**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR  
CONCURRING, THAT:**

Section 1. The City Council generally supports the One Roof Partnership's vision for a new Memorial Stadium as described in its response to the City/Seattle Public Schools (SPS) joint request for proposals, and filed with the City Clerk, in particular the commitments to invest in, develop, construct, operate, and maintain a student- and community-oriented Memorial Stadium that will be transformative for Seattle Center and to lead private and philanthropic fundraising. The City Council encourages the Executive's project team to advance discussions on the public-private partnership consistent with the One Roof Partnership's overall vision, and to fully develop the range of public benefits described in their proposal for the benefit of SPS students and the Seattle Center community.

Section 2. The City Council established its intent via Statement of Legislative Intent (SLI) CEN-602-A-002-2023 to continue working with the Mayor and SPS to identify additional funding, with the goal of reaching a total of \$40 million in City funding to support specific elements of the Memorial Stadium project that would support operations of Seattle Center and expand and enhance open space connections between the campus and the stadium. Building on that intent and to support the completion of agreements to advance the Project, consistent with SLI CEN-602-A-002-2023, the City Council reaffirms its intent to work to identify additional City funding for the Memorial Stadium project anticipated to be needed in 2026-2027, leveraging funds provided by Seattle Public Schools and the One Roof Partnership.

Section 3. The City Council requests that the Mayor's Office and Seattle Center develop the agreements

necessary to implement the Project (“Agreements”) and transmit legislation to authorize the Agreements for the Council’s review and action. These Agreements will address the property and use rights between the City, SPS, and the One Roof Partnership, as well as the design and construction of the Project, the financial and legal terms for the Project’s construction, prevailing wage and labor harmony requirements, and responsibilities for the long-term operation of the Project. The Agreements will be subject to review and approval by the City Council and the SPS Board of Directors.

Section 4. The Council requests that Seattle Center, in collaboration with SPS and the One Roof Partnership, implement a community engagement process that helps to ensure that the Project welcomes and serves students and youth, fosters equity and inclusivity, integrates with and supports Seattle Center, and recognizes the importance of the site’s history.
