant funded work in the Youth Green Corps Program, both within the Urban Forestry Restoration Project (MC-PR-41022).</p> <p>These funds are from the US Forest Service Inflation Reduction Act grant to plan and implement community driven tree planting and stewardship. The grant was jointly applied for by SPR and OSE and was accepted and appropriated in 2023 in OSE's budget. This supplemental request transfers a portion of the budget appropriation to SPR to initiate the SPR-managed aspects of the grant. This is a reimbursable grant that does not require a match. The grant expiration date is 6-2-2029.</p>	\$4,413,424

Item #	Title	Description	Amount/FTE
7.14	Model Toxins Control Act Appropriation for Gas Works Park Cleanup (Seattle Parks and Recreation)	This item increases revenue-backed appropriation authority by \$150,000 in the Seattle Parks and Recreation Department in the Park and Recreation Fund Debt and Special Funding Budget Control Level (10200-BC-PR-30000) for the Gas Works Park Remediation master project (MC-PR-31007). This item recognizes additional anticipated revenues in 2024-2025 from the Washington State Department of Ecology's Model Toxins Control Act grant, and supports the overall multi-agency clean-up efforts at Gas Works Park. The grant is managed and has already been accepted by Seattle Public Utilities (SPU), while SPU and SPR share costs incurred for the remediation of Gas Works Parks by Puget Sound Energy.	\$150,000
7.15	Medium Overhead and Underground Services - Revenue Offset (Seattle City Light)	This item adds \$7.2M in budget the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This item is a revenue-backed appropriate increase for \$7.2M for anticipated customer reimbursements. This funding is needed to cover the costs of medium sized customer requested services which continue to increase as electrification efforts continue to rise.	\$7,200,000
7.16	City Light Funding of Dept of Commerce HEAR Grant (Seattle City Light)	This item adds appropriation authority in the amount of \$536,250 to the Seattle City Light Fund Conservation & Environmental Budget Control Level (41000-BC-CL-W) to support the HVAC+ program. This funding is being removed from Funding Source GCOMCH24 in the Office of Sustainability and Environment Budget Control Level (00100-BO-SE-X1000) and being transferred to the Seattle City Light Fund Conservation & Environmental Budget Control Level. These funds are from the Department of Commerce HEAR grant to expand the existing program.	\$536,250

Item #	Title	Description	Amount/FTE
Section 8 – Appropriation Transfers – Capital Budgets			
8.1	Transfer to the Georgetown to South Park Trail CIP (Seattle Department of Transportation)	This item transfers appropriation authority in the amount of \$3,296,366 in the Seattle Department of Transportation, in the Move Seattle Levy Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003) and by \$703,634 in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). In total, this item transfers \$4,000,000 budget from the Bike Master Plan - Protected Bike Lanes Program (MC-TR-C062) to the Georgetown to South Park Trail Project (MC-TR-C096). The transfer is needed to cover construction phase costs for the Georgetown to South Park Trail project. Construction on the Georgetown to South Park Trail project is expected to start late September 2024.	\$0

Item #	Title	Description	Amount/FTE
8.2	Urban Forestry Capital Establishment Transfers (Seattle Department of Transportation)	<p>This item transfers appropriation authority in the Seattle Department of Transportation to collect appropriations from multiple projects to the Urban Forestry Capital Establishment Program. This is a standard budgetary adjustment for projects as they enter the closeout phase so that the Department can close our projects in a reasonable timeframe while still ensuring sufficient budget to pay for tree establishment costs for five years.</p> <p>This item transfers \$376,674 in appropriation from the Move Seattle Levy Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003) to the Move Seattle Levy Fund Major Maintenance/Replacement Budget Control Level (10398-BC-TR-19001), and also transfers \$3,753 in appropriation from the Transportation Benefit District Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003) to the Transportation Benefit District Fund Major Maintenance/Replacement Budget Control Level (19900-BC-TR-19001).</p>	\$0

Item #	Title	Description	Amount/FTE
8.3	Transfer Funds to Madison BRT (Seattle Department of Transportation)	<p>This item transfers appropriation authority in the Seattle Department of Transportation from multiple projects to the Madison Bus Rapid Transit (Madison BRT) to pay for unanticipated costs that arose from delays due to supply chain issues and due to unforeseeable subterranean conditions, that required mitigation.</p> <p>This item transfers \$3,700,000 from the Move Seattle Levy Fund Major Maintenance/Replacement Budget Control Level (10398-BC-TR-19001) to the Move Seattle Levy Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003), and transfers \$457,952 from the Transportation Benefit District Fund Major Maintenance/Replacement Budget Control Level (19900-BC-TR-19001) to the Transportation Benefit District Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003), transfers \$1,799,537 within the Move Seattle Levy Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003), and transfers \$3,180,600 within the Transportation Benefit District Fund Mobility-Capital Budget Control Level (10398-BC-TR-19003).</p>	\$0
8.4	Transfer to Wayfinding Expansion Project (Urban Design MC-TR-C120) (Seattle Department of Transportation)	<p>This item transfers appropriation authority in the amount of \$72,000 from the Department of Transportation, within the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This budget transfer is needed to fund the Wayfinding Expansion project which supports the City's Downtown Activation Plan. The project has reached 100% design and the project will be advertised in Q3 2024. Please see item 1.17 for the corresponding operating budget portion of this transfer.</p>	\$0

Item #	Title	Description	Amount/FTE
8.5	Internal Budget Transfer for Facility Construction (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$2,000,000 from Seattle Public Utilities, within the Water Fund Shared Costs Projects Budget Control Level (43000-BC-SU-C410B). Appropriation is being transferred from MC-SU-C4123 - Other Major Tran Projects to MC-SU-C4106 - Operational Facility - Construction. This item moves projected underspend from the Shoreline Hidden Lake Water Management Project to an Operational Facility Construction project in order to avoid a potential 4C budget exception.	\$0
8.6	Cedar Falls Power Service upgrade appropriation transfer request (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$5,000,000 from Seattle Public Utilities, within the Water Fund Shared Costs Projects Budget Control Level (43000-BC-SU-C410B). Appropriation is being transferred from MC-SU-C4123 - Other Major Tran Projects to MC-SU-C4107 - Regional Facility - Other. The increase of \$5,000,000 is necessary as the Utility is expecting the Cedar Falls Power Service upgrade project to complete by Q424. The project was originally expected to complete in 2023, however, project delays and the revised MOA with Seattle City Light have delayed completion of the project & added unplanned costs. The underspend sourcing the transfer request is a coming from over planning in the Shoreline Hidden Lake WM project.	\$0

Item #	Title	Description	Amount/FTE
8.7	Intrafund Water Fund Transfer for Hydrant Relocation and Replacement Program (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$1,500,000 from Seattle Public Utilities Water Fund Shared Cost Projects Budget Control Level (43000-BC-SU-C410B) to the Water Fund Distribution Budget Control Level (43000-BC-SU-C110B). Appropriation is being transferred from MC-SU-C4119 - Bridging the Gap Program to MC-SU-C1110 - Water Infrastructure-Hydrant Replace/Relocate. Funding is needed in the Hydrant Replacement/Relocation program due to higher than expected demand for these services. Excess appropriation authority is available in the Bridging the Gap Program partly driven by delays in related Seattle Department of Transportation projects.	\$0
8.8	Intrafund Water Fund Transfer for Water Supply Flexibility Program (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$3,500,000 from Seattle Public Utilities Water Fund Shared Cost Projects Budget Control Level (43000-BC-SU-C410B) to the Water Fund Water Resources Budget Control Level (43000-BC-SU-C150B). Appropriation is being transferred from MC-SU-C4123 - Other Major Tran Projects to MC-SU-C1507 - Water Supply Flexibility Program. Funding is needed in Water Supply Flexibility Program due to delayed spending from prior years taking place in 2024. Excess appropriation authority is available in the Other Major Tran Projects primarily due to a scope change in the Shoreline Hidden Lake WM project.	\$0

Item #	Title	Description	Amount/FTE
8.9	Water Fund Heavy Equipment purchase appropriation transfer request (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$4,000,000 from Seattle Public Utilities, within the Water Fund Shared Costs Projects Budget Control Level (43000-BC-SU-C410B). Appropriation is being transferred from MC-SU-C4123 - Other Major Tran Projects to MC-SU-C4116 -Heavy Equipment Purchases. The increase of \$4,000,000 is necessary and is due to the timing of Water equipment order backlogs that our vendors are finally able to deliver on. The underspend sourcing the transfer request is a coming from over planning in the Shoreline Hidden Lake WM project.	\$0
8.10	DWW Funded Operational Facilities Transfer (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$4,000,000 from Seattle Public Utilities from the Drainage and Wastewater Fund Combined Sewer Overflows Budget Control Level (44010-BC-SU-C360B) to the Shared Costs Projects Budget Control Level (44010-BC-SU-C410B). The will move funding from the Ship Canal Water Quality Project to Operational Facilities to enable the potential land purchases associated with the North Operations Center modernization project. The funding source for this transfer request is coming from material underspend in the Ship Canal Water Quality project.	\$0

Item #	Title	Description	Amount/FTE
8.11	Drainage & Wastewater Fund Heavy Equipment purchase appropriation transfer request (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$1,500,000 from Seattle Public Utilities, from the Drainage and Wastewater Fund Combined Sewer Overflows Budget Control Level (44010-BC-SU-C360B) to the Drainage and Wastewater Fund Shared Costs Projects Budget Control Level (44010-BC-SU-C410B). The increase of \$1,500,000 is necessary and is due to the timing of Drainage and Wastewater equipment order backlogs that our vendors are finally able to deliver on. The funding source for this transfer request is coming from material underspend in the Ship Canal Water Quality project.	\$0
8.12	Intrafund Drainage and Wastewater Fund Transfer for CSO Facility Retrofit Program (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$200,000 from Seattle Public Utilities, within the Drainage and Wastewater Fund Combined Sewer Overflow Budget Control Level (44010-BC-SU-C360B). Appropriation is being transferred from MC-SU-C3614 - Ship Canal Water Quality Proj. to MC-SU-C3611 – CSO Facility Retrofit. The increase of \$200,000 is necessary and is due to higher-than-expected demand for these services.	\$0
8.13	Intrafund Drainage and Wastewater Fund Transfer for Pipe Renewal Program (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$2,000,000 from Seattle Public Utilities, from the Drainage and Wastewater Fund Combined Sewer Overflows Budget Control Level (44010-BC-SU-C360B) to the Drainage and Wastewater Fund Rehabilitation Budget Control Level (44010-BC-SU-C370B). Appropriation is being transferred the Ship Canal Water Quality Project to the Pipe Renewal Program. The increase of \$2,000,000 is necessary and is due to increased demand for pipe renewals & replacements.	\$0

Item #	Title	Description	Amount/FTE
8.14	Intrafund Drainage and Wastewater Fund Transfer for Piper's Creek Property Acquisition (Seattle Public Utilities)	This item transfers appropriation authority in the amount of \$6,700,000 from Seattle Public Utilities, within the Drainage and Wastewater Fund Protection of Beneficial Uses Budget Control Level (44010-BC-SU-C333B). Appropriation is being transferred from MC-SU-C3316 GSI for Protection of Beneficial Uses to MC-SU-C3314 Creek Culvert Replacement Program. The increase of \$6,700,000 is necessary to acquire two properties in the Crown Hill & Greenwood neighborhoods that are bisected by an SPU owned culverted portion of Piper's Creek.	\$0
8.15	Electric Vehicle Charging Infrastructure - Facilities (Seattle City Light)	This item transfers \$2.5M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) into the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X) to fund a project which will install Electric Vehicle Charging Infrastructure throughout the utility that will be used for City Light vehicles only. This is a new project that was not included in the adopted budget. This project was added to meet charging needs of the Fleets Replacement Program as battery electric vehicles are on order, slated to arrive 2024-2026. Funding from the Transmission Tower Refurbishment project is available because this work is no longer required by the FERC license	\$0

Item #	Title	Description	Amount/FTE
8.16	Seattle Municipal Tower Improvements - Facilities (Seattle City Light)	This item transfers \$1.5M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding is needed for added scope for the third and final phase of SMT Tenant Improvements with SMT28. The original scope was only 6 floors, and this will add 7 floors. Funds are available in the Security Improvements project because security improvements at Broad Street Sub are temporarily deferred until next year.	\$0
8.17	Seismic Hazard Mitigation - Facilities (Seattle City Light)	This item transfers \$100,000 in budget from the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X) to the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). This funding is needed for new work related to a seismic hazard that was identified at the North substation which requires action to evaluate and mitigate the hazard. This transfer will cover project initiation and initial risk evaluation. Funding is available from the Substation Plant Improvements because work is deferred to prioritize the seismic hazard.	\$0

Item #	Title	Description	Amount/FTE
8.18	Environmental Learning Center - Skagit Relicensing (Seattle City Light)	This item transfers \$1.5M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Conservation & Environmental CIP BSL (BC-CL-W). This funding is needed to complete emergency repairs at the Environmental Learning Center (ELC) facility including construction and HVAC emergency work. The ELC supports education and interpretation programs that are required as mitigation by the Skagit License and this work is required to continue safe operation of the facility. The funds are available from the Transmission Tower Refurbishment project because this work is no longer required by the FERC license.	\$0
8.19	Trash Enclosure at Miller Community Center (Seattle City Light)	This item transfers \$240,000 in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). Funding is needed to complete a new trash enclosure at the Miller Community Center as part of the Solar Microgrid project at the site. Funding for this work was not included in the project budget. Funding is available from Utility Next as the project is in the early stage of project initiation and the costs are only hitting O&M at this time making CIP funds available.	\$0

Item #	Title	Description	Amount/FTE
8.20	Skagit Relicensing (Seattle City Light)	This item transfers \$11.5M in budget from the Seattle City Light (41000-Light Fund) Conservation & Environmental CIP BSL (BC-CL-W), \$1.5M from the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z), and \$2.5M from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding is needed to support Skagit Relicensing activities. These include \$1.7M in ongoing legal engagements, \$5.3M for costs of consultant support with negotiations related to the settlement of the Skagit License terms, and \$7.5M in costs for early action implementation projects in support of the settlement. Funding is available from several areas of the CIP with a significant portion coming from savings in Energy Efficiency and Environmental Claims programs.	\$0

Item #	Title	Description	Amount/FTE
8.21	Technology Projects Realignment (Seattle City Light)	This item reallocates \$3.4M of budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) transfers \$1.4M in budget from the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z) to the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y), and transfers \$1.8M in budget from the Seattle City Light (41000-Light Fund) Conservation & Environmental CIP BSL (BC-CL-W) to the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). City Light's Utility Technology Roadmap is consolidating smaller projects (including WACS upgrade, NSC & SSC Firewall upgrade, OMS/NMS upgrade, ArcFM LRDS, Physical Access Control System, and the Finance module of UI Planner), under its two primary programs: New Technology and Enterprise Software Solution Replacement Strategy. This item simply moves funding for the smaller technology projects into the Enterprise Software Solution Replacement Strategy program.	\$0
8.22	Union Street Substation Network (Seattle City Light)	This item reallocates \$1.5M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). Funding is needed to address network deficiencies in switching equipment in the Union Street network. Funds are available from the Denny Network project as the work at Union Street sub is a higher priority. Denny Sub Network is lower priority as customers in that area have delayed switching over to the new substation.	\$0

Item #	Title	Description	Amount/FTE
8.23	Broad Street Substation Network (Seattle City Light)	This item reallocates \$2M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). Funding is needed to address network deficiencies in switching equipment in the Broad Street network. Funds are available from the Denny Network project as the work at Broad is a higher priority. Denny Sub Network is lower priority as customers in that area have delayed switching over to the new substation.	\$0
8.24	University Substation Network (Seattle City Light)	This item reallocates \$2M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). Funding is needed to cover higher than anticipated costs in the University Substation Network. Due to rezoning regulations, there was increased growth in the area and higher than expected customer requests. Funding is available from the Denny Substation Network project because staff has been moved to work on higher priority work in the network.	\$0
8.25	Distribution Systems Replacements (Seattle City Light)	This item reallocates \$6.5M of budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BCL (BC-CL-Y). In the last budget cycle, several Radial projects were consolidated under MC-CL-YR8333. City Light continues to close out the old projects and transitioning new work to this new master project and this funding is needed to cover the work that is expected to transition to this master project this year. Funding is available in the Overhead Equipment Replacements Program (Pole Replacements) because a portion of this work is driven by contractors and there is a delay in the work due to contract negotiations.	\$0

Item #	Title	Description	Amount/FTE
8.26	Medium Overhead and Underground Services (Seattle City Light)	This item transfers \$10.8M in budget from Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover the costs of medium sized customer requested services which continue to increase as electrification efforts continue to rise. Funds are coming primarily from Overhead Equipment Replacements as work has slowed due to contracting issues. Other funding is coming from Dallas Ave 26kV Crossing as this project is delayed and will start in 2026.	\$0
8.27	Overhead & Underground Customer Capacity Additions (Seattle City Light)	This item reallocates \$5M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). Funding is needed to cover the costs of increased overhead & underground customer capacity additions related to customers meeting building electrification standards. Funds are available from overhead and underground equipment replacements because work has slowed in both programs due to vacancies in engineering and construction contracting issues with Pole Replacements.	\$0
8.28	Small Overhead and Underground Services (Seattle City Light)	This item transfers \$1M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover costs associated with increased customer requested small services. Funding is available from underground equipment replacements due slow spending related to staffing shortages needed to execute the work.	\$0

Item #	Title	Description	Amount/FTE
8.29	Network Services (Seattle City Light)	This items transfers \$1M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL(BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). Funding is needed in the new Network Services program as the customer driven service connections program is spending more than anticipated due to labor cost and material costs. Funding is available from underground equipment replacements due slow spending related to staffing shortages needed to execute the work.	\$0
8.30	Substation Equipment Replacements (Seattle City Light)	This item reallocates \$2M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). Funding is needed for substation equipment replacements due to higher than expected equipment failures this year. Funding is available from underground equipment replacements due slow spending related to staffing shortages needed to execute the work.	\$0
8.31	Substation Transformer Replacement (Seattle City Light)	This item reallocates \$3M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). This funding is needed to order a new transformer for Canal Substation this year due to a lead time of more than four years for delivery. Order needs to be placed this year to do planned replacement at Canal Substation. Funding is available from underground equipment replacements due slow spending related to staffing shortages needed to execute the work.	\$0

Item #	Title	Description	Amount/FTE
8.32	Underground System Capacity Additions (Seattle City Light)	This item reallocates \$3.5M in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). Funds are needed to add capacity to meet the increasing needs of customers as transportation and building electrification continues to grow. Funds are available from the Pole Attachments program due to delays in that work. Funding is also available from underground equipment replacements due slow spending related to staffing shortages needed to execute the work.	\$0
8.33	Underground Outage Replacement (Seattle City Light)	This item transfers \$5.5M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover costs of underground outages as the aging underground system is requiring more repairs with higher costs due to inflation and labor rate increases. Funds are available from the Pole Attachments program due to delays in that work.	\$0
8.34	Network Additions & Services at Broad St. Substation (Seattle City Light)	This item transfers \$1.5M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover the costs of higher than anticipated customer requested services. Funds are available from the Pole Attachments program due to delays in that work.	\$0

Item #	Title	Description	Amount/FTE
8.35	Emergency Work - Storm Response (Seattle City Light)	This item transfers \$5M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover the costs in Minor & Major Emergency programs for emergency response to two major storms in 2024, one in early January and another in June as well as several minor storms at the end of January, February and April. These two storms alone exhausted the allocated budgets, and we anticipate additional storms in Q3 & Q4. Funds are available from the Pole Attachments program due to delays in that work. Funds are also available in Underground & Overhead Equipment Replacements due to slow spending related to staffing shortages needed to execute the work.	\$0
8.36	Network Systems (Seattle City Light)	This item reallocates \$500,000 in budget within the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y). This finding is needed for the new Network Systems Program that was created in the last budget cycle to consolidate other network projects into one program. This will fund the work that is transitioning to this new program from other projects that are in the process of closing. Funds are available from the Pole Attachments program due to delays in that work.	\$0

Item #	Title	Description	Amount/FTE
8.37	Meter Additions (Seattle City Light)	This item reallocates \$3M in budget within the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover costs in the Meter Additions AMI 2.0 program. This program was not funded appropriately in the previous budget cycle. In addition, due to the number of vacant positions, overtime usage is higher in order to keep up with the AMI 2.0 project schedule. Funding is available in the Denny Network Additions & Services project due to staffing shortages which limits the amount of work that can be accomplished.	\$0
8.38	Maritime Transportation Electrification (Seattle City Light)	This item transfers \$3.3M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed as City Light executed an MOA with the Port of Seattle to construct a new duct bank for future Maritime Transportation Electrification needs. This provides future capacity for battery powered maritime services, in addition to current Washington State Ferry electrification work. Funds are available from First Hill & Massachusetts network projects as higher priority work is moving forward with the limited staffing resources available.	\$0

Item #	Title	Description	Amount/FTE
8.39	Boundary Unit 51 Generator Rebuild (Seattle City Light)	This item reallocates \$1.2M within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding is needed for work on Unit 51 at Boundary. The work includes upgrading the bearing material and adding a high-pressure lift system to address additional deficiencies discovered in the generator thrust bearing. Funds are available from the Unit 52 project because the rebuild is delayed until 2025 due to the Units 51 and 54 thrust bearing repairs.	\$0
8.40	Boundary Unit 54 Generator Rebuild (Seattle City Light)	This item reallocates \$436,000 in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding is needed to cover costs for Unit 54 to upgrade the bearing material and add a high-pressure lift system to address additional deficiencies discovered in the generator thrust bearing. Funding is available from The Ross Dam AC-DC project due to delays to work on higher priority work such as Unit 54.	\$0
8.41	Rockfall Mitigation near the Forebay and Spring Water (Seattle City Light)	This item reallocates \$363,000 of budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding will cover unexpected repair costs related to a safety issue with the rockfall mitigation near Forebay and Spring Water at Boundary. The funds are available for the Skagit Boating Improvements as the fuel dock project is postponed until early 2025.	\$0
8.42	Boundary PH Generator Step-up Transformer Replacement (Seattle City Light)	This item reallocates \$403,000 in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). Funding is needed to cover the increased labor and material costs for the Boundary step-up transformer replacement. Funds are available from the Boundary DC Battery Change Modification project because this project was put on hold in Q1 2024.	\$0

Item #	Title	Description	Amount/FTE
8.43	Landis and Gyr RTU Modernization (Seattle City Light)	This item reallocates \$2.5M in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding is needed for the Landis & Gyr RTU Modernization project because NERC is requiring this equipment be upgraded due to Cyber Security Requirements and the equipment is no longer supported and is beginning to fail. This equipment is critical to being able to operate generators in the Energy Market. Funds are available from Unit 52 because the rebuild was delayed to late 2025 due to U51 and U54 thrust bearing issues.	\$0
8.44	Cedar Falls PH Unit 5/6 Generator Protective Relays (Seattle City Light)	This item reallocates \$1.6M in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funded is needed to cover the costs of Cedar Falls PH Unit 5/6 Generator Protective Relays project. The project scope was revised and additional construction is needed which adjusts the completion date to the end of 2024 and adds additional costs. Funds are available from Unit 52 because the rebuild was delayed to late 2025 due to U51 and U54 thrust bearing issues.	\$0
8.45	Cedar Falls Bank 6 Replacement (Seattle City Light)	This item reallocates \$3.18M in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funds several items including compensation to City of Seattle project contractors due to the City of Seattle executive order for mandatory contractors and consultant vaccinations; overages with a Geotech project based on bedrock conditions that were different than expected; and soil contamination that led to higher than expected project costs. Funds are available from Unit 52 because the rebuild was delayed to late 2025 due to U51 and U54 thrust bearing issues.	\$0

Item #	Title	Description	Amount/FTE
8.46	Diablo Trash Rack Emergency Repairs (Seattle City Light)	This item reallocates \$3.39M within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). Funds are needed to cover higher than expected costs for the Diablo trash rack emergency project which was awarded with <30% design. Now that costs have become clearer as design was completed, additional funding is needed. Funding is available from several projects in the Generation portfolio as staff and funding are shifted to higher priority projects.	\$0
8.47	Diablo Roof Repairs (Seattle City Light)	This item reallocates \$2.1M in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). This funding is needed to cover the costs of the Diablo roof & HVAC repairs. The HVAC repairs were not anticipated, and the project added scope as more issues were identified during the roof repairs. Costs for the roof repair were also higher than anticipated. Funds are available from the Gorge Crane Rehab project which is delayed due until 2025 to lack of engineering labor.	\$0
8.48	Network Adds for First Hill, Massachusetts, Union & University (Seattle City Light)	This item transfers \$1M in budget from the Seattle City Light (41000-Light Fund) Transmission & Distribution CIP BSL (BC-CL-Y) to the Seattle City Light (41000-Light Fund) Customer Focused CIP BSL (BC-CL-Z). This funding is needed to cover the costs of additional customer requested service work that is higher than budgeted. Funds are available from Overhead Equipment Replacements as work has slowed due to contracting issues.	\$0

Item #	Title	Description	Amount/FTE
8.49	Hydro Spill Containment (Seattle City Light)	This item reallocates \$1M in budget within the Seattle City Light (41000-Light Fund) Power Supply CIP BSL (BC-CL-X). Funds are needed for the Hydro Spill Containment project as the final design changed to incorporate the Substation design and this increased labor and material costs. Funds are available from Unit 52 because the rebuild was delayed to late 2025 due to U51 and U54 thrust bearing issues.	\$0
Section 9 – Position Adds			
9.1	Aging & Disability Services Positions (Human Services Department)	This item creates 4 full-time grant funded positions in the Human Services Department: 1 Sr. Grants and Contracts Specialist and 3 Counselor positions. These positions are funded by increased ongoing revenue from the TXIX grant. The Sr. Grants & Contracts Specialist position will manage contracts for Medicaid Long Term Services & Supports funded by Washington State DSHS. The Counselors will provide direct client services in the Medicaid case management program. These Counselor positions are required for programmatic compliance with state standards for caseload to client ratios.	4.0
9.2	K-12 Mental Health Position (Department of Education and Early Learning)	This item creates a 1.0 SA1 position funded by existing appropriation in Budget Control Level (14500-BO-EE-IL200). This position will support the new and ongoing Mental Health work in DEEL's K-12 division including but not limited to telehealth and additional school-based health center counselors.	1.0

Item #	Title	Description	Amount/FTE
9.3	Add unfunded sunset pocket backed by grant revenue (Office of Sustainability and Environment)	This change request increases the Office of Sustainability & Environment's (OSE) FTE count by 1.0 Administrative Staff Assistant position. This position will support the administrative workload of the office; this capacity is critical as OSE expands programming and staff with millions of dollars in federal and state grant funding, increasing the need for administrative support. OSE will fund this position with existing budget authority, using the revenue from the indirect rate applied to all federal awards. This position would sunset 12/31/2030, which aligns with end of the major sources of revenue already accepted by OSE.	1.0
9.4	Urban Area Security Initiative (UASI FY 2023) (Seattle Fire Department)	This item adds 0.5 FTE position and is grant-backed by appropriation authority in the Seattle Fire Department, in the General Fund Budget Control Level (SFD-BO-FD-F3000). Expenditures for UASI23 grant will commence in late 2024. UASI23 period of performance ends 8/31/2025. The original grant budget includes a line item for managerial and administrative expenses and the budget line items change been revised to better reflect the budget. There is no match required. There are no ongoing cost impacts by accepting this grant.	0.5

Item #	Title	Description	Amount/FTE
9.5	BIOWATCH 2022-2025 Continuation Grant (Seattle Fire Department)	This item adds FTE by 0.125 for grant management and is grant-backed by appropriation authority in Seattle Fire Department, in the General Fund Budget Control Level (SFD-BO-FD-F3000). The Department of Homeland Security's BioWatch Program includes air-quality testing and monitoring for 19 collector sites. This project is strengthening the area's response network with respect to biological terrorism. This work will be focused on grant management and reviewing BioWatch related invoices. This extended the reporting period of performance through 5/31/25. There is no match required. There are no ongoing cost impacts by accepting this grant. The original award was accepted under Ordinance 124899.	0.125
9.6	City Records Management Analyst Position Add (Legislative Department)	This item adds 1.0 City Records Management Analyst FTE in the Legislative Department, General Fund Budget Control Level (00100-BO-LG-G1000). This position will support the recent Recordpoint software upgrade for enhanced digital record keeping retention policy management for all City departments. This support was first staffed by a temporary position, but will be filled by a regular position in 2025.	1.0
9.7	Department of Energy Grant for Building Decarbonization Positions (Office of Sustainability and Environment)	This item creates 4.0 full-time position grant funded positions in the Office of Sustainability and Environment; 1.0 FTE StratAdvsr1, General Govt, 1.0 FTE Plng&Dev Spec, Sr-BU, 1.0 FTE Fin Anlyst, Sr, and 1.0 FTE Enrgy Conserv Rep, Sr. In line with the grant funding, all positions will sunset on December 31, 2033, unless new funding is secured. No other ongoing impacts are expected. See the 2024 Year-end Grant Acceptance Ordinance for additional details on grant acceptance and funding appropriation.	4.0

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to acceptance of funding from non-City sources; authorizing the heads of various departments to accept and authorize the expenditure of specified grants, private funding, and subsidized loans and to execute, deliver, and perform corresponding agreements; amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; revising project allocations for certain projects in the 2024-2029 CIP; and ratifying and confirming certain prior acts.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. For each item in the following table, the head of the listed department is authorized to accept non-City funding from the listed sources below; and to execute, deliver, and perform, on behalf of The City of Seattle, agreements for the purposes described. The funding, when received, shall be deposited in the receiving fund identified to support, or as reimbursement for, either the appropriations set forth in Section 2 of this ordinance or existing appropriations in the receiving department.

Item	Department	Source	Purpose	Fund	Accept
1.1	Community Assisted Response and Engagement	Association of Washington Cities	The Association of Washington Cities provides funding to pay for salaries and benefit costs for Behavioral Health Professionals (Community Crisis Responders) employed by the CARE team.	General Fund (00100)	\$68,000

1.2	Department of Finance and Administrative Services	Department of Energy	This funding will upgrade a group of municipally-owned, community-serving buildings including transitioning the buildings' space and water heating from fossil fuels to carbon neutral electricity, supporting improved indoor air quality, reducing energy use and GHG emissions, and providing cooling to community members.	General Fund (00100)	\$681,520
1.3	Executive (Office of Economic Development)	Department of Commerce	This grant will support a program sponsorship of the M5 building film production programs and will provide reduced rate access to hot desks and film production offices.	General Fund (00100)	\$30,000
1.4	Executive (Office of Economic Development)	Department of Commerce	The grant will be used to lease space for nonprofit and academic institutions to incubate technology business start-ups, especially those focusing on artificial intelligence and develop and teach curricula to skill up workers to use artificial intelligence as a business resource.	General Fund (00100)	\$500,000
1.5	Executive (Office of Emergency Management)	FEMA via WA State Military Dept, Emergency Mgmt. Division	This FEMA Hazard Mitigation grant provides funding under Disaster Declaration DR-4481-WA to develop an equitable, citywide climate change mitigation strategy ("Seattle Climate Ready") in ways that prioritize vulnerable populations and places.	General Fund (00100)	\$7,500

1.6	Executive (Office of Emergency Manageme nt)	FEMA via WA State Military Dept., Emergency Mgmt. Division	This FEMA Hazard Mitigation grant provides funding under Disaster Declaration DR-4481-WA to install efficient air conditioning (A/C) in 5 branches of the Seattle Public Library system currently without A/C, in order to serve as public cooling centers and mitigate consequences of extreme heat events.	General Fund (00100)	\$291,427
1.7	Executive (Office of Housing)	U.S. Department of Housing and Urban Development	The Pathways to Removing Obstacles to Housing (PRO Housing) grant supports identification and removal of barriers to affordable housing production and preservation.	Low Income Housing Fund (16400)	\$5,000,000
1.8	Executive (Office of Housing)	Bonneville Power Administratio n via the Washington State Department of Commerce	This Department of Commerce grant provides funding for program administration and delivery of weatherization and repair services to improve energy efficiency, and provide health and safety benefits for Eligible Low-Income Persons/Participants in areas served by the Bonneville Power Administration in both single and multi-family buildings.	Low Income Housing Fund (16400)	\$250,000
				Office of Housing Fund (16600)	\$50,000

1.9	Executive (Office of Planning and Community Development)	Federal Emergency Management Agency	This FEMA Hazard Mitigation grant provides funding under Disaster Declaration DR-4481-WA to develop a an equitable, citywide climate change mitigation strategy ("Seattle Climate Ready") in ways that prioritize vulnerable populations and places.	General Fund (00100)	\$142,500
1.10	Executive (Office of Sustainability and Environment)	USDA Food and Nutrition Service	This project with Seattle Public Schools and community organizations will expand fresh and local food in school meals and increase education and training for students and practitioners.	General Fund (00100)	\$99,736
1.11	Human Services Department	WA State Dept of Commerce	To provide shelter and other supports for unhoused migrants in the Seattle area.	Human Services Fund (16200)	\$385,310
1.12	Human Services Department	WA State DSHS	To provide shelter and other supports for unhoused migrants in the Seattle area.	Human Services Fund (16200)	\$2,197,070
1.13	Human Services Department	King County	Grant to provide funding for the Law Enforcement Assisted Diversion program.	Human Services Fund (16200)	\$1,376,179
1.14	Human Services Department	WA State Health Care Authority	Grant to provide funding for the Law Enforcement Assisted Diversion program in Seattle.	Human Services Fund (16200)	\$1,240,000
1.15	Human Services Department	Washington State DSHS	Grant to support outreach and information sharing with older adults on the WA CARES program.	Human Services Fund (16200)	\$315,000
1.16	Human Services Department	Washington State DSHS	Grant providing nutrition programs to older adults in Seattle & King County.	Human Services Fund (16200)	\$3,762,709

1.17	Human Services Department	Washington State DSHS	Grant providing care transitions support to assist individuals exiting a hospital stay.	Human Services Fund (16200)	\$255,514
1.18	Human Services Department	University of Washington	Grant providing training to enhance the ability of service providers working with older adults.	Human Services Fund (16200)	\$203,607
1.19	Law Department	U.S. Department of Transportation National Highway Traffic Safety Administration (NHTSA)	The State Traffic Safety Resource Prosecutor (State TSRP) is a continuing project aimed at reducing impaired driving in Washington State. The State TSRP trains and educates prosecutors, law enforcement, judges, probation staff, legislators, and hearing examiners on topics crucial to impaired driving enforcement. The State TSRP provides experienced litigation assistance in the courtroom, legal memoranda, research assistance and online assistance via the State TSRP website and newsletter.	General Fund (00100)	\$230,934
1.20	Legislative Department	Washington State Historical Society	The grant will be used to develop archivist exhibits based on existing audio recordings from Seattle City Council committee meetings and public hearings to more inclusively represent community participation in the democratic process.	General Fund (00100)	\$13,564

1.21	Seattle Department of Transportation	Federal Highway Administration	To accept federal grant funding for the design phase of the N 130th St - Bitter Lake to Haller Lake Mobility Improvements project. This project will establish a new multimodal corridor to connect riders to the future N 130th St light rail station, including improvements for transit operations and reliability, safety, and nonmotorized access.	Transportation Fund (13000)	\$5,460,000
1.22	Seattle Department of Transportation	Seattle City Light	This appropriation increase represents additional scope for streetlighting work agreed to by SDOT and SCL in Amendment 2 of the interdepartmental agreement each agency has executed governing the Madison Bus Rapid Transit project.	Transportation Fund (13000)	\$2,144,220
1.23	Seattle Department of Transportation	Port of Seattle	This agreement supplements funding for the construction of the Terminal 5 quiet zone improvements and tree establishment costs.	Transportation Fund (13000)	\$2,000,000
1.24	Seattle Fire Department	WA State Department of Ecology	The Washington State Department of Ecology Grant Program provides funding for oil spill and hazardous materials response and firefighting equipment, resources and trainings that support local, regional, and statewide emergency response to oil spills and hazardous materials incidents.	General Fund (00100)	\$100,000

1.25	Seattle Fire Department	WA Homeland Security	The objective of the Federal Fiscal Year (FFY) 2024 State Homeland Security Program (SHSP) is to fund state, local, tribal, and territorial efforts to prevent, protect against, and respond to terrorist attacks, and prepare the nation for threats and hazards that pose the greatest risk to the security of the United States.	General Fund (00100)	\$294,000
1.26	Seattle Information Technology Department	Cybersecurity and Infrastructure Security Agency	This grant is provided by FEMA via Cybersecurity and Infrastructure Security Agency (CISA) to local government entities to bolster their cyber security programs. The City of Seattle will be a host city for the 2026 the FIFA World Cup. The City will be hosting individuals from around the world including dignitaries, political leaders and World Cup athletes and teams. While currently there is a strong security posture it will be imperative that the City's shields are even stronger prior to and during the events.	Information Technology Fund (50410)	\$160,000

1.27	Seattle Information Technology Department	Cybersecurity and Infrastructure Security Agency	This grant provided by FEMA via Cybersecurity and Infrastructure Security Agency (CISA) to local government entities to bolster their cyber security programs. This project enables the City to provide appropriate technical security measures to ensure our most sensitive data is protected within and outside the City's environment through implementation of a Citywide Data Loss Prevention (DLP) and Information Protection (IP) initiative. This effort will bolster the City's ability to protect our critical data assets, ensure technical mechanisms are in place to support requirements in the City's IT Security Policy, and reduce security and breach risk associated with unauthorized data access.	Information Technology Fund (50410)	\$75,000
1.28	Seattle Parks and Recreation	King County Department of Natural Resources and Parks	This Parks Capital and Open Space Program grant supports the redesign of Little Brook Park in northeast Seattle to improve safety, accessibility, visibility, and community gathering through a community garden, raised play area, and other amenities.	Park And Recreation Fund (10200)	\$720,000

1.29	Seattle Parks and Recreation	King County Department of Natural Resources and Parks	This Parks Capital and Open Space Program grant supports design construction plans for the Kubota Garden Visitor Center including a courtyard, decks, all-gender restrooms, and displays of information about the garden and upcoming events.	Park And Recreation Fund (10200)	\$500,000
1.30	Seattle Parks and Recreation	Washington State Department of Commerce	This grant supports the Garfield Super Block Project to renovate a multi-use park with new accessible connections, play and sports areas, and restrooms.	Park And Recreation Fund (10200)	\$2,950,000
1.31	Seattle Parks and Recreation	National Park Service	This Washington State Land and Water Conservation Fund grant supports the Garfield Super Block project to renovate a multi-use park with new accessible connections, play and sports areas, and restrooms.	Park And Recreation Fund (10200)	\$1,996,506
1.32	Seattle Parks and Recreation	National Park Service	This Washington State Land and Water Conservation Fund grant supports the Rainier Beach Playfield Skatepark project to develop an inclusive skate park with new ADA connections, picnic shelters, a loop pathway around the park, and other amenities.	Park And Recreation Fund (10200)	\$1,000,000
1.33	Seattle Parks and Recreation	National Park Service	This Washington State Land and Water Conservation Fund grant supports the redesign of Little Brook Park in northeast Seattle to improve safety, accessibility, visibility, and community gathering through a community garden, raised play area, and other amenities.	Park And Recreation Fund (10200)	\$800,000

1.34	Seattle Parks and Recreation	Washington State Recreation and Conservation Office	This Washington Wildlife and Recreation Program grant supports the Rainier Beach Playfield Skatepark project to develop an inclusive skate park with new ADA connections, picnic shelters, a loop pathway around the park, and other amenities.	Park And Recreation Fund (10200)	\$500,000
1.35	Seattle Parks and Recreation	Washington State Recreation and Conservation Office	This Washington Wildlife and Recreation Program grant supports the redesign of Little Brook Park in northeast Seattle to improve safety, accessibility, visibility, and community gathering through a community garden, raised play area, and other amenities.	Park And Recreation Fund (10200)	\$500,000
1.36	Seattle Parks and Recreation	National Park Service	This Washington State Land and Water Conservation Fund grant supports park and playgroup improvements at Be'er Sheva Park.	Park And Recreation Fund (10200)	\$365,420
1.37	Seattle Parks and Recreation	King County Department of Natural Resources and Parks	This Youth and Amateur Sports Grant supports replacing synthetic turf and other accessibility upgrades at the Garfield baseball field.	Park And Recreation Fund (10200)	\$250,000
1.38	Seattle Parks and Recreation	King County Department of Natural Resources and Parks	This Youth and Amateur Sports Grant supports improvements at the Rainier Community Center playground.	Park And Recreation Fund (10200)	\$250,000
1.39	Seattle Parks and Recreation	King County Department of Natural Resources and Parks	This Parks Capital and Open Space Program grant supports the Garfield Super Block project to renovate a multi-use park with new accessible connections, play and sports areas, and restrooms.	Park And Recreation Fund (10200)	\$800,000

1.40	Seattle Parks and Recreation	King County Department of Natural Resources and Parks	This Parks Capital and Open Space Program grant supports the Rainier Beach Playfield Skatepark project to develop an inclusive skate park with new accessible connections, picnic shelters, a loop pathway around the park, and other amenities.	Park And Recreation Fund (10200)	\$850,000
1.41	Seattle Police Department	Downtown Business Improvement Area	This item provides enhanced police services in downtown Seattle.	General Fund (00100)	\$530,000
1.42	Seattle Police Department	Washington Traffic Safety Commission	This item provides funding for impaired driving training.	General Fund (00100)	\$65,000
1.43	Seattle Police Department	Washington State Department of Commerce	This item provides funding to purchase vehicle pursuit management technology.	General Fund (00100)	\$250,000
1.44	Seattle Public Library	Washington State Department of Commerce	The Washington State Department of Commerce grant will support the purchase and installation of Electric Vehicle charging stations at the Central Library, Rainier Beach Library, Green Lake Library, Beacon Hill Library, and the Library's Maintenance and Operations Center.	Library Fund (10410)	\$367,000
1.45	Seattle Public Library	Federal Emergency Management Agency (FEMA)	This FEMA- and state-funded grant provides funds under Disaster Declaration DR-4481-WA to install efficient air conditioning (A/C) in 5 branches of the Seattle Public Library system currently without A/C, in order to serve as public cooling centers and mitigate consequences of extreme heat events.	Library Fund (10410)	\$5,537,121

1.46	Seattle Public Utilities	Washington Department of Commerce	This item provides funding for the acquisition of the former Silver Bay property in South Park for a new water quality treatment facility and other community benefits. There is no expiration for this grant. The Grantor will automatically request re-appropriation of unused funds in next state budget cycle. The item will be entirely funded by the Washington Department of Commerce. There is no match requirement for this grant.	Drainage and Wastewater Fund (44010)	\$1,212,500
1.47	Seattle Public Utilities	Washington Department of Ecology	This item increases grant-backed appropriation authority in order to accept a grant from the Washington Department of Commerce. This item provides funding to reimburse SPU, an NPDES Permittee, for funds used to implement and manage its municipal stormwater programs that reduce pollutants discharged into local waterbodies.	Drainage and Wastewater Fund (44010)	\$130,000

1.48	Seattle Public Utilities	Washington Department of Commerce	This item increases grant-backed appropriation authority in order to accept a grant from the Washington Department of Commerce. This will provide support for SPU to study the potential for street sweeping to reduce amounts of 6PPD-q, a tire antioxidant lethal to Coho salmon, on roadways. The grant will expire 12/31/2028. The item will be entirely funded by the Washington Department of Commerce. There is no match requirement for this grant.	Drainage and Wastewater Fund (44010)	\$877,004
1.49	Seattle Public Utilities	Washington Department of Commerce	This item provides increases grant-backed appropriation authority in order to accept a grant from the Washington Department of Commerce. This item provides funding for the advancement of SPU's goal of carbon neutral operations by 2030. SPU will explore renewable energy generation opportunities at its facilities, such as landfill and rooftop solar installations, in-line hydropower, and battery storage installations. Through this study, SPU will define and identify the best facilities for renewable energy generation and craft a road map to address implementation challenges, including grid capacity and interconnection concerns.	Drainage and Wastewater Fund (44010)	\$500,000

1.50	Seattle Public Utilities	Environmental Protection Agency	This item would allow Seattle Public Utilities to accept a grant from the Environmental Protection Agency for the South Park Phase 2 Conveyance. The South Park Phase 2 Conveyance will create a formal drainage system to address significant drainage and flooding issues in South Park.	Drainage and Wastewater Fund (44010)	\$3,000,000
1.51	Seattle Public Utilities	Washington Department of Ecology	This item would allow Seattle Public Utilities to accept a grant from the Washington Department of Ecology for the North Thornton Natural Drainage System Project. The North Thornton Natural Drainage System Project will improve water quality in the Thornton Creek watershed by removing pollutants from urban stormwater runoff before discharging into Thornton Creek and its tributaries while also delivering co-benefits to the community.	Drainage and Wastewater Fund (44010)	\$4,564,580
1.52	Seattle Public Utilities	Washington Department of Health	This item is one of two items that provide funding for the Bitter Lake Reservoir project, which will replace the existing reservoir with a new 21 million gallon circular, partial-buried reservoir that includes community benefits.	Water Fund (43000)	\$12,000,000

1.53	Seattle Public Utilities	Washington Department of Health	This item is the second of two items funding the Bitter Lake Reservoir project, which will replace the existing reservoir with a new 21 million gallon circular, partial-buried reservoir that includes community benefits.	Water Fund (43000)	\$3,000,000
1.54	Seattle Public Utilities	Washington Department of Ecology	This is the second of two projects for the Natural Drainage System (NDS) Partnering Program and will identify, design, and build 15 -18 blocks of bioretention systems in the right-of-way in the separated Thornton Creek watershed.	Drainage and Wastewater Fund (44010)	\$11,891,739

1.55	Seattle Public Utilities	Washington Department of Ecology	This grant is for the development of a Remedial Investigation and Feasibility Study (RI/FS) for the contaminated sediments offshore of Gas Works Park and Harbor Patrol. Funding is being provided by the Washington State Department of Ecology using federal funding. There is no match requirement for this grant/loan. Funding is also being awarded to Seattle Parks and Recreation (SPR) for this project. Seattle Public Utilities and SPR are authorized to accept these funds under a 2012 Seattle ordinance authorizing these entities and Puget Sound Energy (PSE) to enter into a settlement, release, and cost allocation agreement for remediation of the combined gas Works Parks Upland sand North Lake Union sediments.	Drainage and Wastewater Fund (44010)	\$438,000
1.56	Executive (Office of Sustainability and Environment)	U.S. Department of Energy	This grant supports enforcement of Seattle's Building Emissions Performance Standards (BEPS) over 9 years (2025-2033), aiming to help achieve 90% compliance and provide funding for workforce development.	General Fund (00100)	\$17,222,016
TOTAL					\$100,400,676

Section 2. Contingent upon the execution of grant or other funding agreements and receipt of the funds authorized in Section 1 of this ordinance, the appropriations in the 2024 Budget for the following items are

increased from the funds shown, as follows:

Item	Department	Fund	Budget Summary Level/BCL Code	CIP Project/ID	Change to 2024 Appropriations
2.1	Community Assisted Response and Engagement	General Fund (00100)	Community Assisted Response and Engagement (00100-BO-CS-40000)		\$68,000
2.2	Department of Finance and Administrative Services	General Fund (00100)	FAS Oversight-External Projects (00100-BC-FA-EXTPROJ)	Energy Efficiency for Municipal Buildings (MC-FA-ENEFFMBLD)	\$681,520
2.3	Executive (Office of Economic Development)	General Fund (00100)	Business Services (00100-BO-ED-X1D00)		\$30,000
2.4	Executive (Office of Economic Development)	General Fund (00100)	Business Services (00100-BO-ED-X1D00)		\$500,000
2.5	Executive (Office of Emergency Management)	General Fund (00100)	Office of Emergency Management (00100-BO-EP-10000)		\$7,500
2.6	Executive (Office of Emergency Management)	General Fund (00100)	Office of Emergency Management (00100-BO-EP-10000)		\$291,427
2.7	Executive (Office of Housing)	Low Income Housing Fund (16400)	Homeownership & Sustainability (16400-BO-HU-2000)		\$5,000,000
2.8	Executive (Office of Housing)	Low Income Housing Fund (16400)	Homeownership & Sustainability (16400-BO-HU-2000)		\$250,000

2.9	Executive (Office of Housing)	Office of Housing Fund (16600)	Homeownership & Sustainability (16600-BO-HU- 2000)		\$50,000
2.10	Executive (Office of Planning and Community Development)	General Fund (00100)	Planning and Community Development (00100 -BO-PC-X2P00)		\$142,500
2.11	Executive (Office of Sustainability and Environment)	General Fund (00100)	Office of Sustainability and Environment (00100 -BO-SE-X1000)		\$99,736
2.12	Human Services Department	Human Services Fund (16200)	Addressing Homelessness (16200-BO-HS- H3000)		\$367,452
2.13	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS- H5000)		\$17,858
2.14	Human Services Department	Human Services Fund (16200)	Addressing Homelessness (16200-BO-HS- H3000)		\$2,110,443
2.15	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS- H5000)		\$86,627
2.16	Human Services Department	Human Services Fund (16200)	Supporting Safe Communities (16200 -BO-HS-H4000)		\$1,376,179
2.17	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS- H5000)		\$7,273
2.18	Human Services Department	Human Services Fund (16200)	Supporting Safe Communities (16200 -BO-HS-H4000)		\$1,232,727

2.19	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS-H5000)		\$22,303
2.20	Human Services Department	Human Services Fund (16200)	Promoting Healthy Aging (16200-BO-HS-H6000)		\$292,697
2.21	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS-H5000)		\$266,417
2.22	Human Services Department	Human Services Fund (16200)	Supporting Affordability and Livability (16200-BO-HS-H1000)		\$3,496,292
2.23	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS-H5000)		\$18,092
2.24	Human Services Department	Human Services Fund (16200)	Promoting Healthy Aging (16200-BO-HS-H6000)		\$237,422
2.25	Human Services Department	Human Services Fund (16200)	Leadership and Administration (16200-BO-HS-H5000)		\$15,515
2.26	Human Services Department	Human Services Fund (16200)	Promoting Healthy Aging (16200-BO-HS-H6000)		\$188,092
2.27	Law Department	General Fund (00100)	Criminal (00100-BO-LW-J1500)		\$230,934
2.28	Legislative Department	General Fund (00100)	Legislative Department (00100-BO-LG-G1000)		\$13,564
2.29	Seattle Department of Transportation	Transportation Fund (13000)	Mobility-Capital (13000-BC-TR-19003)	Madison BRT - RapidRide G Line (MC-TR-C051)	\$2,144,220

2.30	Seattle Department of Transportation	Transportation Fund (13000)	Major Maintenance/Replacement (13000-BC-TR-19001)	Urban Forestry Capital Establishment (MC-TR-C050)	\$10,522
2.31	Seattle Department of Transportation	Transportation Fund (13000)	Mobility-Capital (13000-BC-TR-19003)	Freight Spot Improvement Program (MC-TR-C047)	\$1,989,478
2.32	Seattle Fire Department	General Fund (00100)	Operations (00100-BO-FD-F3000)		\$100,000
2.33	Seattle Fire Department	General Fund (00100)	Operations (00100-BO-FD-F3000)		\$294,000
2.34	Seattle Information Technology Department	Information Technology Fund (50410)	Applications (50410-BO-IT-D0600)		\$160,000
2.35	Seattle Information Technology Department	Information Technology Fund (50410)	Applications (50410-BO-IT-D0600)		\$75,000
2.36	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$720,000
2.37	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$500,000
2.38	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$2,950,000

2.39	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$1,996,506
2.40	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$1,000,000
2.41	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$800,000
2.42	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$500,000
2.43	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$500,000
2.44	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$365,420
2.45	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$250,000

2.46	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$250,000
2.47	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$800,000
2.48	Seattle Parks and Recreation	Park And Recreation Fund (10200)	Fix It First (10200-BC-PR-40000)	Major Maintenance and Asset Management (MC-PR-41001)	\$850,000
2.49	Seattle Police Department	General Fund (00100)	Special Operations (00100-BO-SP-P3400)		\$530,000
2.50	Seattle Police Department	General Fund (00100)	Leadership and Administration (00100-BO-SP-P1600)		\$65,000
2.51	Seattle Police Department	General Fund (00100)	Technical Services (00100-BO-SP-P8000)		\$250,000
2.52	Seattle Public Library	Library Fund (10410)	Capital Improvements (10410-BC-PL-B3000)		\$367,000
2.53	Seattle Public Library	Library Fund (10410)	Capital Improvements (10410-BC-PL-B3000)	Library Major Maintenance (MC-PL-B3011)	\$5,537,121
2.54	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$1,212,500

2.55	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$130,000
2.56	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$877,004
2.57	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$500,000
2.58	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Flooding, Sewer Backup & Landslide (44010-BC-SU-C380B)	South Park Stormwater Program (MC-SU-C3806)	\$3,000,000
2.59	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Combined Sewer Overflows (44010-BC-SU-C360B)	Future CSO Projects (MC-SU-C3612)	\$4,564,580
2.60	Seattle Public Utilities	Water Fund (43000)	Water Quality & Treatment (43000-BC-SU-C140B)	Reservoir Covering-Bitter Lake (MC-SU-C1419)	\$12,000,000
2.61	Seattle Public Utilities	Water Fund (43000)	Water Quality & Treatment (43000-BC-SU-C140B)	Reservoir Covering-Bitter Lake (MC-SU-C1419)	\$3,000,000
2.62	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Protection of Beneficial Uses (44010-BC-SU-C333B)	GSI for Protection of Beneficial Uses (MC-SU-C3316)	\$11,891,739

2.63	Seattle Public Utilities	Drainage and Wastewater Fund (44010)	Sediments (44010-BC-SU-C350B)	Sediment Remediation (MC-SU-C3503)	\$438,000
2.64	Executive (Office of Sustainability and Environment)	General Fund (00100)	Office of Sustainability and Environment (00100-BO-SE-X1000)		\$1,300,000
TOTAL					\$79,018,660

Unspent funds so appropriated shall carry forward to subsequent fiscal years until they are exhausted or abandoned by ordinance, except for items 2.12 and 2.13. Additionally, on December 31 annually, for each appropriation in this section, if the remaining funds are \$1.00 or less, that appropriation is abandoned.

Allocation modifications for the Seattle Department of Transportation and Seattle Public Utilities in this section shall operate for the purposes of increasing or decreasing the base for the limit imposed by subsection 4 (c) of Ordinance 126955.

Section 3. Any act consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 4. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by
me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved / returned unsigned / vetoed this _____ day of _____, 2024.

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office		Candice Foote

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to acceptance of funding from non-City sources; authorizing the heads of various departments to accept and authorize the expenditure of specified grants, private funding, and subsidized loans and to execute, deliver, and perform corresponding agreements; amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; revising project allocations for certain projects in the 2024-2029 CIP; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: This ordinance proposes the acceptance of grants and/or private funds or donations from various agencies and organizations and authorizes the expenditure of funding backed by their respective revenue sources.

During the year, City departments receive grant awards or opportunities for other funding resources that are not anticipated in the Adopted Budget. The City Budget Office formally accepts these funds by compiling departmental grants acceptances and similar agreements in separate ordinances throughout the year.

This ordinance includes acceptance of a grant for the Seattle Department of Transportation from the Federal Highway Administration for \$5.46 million that will be included in a future ordinance for revenue and appropriation impacts. This grant is required to be formally accepted before year end. As such it is not reflected in appropriation or revenue estimates in Section 3 of the fiscal note.

The attached ordinance contains requests related to grants, donations, or other private funding agreements, modifying the Adopted Budget for the third and fourth quarters of 2024. This ordinance includes language that automatically abandons automatic carryforward items between \$0.00 and \$1.00 without returning to the Council. This provision assists departments in cleaning up small remaining appropriation authority before carryforward processes run. Remaining grant balances over \$1.00 will continue to come to the Council for abandonment.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

☒ Yes ☐ No

See Summary Attachment A for additional details.

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

☒ Yes ☐ No

Expenditure Change (\$);	2024	2025 est.	2026 est.	2027 est.	2028 est.
General Fund	\$4,604,181	0	0	0	0
Expenditure Change (\$);	2024	2025 est.*	2026 est.*	2027 est.	2028 est.

3.a. Appropriations

☒ This legislation adds, changes, or deletes appropriations.

See Summary Attachment A for additional details.

3.b. Revenues/Reimbursements

☒ This legislation adds, changes, or deletes revenues or reimbursements.

See Summary Attachment A for additional details.

3.c. Positions

☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts. No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources. None

Please describe any financial costs or other impacts of *not* implementing the legislation.
Without these resources, departments will be unable to carry out the work as described in Summary Attachment A without affecting other resources.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

This legislation is prepared by the City Budget Office on behalf of other departments and impacts a number of departments' 2024 budgets as outlined in Summary Attachment A.

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**
No

- c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**

Please see Summary Attachment A for additional details regarding the types and locations of grants being accepted.

- i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**

Please see Summary Attachment A for additional details regarding the types and locations of grants being accepted.

- ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.**

Please see Summary Attachment A for additional details regarding the types and locations of grants being accepted.

- iii. What is the Language Access Plan for any communications to the public?**

Please see Summary Attachment A for additional details regarding the types and locations of grants being accepted.

- d. Climate Change Implications**

- i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.**

Please see Summary Attachment A for additional details on grants that may affect carbon emissions.

- ii. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle’s resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**

Please see Summary Attachment A for additional details on grants that may affect Seattle’s resiliency.

- e. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program’s desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?**

Grant funding goals are outlined in specific grant agreements. Please see Summary Attachment A for details on the grant purpose as it pertains to grant agreement goals.

5. CHECKLIST

- ☐ Is a public hearing required?
- ☐ Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required?
- ☒ If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies?
- ☐ Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?

6. ATTACHMENTS

Summary Attachments:

Summary Attachment A – 2024 Year-End Grant Acceptance Ordinance Detail Table

Item	Department	Source	Description	Fund	Budget Summary Level / BCL Code	Capital Project / ID	Accepted	Appropriated
1.1 / 2.1	Community Assisted Response and Engagement	Association of Washington Cities	This item increases appropriation authority by \$68,000 in the CS BSL (BO-CS-40000). This grant funding is from the Association of Washington Cities. This item provides funding to pay for salaries and benefit costs for Behavioral Health Professionals (Community Crisis Responders) employed by the CARE team. The CARE department accepts and manages this grant. There is no match. The period of performance for this grant is 7/1/2024-6/30/2025. This grant will be used to pay for salary and benefit costs of Behavioral Health Professionals (BHP) employed by the CARE program.	General Fund (00100)	Community Assisted Response and Engagement (00100-BO-CS-40000)		\$68,000	\$68,000
1.2 / 2.2	Department of Finance and Administrative Services	Department of Energy	This item increases grant-backed appropriation authority by \$681,520 in the Department of Finance and Administrative Services General Fund FAS Oversight-External Projects Budget Control Level (00100-BC-FA-EXTPROJ). This grant is awarded by the Department of Energy and will support the Municipal Energy and Emissions Program (MEEP), managed by the Office of Sustainability and Environment. This funding will be used to upgrade a group of municipally-owned, community-serving buildings including transitioning the buildings' space and water heating from fossil fuels to carbon neutral electricity, supporting improved indoor air quality, reducing energy use and GHG emissions, and providing cooling to community members. There is a match commitment of \$40,000 required for this award, which is supported by revenue backed general fund appropriation generated by utility rebates. Existing MEEP staff are responsible for staffing this project; there are no other staffing implications. The period of performance is 5/24/24 - 3/1/26.	General Fund (00100)	FAS Oversight-External Projects (00100-BC-FA-EXTPROJ)	Energy Efficiency for Municipal Buildings (MC-FA-ENEFFMBLD)	\$681,520	\$681,520
1.3 / 2.3	Executive (Office of Economic Development)	Department of Commerce	This item increases grant-backed appropriation authority by \$30,000 in the Office of Economic Development, in the General Fund Business Services Budget Control Level (00100-BO-ED-X1D00). This grant from the Washington State Department of Commerce will support a program sponsorship of the M5 building film production programs and will provide reduced rate access to hot desks and film production offices. This grant does not require a local match and will not result in ongoing costs after the period of performance.	General Fund (00100)	Business Services (00100-BO-ED-X1D00)		\$30,000	\$30,000
1.4 / 2.4	Executive (Office of Economic Development)	Department of Commerce	This item increases grant-back appropriation authority by \$500,000 in the Office of Economic Development, in the General Fund Business Services Budget Control Level (00100-BO-ED-X1D00). This grant from the Washington State Department of Commerce will be used to lease space for nonprofit and academic institutions to incubate technology business start-ups, especially those focusing on artificial intelligence and develop and teach curricula to skill up workers to use artificial intelligence as a business resource. The period of performance for this grant runs from July 1, 2024 through June 30, 2025. This grant does not require a local match and will not result in ongoing costs after the period of performance.	General Fund (00100)	Business Services (00100-BO-ED-X1D00)		\$500,000	\$500,000

Item	Department	Source	Description	Fund	Budget Summary Level / BCL Code	Capital Project / ID	Accepted	Appropriated
1.5 / 2.5	Executive (Office of Emergency Management)	FEMA via WA State Military Dept, Emergency Mgmt. Division	This item increases grant-backed appropriation authority by \$7,500 in the Office of Emergency Management (OEM), General Fund Budget Control Level (00100-BO-EP-10000). Funding is from the FEMA Hazard Mitigation Grant Program (HMGP), as a pass-through via WA State Military Department, Emergency Management Division. This grant provides funding under Disaster Declaration DR-4481-WA to develop an equitable, citywide climate change mitigation strategy ("Seattle Climate Ready") in ways that prioritize vulnerable populations and places. The \$7,500 grant award to OEM is 100% Federal funds for Subrecipient Management Costs (SMC), with no OEM matching requirement. In addition to this SMC award for OEM, OPCD has been awarded \$142,500 in external funds for Project Costs (\$135,000 Federal + \$7,500 State; plus a \$7,500 match requirement). OPCD portion to be entered separately.	General Fund (00100)	Office of Emergency Management (00100-BO-EP-10000)		\$7,500	\$7,500
1.6 / 2.6	Executive (Office of Emergency Management)	FEMA via WA State Military Dept., Emergency Mgmt. Division	This item increases grant-backed appropriation authority by \$291,427 in the Office of Emergency Management (OEM), General Fund Budget Control Level (00100-BO-EP-10000). Funding is from the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program (HMGP), as a pass-through via Washington (WA) State Military Department, Emergency Management Division. This grant provides funding under Disaster Declaration DR-4481-WA to install efficient air conditioning (A/C) in 5 branches of the Seattle Public Library system currently without A/C, in order to serve as public cooling centers and mitigate consequences of extreme heat events. In addition to this award for OEM, Seattle Public Libraries has been awarded \$5,537,121 in state and federal funds for project costs. No match is required by OEM.	General Fund (00100)	Office of Emergency Management (00100-BO-EP-10000)		\$291,427	\$291,427
1.7 / 2.7	Executive (Office of Housing)	U.S. Department of Housing and Urban Development	This item increase grant-backed appropriation authority by \$5,000,000 in Office of Housing, in the Low Income Housing Fund Homeownership & Sustainability Budget Control Level (16400-BO-HU-2000). This item is necessary to appropriate funding received from the U.S. Department of Housing and Urban Development's Pathways to Removing Obstacles to Housing (PRO Housing) grant program. This grant funding will be used to identify and remove barriers to affordable housing production and preservation. Roughly 7 in 10 households with incomes at or below 80% Area Median Income (AMI) are housing cost burdened. PRO Housing funding will enable Seattle to relieve financial pressure from nonprofit homeownership organizations and create affordable homeownership opportunities. The period of performance for this grant runs through December 31, 2030, and the Office of Housing anticipates spending \$1,000,000 annually. This grant does not require a local match and will not result in ongoing costs after the period of performance.	Low Income Housing Fund (16400)	Homeownership & Sustainability (16400-BO-HU-2000)		\$5,000,000	\$5,000,000
1.8 / 2.8	Executive (Office of Housing)	Bonneville Power Administration via the Washington Department of Commerce	This item increases grant-backed appropriation authority from a Bonneville Power Administration (BPA) grant in the Office of Housing by \$250,000 in the Low Income Housing Fund Homeownership & Sustainability Budget Control Level (16400-BO-HU-2000), and by \$50,000 in the Office Housing Fund Homeownership & Sustainability Budget Control Level (16400-BO-HU-2000). This grant supports weatherization projects for low-income households. The period of performance for the grant runs from October 1, 2024 through September 30, 2025. This grant does not require a local match and will not result in ongoing costs after the period of performance.	Low Income Housing Fund (16400)	Homeownership & Sustainability (16400-BO-HU-2000)		\$250,000	\$250,000
1.8 / 2.9	Executive (Office of Housing)			Office of Housing Fund (16600)	Homeownership & Sustainability (16600-BO-HU-2000)		\$50,000	\$50,000

1.9 / 2.10	Executive (Office of Planning and Community Development)	Federal Emergency Management Agency	This item increases grant-backed appropriation authority by \$142,500 in the Office of Planning and Community Development's General Fund Planning and Community Development Budget Control Level (00100-BO-PC-X2P00). Funding is from the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program (HMGP) as a pass-through via the Washington State Military Department, Emergency Management Division. This grant provides funding to develop an equitable, citywide climate change mitigation strategy that prioritizes vulnerable populations and places. The Office of Emergency Management is receiving an additional award for sub recipient management costs and the state is providing half of the local match requirement. The City's local match requirement for OPCD's grant is \$7,500, which will be met through work performed by existing staff in OPCD. There are no ongoing costs due to this grant acceptance. The period of performance is through May 2, 2026.	General Fund (00100)	Planning and Community Development (00100-BO-PC-X2P00)		\$142,500	\$142,500
1.10 / 2.11	Executive (Office of Sustainability and Environment)	USDA Food and Nutrition Service	This item increases grant-backed appropriation authority by \$99,736 in the Office of Sustainability & Environment (OSE), in the General Fund Sustainability and Environment Budget Control Level (00100-BO-SE-X1000). This grant is awarded by the USDA Food and Nutrition Services, and will be used to expand fresh and local food in school meals at Seattle Public Schools and increase education and training for students and practitioners. There is a match commitment of \$243,232 required for this award, which is included in OSE's base budget using Sweetened Beverage Tax funds. The OSE Food Policy Advisor is responsible for staffing this project; there are no other staffing impacts. The period of performance is 7/22/24 - 6/30/26.	General Fund (00100)	Office of Sustainability and Environment (00100-BO-SE-X1000)		\$99,736	\$99,736
1.11 / 2.12	Human Services Department	WA State Dept of Commerce	This item increases appropriation authority by \$367,452 in the Human Services Fund Addressing Homelessness Budget Summary Level (16200-PO-HS-H3000) and \$17,858 in the Human Services Fund Leadership & Administration Budget Summary Level (16200-PO-HS-H5000). This grant funding is from the Washington State Department of Commerce and provides funding to support unhoused migrants in the Seattle area. The period of performance is 5/24-6/30/25. There is not a match requirement. There are no ongoing cost impacts by accepting this grant.	Human Services Fund (16200)	Addressing Homelessness (16200-BO-HS-H3000)		\$385,310	\$367,452
1.11 / 2.13					Leadership and Administration (16200-BO-HS-H5000)			\$17,858
1.12 / 2.14	Human Services Department	WA State DSHS	This item increases appropriation authority by \$2,110,243 in the Human Services Fund Addressing Homelessness Budget Summary Level (16200-PO-HS-H3000) and \$86,627 in the Human Services Fund Leadership & Administration Budget Summary Level (16200-PO-HS-H5000). This grant funding is from the Washington State Department of Community & Human Services and provides funding to support unhoused migrants in the Seattle area. The period of performance is 7/1/24-6/30/25. There is not a match requirement. There are no ongoing cost impacts by accepting this grant.	Human Services Fund (16200)	Addressing Homelessness (16200-BO-HS-H3000)		\$2,197,070	\$2,110,443
1.12 / 2.15					Leadership and Administration (16200-BO-HS-H5000)			\$86,627
1.13 / 2.16	Human Services Department	King County	This item increases appropriation authority by \$1,376,179 in the Human Services Fund Supporting Safe Communities Budget Summary Level (16200-PO-HS-H4000). This grant funding is from the King County and provides funding to support the Law Enforcement Assisted Diversion program. The period of performance is 1/1/24-12/31/24. There is not a match requirement. There are no ongoing cost impacts by accepting this grant.	Human Services Fund (16200)	Supporting Safe Communities (16200-BO-HS-H4000)		\$1,376,179	\$1,376,179

1.20 / 2.28	Legislative Department	Washington State Historical Society	This item increases grant-backed appropriation authority by \$13,564 in the Legislative Department, in the General Fund Legislative Department Budget Control Level (00100-LG-G1000). This grant funding is from the Washington State Historical Society for 2024-2025. This funding from the Diversity in Local History grant program will be used to develop archivist exhibits based on existing audio recordings from Seattle City Council committee meetings and public hearings to more inclusively represent community participation in the democratic process. There is no match required and no ongoing cost impacts as a result of accepting this grant.	General Fund (00100)	Legislative Department (00100-BO-LG-G1000)		\$13,564	\$13,564
1.22 / 2.29	Seattle Department of Transportation	Seattle City Light	This item increases appropriation authority by \$2,144,220 in the Seattle Department of Transportation (SDOT), in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003). This item will add appropriation to pay for the existing streetlighting costs during construction of the Madison Bus Rapid Transit project. Seattle City Light will reimburse SDOT for these costs.	Transportation Fund (13000)	Mobility-Capital (13000-BC-TR-19003)	Madison BRT - RapidRide G Line (MC-TR-C051)	\$2,144,220	\$2,144,220
1.23 / 2.30	Seattle Department of Transportation	Port of Seattle	This item increases appropriation authority by \$1,989,478 in the Seattle Department of Transportation, in the Transportation Fund Mobility-Capital Budget Control Level (13000-BC-TR-19003) and by \$10,522 in the Transportation Fund Major Maintenance Budget Control Level (13000-BC-TR-19001). This item adds appropriation authority to the Freight Spot Improvement Program (MC-TR-C047) and Urban Forestry Capital Establishment Program (MC-TR-C050) to complete design, construction, and implementation of infrastructure to establish a Federal Railroad Administration-designated quiet zone at Terminal 5. This item is needed to reflect the updated contractor estimate on construction cost escalation and schedule delays caused by West Seattle Bridge repairs.	Transportation Fund (13000)	Major Maintenance/Replacement (13000-BC-TR-19001)	Urban Forestry Capital Establishment (MC-TR-C050)	\$2,000,000	\$10,522
1.23 / 2.31					Mobility-Capital (13000-BC-TR-19003)	Freight Spot Improvement Program (MC-TR-C047)		\$1,989,478
1.24 / 2.32	Seattle Fire Department	WA State Department of Ecology	This item increases grant-backed appropriation authority by \$100,000 in the Seattle Fire Department, in the General Fund Budget Control Level (00100-BO-FD-F3000). This grant funding is from the Washington State Department of Ecology for fiscal year 2024. This item provided funding to SFD to purchase firefighting foam, hose, nozzles and associated equipment to support hazardous materials response. The period of performance is until 6/30/2025. There are no new positions associated with this project and no match required. There are no ongoing cost impacts by accepting this grant.	General Fund (00100)	Operations (00100-BO-FD-F3000)		\$100,000	\$100,000
1.25 / 2.33	Seattle Fire Department	WA Homeland Security	This item increases grant-backed appropriation authority by \$294000 in the Seattle Fire Department (SFD) General Fund, Operations Budget Control Level (00100-BO-FD-F3000). The grant funding is from the Federal Emergency Management Agency (FEMA) of the Department of Homeland Security through the King County Office of Emergency Management, will fund additional Joint Hazard Assessment Team Training, Structural Collapse training, Nerve Agent Antidote Kits, and Infrared Spectrometer Detectors. The Seattle Fire Department provides training for other jurisdictions in the region. There are no positions or match required for this grant. There are no ongoing cost impacts by accepting this grant.	General Fund (00100)	Operations (00100-BO-FD-F3000)		\$294,000	\$294,000
1.26 / 2.34	Seattle Information Technology Department	Cybersecurity and Infrastructure Security Agency	This item increases grant-backed appropriation authority by \$160,000 in the ITD, in the Digital Security & Risk BSL. The funding is provided by FEMA via Cybersecurity and Infrastructure Security Agency (CISA) to local government entities to bolster their cyber security programs. The City of Seattle will be a host city for the 2026 the FIFA World Cup.	Information Technology Fund (50410)	Applications (50410-BO-IT-D0600)		\$160,000	\$160,000

Item	Department	Source	Description	Fund	Budget Summary Level / BCL Code	Capital Project / ID	Accepted	Appropriated
1.41 / 2.49	Seattle Police Department	Downtown Business Improvement Area	This item increases appropriation authority by \$530,000 in the Seattle Police Department in the Special Operations BSL (BO-SP-P3400) from the Downtown Business Improvement Area (DBIA). This item provides funding to enhance police presence and to help further provide for safety and protection of the public, businesses, and property owners within the DBIA boundaries. The term of this contract runs from July 1, 2024 to June 30, 2025. There are no matching or capital improvement projects associated with this item.	General Fund (00100)	Special Operations (00100-BO-SP-P3400)		\$530,000	\$530,000
1.42 / 2.50	Seattle Police Department	Washington Traffic Safety Commission	This item increases appropriation authority by \$65,000 in the Seattle Police Department in the Leadership and Administration BSL (BO-SP-P1600) from the Washington Traffic Safety Commission under the Impaired Driving Training Grant program. This item provides funding to facilitate impaired driving training for the Seattle Police Department and surrounding agencies. The term of this grant runs from October 1, 2024 to September 30, 2025. There are no matching requirements or capital improvement projects associated with this item.	General Fund (00100)	Leadership and Administration (00100-BO-SP-P1600)		\$65,000	\$65,000
1.43 / 2.51	Seattle Police Department	Washington State Department of Commerce	This item increases appropriation authority by \$250,000 in Seattle Police Department in the Technical Services BSL (BO-SP-P8000) from the Washington State Department of Commerce under the Law Enforcement Vehicle Pursuit Technology Grant Program. This item provides funding to purchase the following modern vehicle pursuit management technology: 30 StarChase vehicle mounted GPS launchers and 30 StarChase subscriptions. The technology will assist patrol activities including, but not limited to, vehicle pursuit mitigation. The term of this grant runs from July 1, 2024 to June 30, 2025. There are no matching requirements or capital improvement projects associated with this item.	General Fund (00100)	Technical Services (00100-BO-SP-P8000)		\$250,000	\$250,000
1.44 / 2.52	Seattle Public Library	Washington State Department of Commerce	This item increases revenue-backed appropriation authority by \$367,000 in the Library Capital Improvements BSL (10410-BC-PL-B3000). The Washington State Department of Commerce grant will support the purchase and installation of Electric Vehicle charging stations at the Central Library, Rainier Beach Library, Green Lake Library, Beacon Hill Library, and the Library’s Maintenance and Operations Center. There is a 25% matching requirement for this grant, which will be funded through use of existing Library resources.	Library Fund (10410)	Capital Improvements (10410-BC-PL-B3000)		\$367,000	\$367,000
1.45 / 2.53	Seattle Public Library	Federal Emergency Management Agency (FEMA)	This item increases grant-backed appropriation authority by \$5,537,121 in the Library Capital Improvements BSL (10410-BC-PL-B3000). Funding is from the FEMA Hazard Mitigation Grant Program (HMGP), as a pass-through via WA State Military Department, Emergency Management Division. This grant provides funding under Disaster Declaration DR-4481-WA to install efficient air conditioning (A/C) in 5 branches of the Seattle Public Library system currently without A/C, in order to serve as public cooling centers and mitigate consequences of extreme heat events. This SPL \$5,537,121 award for Project Costs is comprised of: \$5,245,694 Federal Funds + \$291,427 State Funds. An additional required \$291,427 match will be met by SPL from 2019 voter-approved Levy funds, for a total Project Cost of \$5,828,549. OEM is receiving a related grant for subrecipient management costs (\$291,427) that is not part of the total grant project cost but is associated with the overall effort.	Library Fund (10410)	Capital Improvements (10410-BC-PL-B3000)	Library Major Maintenance (MC-PL-B3011)	\$5,537,121	\$5,537,121

1.46 / 2.54	Seattle Public Utilities	Washington Department of Commerce	This item increases grant-backed appropriation authority by \$1,212,500 in Seattle Public Utilities, in the Drainage and Wastewater Services and Operations Budget Control Level (44010-BO-SU-N200B), in order to accept a grant from the Washington Department of Commerce. This item provides funding for the acquisition of the former Silver Bay property in South Park for a new water quality treatment facility and other community benefits. There is no expiration for this grant. The Grantor will automatically request re-appropriation of unused funds in next state budget cycle. The item will be entirely funded by the Washington Department of Commerce. There is no match requirement for this grant.	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$1,212,500	\$1,212,500
1.47 / 2.55	Seattle Public Utilities	Washington Department of Ecology	This item increases grant-backed appropriation authority by \$130,000 in Seattle Public Utilities, in the Drainage and Wastewater Utility Services and Operations Budget Control Level (44010-BO-SU-N200B), in order to accept a grant from the Washington Department of Commerce. This item provides funding to reimburse SPU, an NPDES Permittee, for funds used to implement and manage its municipal stormwater programs that reduce pollutants discharged into local waterbodies.	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$130,000	\$130,000
1.48 / 2.56	Seattle Public Utilities	Washington Department of Commerce	This item increases grant-backed appropriation authority by \$877,004 in Seattle Public Utilities, in the Drainage and Wastewater Services and Operations Budget Control Level (44010-BO-SU-N200B), in order to accept a grant from the Washington Department of Commerce. This item will provide support for SPU to study the potential for street sweeping to reduce the amount of 6PPD-q, a tire antioxidant lethal to coho salmon, on roadways. The grant will expire 12/31/2028. The item will be entirely funded by the Washington Department of Commerce. There is no match requirement for this grant.	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$877,004	\$877,004
1.49 / 2.57	Seattle Public Utilities	Washington Department of Commerce	This item provides increases grant-backed appropriation authority by \$500,000 in Seattle Public Utilities, in the Drainage and Wastewater Utility Services and Operations Budget Control Level (44010-BO-SU-N200B), in order to accept a grant from the Washington Department of Commerce. This item provides funding for the advancement of SPU’s goal of carbon neutral operations by 2030. SPU will explore renewable energy generation opportunities at its facilities, such as landfill and rooftop solar installations, in-line hydropower, and battery storage installations. Through this study, SPU will define and identify the best facilities for renewable energy generation and craft a road map to address implementation challenges, including grid capacity and interconnection concerns.	Drainage and Wastewater Fund (44010)	Utility Service and Operations (44010-BO-SU-N200B)		\$500,000	\$500,000
1.50 / 2.58	Seattle Public Utilities	Environmental Protection Agency	This item increases grant-backed appropriation authority by \$3,000,000 in Seattle Public Utilities, in the Drainage & Wastewater Fund Flooding, Sewer Backup & Landslide Budget Control Level (44010-BC-SU-C380B). This item would allow Seattle Public Utilities to accept a grant from the Environmental Protection Agency (EPA) for the South Park Phase 2 Conveyance. The South Park Phase 2 Conveyance will create a formal drainage system to address significant drainage and flooding issues in South Park. There is no expiration for this Grant. The conveyance will be entirely funded by the EPA via the federal government. There is no match requirement for this grant.	Drainage and Wastewater Fund (44010)	Flooding, Sewer Backup & Landslide (44010-BC-SU-C380B)	South Park Stormwater Program (MC-SU-C3806)	\$3,000,000	\$3,000,000

Item	Department	Source	Description	Fund	Budget Summary Level / BCL Code	Capital Project / ID	Accepted	Appropriated
1.51 / 2.59	Seattle Public Utilities	Washington Department of Ecology	This item increases grant-backed appropriation authority by \$4,564,580 in Seattle Public Utilities, in the Drainage & Wastewater Fund Flooding, Combined Sewer Overflows Budget Control Level (44010-BC-SU-C360B). The North Thornton Natural Drainage System Project will improve water quality in the Thornton Creek watershed by removing pollutants from urban stormwater runoff before discharging into Thornton Creek and its tributaries while also delivering co-benefits to the community. The item is structured as a loan with a duration of 30 years, an interest rate of 1.6%, and forgivable principle of \$3,698,000. The project will be entirely funded by the Washington Department of Ecology. There is no match requirement.	Drainage and Wastewater Fund (44010)	Combined Sewer Overflows (44010-BC-SU-C360B)	Future CSO Projects (MC-SU-C3612)	\$4,564,580	\$4,564,580
1.52 / 2.60	Seattle Public Utilities	Washington Department of Health	This item increases grant-backed appropriation authority by \$12,000,000 in Seattle Public Utilities, in the Drainage & Wastewater Fund Flooding, Water Quality & Treatment Budget Control Level (44010-BC-SU-C140B). The Bitter Lake Reservoir project replaces the existing reservoir with a new 21 million gallon circular, partial-buried reservoir that includes community benefits. This grant is structured as a loan, with a duration of 24 years at an interest rate of 1.75%. There is no match requirement. The project will be entirely funded by the Washington Department of Ecology. The project will be entirely funded by the Washington Department of Ecology.	Water Fund (43000)	Water Quality & Treatment (43000-BC-SU-C140B)	Reservoir Covering-Bitter Lake (MC-SU-C1419)	\$12,000,000	\$12,000,000
1.53 / 2.61	Seattle Public Utilities	Washington Department of Health	This item increases grant-backed appropriation authority by \$3,000,000 in Seattle Public Utilities, in the Drainage & Wastewater Fund Flooding, Water Quality & Treatment Budget Control Level (44010-BC-SU-C140B). The Bitter Lake Reservoir project replaces the existing reservoir with a new 21 million gallon circular, partial-buried reservoir that includes community benefits. This grant is structured as a loan, with a duration of 20 years at an interest rate of 2.25%. The project will be entirely funded by the Washington Department of Ecology.	Water Fund (43000)	Water Quality & Treatment (43000-BC-SU-C140B)	Reservoir Covering-Bitter Lake (MC-SU-C1419)	\$3,000,000	\$3,000,000
1.54 / 2.62	Seattle Public Utilities	Washington Department of Ecology	This item increases grant-backed appropriation authority by \$11,891,739 in Seattle Public Utilities, in the Drainage & Wastewater Fund Flooding, Protection of Beneficial Uses Budget Control Level (44010-BC-SU-C333B). Authorization to accept this funding comes from City of Seattle Ordinance 126894 (2023), which authorized acceptance of funding from the federal Inflation Reduction Act via the Washington Department of Ecology for loans related to the South Thornton Creek Natural Drainage Systems project. Per the agreement, Seattle Public Utilities is authorized to execute, for and on behalf of The City of Seattle, FY2024 Stormwater Financial Assistance Program Agreement No. WQC-2024-SeaPUD-00059 with the Washington State Department of Ecology. This is the second project of the NDS Partnering Program and will identify, design, and build 15-18 blocks of bioretention systems in the right-of-way in the separated Thornton Creek watershed. There is no expiration for this grant. The project will be entirely funded by the Washington State Department of Ecology via the federal government. There is no match requirement for this grant.	Drainage and Wastewater Fund (44010)	Protection of Beneficial Uses (44010-BC-SU-C333B)	GSI for Protection of Beneficial Uses (MC-SU-C3316)	\$11,891,739	\$11,891,739

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to funding from non-City sources; authorizing department directors to accept grants, enter into revenue-backed service contracts, and carry forward related appropriations. WHEREAS, many grants to City departments are accepted via annual grant acceptance ordinances, but several other recurring or multi-year grants are known and assumed in the annual budget; and WHEREAS, unspent grant appropriations typically carry forward to subsequent years, backed by the revenue previously received; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Attachment A to this ordinance lists approximate appropriation amounts in the 2025 Budget (introduced as Council Bill 120905) that are backed, or are anticipated to be backed, by grants and service contracts. The directors of City departments and offices listed in Attachment A are authorized to accept new grants or revenue-backed service contracts consistent with the amounts listed. All unspent funds so appropriated and listed in Attachment A shall carry forward to subsequent fiscal years until they are exhausted or abandoned by ordinance. Additionally, on December 31 annually, for each appropriation, if the remaining funds are \$1.00 or less, that appropriation is abandoned.

Section 2. This ordinance shall take effect as provided by Seattle Municipal Code Sections 1.04.020 and 1.04.070.

Passed by the City Council the _____ day of _____, 2024, and signed by

me in open session in authentication of its passage this _____ day of _____, 2024.

President _____ of the City Council

Approved by me this _____ day of _____, 2024.

Bruce A. Harrell, Mayor

Filed by me this _____ day of _____, 2024.

Scheereen Dedman, City Clerk

(Seal)

1.38	Human Services Department	OAA Title III-C2	Washington DSHS	Federal indirect grant for home delivered nutrition services for older adults	16200 - Human Services Fund	1,488,445	1,488,445
1.39	Human Services Department	OAA Title III-D	Washington DSHS	Federal indirect grant for health promotion programs for older adults	16200 - Human Services Fund	151,781	151,781

1.40	Human Services Department	OAA Title III-E	Washington DSHS	Federal indirect grant for caregiver support programs for older adults	16200 - Human Services Fund	1,048,681	1,048,681
1.41	Human Services Department	Title XIX State & Title XIX Federal	Washington DSHS	State grant for Long Term Services & Supports, Federal grant for Medicaid Long Term Services & Supports	16200 - Human Services Fund	51,938,059	51,938,059
1.42	Human Services Department	Vets Directed Care	Washington DSHS	Federal indirect grant for home and community-based services for veterans	16200 - Human Services Fund	30,000	30,000
1.43	Human Services Department	Supportive Services for Victims of Elder Abuse	University of Washington	Federal Victims of Crime Act funds to provide assistance and supportive services to victims of elder abuse.	16200 - Human Services Fund	176,873	176,873
1.44	Human Services Department	King County Veteran, Seniors, & Human Services Levy	King County	Local grant to help veterans and older adults live healthy, productive, and meaningful lives	16200 - Human Services Fund	1,349,000	1,349,000
1.45	Human Services Department	WA CARES Outreach	Washington DSHS	State grant to support outreach and information sharing with older adults on the WA CARES program.	16200 - Human Services Fund	157,331	157,331
1.46	Office of Immigrant and Refugee Affairs	New Citizenship Program Grant 25	Seattle Housing Authority	Supports the participation of Seattle Housing Authority residents in OIRA’s New Citizen Program, which aids income-qualified individuals to apply for naturalization using a case management model.	00100 - General Fund	53,649	53,649
1.47	Office of Immigrant and Refugee Affairs	New Citizenship Program Grant 25	Washington DSHS	Supports the participation of State benefits recipients in OIRA’s New Citizen Program, which aids income-qualified individuals to apply for naturalization using a case management model.	00100 - General Fund	870,000	870,000
1.48	Office of the Mayor	Casey Family Programs Grant	Casey Family Foundation	Private grant to support 3.0 temporary FTE for research, planning, and implementation of programming related to public safety.	00100 - General Fund	500,000	500,000
1.49	Seattle Center	FY 2025 Section 5337 State of Good Repair HIFG and FY 2025 Section 5307 Formula Funding - Monorail System Preservation	Federal Transit Administration (FTA)	FTA (Federal Transition Administration) funded preventative maintenance grants for Monorail in fiscal years 2025.	11410 - Seattle Center Fund	1,178,541	1,178,541
1.50	Seattle Department of Transportation	Maintenance for the First Hill Streetcar Line (2025-2026)	FTA	Fund vehicle and facility preventive maintenance, corrective maintenance, expected vehicle overhauls and other defects for the First Hill Streetcar line. Funded maintenance work supports the multiple population groups meeting several equity criteria at rates higher than the regional average, including people of color, people with low incomes, people aged 65+, people with disabilities, and people with low English proficiency.	10800 - Seattle Streetcar Operations	432,624	432,624
1.51	Seattle Fire Department	FY23 UASI - Seattle Region	United States Department of Homeland Security	This grant assists high-threat, high density Urban Areas in efforts to build, sustain, and deliver the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism.	00100 - General Fund	792,679	792,679

1.52	Seattle Municipal Court	Therapeutic Court Grant	Washington Administrative Office of the Court	The grant is to supplement client support for those who appear before the court with substance use disorders or other behavioral health needs and to engage those individuals with community-based therapeutic interventions.	00100 - General Fund	165,000	165,000
1.53	Seattle Parks and Recreation	Community Services Block Grant Federal	Washington Department of Commerce	This funding supports the Seattle Conservation Corps, a jobs training program for homeless adults.	10200 - Park And Recreation Fund	181,812	181,812
1.54	Seattle Parks and Recreation	Community Services Block Grant State	Washington Department of Commerce	This funding supports the Seattle Conservation Corps, a jobs training program for homeless adults.	10200 - Park And Recreation Fund	72,340	72,340
1.55	Seattle Parks and Recreation	Community Services Block Grant State	Washington Department of Commerce	This funding supports the Seattle Conservation Corps, a jobs training program for homeless adults.	10200 - Park And Recreation Fund	22,770	22,770
1.56	Seattle Police Department	DHS Securing the Cities Grant	United States Department of Homeland Security	SPD is the Lead Agency for the regional Securing the Cities grant program. This annual allocation primarily focuses on the continuation of the Program and purchase and distribution of approved equipment and supplies.	00100 - General Fund	562,500	562,500
1.57	Seattle Police Department	State Homeland Security Grant	United States Department of Homeland Security	This grant assists state, local, tribal, and territorial efforts to build, sustain, and deliver the capabilities necessary to prevent, prepare for, protect against, and respond to acts of terrorism.	00100 - General Fund	230,000	230,000
1.58	Seattle Police Department	Internet Crimes Against Children Grant 2024-2026	United States Department of Justice	This annual grant provides funding to maintain the Northwest Regional Internet Crimes Against Children (ICAC) Task Force to address technology-facilitated child exploitation. This grant supports 1.0 FTE Program Manager.	00100 - General Fund	770,892	770,892
1.59	Seattle Police Department	Justice Assistances Grant 2024	United States Bureau of Justice Assistance	JAG provides SPD with funds for three Crime Prevention Coordinators at approximately 80% of a year and has done so since 2009.	00100 - General Fund	918,880	918,880
1.60	Seattle Police Department	FY24 UASI - Seattle Region	United States Department of Homeland Security	This grant assists high-threat, high density Urban Areas in efforts to build, sustain, and deliver the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism.	00100 - General Fund	1,667,418	1,667,418
Previously Accepted Grant Awards, Other						5,806,599	51,446,494
1.61	Seattle Department of Transportation	GCA 5962 Project Services Agreement for the SR 520 Bridge Replacement and HOV Project	Washington Department of Transportation (WSDOT)	This agreement funds staff within SDOT to support effective coordination of project planning, design, and construction for the SR 520 Bridge Replacement and HOV Project. This agreement was originally accepted in Ordinance 125754.	13000 - Transportation Fund		1,515,985
1.62	Seattle Department of Transportation	GA 0068-18 Task Order 4 to Project Administration Agreement between the City of Seattle and Sound Transit for the West Seattle and Ballard Link Extensions Project	Sound Transit	GA 0068-18 - This agreement provides funding for review and permitting of the West Seattle and Ballard Link Extensions. The base agreement for this project was accepted in Ordinance 125563. GA 0085-23 - This agreement provides funding for SDOT's delivery of nonmotorized station access improvements at the NE 130th St infill station. The base agreement for this project was accepted in Ordinance 126701.	13000 - Transportation Fund		5,934,999

		GA 0085-23 Station Access Allowance Project Agreement for NE 130th St Infill Station Nonmotorized Access Improvements					
1.63	Seattle Department of Transportation	Jose Rizal Bridge (North Segment)	WSDOT	This grant will fund repainting the existing Dr. Jose P. Rizal Bridge. The project will also conduct lead abatement to remove the existing lead-based paint that is on the bridge before repainting the bridge with an environmentally-friendly paint system. This item was originally accepted in Ordinance 126705 and 126791.	13000 - Transportation Fund		3,226,599
1.64	Seattle Department of Transportation	Seattle Safe Streets	FHWA	This grant will implement signalized intersection treatments, unsignalized intersection treatments, protected bike lanes, new sidewalks, and arterial traffic calming treatments in the southeast and SODO neighborhoods of Seattle. This was originally accepted in Ordinance 126875.	13000 - Transportation Fund		8,000,000
1.65	Seattle Department of Transportation	FY 2023 5309 Capital Investment Grant - RapidRide J Line BRT	FTA	The RapidRide Roosevelt project will provide electric bus rapid transit (BRT) service between downtown Seattle and the Roosevelt neighborhood in northeast Seattle, while serving the Belltown, South Lake Union, Eastlake, and University District neighborhoods. This grant funding is from the Federal Transit Administration (FTA) through the Section 5309 Fixed Guideway Capital Investment Grants Allocations Small Starts program for federal fiscal year 2023. This was originally accepted in Ordinance 126875.	13000 - Transportation Fund		22,974,000
1.66	Seattle Department of Transportation	FY2024 CMAQ Transferred to Section 5307 130th Link Station Transit & Multimodal Access - East Corridor	FTA	This grant will support a new multimodal corridor to connect light rail riders to the future NE 130th St light rail station. This was originally accepted in Ordinance 126875.	13000 - Transportation Fund		2,580,000
1.67	Seattle Department of Transportation	City of Seattle - N 130th St/Roosevelt Way NE/NE 125th St Multimodal Cor	WSDOT	This grant funding is from the Washington State Department of Transportation (WSDOT) Regional Mobility Grant (RMG) program for the 2023-2025 and 2025-2027 biennia. This grant provides funding to the City of Seattle to improve transit access and implement multimodal corridor improvements on NE 130th St along Roosevelt Way NE and 125th St to connect light rail riders to the future NE 130th St light rail station. This was originally accepted in Ordinance 126931.	13000 - Transportation Fund		1,300,000
1.68	Seattle Department of Transportation	S Holgate St At-Grade Crossing Elimination Study	Federal Railroad Administration	This grant funding includes \$2,000,000 from the Federal Railroad Administration (FRA) through the Railroad Crossing Elimination (RCE) Program. This item provides funding to continue the City of Seattle's commitment to safety improvements by supporting a feasibility study to evaluate the effect of closing railroad crossings and determine appropriate safety improvements at nearby crossings. This grant will support a feasibility study to evaluate the effect of closing the two S. Holgate Street crossings and determine appropriate safety improvements at nearby crossings. This was originally accepted in Ordinance 126931.	13000 - Transportation Fund		692,000
1.69	Seattle Department of Transportation	S Holgate St At-Grade Crossing Elimination Study	WSDOT	This item provides funding to continue the City of Seattle's commitment to safety improvements by supporting a feasibility study to evaluate the effect of closing railroad crossings and determine appropriate safety improvements at nearby crossings. This was originally accepted in Ordinance 126931.	13000 - Transportation Fund		98,000
1.70	Seattle Department of Transportation	University of Washington Major Institution Master Plan (UW MIMP)	University of Washington	The purpose of this agreement is transportation mitigation for the University of Washington Seattle Campus Master Plan and the RapidRide J-Line project. This item was originally accepted in Ordinance 127068.	13000 - Transportation Fund		606,974

1.71	Seattle Department of Transportation	Aurora Avenue N Safety and Transit Access Improvements Grant	FTA	These funds advance the conceptual designs for the Aurora Avenue N Safety and Transit Access Improvements project. This was originally accepted in Ordinance 127069.	13000 - Transportation Fund		817,937
1.72	Seattle Department of Transportation	E Marginal Way S Grant	Federal Highway Administration	This grant funds mill and overlay the asphalt pavement on Roosevelt Way between NE 92nd St and 15th Ave NE. This was originally accepted in Ordinance 127069.	13000 - Transportation Fund		1,720,000
1.73	Seattle Department of Transportation	Roosevelt Way Grant	Federal Highway Administration	This grant funds mill and overlay the asphalt pavement on E Marginal Way S, between 1st Ave S and 16th Ave S. This was originally accepted in Ordinance 127069.	13000 - Transportation Fund		1,980,000
Grand Total						107,880,204	159,326,698

SUMMARY and FISCAL NOTE

Department:	Dept. Contact:	CBO Contact:
City Budget Office		Candice Foote

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to funding from non-City sources; authorizing department directors to accept grants, enter into revenue-backed service contracts, and carry forward related appropriations.

Summary and Background of the Legislation: This ordinance enables department directors to accept of grants, contract revenue, and/or private funds from various agencies and organizations and authorizes the expenditure of funding backed by their respective revenue sources in the 2025 fiscal year.

The attached ordinance contains requests related to grants or other funding agreements. It includes language that automatically abandons automatic carryforward items between \$0.00 and \$1.00 without returning to Council. This provision assists departments in cleaning up small remaining appropriation authority before carryforward processes run. Remaining grant balances over \$1.00 will continue to come to Council for abandonment.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ☐ Yes ☒ No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? ☒ Yes ☐ No

Expenditure Change (\$);	2025	2026 est.*	2027 est.	2028 est.	2029 est.
General Fund	\$14,724,444	\$9,040,208	0	0	0
Expenditure Change (\$);	2025	2026 est.*	2027 est.	2028 est.	2029 est.
Other Funds	\$144,602,254	\$146,212,690	0	0	0

Revenue Change (\$);	2025	2026 est.*	2027 est.	2028 est.	2029 est.
General Fund	\$14,724,444	\$9,040,208	0	0	0
Revenue Change (\$);	2025	2026 est.*	2027 est.	2028 est.	2029 est.
Other Funds	\$144,602,254	\$146,212,690	0	0	0

*Reflects expected amounts to be included 2026 Endorsed Budget.

3.a. Appropriations

- ☐ This legislation adds, changes, or deletes appropriations.

Appropriations are included in the Budget Adoption Ordinance.

3.b. Revenues/Reimbursements

- ☐ This legislation adds, changes, or deletes revenues or reimbursements.

Revenues are included in the Adopted Budget Revenue assumptions.

3.c. Positions

- ☐ This legislation adds, changes, or deletes positions.

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts. No.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources. None

Please describe any financial costs or other impacts of *not* implementing the legislation.
Without these resources, departments will be unable to carry out the work - as described in Attachment A to the legislation - without affecting other resources.

4. OTHER IMPLICATIONS

- a. Please describe how this legislation may affect any departments besides the originating department.**

This legislation is prepared by the City Budget Office on behalf of other departments and impacts a number of departments' 2025 budgets as outlined in Attachment A to the legislation

- b. Does this legislation affect a piece of property? If yes, please attach a map and explain any impacts on the property. Please attach any Environmental Impact Statements, Determinations of Non-Significance, or other reports generated for this property.**

No

c. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.

Please see Attachment A to this legislation for additional details regarding the types and locations of grants being accepted.

i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.

ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation.

iii. What is the Language Access Plan for any communications to the public?

d. Climate Change Implications

Please see Attachment A to this legislation for additional details regarding the types and locations of grants being accepted.

i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response.

ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

e. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals?

Grant funding goals are outlined in specific grant agreements. Please see Attachment A to this legislation for details on the grant purpose.

5. CHECKLIST

- | |
|--|
| <input type="checkbox"/> Is a public hearing required? |
| <input type="checkbox"/> Is publication of notice with <i>The Daily Journal of Commerce</i> and/or <i>The Seattle Times</i> required? |
| <input checked="" type="checkbox"/> If this legislation changes spending and/or revenues for a fund, have you reviewed the relevant fund policies and determined that this legislation complies? Yes |

☐ **Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization?**

6. ATTACHMENTS

Summary Attachments: None.

Introduction

The City of Seattle and its more than 13,000 employees build and maintain infrastructure, provide utility service, support the needs of the city's residents, and create recreational, cultural, and other enriching opportunities. In providing excellent service, these employees use and maintain dozens of city-owned properties, a fleet of vehicles ranging from fire trucks to golf carts, and equipment and facilities necessary to complete the City's mission.

Budgeting for a large organization with many functions is a crucial and complex process. In order to produce a balanced budget the City relies upon solid forecasts incorporating items which are constantly changing (such as the price of fuel), analyzing economic activity (as it impacts tax revenues, among other budgetary components), and evaluating demand for services (from electric and water utility service, to parking meters, and access to parks/library services).

City of Seattle Budget Process

In its simplest terms, the City budget is proposed by the Mayor (Executive), checked for compliance with the law (City Attorney), and amended and passed by the City Council (Legislative) before returning to the Mayor for their approval and signature.

The City of Seattle utilizes a modified biennial (two-year) budget process in which the City Council approves funding for year one while endorsing the amounts for year two. This document presents proposed budgets for 2025 and 2026.

The budget itself is composed of two main documents: the operating budget and the capital improvement program (CIP) budget. The operating budget is primarily composed of expenditures required by the City to deliver the day-to-day array of City services. The CIP budget consists of large expenditures on infrastructure and other capital projects.

Charts summarizing the City's budget process and organization can be found at the end of this section.

Budget Preparation

The City's budgeting process begins early each year as departments assess needs and budget forecasters work to estimate revenues and costs. Operating budget preparation is based on the establishment of a current services or "baseline" budget. Current service levels are analyzed to determine the cost of continuing programs and services the City provided in the previous year, in addition to previous commitments that will affect costs in the next year, as well as labor agreements and changes in health care and insurance.

During this process, the Office of Economic and Revenue Forecasts (OERF), in conjunction with the City Budget Office (CBO) updates and compares the revenue forecasts utilized in the 2025-2026 proposed budget relative to current economic conditions in order to determine if the proposed biennial budget is in balance. In addition, costs to maintain current service levels are updated based on factors such as inflation and compared to the revised revenue forecast. If revenues are not sufficient to cover the cost of current services, the City must identify changes to close the gap – either through reductions or increased revenues or a combination of both. If the revenue forecast shows that additional resources are available,

Introduction & Budget Process

then the budget process identifies new or expanded programs to meet the evolving demands for City services. Regardless, the City is required by state law to prepare a balanced budget.

Annually, CBO provides guidance to departments regarding budget submissions in early spring. In early June, CBO receives departmental operating budget and CIP submittals, including all position (employee) changes. Mayoral review and evaluation of department submittals takes place through the end of August. CBO, in conjunction with individual departments, then finalizes the operating and CIP budgets.

In late September, the Mayor submits the proposed budget and CIP to the City Council. In addition to the budget documents, CBO prepares supporting legislation and other related documents.

The City Council then conducts public hearings and holds committee meetings in open session to discuss budget requests with department representatives and CBO staff. Councilmembers then recommend specific budget actions for consideration by their colleagues.

During the budget review process, the City Council may choose to explain its budget actions further by developing statements of legislative intent and budget guidance statements for future budget action. Intent statements describe the Council's expectations in making budget decisions and generally require affected departments to report back to the City Council on results.

After completing the public hearing and deliberative processes the City Council votes to adopt the budget, incorporating its desired budget changes, in late November. The Mayor can choose to approve the Council's budget, veto it, or let it become law without mayoral signature. The Mayor must veto the entire budget or none of it, as there is no line-item veto in Seattle. Copies of budget documents are available for public inspection at the CBO offices, at the Seattle Public Library, and on the Internet at <http://www.seattle.gov/budget>.

During the year, the City may have a need to change the adopted budget to respond to evolving needs. The City makes such changes through supplemental budget appropriation ordinances. A majority of the City Council may, by ordinance, eliminate, decrease, or re-appropriate any unspent appropriations during the year. The City Council, generally with a three-fourths vote, may also increase appropriations from available money to meet necessary expenditures that were not foreseeable earlier. Additional unforeseeable appropriations related to settlement of claims, emergency conditions, or laws enacted since passage of the annual operating budget ordinance require approval by a two-thirds vote of the City Council. Absent such changes, departments are legally required to stay within their annual budget appropriation.

Reader's Guide

This reader's guide describes the structure of the budget book and outlines its content. The budget book is designed to present budget information in an accessible and transparent manner – the way decision-makers consider the various proposals. It is designed to help residents, media, and City officials more easily understand and participate in the budget deliberations.

A companion document, the 2025-2030 Proposed Capital Improvement Program (CIP), identifies expenditures and fund sources associated with the development and rehabilitation of major City facilities/infrastructure, such as streets, parks, utilities, and buildings over the next six years. The CIP also shows the City's financial contribution to projects owned and operated by other jurisdictions or institutions. The CIP fulfills the budgeting and financial requirements of the Capital Facilities Element of Seattle's Comprehensive Plan by providing detailed information on the capacity impact of new and improved capital facilities.

The 2025-2026 Proposed Budget and 2025-2030 Proposed CIP can also be found online at the City Budget Office's webpage. In addition to PDF files containing the Proposed Budget and Proposed CIP, the site contains department-customized expenditures and revenues.

The 2025-2026 Proposed Budget

This document is a description of the proposed spending plan for 2025. It contains the following elements:

- **Proposed Budget Executive Summary** – A narrative describing the current economy, highlighting key factors relevant in developing the budget document, and how the document addresses the Mayor's priorities;
- **Summary Tables** – a set of tables that inventory and summarize expected revenues and spending for 2025;
- **General Fund Revenue Overview** – a narrative describing the City's General Fund revenues, or those revenues available to support general government purposes, and the factors affecting the level of resources available to support City spending;
- **Selected Financial Policies** – a description of the policies that govern the City's approach to revenue estimation, debt management, expenditure projections, maintenance of fund balances, and other financial responsibilities;
- **Departmental Budgets** – City department-level descriptions of significant policy and program changes from the 2024 Adopted Budget, the services provided, and the spending levels proposed to attain these results;
- **Appendix** – an array of supporting documents including long-range financial plans, summary of cost allocation factors for internal City services; a summary of position changes by department contained in the 2025 Proposed Budget; and a glossary.

Reader's Guide

Departmental Budget Pages: A Closer Look

The budget presentations for individual City departments (including offices, boards, and commissions) constitute the heart of this document. They are organized alphabetically within seven functional clusters:

- Arts, Culture, & Recreation;
- Education & Human Services;
- Livable and Inclusive Communities;
- Public Safety;
- Utilities, Transportation & Environment; and
- Administration.

Each cluster comprises several departments sharing a related functional focus, as shown on the organizational chart following this reader's guide. Departments are composed of one or more budget control levels, which in turn may be composed of one or more programs. Budget control levels are the level at which the City Council makes appropriations.

As indicated, the proposed budget appropriations are presented in this document by department, budget summary level, and program. At the department level, the reader will also see references to the underlying fund sources (General Fund and Other) for the department's budgeted resources. The City accounts for all of its revenues and expenditures according to a system of funds. In general, funds are established to account for specific revenues and permitted expenditures associated with those revenues. For example, the City's share of motor fuel taxes must be spent on road-related transportation activities and projects, and are accounted for in a fund in the Transportation Fund. Other revenues without statutory restrictions, such as sales and property taxes (except voter-approved property taxes), are available for general purposes and are accounted for in the City's General Fund. For many departments, such as the Seattle Department of Transportation, several funds, including the General Fund, provide the resources and account for the expenditures of the department. For several other departments, the General Fund is the sole source of available resources.

Reader's Guide

Budget Presentations

Most department-level budget presentations begin with information on how to contact the department. The department-level budget presentation then goes on to provide a general overview of the department's responsibilities and functions within City government, as well as a summary of the department's overall budget. A narrative description of the issues impacting the department's 2025-2026 Proposed Budget then follows. The next section of the department-level budget presentation provides a numerical and descriptive summary of all of the incremental budget changes included in the 2025-2026 Proposed Budget, along with a discussion of the anticipated operational and service-level changes that will result. The department-level budget presentation concludes with summary level tables that describe the department's overall expenditures and revenues by type as well as by budget control level and program. All department, budget control, and program level budget presentations include a table summarizing historical and adopted expenditures, as well as proposed appropriations for 2025-2026.

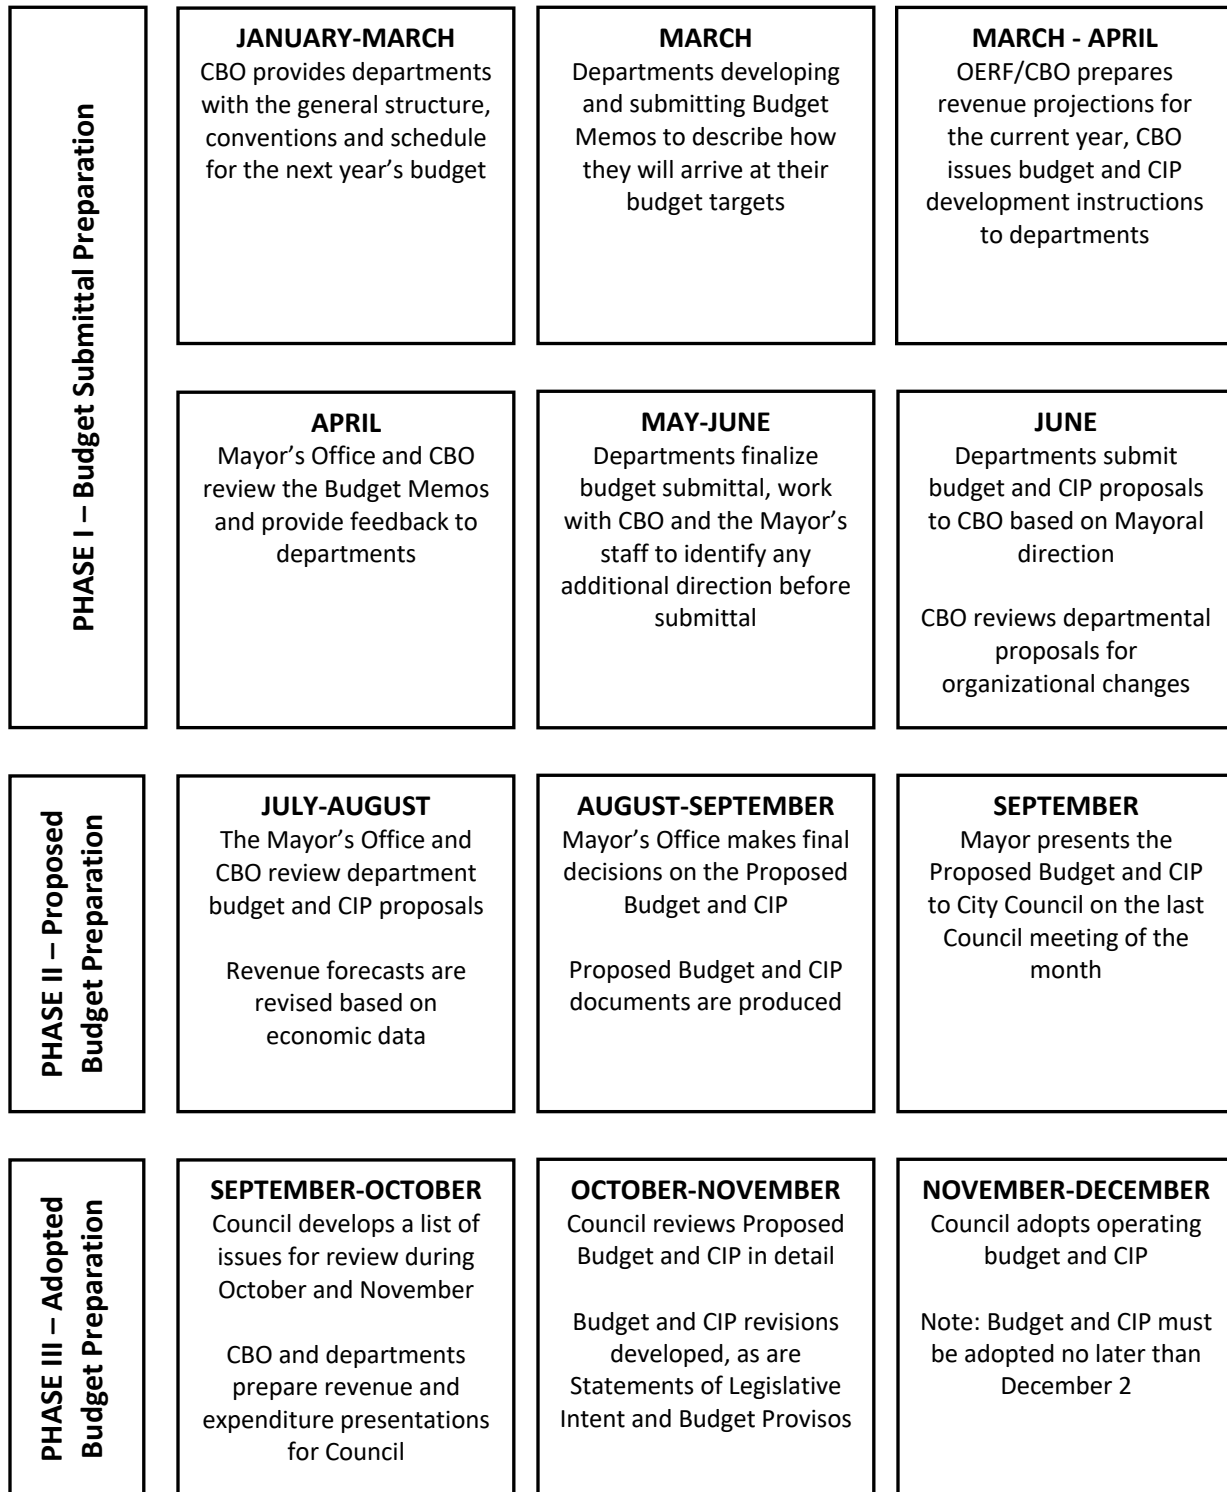

A list of all position changes proposed in the budget has been compiled in the appendix. Position modifications include eliminations, additions, reclassifications, and status changes (such as a change from part-time to full-time status), as well as adjustments to departmental head counts that result from transfers of positions between departments.

For information purposes only, an estimate of the number of staff positions to be funded under the 2025-2026 Proposed Budget appears in the departmental sections of the document at each of the three levels of detail: department, budget control, and program. These figures refer to regular, permanent staff positions (as opposed to temporary or intermittent positions) and are expressed in terms of full-time equivalent employees (FTEs). In addition to changes that occur as part of the budget document, changes may be authorized by the City Council or the Human Resources Director throughout the year, and these changes may not be reflected in the estimate of staff positions presented for 2025-2026. These changes are summarized in the appendix.

Where relevant, departmental sections include a statement of projected revenues for the years 2025 through 2026.

Budget Process Diagram

2025-2026 Proposed Budget Summary

Introduction

Mayor Bruce A. Harrell's 2025-2026 Proposed Budget is balanced and makes strategic investments in the future of Seattle within a context of continuing economic challenges stemming from high inflation and slowed growth. The proposed budget invests in actions to address our City's most urgent needs, get the basics right, and focus on our responsibilities. This budget aims to support our most vulnerable community members, and it makes investments in the Mayor's key priority areas: public safety, housing and homelessness, health, and thriving communities. These investments require greater financial flexibility and accountability as discussed below.

The City operates on a modified-biennial budget cycle, and this year the Mayor is proposing two one-year spending proposals. The proposed budget for 2025 includes approximately \$8.3 billion in appropriations overall, including \$1.9 billion in General Fund and \$520 million in JumpStart Payroll Expense Tax (payroll tax).

In the 2024 Adopted Budget, the City's General Fund – the most flexible funding source – estimated a looming projected 2025 deficit of \$251 million or about 15 percent. The projected deficit was due to a number of factors, including General Fund revenues growing slower than the rate of growth for general government costs, the end of significant one-time federal Covid relief grants, and a plan to begin using all of the Payroll Expense Tax revenues to pay for restricted purposes rather than for ongoing general government purposes.

Each year since enacting the payroll tax in 2020, the City has balanced the General Fund using a “temporary” allocation of payroll tax revenues. Each of these decisions was made for a one-year period, with the assumption that the payroll tax would no longer be used for this purpose in the following year.

The proposed budget reflects the hard choices made by the Mayor to meet the City's legal obligation to adopt a balanced budget.

- The Mayor took immediate steps to save costs, examined City services and spending holistically, favored maintaining core municipal functions over other functions, and prioritized public-facing services over internal administrative functions.
- The proposed budget makes reductions to spending, including targeted layoffs of City employees as needed to achieve a balanced budget.
- Finally, proposed structural changes to the payroll tax will allow the City to use existing revenues more flexibly. The approach is consistent with City spending commitments when it enacted the payroll tax. Actual revenues and forecasts of future payroll tax revenues are both significantly higher than earlier forecasts. The City can avoid making additional reductions to critical municipal services for those who live, work, and visit Seattle by making the “extra” payroll tax revenues available to the General Fund. The proposed budget also creates and funds a new reserve that will provide policy makers better options to respond to future changes in the inherently volatile payroll tax.

Even though it was a difficult budget year, the proposed budget was able to preserve critical public-facing programs and investments.

- We maintained public safety services the City Charter identifies as the City government’s primary obligation (police, fire, and emergency medical services).
- Overall City spending on affordable housing investments is higher than in 2024 or any other year in Seattle’s history; and overall spending on the Equitable Development Initiative also increases to the highest level ever.
- The proposed budget includes funding that avoids closing approximately 300 shelter beds at risk of closure since funding was with one-time sources such as federal Covid relief (which is no longer available).
- Similarly, there are no reductions in libraries hours, no reductions in community center hours, no reductions to community service center hours or services, no reductions to support for senior centers, and no reductions to core parks services.
- The proposed budget maintains longstanding financial policies related to General Fund reserves (Emergency Fund and Revenue Stabilization Fund) and fully funds all reserve payment obligations.

Economy and Revenue

Despite the Federal Reserve keeping interest rates high, the U.S. economy showed notable resilience and growth in the first half of 2024. Since then, the labor market has cooled, with Seattle’s employment growth, unfortunately, trailing the nation. The regional forecast projects growth of only 0.7% in 2024, down from 1.9% expected in March. At the same time, inflation has shown more satisfactory progress towards the Federal Reserve’s 2% inflation target. Paired with signs of slowing employment growth, economic forecasters now anticipate rate cuts by the Federal Reserve through the end of 2024 and beyond.

Most of the uncertainty and downside economic risks for the nation and the Puget Sound region are now tied to the path of the labor market rather than inflation. Employment growth in Seattle has been mixed with gains in some sectors largely offset by declines in the trade (tech) and information sectors. Moreover, the City continues to struggle under reduced demand for office space and elevated vacancy rates, which are affecting economic and revenue growth in the City. Current high interest rates, employees’ slow return to the office, and slowing employment growth have led to uncertainty surrounding construction and real estate activity. However, like the nation, the regional economy is still likely to avoid a recession as there is currently no expectation of overall net job loss and employment is expected to grow modestly even as hiring slows.

Despite the uncertainties, the economy and the City’s General Fund revenues are projected to grow throughout the 2025-2026 biennium, though at a slower pace than previously anticipated. The City’s August forecast projects Property, Sales and Business & Occupations tax growth for 2024 compared to 2023 actuals received at 0.7% compared to 1.1% in the April forecast. General Fund revenues without grants and internal transfers are projected to increase 1.8%, 2.3% and 4.3% year-over-year in 2024, 2025 and 2026 respectively, which is good news given falling inflation and the low likelihood of recession. More good news is that Payroll Expense tax revenues are anticipated to increase significantly year-over-year across the biennium at 28%, 6% and 5 % for 2024, 2025 and 2026 respectively. And even with the uncertain situation related to commercial building valuations due to high vacancy rates, Real Estate

Excise taxes are expected to grow from their recent low of \$47.9 million in 2023, steadily to about \$80 million in 2026.

Actions to Balance the General Fund

The Mayor took several important steps to fulfill the City's legal obligation to arrive at a balanced budget. These included early actions in 2024, a proposal to amend the payroll tax fund policies, and difficult decisions about how to reduce General Fund expenditures.

Early Actions:

Mayor Harrell took actions in early 2024 to maintain a balanced budget for the current year as well as to address the projected 2025-2026 General Fund deficit. These measures included instituting a hiring freeze on most non-public safety, civilian positions. The hiring freeze will continue through the end of 2024 and is estimated to save a total of \$75 million (\$19 million General Fund and \$56 million from other funds). The Mayor also worked cooperatively with the City's labor partners to right-size the balances in internally managed health care funds; this saved an estimated \$53.3 million (\$22.3 million General Fund and \$31.0 million other funds).

Reductions, Restructures, and Layoffs

In order to address the projected deficit, the Mayor's team examined all City spending with an eye to maintaining core services. Whenever possible, the proposed budget minimized reductions to direct services to the public. One strategy used in the proposed budget is reductions in several City grant programs that are inherently scalable while investing in areas with opportunities to leverage external grants.

Another cost saving strategy was to reduce programs and then right-sizing staffing accordingly. An example of leveraging external partnerships is seen with the Heavy-Duty Electric Truck incentives pilot in the Office of Sustainability and Environment. The pilot, launched in 2023 in the Duwamish Valley, will fund point of sale rebates for new electric trucks, buses, or vans. The goal is to incentivize deployment of electric heavy-duty vehicles while addressing cost barriers and reducing harmful diesel pollution in highly exposed communities. The pilot led to new engagement and investment from other Port of Seattle-affiliated organizations, and we expect that external partners will scale up the program with state and federal resources. Of the original \$1 million in ongoing allocation for this program, OSE will retain \$100,000 for ongoing transportation electrification policy and planning.

The proposed budget reduces (but preserves) a number of City grant programs. Those include reductions to the Neighborhood Matching Fund in the Department of Neighborhoods, the Business Outreach Education Fund and the Community Outreach Education Fund in the Office of Labor Standards, the Technology Matching Fund in the Seattle Information Technology Department, and Community Alternatives to Incarceration & Policing in the Office for Civil Rights.

The significant structural deficit in the General Fund meant that it was simply not possible to avoid reducing some programs. Those reductions resulted in proposed layoffs of some City workers. To minimize reductions that affect core services for the public, the proposed budget includes reductions to some internal services to City departments.

The proposed budget eliminates funding for 159 authorized positions. Due in part to the Mayor's 2024 hiring freeze, more than half of those positions were not filled. However, the position reductions include 76 proposed layoffs. Nearly two-thirds (48 of 76) are in internal services departments (Seattle Information Technology Department, Human Resources Department, and the Department of Finance and Administrative Services); the work of internal service departments primarily supports the City's "behind the scenes" business functions rather than providing services directly to the public. The next largest tranche (17 of 76) is in the Seattle Department of Construction and Inspections; there is less permit review work (and less permit fee revenues) due to a declining number of permits and changes in permitting requirements (e.g., eliminating design review for affordable housing).

In addition, the proposed budget for the Seattle Department Transportation (SDOT) assumes no ongoing revenues from a new transportation levy that will be decided on by voters in November 2024. Funding levels in the proposed budget for 2025 and 2026 are reflective of current law and expiration of the Levy to Move Seattle at the end of this year. With fewer financial resources available, SDOT's proposed budget focuses on capital project delivery for existing work and commitments made in the levy. Less funding is available for maintenance and preservation of assets (roads, bridges, transit, pedestrian and bike facilities), and the proposed budget defers investments in innovations and system enhancements. Passage of a new levy would require major adjustments to the proposed budget that may include the restoration of programs or projects with reduced funding in this budget. If voters approve a new transportation levy in November 2024, the Executive intends to prepare a package of changes for Council to consider as amendments that could be included in the City's adopted budget.

Payroll Tax Amendments

The proposed budget makes changes to the payroll tax that allow the City to fund its core functions and Charter responsibilities. Specifically, the proposed budget uses payroll tax to support critical General Fund obligations (like police, parks, fire, transportation, etc.), adds new payroll tax funding for youth mental health investments and youth violence interventions, and maintains consistent allocations for the original payroll tax spending categories. The proposed budget also eliminates the rigid percentages for allocating the payroll tax revenues. Finally, the changes create and fund a new reserve to blunt the impact of potential future downturns in payroll tax revenues.

When the City enacted the payroll tax, it was projected to result in \$219 million of new revenues; and it committed to spend those funds on five categories: \$136 million (62 percent) on affordable housing; \$33 million (15 percent) on economic development; \$20 million (9 percent) on the Equitable Development Initiative; \$20 million on Green New Deal investments; and \$11 million on administration of the tax.

The proposed budget spends \$520 million of payroll tax revenues in 2025. This is more than the projected forecast for 2025 of \$430 million in revenue because it also includes an additional \$90 million in one-time payroll tax revenues. Compared to the original forecast, proposed payroll tax spending is more than double the \$219 million that the City originally anticipated spending. The proposed budget increases the spending on all of the prescribed initiatives compared to this benchmark, and it uses the unanticipated ongoing and one-time payroll expense tax revenues in more flexible ways.

The proposed budget includes using the payroll tax on a broader number of priorities, including \$287 million to support General Fund spending. This leaves \$233.25 million for the original spending categories (an increase over the \$219 million from the original spending plan). The proposed budget

dedicates \$19.25 million for youth mental health and youth violence interventions (coupled with an additional \$12.5 million in the base budget of the Human Services Department for the same purposes) and then allocates the remaining \$214 million using the same percentages as the original spend plan. As described earlier, the proposed budget includes additional funding from other sources to increase overall investments in affordable housing and the Equitable Development Initiative to historically high levels.

The proposed budget also creates an important new reserve that allow the City to address inherent volatility in the payroll expense tax. Specifically, it establishes and funds an approximately \$40 million reserve that the City can tap in the event that payroll tax revenues slip below current forecasts. Tax revenues have been volatile in the few years. As noted by the Office of Economic and Revenue Forecasts, payroll tax revenues are heavily influenced by fluctuations in the stock market (since the payroll base is tied to stock performance); and volatility also naturally applies to any tax paid by a relatively small number of taxpayers.

Unanticipated or Significant Cost Pressures

Citywide Central Costs

A key component of the annual budget process is to assess the cost of providing services internally to City departments such as Information Technology, fleet and fuel, facility maintenance, financial services/payroll, and human resources. Costs to provide these services are recouped through chargebacks to other City departments. In 2025, these costs are projected to increase by \$23 million for all funds (\$21 million for the General Fund; and \$2 million, net, for other funds). These increases include Citywide costs for enterprise software licenses, cybersecurity, fleet replacement and maintenance, as well as anticipated fuel and utility costs.

Judgment and Claims

The City continues to face rising costs associated with civil claims and litigation, driven by several extraordinary, high-cost cases and a nationwide trend of increasingly expensive settlements and judgments. The increase of \$10 million General Fund in the 2025 Proposed Budget over 2024 Adopted Budget levels reflects the need to meet these higher-than-anticipated expenses.

Labor Contracts

In 2023 and 2024, the City ratified multi-year labor agreements with the Coalition of City Unions, the Seattle Police Officers Guild, and other labor partners. A large share of the City's General Fund budget is spent on labor (about 53% percent). These labor agreements therefore increased the City's cost of doing business. Nonetheless, it was critically important to get a fair labor deal for City employees. Municipal governments across the country are facing a worker shortage. It was important both to the Mayor and to Councilmembers that the City continues to provide crucial services; both the Mayor and Councilmembers also recognize that this cannot happen without work that is done by the hardworking City of Seattle employees. Our approach continues to be rooted in our values that every worker deserves a living wage and our gratitude for City employees and the service they provide to Seattle neighbors.

Mayoral Priorities

The proposed budget balanced resources in order to make new investments in four of the Mayor's priority spending areas: public safety, housing and homelessness, health, and thriving communities. The proposed budget makes significant new investments in each of these categories.

Public safety

The multi-department Unified Care Team (UCT) brings together more than a dozen City departments and partners for a coordinated, strategic, and data-driven approach to ensuring Seattle's public spaces, sidewalks, and streets remain open and accessible to all. Until this year, the UCT was funded only on weekdays. The proposed budget includes funding to expand the UCT's work to seven days a week with weekend work focused on "hot spots."

The proposed budget provides ongoing funding for programs that were started in 2024, including:

- Continued Seattle Police Department emphasis patrols where crime is concentrated to ensure that the region's center of commerce, culture, and tourism continues to be as safe and inviting as possible.
- Funding both for additional firefighter recruits and additional paramedic trainees in 2025 and 2026 to allow the Seattle Fire Department to address significant vacancies.
- The first full year of the Community Assisted Response and Engagement (CARE) Department's expanded CARE Response Teams, allowing these teams to be deployed to neighborhoods throughout the city.
- The first full year of increased pedestrian-level lighting to continue investments begun in 2024 to enhance public safety.
- Funding to pay for jail and other services related to the agreement between the City and the South Correctional Entity (SCORE). The City Council authorized that agreement by passing Ordinance [127065](#) in August 2024.

Consistent with recently enacted State laws and as provided for in negotiated labor agreements with the Seattle Police Officers Guild and the Seattle Police Management Association, the proposed budget significantly expands roles for civilians. New civilians include:

- Two existing Parking Enforcement Officers will increase the Seattle Police Department's capacity for reviewing automated traffic cameras (which will be expanded to 18 new locations around Seattle Schools). This will more than double the number of enforcement cameras in operation, bringing 37 new cameras online by the start of the 2025 school year. This expansion is intended to increase safety around Seattle schools and net revenue after expenses will be used to fund investments like sidewalks and crosswalks.
- Fourteen new investigative support staff over the biennium to assist Seattle Police Department detectives with homicide, robbery, sexual assault, and gun crime investigations by processing court filings, case files, and other urgent materials.
- Twenty-one new positions added over 2025-2026 in the Real Time Crime Center and additional CCTV cameras at specific locations that will upgrade the capabilities of the Real Time Crime

Center, triage and coordinate emergency responses, and support criminal case investigations as part of the Technology Assisted Crime Prevention Pilot Project.

Finally, the proposed budget includes funding for interventions and support for victims of human trafficking, such as providing appropriate community-based support resources and advocates for resource navigation.

Housing and Homelessness

The Office of Housing's overall proposed budget for housing of \$342 million provides the most funding for affordable housing in Seattle's history. A small reduction in support from payroll expense tax investments is more than offset by increases in other funding sources. The proposed budget increases the Office of Housing budget by \$3 million from 2024, continuing the City's investments in multifamily lending, homeownership supports, home repair and weatherization programs, asset management, and departmental administrative costs.

The proposed budget avoids all pending closures of shelter beds. Approximately 300 beds would have closed if not for new ongoing funding in the Human Services Department that backfilled one-time federal funding that stopped being available in 2024.

Health

The proposed budget includes funding for the Seattle Fire Department to expand its Mobile Integrated Health Program with the goal of increasing service delivery, expanding operational hours, and adding new lines of capacity for the team. The Seattle Fire Department will add a new Post Overdose Team (H99) to conduct patient follow up and recovery system navigation in 2025 and a new Health One unit in 2026.

Funding in the Department of Education and Early Learning (DEEL) and Seattle Parks and Recreation (SPR) continues and expands the Mayor's Youth Mental Health Investment Strategy that was implemented in 2024. This initiative includes the integration of school-based mental health counselors and culturally specific programming provided by community-based organizations. The effort is part of a broader, multi-faceted City-wide strategy aimed at addressing youth mental health needs. This strategy ensures that services are culturally responsive, community-focused, evidence-based, and guided by the needs of youth and their families.

Similarly, the proposed budget continues funding in the Human Services Department for the expansion of violence intervention programs from 2024. Collectively, and from a variety of funding sources, the City is spending significantly more than \$20 million for youth mental health and violence interventions.

The proposed budget provides ongoing funding to the Human Services Department to continue the Third Avenue / We Deliver Care pilot project to continue addressing public safety concerns along Third Avenue in the downtown core. One-time funding for the pilot project had been slated to end in 2024.

Thriving communities

The Equitable Development Initiative (EDI) continues to be an important and growing program within the Office for Planning and Community Development, serving as a key inclusive growth strategy for marginalized communities in Seattle most at risk of physical and cultural displacement. The proposed budget increases funding for EDI grants and program implementation in 2025.

The Office of Arts and Culture will continue to fund community grants for organizations and artists at the same level as in the past, complementing the County's new Doors Open funding.

The proposed budget maintains the City-imposed restriction requiring that Admissions Tax revenues be used only for arts-related investments. However, a proposed policy change would allow the Admissions Tax to support expenditures in other departments besides the Office of Arts and Culture. Accordingly, Seattle Center will shift approximately \$1 million from the General Fund to be funded with Admissions Tax revenue, specifically for the Northwest Folklife Festival, cultural administration staffing, and to fully support Festàl. Admissions Tax revenue will also fund the annual Winterfest celebration, which allows Seattle Center to redirect earned revenues to other revenue-generating purposes. SPR will shift about \$880,000 in expenses to be funded by Admissions Tax revenues to continue support for the Arts in Parks, the Teen Performing Arts , and the downtown buskers programs.

The proposed budget maintains funding for the successful Downtown Activation Plan (DAP) that began in 2023. A recent evaluation of the DAP program determined that 93 percent of the DAP activities are either complete or substantially underway. In 2025, new one-time funding is added for:

- Public space activations, public space improvements, and a centralized DAP communications strategy;
- Improvements at Westlake Park;
- Arts activations and installations;
- Supplemental services including litter removal, alley cleaning, graffiti removal, a safe walk service, and outreach to businesses; and
- Initiatives in South Downtown including adding residential capacity as well as other development in the neighborhood.

Finally, the proposed budget includes funding to stand up a new Tree Nursery program in the Seattle Public Utilities (SPU). The proposed budget adds \$680,000 (\$388,000 General Fund and \$292,000 other funds) and 1.0 FTE to SPU to establish and maintain a publicly owned tree nursery with the initial capacity of 500 trees. This effort supports Seattle's tree canopy, equity, climate resilience, and stormwater management goals.

Race and Social Justice Initiatives in the 2025-2026 Proposed Budget

Introduction

This chapter provides an overview of significant changes in the City's 2025-2026 budget that advance the [Race and Social Justice Initiative \(RSJI\)](#). The City implements additional initiatives within department base funding that are not included below in this summary of changes.

City of Seattle Race and Social Justice Initiative

There is significant evidence that the opportunities a Seattle resident can access, and the quality of life they experience, are both directly related to their race and where they live. People of color and other under-represented groups in the City of Seattle's workforce face similar issues. To address racial inequities, in 2004 Seattle became the first city in the U.S. to establish a program, the Race and Social Justice Initiative (RSJI), to explicitly eliminate institutional racism. Institutional racism exists when an organization's programs, policies, and spending work to the benefit of white people and to the detriment of people of color, usually unintentionally.

The Office for Civil Rights leads the RSJI in the City and provides support for departments and staff. As part of RSJI, the City uses a Racial Equity Toolkit to guide policy, program, and budget decision-making toward options that actively support positive racial equity outcomes. The City also uses a racial equity lens to develop a workforce that is inclusive of people of color and other marginalized or under-represented groups at all levels of City employment.

Additionally, each City department has a "Change Team" to support internal transformation. The team – consisting of a group of employees who champion RSJI activities and strengthen a department's capacity to get more employees involved – facilitates and participates in discussions on race, racism, and strategies to overcome institutional barriers to racial and social equity.

Below are examples from the City's 2025-2026 Proposed Budget illustrating how the City continues to use policies, programs, and investments to change racial equity outcomes through stronger relationships with communities; aligning policies and strategies across departments; and sharing knowledge and resources to create opportunities to integrate equity goals.

ARTS, CULTURE AND RECREATION

Office of Arts and Culture

Alleyway Activations - Visual Art Installations

\$159,969

This one-time item provides funding to activate up to six alleyways in the Chinatown, International District, and Pioneer Square neighborhoods with art installations as part of the Mayor's Downtown Activation Plan. The Downtown Activation Plan (DAP), announced in June 2023, outlines the Mayor's plan to revitalize and transform Downtown Seattle as the city continues to recover from the impacts of the COVID-19 pandemic. ARTS will partner with community groups to determine strategies and outcomes for artworks that celebrate the culture and history of each community. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Community Engagement and Cultural Inclusion Grant Program

\$530,000

This one-time item provides funding to support a grant program for community organizations to commission a series of art installations and events for communities to showcase their history and cultural diversity as part of the Mayor's Downtown Activation Plan. The Downtown Activation Plan (DAP), announced in June 2023, outlines the Mayor's plan to revitalize and transform Downtown Seattle as the city continues to recover from the impacts of the COVID-19 pandemic. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Hope Corps Activations and Installations

\$355,627

1.0 FTE

This one-time item provides funding to support the Hope Corps program as part of the Mayor's Downtown Activation Plan. The Downtown Activation Plan (DAP), announced in June 2023, outlines the Mayor's plan to revitalize and transform Downtown Seattle as the city continues to recover from the impacts of the COVID-19 pandemic. This item supports Hope Corps activations in communities with a particular focus on the Chinatown International District, Little Saigon, King Street Station, Union Street Plaza, and Pioneer Square. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026. This iteration of Hope Corps will be staffed by a temporary ARTS employee with an expected sunset date of 12/31/2026.

Neighborhood Arts, Culture, and Festival Activations**\$494,801**

This one-time item provides funding to support community celebration sites that will take place in summer of 2026 as part of the Mayor's Downtown Activation Plan. The Downtown Activation Plan (DAP), announced in June 2023, outlines the Mayor's plan to revitalize and transform Downtown Seattle as the city continues to recover from the impacts of the COVID-19 pandemic. This item supports community activations and celebrations during the World Cup outside the downtown core through arts, culture, and festivals. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Support for Challenged Arts & Culture Institutions**\$2,000,000**

This item creates a one-time grant program for 2025 and 2026 only within the Office of Arts & Culture specifically designed to stabilize and support arts and cultural organizations in the city that are challenged with pandemic related deficits and have a need to stabilize their business practices. These institutions include some of the largest employers of Seattle creatives and host events, occupy city owned facilities and provide a critical, anchoring role in downtown activations. The budget includes \$2 million in each year funded with Admissions Tax.

Seattle Center**Winterfest Support****\$240,116**

The 2025-2026 Proposed Budget includes appropriations out of the Arts and Culture Fund to three City departments which have arts and culture-related spending. The proposed budget includes legislation to broaden the uses of Admissions Tax from the Arts and Culture Fund. The Office of Arts and Culture, Seattle Center and Seattle Parks and Recreation budgets use Admissions Tax to support arts and culture spending.

Winterfest is Seattle Center's annual five-week festival encompassing live shows at the Seattle Armory, the Fountain of Light, and other attractions. The budget for Winterfest was substantially decreased in 2019 for General Fund savings. Seattle Center has been funding the event since 2021 using higher than projected revenues. This item reinstates budget for the event with Admissions Tax revenue.

Seattle Parks and Recreation Department**Increase to Zoo Operating Costs****\$800,000**

This ongoing item adjusts the baseline budget for the Woodland Park Zoo's operating and maintenance payments in recognition of the contractual inflationary increases required annually as part of the Master Operating Agreement with Woodland Park Zoological Society.

Expand Unified Care Team to 7 Day Coverage

\$882,822

The Unified Care Team (UCT) coordinates outreach and referrals to shelter for people experiencing homelessness, removes trash and debris from encampments, and restores public spaces. The 2025-2026 Proposed Budget expands services provided by the UCT from 5 to 7 days per week. This item adds about \$880,000 in 2025 and \$1.1 million in 2026 ongoing which represents an increase in 6 staff to SPR, and an increase in nonlabor expenses such as disposal of materials. The added positions include two laborer teams of two, which will remove trash and hazardous items, and a Manager 1 and a Strategic Advisor 1 positions for management support and oversight.

Revitalize Westlake Plaza

\$1,391,936

This one-time item provides \$700,000 in 2025 and \$1 million in 2026 of Payroll Expense Tax proceeds to support revitalization of Westlake Plaza as part of the Mayor's Downtown Activation Plan. The Downtown Activation Plan (DAP), announced in June 2023, outlines the Mayor's plan to revitalize and transform Downtown Seattle as the city continues to recover from the impacts of the COVID-19 pandemic. Specifically, this item funds a revitalization of Westlake Plaza which could include removal of out-of-commission fountain, stage renovation, an electrical systems upgrade, and repairs to paving and trip hazards.

Increase to Community Center Pre-Electrification Efforts

\$195,000

The proposed budget allocates \$18 million in Payroll Expense Tax proceeds in 2025 to the Green New Deal. This item uses payroll tax funding to fund projects associated with the city's Municipal Energy Electrification Program. This item specifically funds SPR's Pre-Electrification Program, which supports efforts to prepare community centers for decarbonization by first shrinking energy use intensity through energy conservation interventions such as use of LEDs, advanced lighting controls, and destratification fans for air mixing.

EDUCATION AND HUMAN SERVICES

Department of Education and Early Learning**ECEAP Grant Award Increase**

\$500,945

This revenue-backed item increases DEEL's appropriation from additional funds received from the state's Early Childhood Education and Assistance Program (ECEAP). This is a recurring grant and this amount provides appropriation for DEEL in 2025 and 2026.

Youth Mental Health Funding Alignment

\$13,900,000

The Mayor's Youth Mental Health Investment Strategy, announced in June 2024, includes \$15 million of Payroll Expense Tax funding in both 2025 and 2026 between the Department of Education and Early Learning and Seattle Parks and Recreation for youth mental health prevention, early intervention, and treatment. Some of these investments may shift to be levy funded in the 2026-2027 school year. This one-time item uses Payroll Expense Tax proceeds for the following initiatives:

Reach Out - \$560,000 in 2025 and 2026

This program focuses on preventing and early identification of youth mental health challenges by bridging the gap between the mental health needs of Seattle's youth and the limited availability of professional mental health resources. It also provides resources and training for parents, caregivers, and trusted adults to support youth in distress.

Telehealth Services - \$3.86 million in 2025, \$3.62 million in 2026

These services offer evidence-based online therapy for youth aged 13 to 24, along with support and resources for parents and guardians. These services include scheduled, one-on-one therapy sessions with qualified mental health professionals and interactive tools to support skill-building and individual well-being between sessions.

In Person Mental Health Supports - \$7.6 million in 2025, \$8.3 million in 2026

To expand access to mental health services, DEEL is also increasing in-person mental health support through existing School-Based Health Centers (SBHCs). Public Health Seattle King County (PHSKC) is adding an additional mental health clinician and a mental health coordinator at all SBHC sites at 21 middle and high schools, and providing system-wide mental health clinical consultation, training, and evaluation through partnerships.

In Person Community Hub. In alignment with Mental Health Supports, services include in person care to middle and high school students who are not served by School Based Health Centers. Programming will ensure that students have access to care during out of school time and during summer months. Services will also include expanding access to youth mental health care through community providers.

Universal Screening - \$1.5 million in 2025 and 2026

This service expands mental health screening in Seattle Public Schools to include high school students. Programming includes screening, brief intervention and referral to treatment and is designed to screen students periodically to proactively check-in on mental health, substance abuse and other dimensions of well-being.

Administration and Evaluation - \$380,000 in 2025, \$420,000 in 2026

This includes staffing and support to manage implementation, reporting, and evaluation of the Comprehensive Mental Health Initiative.

K-12 Sustain Educator Diversity

\$750,000

This item uses FEPP Levy fund balance to sustain K-12 Educator Diversity programming provided in partnership with Seattle Public Schools and six community-based organizations through the end of the FEPP Levy (2025-26 School Year). This partnership focuses on increasing the number of BIPOC educators in Seattle Public Schools through recruitment, retention, and professional development activities.

K-12 Sustain Summer Learning

\$1,000,000

This item uses FEPP levy fund balance to sustain Summer Learning Programming provided by 15 community-based organizations to over 1,000 students through the end of the FEPP Levy (2025-26 School Year). These funds directly support summer programming with enhanced or expanded academic, enrichment, and college and career readiness opportunities for Seattle-based K-12 youth disproportionately impacted by inequities in education including learning loss and disengagement. Learning loss and disengagement are more pronounced due to impacts of the COVID pandemic.

K-12 Sustain Youth Leadership

\$392,914

This item uses FEPP levy fund balance to sustain K-12 Youth Leadership programming provided by six partner community-based organizations through the end of the FEPP Levy (2025-26 School Year). This partnership focuses on improving academic outcomes for historically underserved youth of color, immigrant and refugee youth disproportionately affected by systemic inequities through identity-affirming cultural education programming.

Post-Secondary Sustain Path to UW

\$386,000

This item uses FEPP levy fund balance to sustain the Path to UW program through the end of the FEPP Levy (2025-26 school year). The Path to UW program provides access to transfer supports from dedicated advisors for Seattle Promise students as they continue their academic journey from Seattle Promise to the University of Washington.

Human Services Department**Community Development Block Grant (CDBG) for Homelessness Shelters**

\$3,178,870

For the 2025-2026 Proposed Budget, the administration removed CDBG funds from departments' baselines and reviewed department proposals for use of the federal grant funds for facilities and public services projects.

This item continues \$3,150,000 of CDBG for homeless shelter services. Consistent with prior years, the funding will be included in the City's contract with the King County Regional Homelessness Authority.

Expand Unified Care Team Shelter Referrals to Weekends

\$308,074

The Unified Care Team (UCT) coordinates outreach and referrals to shelter for people experiencing homelessness, removes trash and debris from encampments, and restores public spaces. The 2025-2026 Proposed Budget expands services provided by the UCT from 5 to 7 days per week.

This item adds \$308,074 to allow for up to two shelter programs to offer extended intake hours. This would allow the UCT to be able to make referrals to shelter on weekends.

Human Trafficking Interventions

\$2,000,000

This item adds funding to provide support for victims of human trafficking, including providing appropriate community-based support resources and advocates for resource navigation.

Opioid Settlement Fund Appropriation Increase

\$209,801

This item increases the Opioid Settlement Fund appropriation in HSD by \$209,803.

It adds \$93,483 in ongoing funding for:

- Administration (\$13.5k)
- Opioid Abatement Council (\$13.5k)
- HSD staffing costs to support Health One, the Seattle Fire Department's Mobile Integrated Health response unit (\$45.5k)
- Contract inflation for Drug User Health Services (\$20.5k)

This item also adds one-time budget of \$116,318 to cover the cost of an FTE in HSD Director's Office to lead public health-related work.

The proposed budget change titled "Bargained Annual Wage and Market Wage Increases to Base Budget" central change request adds appropriation of \$47,103 in 2025 and \$62,671 of Opioid Settlement Funds. The revenue for that change is included in this item.

Ongoing Funding for the Third Avenue Project (TAP)

\$1,900,000

This item adds ongoing funding to continue the Third Avenue Project (TAP) in 2025. TAP was previously funded on a one-time basis. This program has operated since late 2022 and addresses public safety concerns in the 3rd Avenue community.

LIVABLE & INCLUSIVE COMMUNITIES

Department of Neighborhoods

Expand Interdepartmental Outreach and Engagement Agreements

\$381,427

This ongoing item increases expenditure budget and revenues to reflect an expansion of the Equity and Engagement Advisors (EEA) program. As part of the EEA program, the Department of Neighborhoods (DON) partners with City departments to provide outreach and engagement services on specific projects and programs. Departments reimburse DON on a per hour basis for the cost of the program. In 2024, DON provides EEA services to the Seattle Department of Transportation and Seattle Public Utilities. Beginning in 2025, DON will expand the EEA program by providing services to the Human Services Department, Seattle Parks and Recreation, and Seattle City Light. This item increases revenues to the General Fund from funds managed by these partner departments. The portion of increased revenues that exceed EEA program costs will support departmental overhead costs in DON that are currently supported by non-revenue backed General Fund budget.

Office of Economic Development

Ongoing Support for Business Community Ownership Fund

\$2,500,000

The General Fund revenue forecast for the City's 2025-2026 Proposed Budget is insufficient to cover all anticipated Citywide costs. A portion of Payroll Expense Tax revenues are transferred to the General Fund. Payroll tax reductions were identified to facilitate this transfer to mitigate the General Fund shortfall. The 2025-2026 Proposed Budget allocates \$31 million in Payroll Expense Tax proceeds in 2025 to support economic development. This item uses payroll tax funding to provide ongoing support for the Business Community Ownership Fund (BCOF) program. This program was previously supported by one-time funding that was removed in the baseline phase and this item makes funding for the program ongoing at a reduced level. The 2024 Adopted Budget included \$3.5 million for this program. The BCOF aims to address commercial displacement, empowering small businesses with long-term affordability and ownership of their own commercial spaces to keep them rooted in Seattle neighborhoods, or provide a pathway to return to neighborhoods. This is a partnership with the Office of Economic Development and Grow America, which matches City funds dollar-for-dollar through financing and grants.

Ongoing Support for Capital Access Program

\$2,450,000

The General Fund revenue forecast for the City's 2025-2026 Proposed Budget is insufficient to cover all anticipated Citywide costs. A portion of Payroll Expense Tax revenues are transferred to the General Fund. Payroll tax reductions were identified to facilitate this transfer to mitigate the General Fund shortfall. The 2025-2026 Proposed Budget allocates \$31 million in Payroll Expense Tax proceeds in 2025 to support economic development. This item uses payroll tax funding to provide ongoing support for the Capital Access Program (CAP). This program was previously supported by one-time funding that was removed in the baseline phase and this item makes funding for the program ongoing at a reduced level. The 2024 Adopted Budget included \$2.45 million for this program. CAP aims to empower underserved businesses by dismantling financial barriers and promoting equitable access to capital. Specifically, CAP provides subsidized financial products leveraging programs offered by Washington State and provides tailored technical support services to businesses.

Ongoing Support for Commercial Affordability Programs

\$2,431,756

The General Fund revenue forecast for the City's 2025-2026 Proposed Budget is insufficient to cover all anticipated Citywide costs. A portion of Payroll Expense Tax revenues are transferred to the General Fund. Payroll tax reductions were identified to facilitate this transfer to mitigate the General Fund shortfall. The 2025-2026 Proposed Budget allocates \$31 million in Payroll Expense Tax proceeds in 2025 to support economic development. This item uses payroll tax funding to provide ongoing support for Commercial Affordability programs. These programs were previously supported by one-time funding that was removed in the baseline phase and this item makes funding for the programs ongoing at a reduced level. Specifically, this item provides \$1.5m for the Tenant Improvement Fund and \$1 million for Seattle Restored. The 2024 Adopted Budget included \$3.8 million for these programs. The Tenant Improvement Program invests in a business' infrastructure for growth and sustainability to help

businesses stay in their neighborhoods. Seattle Restored activates vacant storefronts through creativity and commerce and is scaling up a matchmaking strategy and supporting Downtown retail strategy.

Ongoing Support for Neighborhood Capacity Programs

\$2,067,705

The General Fund revenue forecast for the City's 2025-2026 Proposed Budget is insufficient to cover all anticipated Citywide costs. A portion of Payroll Expense Tax revenues are transferred to the General Fund. Payroll tax reductions were identified to facilitate this transfer to mitigate the General Fund shortfall. The 2025-2026 Proposed Budget allocates \$31 million in Payroll Expense Tax proceeds in 2025 to support economic development. This item uses payroll tax funding to provide ongoing support for Neighborhood Capacity programs. These programs were previously supported by one-time funding that was removed in the baseline phase and this item makes funding for the programs ongoing at a reduced level. The proposed budget includes \$2.5 million for Neighborhood Capacity programming including the Only in Seattle program and Business Improvement Area supports. The 2024 Adopted Budget included approximately \$5 million for these programs. This item will support business district organizational capacity to foster comprehensive placemaking and place-keeping activities, including the exploration and creation of new business improvement areas.

Ongoing Support for Technical Assistance Programs

\$800,000

The 2025-2026 Proposed Budget allocates \$31 million in Payroll Expense Tax proceeds in 2025 to support economic development. This item uses payroll tax funding to provide ongoing support for technical assistance (TA) programs. These programs were previously supported by one-time funding that was removed in the baseline phase and this item makes funding for the programs ongoing. Business TA is a fundamental component of equitable economic development, creating pathways to growth for entrepreneurs who historically have limited access to the resources and capital needed to establish, manage crisis, stabilize operations, and expand. This item will support several technical assistance programs including business operations and development consulting, digital sales access, legal assistance, and in-language business navigation consulting.

Ongoing Support for Language Access and Outreach

\$200,000

The 2025-2026 Proposed Budget allocates \$31 million in Payroll Expense Tax proceeds in 2025 to support economic development. This item uses payroll tax funding to provide ongoing support for language access and outreach supports. These costs were previously supported by one-time funding that was removed in the baseline phase and this item makes funding for the costs ongoing. This item will support equitable communication and outreach strategies for economic development programs, services, and resources provided by the City and partners.

Office of Immigrant and Refugee Affairs

CDBG Ready To Work Continuation

\$700,000

For the 2025-2026 Proposed Budget, the administration removed Community Development Block Grant funds from departments' baselines and reviewed department proposals for use of the federal grant funds for facilities and public services projects.

In OIRA, the budget provides \$700,000, an 8% increase over 2024, to support the Ready To Work (RTW) program which was created by the City of Seattle in 2015 to empower and support immigrants and refugees in overcoming barriers on their journey to economic stability, quality jobs, and integration into life in Seattle.

Office of Planning and Community Development

Increase the Equitable Development Initiative Grant Award Budget

\$1,676,839

The proposed budget allocates \$22 million in Payroll Expense Tax (payroll tax) proceeds in 2025 to the Equitable Development Initiative. This item uses payroll tax funding to increase OPCD's Equitable Development Initiative grant award budget by \$1.68 million in 2025 and another \$2.68 million in 2026. This brings total EDI payroll tax funding in the 2025 Proposed Budget to \$22,040,000, including \$608,992 for labor costs. In 2026, total EDI payroll tax funding is \$23,069,907, including \$634,723 of labor costs.

PUBLIC SAFETY

Community Assisted Response and Engagement

CARE Team Expansion

\$1,500,000

This item increases appropriation authority by \$1,500,000 in 2025 and \$3,533,832 in 2026 to support the ongoing expansion costs of the CARE team Response Teams expansion. The CARE team Response Teams have already been assisting with 911 calls through prioritization and sending the CARE team dispatching them to the incident. This expansion will allow the CARE team to offer city-wide coverage, increased hours of service of the program, and to better focus first response resources on the situations where they are most needed.

In August 2024, funding was appropriated in Ordinance 127068 for the CARE team Response Team expansion, covering the costs of facilities, vehicles, and personnel. This item makes that funding ongoing for 21 full-time positions, (9 Community Crisis Responder 1's, 9 Community Crisis Responder 2's, and 3 Community Crisis Responder Supervisors). To do this requires an additional 9 vehicles (8 Ford Explorer PIU's, 1 ADA Van), equipment such as radios, uniforms, computers, facilities, supplies for distribution, and other on-going costs. The position pockets are part of the Ongoing Changes from Current Year Legislation change request.

Seattle Fire Department

Dangerous Building Abatement

\$500,000

This item increases appropriation by \$500,000 in SFD's Fire Prevention Division for dangerous building abatement to contract with vendors to demolish or perform other related services such as installation of fencing around the property. There are more than 40 derelict and potentially unsafe buildings in Seattle that SFD is tracking. To address this issue, Seattle Fire Code legislation has been amended in 2024 to clarify the Fire Chief's authority to demolish or otherwise remedy the unsafe building conditions and seek cost recovery from the property owner. The legislation also allows SFD to place a lien against property titles to ensure Seattle taxpayers are reimbursed for the City's building abatement costs.

Seattle Police Department

Overtime for Priority Hot Spots

\$10,000,000

This item adds one-time funding in 2025 for increased overtime patrol for priority hot spots. SPD continues to experience officer staffing shortages and relies on overtime to deliver essential public safety services. This funding will support efforts to curb violent criminal behavior through proactive policing in hot spots, which are areas where crime and/or disorder is concentrated such as a street segment, an intersection, or a small cluster of blocks. The City Auditor's office published an audit report in July citing a study of Seattle that found between four and five percent of street segments accounted for 50 percent of annual reported crime incidents over a 14-year period.

Real Time Crime Center

\$2,048,467

This change increases appropriation authority by \$2M in 2025 and \$3.7M in 2026 and adds ongoing position authority for 21.0 FTE Real Time Crime Center (RTCC) Analyst positions – 12.0 FTE in 2025 and 9.0 FTE in 2026. These positions will allow the department to establish a fully staffed Real Time Crime Center. The 2024 Adopted Budget includes funding for a Closed-Circuit Television (CCTV) Crime Prevention Technology Pilot Project to leverage technological resources to address increased gun violence, human trafficking, and felony crime at specific locations where it is concentrated. This pilot program will be most successful when strategically integrated with a RTCC, which will use the information from the Crime Prevention Pilot technologies to triage and coordinate patrol/emergency responses to crime events.

Investigative Support Positions

\$1,091,333

This item increases appropriation authority by \$1.1M in 2025 and \$2.3M in 2026 and adds ongoing position authority for 7.0 FTE investigative support positions in 2025 and another 7.0 FTE in 2026. Four emergency positions were created in August 2024 with the emergency authority for these positions expiring on December 31, 2024. These positions will assist SPD Detectives with homicide, robbery, and gun crime investigations. Hiring these positions will allow SPD to expand capacity and increase support for Detectives and Officers to complete thorough, precise, and timely documentation for criminal investigations, including pulling criminal histories, requesting 911 recordings, releasing information to a prosecutor, and more.

Implement CCTV at Additional Locations

\$425,000

This item adds funding for the implementation of closed-circuit television (CCTV) cameras at additional locations where gun violence, human trafficking, or persistent felony crime is concentrated. These technology systems will only be used in public places, such as sidewalks, streets, and parks to mitigate privacy concerns.

UTILITIES AND TRANSPORTATION

Office of Sustainability and Environment

Add Climate Data Impact Analysis and Reporting Capacity

\$100,000

The proposed budget allocates \$18 million in Payroll Expense Tax proceeds in 2025 to the Green New Deal. This item adds funding to OSE to increase departmental capacity for climate impact data analysis and reporting, including urban forestry. Funding will help OSE implement new tools to measure Seattle's progress on key climate indicators and inform citywide coordination around policies addressing climate change, energy transition, and urban forestry.

In 2025-2026, this funding will firstly address urban forestry data and reporting priorities. These projects will integrate urban forestry data and information, which is currently dispersed across multiple reports, maps, and interfaces, into a single, publicly available technology resource. This tool will better track Seattle's urban forest over time in response to changing environmental conditions and ongoing management.

Ongoing funding will also support continual climate and urban forestry data surveillance. Funding would also help maintain and enhance other Citywide climate data tools managed by OSE, such as the One Seattle Climate Portal, and will support development of new policies like the updated Seattle Climate Action Plan.

Consolidate Duwamish River Opportunity Fund and Environmental Justice Fund

\$0

The proposed budget allocates \$18 million in Payroll Expense Tax proceeds in 2025 to the Green New Deal. This item is a budget neutral change for OSE's PET-GND funding which will consolidate the Duwamish River Opportunity Fund (DROF) and the Environmental Justice (EJ) Fund. Together with a separate item adding \$250,000 to the EJ Fund budget, this will result in a streamlined \$1,050,000 grant program serving OSE's core mission around sustainability and environmental justice

The combined Environmental Justice Fund will continue to invest in community-led projects led by and for communities disproportionately impacted by environmental issues and climate change. This budget neutral efficiency measure will streamline grantmaking led by OSE and continue to allow for investment in place-based, community-led efforts in the Duwamish Valley through the EJ Fund. Consolidation will help reduce application burdens on potential awardees -- many of whom currently apply (and receive funding from) both programs -- and help OSE more efficiently maximize existing staff capacity supporting these award processes.

Although many DROF awards currently support groups active in the climate and environmental justice space, some current awardees may be made ineligible by narrowing award criteria to these areas. OSE and the City will seek to ensure these organizations are given ample time to re-focus their grant applications and direct them towards other potential City or external awards.

Seattle City Light

Reduce Volatility in Power Supply Costs

\$1,160,447

This item adds two positions and \$1.2 million to support growth in two areas: the first is to prepare for and ensure that there is transmission system capacity to deliver additional clean electricity to the service territory as electricity demands increase due to vehicle and building electrification, and the second is to analyze and prepare for new opportunities in emergent day-ahead energy markets.

Utility Technology Roadmap

\$4,407,333

This adjustment establishes an ongoing CIP budget for the Technology Roadmap program that gradually ramps up over time to keep up with technology needs across the utility. This area of utility operations continues to grow as software updates and critical IT projects that are essential to the utility's operating and business needs (like Cybersecurity, Grid Modernization, an Enterprise Document Management) are required.

Distributed Energy Resources

\$1,680,000

This adjustment does two things: it augments program management resources to oversee an expanded portfolio of energy efficiency programs to cost-effectively meet our energy efficiency targets and provide a least-cost resource to the utility; and it provides funding for a limited scale Community Solar Program.

Georgetown Steam Plant

\$0

This item funds the repair of the entire exterior envelope at the Georgetown Steam Plant as it is the best way to ensure the concrete walls do not degrade further and increase expense. The exterior wall repair will be supervised by City Light staff, third party subject matter experts, and a design engineer to verify compliance with codes and specifications. The funding for this project begins in 2026 and total project cost is estimated to be \$12 million when complete.

Sound Transit 3

\$3,175,000

This item adds two positions and additional resources necessary to meet required timelines with the Sound Transit Light Rail Extensions. This project supports the expansion of the regional transit system by reconfiguring the City Light distribution system to accommodate Sound Transit facilities and provide electrical service to the rail extensions. It is fully revenue-backed. This request addresses the need for the addition of a dedicated team of both sunset and permanent roles to support the project ramp up and the ongoing project management.

Seattle Department of Transportation**Unified Care Team Expansion**

\$1,429,588

3.00 FTE

The Unified Care Team (UCT) coordinates outreach and referrals to shelter for people experiencing homelessness, removes trash and debris from encampments, and restores access to public spaces. This item adds \$1.4 million of General Fund resources and 3.0 FTE in SDOT to expand SDOT's team to provide additional services under the UCT program. This funding will support a mix of labor costs in SDOT as well as contracted support to expand UCT-related services from 5 to 7 days a week.

Bridge Seismic Program Funding

\$4,000,000

This item adds \$4 million of Levy to Move Seattle funding to the Bridge Seismic Retrofit - Phase III program (CIP Project MC-TR-C090) in 2025 in the 2025-2030 Proposed CIP. This program contains a list of 16 seismic retrofit programs evaluated and planned through the life of the Levy to Move Seattle. Bridge seismic retrofits are typically high-cost projects that are susceptible to external cost inflation and increased costs discovered during project design. The program requires additional funding to complete the planned list of bridge seismic projects. This funding is made available by the Levy to Move Seattle Fund through levy project savings.

East Marginal Way North Segment Funding

\$4,500,000

This item adds \$4.5 million of Levy to Move Seattle funding to the East Marginal Way North Segment component of the Heavy Haul Network Program (CIP Project MC-TR-C090) in 2025 in the 2025-2030 Proposed CIP to cover a funding shortfall preventing the completion of the project. The Seattle

Department of Transportation (SDOT) is making improvements along the north segment of the corridor – between S. Atlantic St. and S. Spokane St. The improvements will reconstruct the roadway along this freight corridor to support truck loads with an expected lifetime of 50 years. The project will also construct a protected bike lane, including rebuilding the existing traffic signal at S. Hanford St. and adding a new signal at S. Horton St. to provide protected crossings for cyclists. This additional funding is necessary due to the need to relocate and modify existing rail yard track and is made available through project savings in the Levy to Move Seattle Fund.

Seattle Public Utilities

Unified Care Team Expansion

\$85,000

The Unified Care Team (UCT) coordinates outreach and referrals to shelter for people experiencing homelessness, removes trash and debris from encampments, and restores public spaces. The 2025-2026 Proposed Budget expands services provided by the UCT from five to seven days per week.

This item adds \$85,000 GF to Seattle Public Utilities for weekend vendor-provided cleanup and solid waste disposal activities. The vendor would only perform exterior cleaning of encampments on weekends.

ADMINISTRATION

Department of Finance and Administrative Services

Waterfront Operations and Tribal Interpretive Center Adjustments

\$4,454,521

This item amends CIP Project: Waterfront Operations and Tribal Interpretive Center in the Department of Finance and Administrative Services to increase appropriation by \$4.226 million, financed by Limited Tax General Obligation (LTGO) bonds. Total appropriation also supports the anticipated debt service payment.

The Bakun Building was purchased in 2023 to be the waterfront operations office and provide a cultural space for the Muckleshoot Indian Tribe. The funds remaining after purchase do not support a design that would serve both the Seattle Center, responsible for operations of the Waterfront, and the Muckleshoot Indian Tribe's respective needs. The additional funding will address substantial alterations that are necessary for building occupancy.

The project is intended to provide dedicated space to house the staff for on-going maintenance and operations for Waterfront Park. The project also fulfills the City's permitting commitments to the Muckleshoot Tribe for construction of the Elliot Bay Seawall to provide 10,000 square feet in a building along the Waterfront for a Tribal Interpretive Center rent free in perpetuity. The Tribe has indicated that this project could fulfill the conditions of the permit agreement.

Seattle Information Technology Department

Continue the Affordable Seattle Program

\$160,000

This item increases Payroll Expense Tax funding of \$380,291 in 2025 and \$391,080 in 2026 to support the Affordable Seattle Program and CiviForm application to replace funding from CLFR funds that expire in 2024. This increase enables the Affordable Seattle Program to continue at its current staffing and program level. The Affordable Seattle Program and CiviForm application are proven to decrease the cost to live in Seattle and increase economic revitalization of the most vulnerable communities.

**General Fund (GF) transfers are reported in Finance General (Administration) to align with actual appropriations as well as totals in the General Fund Financial Plan (00100); this includes transfers to the Office of Labor Standards, Firefighter's Pension, Police Pension, Seattle Public Library, Seattle Information Technology Dept, and Finance & Administrative Services.

General Fund Revenue Overview

National Economic Conditions and Outlook

Disappointing inflation readings in the first half of 2024 compelled the Federal Reserve Bank to keep interest rates in the 5.25% to 5.50% range longer than anticipated in early 2024. The U.S. economy still continued to show resilience despite dramatic monetary tightening creating notable headwinds for consumer demand, investment, and job creation - real GDP grew 1.4% and 3.0% in the first two quarters of 2024. But the labor market has cooled as job openings have declined, job growth slowed, and the unemployment rate increased from 3.7% in January to 4.3% in July. Fed chair Jerome Powell acknowledged in his August press conference that the labor market is no longer overheated, but also that further weakening is not welcome. He has also signaled that the first interest rate cut can be expected in September, since inflation has continued to ease in the last few months and has shown more satisfactory progress towards the 2% inflation target.

The final August revenue forecast presented below, as well as the underlying regional economic forecast developed in July, are based on the national economic forecast from S&P Global released in the first week of July. These forecasts thus do not incorporate more recent information and data released after they were finalized, which changed the outlook for the timing of interest rate cuts and increased uncertainty regarding the likely path of the labor market. As shown in the figure below, S&P Global's July forecast expected job growth to slow further in 2025, and predicted essentially no job growth in 2026.

Employment growth, year-over-year % change

■ Seattle Metropolitan Division ■ United States

Seattle Metropolitan Area Economic Conditions and Outlook

Evident in the figure above, Seattle's regional economy has lagged the performance seen at the national level since the second half of 2022. Based on the employment estimates released by the Washington State Employment Security Department in July 2024, which revised regional employment down significantly going back to October 2023, there has been little job growth since Summer 2023. The net addition of 3,900 jobs between June 2023 and June 2024 represents an increase of a mere 0.2%, and as the figure below shows, growth has been very uneven across sectors.

There are at least two significant factors that have negatively affected the region's recent economic performance. The first is an ongoing reversal of growth in the technology sector, which has been a key driver of the region's post-pandemic recovery as its employment grew at a rapid pace. Early evidence of a correction in the tech sector's growth path can be seen in the second half of 2022, as announcements of hiring freezes and layoffs were accompanied by declining stock prices and in the following months layoffs became common even among the region's largest technology employers. While these layoffs were not unique to Seattle, the technology sector has a disproportionate impact on the Seattle region, relative to the nation as a whole. Based on the estimates released by the Washington State Employment Security Department in July 2024, regional employment in Trade, Information and Professional and Business Services (sectors where regional tech companies operate) declined by 24,500 since June 2022, approximately 1.4% of total regional employment. The extent to which the Trade and Information sector weighs down regional job growth is also visible in the chart below, which shows their contribution to the total change in employment over past 12 months at a combined -0.7%.

The second, and somewhat related, factor affecting the regional economy is a slow return to the office, indicating that overall economic activity in Seattle has been slow to recover as well. Jobs in the technology sector are generally remote-friendly and as a result Seattle workers have lagged the overall national trends in returning to traditional work locations. This has also led to a reduction in demand for office space and quickly rising office vacancy rates, which combined with high interest rates have resulted in a slowdown of construction activity after a decade of construction boom.

Like the nation, the regional economy is still likely to avoid a recession as there is currently no expectation of overall net job loss and employment is expected to grow modestly even as hiring slows.

However, the most recent regional economic forecast, prepared by the Office of Economic and Revenue Forecasts in July¹, projects that regional employment will grow just 0.7% in 2024, down from 1.9% expected in March. This change reflects the downward revision in year-to-date job growth in the employment estimates data released by the Washington State Employment Security Department in July, as well as their composition by industry.

Most of the uncertainty and downside economic risks are now with regard to the path of the labor market, rather than inflation. In the first half of 2024, both the national and the Seattle area inflation rates were close to the forecasts from March as inflation continued to ease, though at a slightly slower pace than in the second half of 2023. Regional inflation is still outpacing the national level. In the 12 months ending in June, the overall price level as measured by the CPI-U increased by 3.3% in the U.S. as a whole and by 4.5% in the region.

The current forecast from the Office of Economic and Revenue Forecasts anticipates that the annual regional CPI-U inflation rate for 2024 will be just 3.8%, and that in 2025 inflation will further cool to 2.8%². A softening in the regional residential rental market and slower rent growth have been key factors in recent declines, as housing represents close to 50% of the overall expenditures accounted for in CPI-U.

City Revenue

The following sections present the current forecast for revenue sources supporting the City’s primary operating fund, the General Fund, its primary capital funds REET 1 and REET 2, and six select other funds – the Arts and Culture Fund, Seattle Park District Fund, Sweetened Beverage Tax Fund, the Short-Term Rental Tax Fund, the Transportation Fund, and the JumpStart Payroll Expense Tax Fund.

General Fund Revenue Forecast

Based on the weaker than expected performance of the regional economy and weaker revenue collection since the second half of 2023, overall 2024 General Fund revenues excluding Grants and Fund Balance Transfers are projected to be about \$2.9 million (0.2%) lower relative to the October forecast underlying the 2024 Adopted Budget. This is due to a lower forecast for the main economically driven revenues - Sales and Use Tax and Business and Occupation Tax were revised down by \$25.4 million (3.5%) - which was partially offset by a higher forecast for other revenues, most notably a \$16.1 million increase in the Public Utility Taxes. Further details about changes in the forecast for individual revenue streams can be found below. Including Grants and Fund Balance Transfers, the revised 2024 forecast for General Fund is \$48.4 million higher relative to the 2024 Adopted Budget forecast.

As the table below indicates, the 2025-2026 Proposed Budget anticipates \$1,934.4 million of General Fund revenues in 2025 and \$1,941.4 million in 2026. The increase from 2024 to 2025 of \$188.5 million is in large part attributable to a significant transfer from the JumpStart Payroll Expense Tax Fund to support general government programmatic and administrative needs. Excluding Grants and Fund Balance Transfers, General fund revenues are projected to grow 2.6% in 2025 and 4.3% in 2026. Revenues presented in the table below include those resulting from proposed policy changes added to the forecast since the August forecast was approved by the City’s Economic and Revenue Forecast Council on August 5, 2024. These changes total \$295.4 million and \$232.3 million for 2025 and 2026, respectively. They are primarily the result of changes to Court Fines, which were increased by \$4.9 million for both 2025 and 2026, as well as the addition of programmatic transfers from the JumpStart Payroll Expense Tax Fund, which were increased by \$287 million for 2025 and \$223 million for 2026.

Property Tax. Property taxes paid in the current year are based on valuations as of January 1 of the previous year. The revenue forecasts and projected tax rates for 2025 are based on January 1, 2024 valuations. Over the course of the year, the King County Assessor conducts the research and appraisals needed to retroactively determine those valuations. Assessed values declined over the last few years due to the high-interest rate environment, the uncertainty of the long-term demand of office space, and a cooling residential market. But with the expectations of interest rate cuts later this year, which will boost the housing market, residential assessed values are now expected to grow, mitigating the continued challenges in the commercial real estate sector. However, the construction sector continues to grapple with high costs and rising office vacancy rates that are likely to prevail for an extended period of time. As a result, new construction is projected to decline through 2026, with growth resuming in 2027. The 2025-26 Proposed Budget forecasts modest growth in the general expense property tax in the next two years, anticipating \$324.8 million in revenue in 2025 and \$326.0 million in 2026.

Medic 1/Emergency Medical Services. This county-wide property tax is levied by King County. Conceptually, the City of Seattle receives a distribution of the proceeds equal to the county-wide tax rate multiplied by the City's assessed value (AV). The county-wide tax rate is based on the approved annual Medic 1/EMS levy amount divided by total King County AV. Thus, the tax rate will increase or decrease respectively when King County AV shrinks or grows faster than the rate of growth of the levy amount. The City's share will, in turn, grow or shrink with the tax rate and whether City AV growth is sufficient to outpace any changes resulting from King County AV changes. The 2025-2026 Proposed Budget includes a decrease of \$2.4 million for 2025 relative to the 2024 Adopted Budget, due to the effect of faster King County AV growth and the resulting decrease in the tax rate outweighing the growth in City AV in 2024 and 2025. Revenues in 2026 increase sharply by approximately \$18.5 million to \$83.3 million from \$64.7 million projected for 2025, due to assumptions about the initial levy rate from the Medic 1/EMS levy renewal vote scheduled for the fall of 2025. Although still in the process of approval, this forecast assumes a rate of \$0.265 per \$1,000 of assessed value.

Sales and Use Tax. Consistent with the weak performance of the regional economy and notable declines in revenues from construction and trade sectors that started in late 2023, the revised forecast anticipates essentially no growth in sales tax revenues between 2023 and 2024, thus reducing the 2024 sales tax revenues by \$15.5 million compared to the 2024 Adopted Budget forecast. This is expected to be followed by a modest 2.5% and 2.9% sales tax revenue growth in 2025 and 2026, as interest rates decline gradually and demand recovers.

Business and Occupation (B&O) Tax. Similar to the sales tax, Seattle's weak economic performance is expected to weigh on B&O tax revenues as well. But while sales tax and B&O tax in general tend to move together, the tax base for B&O tax is more diversified, with smaller shares taken up by the construction and trade sectors. Consequently, B&O revenues are expected to show slightly stronger performance since the decline in the construction sector has created a larger drag on sales tax growth. Compared to the forecast from last fall, the revised forecast reduces 2024 B&O revenues by \$9.9 million to \$358.3 million. B&O tax is then projected to generate \$379.9 million in 2025 and \$404.3 million in 2026.

Utility Business Tax – Private Utilities. This revenue category includes taxes on cable television, telephone service, natural gas, and the central steam heat services provided in the downtown core. The overall forecast for this revenue category remains unchanged as the underlying revenue streams had slight, offsetting revisions. Natural gas and steam have seen positive upward changes due to a recent pattern of growth but are negated by continued declines in cable and telephone tax revenues. A

decline was initially predicted as consumers switched to different modes of communication and entertainment, but recent data suggest that these tax revenues have not yet “bottomed out”.

Utility Business Tax – Public Utilities. The City levies a tax on most revenue from retail sales collected by City-owned utilities (Seattle City Light and Seattle Public Utilities). Tax rates range from a State-capped 6% on City Light up to a current 15.54% on the City Water utility. The current forecast revises 2024 revenues upward by \$16.1 million compared to the Adopted, half of which is a result of a shift in accounting of water and electric tax revenues from 2023 to 2024. The 2025-26 Proposed Budget estimates total public utility revenues at \$214.9 million for 2025 and \$222.6 million for 2026.

Transportation Network Company Tax. In November 2019, Council approved a tax on transportation network companies (TNC), such as Uber and Lyft, effective July 1, 2020. As approved, the tax of \$0.57 per trip is owed for all rides originating in Seattle by TNC’s with more than 1 million rides per calendar quarter. Council reduced the ride threshold to 200,000 rides per quarter effective October 2020, and then, per state law, the tax rate to \$0.42 per trip effective January 1, 2023. At the start of the COVID-19 pandemic, the demand for rides and the number of drivers plummeted, dramatically reducing TNC tax revenue. Since this pandemic low, the recovery of both demand and supply has been anemic. The 2025-26 Proposed Budget assumes \$5.7 million in 2025 and \$5.8 million in 2026.

Parking Meters. Revenue from on-street parking meters is forecast to be \$35.4 million in 2024 and \$37.4 million in 2025, a year-over-year increase of \$2 million or 5.6%. However, the 2025 forecast represents a drop of \$1.8 million (-4.7%) relative to the 2024 Adopted budget. The year-over-year increase is due mostly to rate changes that the Seattle Department of Transportation implements 3-4 times per year with rates determined by its Performance-Based Parking Program model which sets rates to achieve 1-2 open spaces per block face. Also contributing to rising revenues is the increased minimum and maximum allowable parking rates, approved with the 2024 Adopted Budget, which took effect March 2024. That change increased the minimum rate from \$0.50 to \$1 and the maximum from \$5 to \$8. The reduction in 2025 projected revenues relative to the 2024 Adopted Budget reflects lower than assumed increases in 2024 from rate changes compared to recent years and lowered expectations for future rate increases.

Court Fines. The City imposes and collects fines and related fees on various citations, primarily on-street parking tickets and camera-enforced red-light violations. Relative to the 2024 Adopted budget, the 2025 Proposed budget assumes a decrease of \$1.9 million in revenue in 2025 and \$2.4 million in 2026. The reduction is mostly attributable to parking and red-light camera citations being lower in 2024 than previously expected and estimates of future volumes being adjusted accordingly. Expected volumes for certain traffic violations have also been revised downward based on recent totals. However, relative to the August forecast approved by the City’s Economic and Revenue Forecast Council, the 2025 Proposed budget includes a proposal to increase parking citation fine amounts, which would add a projected \$4.9 million to these revenues in 2025. Those rates have not changed since 2011 and the proposal would bring them closer to inflation adjusted levels and to rates in similar U.S. cities. For more details, see the Seattle Municipal Court section of the budget.

Grant Revenues. Federal, State and local grant revenues can change significantly with the passage of time as departments learn of new grant opportunities and applications are successful. Importantly, grant revenues are by their nature and purpose matched dollar-for-dollar with expenditures across the life of the grant. As such, grants are not providing additional discretionary revenues for allocation

through the budget process. The 2025-26 Proposed Budget contains an expected \$14.7 million of grant revenues in both years.

Fund Balance Transfers. Fund balance transfers in the 2025-26 Proposed Budget total \$296.9 million in 2025 and \$233.4 million in 2026, the majority of which are transfers from the Payroll Expense Tax Fund to support programmatic and administrative expenses. For further explanation of the transfer and uses of the payroll expense tax, please see the Budget Overview section of this budget book.

Service Charges and Reimbursements. This category includes revenues to recover the costs for services within city government and revenues generated from legal and personnel services. The total revenues expected in the 2025-26 Proposed Budget of \$82.1 million in 2025 and \$85.6 million in 2026 reflect a continued rise in the overall cost of service provision.

Licenses and Permits. The City requires all businesses operating in Seattle to have a business license. The cost of these licenses increases with the business' revenues. The current forecast shows a notable \$4 million decline in revenues from 2023 Actuals to the 2024 Revised forecast, primarily due to a significant shift in payments from 2022 to 2023. In particular, an atypically large share of payments made at the end of 2022 was fully processed and accounted for only in early 2023, which increased 2023 totals. For 2024, business license revenues were revised up \$1.8 million compared to the 2024 Adopted Budget forecast. The current forecast anticipates 2025 and 2026 revenues to be \$20.8 million and \$21.3 million, respectively.

Interest Income. The City receives interest earnings on its cash holdings. Increases in earnings rates have led to revised 2024 increase projections of approximately \$1.4 million to \$19.1 million from \$17.7 million in the 2024 Adopted Budget. Cash balances remain elevated, but are projected to decline gradually throughout 2024-2026. Earnings rates are projected to remain relatively flat across the biennium. The resultant forecast is for modest declines in interest earnings relative to the revised 2024 forecast, but still higher than assumed in the 2024 Adopted.

Non-General Fund Revenues of Note

In addition to forecasts of General Fund revenues, the Forecast Office and the City Budget Office track and forecast various other revenues that are accounted for in separate funds and that support general government purposes.

REET 1 and REET 2 Capital Funds – Real Estate Excise Tax (REET).

REET revenues are generated by a combined 0.5% tax on all real estate transactions. The sharp increase in interest rates, induced by the Federal Reserve's monetary tightening that started in 2022, has restricted the supply of homes for sale due to the mortgage rate lock-in effect and a significantly increased overall cost of borrowing, thus negatively impacting the volume of both residential and commercial real estate transactions. In addition, the slow return to the office has created a great deal of uncertainty about the value of commercial office space. This uncertainty has further dampened the sales of large office properties, which had previously represented a notable share of REET revenues. REET revenues declined 47.6% in 2023 and the recovery is expected to take several years. Nevertheless, there were nine real estate transactions with sales price above \$50 million in the first half of 2024, which contributed about \$5 million to the REET collection. As a result, the REET forecast for 2024 has been increased from \$52.3 million to \$57.2 million. The Federal Reserve is expected to start cutting interest rates in the second half of 2024, which will lower borrowing costs, improve the demand for mortgages and at least partially alleviate the interest rate lock-in effect. For 2025 and 2026, the forecast anticipates \$63.9 million and \$80.2 million, respectively.

Arts and Culture Fund - Admission Tax.

Relative to the forecast from last October, anticipated admission tax revenues have increased by \$1.9 million for 2024 to \$26.3 million. This adjustment reflects an overall increase in the demand for entertainment activities, attributable to both residents and tourists. This increased demand also increases the total projected revenues for 2025 and 2026 to \$27 million and \$27.8 million, respectively.

Seattle Park District Fund – Property Tax Levy.

In August 2014, voters approved creation of a Metropolitan Park District (MPD). Pursuant to RCW 35.61, the MPD is a legally separate taxing jurisdiction from the City of Seattle, whose property tax levy authority of \$0.75 per \$1,000 assessed value is outside of the City's statutory rate limit of \$3.60 per \$1,000 assessed value and whose revenues will not be accounted for in the City's General Fund. The MPD is levying \$127.4 million in 2025 and \$131.2 million in 2026 in line with the adopted six-year spending plan.

Sweetened Beverage Tax Fund.

The Sweetened Beverage Tax is a tax of 1.75 cents per ounce of sweetened beverages or the equivalent for condensed syrups distributed into the City of Seattle. Consumption patterns and volumes changed during the COVID-19 restrictions reducing revenues. Although not completely returned to 2019 pre-COVID consumption and revenue levels (\$24.1 million), consumption and revenues have grown from the 2020 low of \$15.6 million to a plateau of approximately \$21 million over 2021-2023. The 2025-2026 Proposed Budget further anticipates revenues of \$21.3 and \$21.7 million in 2025 and 2026 respectively. These are essentially flat from the 2024 Adopted Budget of \$21.2 million.

Short-Term Rental Tax Fund.

Effective January 1, 2019, the State legislature authorized the public facilities district that is the Washington State Trade and Convention Center to impose a 7% tax on the sale of or charge made for the furnishing of lodging (including but not limited to any short-term rental). Beginning in 2020 these revenues and associated expenditures were moved from the General Fund to the Short-Term Rental Tax Fund in the City's accounting system. These revenues were severely affected by the reduction in travel due to COVID-19 concerns in 2020 and 2021 but have since rebounded, surpassing 2019 collections, and are currently expected to grow at a steady pace, reflecting the strength of the hospitality sector. The 2025-26 Proposed Budget anticipates \$11.8 million in 2025 and \$12.4 million in 2026.

Transportation Fund - Commercial Parking Tax.

Commercial parking tax revenues continue a robust recovery from the effects of the COVID-19 pandemic, buoyed by a rate increase of 2 percentage points from 12.5% to 14.5% that took effect July 2022. However, year-over-year growth is expected to slow given the signs of a cooling economy. The 2025-26 Proposed Budget anticipates \$54.0 million in 2025 and \$54.6 million in 2026.

JumpStart Payroll Expense Tax Fund.

For 2024, the City's Payroll Expense tax applies to those businesses with a total 2023 payroll expense in Seattle of at least \$8,511,281 and one or more employees with a 2024 annual compensation of at least \$182,385. Specific tax rates vary with the level of individual employee's compensation and a company's total Seattle payroll³. The Payroll Expense Tax was first imposed in 2021, with the first payments made in January 2022. Total 2021 tax obligations were approximately \$293 million, falling to \$253 million in 2022, then rising to \$313 million in 2023. The revised forecast for 2024 is \$404.4 million, \$78.7 million higher than the 2024 Adopted Budget forecast. The 2025-2026 Proposed Budget anticipates \$430.0 million in 2025 and \$451.5 million in 2026.

Though the City's experience with this tax is limited, it suggests that the payroll expense tax will be more volatile year to year and also more complicated to forecast than other similarly sized revenues streams (property tax, sales tax, and business and occupation tax) for several reasons. About 70% of the revenues from this tax are paid by only 10 companies and most of them are in the technology sector. The sharp drop in tax obligations in 2022 was associated with a slowdown in this sector, accompanied by layoffs and falling stock values, which negatively affect payroll tax revenues since stock grants represent a notable share of total compensation for technology workers.

As a result, the stock market outlook rather than the outlook for employment growth is a main driver of the upward revision in the revenue forecast for 2024 through 2026. The strong bounce back of stock prices in 2023 and an improved stock market outlook for 2024 are anticipated to more than offset the effect of ongoing tech sector job losses on payroll expense tax revenues. As a prime example, while Amazon continues to expand on the Eastside, it was reported that the company's headcount within Seattle city limits dropped by about 10,000 employees (17%) between the peak in 2020 and early 2024. However, based on the predictions of Wall Street analysts from late July, Amazon's stock price is expected to grow on average 52.1% in 2024 and 20.4% in 2025, after declining 24.6% in 2022 and 3.7% in 2023. The volatility due to the dependence of the tax base on stock price movements will remain an important risk going forward. In addition, given that total payroll expense tax revenues are significantly

³ Initial tax rates varied from 0.7% to 2.4%, starting from 2024 tax year they increased by approximately a factor of 1.065 and range from 0.746% to 2.557%. For more details see <https://www.seattle.gov/city-finance/business-taxes-and-licenses/seattle-taxes/payroll-expense-tax>.

affected by business decisions made by a small number of companies, rising office vacancy rates and the negative incentive effects of Initiative 137 also pose large risks in the coming years.

Multi-Department Revenue Summary

Payroll Expense Tax

The 2025-2026 Proposed Budget includes \$520.3 million in appropriation backed by \$430 million in forecasted Payroll Expense Tax revenues and an additional \$90.3 million in one-time Payroll Tax fund balance resulting from a combination of underspend and revenues exceeding forecasts in prior years.

Of this amount, the proposed budget allocates \$85 million in one-time fund balance to support general government expenses in the General Fund. The proposed budget allocates an additional \$202 million of anticipated 2025 revenues for the same purpose, for a total allocation of \$287 million in Payroll Tax support for the General Fund in 2025. The proposed budget allocates \$223 million in anticipated 2026 revenues to support general government expenses in the General Fund in 2026.

The proposed budget also sets aside \$48.7 million in planning reserves in 2025, including a revenue stabilization reserve equivalent to 10% of forecasted 2025 revenues. The Executive proposes this reserve due to the continued volatility of Payroll Expense Tax revenues.

Of the remaining \$233.3 million in Payroll Tax proceeds appropriated in the proposed budget, \$15 million per year in 2025 and 2026 is allocated to the Department of Education and Early Learning and to the Department of Parks and Recreation for programming to support youth mental health. In addition, the payroll tax supports \$4.25 million in the Human Services Department in 2025 to pay for youth violence prevention programs. The proposed budget continues this investment in youth violence prevention in 2026 in the General Fund.

After General Fund transfers and investments in youth mental health and violence prevention, the proposed budget allocates \$214 million in 2025 and \$224 million in 2026 to support programming in the five spending categories of the Payroll Expense Tax spending plan outlined in Section 5.38.055 of the Seattle Municipal Code, which is amended in companion legislation transmitted by the Executive concurrently with the 2025-2026 Proposed Budget.

This includes:

Housing and Services: The proposed budget includes \$133 million in payroll tax-backed investments in 2025 for affordable housing for low-income households, representing 62 percent of Payroll Tax program spending after transfers to the General Fund and investments in youth mental health and violence prevention. This funding will support the Office of Housing's work to develop, acquire, preserve, and operate affordable housing and foster affordable homeownership opportunities, and to support the ongoing operations and maintenance needs of affordable housing providers. The proposed budget will also support approximately \$1.8 million per year in 2025 and 2026 for the Department of Construction and Inspections to provide tenant assistance for eviction prevention.

Economic Development: The proposed budget includes \$31.1 million in 2025 in payroll tax-backed investments spread across ten City departments to support a wide range of economic development and affordability programs. This amount represents 15 percent of Payroll Tax program spending after transfers to the General Fund and investments in youth mental health

and violence prevention. Of this amount, \$19.9 million is allocated to the Office of Economic Development to continue leading implementation of the Mayor's Downtown Activation Plan and OED's Future of Seattle's Economy Plan, which was supported by the City Council in Resolution 32099. Additional payroll tax-backed allocations will support investments in the Mayor's Downtown Activation Plan by Seattle Parks and Recreation and Seattle Center. The proposed budget also sets aside a reserve in Finance General for costs related to hosting the 2026 FIFA World Cup. The proposed budget includes \$1 million over the biennium for the Department and Finance and Administrative services for technology investments to support the expansion of OED's work with Business Improvement Areas. The proposed budget includes over \$1m in each year to support an affordability program in the Information Technology Department, as well as economic opportunity investments in the Office of Immigrant and Refugee Affairs and the Human Services Department. In addition, the proposed budget includes \$350,000 to conduct additional environmental review related to proposed zoning changes within existing Regional and Urban Centers to allow more height and development capacity for housing.

Green New Deal: The proposed budget includes \$18.3 million in 2025 for payroll tax-backed investments in the Seattle Green New Deal, which aims to make Seattle carbon neutral by 2050. This funding amount represents 9 percent of payroll tax program spending after transfers to the General Fund and investments in youth mental health and violence prevention and allows the city to continue the bulk of ongoing Green New Deal (GND) initiatives from the 2023 and 2024 Adopted Budgets. The proposed budget includes full funding at OSE for the Building Emissions and Performance Standards (BEPS) program and the Clean Buildings Accelerator, which provides technical assistance and funding for low-income building owners to comply with BEPS and new state energy code requirements. Continued funding at OSE and other departments such as Office of Housing and Finance and Administrative Services will also support electrification and energy retrofits for homes, municipal buildings, transportation electrification, EV charging infrastructure, and urban forestry. To reduce transportation-related emissions, GND funds will also support Seattle Transit 3 (ST3) staffing to oversee and support project delivery in Seattle. Payroll tax supported GND funding is leveraged with additional federal and state grants for climate initiatives. In 2024, over \$35 million in external funding was awarded to the City of Seattle, with more awards anticipated.

Equitable Development Initiative: The proposed budget includes \$22 million in 2025 in payroll tax-backed investment in the Equitable Development Initiative (EDI) grants, program implementation and staffing costs in the Office of Planning and Community Development. This amount represents 10 percent of payroll tax program spending after transfers to the General Fund and investments in youth mental health and violence prevention. EDI invests in neighborhoods most impacted by displacement and low access to economic opportunities and aims to expand opportunity, prevent displacement, and build on local cultural assets. The proposed budget provides a total of \$28.3 million for EDI grants and program implementation, including contributions coming from the Payroll Expense Tax and Short-Term Rental Tax.

Administration and Evaluation: The proposed budget includes \$9.6 million in 2025 to support the administration of the payroll tax and the evaluation of the programs funded by its proceeds. This amount represents 4% of payroll tax program spending after transfers to the General Fund

and investments in youth mental health and violence prevention, and is shown in the budget as a transfer from the Payroll Tax Fund to the General Fund in Finance General. This amount covers specific costs related to administering the payroll tax in the Department of Finance and Administrative Services and City Finance, as well as increased staffing levels in the Department of Human Resources, City Budget Office and the Legislative department added in prior budgets. This transfer also covers administrative costs to the General Fund that are not captured through a formal allocation formula.

Sweetened Beverage Tax

Revenues declined in 2024 compared to forecast and continue to decline over the 2025-2026 biennium (about \$1 million per year). Use of SBT fund balance allows for a small increase in 2025 for labor settlements and contract inflation costs. While the 2026 budget maintains funding for Fresh Bucks and Healthy Food in Schools and for Parks programming, several departments will be implementing an 8% reductions. Reductions are made to the Department of Education and Early Learning's Developmental Bridge Contract, ParentChild+ Contract, and the Child Care Health Program. The Department of Neighborhoods' Food Equity Fund (FEF) will support 3-5 fewer awards each year for community-led projects. Human Services Department funding for produce bags for in-home family childcare providers (aka Farm to Child Care pilot) will be eliminated.

Short-Term Rental Tax

Ordinance 125872 and state law restrict the use of Short –Term Rental Tax (STRT) for equitable development and affordable housing. The proposed budget allocates \$6.2 million to the Office of Planning and Community Development (OPCD) for Equitable Development Initiative (EDI) grants to outside organizations, program implementation, and EDI staffing costs; \$3.86 million to the Human Services Department for permanent supportive housing, and \$2 million to debt service. The EDI was established in 2016 to provide investments in neighborhoods that support those most impacted by displacement and low access to opportunity. The program's objectives include advancement of economic opportunity and wealth-building strategies, preventing displacement, and building on local cultural assets.

Transportation Network Company (TNC) Tax

The 2025-2026 Proposed Budget projects \$5.7 million in 2025 and \$5.8 million in 2026 from the Transportation Network Company (TNC) tax. The TNC Tax began collecting revenue in 2021 and has seen a slower rebound of users and a reduction in revenue due to the creation of a state led Transportation Network Company tax. Washington State Engrossed Substitute House Bill 2076 creates a state level Transportation Network Company tax and preempts the City from enforcing the TNC Driver Minimum Compensation and TNC Driver Deactivation Rights Ordinances starting on January 1, 2023. ESHB 2076 also reduces the per trip fee from \$0.57/trip to \$0.42/trip effective January 1, 2023.

The previously passed Spending Resolution 31914 outlined how the proceeds of the TNC Tax were to be spent, which includes the 2023 preempted components. The Proposed Budget includes temporary modifications to the spending resolution for the 2025-2026 biennium. The Department of Finance and Administrative Services (FAS) is responsible for the accounting, collection, and enforcement of the tax and is appropriated \$350,000 in 2025. The remainder of the TNC Tax revenue will be used to make investments in transportation, including transit, and to support other City General Fund activities.

Admissions Tax

Over the 2025-2026 Biennium, the admissions tax is projected to generate \$30.8 million to support City arts and culture programs. Admissions tax revenue supports grants for arts and cultural organization, cultural facilities, grants for individual artists as well as other investments to support the arts community in the City. The Proposed Budget includes appropriations out of the Arts and Culture Fund to three City departments which have arts and culture-related spending. It also includes legislation to broaden the uses of Admissions Tax to support arts and culture investments throughout city departments. The Office of Arts and Culture, Seattle Center and Seattle Parks and Recreation budgets use Admissions Tax to support arts and culture spending.

City Fiscal Reserve Funds

The State of Washington permits the City to maintain two financial reserves to draw upon in the event of certain unanticipated expenditure or revenue pressures.

Emergency Fund

Under the authority of RCW 35.32A.060, the City maintains the Emergency Fund (EMF) of the General Fund. The EMF is the principal reserve for the City to draw upon when certain unanticipated expenses occur during the fiscal year. Eligible expenses include costs related to storms or other natural disasters. State law limits the amount of money the City can set aside in this reserve to 37.5 cents per \$1,000 of assessed value of property within the city.

Prior to 2017, the City's practice was to fully fund the emergency reserve to this maximum limit. In 2017, the City modified the existing financial policies for the EMF to establish a minimum balance of \$60 million, and to adjust that target balance each year with the rate of inflation. This policy struck a balance between ensuring that resources will be available to address unanticipated expenditures and making resources available to address current needs. In 2022, the City updated its financial policies to define a process for rebuilding the EMF reserve following a significant drawdown of funds, requiring that the EMF be replenished to its target balance within a period of five years.

During the COVID-19 pandemic and related economic downturn, the City withdrew \$31.3 million from the EMF over two years, reducing the reserve balance to \$33.7 million at the end of 2021. The 2022 Adopted Budget initiated the five-year rebuilding cycle by contributing \$10 million to the EMF. In 2023 a total of \$15 million was transferred to the fund and the 2024 Adopted Budget funded a contribution of \$14.2 million. The 2025-2026 Proposed Budget assumes contributions of \$12.7 million in 2025 and \$2.4 million in 2026 to complete replenishing the reserve target balance¹ of \$88 million within the prescribed five-year timespan.

Revenue Stabilization Fund

Under the authority of RCW 35.21.070, the City maintains a second financial reserve called the Revenue Stabilization Fund (RSF), also known as the "Rainy Day" Fund. The RSF provides resources for the City to draw upon to maintain City services in the event of a sudden, unanticipated shortfall in revenue due to economic downturns or other factors. City code limits the balance of this reserve to five percent of General Fund tax receipts. Ordinance 123743 requires the City to deposit an amount equivalent to 0.5% of General Fund tax revenues into the RSF, with some limited exceptions. In addition, City policy requires the deposit of 50% of any unplanned year-end fund balance in the General Fund into the RSF. The RSF has a fund balance cap equal to five percent of total annual General Fund tax revenue.

In 2011, following the Great Recession of 2009 and 2010, the City adopted significant RSF funding enhancements via Ordinance 123743, including the required annual deposit of 0.5% of General Fund tax revenues into the RSF. The new policies facilitated the rebuilding of this reserve fund from a low of \$10.5 million in 2010 to \$60.8 million by 2020. Additionally, the policies specified that contributions to the fund are suspended when tax revenues decline and are reduced to 0.25% in the following year.

During the COVID-19 pandemic and related economic downturn, the City withdrew \$54.7 million from the RSF, reducing the reserve balance to \$6.0 million at the end of 2021. The 2022 Adopted Budget called for a \$15.4 million contribution to the RSF as part of a multi-year strategy to rebuild the fund balance to 5% of total annual General Fund tax revenue. However, the 2021 year-end fund balance in the General Fund generated a \$55.7 million mid-year deposit during 2022, which funded the RSF to its cap. Since 2023, the budget has funded the incremental amount necessary to maintain the RSF at the statutory cap. The 2025-2026 Proposed Budget includes

¹ 2026 anticipated target balance calculated using CPI-U 12 Months Ending June from the August 2024 Revenue Forecast.

\$1.1 million in 2025 and \$3.0 million in 2026 in contributions to the RSF, bringing the total RSF reserves to \$72 million in 2026.

City Bond Issuance and Debt Service

In addition to cash resources, the City also uses bonds and property tax levies to fund a variety of capital improvement projects. The City's budget must include funds to pay interest and principal on outstanding and proposed bonds. The City has issued three types of debt to finance its capital improvement programs: unlimited tax general obligation bonds, limited tax general obligation bonds and revenue bonds.

Unlimited Tax General Obligation Bonds

The City may issue Unlimited Tax General Obligation (UTGO) Bonds for capital purposes if a proposition authorizing their issuance is approved by 60% of the voters in an election in which the number of voters exceeds 40% of the voters in the most recent general election. Payment of principal and interest is backed by the "full faith and credit" of the City. This means that the City commits itself to include in its property tax levy an amount that is sufficient to pay principal and interest on the bonds. Property taxes levied to pay debt service on UTGO bonds are not subject to the statutory limits in state law on the taxing authority of local governments, which is why UTGO bonds are "unlimited" (see the "Property Tax" section of the "Revenue Overview" for a description of statutory limits on property tax rates and growth). However, state law does limit the amount of UTGO bonds that can be outstanding at any time to 7.5% of assessed valuation of property in the city: 2.5% for open space and park facilities, 2.5% for utility purposes, and 2.5% for general purposes. As of December 31, 2023, there were approximately \$221.0 million in UTGO bonds outstanding.

Limited Tax General Obligation Bonds

The City Council may authorize the issuance of Limited Tax General Obligation (LTGO) Bonds, also known as Councilmanic bonds, in an amount up to 1.5% of assessed valuation, without a vote of the people. The City pledges its full faith and credit to the payment of principal and interest on LTGO bonds, but this pledge must be fulfilled within the City's statutory property tax limitations. Thus, these are "limited" general obligation bonds. The combination of UTGO bonds issued for general purposes and LTGO bonds cannot exceed 2.5% of assessed property valuation. If LTGO bonds are issued up to the 1.5% ceiling, then UTGO bonds for general purposes are limited to 1% of assessed value.

The City also guarantees debt issued by the Seattle Indian Services Commission and the Museum Development Authority. As of December 31, 2023, the guarantees totaled \$25.89 million in addition to approximately \$715.4 million in LTGO bonds outstanding. Guarantees count against the City's LTGO debt capacity.

Revenue Bonds

Revenue bonds are used to provide financing for the capital programs of City Light and the three other utilities - Water, Drainage and Wastewater, and Solid Waste - which are grouped together in Seattle Public Utilities. The City does not pledge its full faith and credit to the payment of debt service on revenue bonds. Payment of principal and interest on the bonds issued by each utility is derived solely from the revenues generated by the issuing utility. No tax revenues are used to pay debt service.

When revenue bonds are sold, the City commits itself to set fees and charges for the issuing utility that will be sufficient to pay all costs of operations and maintenance, and all payments of principal and interest on the bonds. While the amount of revenue bonds is not subject to statutory limits, the utility's ability to repay debt with interest is a practical constraint.

Forms of Debt Authorized by State Law

Table 1 below summarizes the conditions and limitations that apply to the issuance of the general obligation debt issued by the City.

Table 1: Summary of Conditions and Limitations for City Debt Issuances

Form of Debt	Voter Approval Required	Source of Repayment	Statutory Limitation	Current Limit ¹	Total Debt Outstanding 12-31-23 ¹
Unlimited Tax General Obligation Bonds (UTGO)					
Parks & Open Space	Yes	Property Tax	2.5% of AV	\$7.5 Billion	\$0
Utility	Yes	Property Tax	2.5% of AV	\$7.5 Billion	\$0
General Purposes	Yes	Property Tax	1.0 % of AV ²	\$3.0 Billion	\$221 Million
Limited Tax General Obligation Bonds (LTGO)	No	Taxes & Other Revenues	1.5% of AV ²	\$4.5 Billion	\$715 Million ³

¹ As of 12/31/23, assuming the latest certified assessed value of \$301.2 billion, issued on February 1, 2024 for taxes payable in 2024.

² The sum of UTGO and LTGO debt for general purposes cannot exceed 2.5% of assessed valuation.

³ Includes \$25.89 million of PDA debt guarantees.

City Debt Management Policies and Bond Ratings

The use of debt financing by the City is subject to federal and state laws as well as the City's own debt management policies ([Resolution 31553](#)).

The City has earned very high ratings on its bonds as a result of a strong economy and prudent financial practices. The City's UTGO debt is rated Aaa by Moody's Investors Service (Moody's), AAA by Fitch IBCA (Fitch), and AAA by Standard & Poor's (S&P), which are the highest possible ratings. The City's LTGO debt is also rated Aaa by Moody's, AAA by Fitch, and AAA by S&P. In addition, the City's utilities have very high ratings for revenue debt, reflecting sound finances and good management.

2025 Projected Bond Issues

In 2025, the City is authorized to issue approximately \$61.8 million of limited tax general obligation (LTGO) bonds for a variety of purposes. Table 2 lists the financed projects and other details of the financing plan. Bond proceeds will be deposited into the 2025 Tax Exempt and Taxable (if applicable) Multipurpose Bond Funds. City departments responsible for all or portions of projects listed in Table 2 will then draw money from the fund(s) as appropriated to implement the projects. The appropriation authority for spending these bond funds is included in the respective departments' sections of this budget.

Table 2: 2025 Multipurpose LTGO Bond Issuance Costs - Informational Only (\$1,000s)

<i>Project</i>	Capital Cost	Approx. Par Amount (1)	Max. Term	Approx. Rate	Debt Service Adopted 2025	Debt Service Estimated 2026	Debt Service Funding Source

Total	63,438	65,341			3,205	8,178	

(1) Includes 3% for costs of issuance and pricing adjustments.

Table 3: 2025 Multipurpose LTGO Fund Issuance Costs - Informational Only (\$1,000s)

Approximate Par Amount	Issuance Costs & Pricing Adjustments	Approximate 2025 Issuance Cost
\$63,438	3%	\$1,903

2025 Debt Service

In 2025, debt service associated with outstanding LTGO bond issues as well as the planned 2025 bond issuances is expected to be approximately \$121 million. Appropriation authority for debt service costs is included in the respective departments' sections of this budget. The Debt Service Appendix lists debt service amounts by paying fund.

Selected Financial Policies

Through a series of Resolutions and Ordinances, the City has adopted several financial policies that are designed to protect the City's financial interests and provide a framework and guidelines for the City's financial practices. For additional information about these policies, please refer to the City of Seattle website: http://www.seattle.gov/financedepartment/financial_policies.htm.

Budgetary Basis

- The City budgets on a modified accrual basis. Property taxes, sales taxes, business and occupation taxes, and other taxpayer-assessed revenues due for the current year are considered measurable and available as revenues, even though a portion of the taxes may be collected in the subsequent year. Licenses, fines, penalties, and miscellaneous revenues are recorded as revenues when they are received in cash since this is when they can be accurately measured. Investment earnings are accrued as earned.
- Expenditures are considered a liability when they are incurred. Interest on long-term debt, judgments and claims, workers' compensation, and compensated absences are considered a liability when they are paid.

Appropriations and Execution

- The budget generally makes appropriations for operating expenses at the budget control level within departments, unless the expenditure is from one of the General Fund reserve accounts, or is for a specific project or activity budgeted in the General Fund category called Finance General. These projects and activities are budgeted individually.
- Capital projects programmed in the CIP are appropriated in the budget at the program or project level. Grant-funded activities are controlled as prescribed by law and federal or state regulations.
- Within the legally adopted budget authorizations, more detailed allocations, as approved by CBO, are recorded in the City's accounting system, called PeopleSoft, at the lowest levels of each department's organizational structure and in detailed expenditure accounts. Throughout the budget year, CBO monitors revenue and spending performance against the budget to protect the financial stability of the City.
- In accordance with Washington state law, any unexpended appropriations for operating or ordinary maintenance expenditures automatically lapse at the close of the fiscal year, except for any appropriation continued by ordinance. Unexpended appropriations for capital outlays remaining at the close of the fiscal year are carried forward to the following year, except for any appropriation abandoned by ordinance.

Budget Transfers

The Budget Director may approve, without ordinance, appropriation transfers within a department or agency of up to 10%, and with no more than \$500,000 of the appropriation authority for the particular budget control level or, where appropriate, line item, being increased. In addition, no transfers can reduce the appropriation authority of a budget control level by more than 25%.

Selected Financial Policies

Debt Policies

- The City of Seattle seeks to maintain the highest possible credit ratings for all categories of short- and long-term General Obligation debt that can be achieved without compromising delivery of basic City services and achievement of adopted City policy objectives.
- The City will reserve \$100 million of legal limited tax (councilmanic) general obligation debt capacity, or 12% of the total legal limit, whichever is larger, for emergencies. The 12% reserve is now significantly greater than \$100 million.
- Except in emergencies, net debt service paid from the General Fund will not exceed 9% of the total General Fund budget. In the long run, the City will seek to keep net debt service at 7% or less of the General Fund budget.

General Fund - Fund Balance and Reserve Policies

- State law allows the City to maintain an emergency reserve at a maximum statutory-authorized level of 37.5 cents per \$1,000 of assessed property value in the city. The City's previous practice had been to fully fund the emergency reserve to this maximum limit. However, over the past several years assessed values have undergone significant growth and are expected to continue at a rate that far outpaces the projected City's revenue growth rate. In 2017 the City modified the existing financial policies for the Emergency Subfund (ESF) to establish a minimum balance of \$60 million, and to adjust that level each year with the rate of inflation. This implies that the ESF would continue to grow, but at somewhat lower rate than under the previous policy. This policy change strikes a balance between ensuring that resources will be available to address unanticipated expenditures and making resources available to address current needs.
- Annual contributions of 0.50% of forecasted tax revenues are automatically made to the Revenue Stabilization Fund (commonly referred to as the "Rainy Day Fund" or RSF).¹ In addition, 50% of any unanticipated excess General Fund fund balance at year's end is automatically contributed to the Revenue Stabilization Fund. These automatic contributions are temporarily suspended when the forecasted nominal tax growth rate is negative or when the total value of the RSF exceeds 5% of total tax revenues. In addition to the automatic contributions, the City may also make contributions to the RSF via ordinance. Expenditures from the RSF require the approval of a majority of the members of the Seattle City Council and must be informed by the evaluation of out-year financial projections.

Other Citywide Policies

- As part of the Mayor's budget proposal, the Executive develops a revenue estimate that is based on the best available economic data and forecasts.
- The City intends to adopt rates, fees, and cost allocation charges no more often than biennially. The rate, fee, or allocation charge structures may include changes to take effect at specified dates during or beyond the biennium. Other changes may still be needed in the case of emergencies or other unanticipated events.

¹ The 0.50% contribution is lowered to 0.25% of forecasted tax revenues for any year immediately following the suspension of contributions as a result of negative nominal tax revenue growth.

Selected Financial Policies

- In general, the City will strive to pay for general government current operating expenditures with current revenues, but may use fund balance or other resources to meet these expenditures. Revenues and expenditures will be monitored throughout the year.
- In compliance with State law, no City fund whose purpose is restricted by state or local law shall be used for purposes outside of these restrictions.
- Working capital for the General Fund and operating funds should be maintained at sufficient levels so that timing lags between revenues and expenditures are normally covered without any fund incurring negative cash balances for greater than 90 days. Exceptions to this policy are permitted with prior approval by the City Council.

Office of Arts and Culture

Gülgün Kayim, Director

(206) 684-7171

<http://www.seattle.gov/arts/>

Department Overview

The Office of Arts & Culture (ARTS) builds and strengthens community resilience through investments in arts and culture that support artists and cultural institutions in the city. The Office promotes Seattle as a cultural destination and invests in Seattle's creative sector to ensure a wide range of high-quality programs, exhibits, and public art are provided throughout the city. In alignment with the City's Race and Social Justice Initiative (RSJI), ARTS seeks solutions that use race and social justice strategies to drive our investments. Racial equity is central to ARTS and is incorporated into department policies, procedures, and practices. ARTS's program investments are centered around five key program areas: Cultural Investments, Creative Youth, Cultural Space programs, Art and Cultural Facilities programs, and Public Art. The Office is supported by the 16-member volunteer Seattle Arts Commission appointed by the Mayor and City Council who provide recommendations on the needs of the city's creative sector.

Budget Snapshot

 Full-Time Equivalents Total*	 41.34	 41.34	 43.75	 43.75

* FTE totals are provided for informational purposes only. Changes in FTEs resulting from City Council or Human Resources Director actions outside of the budget process may not be detailed here

Budget Overview

The 2025-2026 Proposed Budget maintains support for core ARTS programs including Arts and Cultural Grants and Education programs, Langston Hughes Performing Arts Center, King Street Station Gallery, Public Art, and Cultural Space. The budget also includes adjustments to labor budgets for bargained salary increases.

The proposed budget includes appropriations out of the Arts and Culture Fund to three City departments which have arts and culture-related spending. It also includes legislation to broaden the uses of Admissions Tax to support arts and culture investments throughout city departments. The Office of Arts and Culture, Seattle Center and Seattle Parks and Recreation budgets use Admissions Tax to support arts and culture spending.

The proposed budget adds \$2.5 million one-time for Downtown Activation Plan initiatives that support several arts activations that showcase the cultural significance of downtown Seattle neighborhoods and highlight the talent of local artists. The budget also funds a continuation of the Hope Corps program and implements a new grant program

Office of Arts and Culture

for community organizations to highlight their history and cultural diversity. Hope Corps fosters post-pandemic economic recovery by connecting under- and unemployed artists with job opportunities across Seattle.

Additionally, the proposed budget includes \$2 million in 2025 and 2026 for challenged arts and culture institutions in Seattle. These funds will help stabilize some of Seattle's most historic and largest arts institutions as they adapt to a post-pandemic economic landscape while continuing to employ a large share of creatives and fuel downtown recovery.

The proposed budget also identifies efficiencies in ARTS' budget and redirects funding from these administrative reductions to more immediate needs such as a technical grant position to help operate the software used to manage ARTS grant programs.

Office of Arts and Culture

Description of Incremental Budget Changes

Baseline

Bargained Annual Wage and Market Wage Increases to Base Budget

Expenditures \$747,529

This centrally administered change adjusts appropriations to reflect the Annual Wage Increases and Market Adjustments, as outlined in the agreements between the City and the Coalition of Unions or other standalone Unions, for personnel costs included in this department's baseline budget. This includes increases to salary, FICA, Medicare, retirement, overtime and temporary labor.

Citywide Adjustments for Standard Cost Changes

Expenditures \$121,421

Citywide technical adjustments made in the baseline phase reflect changes to internal services costs, including rates from the Department of Finance & Administrative Services, Seattle Information Technology Department, Seattle Department of Human Resources, and for healthcare, retirement, and industrial insurance charges for the department. These adjustments reflect initial assumptions about these costs and inflators early in the budget process.

Increase For Insurance Requirements at Langston Hughes Performing Arts Institute

Expenditures \$12,000

This item increases funding to support higher programming costs for Langston and CD Forum, two community-based organizations that provide programming at the Langston Hughes Performing Arts Institute. These higher programming costs stem from changes by Finance and Administrative Services (FAS) around insurance requirements.

King Street Station Rent Increase

Expenditures \$16,800

This item increases funding to cover the rental rate increase for the King Street Station facility. ARTS leases the King Street Station space from the Seattle Department of Transportation and the terms of this rental agreement are set in the Partnership Agreement Between Seattle Department of Transportation and Office of Arts & Culture.

Langston Hughes Staffing Alignment

Expenditures \$56,132

Position Allocation 0.41

This item increases the position pocket for the Events Booking Rep position which supports the Langston Hughes Performing Arts Institute from 0.59 to 1.0 FTE. This change aligns the position pocket size with ongoing and long-standing business needs. The position provides front desk customer service for the building and is available during business hours, is the liaison with the non-profit partners working in the space to respond to questions and resolve issues, and books and coordinates all rentals of the facility.

Office of Arts and Culture

Maintenance for ARTS at Denny Substation

Expenditures	\$80,800
Position Allocation	0.50

This item adds a 0.5 FTE Maintenance Laborer and basic equipment budget to ARTS to support the anticipated facilities needs of activating Denny Substation. The use of this position is to provide support to Denny and actual maintenance costs will be reimbursed by Seattle City Light (SCL) based on a Memorandum of Understanding between the two departments wherein ARTS manages SCL's Denny Power Station location and uses it for arts and community programming.

Reversal of 2024 One-Time Budget Adds

Expenditures	\$(4,878,952)
Revenues	\$(5,005,093)

This is a technical change to remove one-time budget adds from the baseline budget. The adjustments include removing \$650,000 in bridge funding for arts organizations, \$1,000,000 for downtown activations, \$1,000,000 for Hope Corps, \$763,952 for Folklife and Festal, \$150,000 for ARTS website redesign, \$20,000 for Latino Community Films, \$150,000 for African Cultural and Arts Center, \$250,000 for Chinese American Legacy Artwork, \$100,000 for Bumbershoot Workforce Development Program, \$100,000 for ARTS strategic planning, \$20,000 for African American Experience in Nordic Countries exhibit at the National Nordic Museum, and \$675,000 for Interbay neighborhood activations.

Proposed Operating

Eliminate Creative Economy Position

Expenditures	\$(81,366)
Position Allocation	(0.50)

This item removes position authority for a 0.5 FTE Arts Program Spec, BU position and related labor costs. The position provides capacity in the Partnerships, Education and Grants team but has been vacant in recent years. ARTS is continuing to support the creative economy through its Hope Corps program, cultural space work, and other collaborations with the Office of Economic Development.

Reduce ARTS Communications Budget for Events

Expenditures	\$(30,000)
--------------	------------

This item reduces the ARTS Communications budget for supporting and promoting events in Seattle. Since the pandemic, ARTS has shifted away from putting on events and instead focuses on promotion, media, and storytelling. This item reduces the ARTS Communications budget for reoccurring events in line with that shift in operations.

Reduce Funding for Staff Training and Professional Development

Expenditures	\$(35,000)
--------------	------------

This item reduces the budget for training and professional development for ARTS staff. ARTS will absorb costs for any training and professional development needs in their existing budget.

Office of Arts and Culture

Support for Challenged Arts & Culture Institutions

Expenditures \$2,000,000

This item creates a one-time grant program for 2025 and 2026 only within the Office of Arts & Culture specifically designed to stabilize and support arts and cultural organizations in the city that are challenged with pandemic related deficits and have a need to stabilize their business practices. The budget includes \$2 million in each year funded with Admissions Tax.

Technical Support for Grant Management Systems

Expenditures \$184,703

Position Allocation 1.00

This item adds one Strategic Advisor 1 position to ARTS budget to provide ongoing technical support of ARTS grant management systems. The technical expertise needed to operate, test, troubleshoot, and build out grant applications in the grant management systems is complex and the body of work cannot be managed with current staffing. ARTS is the heaviest user of the Fluxx grant management system across the City of Seattle. This position will also provide technical support and leadership for operations projects that improve office efficiencies and information systems and be the liaison between IT and ARTS on IT-related issues.

Union and King Street Station Plaza Visual Art installations and Performance Events

Expenditures \$794,801

This one-time item provides funding to support activation of the interior of Union Station and King Street Station. This item supports activations such as celebrations, market space, a music venue, a cooling station, lighting and digital artwork to revitalize and celebrate the culture and history of these places for residents and visitors to our city. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Alleyway Activations - Visual Art Installations

Expenditures \$159,969

This one-time item provides funding to activate up to six alleyways in the Chinatown, International District, and Pioneer Square neighborhoods with art installations. ARTS will partner with community groups to determine strategies and outcomes for artworks that celebrate the culture and history of each community. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Community Engagement and Cultural Inclusion Grant Program

Expenditures \$530,000

This one-time item provides funding to support a grant program for community organizations to commission a series of art installations and events for communities to showcase their history and cultural diversity. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Hope Corps Activations and Installations

Office of Arts and Culture

Expenditures	\$355,627
Position Allocation	1.00

This one-time item provides funding to support the Hope Corps program. This item supports Hope Corps activations in communities with a particular focus on the Chinatown International District, Little Saigon, King Street Station, Union Street Plaza, and Pioneer Square. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026. This iteration of Hope Corps will be staffed by a temporary ARTS employee with an expected sunset date of 12/31/2026.

Neighborhood Arts, Culture, and Festival Activations

Expenditures	\$494,801
--------------	-----------

This one-time item provides funding to support community celebration sites that will take place in summer of 2026. This item supports community activations and celebrations during the World Cup outside the downtown core through arts, culture, and festivals. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Visual Arts Installation at Benaroya Hall

Expenditures	\$194,801
--------------	-----------

This one-time item provides funding to support arts-centered interventions and activations along 3rd Avenue. This item supports creating points of interest along the 3rd Ave corridor, activating the route between Benaroya Hall and King Street Station Plaza with art installations. These funds are appropriated in 2025 for ARTS to plan, select, and contract with involved parties with an implementation date of 2026.

Proposed Technical

Arts Revenue Adjustments

Revenues	\$(503,234)
----------	-------------

This item adjusts revenues in the Arts and Culture Fund (12400) to reflect changes in anticipated interest earnings and the Municipal Art Fund (12010) to reflect the anticipated amount of 1% for the Arts funds collected from capital departments.

Event Management Software Subscription

Expenditures	\$18,355
--------------	----------

This item increases funding to pay ongoing costs for an event booking software for two cultural facilities, Langston Hughes Performing Arts Institute (LHPAI) and ARTS at King Street Station (KSS). The software will allow ARTS to book events electronically and accept payments by credit or debit cards increasing the rentability and usability of the space.

Final Adjustments for Standard Cost Changes

Expenditures	\$(49,295)
--------------	------------

Citywide technical adjustments made in the proposed phase reflect changes to internal services costs, including rates from the Department of Finance & Administrative Services, Seattle Information Technology Department, Seattle Department of Human Resources, and for healthcare for the department. These adjustments reflect final decisions about these costs made during the Proposed Phase of the budget process.

Fund Balancing Entries

Office of Arts and Culture

Revenues \$6,798,465

This is a technical item to record a fund balancing entry for the 12400 Arts and Culture Fund and 12010 Municipal Arts Fund, which are primarily managed by this department.

Ongoing Changes from Current Year Legislation

Expenditures -

This change includes ongoing budget and/or position changes resulting from current year legislation in 2024, including the Year End Supplemental Ordinance.

Technical Adjustment to ARTS Communications

Expenditures \$(28,641)

Position Allocation -

This item makes several technical adjustments in the ARTS communications team. It corrects a position classification from a part-time PR Supervisor (0.5 FTE) to a full-time PR Specialist, Sr and abrogates a vacant 0.5 FTE Events Booking Rep, Sr. This technical adjustment will align ARTS' operations and budget in communications.

Transfer Art Maintenance Appropriation from Municipal Art Fund to Arts and Culture Fund

Expenditures -

This item moves appropriation authority for maintenance of the City of Seattle's artwork collection from the Municipal Art Fund (12010) to the Arts and Culture Fund (12400) to provide stable funding to maintain and conserve artwork over its lifetime. The Municipal Art Fund does not have the flexibility to be used to maintain artworks that have been acquired for departments that do not regularly have capital projects.

Office of Arts and Culture

Expenditure Overview

	2023 Actuals	2024 Adopted	2025 Proposed	2026 Proposed

Appropriations by Budget Summary Level and Program

ARTS - BO-AR-2VMA0 - Public Art

The purpose of the Public Art Budget Summary Level is to fund the Public Art Program, which develops art pieces and programs for City facilities, and the Artwork Conservation Program, which maintains the City's permanent art collection.

Program Expenditures	2023 Actuals	2024 Adopted	2025 Proposed	2026 Proposed
Artwork Conservation	155,986	436,272	478,853	491,249
Public Art	3,023,222	4,437,346	4,677,664	4,725,665
Total	3,179,207	4,873,618	5,156,516	5,216,914
Full-time Equivalents Total*	12.15	12.65	13.65	13.65

**FTE totals are provided for informational purposes only. Changes in FTEs resulting from City Council or Human Resources Director actions outside of the budget process may not be detailed here*

The following information summarizes the programs in Public Art Budget Summary Level:

Artwork Conservation

Expenditures/FTE	2023 Actuals	2024 Adopted	2025 Proposed	2026 Proposed

Seattle Parks and Recreation

AP Diaz, Superintendent

(206) 684-4075

<http://www.seattle.gov/parks/>

Department Overview

Seattle Parks and Recreation (SPR) equips employees and the public for well-being, supporting healthy people, a thriving environment and vibrant community. SPR provides safe and accessible spaces for residents and visitors to work, recreate, rejuvenate and enhance quality of life and wellness for children, teenagers, adults and seniors. SPR manages a [6,400+ acre park system of nearly 500 parks](#) and extensive natural areas. SPR provides athletic fields, tennis courts, play areas, specialty gardens, and more than 25 miles of boulevards and 120 miles of trails. The system comprises about 12% of the city's land area. SPR also manages many facilities, including 26 [community centers](#), eight [indoor swimming pools](#), two [outdoor \(summer\) swimming pools](#), three [environmental education centers](#), two [small craft centers](#), four [golf courses](#), an outdoor stadium, and much more. Department employees work hard to develop partnerships with park neighbors, volunteer groups, non-profit agencies, local businesses, the Associated Recreation Council, and Seattle Public Schools to provide access to open spaces, facilities, and programs for all residents.

Budget Overview

The City's 2025-2026 Proposed Budget maintains core services for Seattle Parks and Recreation (SPR). The department will continue to invest in community centers and pools; park activations and recreation opportunities for all ages and special populations; athletic fields, playgrounds, natural areas and trails; and specialty facilities including two small craft centers and four golf courses. In addition, the department will continue to maintain budget for future major capital projects, including the 8th & Mercer, Queen Anne, and Loyal Heights community center

Seattle Parks and Recreation

renovations, new park development, and athletic field turf conversions.

SPR's 2025 proposed budget increases by 6% from its 2024 Adopted budget, which represents an increase by 14% of its operating budget and a decrease by 14% of its capital budget and from 2024, largely due to updating planned bond issuance to align with project schedules. SPR is facing budget constraints in 2025 and 2026 due to the General Fund revenue forecast being insufficient to cover all Citywide costs, as well as annual wage increases and market adjustments which exceeded planning reserves, particularly in the Park and Recreation Fund. As a result, General Fund reductions and fee increases were identified. Proposed changes to SPR's planned baseline budgets for both operating and capital are summarized below.

Overview of Operating Changes

From its 2025 baseline operating budget of \$227 million, SPR's proposed budget shows an overall increase by 14% to about \$259 million. These changes by fund include:

- \$11.5 million increase in Seattle Park District Fund
- \$8.7 million increase in General Fund
- \$8 million increase in Park and Recreation Fund (Park Fund)
- \$1.2 million increase in Payroll Expense Tax, \$186,000 of which is shifting from General Fund
- \$1.2 million increase in King County Levy funds, \$1.1 million of which is shifting from the capital budget
- \$884,000 increase in the Arts and Culture Fund via Admissions Tax proceeds
- \$37,000 increase in Sweetened Beverage Tax Fund

Overview of Capital Changes

From its 2025 baseline capital budget of \$204 million, SPR's proposed budget shows an overall decrease by 60% to \$81 million, the vast majority of which is due to shifting about \$118 million of planned bond funding from 2025 to 2026 to align with updated project delivery schedules for Green Lake Community Center and Evans Pool renovation, Lake City Community Center renovation, Queen Anne Community Center renovation, and 8th & Mercer Community Center projects. Other capital changes by fund include:

- \$6.4 million decrease in Seattle Park District, shifting these funds to the operating budget
- \$1.5 million increase in Payroll Expense Tax
- \$1.1 million decrease in King County Levy, shifting these funds to the operating budget
- \$500,000 increase in Park Fund

Proposed Budget Meets General Fund Commitment
